Under the Euro Medium Term Note Programme described in this Base Prospectus (the “**Programme**”), Casino, Guichard-Perrachon (“**Casino**” or, in its capacity as issuer, an “**Issuer**”) and Casino Finance (“**Casino Finance**” or an “**Issuer**” (together with Casino, in its capacity as Issuer, the “**Issuers**”)), subject to compliance with all relevant laws, regulations and directives, may from time to time issue Euro Medium Term Notes (the “**Notes**”). The Notes issued by Casino Finance will, upon their issue, be guaranteed by Casino (the “**Guarantor**”) pursuant to a *cautionnement solidaire* (the “**Guarantee**”). The aggregate nominal amount of Notes outstanding will not at any time exceed Euro 9,000,000,000 (or the equivalent in other currencies).

This Base Prospectus supersedes and replaces the base prospectus dated 3 December 2013. This Base Prospectus shall be in force for a period of one year as of the date set out hereunder.

Application has been made to the *Commission de surveillance du secteur financier* (“**CSSF**”) in its capacity as competent authority in Luxembourg under the *loi relative aux prospectus pour valeurs mobilières* dated 10 July 2005, as amended (the “**Prospectus Act 2005**”) for the approval of this document as a base prospectus for the purposes of Article 5.4 of the Prospectus Directive. In accordance with article 7(7) of the Prospectus Act 2005, the CSSF shall give no undertaking as to the economical and financial soundness of the operation or the quality or solvency of the Issuers by approving this Base Prospectus.

Application may be made for a period of twelve (12) months from the date of this Base Prospectus (i) to the Luxembourg Stock Exchange for the Notes issued under the Programme to be admitted to trading on the Luxembourg Stock Exchange's regulated market and to be listed on the official list of the Luxembourg Stock Exchange and/or (ii) to the competent authority of any other Member State of the European Economic Area (“**EEA**”) for Notes issued under the Programme to be listed and admitted to trading on an EEA Regulated Market (as defined below) in such Member State. However, Notes issued under the Programme may be unlisted and/or not admitted to trading on any market including an EEA Regulated Market. The relevant final terms (the “**Final Terms**”) (a form of which is contained herein) in respect of the issue of any Notes will specify whether or not such Notes will be listed and admitted to trading and, if so, the relevant EEA Regulated Market.

The Luxembourg Stock Exchange is a regulated market for the purposes of the Markets in Financial Instruments Directive 2004/39/EC, appearing on the list of regulated markets issued by the European Commission (an “**EEA Regulated Market**”).

References in this Base Prospectus to the “**Prospectus Directive**” are to the Directive 2003/71/EC of 4 November 2003 on the prospectus to be published when securities are offered to the public or admitted to trading, as amended.

Notes may be issued either in dematerialised form (“**Dematerialised Notes**”) or in materialised form (“**Materialised Notes**”) as more fully described herein.

Dematerialised Notes will at all times be in book entry form in compliance with Articles L.211-3 and R.211-1 of the French *Code monétaire et financier*. No physical documents of title will be issued in respect of the Dematerialised Notes.

Dematerialised Notes may, at the option of the relevant Issuer, be in bearer dematerialised form (*au porteur*) inscribed as from the issue date in the books of Euroclear France (“**Euroclear France**”) (acting as central depository) which shall credit the accounts of Account Holders (as defined in “Terms and Conditions of the Notes - Form, Denomination, Title and Redenomination”) including Euroclear Bank S.A./N.V. (“**Euroclear**”) and the depository bank for Clearstream Banking, société anonyme (“**Clearstream, Luxembourg**”) or in registered dematerialised form (*au nominatif*) and, in such latter case, at the option of the relevant Noteholder (as defined in Condition 1(c)(iv)), in either fully registered form (*nominatif pur*), in which case they will be inscribed either with the relevant Issuer or with the registration agent (designated in the relevant Final Terms) for the relevant Issuer, or in administered registered form (*nominatif administré*) in which case they will be inscribed in the accounts of the Account Holders designated by the relevant Noteholders.

Materialised Notes will be in bearer materialised form only and may only be issued outside France. A temporary global certificate in bearer form without interest coupons attached (a “**Temporary Global Certificate**”) will initially be issued in connection with Materialised Notes. Such Temporary Global Certificate will be exchanged for definitive Materialised Notes in bearer form with, where applicable, coupons for interest attached on or after a date expected to be on or about the 40th day after the issue date of the Notes (subject to postponement as described in “Temporary Global Certificates issued in respect of Materialised Notes”) upon certification as to non U.S. beneficial ownership as more fully described herein.

Temporary Global Certificates will (a) in the case of a Tranche intended to be cleared through Euroclear and/or Clearstream, Luxembourg, be deposited on the issue date with a common depository on behalf of Euroclear and/or Clearstream, Luxembourg and (b) in the case of a Tranche intended to be cleared through a clearing system other than or in addition to Euroclear and/or Clearstream, Luxembourg or delivered outside a clearing system, be deposited as agreed between the Issuers and the relevant Dealer (as defined below).

As at the date of this Base Prospectus, Casino has a long-term debt rating of BBB- by Standard & Poor's Ratings Services (“**S&P**”) and BBB- by Fitch Ratings (“**Fitch**”) and a short-term debt rating of A-3 by S&P and F3 by Fitch. Unless otherwise specified in the relevant Final Terms, Notes to be issued under the Programme with a maturity of 12 months or more will be rated BBB- by S&P and BBB- by Fitch. Unless otherwise specified in the relevant Final Terms, Notes to be issued under the Programme having a maturity of less than 12 months will be rated A-3 by S&P and F3 by Fitch. As of the date of this Base Prospectus, S&P and Fitch are established in the European Union and registered under Regulation (EC) No. 1060/2009 on credit ratings agencies, as amended (the “**CRA Regulation**”) and are included in the list of credit rating agencies registered in accordance with the CRA Regulation published on the European Securities and Markets Authority's website (www.esma.europa.eu/page/List-registered-and-certified-CRAs). The relevant Final Terms will specify whether or not such credit ratings are issued by a credit rating agency established in the European Union and registered under the CRA Regulation. Credit ratings are subject to revision, suspension or withdrawal at any time by the relevant rating organisation. Where an issue of Notes is rated, its rating will not necessarily be the same as the rating assigned to Notes issued under the Programme. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning rating agency.

The Final Terms of the relevant Notes will be determined at the time of the offering of each Tranche and will be set out in the relevant Final Terms.

No person has been authorised to give any information or to make any representation other than those contained in this Base Prospectus in connection with the issue or sale of the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by Casino or Casino Finance or any of the Dealers or the Arranger (each as defined in “General Description of the Programme”). Neither the delivery of this Base Prospectus nor any sale made in connection herewith shall, under any circumstances, create any implication that there has been no change in the affairs of Casino or Casino Finance, as the case may be, or those of the Group since the date hereof or the date upon which this Base Prospectus has been most recently amended or supplemented or that there has been no adverse change in the financial position of either Casino or Casino Finance, as the case may be, or that of the Group since the date hereof or the date upon which this Base Prospectus has been most recently amended or supplemented or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

The distribution of this Base Prospectus and the offering or sale of the Notes in certain jurisdictions may be restricted by law. Persons into whose possession this Base Prospectus comes are required by the Issuers, the Dealers and the Arranger to inform themselves about and to observe any such restriction.

The Notes and the Guarantee have not been and will not be registered under the United States Securities Act of 1933, as amended (the “Securities Act”) or with any securities regulatory authority of any state or other jurisdiction of the United States and may include Materialised Notes in bearer form that are subject to U.S. tax law requirements. Subject to certain exceptions, the Notes may not be offered, sold or in the case of Materialised Notes in bearer form, delivered within the United States or to, or for the account or benefit of, U.S. persons. The Notes are being offered and sold in offshore transactions outside the United States to non-U.S. persons in reliance on Regulation S under the Securities Act (“Regulation S”). This Base Prospectus does not constitute an offer of, or an invitation by or on behalf of Casino or Casino Finance or the Dealers or the Arranger to subscribe for, or purchase, any Notes.

The Arranger and the Dealers have not separately verified the information contained in this Base Prospectus. None of the Dealers or the Arranger makes any representation, express or implied, or accepts any responsibility, with respect to the accuracy or completeness of any of the information in this Base Prospectus. Neither this Base Prospectus nor any other financial statements are intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by any of Casino, Casino Finance, the Arranger or the Dealers that any recipient of this Base Prospectus or any other financial statements should purchase the Notes. Each potential purchaser of Notes should determine for itself the relevance of the information contained in this Base Prospectus and its purchase of Notes should be based upon such investigation as it deems necessary. None of the Dealers or the Arranger undertakes to review the financial condition or affairs of Casino, Casino Finance or the Group during the life of the arrangements contemplated by this Base Prospectus nor to advise any investor or potential investor in the Notes of any information coming to the attention of any of the Dealers or the Arranger.

In connection with the issue of any Tranche (as defined in “General Description of the Programme”), one of the Dealers may act as a stabilising manager(s) (the “Stabilising Manager(s)”). The identity of the Stabilising Manager will be disclosed in the relevant Final Terms.

The Stabilising Manager(s) (or person(s) acting on behalf of any Stabilising Manager(s)) in the applicable Final Terms may over-allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilising Agent (or person(s) acting on behalf of a Stabilising Manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the final terms of the offer of the relevant Tranche of Notes is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Tranche of Notes and 60 days after the date of the allotment of the relevant Tranche of Notes. Any stabilisation action or over-allotment shall be conducted by the relevant Stabilising Manager(s) (or person(s) acting on behalf of any Stabilising Manager(s)) in accordance with applicable laws and rules.

In this Base Prospectus, unless otherwise specified or the context otherwise requires, references to “€”, “Euro”, “EUR” or “euro” are to the single currency of the participating member states of the European Union which was introduced on 1 January 1999, references to “£”, “pounds sterling”, “GBP” and “Sterling” are to the lawful currency of the United Kingdom, references to “\$”, “USD” and “U.S. Dollars” are to the lawful currency of the United States of America, references to “¥”, “JPY”, “Japanese yen” and “Yen” are to the lawful currency of Japan, references to “PLN” or “Polish zloty” are to the lawful currency of the Republic of Poland and references to “Swiss francs” or “CHF” are to the lawful currency of the Helvetic Confederation.

In this Base Prospectus, any discrepancies in any table between totals and the sums of the amounts listed in such table are due to rounding.

SUPPLEMENT TO THE BASE PROSPECTUS

If at any time Casino and/or Casino Finance shall be required to prepare a supplement to this Base Prospectus pursuant to the provisions of Article 16 of the Prospectus Directive, Casino and/or Casino Finance will prepare and make available an appropriate supplement to this Base Prospectus, which in respect of any subsequent issue of Notes to be listed on the official list of the Luxembourg Stock Exchange and admitted to trading on the Regulated Market of the Luxembourg Stock Exchange or on an EEA Regulated Market, shall constitute a supplement to the Base Prospectus for the purpose of the relevant provisions of the Prospectus Directive.

RISK FACTORS

RISK FACTORS RELATING TO CASINO, GUICHARD-PERRACHON, CASINO FINANCE AND THE GROUP

The relevant Issuer and the Guarantor, in the case of Notes issued by Casino Finance with the Guarantee of Casino, believe that the following factors may affect their ability to fulfil their obligations under the Notes issued under the Programme. All of these factors are contingencies which may or may not occur and the relevant Issuer and the Guarantor, in the case of Notes issued by Casino Finance with the Guarantee of Casino, are not in a position to express a view on the likelihood of any such contingencies occurring. The risk factors may relate to the relevant Issuer and the Guarantor, in the case of Notes issued by Casino Finance with the Guarantee of Casino, or the Group.

In addition, factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

The relevant Issuer and the Guarantor, in the case of Notes issued by Casino Finance with the Guarantee of Casino, believe that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme, but the inability of the relevant Issuer and the Guarantor, in the case of Notes issued by Casino Finance with the Guarantee of Casino, to pay interest, principal or other amounts on or in connection with any Notes may occur for other reasons and the relevant Issuer and the Guarantor, in the case of Notes issued by Casino Finance with the Guarantee of Casino, do not represent that the statements below regarding the risks of holding any Notes are exhaustive. The risks described below are not the only risks the relevant Issuer and the Guarantor, in the case of Notes issued by Casino Finance with the Guarantee of Casino, face. Additional risks and uncertainties not currently known to the relevant Issuer and the Guarantor, in the case of Notes issued by Casino Finance with the Guarantee of Casino, or that they currently believe to be immaterial could also have a material impact on its business operations. Prospective investors should also read the detailed information set out elsewhere or incorporated by reference in this Base Prospectus and the Final Terms of the relevant Notes and reach their own views prior to making any investment decision. In particular, investors should make their own assessment as to the risks associated with the Notes prior to investing in Notes issued under the Programme.

Subject to the above provisions, the Group has reviewed the main risks that could have a material impact on its operations, financial position or results. These risks are described below.

MARKET RISKS

The Group has set up an organisation to oversee its financial risks (liquidity, currency and interest rate risks) and where appropriate manage them on a centralised basis. The Corporate Finance Department, which reports to the Group Chief Financial Officer, is responsible for managing these risks and has the necessary expertise and tools to fulfil this task. The Corporate Finance Department operates on the main financial markets according to guidelines that guarantee the highest levels of efficiency and security. A regular reporting system has been set up, allowing Group management to sign off on the policies followed, which are based on strategies approved in advance by management.

Interest rate risk

Detailed information about interest rate risk is provided in note 33.2.1 to the consolidated financial statements included in the 2013 *Document de Référence* (incorporated by reference herein). The Casino Group uses various financial instruments to manage interest rate risk, particularly swaps. Although these instruments are not always eligible for hedge accounting, they all form part of the Group's interest rate risk management policy, which is based on dynamic management of debt. This means monitoring and where necessary adjusting its hedging ratio according to projected movements in interest rates, with the aim of managing its exposure to the risk of changes in interest rates and optimising its cost of debt.

An analysis of sensitivity to interest rate risk is provided in note 33.2.1 to the consolidated financial statements included in the 2013 *Document de Référence* (incorporated by reference herein).

Currency risk

Information about currency risk is provided in note 33.2.2 to the consolidated financial statements included in the 2013 *Document de Référence* (incorporated by reference herein).

Due to its geographical diversification, the Group is exposed to translation risk. In other words, its balance sheet and income statement, and consequently its financial ratios, are sensitive to movements in exchange rates upon consolidation of the financial statements of its foreign subsidiaries outside the euro zone. At 31 December 2013, International represented 60% of revenue, 68% of EBITDA and 74% of trading profit. Currency effects on these three aggregates were, respectively, -8.1%, -9.2% and -10.3%.

The Group is also exposed to transaction risk on transactions denominated in currencies other than the euro. The Group’s policy for operational currency risk is to hedge highly probable budgeted exposures, which mainly involve purchases made in a currency other than its functional currency and particularly purchases in US dollars. Substantially all budgeted purchases are hedged using forward currency purchases with the same maturities as the underlying transactions.

An analysis of the sensitivity of net exposure (after hedging) to currency risk is provided in note 33.2.2 to the consolidated financial statements included in the 2013 *Document de Référence* (incorporated by reference herein).

Liquidity risk

The breakdown of debt and confirmed lines of credit by maturity and currency is provided in note 33.4 to the consolidated financial statements included in the 2013 *Document de Référence* (incorporated by reference herein), together with additional information concerning debt covenants which, if breached, would trigger early repayment obligations.

The Group’s liquidity position appears to be very satisfactory. Upcoming repayments of short-term financial liabilities and seasonal working capital requirements are comfortably covered by cash, cash equivalents and undrawn confirmed bank lines.

The Group’s policy is to continuously monitor and forecast its liquidity position in order to ensure that it always has sufficient liquid assets to settle its liabilities as they fall due, in either normal or impaired market conditions.

Most of the Group’s debt is carried by Casino, Guichard-Perrachon. Financing is managed by the Corporate Finance Department. The main subsidiaries (GPA, Big C Thailand, Monoprix and Exito) also have their own sources of financing.

The Group’s loan and bond agreements include the usual covenants and default clauses, including *pari passu*, negative pledge and cross-default clauses.

Casino, Guichard-Perrachon’s loan agreements contain a mandatory acceleration clause in the event of a change of control of Casino.

In addition, some bond issues made by Casino, Guichard-Perrachon contain an acceleration clause at the investors’ discretion should its long-term senior debt rating be downgraded to non-investment grade due to a change of majority shareholder.

At 31 December 2013, the covenants related to the main types of debt carried by the parent company were as follows:

Covenant	Financing subject to covenant
Consolidated net debt ⁽²⁾ to consolidated EBITDA ⁽¹⁾	€1.2 billion syndicated credit facility

may not exceed 3.5	USD 1 billion credit facility Bilateral credit lines totalling €150 million
Consolidated net debt ⁽²⁾ to consolidated EBITDA ⁽¹⁾ may not exceed 3.7	Bilateral credit lines totalling €50 million Alaméa €300 million loan
<p><i>(1) EBITDA (earnings before interest, taxes, depreciation and amortisation) = trading profit plus operating depreciation and amortisation.</i></p> <p><i>(2) Net debt as defined in the loan agreements may differ from net debt recognised in the consolidated financial statements (see note 1, section 1.4.29). It corresponds to borrowings and financial liabilities less cash and cash equivalents, as increased or reduced by the net impact of fair value hedges of debt with a positive or negative fair value.</i></p>	

The Group complied with these ratios at 31 December 2013.

Most of the Group's other loan agreements contain financial covenants and mainly concern the GPA and Big C Thailand subsidiaries.

- GPA's financial covenants are as follows:

Covenant	Financing subject to covenant
Net debt ⁽²⁾ may not be higher than equity ⁽³⁾	All bond issues (€1,106 million)
Consolidated net debt to EBITDA may not exceed 3.25	
Equity to total assets must be equal to or more than 0.3	BNDES financing for €96 million
EBITDA to net debt must be equal to or more than 0.35	
<p><i>(1) All GPA's covenants refer to consolidated data.</i></p> <p><i>(2) Debt less cash, cash equivalents and receivables.</i></p> <p><i>(3) Consolidated equity (including non-controlling interests)</i></p>	

GPA complied with these ratios at 31 December 2013.

- For Big C Thailand, all drawn bank lines (€450 million) and undrawn bank lines (€221 million) are subject to financial covenants (net debt to EBITDA and net debt to equity), which were complied with at 31 December 2013.

In addition, as regards Banque du Groupe Casino, liquidity risk is monitored as part of the liquidity policy of CMCIC Group (50% joint owner with Casino Group). The assessment of the bank's liquidity is therefore based on CMCIC Group standards and alert ratios, as well as regulatory ratios.

The main objectives of liquidity risk management are:

- to secure funding through monthly projections of cash surpluses and requirements based on a comparison of commitments received and customer loan forecasts;

- to gradually bring the bank into line with the new Basel III liquidity requirements by extending the duration of transactions to guarantee a better match between asset and liability flows.

The bank's capital ratio, at 14%, is well above the current regulatory minimum as well as the minimum requirement set by its control authority. The bank will therefore have no difficulty in meeting the stricter Basel III requirements in this area.

Commodity risk

Given the nature of its business, Casino is not exposed to any material commodity risk.

Equity risk

Detailed information about equity risk is provided in note 33.5 to the consolidated financial statements included in the 2013 *Document de Référence* (incorporated by reference herein). The Group uses equity derivative instruments (e.g. total return swaps, forwards, calls) with the aim of building a synthetic exposure to the shares of its listed subsidiaries (see note 9.2 to the consolidated financial statements included in the 2013 *Document de Référence* (incorporated by reference herein)).

The Group has no significant interests in listed companies other than its subsidiaries or treasury shares and under its ongoing treasury management policy, does not invest in money market instruments that are exposed to equity risk.

Credit and counterparty risk

The Group is exposed to various aspects of counterparty risks in its operating activities, its short-term investment activities and its interest rate and currency hedging instruments. It monitors these risks using several objective indicators and diversifies its exposure by dealing with the least risky counterparties (based mainly on their credit ratings and their reciprocal commitments with the Group).

As regards customer credit risk, Group policy consists of checking the financial health of all customers applying for credit. Customer receivables are regularly monitored and the Group's exposure to the risk of bad debts is not material.

Receivables past due but not impaired can vary substantially in length of time overdue depending on the type of customer, i.e. private companies, consumers or public authorities. Impairment policies are determined on an entity-by-entity basis according to customer type. The Group believes that it has no material risk in terms of credit concentration.

Credit risk on other financial assets – mainly comprising cash and cash equivalents, available-for-sale financial assets and certain derivative financial instruments – is limited and corresponds to the risk of failure by the counterparty to fulfil its obligations. The maximum risk is equal to the instruments' carrying amount. The Group's cash management policy consists of investing cash and cash equivalents with first-class counterparties and in investment-grade instruments.

OPERATIONAL RISKS

Risks related to non-renewal of leases and real estate assets

Casino has standard commercial leases on its supermarket and convenience store premises but has no assurance that they will be renewed on expiry.

The owners could have other plans for the premises on expiry of the lease, which could prompt them not to renew Casino's lease despite the high amount of compensation for eviction they would have to pay. However, commercial leases are governed by strict legislation as regards term, termination, renewal and rent indexation, which limits what owners can impose.

Given the very few disputes caused by non-renewal of commercial leases, the risk is not considered to be in any way material.

As regards property development, where the Group is the project owner, specifications are drawn up by experts in accordance with the prevailing regulations and the functional and operational objectives set for each project.

More generally, the Group's real estate portfolio is monitored regularly to ensure its proper use.

Risks associated with sales methods

The Group's banners in France have affiliate and franchise networks. These represented almost 60% of sales outlets at 31 December 2013, corresponding mainly to supermarket networks (including Leader Price) and convenience store networks. In International, Surtimax in Colombia is the only banner with a franchise network. 269 of the 415 Surtimax stores are franchises. The Group is therefore exposed to image risk, should the franchisee fail to comply with the Group's practices, standards or values, and to a payment default risk. Each of the networks monitors its franchisee/affiliate relations, including regular discussions and support for commercial advisers. The credit risk is managed by each of the networks and amounts outstanding are monitored on an ongoing basis.

Risks related to trademarks and banners

The Group owns substantially all of its trademarks and is not dependent on any specific patents or licences, except for the Spar trademark which is licensed to the Group for the French market. The licence was renewed for ten years in 2009. In France, 930 stores were operated under this trademark, including 714 franchises.

Furthermore, although the Group has a preventive policy of protecting all its trademarks, it does not believe that an infringement would have a material impact on its operations or results.

Supplier and merchandise management risk

The Group is not dependent on any specific supply, manufacturing or sales contracts. Casino deals with over 30,000 suppliers.

For example, the Group has its own logistics network in France (approximately 900,000 sq.m. spread among 22 sites) managed by its Easydis subsidiary. The network spans the entire country and delivers regularly to the Group's various banners, with the exception of Monoprix and Franprix-Leader Price which have their own logistics network.

Information systems risk

The Group is increasingly dependent on shared information systems for the production of costed data used as the basis for operating decisions. Security features are built into systems at the design phase and procedures are in place to constantly monitor systems security risks.

However, an information systems failure would not have any material or prolonged impact on Casino's operations or results.

Geographical risk

Part of the Group's business is exposed to risks and uncertainties arising from trading in countries that could experience or have recently experienced periods of economic or political instability, particularly in Latin America and Asia. In 2013, international operations accounted for 60% of consolidated revenue and 74% of consolidated trading profit. The occurrence of such risks could have an influence on the Group's business operations and, potentially, its financial position as well as the value of its underlying assets, particularly goodwill. A breakdown of goodwill by business and geographical segment is provided in note 14.1 to the consolidated financial statements included in the 2013 *Document de Référence* (incorporated by reference herein) and goodwill impairment losses are disclosed in note 18.2.1 included in the 2013 *Document de Référence* (incorporated by reference herein). The Group draws up action plans and implements measures to mitigate the impacts of these risks and to ensure continuity of operations.

Industrial and environmental risks

In 2002, Casino Group's commitment to sustainable development prompted it to set up a dedicated organisational framework. In 2009, due to the growing internationalisation of its business, the Group signed up to the United National Global Compact. A Group CSR department was set up in 2010 to foster its corporate social responsibility approach in both its French and international subsidiaries, the main aim being to accelerate the implementation of CSR commitments in all its subsidiaries. CSR officers have been appointed in all subsidiaries throughout the world and they meet on a regular basis.

Environmental risks and management procedures are described in the Environmental Report included in the 2013 *Document de Référence*. The Group's service station business is subject to regular, strict controls. The Group operates 273 service stations in France, 84 in Brazil and 20 in Colombia. A ground pollution prevention plan has been implemented in France including surveys of underground facilities and water. All underground facilities are monitored. Service stations in the international subsidiaries are also monitored and controlled.

Natural catastrophe risks

The Group may be exposed to natural catastrophes in all its countries of operation, which may have direct or indirect impacts on its operations, its assets and its employees and potential consequences on the Group's financial position. The Group draws up action plans and implements measures to prevent the impacts of these risks and to ensure continuity of operations.

Risks related to product quality, conformity and safety

Guaranteeing product safety and complying with health and safety standards in the stores is an important issue and can have significant impact on the Group's reputation and financial performance, and could even involve liability. From product specifications to store operations, an end-to-end system ensures that the Group sells safe, healthy, quality products. The Group Quality Department coordinates the action of the various local Quality Departments, which are responsible for guaranteeing quality standards of private label products and for ensuring that all products sold are safe for the consumer. This action includes best practices and procedures (quality and product safety policy, traceability procedure, supplier audits, crisis management, product withdrawal and recall, etc.), which have led to the implementation of a Group Quality Charter, circulated to all entities in 2012.

Competition risk

The Group operates in highly competitive markets. In France, which is a mature market, competition is particularly intense. In International, the Group is leader in most of its markets and is faced with competition from international and local operators seeking to strengthen their positions. The Group may therefore be forced to cut prices to protect its markets shares, which could have a negative impact on its results. The competitive environment and its trends are monitored and taken into account at country and banner level, mainly through pricing grid-management systems and promotional or loyalty campaigns, as well as by identifying and carrying out development or asset arbitrage transactions.

LEGAL RISKS

Compliance risk

The Group is mainly subject to regulations governing the management of facilities open to the public and listed facilities. Certain Group businesses are governed by specific regulations, and more particularly, Banque du Groupe Casino (banking and consumer finance), Sudéco (real estate agency), Floréal and Casino Carburants (service stations), Mercialys (listed REIT-style property company), L'Immobilière Groupe Casino (property company) and GreenYellow (photovoltaic energy production).

In addition, administrative consents are required to open new stores and extend existing ones. International subsidiaries may be subject to similar requirements under local legislation.

In the various countries where the Group operates, expansion via acquisitions may be subject to approval from the relevant competition authorities and the Group could be required to sell certain outlets in return. For example, in the case of the Monoprix acquisition, the French competition authority gave its approval subject to the Group selling 58 stores across France. These stores represent a total retail area of about 21,000 sq.m. and less than 1% of the Group's revenue in France.

Tax and customs risk

The Group is subject to periodic tax audits in France and its various other host countries. Provision is made for all accepted reassessments. Contested reassessments are provided for on a case-by-case basis, according to estimates taking into account the risk of an unfavourable outcome. Casino, Guichard-Perrachon and seven of its main subsidiaries in France are under audit for the years 2011 and 2012. The Groupe doesn't anticipate any significant impact on its financial statements. Concerning tax risks related to GPA, see note 28.2 to the consolidated financial statements included in the 2013 *Document de Référence* (incorporated by reference herein).

Claims and litigation

In the normal course of its business, the Group is involved in various legal or administrative claims and litigation and is subject to audits by regulatory authorities. Provisions are set aside to cover these proceedings when the Group has a legal, contractual or constructive obligation towards a third party at the year-end, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and the amount of the obligation can be reliably estimated.

Information on claims and litigation is provided in notes 28 and 35 to the consolidated financial statements included in the 2013 *Document de Référence* (incorporated by reference herein).

- As regards Geimex, a company owned on a 50/50 basis by the Casino Group and the Baud family that owns the international rights to the Leader Price brand, the disputes between the two shareholders mainly concern Casino's disposal of Leader Price Polska in 2006 and the Baud family's Swiss activities. Commercial and criminal litigation between the parties is still pending.
- As regards Globex Utilidades SA, in June 2009, GPA, through one of its subsidiaries, acquired the controlling block in Globex Utilidades SA, a leading company in the retail market for electronics and home appliances, under the "Ponto Frio" banner. The former majority shareholder (Morzan Empreendimentos) initiated an arbitration proceeding with the International Chamber of Commerce on 30 May 2012 considering that GPA, and its controlling shareholders, including Wilkes (GPA's head holding company), as well as Casino, Guichard-Perrachon and three of its other sub-holding companies, had failed to comply with the contractual terms regarding payment of the portion payable in GPA shares. Morzan Empreendimentos is seeking damages of approximately BRL 160 million (around €62 million).

At this stage, the arbitration board is being formed. In any event, neither GPA nor its controlling shareholders believe the claim is founded. In addition, aside from GPA and Wilkes, which are parties to the share sale agreement, none of the other defendants can be bound by the provisions of the agreement.

On 6 September 2013, a settlement agreement was reached between the Group and Mr Abilio Diniz, under the terms of which both parties agreed to put an end to all the legal actions and other proceedings concerning their partnership in Brazil, and particularly in their capacity as shareholders of Wilkes and CBD. The agreement also provides for cancellation of the put option (7.3%) granted by Casino. In exchange, the Group has tendered 19,375,000 GPA preferred shares in consideration for the 19,375,000 Wilkes shares owned by Abilio Diniz.

RISK FACTORS RELATING TO THE NOTES

The following paragraphs describe the risk factors that are material to the Notes to be offered and/or listed and admitted to trading in order to assess the market risk associated with these Notes. Prospective investors should consult

their own financial and legal advisers about risks associated with investment in a particular Series of Notes and the suitability of investing in the Notes in light of their particular circumstances.

1. General Risks Relating to the Notes

1.1 Independent Review and Advice

Each prospective investor of Notes must determine, based on its own independent review and such professional advice as it deems appropriate under the circumstances, that its acquisition of the Notes is fully consistent with its financial needs, objectives and condition, complies and is fully consistent with all investment policies, guidelines and restrictions applicable to it and is a fit, proper and suitable investment for it, notwithstanding the clear and substantial risks inherent in investing in or holding the Notes.

A prospective investor may not rely on the Issuers or the Dealer(s) or any of their respective affiliates in connection with its determination as to the legality of its acquisition of the Notes or as to the other matters referred to above.

1.2 Modification, waivers and substitution

The conditions of the Notes contain provisions for calling General Meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant General Meeting and Noteholders who voted in a manner contrary to the majority.

1.3 No active Secondary/Trading Market for the Notes

Notes issued under the Programme will be new securities which may not be widely distributed and for which there may be no active trading market (unless in the case of any particular Tranche, such Tranche is to be consolidated with and form a single series with a Tranche of Notes which is already issued). If the Notes are traded after their initial issuance, they may trade at a discount to their initial offering price, depending upon prevailing interest rates, the market for similar securities, general economic conditions and the financial condition of the relevant Issuer. Although in relation to Notes to be listed on the official list of the Luxembourg Stock Exchange and admitted to trading on the Regulated Market of the Luxembourg Stock Exchange and/or any other EEA Regulated Market, the Final Terms of the Notes will be filed with the CSSF in Luxembourg and/or with the competent authority of the EEA Regulated Market where the Notes will be listed and admitted to trading, there is no assurance that such filings will be accepted, that any particular Tranche of Notes will be so listed and admitted or that an active trading market will develop. Accordingly, there is no assurance as to the development or liquidity of any trading market for any particular Tranche of Notes.

1.4 Potential Conflicts of Interest

All or some of the Dealers and their affiliates (including their parent companies) have and/or may in the future engage, in investment banking, commercial banking and/or other financial advisory and commercial dealings with Casino and its affiliates, Casino Finance and in relation to securities issued by any entity of the Group. They have or may, in the ordinary course of their business, (i) engage in investment banking, trading or hedging activities including activities that may include prime brokerage business, financing transactions or entry into derivative transactions, (ii) act as underwriters in connection with offering of shares or other securities issued by any entity of the Group or (iii) act as financial advisers to Casino, Casino Finance or other companies of the Group. In the context of these transactions, certain of such Dealers have or may hold shares or other securities issued by entities of the Group. Where applicable, they have or will receive customary fees and commissions for these transactions.

Each of the Issuers and the Dealer(s) may from time to time be engaged in transactions involving an index or related derivatives which may affect the market price, liquidity or value of the Notes and which could be deemed to be adverse to the interests of the Noteholders.

Potential conflicts of interest may arise between the calculation agent, if any, for a Tranche of Notes and the Noteholders, including with respect to certain discretionary determinations and judgements that such calculation agent

may make pursuant to the Terms and Conditions that may influence the amount receivable upon redemption of the Notes.

1.5 Exchange Rates

Prospective investors of the Notes should be aware that an investment in the Notes may involve exchange rate risks. The reference assets or the Notes may be denominated in a currency other than the currency of the purchaser's home jurisdiction; and/or the reference assets or the Notes may be denominated in a currency other than the currency in which a purchaser wishes to receive funds. Exchange rates between currencies are determined by factors of supply and demand in the international currency markets which are influenced by macro economic factors, speculation and central bank and government intervention (including the imposition of currency controls and restrictions). Fluctuations in exchange rates may affect the value of the Notes or the reference assets.

1.6 Legality of Purchase

Neither the Issuers, the Dealer(s) nor any of their respective affiliates has or assumes responsibility for the lawfulness of the acquisition of the Notes by a prospective investor of the Notes, whether under the laws of the jurisdiction of its incorporation or the jurisdiction in which it operates (if different), or for compliance by that prospective investor with any law, regulation or regulatory policy applicable to it.

1.7 Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

1.8 Taxation

Potential purchasers and sellers of the Notes should be aware that they may be required to pay taxes or other documentary charges or duties in accordance with the laws and practices of the country where the Notes are transferred or other jurisdictions. In some jurisdictions, no official statements of the tax authorities or court decisions may be available for innovative financial instruments such as the Notes. Potential investors are advised not to rely upon the tax section contained in this Base Prospectus but to ask for their own tax adviser's advice on their individual taxation with respect to the acquisition, holding, sale and redemption of the Notes. Only these advisors are in a position to duly consider the specific situation of the potential investor. This investment consideration has to be read in connection with the taxation sections of this Base Prospectus.

1.9 EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income (the "**Savings Directive**") Member States are required to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a paying agent located within its jurisdiction to, or for the benefit of, an individual resident in that other Member State, except that, for a transitional period (the ending of such transitional period being dependant upon the conclusion of certain other agreements relating to information exchange with certain other countries), Luxembourg and Austria will instead withhold an amount on interest payments unless the relevant beneficial owner of such payment elects otherwise and authorises the paying agent to disclose the above information (the Luxembourg government has however announced its intention to elect out of the withholding system in favour of an automatic exchange of information with effect from 1 January 2015). A number of non EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland). The rate of this withholding tax is currently 35 per cent. See section entitled "Taxation - EU Taxation" in this Base Prospectus.

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of, tax were to be withheld from that payment, neither Casino nor Casino Finance nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Note as a result of

the imposition of such withholding tax. If a withholding tax is imposed on payments made by a Paying Agent, the relevant Issuer will be required to maintain a Paying Agent in a Member State that will not be obliged to withhold or deduct tax pursuant to the Savings Directive.

On 24 March 2014, the Council of the European Union adopted a directive amending the Savings Directive, which when implemented, will amend and broaden the scope of the requirements described above. In particular, the amending directive aims at extending the scope of the Savings Directive to new types of savings income and products that generate interest or equivalent income. In addition, tax authorities will be required in certain circumstances to take steps to identify the beneficial owner of interest payments (through a look through approach). The EU Member States will have until 1 January 2016 to adopt the national legislation necessary to comply with this amending directive. Such legislation must apply from 1 January 2017.

Investors should inform themselves of, and where appropriate take advice on, the impact of the Savings Directive and the amending directive on their investment.

1.10 Financial Transaction Tax

The European Commission has published a proposal for a Directive for a common financial transaction tax (“FTT”) in Austria, Belgium, Estonia, France, Germany, Greece, Italy, Portugal, Slovakia, Slovenia and Spain (the “**Participating Member States**”).

The proposed FTT has very broad scope and could, if introduced in its current form, apply to certain dealings in the Notes (including secondary market transactions) in certain circumstances. The FTT would impose a charge at generally not less than 0.1% of the sale price on such transactions. Primary market transactions referred to in Article 5(c) of regulation (EC) No 1287/2006 should be exempt.

Under the latest proposals dated 14 February 2013 the FTT could apply in certain circumstances to persons both within and outside of the Participating Member States. Generally, it would apply to certain dealings in the Notes where at least one party is a financial institution, and at least one party is established in a Participating Member State. A financial institution may be, or be deemed to be, "established" in a Participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a Participating Member State.

The FTT proposal remains subject to negotiation between the participating Member States. It may therefore be altered prior to any implementation, the timing of which remains unclear. Additional EU Member States may decide to participate. If the proposed directive or any similar tax were adopted, transactions in the Notes would be subject to higher costs, and the liquidity of the market for the Notes may be diminished.

Prospective holders of the Notes are advised to seek their own professional advice in relation to the FTT.

1.11 Market Value of the Notes

The market value of the Notes will be affected by the creditworthiness of the relevant Issuer and a number of additional factors, including, but not limited to, the volatility of market interest and yield rates and the time remaining to the maturity date.

The value of the Notes depends on a number of interrelated factors, including economic, financial and political events in France or elsewhere, including factors affecting capital markets generally and the stock exchanges on which the Notes are traded. The price at which a Noteholder will be able to sell the Notes prior to maturity may be at a discount, which could be substantial, from the issue price or the purchase price paid by such purchaser.

1.12 Change of Law

The Terms and Conditions of the Notes are based on French law in effect as at the date of this Base Prospectus. No assurance can be given as to the impact of any possible judicial decision or change in French law or the official application or interpretation of French law after the date of this Base Prospectus.

1.13 French Insolvency Law

Under French insolvency law, holders of debt securities are automatically grouped into a single assembly of holders (the “**Assembly**”) in order to defend their common interests if a safeguard procedure (*procédure de sauvegarde*), an accelerated safeguard procedure (*procédure de sauvegarde accélérée*), an accelerated financial safeguard procedure (*procédure de sauvegarde financière accélérée*) or a judicial reorganisation procedure (*procédure de redressement judiciaire*) is opened in France with respect to the relevant Issuer.

The Assembly comprises holders of all debt securities issued by the relevant Issuer (including the Notes), whether or not under a debt issuance programme (EMTN) and regardless of their governing law.

The Assembly deliberates on the proposed safeguard plan (*projet de plan de sauvegarde*), proposed accelerated safeguard plan (*projet de plan de sauvegarde accélérée*), proposed accelerated financial safeguard plan (*projet de plan de sauvegarde financière accélérée*) or judicial reorganisation plan (*projet de plan de redressement*) applicable to the relevant Issuer and may further agree to:

- increase the liabilities (*charges*) of holders of debt securities (including the Noteholders) by rescheduling due payments and/or partially or totally writing off receivables in the form of debt securities;
- establish an unequal treatment between holders of debt securities (including the Noteholders) as appropriate under the circumstances; and/or
- decide to convert debt securities (including the Notes) into securities that give or may give right to share capital.

Decisions of the Assembly will be taken by a two-third majority (calculated as a proportion of the debt securities held by the holders attending such Assembly or represented thereat). No quorum is required to convoke the Assembly.

For the avoidance of doubt, the provisions relating to the Representation of the Noteholders described in this Base Prospectus will not be applicable to the extent they are not in compliance with compulsory insolvency law provisions that apply in these circumstances.

2. Risks related to the structure of a particular issue of Notes

The Programme allows for different types of Notes to be issued. Accordingly, each Tranche of Notes may carry varying risks for potential investors depending on the specific features of such Notes such as, *inter alia*, the provisions for computation of periodic interest payments, if any, redemption and issue price.

2.1 Notes subject to optional redemption

Notes subject to optional redemption by the relevant Issuer

- *Redemption for taxation reasons*

In the event that the relevant Issuer would be obliged to increase the amounts payable in respect of any Notes due to any withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by the country of domicile (or residence for tax purposes) by the relevant Issuer, or on behalf of France, or any political subdivision thereof or any authority therein or thereof having power to tax, the relevant Issuer may redeem all outstanding Notes in accordance with the Terms and Conditions.

- *Issuers' call options*

In addition, the Issuers have the option to redeem all of the Notes:

- (i) under a call option as provided in Condition 6(b)(i) of the Terms and Conditions if in the case of any particular Tranche of Notes the relevant Final Terms so specify, or

- (ii) under a make-whole call option as provided in Condition 6(b)(ii) of the Terms and Conditions if in the case of any particular Tranche of Notes the relevant Final Terms so specify.

- *Redemption on a Repurchase Event*

In the event that a Repurchase Event occurs, *i.e.* at least 90 per cent. of the initial aggregate principal amount of the Notes has been purchased by the relevant Issuer, and a Repurchase Event is specified as applicable in the relevant Final Terms, the relevant Issuer has the option to redeem all of the remaining Notes at a repurchase redemption amount which will be specified in the relevant Final Terms, together with accrued interest as provided in Condition 6(f)(ii) in the Terms and Conditions.

In the event the relevant Issuer redeems the Notes as described above, if the market interest rates decrease, the risk to Noteholders that the relevant Issuer will exercise its right of redemption increases. An investor generally may not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time. During any period when the relevant Issuer may elect to redeem the Notes, the market value of the Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

Notes subject to optional redemption by the Noteholders: exercise of Change of Control Put Option in respect of certain Notes may affect the liquidity of the Notes of the same Series in respect of which such option is not exercised

Depending on the number of Notes of the same Series in respect of which the Change of Control Put Option specified as applicable in the relevant Final Terms is exercised, any trading market in respect of those Notes in respect of which such option is not exercised may become illiquid. In addition, investors may only be able to reinvest the moneys they receive upon such early redemption in securities with a lower yield than the redeemed Notes.

2.2 Fixed Rate Notes

Investment in Notes which bear interest at a fixed rate involves the risk that subsequent changes in market interest rates may adversely affect the value of the relevant Tranche of Notes.

2.3 Floating Rate Notes

Investment in Notes which bear interest at a floating rate comprise (i) a reference rate and (ii) a margin to be added or subtracted, as the case may be, from such base rate. Typically, the relevant margin will not change throughout the life of the Notes but there will be a periodic adjustment (specified in the relevant Final Terms) of the reference rate (e.g., every three months or six months) which itself will change in accordance with general market conditions. Accordingly, the market value of floating rate Notes may be volatile if changes, particularly short term changes, to market interest rates evidenced by the relevant reference rate can only be reflected in the interest rate of these Notes upon the next periodic adjustment of the relevant reference rate.

2.4 Inverse Floating Rate Notes

Investment in Notes which bear interest at an inverse floating rate comprise (i) a fixed base rate minus (ii) a reference rate. The market value of such Notes typically is more volatile than the market value of floating rate Notes based on the same reference rate (and with otherwise comparable terms). Inverse floating rate Notes are more volatile because an increase in the reference rate not only decreases the interest rate of the Notes, but may also reflect an increase in prevailing interest rates, which further adversely affects the market value of these Notes.

2.5 Fixed to Floating Rate Notes

Fixed to floating rate Notes may bear interest at a rate that the relevant Issuer may elect to convert from a fixed rate to a floating rate, or from a floating rate to a fixed rate. The relevant Issuer's ability to convert the interest rate will affect the secondary market and the market value of the Notes since the relevant Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the relevant Issuer converts from a fixed rate to a floating

rate, the spread on the fixed to floating Rate Notes may be less favourable than then prevailing spreads on comparable floating rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. If the relevant Issuer converts from a floating rate to a fixed rate, the fixed rate may be lower than then prevailing rates on its Notes.

2.6 Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

2.7 Variable rate Notes with a multiplier or other leverage factor

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features, their market values may be even more volatile than those for securities that do not include those features.

3. Risks relating to the Guarantee

The Guarantor may be unable to perform its payment obligations under the Guarantee

The Guarantor will guarantee irrevocably and unconditionally, as guarantor (*caution solidaire*) the payment of all amounts due by Casino Finance in relation to the Notes (as set out in Chapter “Description of the Guarantee” below). Should the Guarantee be enforced, the Guarantor may not be in a position to pay all of the guaranteed amounts. Casino Finance is the financial vehicle of the Guarantor. As a result, if Casino Finance is unable to make payments in respect of the Notes, it is likely that the same circumstances will impact the financial capacity of the Guarantor, and therefore its ability to make payments under the Guarantee.

No limitation on the ability of the Guarantor to issue or to guarantee debt ranking pari passu with the Guarantee

There is no restriction on the amount of debt which the Guarantor may issue or guarantee. The Guarantor and its subsidiaries and affiliates may incur additional indebtedness or grant guarantees in respect of indebtedness of third parties, including indebtedness or guarantees that rank *pari passu* to the obligations of the Guarantor under the Guarantee. The issue or guarantee of such debt may reduce the amount recoverable by the Noteholders on the liquidation of the Guarantor.

- (iv) In these Conditions, “**holder of Notes**”, “**holder of any Note**” or “**Noteholder**” means (i) in the case of Dematerialised Notes, the person whose name appears in the account of the relevant Account Holder or the relevant Issuer or the Registration Agent (as the case may be) as being entitled to such Notes and (ii) in the case of Materialised Notes, the bearer of any Definitive Materialised Note and the Coupons or Talon relating to it, and capitalised terms have the meanings given to them in the relevant Final Terms, the absence of any such meaning indicating that such term is not applicable to the Notes.

(d) **Redenomination:**

- (i) The relevant Issuer may (if so specified in the relevant Final Terms), on any Interest Payment Date, without the consent of the holder of any Note, Coupon or Talon, by giving at least thirty (30) days' notice in accordance with Condition 14 and on or after the date on which the European Member State in whose national currency the Notes are denominated has become a participating Member State in the single currency of the European Economic and Monetary Union (as provided in the Treaty establishing the European Community (the "EC"), as amended from time to time (the "Treaty")), or events have occurred which have substantially the same effects (in either case, "EMU"), redenominate all, but not some only, of the Notes of any Series (as defined below) into Euro and adjust the aggregate principal amount and the Specified Denomination(s) set out in the relevant Final Terms accordingly, as described below. The date on which such redenomination becomes effective shall be referred to in these Conditions as the "**Redenomination Date**".
- (ii) The redenomination of the Notes pursuant to Condition 1(d)(i) shall be made by converting the principal amount of each Note from the relevant national currency into Euro using the fixed relevant national currency Euro conversion rate established by the Council of the European Union pursuant to applicable regulations of the Treaty and rounding the resultant figure to the nearest Euro 0.01 (with Euro 0.005 being rounded upwards). If the relevant Issuer so elects, the figure resulting from conversion of the principal amount of each Note using the fixed relevant national currency Euro conversion rate shall be rounded down to the nearest Euro. The Euro denominations of the Notes so determined shall be notified to Noteholders in accordance with Condition 14. Any balance remaining from the redenomination with a denomination higher than Euro 0.01 shall be paid by way of cash adjustment rounded to the nearest Euro 0.01 (with Euro 0.005 being rounded upwards). Such cash adjustment will be payable in Euro on the Redenomination Date in the manner notified to Noteholders by the relevant Issuer.
- (iii) Upon redenomination of the Notes, any reference in the relevant Final Terms to the relevant national currency shall be construed as a reference to Euro.
- (iv) The relevant Issuer may, with the prior approval of the Redenomination Agent and the Consolidation Agent, in connection with any redenomination pursuant to this Condition or any consolidation pursuant to Condition 13, without the consent of the holder of any Note, Coupon or Talon, make any changes or additions to these Conditions or Condition 13 (including, without limitation, any change to any applicable business day definition, business day convention, principal financial centre of the country of the Specified Currency, interest accrual basis or benchmark), taking into account market practice in respect of redenominated euromarket debt obligations and which it believes are not prejudicial to the interests of such holders. Any such changes or additions shall, in the absence of manifest error, be binding on the holders of Notes, Coupons and Talons and shall be notified to Noteholders in accordance with Condition 14 as soon as practicable thereafter.
- (v) Neither the relevant Issuer nor any Paying Agent shall be liable to the holder of any Note, Coupon or Talon or other person for any commissions, costs, losses or expenses in relation to or resulting from the credit or transfer of Euro or any currency conversion or rounding effected in connection therewith.

- (c) **Interest on Floating Rate Notes:**

(i) *Interest Payment Dates:* Each Floating Rate Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear (except as otherwise provided in the relevant Final Terms) on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 5(g). (iii) *Rate of Interest for Floating Rate Notes:* The Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined in the manner specified in the relevant Final Terms and the provisions below relating to either ISDA Determination or Screen Rate Determination shall apply, depending upon which is specified in the relevant Final Terms.

(A) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this sub-paragraph (A), “**ISDA Rate**” for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (a) the Floating Rate Option is as specified in the relevant Final Terms
- (b) the Designated Maturity is a period specified in the relevant Final Terms and
- (c) the relevant Reset Date is the first day of that Interest Accrual Period or such other date as specified in the relevant Final Terms.

For the purposes of this sub-paragraph (A), “**Floating Rate**”, “**Calculation Agent**”, “**Floating Rate Option**”, “**Designated Maturity**”, “**Reset Date**” and “**Swap Transaction**” have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate Determination for Floating Rate Notes

(a) Where Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be either:

- (i) the offered quotation or
- (ii) the arithmetic mean of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at either 11.00 a.m. (London time in the case of LIBOR or Brussels time in the case of EURIBOR) on the Interest Determination Date in question as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations.

(b) if the Relevant Screen Page is not available or if sub-paragraph (a)(i) applies and no such offered quotation appears on the Relevant Screen Page or if sub-paragraph (a)(ii) applies and fewer than three such offered quotations appear on the Relevant

Screen Page, subject as provided below, the Calculation Agent shall request, if the Reference Rate is LIBOR, the principal London office of each of the Reference Banks or, if the Reference Rate is EURIBOR, the principal Euro-zone office of each of the Reference Banks, to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time), or if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean of such offered quotations as determined by the Calculation Agent; and

- (c) if paragraph (b) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time), on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the relevant Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro zone inter-bank market, as the case may be, provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum or

Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Accrual Period).

- (d) Where Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined and the Reference Rate in respect of the Floating Rate Notes is specified as being the CMS, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be the offered quotation (expressed as a percentage rate per annum) for CMS relating to the relevant maturity (the relevant maturity year mid swap rate in Euros (annual 30/360)), which appears on the Relevant Screen Page, being Reuters page “ISDAFIX2” under the heading “EURIBOR Basis - EUR”, as at 11.00 a.m. Frankfurt time, on the relevant Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Calculation Agent.

In the event that the CMS does not appear on the Relevant Screen Page, the Calculation Agent shall determine on the relevant Interest Determination Date the applicable rate based on quotations of five Reference Banks (to be selected by the Calculation Agent and the relevant Issuer) for CMS relating to the relevant maturity (in each case the relevant mid-market annual swap rate commencing two TARGET Business Days following the relevant Interest Determination Date). The highest and lowest (or, in the event of equality, one of the highest and/or lowest) quotations so determined shall be disregarded by the Calculation Agent for the purpose of determining the Reference Rate which will be the arithmetic mean (rounded if necessary to five significant figures with halves being rounded up) of such provided quotations.

If, for any reason, the CMS is no longer published or if fewer than three quotations are provided to the Calculation Agent in accordance with the above paragraph, it will be determined by the Calculation Agent in its sole discretion, acting in good faith and in a commercial and reasonable manner.

- (d) **Zero Coupon Notes:** Where a Note the Interest Basis of which is specified to be Zero Coupon and is repayable prior to the Maturity Date is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 6(d)(i)).

- (e) **Accrual of Interest:** Interest shall cease to accrue on each Note on the due date for redemption unless (i) in the case of Dematerialised Notes, on such due date or (ii) in the case of Materialised Notes, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgment) at the Rate of Interest in the manner provided in this Condition 5 to the Relevant Date (as defined in Condition 8).
- (f) **Margin, Maximum/Minimum Rates of Interest and Redemption Amounts and Rounding:**
- (i) If any Margin is specified in the relevant Final Terms (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with (c) above by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin, subject always to the next paragraph
 - (ii) If any Maximum or Minimum Rate of Interest or Redemption Amount is specified in the relevant Final Terms, then any Rate of Interest or Redemption Amount shall be subject to such maximum or minimum, as the case may be
 - (iii) For the purposes of any calculations required pursuant to these Conditions, (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes “unit” means the lowest amount of such currency that is available as legal tender in the country(ies) of such currency.
- (g) **Calculations:** The amount of interest payable in respect of any Note for any period shall be calculated by multiplying the product of the Rate of Interest and the outstanding nominal amount of such Note by the Day Count Fraction, unless an Interest Amount is specified in respect of such period in the Final Terms, in which case the amount of interest payable in respect of such Note for such period shall equal such Interest Amount. Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.
- (h) **Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Optional Redemption Amounts and Early Redemption Amounts:** The Calculation Agent shall, as soon as practicable on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate and calculate the Interest Amounts for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Optional Redemption Amount or Early Redemption Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Accrual Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Optional Redemption Amount or Early Redemption Amount to be notified to the Fiscal Agent, the relevant Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed and admitted to trading on a Regulated Market and the rules applicable to such Regulated Market so require, such Regulated Market as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of

notification to such exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 5(c)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

(i) **Adjustment of Interest Rate**

If an Adjustment of Interest Rate is specified in the relevant Final Terms in respect of any Fixed Rate Notes, the Rate of Interest payable on the Notes will be subject to adjustment in accordance with the Interest Ratchet in the event of a Step Up Event or a Step Down Event (each such adjustment a “**Rate Adjustment**”). Any Rate Adjustment shall be effective from and including the Interest Payment Date immediately following the date of the relevant Step Up Event or the relevant Step Down Event.

The relevant Issuer will cause each Step Up Event and each Step Down Event to be notified to the Fiscal Agent and notice thereof to be published in accordance with Condition 14 as soon as possible after the occurrence of the Step Up Event or the Step Down Event but in no event later than the tenth (10th) TARGET Business Day thereafter.

For so long as any of the Notes in respect of which this Condition 5(i) applies, are outstanding, Casino shall use its best efforts to maintain Ratings from at least two Rating Agencies.

In the event that one Rating Agency fails or ceases to assign a Rating, the relevant Issuer shall use its best efforts to obtain a Rating from a Substitute Rating Agency within one hundred twenty (120) days of the date on which only one Rating is assigned to the Notes. In the event that a Rating is not obtained from such a Substitute Rating Agency, then, a Step Up Event shall be constituted as from the date on which only one Rating is assigned to the Notes in consequence of which the Rate of Interest payable on the Notes to the Maturity Date shall be the Initial Rate of Interest plus the Margin Adjustment unless (i) the Rating assigned by the remaining Rating Agency is at least equal to the Compensation Threshold or (ii) the termination of the Rating by the Rating Agency is due to any reason other than a reason related to Casino.

In the event that all Rating Agencies fail or cease to assign a Rating and no Rating is obtained from a Substitute Rating Agency, this shall constitute a Step Up Event in consequence of which the Rate of Interest payable on the Notes to the Maturity Date shall be the Initial Rate of Interest plus the Margin Adjustment.

For the purposes of this Condition:

“**Step Up Event**” means the first public announcement by any Rating Agency of a Rating Decrease.

“**Step Down Event**” means (i) where the Rate of Interest has previously been subject to an increase in accordance with the Interest Ratchet following a Rating Decrease by any Rating Agency, the first public announcement by such Rating Agency that it has assigned a Rating equal to or higher than the Specified Threshold, and as a consequence two Rating Agencies have assigned a Rating equal to or higher than the Specified Threshold, or (ii) the occurrence of an Alternative Agency Compensation Event.

“**Alternative Agency Compensation Event**” means, in relation to one and the same Rating Agency, (i) such Rating Agency having announced a Rating Decrease and subsequently withdrawing its

Rating or otherwise failing or ceasing to assign a Rating; and (ii) the subsequent publication by the other Rating Agency of a Rating which is equal to or higher than the Compensation Threshold.

“**Rating Decrease**” means a decrease in the Rating to below the Specified Threshold with the exception of a Rating Downgrade as defined in Condition 6(i).

“**Compensation Threshold**” means BBB (stable outlook) (in the case of S&P) or BBB (stable outlook) (in the case of Fitch) or the equivalent rating level of any Substitute Rating Agency.

“**Rating**” means the rating of the Casino’s senior unsecured long-term debt.

“**Initial Rate of Interest**” means the Rate of Interest specified in the relevant Final Terms.

“**Interest Ratchet**” means the following rates of interest:

- (b) upon the occurrence of a Step Down Event following the previous occurrence of the first Step Up Event as referred to in (a) above: the Initial Rate of Interest.

“**Rating Agency**” means, S&P and Fitch, as the case may be, or any rating organisation generally recognised by banks, securities houses and investors in the euro-markets provided that references herein to a Rating Agency shall only be to such Rating Agency as shall have been appointed by or on behalf of Casino to maintain a Rating and shall not extend to any such Rating Agency providing ratings on an unsolicited basis.

“**S&P**” means Standard & Poor’s Rating Services, a division of the McGraw-Hill Companies, Inc., or its Successor.

“**Fitch**” means Fitch Ratings Ltd., or its Successor.

- (j) **Calculation Agent:** The relevant Issuer shall use its best efforts to procure that there shall at all times be one or more Calculation Agents if provision is made for them in the relevant Final Terms and for so long as any Note is outstanding (as defined above in Condition 4). Where more than one Calculation Agent is appointed in respect of the Notes, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Accrual Period or to calculate any Interest Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, or to comply with any other requirement, the relevant Issuer shall appoint a leading bank or investment banking firm engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal London office or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid. So long as the Notes are listed on any stock exchange and the rules applicable to that

exchange so require, notice of any change of Calculation Agent shall be given in accordance with Condition 14.

6 Redemption, Purchase and Options

(a) **Final Redemption:** Unless previously redeemed, purchased and cancelled as provided below each Note shall be finally redeemed on the Maturity Date specified in the relevant Final Terms at its Final Redemption Amount (which is its nominal amount).

(b) **Redemption at the Option of the relevant Issuer and Partial Redemption:**

(i) *Call Option:*

If a Call Option is specified in the relevant Final Terms, the relevant Issuer may, subject to compliance by the relevant Issuer with all relevant laws, regulations and directives and on giving not less than fifteen (15) nor more than thirty (30) days' irrevocable notice in accordance with Condition 14 to the Noteholders (or such other notice period as may be specified in the relevant Final Terms), redeem all or, if so provided, some of the Notes on any Optional Redemption Date. Any such redemption of Notes shall be at their Optional Redemption Amount (as specified in the relevant Final Terms), together with any interest accrued to the date set for redemption, if any.

(ii) *Make-whole redemption:*

If so specified in the relevant Final Terms, the relevant Issuer may, subject to compliance by the relevant Issuer with all relevant laws, regulations and directives and on giving not less than fifteen (15) nor more than thirty (30) days' irrevocable notice in accordance with Condition 14 to the Noteholders (or such other notice period as may be specified in the relevant Final Terms) redeem the Notes, in whole or in part, at any time or from time to time, prior to their Maturity Date, at their Make-Whole Redemption Amount.

For the purpose hereof:

"Make-Whole Redemption Amount" means in respect of any Notes to be redeemed pursuant to this Condition 6(b)(ii), an amount, determined by the Calculation Agent, equal to the greater of (x) 100 per cent. of the principal amount of such Notes and (y) the sum of the then present values of the remaining scheduled payments of principal and interest on such Notes (excluding any interest accrued on the Notes to, but excluding, the date set for redemption) discounted to the relevant redemption date on an annual basis at the Make-Whole Redemption Rate (as specified in the relevant Final Terms) plus a Make-Whole Redemption Margin (as specified in the relevant Final Terms), plus in each case, any interest accrued on the Notes to, but excluding, the date set for redemption.

The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent shall (in the absence of manifest error) be final and binding upon all parties.

"Make-Whole Redemption Margin" means the margin specified as such in the relevant Final Terms.

"Make-Whole Redemption Rate" means the rate specified as such in the relevant Final Terms.

(iii) *Exercise of relevant Issuer's options and partial redemption:*

Any redemption or exercise pursuant to paragraphs 6(b)(i) and 6(b)(ii) above shall relate to Notes of a nominal amount at least equal to the Minimum Redemption Amount to be redeemed as specified in

the relevant Final Terms and no greater than the Maximum Redemption Amount to be redeemed specified in the relevant Final Terms.

All Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption the notice to holders of Materialised Notes shall also contain the number of the Definitive Materialised Notes to be redeemed which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and requirements of the Regulated Market on which the Notes are listed and admitted to trading.

In the case of a partial redemption, the redemption will be effected by reducing the nominal amount of all Dematerialised Notes in a Series in proportion to the aggregate nominal amount redeemed, subject to compliance with any applicable laws and requirements of the Regulated Market on which the Notes are listed and admitted to trading.

So long as the Notes are listed and admitted to trading on a Regulated Market and the rules of that Regulated Market so require, the relevant Issuer shall, once in each year in which there has been a partial redemption of the Notes, cause to be published in a leading newspaper of general circulation in the city where the Regulated Market on which such Notes are listed and admitted to trading is located, which in the case of the Luxembourg Stock Exchange is expected to be the *Luxemburger Wort*, a notice specifying the aggregate nominal amount of Notes outstanding and, in the case of Materialised Notes a list of any Definitive Materialised Notes drawn for redemption but not surrendered.

- (c) **Redemption at the Option of Noteholders and Exercise of Noteholders' Options:** If a Put Option is specified in the relevant Final Terms the relevant Issuer shall, at the option of the Noteholder, upon the Noteholder giving not less than fifteen (15) nor more than thirty (30) days' notice to the relevant Issuer (or such other notice period as may be specified in the relevant Final Terms) redeem such Note on the Optional Redemption Date(s) at its Optional Redemption Amount together with interest accrued to the date fixed for redemption.

To exercise such option the Noteholder must deposit with any Paying Agent at its specified office during usual business hours a duly completed option exercise notice (the "**Exercise Notice**") in the form obtained during usual business hours from any Paying Agent or the Registration Agent, as the case may be, within the notice period. Such notice shall, in the case of Materialised Notes, have attached to it such Note (together with all unmatured Coupons and unexchanged Talons). In the case of Dematerialised Notes, the Noteholder shall transfer, or cause to be transferred, the Dematerialised Notes to be redeemed to the account of the Paris Paying Agent specified in the Exercise Notice. No option so exercised and, where applicable, no Note so deposited or transferred may be withdrawn without the prior consent of the relevant Issuer.

- (d) **Early Redemption:**

(i) Zero Coupon Notes:

- (A) The Early Redemption Amount payable in respect of any Zero Coupon Note, the amount, upon redemption of such Note pursuant to Condition 6(e) or Condition 6(h) or upon it becoming due and payable as provided in Condition 9 shall be the Amortised Nominal Amount (calculated as provided below) of such Note.

- (B) Subject to the provisions of sub-paragraph (C) below, the Amortised Nominal Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown in the relevant Final Terms, shall be such rate as would produce an Amortised Nominal Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.
- (C) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 6(e) or Condition 6(h) or upon it becoming due and payable as provided in Condition 9 is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Nominal Amount of such Note as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Amortised Nominal Amount becomes due and payable were the Relevant Date. The calculation of the Amortised Nominal Amount in accordance with this sub-paragraph shall continue to be made (both before and after judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 5(d).

Where such calculation is to be made for a period of less than one (1) year, it shall be made on the basis of the Day Count Fraction as provided in the relevant Final Terms.

- (ii) Other Notes:

The Early Redemption Amount payable in respect of any Note (other than Notes described in (i) above), upon redemption of such Note pursuant to Condition 6(e) or Condition 6(h), or upon it becoming due and payable as provided in Condition 9 shall be the Final Redemption Amount together with interest accrued to the date fixed for redemption.

(e) **Redemption for Taxation Reasons:**

- (i) If, by reason of any change in French law, or any change in the official application or interpretation of such law, becoming effective after the Issue Date, the relevant Issuer [or, as the case may be, the Guarantor (in respect of the Guarantee),] would on the occasion of the next payment of principal or interest due in respect of the Notes, not be able to make such payment without having to pay additional amounts as specified under Conditions 8(a) and 8(b) below, the relevant Issuer may, at its option, on any Interest Payment Date or, if so specified in the relevant Final Terms, at any time, subject to having given not more than forty-five (45) nor less than thirty (30) days' notice to the Noteholders (which notice shall be irrevocable), in accordance with Condition 14, redeem all, but not some only, of the Notes at their Early Redemption Amount together with any interest accrued to the date set for redemption provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date on which the relevant Issuer [or the Guarantor, as the case may be,] could make payment of principal and interest without withholding for French taxes.
- (ii) If the relevant Issuer [or, as the case may be, the Guarantor (in respect of the Guarantee),] would on the next payment of principal or interest in respect of the Notes be prevented by

French law from making payment to the Noteholders or, if applicable, Couponholders of the full amounts then due and payable, notwithstanding the undertaking to pay additional amounts contained in Conditions 8(a) and 8(b) below, then the relevant Issuer shall forthwith give notice of such fact to the Fiscal Agent and the relevant Issuer shall upon giving not less than seven (7) days' prior notice to the Noteholders in accordance with Condition 14, redeem all, but not some only, of the Notes then outstanding at their Redemption Amount together with any interest accrued to the date set for redemption on (A) the latest practicable Interest Payment Date on which the relevant Issuer could make payment of the full amount then due and payable in respect of the Notes, provided that if such notice would expire after such Interest Payment Date the date for redemption pursuant to such notice of Noteholders shall be the later of (i) the latest practicable date on which the relevant Issuer could make payment of the full amount then due and payable in respect of the Notes and (ii) fourteen(14) days after giving notice to the Fiscal Agent as aforesaid or (B) if so specified in the relevant Final Terms, at any time, provided that the due date for redemption of which notice hereunder shall be given shall be the latest practicable date at which the relevant Issuer [or the Guarantor, as the case may be,] could make payment of the full amount payable in respect of the Notes, or, if applicable, Coupons or, if that date is passed, as soon as practicable thereafter.

(f) **Purchases:**

- (i) The relevant Issuer shall have the right at all times to purchase Notes (provided that, in the case of Materialised Notes, all unmatured Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price. Unless the possibility of holding and reselling is expressly excluded in the Final Terms, all Notes so purchased by the relevant Issuer may be held and resold for the purpose of enhancing the liquidity of the Notes in accordance with Articles L.213-1 A and D.213-1 A of the Code.
- (ii) In the event that at least 90 per cent. of the initial aggregate principal amount of the Notes has been purchased by the relevant Issuer (a “**Repurchase Event**”) and a Repurchase Event is specified as applicable in the relevant Final Terms, the relevant Issuer may, at its option but subject to having given not more than sixty (60) nor less than thirty (30) days' notice to the Noteholders (which notice shall be irrevocable) in accordance with Condition 14, redeem all, but not some only, of the outstanding Notes at their Repurchase Redemption Amount set out in the relevant Final Terms together with any interest accrued to the date set for redemption.

- (g) **Cancellation:** All Notes purchased for cancellation by or on behalf of the relevant Issuer will forthwith be cancelled, in the case of Dematerialised Notes, by transfer to an account in accordance with the rules and procedures of Euroclear France and, in the case of Materialised Notes, by surrendering the Temporary Global Certificate and the Definitive Materialised Notes in question together with all unmatured Coupons and all unexchanged Talons to the Fiscal Agent and, in each case, if so transferred or surrendered, will, together with all Notes redeemed by the relevant Issuer, be cancelled forthwith (together with, in the case of Dematerialised Notes, all rights relating to payment of interest and other amounts relating to such Dematerialised Notes and, in the case of Materialised Notes, all unmatured Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so cancelled or, where applicable, transferred or surrendered for cancellation may not be re-issued or resold and the obligations of the relevant Issuer [and the Guarantor] in respect of any such Notes shall be discharged.

- (h) **Illegality:** If, by reason of any change in French law, or any change in the official application of such law, becoming effective after the Issue Date, it will become unlawful (i) for the relevant Issuer to perform or comply with one or more of its obligations under the Notes, [or (ii) for the Guarantor to perform or comply with one or more of its obligations under the Guarantee] the relevant Issuer will, subject to having given not more than forty-five (45) nor less than thirty (30) days' notice to the Noteholders (which notice shall be irrevocable), in accordance with Condition 14, redeem all, but not some only, of the Notes at their Early Redemption Amount together with any interest accrued to the date set for redemption.
- (i) **Redemption at the Option of Noteholders following a Change of Control:** If a Change of Control Put Option is specified in the relevant Final Terms, at any time while any Note remains outstanding, each holder of Notes will have the option (the “**Change of Control Put Option**”) to require the relevant Issuer to redeem or, at the relevant Issuer's option, to procure the purchase of these Notes on the Optional Redemption Date (as defined below) at their principal amount together with (or, where purchased, together with an amount equal to) accrued interest to but excluding the Optional Redemption Date if one of the following events takes place (a “**Put Event**”):
- (i) a Change of Control and, during the Change of Control Period, a Rating Downgrade of the Notes due to this Change of Control, when the Notes are rated by any Rating Agency at the start of the Change of Control Periods; or
 - (ii) a Change of Control, when the Notes are not rated at such time.

A holder of Notes may not exercise his Change of Control Put Option if the relevant Issuer informs the holder of the Notes of its intention to redeem the Notes pursuant to Conditions 6(e) or 6(h) before the Option Notice is sent to the holder.

A “**Change of Control**” shall be deemed to have occurred at each time that any person or persons acting in concert (other than a Permitted Holding Company (as defined below) acting alone or in concert) come(s) to own or acquire(s) such number of the shares in the capital of Casino carrying more than fifty (50) per cent. of the voting rights normally exercisable at a general meeting of Casino.

“**Permitted Holding Company**” means each and any company or other legal entity whose share capital (or equivalent) and associated voting rights are controlled (within the meaning of Article L. 233-3 of the French *Code de commerce*) by Rallye S.A. or by any company or other legal entity controlling (within such meaning) the share capital (or equivalent) and associated voting rights of Rallye S.A.

“**Change of Control Period**” means the period commencing on the date that is the earlier of (1) the date of the first public announcement of the relevant Change of Control; and (2) the date of the earliest Potential Change of Control Announcement (if any) and ending on the date which is one hundred eighty (180) days after the date of the first public announcement of the relevant Change of Control (the “**Initial Longstop Date**”).

“**Rating Agency**” means any of the following: (a) Standard & Poor's Ratings Services, (b) Fitch Ratings or (c) any other credit rating agency of equivalent international standing specified from time to time by Casino - and, in each case, their respective successors or affiliates.

A “**Rating Downgrade**” shall be deemed to have occurred in respect of a Change of Control if within the Change of Control Period the rating previously assigned to the Notes by any Rating Agency is (x) withdrawn or (y) changed from an investment grade rating (BBB-, or their respective equivalents for the time being, or better) to a non-investment grade rating (BB+, or their respective equivalents for

the time being, or worse) or (z) if the rating previously assigned to the Notes by any Rating Agency was below an investment grade rating (as described above), lowered by at least one full rating notch (for example, from BB+ to BB or their respective equivalents), provided that a Rating Downgrade otherwise arising by virtue of a particular change in rating shall be deemed not to have occurred in respect of a particular Change of Control if the Rating Agency making the change in rating does not publicly announce or publicly confirm that the reduction was the result, in whole or part, of any event or circumstance comprised in or arising as a result of, or in respect of, the applicable Change of Control.

“Potential Change of Control Announcement” means any public announcement or public statement by Casino, any actual or potential bidder or any advisor thereto relating to any potential Change of Control.

Promptly upon the relevant Issuer [or the Guarantor] becoming aware that a Put Event has occurred, the relevant Issuer shall give notice (a **“Put Event Notice”**) to the Noteholders in accordance with Condition 14 specifying the nature of the Put Event and the circumstances giving rise to it and the procedure for exercising the Change of Control Put Option contained in this Condition.

To exercise the Change of Control Put Option to require redemption or, as the case may be, purchase of a Note under this section, the holder of that Note must transfer or cause to be transferred by its Account Holder its Notes to be so redeemed or purchased to the account of the Fiscal Agent specified in the Put Option Notice for the account of the relevant Issuer within the period (the **“Put Period”**) of forty-five (45) days after the Put Event Notice is given together with a duly signed and completed notice of exercise in the form (for the time being current) obtainable from the specified office of any Paying Agent (a **“Put Option Notice”**) and in which the holder may specify a bank account to which payment is to be made under this section.

The relevant Issuer shall redeem or, at the option of the relevant Issuer, procure the purchase of the Notes in respect of which the Change of Control Put Option has been validly exercised as provided above, and subject to the transfer of such Notes to the account of the Fiscal Agent for the account of the relevant Issuer as described above on the date which is the fifth (5th) Business Day following the end of the Put Period (the **“Optional Redemption Date”**). Payment in respect of any Note so transferred will be made in Euro to the holder to the specified Euro-denominated bank account in the Put Option Notice on the Optional Redemption Date via the relevant Account Holders.

The relevant Issuer shall have no responsibility for any costs or loss of whatever kind (including breakage costs) which the Noteholder may incur as a result of or in connection with its exercise, or purported exercise, of, or otherwise in connection with, any Change of Control Put Option - whether upon the occasion of any purchase or redemption arising therefrom or otherwise.

7 Payments and Talons

- (a) **Dematerialised Notes:** Payments of principal and interest in respect of Dematerialised Notes shall (in the case of Dematerialised Notes in bearer dematerialised form or administered registered form) be made by transfer to the account denominated in the relevant currency of the relevant Account Holders for the benefit of the Noteholders and, (in the case of Dematerialised Notes in fully registered form), to an account denominated in the relevant currency with a Bank designated by the Noteholders. All payments validly made to such Account Holders will be an effective discharge of the relevant Issuer in respect of such payments.
- (b) **Materialised Notes:** Payments of principal and interest in respect of Materialised Notes shall, subject as mentioned below, be made against presentation and surrender during usual business hours of the

relevant Materialised Notes (in the case of all payments of principal and, in the case of interest, as specified in Condition 7(f)(v)) or Coupons (in the case of interest, save as specified in Condition 7(f)(v)), as the case may be, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the Noteholder, by transfer to an account denominated in such currency with, a Bank. “**Bank**” means a bank in the principal financial centre for such currency or, in the case of Euro, in a city in which banks have access to the TARGET System.

- (c) **Payments in the United States:** Notwithstanding the foregoing, if any Materialised Notes are denominated in U.S. Dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the relevant Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the relevant Issuer, any adverse tax consequence to the relevant Issuer [or the Guarantor, if payment is being made under the Guarantee].
- (d) **Payments Subject to Fiscal Laws:** All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives in the place of payment but without prejudice to the provisions of Condition 8. No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.
- (e) **Appointment of Agents:** The Fiscal Agent, the Paying Agents, the Calculation Agent, the Redenomination Agent and the Consolidation Agent initially appointed by the relevant Issuer and their respective specified offices are listed below. The Fiscal Agent, the Paying Agents, the Redenomination Agent, the Consolidation Agent and the Registration Agent act solely as agents of the relevant Issuer and the Calculation Agent(s) act(s) as independent experts(s) and, in each such case, do not assume any obligation or relationship of agency for any Noteholder or Couponholder. The relevant Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, any other Paying Agent, the Redenomination Agent, the Consolidation Agent and the Registration Agent or the Calculation Agent(s) and to appoint additional or other Paying Agents, provided that the relevant Issuer shall at all times maintain (i) a Fiscal Agent, (ii) one or more Calculation Agent(s) where the Conditions so require, (iii) a Redenomination Agent and a Consolidation Agent where the Conditions so require, (iv) Paying Agents having specified offices in at least two major European cities (including Paris so long as the Notes are listed and admitted to trading on Euronext Paris and/or Luxembourg so long as the Notes are listed on the official list of the Luxembourg Stock Exchange and admitted to trading on the Regulated Market of the Luxembourg Stock Exchange and, in either case, so long as the rules applicable to the relevant Regulated Market so require) (v) in the case of Dematerialised Notes, in fully registered form, a Registration Agent (vi) such other agents as may be required by any other Regulated Market on which the Notes may be listed and admitted to trading and (vii) in the case of Materialised Notes, a Paying Agent with a specified office in a European Union Member State that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC of 3 June 2003, as amended, on the taxation of savings income in the form of interest payments or any other European Union Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income, or any law implementing or complying with, or introduced in order to conform to, such Directive.

In addition, the relevant Issuer [(or the Guarantor, if payment is being made under the Guarantee)] shall forthwith appoint a Paying Agent in New York City in respect of any Materialised Notes denominated in U.S. Dollars in the circumstances described in paragraph (c) above.

On a redenomination of the Notes of any Series pursuant to Condition 1(d) with a view to consolidating such Notes with one or more other Series of Notes, in accordance with Condition 13, the relevant Issuer shall ensure that the same entity shall be appointed as both Redenomination Agent and Consolidation Agent in respect of both such Notes and such other Series of Notes to be so consolidated with such Notes.

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders in accordance with Condition 14.

(f) **Unmatured Coupons and Unexchanged Talons:**

- (i) Upon the due date for redemption of those Notes, Materialised Notes which comprise Fixed Rate Notes should be surrendered for payment together with all unexpired Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unexpired Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unexpired Coupon that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount, Amortised Nominal Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of ten (10) years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 10).
- (ii) Upon the due date for redemption of any Materialised Note comprising a Floating Rate Note, unexpired Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
- (iii) Upon the due date for redemption of any Materialised Note, any unexpired Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (iv) Where any Materialised Note that provides that the relative unexpired Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unexpired Coupons, and where any Materialised Note is presented for redemption without any unexpired Talon relating to it, redemption shall be made only against the provision of such indemnity as the relevant Issuer [and the Guarantor, as the case may be,] may require.
- (v) If the due date for redemption of any Materialised Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Definitive Materialised Note. Interest accrued on a Materialised Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Definitive Materialised Notes.

- (g) **Talons:** On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Materialised Note, the Talon forming part of such Coupon sheet may be

surrendered at the specified office of the Fiscal Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 10).

- (h) **Non-Business Days:** If any date for payment in respect of any Note or Coupon is not a business day, the Noteholder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this paragraph, “**business day**” means a day (other than a Saturday or a Sunday) (A) (i) in the case of Dematerialised Notes, on which Euroclear France is open for business or (ii) in the case of Materialised Notes, on which banks and foreign exchange markets are open for business in the relevant place of presentation, in such jurisdictions as shall be specified as “**Financial Centres**” in the relevant Final Terms and (B) (i) (in the case of a payment in a currency other than Euro), where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency or (ii) (in the case of a payment in Euro), which is a TARGET Business Day.

8 Taxation

- (a) **Withholding tax:** All payments of principal, interest and other revenues by or on behalf of the relevant Issuer in respect of the Notes [or, as the case may be, payments under the Guarantee] shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within France or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.
- (b) **Additional Amounts:** If French law should require that payments of principal or interest in respect of any Note or Coupon [or, as the case may be, payments under the Guarantee] be subject to deduction or withholding in respect of any taxes or duties whatsoever, the relevant Issuer [or, as the case may be, the Guarantor in the case of payments under the Guarantee,] will, to the fullest extent then permitted by law, pay such additional amounts as shall result in receipt by the Noteholders or, if applicable, the Couponholders, as the case may be, of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable with respect to any Note or Coupon, as the case may be:
- (i) **Other connection:** to, or to a third party on behalf of, a Noteholder or, if applicable, a Couponholder, as the case may be, who is liable to such taxes, duties, assessments or governmental charges in respect of such Note or Coupon by reason of his having some connection with France other than the mere holding of the Note or Coupon; or
 - (ii) **Presentation more than 30 days after the Relevant Date:** in the case of Materialised Notes, more than 30 days after the Relevant Date except to the extent that the Noteholder or, if applicable, the Couponholder, as the case may be, would have been entitled to such additional amounts on presenting it for payment on the thirtieth such day; or
 - (iii) **Payment to individuals:** where such withholding or deduction is required to be made pursuant to European Council Directive 2003/48/EC, as amended, or any other Directive implementing the conclusions of the ECOFIN Council Meeting of 26-27 November 2000 on the taxation of savings income, or any law implementing or complying with, or introduced in order to conform to, such Directive; or
 - (iv) **Payment by another Paying Agent:** in respect of Definitive Materialised Notes, presented for payment by or on behalf of a holder of any Note or Coupon, as the case

may be, who would be able to avoid such withholding or deduction by presenting the relevant Note or Coupon to another Paying Agent in a Member State of the European Union.

As used in these Conditions, “**Relevant Date**” in respect of any Note or Coupon means the date on which payment in respect of it first becomes due or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or, in the case of Materialised Notes (if earlier) the date seven days after that on which notice is duly given to the Noteholders that, upon further presentation of the Note or Coupon being made in accordance with the Conditions, such payment will be made, provided that payment is in fact made upon such presentation.

References in these Conditions to (i) “**principal**” shall be deemed to include any premium payable in respect of the Notes, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Nominal Amounts and all other amounts in the nature of principal payable pursuant to Condition 6 or any amendment or supplement to it, (ii) “**interest**” shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 5 or any amendment or supplement to it and (iii) “**principal**” and/or “**interest**” shall be deemed to include any additional amounts that may be payable under this Condition.

- (c) **Supply of Information:** Each Noteholder shall be responsible for supplying, in a timely manner, any information as may be required in order to comply with the identification and reporting obligations imposed on it by the European Council Directive 2003/48/EC, as amended, or any other European Directive implementing the conclusions of the ECOFIN Council Meeting dated 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to such Directive.

9 Events of Default

The Representative (as defined in Condition 11), upon request of any Noteholder, may, upon written notice to the relevant Issuer and the Fiscal Agent given on behalf of the Noteholders before all defaults shall have been remedied, cause the Notes to become immediately due and payable, whereupon the Notes shall become immediately due and payable at their principal amount, plus accrued interest, without any other formality, if any of the following events (each an “**Event of Default**”) shall occur:

- (i) the relevant Issuer is in default for more than fifteen (15) days for the payment of principal of, or interest on, any Note [or the Guarantor defaults in any payment when due under the Guarantee] (including the payment of any additional amounts in accordance with Condition 8), when the same shall become due and payable; or
- (ii) the relevant Issuer [or the Guarantor] is in default in the performance of, or compliance with, any of its other obligations under the Notes [or the Guarantee, as the case may be] and such default has not been cured within thirty (30) days after the receipt by the Fiscal Agent of the written notice of such default by a Noteholder; or
- (iii) any other present or future indebtedness of the relevant Issuer [or the Guarantor] or any of its Principal Subsidiaries or of Casino Finance (in the latter case, only in respect of Notes issued by Casino), for borrowed money in excess of Euro 40,000,000 (or its equivalent in any other currency) whether individually or in the aggregate shall become due and payable prior to its stated maturity as a result of a default thereunder, or any such indebtedness shall not be paid when due or, as the case may be, within any applicable grace period (as originally agreed) therefor or any steps shall have been taken to enforce

any security in respect of any such indebtedness or any guarantee or indemnity given by the relevant Issuer [or the Guarantor] or any of its Principal Subsidiaries or Casino Finance (in the latter case, only in respect of Notes issued by Casino), for, or in respect of, any such indebtedness of others shall not be honoured when due and called upon; or

- (iv) a judgment is issued for the judicial liquidation (*liquidation judiciaire*) or for a transfer of the whole of the business (*cession totale de l'entreprise*) of the relevant Issuer [or the Guarantor] or, to the extent permitted by applicable law, if the relevant Issuer [or the Guarantor] is subject to any other insolvency or bankruptcy proceedings or if the relevant Issuer [or the Guarantor] makes any conveyance, assignment or other arrangement for the benefit of its creditors or enters into a composition with its creditors or if the relevant Issuer [or the Guarantor] is wound up or dissolved; or
- (v) Casino ceases to control (within the meaning of article L.233-3 of the French *Code de commerce*), whether directly or indirectly, Casino Finance; or
- (vi) the Guarantee (x) is not (or is claimed by the Guarantor not to be) valid or in full force and effect for any reason or (y) is revoked for any reason].

10 Prescription

Claims against the relevant Issuer for payment in respect of the Notes and Coupons (which for this purpose shall not include Talons) shall be prescribed and become void unless made within five years (in the case of principal or interest) from the appropriate Relevant Date in respect of them.

11 Representation of Noteholders

In respect of the representation of the Noteholders, the following shall apply:

- (a) If the relevant Final Terms specifies “Full Masse”, the Noteholders will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interests in a Masse and the provisions of the French *Code de commerce* relating to the Masse shall apply subject to the below provisions of this Condition 11(a).

The names and addresses of the initial Representative of the Masse and its alternate will be set out in the relevant Final Terms. The Representative appointed in respect of the first Tranche of any Series of Notes will be the Representative of the single Masse of all Tranches in such Series.

The Representative will be entitled, if any, to such remuneration in connection with its functions or duties as set out in the relevant Final Terms.

In the event of death, retirement or revocation of appointment of the initial Representative, such Representative will be replaced by its alternate. In the event of the death, retirement or revocation of appointment of the alternate Representative, an alternate will be elected by the general meeting of the Noteholders (the “**General Meeting**”).

In accordance with Article R.228-71 of the French *Code de commerce*, the right of each Noteholder to participate in General Meetings will be evidenced by the entries in the books of the relevant Account Holder of the name of such Noteholder as of 0:00, Paris time, on the third business day in Paris preceding the date set for the meeting of the relevant General Meeting.

The place where of a General Meeting shall be held will be set out in the notice convening such General Meeting; or

- (b) If the relevant Final Terms specifies “Contractual *Masse*”, the Noteholders will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interests in a *masse* (in each case, the “**Masse**”) which will be subject to the below provisions of this Conditions 11(b).

The Masse will be governed by the provisions of the French *Code de commerce* with the exception of Articles L.228-48, L.228-59, L.228-71, R.228-63, R.228-67 and R.228-69 subject to the following provisions:

(i) **Legal Personality**

The Masse will be a separate legal entity and will act in part through a representative (the “**Representative**”) and in part through a general meeting of the Noteholders (the “**General Meeting**”).

The Masse alone, to the exclusion of all individual Noteholders, shall exercise the common rights, actions and benefits which now or in the future may accrue respectively with respect to the Notes.

(ii) **Representative**

The office of Representative may be conferred on a person of any nationality who agrees to perform such function. However, the following persons may not be chosen as Representatives:

The corporate objects of Casino are described in the article 3 of its *statuts* (by-laws).

Business Overview

Casino is a multi-format retailer with a strong market position in the French retail sector and significant international operations. The Group’s operations now cover nine countries: France, Argentina, Uruguay, Brazil, Colombia, Thailand, Mauritius, Vietnam and Madagascar.

The Casino banner dates back to 1898, when Geoffroy Guichard created Société des Magasins du Casino and opened the first store in Veauche in central France. Just three years later, in 1901, the first Casino brand products were launched, thus pioneering the private-label concept.

The Group expanded rapidly until the eve of the Second World War, opening more than 500 stores in ten years. It initially focused on the Saint-Étienne and Clermont-Ferrand regions and during the 1930s expanded its reach down to the Côte d’Azur. In 1939, the Group managed nine warehouses, 20 plants and almost 2,500 retail stores.

In the 1950s, Casino embarked on a policy of diversifying its formats and its business activities. The first self-service store opened in 1948, the first Casino supermarket in 1960, the first Casino Caf  teria in 1967 and the first G  ant hypermarket in 1970. Acquisition of L'  pargne in 1970 extended the Group's operations to south-western France.

At the end of the 1970s, Casino broke into the international markets, launching a chain of cafeterias in the United States and then acquiring 90 cash & carry stores under the Smart & Final banner in 1984.

The mid-1980s marked a turning point in the Group's expansion policy. It adopted a redeployment strategy aimed at achieving critical mass to improve its resilience in an increasingly competitive retail industry.

This strategy consisted first and foremost of expanding its operations in France and refocusing on its core business as a retailer. Between 1985 and 1996, it acquired control of two retail companies in eastern and southern France, C  dis and La Ruche M  ridionale. It signed partnership agreements with the Corse Distribution Group and with Coop  rateurs de Normandie-Picardie. In 1992, it took over Rallye's retail business comprising hypermarkets, supermarkets and cafeterias.

The Group also launched a programme to refurbish its hypermarkets and modernise its convenience store network, with the aim of repositioning both its corporate image and the image of its banners. Casino created Spar France in 1996 and acquired a stake in Monoprix-Prisunic in 1997. It also took a majority stake in the Franprix and Leader Price banners in 1997.

As a result of these developments, on the eve of the new millennium Casino had become France's third largest food retailer with about 12.9 per cent. market share¹.

Leveraging its strong domestic position, the Group then decided to strengthen its international presence and embarked on an active international expansion policy.

From 1998 to 2002, it acquired a large number of retail companies in South America (Libertad in Argentina, Disco in Uruguay, Exito in Colombia, CBD in Brazil and Cativen in Venezuela), Asia (Big C in Thailand, Vind  mia in Vietnam), the Netherlands (Laurus, now Super de Boer) and the Indian Ocean region (Vind  mia in Reunion, Madagascar, Mayotte and Mauritius).

It also moved into Poland and Taiwan, opening its first Polish hypermarket in Warsaw in 1996 followed by a Leader Price store in 2000, and its first hypermarket in Taiwan in 1998.

Since 2000, Casino has strengthened its presence in France in the most buoyant formats and expanded in its most promising international markets.

In France, Casino has adapted its business mix to meet changing market trends, first by strengthening its positioning in convenience and discount formats through major acquisitions.

In 2000, it acquired a stake in online retailer Cdiscount and raised its interest in Monoprix to 50 per cent. In 2003, Casino and Galeries Lafayette renewed their partnership in Monoprix.

At the end of 2008, the strategic agreement between the two partners was extended until 2012. In 2004, the Group increased its interest in Franprix Holding to 95 per cent. and in Leader Price Holding to 75 per cent. Since 2009, it has owned 100 per cent. of both companies.

Secondly, Casino also began to develop other businesses connected with retailing, such as financial services and commercial real estate. In 2001, it joined forces with LaSer Cofinoga to create Banque du Groupe Casino. In July 2010, it signed a partnership agreement in financial products and services with Groupe Cr  dit Mutuel-CIC, which will increase its interest in Banque Casino to 50 per cent., with Casino owning the remaining 50 per cent. In 2005, the Group's shopping centre properties were spun off into a new subsidiary, Mercialis, which was floated on the stock exchange.

¹ (Source: KantarWorld Panel (formerly TNS))

In the international markets, Casino began to refocus its business on two core regions, South America and Southeast Asia, to capitalise on their strong growth potential. From 2005 to 2007, the Group acquired joint control of the GPA Group in Brazil, and became majority shareholder of Exito in Colombia and Vindémia in the Indian Ocean region. In 2010, the partnership between GPA and Casas Bahia, a Brazilian non-food retailer, and Big C's acquisition of Carrefour Thailand (42 stores) significantly increased the Group's footprint in these two regions, which are the main pillars of its international development.

In 2006, Casino sold its Polish retailing businesses and its 50 per cent. interest in its Taiwanese subsidiary Far Eastern Géant, followed by its interest in Smart & Final in the USA in 2007. In 2009, Casino sold its 57 per cent. interest in Dutch retailer Super de Boer.

In 2010, the Venezuelan government ordered the nationalisation of Exito supermarkets operating in Venezuela. The Bolivarian Republic of Venezuela acquired 80 per cent. of Cativen with Casino retaining 20 per cent. to provide its operational support.

In 2011, Exito bought the shares of Casino in Disco and Devoto, Uruguayan subsidiaries of Casino. This reflects the Group's strategic ambitions in Hispanic Latin America.

In 2012 Casino obtained control of GPA, a retailer in Brazil and the country's biggest private employer. It is now GPA's only controlling shareholder.

Lastly, in 2013, Casino obtained exclusive control of the Monoprix Group, continuing the development strategy focusing on convenience formats first initiated in 1996.

⁽¹⁾ Figures published in 2013.

Sales for the **food retailing business in France** were down by -2.7% on an organic basis in the third quarter of 2014, due to the Group's high exposure to touristic areas which were affected by a poor season. Sales also integrate price cuts at Géant and Leader Price, as well as deflation in fruits and vegetables. After a weak activity during summer, trends improved substantially in September and early October across all banners. Total sales include a calendar effect of -0.7% and a petrol effect of -0.5%.

Food retailing activities in Latin America and Asia posted good performances. Sales growth was satisfactory in Brazil, Colombia and Uruguay. Sales in Asia recorded organic growth despite the unfavourable macroeconomic environment, thanks in particular to a good level of expansion.

The **Latam Electronics division** (Viavarejo) posted a slight increase in sales on an organic basis compared with a very dynamic performance in Q3 2013, in a context of early sales linked to the World Cup in Q2.

The Group's **e-commerce** activity (Cnova) recorded very strong growth in all zones.

ANALYSIS OF PERFORMANCE BY SEGMENT

■ France Retail

The France Retail sector comprises mainly the activities of the **Casino, Monoprix, Franprix-Leader Price and Vindemia** banners.

PERFORMANCE OF MAIN BANNERS

<i>(in €m)</i>	Q3 2013	Q3 2014	Total growth	Organic growth
Géant Casino	1,307	1,232	-5.7%	-3.9%
Casino Supermarkets	943	893	-5.3%	-4.4%

Convenience & Other ⁽¹⁾	701	671	-4.3%	-4.3%

⁽¹⁾ Includes the cafeterias, real estate, other and Indian Ocean activities.

Food sales in France totalled **€4,730 million** in the third quarter of 2014.

The quarter was marked by the Group's high exposure to touristic areas that were affected by a poor season and by price cuts at Géant and Leader Price as well as deflation in fruits and vegetables. Even though weaker during the summer, business improved substantially in September and in the beginning of October.

In that context, same-store sales at the **Géant** hypermarkets contracted by -3.9%, integrating price cuts (which include deflation in fruits and vegetables). FMCG volumes grew by +1.4% in Q3 2014, after growing by +0.8% in Q3 2013. This trend shows a sequential improvement compared to Q2 2014, where volumes were growing on a decline in Q2 2013. Over two years, FMCG volumes are now growing at +2.3%. In the last four weeks, food volumes were up by +3.6%.

Same-store sales at **Casino Supermarkets** were down by -4.6% with an impact from price cuts, including significant deflation in fruits and vegetables. Business has improved since September with a stable average basket. Traffic is stable in the last four weeks.

Monoprix sales were down by -1.9% on an organic basis. Sales were affected by the 9 p.m. closing time at some stores (impact of -1.1%) and the sale of stores at the request of the French anti-trust authority (impact of -0.5%). Growth remained very satisfactory for the Monoprix.fr website and the Naturalia banner recorded a very good performance.

Total sales at **Franprix-Leader Price**, down by -1.3% (vs. -2.5% in Q2 2014), benefited in particular from the good performance of the recently acquired "Le Mutant" stores.

Leader Price's price repositioning resulted in same-store sales decrease and a gradual improvement of store traffic. The later has picked up to turn stable in September and positive in the last four weeks. Leader Price's market share is stable³.

The **Convenience & other** segment's sales were down by -4.3% on an organic basis. The proximity stores were affected by their exposure to touristic areas and the termination of the supply contract with Coop d'Alsace (impact of -2%). Expansion remained dynamic in franchise.

■ **Latam Retail**

The Latam Retail segment comprises the **GPA** food banners and the **Exito** and **Libertad** banners.

Food sales in Latin America totalled **€3,776 million** in the third quarter of 2014, corresponding to strong organic growth of +7%. The currency effect showed a marked improvement, with a negative impact of only -0.3% (vs. -13.3% in Q2 2014).

In Brazil, **GPA (Multivarejo and Assai)** posted organic sales growth of +6.7% overall. With the exception of the hypermarkets, which were affected by early non-food sales linked to the World Cup, the Pão de Açúcar and Mini Mercado formats continued to perform well. The **Assai** cash & carry stores recorded very strong growth of +31.2%⁴. GPA is continuing its expansion in successful formats.

GPA published its Q3 2014 sales figures on 10 October 2014.

Exito's sales continued to improve on a sequential basis, in line with the improved household consumption trend in Colombia and good expansion.

Exito will release its Q3 2014 results on 29 October 2014.

■ **Latam Electronics**

The Latam Electronics segment comprises the **Viavarejo** group's banners: Casas Bahia and Ponto Frio.

³ Source: Kantar P09 2014.

Sales at **Latam Electronics** came to **€1,754 million** in the third quarter of 2014. Sales were slightly up, by +0.4% on an organic basis and +0.2%⁵ on a same-store basis, on particularly high comps (+13.6%⁽⁵⁾ of same stores growth in Q3 2013) and against a background of early sales in Q2 linked to the World Cup.

Viavarejo is continuing its operational improvement plans.

■ Asia

The Asia segment comprises the **Big C Thailand** and **Big C Vietnam** banners.

The **Asia** segment posted Q3 2014 sales of **€866 million**, up by **+3.1%** overall on an organic basis, with organic growth of +3.6% in Thailand despite a difficult macroeconomic environment. Total sales were impacted by a negative currency effect of -1.6% (compared to -11.9% in Q2 2014).

Big C Thailand published its Q3 2014 sales figures on 13 October 2014.

- v. undertakes not to exercise any rights which it may have to claim or prove in a liquidation or other insolvency proceeding of the Issuer in competition with the Noteholders unless and until all Guaranteed Obligations have been irrevocably paid and discharged in full or to preserve its rights; or
- vi. undertakes not to exercise any rights which it may have of first requiring the Noteholders to proceed against or enforce any other right or security or claim payment from any person with respect to any Guaranteed Obligations before claiming from the Guarantor under this Guarantee, it being specified that this Clause 6 shall not preclude the Guarantor from declaring any receivables which it holds against the Issuer in the context of insolvency or bankruptcy proceedings of the Issuer.

7. Avoidance of payments

If a payment made by the Issuer in respect of any Guaranteed Obligations is subsequently voided and to the extent that the relevant payment is effectively refunded to (or to the order of) the obligor as a result of such avoidance, the Guarantor shall remain liable under this Guarantee in respect of the relevant Guaranteed Obligations notwithstanding any discharge (*quittance*) previously granted to the obligor on the faith of such payment.

TAXATION

EU TAXATION

The following is a description limited to certain tax considerations applicable under the laws of the European Union relating to the Notes that may be issued under the Programme. It does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to purchase, own or dispose of the Notes. Each prospective holder or beneficial owner of Notes should consult its tax advisor as to the tax consequences of any investment in or ownership and disposition of the Notes.

On 3 June 2003, the European Council of Economic and Finance Ministers adopted the Directive 2003/48/EC on the taxation of savings income (the “**Savings Directive**”). Pursuant to the Savings Directive and subject to a number of conditions being met, Member States are required, since 1 July 2005, to provide to the tax authorities of another Member State, *inter alia*, details of payments of interest within the meaning of the Savings Directive (interest, premiums or other debt income) made by a paying agent located within its jurisdiction to, or for the benefit of, an individual resident in that other Member State or to certain limited types of entities established in that other Member State (the “**Disclosure of Information Method**”).

For these purposes, the term “paying agent” is defined widely and includes in particular any economic operator who is responsible for making interest payments, within the meaning of the Savings Directive, for the immediate benefit of individuals.

However, throughout a transitional period, certain Member States (the Grand-Duchy of Luxembourg and Austria), instead of using the Disclosure of Information Method used by other Member States, unless the relevant beneficial owner of such payment elects for the Disclosure of Information Method, withhold an amount on interest payments. The rate of such withholding tax is 35 per cent. as from 1 July 2011 and until the end of the transitional period. In April 2013, the Luxembourg Government however announced its intention to abolish the withholding system with effect from 1 January 2015, in favour of the Disclosure of Information Method.

The transitional period will end at the end of the first full fiscal year following the later of (i) the date of entry into force of an agreement between the European Community, following a unanimous decision of the European Council, and the last of Switzerland, Liechtenstein, San Marino, Monaco and Andorra, providing for the exchange of information upon request as defined in the OECD Model Agreement on Exchange of Information on Tax Matters released on 18 April 2002 (the “**OECD Model Agreement**”) with respect to interest payments within the meaning of the Savings Directive, in addition to the simultaneous application by those same countries of a withholding tax on such payments at the rate applicable for the corresponding periods mentioned above and (ii) the date on which the European Council unanimously agrees that the United States of America is committed to exchange of information upon request as defined in the OECD Model Agreement with respect to interest payments within the meaning of the Savings Directive.

A number of non-EU countries and dependent or associated territories have agreed to adopt similar measures (transitional withholding or exchange of information) with effect since 1 July 2005.

On 24 March 2014, the Council of the European Union adopted a directive amending the Savings Directive, which when implemented, will amend and broaden the scope of the requirements described above. In particular, the amending directive aims at extending the scope of the Savings Directive to new types of savings income and products that generate interest or equivalent income. In addition, tax authorities will be required in certain circumstances to take steps to identify the beneficial owner of interest payments (through a look through approach). The EU Member States will have until 1 January 2016 to adopt the national legislation necessary to comply with this amending directive. Such legislation must apply from 1 January 2017.

LUXEMBOURG - TAXATION

The following is a description limited to certain tax considerations in Luxembourg relating to the Notes that may be issued under the Programme and specifically contains information on taxes on the income from the securities withheld at source. Each prospective holder or beneficial owner of Notes should consult its tax advisor as to the tax consequences of any investment in or ownership and disposition of the Notes.

Withholding tax

Under Luxembourg tax law currently in effect and with the possible exception of interest paid to individual Noteholders and to certain residual entities (as described below) there is no Luxembourg withholding tax on payments of interest, including accrued but unpaid interest. There is also no Luxembourg withholding tax, with the possible exception of payments made to individual Noteholders, and to certain residual entities (as described below) upon repayment of principal in case of reimbursement, redemption, repurchase or exchange of the Notes.

Individuals

Luxembourg non-residents

Under the Luxembourg laws dated 21 June 2005, as amended, (the “**Laws**”) implementing the Savings Directive and several agreements concluded between Luxembourg and certain dependent or associated territories of the European Union (“**EU**”), a Luxembourg based paying agent (within the meaning of the Laws) is required since 1 July 2005 to withhold tax on interest and other similar income paid by it to (or under certain circumstances, to the benefit of) an individual or certain “residual entities” resident or established in another Member State or in certain EU dependent or associated territories, unless the beneficiary of the interest payments elects for the exchange of information or, in the case of an individual beneficiary, the tax certificate procedure. “Residual entities” within the meaning of Article 4.2 of the Savings Directive are entities established in a Member State or in certain EU dependent or associated territories without legal personality (the Finnish and Swedish companies listed in Article 4.5 of the Savings Directive are not considered as legal persons for this purpose), whose profits are not taxed under the general arrangements for the business taxation, which are not and have not opted to be treated as UCITS recognised in accordance with Council Directive 85/611/EEC, as replaced by the European Council Directive 2009/65/EC or a similar collective investment fund located in Jersey, Guernsey, the Isle of Man, the Turks and Caicos Islands, the Cayman Islands, Montserrat or the British Virgin Islands.

The current withholding tax rate is 35 per cent. Responsibility for the 35 per cent. withholding tax will be assumed by the Luxembourg paying agent in which case Deutsche Bank Luxembourg S.A. would be the paying agent, therefore withholding tax will not be applicable unless the notes turn definitive and the conditions for the application of the withholding tax are met. The withholding tax system will only apply during a transitional period, the ending of which depends on the conclusion of certain agreements relating to information exchange with certain non EU countries.

The European Commission has proposed certain amendments to the Savings Directive, which may, if implemented, amend or broaden the scope of the requirements described above.

The Luxembourg government has announced its intention to elect out of the withholding system in favour of an automatic exchange of information with effect as from 1 January 2015.

Luxembourg residents

A 10 per cent. withholding tax is levied on interest payments made by Luxembourg paying agents (defined in the same way as in the Savings Directive) to Luxembourg individual residents or to certain residual entities that secure interest payments on behalf of such individuals (unless such entities have opted either to be treated as UCITS recognised in accordance with the Council Directive 85/611/EC, as replaced by the European Council Directive 2009/65/EC, or for the exchange of information regime).

Only interest accrued after 1 July 2005 falls within the scope of the withholding tax. Interest income from current and sight accounts (*comptes courants et à vue*) provided that the remuneration on these accounts is not higher than 0.75 per cent. are exempt from the withholding tax. Furthermore, interest which is accrued once a year on savings accounts (short and long term) and which does not exceed Euro 250 per person and per paying agent is exempt from the withholding tax.

Pursuant to the Luxembourg law of 23 December 2005, as amended by the law of 17 July 2008, on the introduction of a withholding tax on certain interest payments on savings income, Luxembourg resident individuals, acting in the course of their private wealth, can opt to self-declare and pay a 10 per cent. tax on interest payments made after 31 December 2007 by paying agents (defined in the same way as in the Savings Directive) located in a Member State of the EU other than Luxembourg, a Member State of the European Economic Area other than an EU Member State or in a State or territory which has concluded an international agreement directly related to the Savings Directive.

The 10 per cent. withholding tax or the 10 per cent. self-declared tax represents the final tax liability for the Luxembourg individual resident taxpayers receiving the interest payment in the course of their private wealth.

Corporations

There is no Luxembourg withholding tax for Luxembourg resident and non-resident corporations holders of the Notes on payments of interest (including accrued but unpaid interest).

FRANCE – TAXATION

The following is a description limited to certain withholding tax considerations in France relating to the Notes that may be issued under the Programme to any Noteholder or Couponholder who does not currently hold shares of the relevant Issuer. It does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to purchase, own or dispose of the Notes. Each prospective holder or beneficial owner of Notes should consult its tax advisor as to the tax consequences of any investment in or ownership and disposition of the Notes.

The Savings Directive was implemented into French law under Article 242 *ter* of the French *Code Général des Impôts* and Articles 49 I-ter to 49 I-sexies of Schedule III to the French *Code général des impôts*, which imposes on paying agents based in France an obligation to report to the French tax authorities certain information with respect to interest payments made to beneficial owners domiciled in another Member State, including, among other things, the identity and address of the beneficial owner and a detailed list of the different categories of interest paid to that beneficial owner.

Notes issued as from 1 March 2010

Payments of interest and other revenues made by the relevant Issuer in its capacity as issuer of Notes issued on or after 1 March 2010 (other than Notes (described below) which are assimilated (*assimilées*) and form a single series with Notes issued prior to 1 March 2010 having the benefit of Article 131 *quater* of the French *Code Général des Impôts*) will not be subject to the withholding tax set out under Article 125 A III of the French *Code Général des Impôts* unless such payments are made outside France in a non-cooperative State or territory (*Etat ou territoire non coopératif*) within the meaning of Article 238-0 A of the French *Code Général des Impôts* (a “**Non-Cooperative State**”). If such payments under the Notes are made in a Non-Cooperative State, a 75 per cent. withholding tax will be applicable (subject to certain exceptions and to the more favourable provisions of any applicable double tax treaty) by virtue of Article 125 A III of the French *Code Général des Impôts*.

Furthermore, interest and other revenues on such Notes are not deductible from the relevant Issuer's taxable income if they are paid or accrued to persons domiciled or established in a Non-Cooperative State or paid in such a Non-Cooperative State. Under certain conditions, any such non-deductible interest and other revenues may be recharacterised as constructive dividends pursuant to Article 109 of the French *Code Général des Impôts*, in which case such non-deductible interest and other revenues may be subject to the withholding tax set out under Article 119 *bis* of the French *Code Général des Impôts*, at a rate of 30 per cent. or 75 per cent.

Notwithstanding the foregoing, neither the 75 per cent. withholding tax nor the non-deductibility will apply in respect of a particular issue of Notes if the relevant Issuer can prove that the principal purpose and effect of such issue of Notes were not that of allowing the payments of interest or other revenues to be made in a Non-Cooperative State (the "**Exception**"). Pursuant to the *Bulletins officiels des Finances Publiques-Impôts* BOI – RPPM – RCM – 30-10-20-40-20140211, BOI – INT – DG – 20-50-20140211, BOI – IR – DOMIC-10-20-20-60 – 20140211 and BOI – ANNX – 000364 – 20120912, an issue of Notes will benefit from the Exception without the relevant Issuer having to provide any proof of the purpose and effect of such issue of Notes, if such Notes are:

(i) offered by means of a public offer within the meaning of Article L.411-1 of the French *Code monétaire et financier* or pursuant to an equivalent offer in a State other than a Non-cooperative State. For this purpose, an “equivalent offer” means any offer requiring the registration or submission of an offer document by or with a foreign securities market authority; or

(ii) admitted to trading on a regulated market or on a French or foreign multilateral securities trading system provided that such market or system is not located in a Non-Cooperative State, and the operation of such market is carried out by a market operator or an investment services provider, or by such other similar foreign entity, provided further that such market operator, investment services provider or entity is not located in a Non-Cooperative State; or

(iii) admitted, at the time of their issue, to the clearing operations of a central depository or of a securities clearing and delivery and payments systems operator within the meaning of Article L.561-2 of the French *Code monétaire et financier*, or of one or more similar foreign depositories or operators provided that such depository or operator is not located in a Non-Cooperative State be able to benefit from the Exception.

Notes which are assimilated (*assimilées*) with Notes issued before 1 March 2010 (in respect of Notes issued by Casino only)

Payments of interest and other revenues with respect to Notes issued after 1 March 2010 and which are assimilated (*assimilées*) and form a single series with Notes issued before 1 March 2010 (and having the benefit of Article 131 quater of the French *Code Général des Impôts*), will continue to be exempt from the withholding tax set out under Article 125 A III of the French *Code Général des Impôts*.

Notes issued before 1 March 2010, whether denominated in Euro or in any other currency, and constituting *obligations* under French law, or *titres de créances négociables* within the meaning of the *Bulletin officiel des Finances Publiques-Impôts* (BOI – RPPM – RCM – 30-10-30-30-0140211) or other debt securities issued under French or foreign law and considered by the French tax authorities as falling into similar categories, are deemed to be issued outside the Republic of France for the purpose of Article 131 quater of the French *Code Général des Impôts*, in accordance with the aforementioned *Bulletin officiel des Finances Publiques-Impôts*.

In addition, interest and other revenues paid by the relevant Issuer on Notes issued after 1 March 2010 and which are to be assimilated (*assimilées*) and form a single series with Notes issued before 1 March 2010 will not be subject to the withholding tax set out in Article 119 *bis* of the French *Code Général des Impôts* solely on account of their being paid in a Non-Cooperative State or accrued or paid to persons established or domiciled in a Non-Cooperative State. See “Terms and Conditions of the Notes – Taxation”.

Withholding tax applicable to individuals fiscally domiciled in France

If the paying agent is established in France, pursuant to Article 125 A of the French *Code général des impôts*, and subject to certain limited exceptions, interest received as from 1 January 2013 by individuals who are fiscally domiciled (*domiciliés fiscalement*) in France is subject to a 24% withholding tax, which is deductible from their personal income tax liability in respect of the year in which the payment has been made. Social contributions (CSG, CRDS and other related contributions) are also levied by way of withholding tax at an aggregate rate of 15.5% on interest paid to individuals who are fiscally domiciled (*domiciliés fiscalement*) in France.

SUBSCRIPTION AND SALE

Description of the Amended and Restated Dealer Agreement

Subject to the terms and on the conditions contained in an amended and restated dealer agreement dated 1 December 2014 (the “**Amended and Restated Dealer Agreement**”) between Casino, Casino Finance, the Permanent Dealers and the Arranger, the Notes will be offered on a continuous basis by the Issuers to the Permanent Dealers. However, each Issuer has reserved the right to sell Notes directly on its own behalf to Dealers that are not Permanent Dealers. The identity of the Dealer(s) in respect of a specific Tranche will be disclosed in the relevant Final Terms. The Notes may be resold at prevailing market prices, or at prices related thereto, at the time of such resale, as determined by the relevant Dealer. The Notes may also be sold by the relevant Issuer through the Dealers, acting as agents of such Issuer. The Amended and Restated Dealer Agreement also provides for Notes to be issued in syndicated Tranches that are jointly and severally underwritten by two or more Dealers.

Casino or Casino Finance, as the case may be, will pay each relevant Dealer a commission as agreed between them in respect of Notes subscribed by it. Casino and Casino Finance have agreed to reimburse the Arranger for the expenses incurred in connection with the Programme and the Dealers for certain of their activities in connection with the Programme.

Casino or Casino Finance, as the case may be, have agreed to indemnify the Dealers against certain liabilities in connection with the offer and sale of the Notes. The Dealers have agreed to indemnify Casino or Casino Finance, as the case may be, against certain liabilities in connection with the offer and sale of the Notes. The Amended and Restated Dealer Agreement entitles the Dealers to terminate any agreement that they make to subscribe Notes in certain circumstances prior to payment for such Notes being made to the relevant Issuer.

In addition, until forty (40) days after the commencement of the offering, an offer or sale of Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an available exemption from registration under the Securities Act.

The Issuers and the Dealers reserve the right to reject any offer to purchase the Notes, in whole or in part, for any reason. - (ii) it has only communicated or caused to be communicated and will only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which section 21 (1) of the FSMA does not apply to the relevant Issuer; and
