**The following terms apply to each tranche of the Notes:**

Special Interest Rate Adjustment Feature	<p>The Interest Rate of the Fixed Rate Notes and the Spread of the Floating Rate Notes will increase (such increase, an “Interest Rate Adjustment”) in the event of a downgrade, expressly as a result, in whole or in part, of a Relevant Transaction (as defined below), to Baa1 or BBB+ or a lower rating (as applicable) in our long-term unsecured senior debt rating as determined by Fitch Ratings, Inc., Moody’s Investors Service, Inc. or Standard &amp; Poor’s Financial Services LLC, a subsidiary of The McGraw-Hill Companies, Inc. (each, a “Rating Agency” and such downgrade, a “Confirmed Rating Change”) at any time during the Interest Rate Adjustment Period (as defined below). The “Interest Rate Adjustment Period”, as referred to herein, shall commence on the date of any public announcement occurring prior to February 18, 2014, by us or the company that is the subject of a Relevant Transaction (as defined below), of any acquisition of the whole or part of any other company or the acquisition of substantially all of the assets of any other company (a “Relevant Transaction”) and ends 30 days after the consummation of such Relevant Transaction.</p> <p>The Interest Rate in respect of the Tranche 1 Notes, Tranche 2 Notes, Tranche 3 Notes and Tranche 4 Notes will be increased by 5 basis points, 10 basis points, 15 basis points and 20 basis points, respectively, in the event of a Confirmed Rating Change. The Spread in respect of the Floating Rate Notes will be increased by 5 basis points in the event of a Confirmed Rating Change.</p> <p>Any Interest Rate Adjustment will take retroactive effect from the first day following the last Interest Payment Date during the semi-annual or quarterly period (as applicable) in which a Confirmed Rating Change occurred.</p>
Business Days	For the Fixed Rate Notes, New York; for the Floating Rate Notes, London and New York.
Ranking	The Notes will rank equally with all present and future unsecured and unsubordinated indebtedness of Vodafone. Because we are a holding company, the Notes will effectively rank junior to any indebtedness or other liabilities of our subsidiaries.
Regular Record Dates for Interest	With respect to each interest payment date, the regular record date for interest on global securities in registered form will be the close of business on the Clearing System Business Day prior to the date for payment, where “Clearing System Business Day” means Monday to Friday, inclusive, except December 25 and January 1. The regular record date for interest on debt securities that are represented by physical certificates will be the date that is 15 calendar days prior to such date, whether or not such date is a business day.
Payment of Additional Amounts	We intend to make all payments on the Notes without deducting United Kingdom (U.K.) withholding taxes. If any deduction is required on payments to non-U.K. investors, we will pay additional amounts on those payments to the extent

described under “Description of Debt Securities We May Offer—Payment of Additional Amounts” in the prospectus.

Optional Tax Redemption

We may redeem the Notes before they mature if we are obligated to pay additional amounts due to changes on or after the date of this final term sheet in U.K. withholding tax requirements, a merger or consolidation with another entity or a sale or lease of substantially all our assets and other limited circumstances described under “Description of Debt Securities We May Offer—Payment of Additional Amounts” in the

prospectus. In that event, we may redeem the Notes in whole but not in part on any interest payment date, at a price equal to 100% of their principal amount plus accrued interest to the date fixed for redemption.

Adjusted Treasury Rate	“Adjusted treasury rate” means, with respect to any redemption date, the rate per year equal to the semi-annual equivalent yield to maturity of the comparable treasury issue, assuming a price for the comparable treasury issue (expressed as a percentage of its principal amount) equal to the comparable treasury price for such redemption date.
Comparable Treasury Issue	“Comparable treasury issue” means the U.S. Treasury security selected by the quotation agent as having a maturity comparable to the remaining term of such notes to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining terms of such notes.
Comparable Treasury Price	“Comparable treasury price” means, with respect to any redemption date, the average of the reference treasury dealer quotations for such redemption date.
Quotation Agent	“Quotation agent” means the reference treasury dealer appointed by the Issuer.
Reference Treasury Dealer	“Reference treasury dealer” means any primary U.S. government securities dealer in New York City selected by the Issuer.
Reference Treasury Dealer Quotations	“Reference treasury dealer quotations” means with respect to each reference treasury dealer and any redemption date, the average, as determined by the trustee, of the bid and asked prices for the comparable treasury issue (expressed as a percentage of its principal amount) quoted in writing to the trustee by such reference treasury dealer at 5:00 p.m. Eastern Standard Time on the third business day preceding such redemption date.
Listing	We will file an application to list the Notes on the New York Stock Exchange. We expect that the Notes will be eligible for trading on the New York Stock Exchange within 30 days after delivery of the Notes.
Use of Proceeds	We intend to use the net proceeds from the sale of the Notes for general corporate purposes.
Risk Factors	You should carefully consider all of the information in this final term sheet, the prospectus supplement and the prospectus, which includes information incorporated by reference. In particular, you should evaluate the specific factors under “Risk Factors” beginning on page 5 of the prospectus and “Principal risk factors and uncertainties” beginning on page 51 of our Annual Report on Form 20-F for the fiscal year ended March

31, 2012 for risks involved with an investment in the Notes.

Trustee, Calculation Agent and  
Principal Paying Agent
