FORWARD-LOOKING STATEMENTS

This Offering Circular contains, or incorporates by reference, certain "forward-looking statements" with respect to certain of the Issuer's plans and its current goals and expectations relating to its future financial condition, performance and results. By their nature, all forward-looking statements involve risk and uncertainty because they relate to future events and circumstances which are beyond the Issuer's control including, among other things, UK domestic and global economic and business conditions, market related risks such as fluctuations in interest rates and exchange rates, the policies and actions of regulatory authorities, the impact of competition, inflation, deflation, the timing, impact and other uncertainties of future acquisitions or combinations within relevant industries, as well as the impact of tax and other legislation and other regulations in the jurisdictions in which the Issuer and its affiliates operate. As a result, the Issuer's actual future financial condition, performance and results may differ materially from the plans, goals and expectations set forth in the Issuer's forward-looking statements.

SUMMARY

The following summary refers to certain provisions of the Terms and Conditions of the DCIs and is qualified by the more detailed information contained elsewhere in this Offering Circular. Defined terms used herein have the meaning given to them in “Terms and Conditions of the Euro DCIs” and “Terms and Conditions of the Sterling DCIs”, as appropriate.

Issuer	Aviva plc.

Ranking and Solvency Condition to Payment	The rights and claims of the DCI Holders will be subordinated to the claims of Senior Creditors, in that payments in respect of the DCIs are conditional upon the Issuer being solvent at the time of payment and in that no payments shall be due except to the extent the Issuer could make such payments and still be solvent immediately thereafter.

Upon any winding-up of the Issuer, the holder of each DCI will, for the purpose of calculating the amounts payable in respect of each DCI, rank:

- (i) *pari passu* with the most senior class or classes of preference shares with non-cumulative dividends in the capital of the Issuer from time to time and which have a preferential right to a return of assets in the winding-up of the Issuer over the shares referred to in (ii) below;
- (ii) senior to the holders of all other classes of issued shares for the time being in the capital of the Issuer other than Priority Preference Shares; and
- (iii) junior to the claims of Senior Creditors of the Issuer and junior to any notional class of preference shares in the capital of the Issuer by reference to which the amount payable in respect of any Upper Tier 2 Securities in a winding-up of the Issuer is determined.

The sole remedy against the Issuer available to the Trustee or any DCI Holder for recovery of amounts owing in respect of any sum due in respect of the Issuer will be the institution of proceedings for the winding-up of the Issuer and/or proving in such winding-up. The DCI Holder's claim in any winding-up of the Issuer shall be for the principal amount of the relevant DCIs together with sums in respect of any accrued but unpaid Coupons and any Deferred Coupons.

Interest Deferral

On any Coupon Payment Date, the Issuer shall have the option to defer Coupon Payments on the DCIs.

Deferred Coupons, if any, shall be satisfied only on the date upon which the DCIs are (i) redeemed (see “– Optional Redemption”, “– Par Tax Event/Other Tax Event” and “– Capital Disqualification Event”, below); (ii) substituted by Substituted Preference Shares (see “– Substitution Event”, below); or (iii) substituted by, or varied so that they become, alternative Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities following a Par Tax Event, Other Tax Event or Capital Disqualification Event (see “– Par Tax Event/Other Tax Event” and “– Capital Disqualification Event”, below). Except as provided in Condition 8(d), Deferred Coupons may only be satisfied by means of the Alternative Coupon Satisfaction Mechanism (see “– Alternative Coupon Satisfaction Mechanism”, below). Except in the limited circumstances provided in Condition 6(e), no interest will accrue on any Deferred Coupons.

Limitation on Dividend and Capital Payments

The Issuer will undertake that, in the event that any Coupon Payment is deferred, it will not:

- (i) declare or pay any distribution or dividend or make any other payment on, and will procure that no

distribution or dividend or other payment is made on, any Junior Share Capital; or

- (ii) redeem, purchase, cancel, reduce or otherwise acquire any Junior Share Capital or any Parity Securities,

in each case unless or until the Coupon Payments due and payable on any subsequent Coupon Payment Date (or, if this provision applies after the First Reset Date, any four (in the case of the Euro DCIs) or two (in the case of the Sterling DCIs) subsequent consecutive Coupon Payment Dates) on all outstanding DCIs have been paid in full (or an amount equal to the same has been duly set aside or provided for in full for the benefit of the DCI Holders and in a manner satisfactory to the Trustee).

Alternative Coupon Satisfaction Mechanism (“ACSM”)

If the Issuer defers a Coupon Payment, it must (except as provided in Condition 8(d)) satisfy its obligation to pay the relevant Deferred Coupon by operation of the ACSM. The Issuer shall issue Ordinary Shares (“Payment Ordinary Shares”) to the Trustee or its agent. Such issue shall satisfy in full the Issuer's obligation to pay the relevant Deferred Coupon. The Trustee or its agent shall procure the sale of such Payment Ordinary Shares and the proceeds thereof (in the case of the Euro DCIs, converted into euros at then prevailing market rates) will provide a cash amount which the Paying Agent, on behalf of the Trustee, will pay in respect of the relevant Deferred Coupon.

The number of Payment Ordinary Shares required to be issued will be such number of Ordinary Shares as, in the determination of the Calculation Agent, have a market value as near as practicable to, but not less than, the relevant Deferred Coupons. The Trustee will use reasonable endeavours to effect the transfer or instruct its agent to effect the transfer of such Payment Ordinary Shares to or to the order of the Calculation Agent and the Calculation Agent will use reasonable endeavours to procure purchasers for such Payment Ordinary Shares. If the proceeds of the sale of the Payment Ordinary Shares (in the case of the Euro DCIs, after conversion into euros as described above) will not in the opinion of the Calculation Agent result in a sum at least equal to the relevant Deferred Coupons being available to make the necessary payment in full, the Issuer, the Trustee and the Calculation Agent will take such steps as are reasonably necessary to ensure, so far as practicable, that through issuing additional Payment Ordinary Shares and following, *mutatis mutandis*, the procedures described above, a sum as near as practicable to, and at least equal to, the relevant Deferred Coupons will be available to make the relevant Deferred Coupon Payment in full on the relevant due date.

In addition, any Accrued Coupon Payment which is to be satisfied on substitution of the DCIs for Substituted Preference Shares in accordance with Condition 7(e)(ii) and/or which accrues pursuant to Condition 6(e) must be

satisfied by operation, *mutatis mutandis*, of the ACSM as described herein.

Market Disruption Event

If, in the opinion of the Issuer, a Market Disruption Event exists on or after the 15th Business Day preceding any date upon which the Issuer is due to satisfy a payment using the ACSM, such payment to DCI Holders may be deferred until the Market Disruption Event no longer exists. Any such deferred payments shall bear interest at the rate applicable to the DCIs if the Market Disruption Event continues for 14 days or more and such interest shall itself be satisfied by operation of the ACSM.

Insufficiency

The Issuer shall not be entitled to exercise its option to redeem, substitute or vary any of the DCIs as described herein unless it has available for, and the Directors have the corresponding authority to, issue a sufficient number of Ordinary Shares to be able to satisfy its obligation to pay the relevant Deferred Coupon and any other ACSM Payment by operation of the ACSM. In connection therewith, the Issuer will undertake to use all reasonable endeavours to obtain and maintain all corporate authorisations required for the issue and allotment of such number of Ordinary Shares as it reasonably considers would be required to be issued in order to enable the Issuer to make a payment satisfying the aggregate amount of Deferred Coupon Payments (if any) and, prior to the First Reset Date, the aggregate of Coupon Payments due on the next Coupon Payment Date and, after the First Reset Date, on the next four (in the case of the Euro DCIs) or two (in the case of the Sterling DCIs) Coupon Payments.

Suspension

If, following any take-over offer or any reorganisation, restructuring or scheme of arrangement, the company which, immediately prior to such event was the Ultimate Owner of the Aviva group of companies, ceases to be the Ultimate Owner, then, unless a Permitted Restructuring Arrangement shall be put in place, such amendments to the documentation relating to the DCIs as determined by an independent investment bank (selected by the Issuer and approved by the Trustee) to be appropriate in order to (a) preserve substantially the economic effect, for the DCI Holders, of a holding of the DCIs prior to the Suspension and (b) replicate the ACSM in the context of the capital structure of the new Ultimate Owner, will be made by the Issuer and the Trustee, and pending such amendments, the Issuer will be unable to satisfy payments using the ACSM. If the investment bank is unable to determine appropriate amendments, as notified to the Issuer and the Trustee, then the DCIs shall either (in each case subject to the Issuer receiving no objection from the FSA):

- (i) be substituted for, or varied so that they become, Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities; or

- (ii) be redeemed at their Make Whole Redemption Price if the redemption occurs prior to 28 November 2014, in the case of the Euro DCIs, and 27 July 2020, in the case of the Sterling DCIs, and at their principal amount if the redemption occurs on or after such dates, in each case together with all Outstanding Payments.

In connection with (i) above, the Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities will preserve the rights to all accrued but unpaid Coupons on the DCIs and all Deferred Coupon Payments (if any) on the DCIs will be satisfied in the manner described in Condition 8(d). In connection with (ii) above, such redemption will, unless otherwise agreed by the Issuer and the Trustee, be effected by the issue of Ordinary Shares to the new Ultimate Owner in consideration for which the new Ultimate Owner shall issue its ordinary shares (or capital of an equivalent class) so as to enable it to pay such redemption amount in accordance, *mutatis mutandis*, with the ACSM.

Optional Redemption

Subject to giving prior written notice to, and receiving no objection from, the FSA, the DCIs will be redeemable on 28 November 2014, in the case of the Euro DCIs, or 27 July 2020, in the case of the Sterling DCIs or on any Coupon Payment Date thereafter in whole, but not in part, at the option of the Issuer at a price equal to their principal amount together with (i) all accrued but unpaid interest and (ii) (by operation of the ACSM) all Deferred Coupons (if any).

Par Tax Event/Other Tax Event

Upon the occurrence of a Par Tax Event or Other Tax Event, the Issuer may subject to giving prior written notice to, and receiving no objection from, the FSA:

- (1) redeem at any time on or prior to the First Reset Date and thereafter only on a Coupon Payment Date, all, but not some only, of the DCIs (I) (in the case of a Par Tax Event) at their principal amount, (II) (in the case of an Other Tax Event occurring prior to the First Reset Date) at their Make Whole Redemption Price and (III) (in the case of an Other Tax Event occurring on or after the First Reset Date) at their principal amount, together, in each case, with any Outstanding Payments (all such amounts so payable being payable in cash, save for any Deferred Coupon Payments which will be satisfied by operation of the ACSM); or
- (2) substitute at any time all (and not some only) of the DCIs for, or vary the terms of the DCIs so that they become, Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities. In connection therewith, the new Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities will preserve the rights to all accrued but unpaid Coupons on the DCIs and all Deferred Coupon Payments (if any) on the DCIs will be satisfied by the operation of the ACSM.

“Par Tax Event” means:

- (i) if, as a result of a Tax Law Change, in making any payments on the DCIs, the Issuer has paid or will or would on the next payment date be required to pay Additional Amounts on the DCIs and the Issuer cannot avoid the foregoing in connection with the DCIs by taking measures reasonably available to it; or
- (ii) if, as a result of a Tax Law Change in respect of the Issuer's obligation to make any Coupon Payment on the next following Coupon Payment Date, (a) the Issuer would not be entitled to claim a deduction in respect of computing its taxation liabilities in the United Kingdom, or such entitlement is materially reduced; (b) the Issuer would not to any material extent be entitled to have such deduction set against the profits of companies with which it is grouped for applicable United Kingdom tax purposes (whether under the group relief system current as at 23 November 2004 or any similar system or systems having like effect as may from time to time exist); or (c) the Issuer would otherwise suffer adverse tax consequences, and in each such case the Issuer cannot avoid the foregoing in connection with the DCIs by taking measures reasonably available to it.

“Other Tax Event” means if, other than as a result of a Tax Law Change, in respect of the Issuer's obligation to make any Coupon Payment on the next following Coupon Payment Date, (w) the Issuer would not be entitled to claim a deduction in respect of computing its taxation liabilities in the United Kingdom or such entitlement is materially reduced; (x) the Issuer would not to any material extent be entitled to have such deduction set against the profits of companies with which it is grouped for applicable United Kingdom tax purposes (whether under the group relief system current as at 23 November 2004 or any similar system or systems having like effect as may from time to time exist); (y) the Issuer would otherwise suffer adverse tax consequences; or (z) the Issuer has paid, or would on the next date on which it is due to make a payment under those Conditions be required to pay, Additional Amounts on the DCI, and in each such case the Issuer cannot avoid the foregoing in connection with the DCIs by taking measures reasonably available to it.

Withholding Tax and Additional Amounts

The Issuer will pay such Additional Amounts as may be necessary in order that the net payment received by each DCI Holder in respect of the DCIs, after withholding for any taxes imposed by tax authorities in the United Kingdom upon payments made by or on behalf of the Issuer in respect of the DCIs, will equal the amount which would have been received in the absence of any such withholding taxes, subject to customary exceptions (see also “– Par Tax Event/Other Tax Event”, above).

Capital Disqualification Event

If at any time a Capital Disqualification Event occurs and is continuing, the Issuer may, subject to giving prior written notice to, and receiving no objection from, the FSA:

- (1) redeem all, but not some only, of the DCIs at any time on or prior to the First Reset Date and thereafter only on a Coupon Payment Date. The DCIs will be redeemed at their Make Whole Redemption Price (in the case of any redemption prior to the First Reset Date) or on or after the First Reset Date at their principal amount, in each case together with any Outstanding Payments (all such amounts so payable being payable in cash, save for any Deferred Coupon Payments which will be satisfied by operation of the ASCM); or
- (2) substitute at any time all (and not some only) of the DCIs for, or vary the terms of the DCIs so that they become, Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities. In connection therewith, the new Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities will preserve the rights to all accrued but unpaid Coupons on the DCIs and all Deferred Coupon Payments (if any) on the DCIs will be satisfied by the operation of the ASCM.

A “Capital Disqualification Event” is deemed to have occurred (1) if under the Directive or the Relevant Rules, or as a result of any change thereto, the DCI would not be capable of counting (save where such non-qualification is only as a result of any applicable limitation on the amount of such capital) as cover for the minimum capital resources requirement applicable to the Issuer under the Directive or the Relevant Rules; or (2) if, at any time the Issuer or the Group is required under the Directive or the Relevant Rules to have Tier 1 Capital, the DCIs would no longer be eligible to qualify (save as aforesaid) for inclusion in the Tier 1 Capital of the Issuer on a solo and/or consolidated basis; or (3) if at any time the Issuer or the Group is required under the Directive and the Relevant Rules to have Tier 1 Capital and the Issuer would be entitled pursuant to Condition 7(e) to substitute the DCIs by Substituted Preference Shares, such Substituted Preference Shares would no longer be eligible to qualify (save as aforesaid) for inclusion in the Tier 1 Capital of the Issuer on a solo and/or consolidated basis.

Substitution Event

At any time a Substitution Event has occurred and is continuing, the Issuer may cause the substitution of all (but not some only) of the DCIs for fully paid non-cumulative preference shares issued directly by the Issuer (the “Substituted Preference Shares”) (such substitution being referred to herein as a “Preference Share Substitution”). The terms of the Substituted Preference Shares shall provide that (a) the Substituted Preference Shares may only be redeemed on 28 November 2014, in the case of the Euro DCIs (being the same date as the First Reset Date of the Euro DCIs), and 27 July 2020, in the case of the Sterling DCIs (being the same date as the First Reset Date of the Sterling DCIs), or in

each case on any dividend payment date thereafter (save as set out in Condition 7(e)); (b) that the Issuer has the right to choose whether or not to pay any dividend; and (c) that any dividend payable shall be non-cumulative (and accordingly there shall be no provision analogous to the ACSM incorporated in the terms of the Substituted Preference Shares), and otherwise shall in all material commercial respects provide the holders thereof with at least the same economic rights and benefits (including those relating to non-cumulative (except as aforesaid) distributions and ranking) as are attached to the DCIs and the Coupons taken together. At the time of such substitution, Deferred Coupons will be settled by operation of the ACSM. Accrued interest will also be settled by operation *mutatis mutandis* of the ACSM.

“Substitution Event” means the occurrence of a breach by the Issuer or the Group or any member of the Group of the United Kingdom capital adequacy requirements, guidelines or measures or any other regulatory capital requirements, guidelines or measures applicable to the Issuer or the Group or any member of the Group, as the case may be (whether or not such requirements, guidelines or measures have the force of law and whether they are applied generally or specifically to the Issuer or the Group or any member of the Group, as the case may be).

The Issuer will undertake to propose resolutions at its next Annual General Meeting to obtain the authority to increase its authorised share capital to a level sufficient to issue the Substituted Preference Shares and the authority for the Directors to allot and issue sufficient Substituted Preference Shares.

Form

Bearer. Each Tranche of the DCIs will be represented initially by a Temporary Global DCI which will be deposited with a common depository for Clearstream, Luxembourg and Euroclear on or about 25 November 2004. The Temporary Global DCIs will each be exchangeable for interests in a Permanent Global DCI without interest coupons or talons on or after a date which is expected to be 10 January 2005 upon certification as to non-U.S. beneficial ownership as required by U.S. Treasury regulations and as described in the Temporary Global DCIs. Save in limited circumstances, DCIs in definitive bearer form with coupons and a talon attached on issue will not be issued in exchange for interests in the Permanent Global DCIs.

Investment Considerations

Prospective investors should carefully consider the information under “Investment Considerations” in conjunction with the other information contained or incorporated by reference in this document.

INVESTMENT CONSIDERATIONS

Prospective investors should carefully consider the following information in conjunction with the other information contained in this document. Capitalised terms used but not defined below shall bear the respective meanings ascribed thereto under “Terms and Conditions of the Euro DCIs” and “Terms and Conditions of the Sterling DCIs”, as appropriate.

Deferral of Coupon Payments

The Issuer may elect to defer any Coupon Payment on the DCIs. If the Issuer does defer a Coupon Payment (whether pursuant to the general right to defer a Coupon Payment under Condition 4 or by virtue of failing to satisfy the condition to payment set out in Condition 2(b)(i)), such Deferred Coupon Payment will be satisfied only on (i) the date on which the DCIs are redeemed; (ii) the date on which the DCIs are substituted by Substituted Preference Shares, as more particularly described in “Terms and Conditions of the Euro DCIs — 7. Redemption, Substitution, Variation or Purchase” and “Terms and Conditions of the Sterling DCIs — 7. Redemption, Substitution, Variation or Purchase”, respectively; or (iii) the date on which the DCIs are substituted by alternative Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities following a Par Tax Event, Other Tax Event, Capital Disqualification Event or (in the circumstances provided in Condition 8(d)) Suspension. Deferred Coupons may only (except following a Suspension and in the circumstances otherwise provided in Condition 8(d)) be satisfied by means of the Alternative Coupon Satisfaction Mechanism and the operation of such mechanism is subject to certain conditions (more particularly described in the Terms and Conditions of the Euro DCIs and the Terms and Conditions of the Sterling DCIs, respectively).

Except in the limited circumstances provided in Condition 6(e), no Deferred Coupon Payment will bear interest.

Perpetual securities

The Issuer is under no obligation to redeem the DCIs at any time and the DCI Holders have no right to call for their redemption.

Redemption and Exchange risk

The DCIs may, subject as provided in Condition 7, be redeemed at their principal amount together with any Outstanding Payments at the option of the Issuer on 28 November 2014, in the case of the Euro DCIs, and 27 July 2020, in the case of the Sterling DCIs, or (in each case) on any Coupon Payment Date thereafter. In addition, upon the occurrence of a Par Tax Event, Other Tax Event or a Capital Disqualification Event the relevant DCIs may be (i) substituted for, or their terms varied so that they become, Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities; or (ii) redeemed at their outstanding principal amount or, in the case of a Capital Disqualification Event or an Other Tax Event in each case in respect of which the relevant redemption occurs prior to 28 November 2014, in the case of the Euro DCIs, and 27 July 2020, in the case of the Sterling DCIs, the Make Whole Redemption Price, together in each case with any Outstanding Payments, all as more particularly described in “Terms and Conditions of the Euro DCIs — 7. Redemption, Substitution, Variation or Purchase” and “Terms and Conditions of the Sterling DCIs — 7. Redemption, Substitution, Variation or Purchase”, respectively.

Furthermore, upon the occurrence and continuation of a Substitution Event, the Issuer may, subject as provided in Condition 7, substitute the relevant DCIs by Substituted Preference Shares, all as more particularly described in “Terms and Conditions of the Euro DCIs — 7. Redemption, Substitution, Variation or Purchase – (e) Substitution for Substituted Preference Shares” and “Terms and Conditions of the Sterling DCIs — 7. Redemption, Substitution, Variation or Purchase – (e) Substitution for Substituted Preference Shares”, respectively; in connection with such Preference Share Substitution, DCI Holders will be required to complete a Substitution Confirmation prior to being able to receive Substituted Preference Shares.

No limitation on issuing senior or *pari passu* securities; subordination

There is no restriction on the amount of securities which the Issuer may issue and which rank senior to, or *pari passu* with, the DCIs. The issue of any such securities may reduce the amount recoverable by DCI Holders on a winding-up of the Issuer and/or may increase the likelihood of a deferral of Payments under the DCIs. In particular, the DCIs shall rank junior to the claims of Senior Creditors (including those of holders of the Priority Preference Shares) of the Issuer and junior to any notional class of preference shares in the capital of the Issuer by reference to which the amount payable in respect of any Upper Tier 2 Securities in a winding-up of the Issuer is determined. **Accordingly, in the winding-up of the Issuer and after payment of the Senior Creditors, there may not be a sufficient amount to satisfy the amounts owing to the DCI Holders.**

Availability of shares

If the Issuer does not have available a sufficient number of Ordinary Shares which may be allotted free from pre-emption rights, then the Issuer will not be able to operate the ACSM and therefore will not be able to redeem, substitute or vary the DCIs, all as more particularly described in “Terms and Conditions of the Euro DCIs — 6. Alternative Coupon Satisfaction Mechanism — (d) Insufficiency” and “Terms and Conditions of the Sterling DCIs — 6. Alternative Coupon Satisfaction Mechanism — (d) Insufficiency”, respectively.

No DCIs may be redeemed unless all Outstanding Payments are satisfied at the same time. Accordingly, if the Issuer does not have a sufficient number of Ordinary Shares available in connection with the satisfaction of all ACSM Payments on redemption, the Issuer may not redeem any DCIs until such time as all ACSM Payments are satisfied at the same time.

Restricted remedy for non-payment

In accordance with FSA requirements for subordinated capital, the sole remedy against the Issuer available to the Trustee or (where the Trustee has failed to proceed against the Issuer as provided in the Terms and Conditions of the Euro DCIs and the Terms and Conditions of the Sterling DCIs, respectively) any DCI Holder for recovery of amounts owing in respect of the DCIs and Coupons will be the institution of proceedings for the winding-up of the Issuer and/or proving in such winding-up.

Absence of prior public markets

Each Tranche of DCIs constitutes a new issue of securities by the Issuer. Prior to each such issue, there will have been no public market for each Tranche of DCIs. Although applications have been made for each Tranche of the DCIs to be listed on the Luxembourg Stock Exchange, there can be no assurance that an active public market for the DCIs will develop and, if such a market were to develop, none of the Managers nor any other person is under any obligation to maintain such a market. The liquidity and the market prices for the DCIs can be expected to vary with changes in market and economic conditions, the financial condition and prospects of the Issuer and the Group and other factors that generally influence the market prices of securities.

TERMS AND CONDITIONS OF THE EURO DCIs

The following, subject to alteration and except for paragraphs in italics, are the terms and conditions of the DCIs which will be endorsed on each DCI in definitive form (if issued).

The €700,000,000 4.7291 per cent. Fixed/Floating Rate Direct Capital Instruments (the “DCIs”, which expression shall in these Conditions, unless the context otherwise requires, include any further instruments issued pursuant to Condition 16 and forming a single series with the DCIs) of Aviva plc (the “Issuer”) are constituted by a trust deed (the “Trust Deed”) dated 25 November 2004 between the Issuer and The Law Debenture Trust Corporation p.l.c. (the “Trustee”, which expression shall include all persons for the time being the trustee or trustees under the Trust Deed) as trustee for the holders of the DCIs (the “DCI Holders”). The issue of the DCIs was authorised pursuant to resolutions of the Board of Directors of the Issuer passed on 27 October 2004 and resolutions of a duly authorised committee of the Board of Directors passed on 18 November 2004. The statements in these terms and conditions (the “Conditions”) include summaries of, and are subject to, the detailed provisions of the Trust Deed. Copies of (i) the Trust Deed; (ii) the paying agency agreement (the “Paying Agency Agreement”) dated 25 November 2004 made between the Issuer, HSBC Bank plc as principal paying agent (the “Principal Paying Agent”, which expression shall include any successor thereto) and the other paying agents named therein and any successors thereto (together with the Principal Paying Agent, the “Paying Agents”), HSBC Bank plc as agent bank (the “Agent Bank”, which expression shall include any successor thereto) and the Trustee; and (iii) the calculation agency agreement (the “Calculation Agency Agreement”) dated 25 November 2004 made between the Issuer, the Trustee and Lehman Brothers International (Europe) as calculation agent (the “Calculation Agent”, which expression shall include any successor thereto) are available for inspection during normal business hours by the DCI Holders and the holders of the interest coupons (the “Coupons”, which expression includes, where the context so permits, Talons, as defined below) and talons for further Coupons (the “Talons”) appertaining to DCIs in definitive form (the “Couponholders”) at the registered office of the Trustee, being at the date hereof at Fifth Floor, 100 Wood Street, London EC2V 7EX and at the specified office of each of the Paying Agents. The DCI Holders and the Couponholders are entitled to the benefit of, and are bound by, all the provisions of the Trust Deed, and are deemed to have notice of all the provisions of the Paying Agency Agreement and the Calculation Agency Agreement applicable to them.

1. Form, Denomination and Title

(a) Form and Denomination

The DCIs are serially numbered and in bearer form in the denominations of €1,000, €10,000 and €100,000 (each an “Authorised Denomination”) each with Coupons and one Talon attached on issue. DCIs of one Authorised Denomination may not be exchanged for DCIs of another Authorised Denomination.

(b) Title

Title to the DCIs, Coupons and Talons will pass by delivery. The bearer of any DCIs will (except as otherwise required by law or as ordered by a court of competent jurisdiction) be treated as their absolute owner for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any interest in it or its theft or loss or anything written on it) and no person will be liable for so treating the DCI Holders.

2. Status and Subordination

(a) Status

The DCIs constitute direct, unsecured and subordinated securities of the Issuer and rank, and will rank, *pari passu* without any preference among themselves.

(b) Subordination

(i) Condition to Payment

The rights and claims of the DCI Holders and the Couponholders are subordinated to the claims of all Senior Creditors, in that payments in respect of the DCIs (including Coupons payable in cash or by way of the issue of Ordinary Shares in accordance with Condition 6) are conditional upon the Issuer being solvent at the time of payment by the Issuer (or at the time of issue of such Ordinary Shares) and in that no principal, premium or interest shall be due and payable in respect of the DCIs (including Coupons payable in cash or by way of the issue of Ordinary Shares in accordance with Condition 6) except to the extent that the Issuer could make such payment and still be solvent immediately thereafter, in each case except in the winding-up of the Issuer.

In these Conditions, the Issuer shall be considered to be solvent if (x) it is able to pay its debts owed to its Senior Creditors as they fall due and (y) its Assets exceed its Liabilities (other than its Liabilities to persons who are not Senior Creditors). A certificate as to the solvency of the Issuer by two Directors shall, in the absence of manifest error, be treated and accepted by the Issuer, the Trustee, the DCI Holders, the Couponholders and all other interested parties as correct and sufficient evidence thereof.

(ii) Solvency Claims

Without prejudice to the rest of these Conditions, amounts representing any payments of principal, premium or interest in respect of which the conditions referred to in Condition 2(b)(i) are not satisfied on the date upon which the same would otherwise be due and payable (“Solvency Claims”) will be payable by the Issuer in a winding-up of the Issuer as provided in Condition 3. A Solvency Claim shall not bear interest.

(iii) Set-off

Subject to applicable law, no DCI Holder or Couponholder may exercise, claim or plead any right of set-off, compensation or retention in respect of any amount owed to it by the Issuer arising under or in connection with the DCIs or the Coupons and each DCI Holder and Couponholder shall, by virtue of his holding of any DCI or Coupon, be deemed to have waived all such rights of set-off, compensation or retention. Notwithstanding the preceding sentence, if any of the amounts owing to any DCI Holder by the Issuer under or in connection with the DCIs is discharged by set-off, such DCI Holder shall, subject to applicable law, immediately pay an amount equal to the amount of such discharge to the Issuer or, in the event of its winding-up, the liquidator of the Issuer for payment to the Senior Creditors in respect of amounts owing to them by the Issuer, and, until such time as payment is made, shall hold an amount equal to such amount in trust for the Issuer, or the liquidator of the Issuer (as the case may be), for payment to the Senior Creditors in respect of amounts owing to them by the Issuer, and accordingly any such discharge shall be deemed not to have taken place.

For the avoidance of doubt, if the Issuer would otherwise not be solvent for the purposes of the above Condition 2(b), any sums which would otherwise be payable in respect of the DCIs will be available to meet the losses of the Issuer.

3. Winding-up

If at any time an order is made, or an effective resolution is passed, for the winding-up of the Issuer (except in any such case, a solvent winding-up solely for the purposes of a reconstruction or amalgamation or the substitution in place of the Issuer of a successor in business of the Issuer, the terms of which reconstruction, amalgamation or substitution (a) have previously been approved in writing by the Trustee or by an Extraordinary Resolution (as defined in the Trust Deed) and (b) do not provide that the DCIs shall thereby become payable), there shall be payable by the Issuer in respect of each DCI (in lieu of any other payment

by the Issuer), such amount, if any, as would have been payable to the holder of such DCI if, on the day prior to the commencement of the winding-up and thereafter, such DCI Holder were the holder of one of a class of preference shares in the capital of the Issuer (“Notional Preference Shares”) having an equal right to a return of assets in the winding-up to, and so ranking *pari passu* with, the holders of the most senior class or classes of preference shares with non-cumulative dividends in the capital of the Issuer from time to time and which have a preferential right to a return of assets in the winding-up over, and so rank ahead of, the holders of all other classes of issued shares for the time being in the capital of the Issuer other than the Priority Preference Shares, but ranking junior to the claims of Senior Creditors and junior to any notional class of preference shares in the capital of the Issuer by reference to which the amount payable in respect of any Upper Tier 2 Securities in a winding-up of the Issuer is determined on the assumption that the amount that such DCI Holder was entitled to receive in respect of each Notional Preference Share on a return of assets in such winding-up, were an amount equal to the principal amount of the relevant DCI and any other Payments which are Outstanding thereon together with, to the extent not otherwise included within the foregoing, its *pro rata* share of any Solvency Claims attributable to the DCI.

On a winding-up of the Issuer, there may be no surplus assets available to meet the claims of the DCI Holders after the claims of the parties ranking senior to the DCI Holders (as provided in Condition 3) have been satisfied.

4. Coupon Deferral

The Issuer may elect to defer any Coupon Payment otherwise scheduled to be paid on a Coupon Payment Date by giving notice of such election to the DCI Holders in accordance with Condition 15, the Trustee, the Principal Paying Agent and the Calculation Agent not less than 20 Business Days prior to the relevant Coupon Payment Date. The Issuer shall (except where Condition 3 applies) satisfy any such Deferred Coupon Payment or any Deferred Coupon Payment which arises as a result of the failure to satisfy the condition to payment set out in Condition 2(b)(i) only by operation of the procedures set out in Condition 6 and, subject to Condition 8(d), only upon the occurrence of the first of the following to occur: (i) redemption of the DCIs in accordance with Condition 7(b); (ii) redemption, substitution or variation of the DCIs in accordance with Condition 7(c); (iii) redemption, substitution or variation of the DCIs in accordance with Condition 7(d); or (iv) substitution of the DCIs by Substituted Preference Shares pursuant to Condition 7(e).

If, on any Coupon Payment Date, payment of all Coupon Payments scheduled to be paid on such date is not made in full, the Issuer shall not, (a) declare or pay any distribution or dividend or make any other payment on, and will procure that no distribution or dividend or other payment is made on, any Junior Share Capital, or (b) redeem, purchase, cancel, reduce or otherwise acquire any Junior Share Capital or any Parity Securities, in each case unless or until the Coupon Payments due and payable on any subsequent Coupon Payment Date (or, if this provision applies after the First Reset Date, any four subsequent consecutive Coupon Payment Dates) on all outstanding DCIs have been paid in full (or an amount equal to the same has been duly set aside or provided for in full for the benefit of the DCI Holders and in a manner satisfactory to the Trustee).

Notwithstanding any other provision in these Conditions or the Trust Deed, the deferral of any Coupon Payment by virtue of this Condition 4 or Condition 2(b)(i) shall not constitute a default for any purpose (including, without limitation, Condition 9(a)) on the part of the Issuer. Any Coupon Payment so deferred shall not, except in the circumstances provided in Condition 6(e), bear interest.

5. Coupon Payments

(a) Coupon Rate

The DCIs bear interest at the applicable Coupon Rate from the Issue Date in accordance with the provisions of this Condition 5.

Subject to Conditions 2(b)(i), 2(b)(ii), 4, 6(a), 6(d), 6(e) and 8(d), during the Fixed Rate Coupon Period interest shall be payable on the DCIs in arrear on the first Coupon Payment Date and thereafter annually in arrear on each subsequent Coupon Payment Date in the Fixed Rate Coupon Period, and

thereafter interest shall be payable on the DCIs quarterly in arrear on each Coupon Payment Date, in each case as provided in this Condition 5.

Where it is necessary to compute an amount of interest in respect of any DCI during the Fixed Rate Coupon Period for a period which is less than a complete year, such interest shall be calculated on the basis of the actual number of days in the period from (and including) the most recent Coupon Payment Date (or, if none, the Issue Date) to (but excluding) the relevant payment date divided by the actual number of days in the period from (and including) the most recent Coupon Payment Date (or, if none, the Issue Date) to (but excluding) the next (or first) scheduled Coupon Payment Date. Where it is necessary to compute an amount of interest in respect of any DCI for a period of more than one year, such interest shall be the aggregate of the interest payable in respect of a full year plus the interest payable in respect of the remaining period calculated in the manner as aforesaid.

Interest shall accrue on the DCIs in respect of all Coupon Periods (and any other period in respect of which interest may fall to be calculated) commencing on or after the First Reset Date on the basis of the actual number of days elapsed in the relevant period divided by 360.

(b) Interest Accrual

The DCIs will cease to bear interest from (and including) the date of redemption thereof pursuant to Condition 7(b), the date of redemption, substitution or variation thereof pursuant to Condition 7(c) or 7(d) or the date of substitution thereof pursuant to Condition 7(e), as the case may be, unless, upon due presentation, payment and performance of all amounts and obligations due in respect of the DCIs is not properly and duly made, in which event interest shall continue to accrue, and shall be payable, as provided in these Conditions up to (but excluding) the Relevant Date.

(c) Fixed Coupon Rate

For the Fixed Rate Coupon Period, the DCIs bear interest at the rate of 4.7291 per cent. per annum (the "Fixed Coupon Rate").

(d) Floating Coupon Rate

From (and including) the First Reset Date, the DCIs will bear interest at a floating rate of interest (the "Floating Coupon Rate"). The Floating Coupon Rate in respect of each Coupon Period commencing on or after the First Reset Date will be determined by the Agent Bank on the basis of the following provisions:

- (i) On each Coupon Determination Date the Agent Bank will determine the offered rate (expressed as a rate per annum) for three-month euro deposits as at 11.00 a.m. (Central European time) on such Coupon Determination Date, as displayed on the display designated as page "248" on the Moneyline Telerate Monitor (or such other page or pages as may replace it for the purpose of displaying such information). The Floating Coupon Rate for the Coupon Period immediately succeeding the Coupon Determination Date shall be such offered rate as determined by the Agent Bank plus the Margin.
- (ii) If such offered rate does not so appear, or if the relevant page is unavailable, the Agent Bank will, on such date, request the principal Euro-zone office of the Reference Banks to provide the Agent Bank with its offered quotation to leading banks in the Euro-zone inter bank market for three-month euro deposits as at 11.00 a.m. (Central European time) on the Coupon Determination Date in question. If at least two of the Reference Banks provide the Agent Bank with such offered quotations, the Floating Coupon Rate for the Coupon Period immediately succeeding the relevant Coupon Determination Date shall be the rate determined by the Agent Bank to be the arithmetic mean (rounded upwards if necessary to the nearest one hundred thousandth of a percentage point (0.000005 per cent. being rounded upwards)) of such offered quotations plus the Margin.

(iii) If on any Coupon Determination Date to which the provisions of sub-paragraph (ii) above apply, one only or none of the Reference Banks provides the Agent Bank with such a quotation, the Floating Coupon Rate for the Coupon Period immediately succeeding such Coupon Determination Date shall be the rate which the Agent Bank determines to be the aggregate of the Margin and the arithmetic mean (rounded upwards, if necessary, to the nearest one hundred thousandth of a percentage point (0.000005 per cent. being rounded upwards)) of the euro lending rates which leading banks in the Euro-zone selected by the Agent Bank are quoting, on the relevant Coupon Determination Date, to leading European banks for a period of three months, except that, if the banks so selected by the Agent Bank are not quoting as mentioned above, the Floating Coupon Rate for such Coupon Period shall be either (1) the Floating Coupon Rate in effect for the last preceding Coupon Period to which one of the preceding sub-paragraphs of this Condition 5(d) shall have applied or (2) if none, 5.7291 per cent. per annum.

(e) *Determination of Floating Coupon Rate and Calculation of Floating Coupon Amounts*

The Agent Bank will, as soon as practicable after 11.00 a.m. (Central European time) on each Coupon Determination Date, determine the Floating Coupon Rate in respect of the relevant Coupon Period and calculate the amount of interest payable in respect of a DCI of each Authorised Denomination on the Coupon Payment Date for the relevant Coupon Period (the “Floating Coupon Amounts”) by applying the Floating Coupon Rate for such Coupon Period to the principal amount of a DCI of each Authorised Denomination, multiplying such sum by the actual number of days in the Coupon Period concerned divided by 360 and, if necessary, rounding the resultant figure to the nearest €0.01 (€0.005 being rounded upwards).

(f) *Publication of Floating Coupon Rate and Floating Coupon Amounts*

The Issuer shall cause notice of the Floating Coupon Rate determined in accordance with this Condition 5 in respect of each relevant Coupon Period and of the Floating Coupon Amounts and the relevant Coupon Payment Date to be given to the Trustee, the Paying Agents and, in accordance with Condition 15, the DCI Holders, in each case as soon as practicable after its determination but in any event not later than the fourth business day thereafter. The Issuer shall cause notice of the same to be given to any stock exchange or other relevant authority on which the DCIs are for the time being listed or admitted to trading as soon as practicable after its determination but in any event not later than the first day of the relevant Coupon Period. As used in this Condition 5(f), “business day” means a day (not being a Saturday, Sunday or public holiday) on which banks are open for business in London.

The Floating Coupon Amounts, the Floating Coupon Rate and the Coupon Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of any extension or shortening of the relevant Coupon Period or in the event of proven or manifest error.

(g) *Determination or Calculation by Trustee*

The Trustee (or an agent appointed by it) shall, if the Agent Bank does not at any relevant time for any reason determine the Floating Coupon Rate on the DCIs in accordance with this Condition 5, determine the Floating Coupon Rate in respect of the relevant Coupon Period at such rate as, in its absolute discretion (having such regard as it shall think fit to the procedures described in this Condition 5), it shall deem fair and reasonable in all the circumstances and such determination shall be deemed to be a determination thereof by the Agent Bank.

(h) *Agent Bank*

So long as any DCIs remain outstanding the Issuer will maintain an Agent Bank. The name of the initial Agent Bank and its initial specified office is set out at the end of these Conditions.

The Issuer may, with the prior written approval of the Trustee, from time to time replace the Agent Bank with another leading investment, merchant or commercial bank in London. If the Agent Bank is unable or unwilling to continue to act as the Agent Bank or (without prejudice to Condition 5(g) above) fails duly to determine the Floating Coupon Rate in respect of any Coupon Period as provided in Condition 5(d), the Issuer shall forthwith appoint another leading investment, merchant or commercial bank in London approved in writing by the Trustee to act as such in its place. The Agent Bank may not resign its duties or be removed without a successor having been appointed as aforesaid.

(i) *Determinations of Agent Bank or Trustee Binding*

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition 5 whether by the Agent Bank or the Trustee (or its agent), shall (in the absence of wilful default, bad faith or manifest or proven error) be binding on the Issuer, the Agent Bank, the Trustee, the Paying Agents and all DCI Holders and Couponholders and (in the absence as aforesaid) no liability to the DCI Holders, the Couponholders or the Issuer shall attach to the Agent Bank or the Trustee in connection with the exercise or non-exercise by them of any of their powers, duties and discretions.

6. *Alternative Coupon Satisfaction Mechanism*

(a) *Alternative Coupon Satisfaction Mechanism*

Each ACSM Payment, when due to be satisfied in accordance with these Conditions, will (except as provided in Condition 8(d)) be satisfied by the Issuer in full only through the issue of Ordinary Shares to the Trustee or its agent in accordance with this Condition 6. The Issuer shall notify the Trustee, the Principal Paying Agent and the Calculation Agent not less than 16 Business Days prior to the relevant ACSM Payment Date that an ACSM Payment is to be satisfied on such ACSM Payment Date. All other Payments due must, subject to Conditions 2 and 4, be satisfied in accordance with Condition 8(a).

(b) *Issue of Shares*

If any ACSM Payment is to be satisfied through the issue of Ordinary Shares to the Trustee as required by the provisions of this Condition 6 then, subject to Conditions 6(d) and 6(e):

- (i) by close of business on or before the seventh Business Day prior to the relevant ACSM Payment Date, the Issuer will issue to the Trustee (or, if so agreed between the Issuer and the Trustee, to an agent of the Trustee) such number of Ordinary Shares (the "Payment Ordinary Shares") as, in the determination of the Calculation Agent, will have a market value as near as practicable to, but not less than, the relevant ACSM Payment to be satisfied in accordance with this Condition 6; and
- (ii) the Trustee has agreed to use reasonable endeavours to effect the transfer or instruct its agent to effect the transfer of such Payment Ordinary Shares to or to the order of the Calculation Agent (subject to any necessary consents being obtained) as soon as practicable and in any case not later than by close of business on the sixth Business Day prior to the relevant ACSM Payment Date and the Calculation Agent has agreed in the Calculation Agency Agreement to use reasonable endeavours to procure purchasers for such Payment Ordinary Shares. The Calculation Agent has further agreed in the Calculation Agency Agreement to exchange, as agent of the Trustee, the proceeds of such sale into euro at prevailing market exchange rates and deliver such exchanged proceeds of such sale to, or hold such exchanged proceeds of such sale to the order of, the Trustee, who shall pay or procure that its agent pays such proceeds as it holds in respect of the relevant ACSM Payment on its due date to the Principal Paying Agent for application in accordance with Condition 6(c).

The Trustee shall not be liable to anyone for any loss occasioned by the transfer or sale of the Payment Ordinary Shares or the exchange of the proceeds of such sale as aforesaid, in each case by or on behalf of the Trustee, or any delay or failure in effecting such transfer or sale or exchange (as the case may be) under these Conditions.

If the proceeds (after exchange into euro as described above) of the sale of the Payment Ordinary Shares will not, in the opinion of the Calculation Agent, subject to Condition 6(d) and 6(e) but despite the arrangements contained in (ii) above, result in a sum at least equal to the relevant ACSM Payment being available to make the necessary ACSM Payment in full on its due date, the Issuer, the Trustee and the Calculation Agent have agreed to take such steps as are reasonably necessary to ensure, so far as practicable, that through issuing additional Ordinary Shares (also "Payment Ordinary Shares") and following, *mutatis mutandis*, the procedures contained in (i) and (ii) above, a sum as near as practicable to, and at least equal to, the relevant ACSM Payment will be available to make the relevant ACSM Payment in full on its due date.

(c) *Issue Satisfies Payment*

Where the Issuer is required to make an ACSM Payment hereunder by issuing Payment Ordinary Shares to the Trustee and issues such Payment Ordinary Shares, such issue shall satisfy the relevant ACSM Payment or, as the case may be, in the circumstances referred to in Condition 6(d) below, the relevant part of such ACSM Payment, if made in accordance with this Condition 6. The proceeds of sale of Payment Ordinary Shares shall be paid by the Principal Paying Agent to the DCI Holders in respect of the relevant ACSM Payment.

(d) *Insufficiency*

The Issuer shall not be entitled to exercise its option pursuant to any of Conditions 7(b), 7(c), 7(d) or 7(e) to redeem, substitute or vary any of the DCIs until such time as the Issuer has available for, and the Directors have the corresponding authority to, issue a sufficient number of Ordinary Shares as is required to be issued in accordance with this Condition 6 for the purposes of satisfying in full in accordance with this Condition 6 any ACSM Payment required to be satisfied in connection with any such redemption, substitution or variation of the DCIs.

(e) *Market Disruption*

Notwithstanding the provisions of Condition 6(b), if there exists, in the opinion of the Issuer, a Market Disruption Event on or after the 15th Business Day preceding any ACSM Payment Date, then the Issuer may give a notice to the Trustee, the Principal Paying Agent, the Calculation Agent and (in accordance with Condition 15) the DCI Holders as soon as possible after the Market Disruption Event has arisen or occurred, whereupon the relevant ACSM Payment may be deferred until such time as the Market Disruption Event no longer exists.

Any such deferred ACSM Payment will be satisfied as soon as practicable following such time as the Market Disruption Event no longer exists. Interest shall not accrue on such deferred ACSM Payment unless, as a consequence of the existence of a Market Disruption Event, the Issuer does not make the relevant ACSM Payment for a period of 14 days or more after the due date therefor, in which case interest shall accrue on such deferred ACSM Payment from (and including) the date on which the relevant ACSM Payment was due to be made to (but excluding) the date on which such ACSM Payment is made. Any such interest shall accrue at a rate determined in accordance with Condition 5 and shall be satisfied only in accordance with Condition 6, as soon as reasonably practicable after the relevant deferred ACSM Payment is made. No liability shall attach to the Trustee or its agents if, as a result of a Market Disruption Event or any other event outside the control of the Trustee or its agent, the Trustee or its agent is unable to comply with the provisions of Condition 6(b).

(f) Listing

The Issuer shall ensure (to the extent possible) that, at the time when any Ordinary Shares are issued pursuant to this Condition 6, such Ordinary Shares are listed on the Official List of the FSA in its capacity as competent authority under the Financial Services and Markets Act 2000 and are admitted to trading on the market for listed securities of the London Stock Exchange (or, if the London Stock Exchange is not a Recognised Stock Exchange at that time, such other stock exchange as is a Recognised Stock Exchange at that time).

7. Redemption, Substitution, Variation or Purchase

(a) No Fixed Redemption Date

The DCIs are perpetual securities in respect of which there is no fixed redemption date and the Issuer shall (subject to the provisions of Conditions 2 and 3 and without prejudice to the provisions of Condition 11) only have the right to repay, substitute, vary or purchase them in accordance with the following provisions of this Condition 7 or in the circumstances provided for in Condition 8(d).

In addition, any redemption, substitution, variation or purchase of the DCIs is (i) subject to giving at least six months' prior written notice to, and receiving no objection from, the FSA (or such shorter period of notice as the FSA may accept and so long as such notice is required to be given), (ii) (other than in the case of a Preference Share Substitution) subject to the Issuer being in compliance with the capital resources requirements applicable to it from time to time (and a certificate from any two Directors confirming such compliance shall be conclusive evidence of such compliance) and (iii) conditional on the terms of Condition 6(d) being satisfied prior thereto and all Deferred Coupon Payments (if any) and (in the case of Condition 7(e) only) Accrued Coupon Payments (if any) being satisfied in full by the operation of Condition 6 and the Trust Deed on or prior to the date thereof.

(b) Issuer's Call Option

Subject to Condition 7(a), the Issuer may, by giving not less than 30 nor more than 60 days' notice to the DCI Holders in accordance with Condition 15, the Trustee, the Principal Paying Agent and the Calculation Agent, which notice shall be irrevocable, elect to redeem all, but not some only, of the DCIs on the First Reset Date or any Coupon Payment Date thereafter at their principal amount together with any Outstanding Payments (such redemption amounts to be payable in cash, save for any Deferred Coupon Payments which will be satisfied by operation of Condition 6).

(c) Redemption, Substitution or Variation Due to Taxation

If immediately prior to the giving of the notice referred to below:

- (i) as a result of a change in or proposed change in, or amendment or proposed amendment to, the laws or regulations of the United Kingdom or any political subdivision or authority therein or thereof having the power to tax, including any treaty to which the United Kingdom is a party, or any change in the application of official or generally published interpretation of such laws, including a decision of any court or tribunal, or any interpretation or pronouncement by any relevant tax authority that provides for a position with respect to such laws or regulations that differs from the previously generally accepted position in relation to similar transactions or which differs from any specific written confirmation given by a tax authority in respect of the DCIs, which change or amendment (x) (subject to (y)) becomes, or would become, effective on or after 23 November 2004, or (y) in the case of a change or proposed change in law if such change is enacted (or, in the case of a proposed change, is expected to be enacted) by United Kingdom Act of Parliament or by Statutory Instrument, on or after 23 November 2004 (a "Tax Law Change"), in making any payments on the DCIs, the Issuer has paid or will or would on the next payment date be required to pay Additional Amounts on the DCIs and the Issuer

cannot avoid the foregoing in connection with the DCIs by taking measures reasonably available to it; or

- (ii) as a result of a Tax Law Change in respect of the Issuer's obligation to make any Coupon Payment on the next following Coupon Payment Date, (x) the Issuer would not be entitled to claim a deduction in respect of computing its taxation liabilities in the United Kingdom, or such entitlement is materially reduced; (y) the Issuer would not to any material extent be entitled to have such deduction set against the profits of companies with which it is grouped for applicable United Kingdom tax purposes (whether under the group relief system current as at 23 November 2004 or any similar system or systems having like effect as may from time to time exist); or (z) the Issuer would otherwise suffer adverse tax consequences, and in each such case the Issuer cannot avoid the foregoing in connection with the DCIs by taking measures reasonably available to it; or
- (iii) other than as a result of a Tax Law Change, in respect of the Issuer's obligation to make any Coupon Payment on the next following Coupon Payment Date, (w) the Issuer would not be entitled to claim a deduction in respect of computing its taxation liabilities in the United Kingdom or such entitlement is materially reduced; (x) the Issuer would not to any material extent be entitled to have such deduction set against the profits of companies with which it is grouped for applicable United Kingdom tax purposes (whether under the group relief system current as at 23 November 2004 or any similar system or systems having like effect as may from time to time exist); (y) the Issuer would otherwise suffer adverse tax consequences; or (z) the Issuer has paid, or would on the next date on which it is due to make a payment under those Conditions be required to pay, Additional Amounts on the DCI pursuant to Condition 10, and in each such case the Issuer cannot avoid the foregoing in connection with the DCIs by taking measures reasonably available to it,

then

- (aa) the Issuer may, subject to Condition 7(a) and having given not less than 30 nor more than 60 days' notice to the Trustee, the Principal Paying Agent, the Calculation Agent and, in accordance with Condition 15, the DCI Holders (which notice shall be irrevocable), redeem in accordance with these Conditions at any time on or prior to the First Reset Date and thereafter only on a Coupon Payment Date, all, but not some only, of the DCIs (I) (in the case of a Par Tax Event) at their principal amount, (II) (in the case of an Other Tax Event occurring prior to the First Reset Date) at their Make Whole Redemption Price and (III) (in the case of an Other Tax Event occurring on or after the First Reset Date) at their principal amount, together, in each case, with any Outstanding Payments (all such amounts so payable being payable in cash, save for any Deferred Coupon Payments which will be satisfied by operation of Condition 6); or
- (bb) the Issuer may, subject to Condition 7(a) (without any requirement for the consent or approval of the DCI Holders) and having given not less than 30 nor more than 60 days' notice to the Trustee, the Principal Paying Agent, the Calculation Agent and, in accordance with Condition 15, the DCI Holders (which notice shall be irrevocable), substitute at any time all (and not some only) of the DCIs for, or vary the terms of the DCIs so that they become, Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities, and the Trustee shall (subject to the following provisions of this paragraph (bb) and subject to the receipt by it of the certificates of the Directors of the Issuer referred to below and in the definition of Qualifying Tier 1 Securities or (as the case may be) Qualifying Upper Tier 2 Securities) agree to such substitution or variation. In connection therewith, all Deferred Coupon Payments (if any) will be satisfied by the operation of Condition 6. The Trustee shall use its reasonable endeavours to assist the Issuer in the substitution or variation of the DCIs for or into Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities provided that the Trustee shall not be obliged to participate or assist in any such substitution or variation if the terms of the securities into which the DCIs are to be substituted or are to be varied impose, in the Trustee's opinion, more onerous obligations upon

it. If the Trustee does not so participate or assist as provided above, the Issuer may, subject as provided above, redeem the DCIs as provided above.

Prior to the publication of any notice of substitution, variation or redemption pursuant to this Condition 7(c) the Issuer shall deliver to the Trustee a certificate signed by two Directors of the Issuer stating that the relevant requirement or circumstance referred to in paragraphs (i), (ii) or (iii) above applies and the Trustee shall accept such certificate as sufficient evidence of the satisfaction of the conditions precedent set out in such paragraphs in which event it shall be conclusive and binding on the DCI Holders. Upon expiry of such notice the Issuer shall either redeem, vary or substitute the DCIs, as the case may be.

In connection with any substitution or variation in accordance with this Condition 7(c), the Issuer shall comply with the rules of any stock exchange or other relevant authority on which the DCIs are for the time being listed or admitted to trading, and (for so long as the DCIs are listed on the Luxembourg Stock Exchange and the rules of such exchange require) shall publish a supplement in connection therewith.

(d) *Substitution, Variation or Redemption for Regulatory Purposes*

If immediately prior to the giving of the notice referred to below a Capital Disqualification Event has occurred and is continuing, then:

- (i) the Issuer may, subject to Condition 7(a) and having given not less than 30 nor more than 60 days' notice to the DCI Holders in accordance with Condition 15, the Trustee, the Principal Paying Agent and the Calculation Agent (which notice shall be irrevocable), redeem in accordance with these Conditions all, but not some only, of the DCIs at any time on or prior to the First Reset Date and thereafter only on a Coupon Payment Date. The DCIs will be redeemed at their Make Whole Redemption Price (in the case of any redemption prior to the First Reset Date) or on or after the First Reset Date at their principal amount, in each case together with any Outstanding Payments (all such amounts so payable being payable in cash, save for any Deferred Coupon Payments which will be satisfied by operation of Condition 6); or
- (ii) the Issuer may, subject to Condition 7(a) (without any requirement for the consent or approval of the DCI Holders) and having given not less than 30 nor more than 60 days' notice to the Trustee, the Principal Paying Agent, the Calculation Agent and, in accordance with Condition 15, the DCI Holders (which notice shall be irrevocable), substitute at any time all (and not some only) of the DCIs for, or vary the terms of the DCIs so that they become, Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities, and the Trustee shall (subject to the following provisions of this paragraph (ii) and subject to the receipt by it of the certificates of the Directors of the Issuer referred to below and in the definition of Qualifying Tier 1 Securities or (as the case may be) Qualifying Upper Tier 2 Securities) agree to such substitution or variation. In connection therewith, all Deferred Coupon Payments (if any) will be satisfied by the operation of Condition 6. The Trustee shall use its reasonable endeavours to assist the Issuer in the substitution or variation of the DCIs for or into Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities provided that the Trustee shall not be obliged to participate or assist in any such substitution or variation if the terms of the securities into which the DCIs are to be substituted or are to be varied impose, in the Trustee's opinion, more onerous obligations upon it. If the Trustee does not so participate or assist as provided above, the Issuer may, subject as provided above, redeem the DCIs as provided above.

Prior to the publication of any notice of substitution, variation or redemption pursuant to this Condition 7(d) the Issuer shall deliver to the Trustee a certificate signed by two Directors stating that a Capital Disqualification Event has occurred and is continuing as at the date of the certificate, and the Trustee shall accept such certificate as sufficient evidence of the occurrence and continuation of a Capital Disqualification Event in which event it shall be conclusive and binding on the DCI Holders.

Upon expiry of such notice the Issuer shall either redeem, vary or substitute the DCIs, as the case may be.

In connection with any substitution or variation in accordance with this Condition 7(d), the Issuer shall comply with the rules of any stock exchange or other relevant authority on which the DCIs are for the time being listed or admitted to trading, and (for so long as the DCIs are listed on the Luxembourg Stock Exchange and the rules of such exchange require) shall publish a supplement in connection therewith.

(e) *Substitution for Substituted Preference Shares*

- (i) At any time a Substitution Event has occurred and is continuing, the Issuer may (subject to Condition 7(a)) give not less than 30 nor more than 60 days' notice thereof and of its intention to effect a Preference Share Substitution (as defined below) ("Substitution Notice") to the DCI Holders in accordance with Condition 15, the Trustee, the Principal Paying Agent and the Calculation Agent (which notice shall be irrevocable), and shall on the expiry of such notice (the "Substitution Date") cause the substitution in accordance with this Condition of all (but not some only) of the DCIs for fully paid non-cumulative preference shares issued directly by the Issuer (the "Substituted Preference Shares") (such substitution being referred to herein as a "Preference Share Substitution"). The terms of the Substituted Preference Shares shall provide that (x) the Substituted Preference Shares may only be redeemed on 28 November 2014 (being the same date as the First Reset Date of the DCIs) or any dividend payment date thereafter (save for redemption, substitution or variation on terms analogous with the terms of Condition 7(d) and subject to the same conditions as those set out in the second paragraph of Condition 7(a)); (y) that the Issuer has the right to choose whether or not to pay any dividend; and (z) that any dividend payable shall be non-cumulative (and accordingly there shall be no provision analogous to the ACSM incorporated in the terms of the Substituted Preference Shares), and otherwise shall in all material commercial respects provide the holders thereof with at least the same economic rights and benefits (including those relating to non-cumulative (except as aforesaid) distributions and ranking) as are attached to the DCIs and the Coupons taken together (such terms to be as reasonably determined by the Issuer, and in connection therewith a certification signed by two Directors to the effect that the terms of the Substituted Preference Shares comply with the foregoing shall be delivered to the Trustee prior to the Issuer being able to effect such Preference Share Substitution).
- (ii) In connection with any Preference Share Substitution in accordance with this Condition 7(e), all Deferred Coupon Payments and Accrued Coupon Payments (if any) will be satisfied on the Substitution Date by the operation of Condition 6.
- (iii) The Issuer shall enclose with the Substitution Notice a substitution confirmation (the "Substitution Confirmation") which each DCI Holder will be required to complete, and which shall require each DCI Holder to provide to the Issuer such information as the Issuer may reasonably require to be able to effect a Preference Share Substitution in accordance with this Condition 7(e). The form of such Substitution Confirmation shall also be made available at the offices of each Paying Agent. To receive Substituted Preference Shares in respect of its holding of DCIs, each DCI Holder must deliver to a Paying Agent a duly completed Substitution Confirmation together with all relevant DCIs held by it. Any such Preference Share Substitution shall be effected subject in each case to any applicable fiscal laws or other laws or regulations. Certificates (if any) for Substituted Preference Shares issued on a Preference Share Substitution will be despatched by or on behalf of the Issuer by mail free of charge (but uninsured and at the risk of the person entitled thereto) within one month of the later of the Substitution Date and receipt of a duly completed Substitution Confirmation. DCI Holders will continue to be entitled to receive payments in respect of the DCIs until the Substitution Date (provided that the Substituted Preference Shares are available for issue as aforesaid from the Substitution Date and the Issuer makes the payment referred to in Condition 7(e)(ii)) and thereafter DCI Holders will have no further rights, title or interest in or to their DCIs except to

have them substituted in the manner described in this Condition 7(e). Each Substituted Preference Share allotted will rank for any dividend from the Substitution Date and will, without prejudice to Condition 7(e)(ii), have no entitlement to any Accrued Coupon Payment or any other payment on the DCIs.

- (iv) The Issuer will pay any taxes or capital duties or stamp duties payable in the United Kingdom arising on the allotment and issue of the Substituted Preference Shares. The Issuer will not be obliged to pay, and each DCI Holder delivering DCIs and a duly completed Substitution Confirmation to a Paying Agent must pay, any other taxes, stamp duty reserve taxes and capital, stamp, issue and registration duties arising on the relevant Preference Share Substitution. The Issuer will not be obliged to pay, and each DCI Holder must pay, all, if any, taxes arising by reference to any disposal or deemed disposal of a DCI in connection with such Preference Share Substitution. Substituted Preference Shares will not be allotted to Restricted Persons.
- (v) Prior to the publication of a Substitution Notice, the Issuer shall deliver to the Trustee a certificate signed by two Directors stating that a Substitution Event has occurred and is continuing as at the date of the certificate, and the Trustee shall be entitled to accept such certificate as sufficient evidence of the occurrence and continuation of such Substitution Event in which event it shall be conclusive and binding on the DCI Holders.
- (vi) The Issuer undertakes to use all reasonable endeavours to (aa) create and, as of the date of its Annual General Meeting in 2005, maintain a sufficient number of authorised (but unissued) Substituted Preference Shares necessary to effect a Preference Share Substitution in accordance with this Condition 7(e) (including, but not limited to, the procurement of the necessary resolutions of the Issuer to increase the authorised share capital to a level sufficient to issue the Substituted Preference Shares); (bb) obtain, as of the date of its Annual General Meeting in 2005, the corporate authorisations necessary to effect the substitution of the DCIs for the Substituted Preference Shares (including, but not limited to, the procurement of the necessary resolutions of the Issuer to authorise the Directors to issue and allot the Substituted Preference Shares); and (cc) (provided that the Issuer has given the Substitution Notice) obtain and maintain a listing of the Substituted Preference Shares on a Recognised Stock Exchange.
- (vii) In connection with any Preference Share Substitution in accordance with this Condition 7(e), the Issuer shall comply with the rules of any stock exchange or other relevant authority on which the DCIs are for the time being listed or admitted to trading, and (for so long as the DCIs are listed on the Luxembourg Stock Exchange and the rules of such exchange require) shall publish a supplement in connection therewith.
- (viii) The provisions of this Condition 7(e) (except for Condition 7(e)(ii) as regards satisfaction of Accrued Coupon Payments (if any)) will apply *mutatis mutandis* to Conditions 7(c) and 7(d) in the event that the Qualifying Tier 1 Securities for which the DCIs may be substituted in accordance with either of Conditions 7(c) or 7(d) comprise Substituted Preference Shares.

(f) Purchases

The Issuer or any Subsidiary may, subject to Condition 2(b)(i), at any time purchase DCIs in any manner and at any price. In each case purchases will be made together with all unmatured Coupons and Talons appertaining thereto. If purchases are made by tender, tenders must be made available to all DCI Holders alike.

(g) Cancellation

All DCIs so redeemed or substituted by the Issuer and any unmatured Coupons and Talons appertaining thereto will be cancelled and may not be reissued or resold. DCIs purchased by the Issuer or any Subsidiary may not be held, reissued, resold and, accordingly, will forthwith be surrendered to any Paying Agent for cancellation.

(h) *Trustee Not Obligated to Monitor*

The Trustee shall not be under any duty to monitor whether any event or circumstance has happened or exists within this Condition 7 or whether a Suspension under Condition 8(d) has occurred and will not be responsible to DCI Holders for any loss arising from any failure by it to do so. Unless and until the Trustee has actual knowledge of the occurrence of any event or circumstance within this Condition 7 or the occurrence of a Suspension under Condition 8(d), it shall be entitled to assume that no such event or circumstance exists.

8. *Payments*

(a) *Method of Payment*

- (i) Payments of principal, premium and Coupon Amounts will be made by or on behalf of the Issuer against presentation and surrender of DCIs or the appropriate Coupons at the specified office of any of the Paying Agents except that payments of Coupon Amounts in respect of any period not ending on a Coupon Payment Date will only be made upon surrender of the relevant DCIs. Such payments will be made (subject to Condition 8(a)(ii) below), at the option of the payee, by euro cheque drawn on, or by transfer to a euro account maintained by the payee with, a bank in a city in which banks have access to the TARGET System.
- (ii) Upon the due date for redemption of any DCIs, any unexchanged Talon relating to such DCIs (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon and unmatured Coupons relating to such DCIs (whether or not attached) shall also become void and no payment shall be made in respect of them. If any DCI is presented for redemption without all unmatured Coupons and any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.
- (iii) On or after the Coupon Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any DCIs, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Principal Paying Agent in exchange for a further Coupon sheet (and another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 11).

(b) *Payments Subject to Fiscal Laws*

Without prejudice to the terms of Condition 10, all payments made in accordance with these Conditions shall be made subject to any fiscal or other laws and regulations applicable in the place of payment. No commissions or expenses shall be charged to the DCI Holders in respect of such payments.

(c) *Payments on Business Days*

If the date for payment of any amount in respect of any DCI or Coupon, or any later date on which any DCI or Coupon is presented for payment, is not a business day, then the holder thereof shall not be entitled to payment at that place of payment of the amount payable until the next following business day at that place of payment and shall not be entitled to any further interest or other payment in respect of any such delay. In this Condition 8(c), "business day" means any day (not being a Saturday, Sunday or a public holiday) on which banks are open for business in the relevant place of payment and which is a TARGET Business Day.

(d) *Suspension*

If, following any take-over offer made under the City Code on Take-overs and Mergers or any reorganisation, restructuring or scheme of arrangement the company which, immediately prior to such event, was the Ultimate Owner ceases to be the Ultimate Owner, then the Issuer shall as soon as

practicable give notice to the DCI Holders in accordance with Condition 15, the Trustee, the Principal Paying Agent and the Calculation Agent, whereupon the operation of the ACSM shall be suspended (such event being a “Suspension”). In such event, unless a Permitted Restructuring Arrangement shall be put in place within six months of the occurrence of a Permitted Restructuring (in which case the Suspension shall cease upon such Permitted Restructuring Arrangement being put in place), an independent investment bank appointed by the Issuer (at the Issuer’s expense) and approved by the Trustee shall determine, subject to the requirements that (i) the Issuer shall not be obliged to reduce its net assets; (ii) no amendment may be proposed or made which would alter the regulatory capital treatment of the DCIs for insurance regulatory capital and solvency purposes without giving at least six months’ prior written notice to, and receiving no objection from, the FSA (or such shorter period of notice as the FSA may accept and so long as such notice is required to be given); and (iii) no such amendment may be made which would, in the Trustee’s opinion, impose more onerous obligations on it without its consent, what amendments (if any) to these Conditions, the Trust Deed and any other relevant documents are appropriate in order to (aa) preserve substantially the economic effect, for the DCI Holders, of a holding of the DCIs prior to the Suspension and (bb) replicate the ACSM in the context of the capital structure of the new Ultimate Owner. Upon any such determination being reached and notified to the Trustee and the Issuer by such investment bank, the Trustee and the Issuer shall, pursuant to the terms of the Trust Deed and without any requirement for the consent or the approval of the DCI Holders or Couponholders, effect any necessary consequential changes to these Conditions and the Trust Deed and any other relevant documents, whereupon the Issuer’s right to satisfy an ACSM Payment by the method contemplated in Condition 6 shall no longer be subject to the Suspension.

If, after using all reasonable endeavours, such investment bank is unable to formulate such amendments, it shall so notify the Issuer, the previous Ultimate Owner (if not the Issuer), the new Ultimate Owner, the Trustee, the Principal Paying Agent and the Calculation Agent and the DCIs shall (subject in each case to giving at least six months’ prior written notice to, and receiving no objection from, the FSA (or such shorter period of notice as the FSA may accept and so long as such notice is required to be given) and with the prior agreement of the new Ultimate Owner) at the option of the Issuer either be substituted for, or varied so that they become, Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities or shall be redeemed, in each case as described below.

If the DCIs are to be substituted for, or varied so that they become, Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities, the Issuer shall give not less than 30 nor more than 60 days’ notice to the Trustee, the Principal Paying Agent, the Calculation Agent and, in accordance with Condition 15, the DCI Holders (which notice shall be irrevocable) and all (but not some only) of the DCIs will be substituted for, or the terms varied so that they become, Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities, and the Trustee shall (subject to the following provisions of this paragraph and subject to the receipt by it of the certificate of the Directors of the Issuer referred to in the definition of Qualifying Tier 1 Securities or (as the case may be) Qualifying Upper Tier 2 Securities and subject further to the receipt by it of the notification of the relevant investment bank referred to above) agree to such substitution or variation. In connection therewith, all Deferred Coupon Payments (if any) will either (at the option of the Issuer) (x) be carried over such that the rights thereto are preserved for the purposes of the Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities or (y) be satisfied (unless otherwise agreed by the Issuer and the Trustee) by the issue of Ordinary Shares to the new Ultimate Owner in consideration for which the new Ultimate Owner shall issue its ordinary shares (or capital of an equivalent class) so as to enable it to pay the amount of such Deferred Coupon Payments in accordance, *mutatis mutandis*, with Conditions 6(b), 6(c), 6(d) and 6(e) (with references to the Payment Ordinary Shares being construed as references to such ordinary shares or equivalent capital of the new Ultimate Owner which, when sold, provide a net cash amount (converted into euro if necessary) of not less than the amount of such Deferred Coupon Payments so payable by the Issuer). The Trustee shall use its reasonable endeavours to assist the Issuer in the substitution or variation of the DCIs for or into Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities, provided that the Trustee shall not be obliged to participate or assist in any such substitution or variation if the terms of the securities into which the DCIs are to be substituted or are

to be varied impose, in the Trustee's opinion, more onerous obligations upon it. If the Trustee does not so participate or assist as provided above, the Issuer may, subject as provided above, elect to redeem the DCIs as provided in this Condition 8(d). In connection with any substitution or variation in accordance with this Condition 8(d), the Issuer shall comply with the rules of any stock exchange or other relevant authority on which the DCIs are for the time being listed or admitted to trading, and (for so long as the DCIs are listed on the Luxembourg Stock Exchange and the rules of such exchange require) shall publish a supplement in connection therewith.

If the DCIs are to be redeemed by the Issuer, the Issuer shall give notice thereof to the Trustee, the Principal Paying Agent, the Calculation Agent and, in accordance with Condition 15, the DCI Holders (which notice shall be irrevocable and which shall expire as soon as practicable after confirmation of no objection from the Financial Services Authority) and all (but not some only) of the DCIs will be redeemed at (in the case of any redemption prior to the First Reset Date) their Make Whole Redemption Price or (on or after the First Reset Date) their principal amount, together in each case with any Outstanding Payments, not later than the 60th Business Day following the giving of such notice by the Issuer to the DCI Holders. Such redemption will, unless otherwise agreed by the Issuer and the Trustee, be effected by the issue of Ordinary Shares to the new Ultimate Owner in consideration for which the new Ultimate Owner shall issue its ordinary shares (or capital of an equivalent class) so as to enable it to pay such redemption amount in accordance, *mutatis mutandis*, with Conditions 6(b), 6(c), 6(d) and 6(e) (with references to the Payment Ordinary Shares being construed as references to such ordinary shares or equivalent capital of the new Ultimate Owner which, when sold, provide a net cash amount (converted into euro if necessary) of not less than the redemption amount so payable by the Issuer).

9. Non-Payment when Due

Notwithstanding any of the provisions below in Condition 9, the right to institute winding-up proceedings is limited to circumstances where payment has become due. Pursuant to Condition 2(b) no principal, premium or Payment will be due on the relevant Payment Date if the Issuer would not be solvent. Also, in the case of any Coupon Payment, such Payment will not be due if the Issuer has elected to defer that Payment pursuant to Condition 4 or if the circumstances referred to in any of Conditions 6(d), 6(e) or 8(d) then apply. The Trust Deed contains provisions entitling the Trustee to claim from the Issuer, inter alia, the fees, expenses and liabilities incurred by it in carrying out its duties under the Trust Deed. The restrictions on commencing proceedings described below will not apply to any such claim.

- (a) If the Issuer shall not make payment in respect of the DCIs (in the case of payment of principal and/or premium) for a period of seven days or more after the due date for the same or (in the case of any Coupon Amount, Deferred Coupon Payment, Accrued Coupon Payment or any payment under Clause 2.6 of the Trust Deed in respect of a payment shortfall) shall not make payment for a period of 14 days or more after the date on which such payment is due, the Issuer shall be deemed to be in default under the Trust Deed, the DCIs and the Coupons and the Trustee may, notwithstanding the provisions of Condition 9(b) institute proceedings for the winding-up of the Issuer.
- (b) Without prejudice to Condition 9(a) and subject as provided in Condition 18, the Trustee may at its discretion and without further notice institute such proceedings against the Issuer as it may think fit to enforce any term or condition binding on the Issuer under the Trust Deed, the DCIs or the Coupons (other than for the payment of any principal or premium or satisfaction of any Payments in respect of the DCIs or the Coupons, including any payment under Clause 2.6 of the Trust Deed in respect of a payment shortfall) provided that the Issuer shall not by virtue of the institution of any such proceedings be obliged to pay any sum or sums, in cash or otherwise, sooner than the same would otherwise have been payable by it.
- (c) The Trustee shall not be bound to take any of the actions referred to in Condition 9(a) or (b) above against the Issuer to enforce the terms of the Trust Deed, the DCIs or the Coupons unless (i) it shall have been so requested by an Extraordinary Resolution of the DCI Holders or in writing by the

holders of at least one-quarter in principal amount of the DCIs then outstanding and (ii) it shall have been indemnified and/or secured to its satisfaction.

- (d) No DCI Holder or Couponholder shall be entitled to proceed directly against the Issuer or to institute proceedings for the winding-up of the Issuer or to prove in such winding-up unless the Trustee, having become so bound to proceed or being able to prove in such winding-up, fails to do so within a reasonable period and such failure shall be continuing, in which case the DCI Holder or Couponholder shall have only such rights against the Issuer as those which the Trustee is entitled to exercise. No remedy against the Issuer shall be available to the Trustee or any DCI Holder or Couponholder (i) for the recovery of amounts owing in respect of the DCIs or the Coupons (including any payment under Clause 2.6 of the Trust Deed in respect of a payment shortfall), other than the institution of proceedings for the winding-up of the Issuer and/or proving in such winding-up of the Issuer and (ii) for the breach of any other term under the Trust Deed, the DCIs or the Coupons, other than as provided in Condition 9(b) above.

10. Taxation

All payments by the Issuer of principal, premium, Coupon Amounts, Deferred Coupon Payments, Accrued Coupon Payments and Solvency Claims in respect of the DCIs will be made without withholding of or deduction for, or on any account of, any present or future United Kingdom taxes, duties, assessments or governmental charges of whatsoever nature imposed or levied by or on behalf of the United Kingdom or any political subdivision thereof or by any authority therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties, assessments or governmental charges is required by law. In that event the Issuer will pay such additional amounts (“Additional Amounts”) as may be necessary in order that the net amounts receivable by DCI Holders or Couponholders after such withholding or deduction shall equal the respective amounts of principal and interest which would have been receivable in respect of the DCIs or, as the case may be, Coupons in the absence of a requirement to make such withholding or deduction, except that no such additional amounts shall be payable in relation to any payment with respect to any DCIs or Coupon:

- (a) to, or to a third party on behalf of, a holder who (i) would be able to avoid such withholding or deduction by satisfying any statutory requirements or by making a declaration of non-residence or similar claim for exemption but fails to do so, or (ii) is liable to such taxes, duties, assessments or governmental charges in respect of such DCI or Coupon by reason of his having some connection with the United Kingdom other than a mere holding of such DCI or Coupon;
- (b) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to any law implementing or complying with, or introduced in order to conform to, European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive;
- (c) presented for payment by or on behalf of a DCI Holder or a Couponholder who would have been able to avoid such withholding or deduction by presenting the relevant DCI or Coupon to another Paying Agent in a Member State of the European Union; or
- (d) presented for payment more than 30 days after the Relevant Date except to the extent that the DCI Holder or Couponholder thereof would have been entitled to such additional amounts on presenting the same for payment on the last day of such period of 30 days.

References in these Conditions to principal, premium, Coupon Amounts, Deferred Coupon Payments and/or Accrued Coupon Payments, shall be deemed to include any additional amounts which may become payable pursuant to the foregoing provisions or any undertakings given in addition thereto or in substitution therefor pursuant to the Trust Deed.

11. Prescription

12. Meetings of DCI Holders, Modification, Waiver and Substitution

The Trust Deed contains provisions for convening meetings of DCI Holders to consider any matter affecting their interests including the modification by Extraordinary Resolution (as defined in the Trust Deed) of these Conditions or other provisions of the Trust Deed.

The agreement or approval of the DCI Holders shall not be required in the case of any variation of these Conditions and/or the Trust Deed required to be made in the circumstances described in Conditions 7(c), 7(d) and 8(d) in connection with the substitution or variation of the DCIs so that they become Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities (as the case may be), and to which the Trustee has agreed pursuant to the relevant provisions of Conditions 7(c), 7(d) or 8(d), as the case may be.

An Extraordinary Resolution passed at any meeting of DCI Holders will be binding on all DCI Holders, whether or not they are present at the meeting, and on all Couponholders.

The Trustee may agree (subject to the Trust Deed), without the consent of the DCI Holders or Couponholders, to any modification (except as set out above in relation to the higher quorum requirements at any meeting of DCI Holders) of, or to any waiver or authorisation of any breach or proposed breach of, any of these Conditions or any other provisions of the Trust Deed, the Paying Agency Agreement or the Calculation Agency Agreement which, in the opinion of the Trustee, is not materially prejudicial to the interests of the DCI Holders or to any modification which, in the opinion of the Trustee, is of a formal, minor or technical nature or to correct a manifest error. No modification to these Conditions or any other provisions of the Trust Deed or substitution as described below shall become effective unless the Issuer shall have given at least one month's prior written notice to, and received no objection from, the FSA (or such shorter period of notice as the FSA may accept and so long as there is a requirement to give such notice).

The Trustee, if it is satisfied that so to do would not be materially prejudicial to the interests of the DCI Holders or Couponholders, may agree with the Issuer, without the consent of the DCI Holders or Couponholders, to the substitution on a subordinated basis equivalent to that referred to in Condition 2 of any person or persons incorporated in any country in the world (other than the United States) (the "Substitute Obligor") in place of the Issuer (or any previous Substitute Obligor under this Condition) as a new principal debtor under the Trust Deed, the DCIs and the Coupons provided that:

- (a) a trust deed is executed or some other form of undertaking is given by the Substitute Obligor in form and manner satisfactory to the Trustee, agreeing to be bound by the terms of the Trust Deed, the DCIs, the Coupons and the Talons, with any consequential amendments which the Trustee may deem appropriate, as fully as if the Substitute Obligor had been named in the Trust Deed and on the DCIs,

the Coupons and the Talons, as the principal debtor in place of the Issuer (or of any previous Substitute Obligor, as the case may be);

- (b) (unless the successor in business of the Issuer is the Substitute Obligor) the obligations of the Substitute Obligor under the Trust Deed, the DCIs, the Coupons and the Talons are guaranteed by the Issuer (or the successor in business of the Issuer) on a subordinated basis equivalent to that referred to in Condition 2 and in the Trust Deed and in a form and manner satisfactory to the Trustee;
- (c) if the directors of the Substitute Obligor or other officers acceptable to the Trustee shall certify that the Substitute Obligor is solvent at the time at which the said substitution is proposed to be effected, the Trustee may rely absolutely on such certification and shall not be bound to have regard to the financial condition, profits or prospects of the Substitute Obligor or to compare the same with those of the Issuer;
- (d) (without prejudice to the rights of reliance of the Trustee under Condition 12(c)) the Trustee is satisfied that the said substitution is not materially prejudicial to the interests of the DCI Holders;
- (e) (without prejudice to the generality of Condition 12(a)) the Trustee may in the event of such substitution agree, without the consent of the DCI Holders or Couponholders, to a change in the law governing the Trust Deed and/or the DCIs and/or the Coupons and/or the Talons, provided that such change would not in the opinion of the Trustee be materially prejudicial to the interests of the DCI Holders;
- (f) if the Substitute Obligor is, or becomes, subject generally to the taxing jurisdiction of a territory or any authority of or in that territory with power to tax (the "Substituted Territory") other than the territory of the taxing jurisdiction of which (or to any such authority of or in which) the Issuer is subject generally (the "Issuer's Territory"), the Substitute Obligor will (unless the Trustee otherwise agrees) give to the Trustee an undertaking satisfactory to the Trustee in terms corresponding to Condition 10 with the substitution for the references in that Condition to the Issuer's Territory of references to the Substituted Territory whereupon the Trust Deed, the DCI, the Coupons and the Talons, will be read accordingly; and
- (g) the Issuer and the Substitute Obligor comply with such other requirements as are reasonable in the interests of the DCI Holders, as the Trustee may direct.

In connection with any proposed substitution as aforesaid and in connection with the exercise of its functions (including but not limited to those referred to in this Condition 12), the Trustee shall have regard to the interests of the DCI Holders as a class and the Trustee shall not have regard to the consequences of such substitution or such exercise for individual DCI Holders or Couponholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory. In connection with any substitution or such exercise as aforesaid, no DCI Holder or Couponholder shall be entitled to claim, whether from the Issuer, the Substitute Obligor or the Trustee or any other person, any indemnification or payment in respect of any tax consequence of any such substitution or any such exercise upon any individual DCI Holders or Couponholders except to the extent already provided in Condition 10 and/or any undertaking given in addition thereto or in substitution therefor pursuant to the Trust Deed.

Any such modification, waiver, authorisation or substitution shall be binding on all DCI Holders and all Couponholders and, unless the Trustee agrees otherwise, any such modification or substitution shall be notified to the DCI Holders in accordance with Condition 15 as soon as practicable thereafter.

Couponholders will be deemed for all purposes to have notice of the contents of any notice given to the DCI Holders in accordance with this Condition.

16. Further Issues

The Issuer shall be at liberty from time to time without the consent of the DCI Holders or the Couponholders to create and issue further DCIs ranking *pari passu* in all respects (or in all respects save for the date from which interest thereon accrues and the amount of the first payment of interest on such further DCIs) and so that the same shall be consolidated and form a single series with the outstanding DCIs. Any such DCIs shall be constituted by a deed supplemental to the Trust Deed.

Notice of any such termination or appointment and of any change in the specified offices of the Paying Agents will be given to the DCI Holders in accordance with Condition 15. If any of the Agent Bank, Calculation Agent or the Principal Paying Agent is unable or unwilling to act as such or if it fails to make a determination or calculation or otherwise fails to perform its duties under these Conditions, the Calculation Agency Agreement or the Paying Agency Agreement (as the case may be), the Issuer shall appoint, on terms acceptable to the Trustee, an independent investment bank acceptable to the Trustee to act as such in its place.

TERMS AND CONDITIONS OF THE STERLING DCIs

The following, subject to alteration and except for paragraphs in italics, are the terms and conditions of the DCIs which will be endorsed on each DCI in definitive form (if issued).

The £500,000,000 5.9021 per cent. Fixed/Floating Rate Direct Capital Instruments (the “DCIs”, which expression shall in these Conditions, unless the context otherwise requires, include any further instruments issued pursuant to Condition 16 and forming a single series with the DCIs) of Aviva plc (the “Issuer”) are constituted by a trust deed (the “Trust Deed”) dated 25 November 2004 between the Issuer and The Law Debenture Trust Corporation p.l.c. (the “Trustee”, which expression shall include all persons for the time being the trustee or trustees under the Trust Deed) as trustee for the holders of the DCIs (the “DCI Holders”). The issue of the DCIs was authorised pursuant to resolutions of the Board of Directors of the Issuer passed on 27 October 2004 and resolutions of a duly authorised committee of the Board of Directors passed on 18 November 2004. The statements in these terms and conditions (the “Conditions”) include summaries of, and are subject to, the detailed provisions of the Trust Deed. Copies of (i) the Trust Deed; (ii) the paying agency agreement (the “Paying Agency Agreement”) dated 25 November 2004 made between the Issuer, HSBC Bank plc as principal paying agent (the “Principal Paying Agent”, which expression shall include any successor thereto) and the other paying agents named therein and any successors thereto (together with the Principal Paying Agent, the “Paying Agents”), HSBC Bank plc as agent bank (the “Agent Bank”, which expression shall include any successor thereto) and the Trustee; and (iii) the calculation agency agreement (the “Calculation Agency Agreement”) dated 25 November 2004 made between the Issuer, the Trustee and Lehman Brothers International (Europe) as calculation agent (the “Calculation Agent”, which expression shall include any successor thereto) are available for inspection during normal business hours by the DCI Holders and the holders of the interest coupons (the “Coupons”, which expression includes, where the context so permits, Talons, as defined below) and talons for further Coupons (the “Talons”) appertaining to DCIs in definitive form (the “Couponholders”) at the registered office of the Trustee, being at the date hereof at Fifth Floor, 100 Wood Street, London EC2V 7EX and at the specified office of each of the Paying Agents. The DCI Holders and the Couponholders are entitled to the benefit of, and are bound by, all the provisions of the Trust Deed, and are deemed to have notice of all the provisions of the Paying Agency Agreement and the Calculation Agency Agreement applicable to them.

1. Form, Denomination and Title

(a) Form and Denomination

The DCIs are serially numbered and in bearer form in the denominations of £1,000, £10,000 and £100,000 (each an “Authorised Denomination”) each with Coupons and one Talon attached on issue. DCIs of one Authorised Denomination may not be exchanged for DCIs of another Authorised Denomination.

(b) Title

Title to the DCIs, Coupons and Talons will pass by delivery. The bearer of any DCIs will (except as otherwise required by law or as ordered by a court of competent jurisdiction) be treated as their absolute owner for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any interest in it or its theft or loss or anything written on it) and no person will be liable for so treating the DCI Holders.

2. Status and Subordination

(a) Status

The DCIs constitute direct, unsecured and subordinated securities of the Issuer and rank, and will rank, *pari passu* without any preference among themselves.

(b) Subordination

(i) Condition to Payment

The rights and claims of the DCI Holders and the Couponholders are subordinated to the claims of all Senior Creditors, in that payments in respect of the DCIs (including Coupons payable in cash or by way of the issue of Ordinary Shares in accordance with Condition 6) are conditional upon the Issuer being solvent at the time of payment by the Issuer (or at the time of issue of such Ordinary Shares) and in that no principal, premium or interest shall be due and payable in respect of the DCIs (including Coupons payable in cash or by way of the issue of Ordinary Shares in accordance with Condition 6) except to the extent that the Issuer could make such payment and still be solvent immediately thereafter, in each case except in the winding-up of the Issuer.

In these Conditions, the Issuer shall be considered to be solvent if (x) it is able to pay its debts owed to its Senior Creditors as they fall due and (y) its Assets exceed its Liabilities (other than its Liabilities to persons who are not Senior Creditors). A certificate as to the solvency of the Issuer by two Directors shall, in the absence of manifest error, be treated and accepted by the Issuer, the Trustee, the DCI Holders, the Couponholders and all other interested parties as correct and sufficient evidence thereof.

(ii) Solvency Claims

Without prejudice to the rest of these Conditions, amounts representing any payments of principal, premium or interest in respect of which the conditions referred to in Condition 2(b)(i) are not satisfied on the date upon which the same would otherwise be due and payable (“Solvency Claims”) will be payable by the Issuer in a winding-up of the Issuer as provided in Condition 3. A Solvency Claim shall not bear interest.

(iii) Set-off

Subject to applicable law, no DCI Holder or Couponholder may exercise, claim or plead any right of set-off, compensation or retention in respect of any amount owed to it by the Issuer arising under or in connection with the DCIs or the Coupons and each DCI Holder and Couponholder shall, by virtue of his holding of any DCI or Coupon, be deemed to have waived all such rights of set-off, compensation or retention. Notwithstanding the preceding sentence, if any of the amounts owing to any DCI Holder by the Issuer under or in connection with the DCIs is discharged by set-off, such DCI Holder shall, subject to applicable law, immediately pay an amount equal to the amount of such discharge to the Issuer or, in the event of its winding-up, the liquidator of the Issuer for payment to the Senior Creditors in respect of amounts owing to them by the Issuer, and, until such time as payment is made, shall hold an amount equal to such amount in trust for the Issuer, or the liquidator of the Issuer (as the case may be), for payment to the Senior Creditors in respect of amounts owing to them by the Issuer, and accordingly any such discharge shall be deemed not to have taken place.

For the avoidance of doubt, if the Issuer would otherwise not be solvent for the purposes of the above Condition 2(b), any sums which would otherwise be payable in respect of the DCIs will be available to meet the losses of the Issuer.

3. Winding-up

If at any time an order is made, or an effective resolution is passed, for the winding-up of the Issuer (except in any such case, a solvent winding-up solely for the purposes of a reconstruction or amalgamation or the substitution in place of the Issuer of a successor in business of the Issuer, the terms of which reconstruction, amalgamation or substitution (a) have previously been approved in writing by the Trustee or by an Extraordinary Resolution (as defined in the Trust Deed) and (b) do not provide that the DCIs shall thereby become payable), there shall be payable by the Issuer in respect of each DCI (in lieu of any other payment

by the Issuer), such amount, if any, as would have been payable to the holder of such DCI if, on the day prior to the commencement of the winding-up and thereafter, such DCI Holder were the holder of one of a class of preference shares in the capital of the Issuer (“Notional Preference Shares”) having an equal right to a return of assets in the winding-up to, and so ranking *pari passu* with, the holders of the most senior class or classes of preference shares with non-cumulative dividends in the capital of the Issuer from time to time and which have a preferential right to a return of assets in the winding-up over, and so rank ahead of, the holders of all other classes of issued shares for the time being in the capital of the Issuer other than the Priority Preference Shares, but ranking junior to the claims of Senior Creditors and junior to any notional class of preference shares in the capital of the Issuer by reference to which the amount payable in respect of any Upper Tier 2 Securities in a winding-up of the Issuer is determined on the assumption that the amount that such DCI Holder was entitled to receive in respect of each Notional Preference Share on a return of assets in such winding-up, were an amount equal to the principal amount of the relevant DCI and any other Payments which are Outstanding thereon together with, to the extent not otherwise included within the foregoing, its *pro rata* share of any Solvency Claims attributable to the DCI.

On a winding-up of the Issuer, there may be no surplus assets available to meet the claims of the DCI Holders after the claims of the parties ranking senior to the DCI Holders (as provided in Condition 3) have been satisfied.

4. Coupon Deferral

The Issuer may elect to defer any Coupon Payment otherwise scheduled to be paid on a Coupon Payment Date by giving notice of such election to the DCI Holders in accordance with Condition 15, the Trustee, the Principal Paying Agent and the Calculation Agent not less than 20 Business Days prior to the relevant Coupon Payment Date. The Issuer shall (except where Condition 3 applies) satisfy any such Deferred Coupon Payment or any Deferred Coupon Payment which arises as a result of the failure to satisfy the condition to payment set out in Condition 2(b)(i) only by operation of the procedures set out in Condition 6 and, subject to Condition 8(d), only upon the occurrence of the first of the following to occur: (i) redemption of the DCIs in accordance with Condition 7(b); (ii) redemption, substitution or variation of the DCIs in accordance with Condition 7(c); (iii) redemption, substitution or variation of the DCIs in accordance with Condition 7(d); or (iv) substitution of the DCIs by Substituted Preference Shares pursuant to Condition 7(e).

If, on any Coupon Payment Date, payment of all Coupon Payments scheduled to be paid on such date is not made in full, the Issuer shall not, (a) declare or pay any distribution or dividend or make any other payment on, and will procure that no distribution or dividend or other payment is made on, any Junior Share Capital, or (b) redeem, purchase, cancel, reduce or otherwise acquire any Junior Share Capital or any Parity Securities, in each case unless or until the Coupon Payments due and payable on any subsequent Coupon Payment Date (or, if this provision applies after the First Reset Date, any two subsequent consecutive Coupon Payment Dates) on all outstanding DCIs have been paid in full (or an amount equal to the same has been duly set aside or provided for in full for the benefit of the DCI Holders and in a manner satisfactory to the Trustee).

Notwithstanding any other provision in these Conditions or the Trust Deed, the deferral of any Coupon Payment by virtue of this Condition 4 or Condition 2(b)(i) shall not constitute a default for any purpose (including, without limitation, Condition 9(a)) on the part of the Issuer. Any Coupon Payment so deferred shall not, except in the circumstances provided in Condition 6(e), bear interest.

5. Coupon Payments

(a) Coupon Rate

The DCIs bear interest at the applicable Coupon Rate from the Issue Date in accordance with the provisions of this Condition 5.

Subject to Conditions 2(b)(i), 2(b)(ii), 4, 6(a), 6(d), 6(e) and 8(d), during the Fixed Rate Coupon Period interest shall be payable on the DCIs in arrear on the first Coupon Payment Date and thereafter annually in arrear on each subsequent Coupon Payment Date in the Fixed Rate Coupon Period, and

thereafter interest shall be payable on the DCIs semi-annually in arrear on each Coupon Payment Date, in each case as provided in this Condition 5.

Where it is necessary to compute an amount of interest in respect of any DCI during the Fixed Rate Coupon Period for a period which is less than a complete year, such interest shall be calculated on the basis of the actual number of days in the period from (and including) the most recent Coupon Payment Date (or, if none, the Issue Date) to (but excluding) the relevant payment date divided by the actual number of days in the period from (and including) the most recent Coupon Payment Date (or, if none, the Issue Date) to (but excluding) the next (or first) scheduled Coupon Payment Date. Where it is necessary to compute an amount of interest in respect of any DCI for a period of more than one year, such interest shall be the aggregate of the interest payable in respect of a full year plus the interest payable in respect of the remaining period calculated in the manner as aforesaid.

Interest shall accrue on the DCIs in respect of all Coupon Periods (and any other period in respect of which interest may fall to be calculated) commencing on or after the First Reset Date on the basis of the actual number of days elapsed in the relevant period divided by 365 (or, in the case of a Coupon Payment Date falling in a leap year, 366).

(b) Interest Accrual

The DCIs will cease to bear interest from (and including) the date of redemption thereof pursuant to Condition 7(b), the date of redemption, substitution or variation thereof pursuant to Condition 7(c) or 7(d) or the date of substitution thereof pursuant to Condition 7(e), as the case may be, unless, upon due presentation, payment and performance of all amounts and obligations due in respect of the DCIs is not properly and duly made, in which event interest shall continue to accrue, and shall be payable, as provided in these Conditions up to (but excluding) the Relevant Date.

(c) Fixed Coupon Rate

For the Fixed Rate Coupon Period, the DCIs bear interest at the rate of 5.9021 per cent. per annum (the "Fixed Coupon Rate").

(d) Floating Coupon Rate

From (and including) the First Reset Date, the DCIs will bear interest at a floating rate of interest (the "Floating Coupon Rate"). The Floating Coupon Rate in respect of each Coupon Period commencing on or after the First Reset Date will be determined by the Agent Bank on the basis of the following provisions:

- (i) On each Coupon Determination Date the Agent Bank will determine the offered rate (expressed as a rate per annum) for six-month pounds sterling deposits as at 11.00 a.m. (London time) on such Coupon Determination Date, as displayed on the display designated as page "3750" on the Moneyline Telerate Monitor (or such other page or pages as may replace it for the purpose of displaying such information). The Floating Coupon Rate for the Coupon Period immediately succeeding the Coupon Determination Date shall be such offered rate as determined by the Agent Bank plus the Margin.
- (ii) If such offered rate does not so appear, or if the relevant page is unavailable, the Agent Bank will, on such date, request the principal London office of the Reference Banks to provide the Agent Bank with its offered quotation to leading banks in the London inter bank market for six-month pounds sterling deposits as at 11.00 a.m. (London time) on the Coupon Determination Date in question. If at least two of the Reference Banks provide the Agent Bank with such offered quotations, the Floating Coupon Rate for the Coupon Period immediately succeeding the relevant Coupon Determination Date shall be the rate determined by the Agent Bank to be the arithmetic mean (rounded upwards if necessary to the nearest one hundred thousandth of a percentage point (0.000005 per cent. being rounded upwards)) of such offered quotations plus the Margin.

(iii) If on any Coupon Determination Date to which the provisions of sub-paragraph (ii) above apply, one only or none of the Reference Banks provides the Agent Bank with such a quotation, the Floating Coupon Rate for the Coupon Period immediately succeeding such Coupon Determination Date shall be the rate which the Agent Bank determines to be the aggregate of the Margin and the arithmetic mean (rounded upwards, if necessary, to the nearest one hundred thousandth of a percentage point (0.000005 per cent. being rounded upwards)) of the pounds sterling lending rates which leading banks in London selected by the Agent Bank are quoting, on the relevant Coupon Determination Date, to leading banks in London for a period of six months, except that, if the banks so selected by the Agent Bank are not quoting as mentioned above, the Floating Coupon Rate for such Coupon Period shall be either (1) the Floating Coupon Rate in effect for the last preceding Coupon Period to which one of the preceding sub-paragraphs of this Condition 5(d) shall have applied or (2) if none, 6.9021 per cent. per annum.

(e) *Determination of Floating Coupon Rate and Calculation of Floating Coupon Amounts*

The Agent Bank will, as soon as practicable after 11.00 a.m. (London time) on each Coupon Determination Date, determine the Floating Coupon Rate in respect of the relevant Coupon Period and calculate the amount of interest payable in respect of a DCI of each Authorised Denomination on the Coupon Payment Date for the relevant Coupon Period (the “Floating Coupon Amounts”) by applying the Floating Coupon Rate for such Coupon Period to the principal amount of a DCI of each Authorised Denomination, multiplying such sum by the actual number of days in the Coupon Period concerned divided by 365 (or, in the case of a Coupon Payment Date falling in a leap year, 366) and, if necessary, rounding the resultant figure to the nearest £0.01 (£0.005 being rounded upwards).

(f) *Publication of Floating Coupon Rate and Floating Coupon Amounts*

The Issuer shall cause notice of the Floating Coupon Rate determined in accordance with this Condition 5 in respect of each relevant Coupon Period and of the Floating Coupon Amounts and the relevant Coupon Payment Date to be given to the Trustee, the Paying Agents and, in accordance with Condition 15, the DCI Holders, in each case as soon as practicable after its determination but in any event not later than the fourth business day thereafter. The Issuer shall cause notice of the same to be given to any stock exchange or other relevant authority on which the DCIs are for the time being listed or admitted to trading on the relevant Coupon Determination Date. As used in this Condition 5(f), “business day” means a day (not being a Saturday, Sunday or public holiday) on which banks are open for business in London.

The Floating Coupon Amounts, the Floating Coupon Rate and the Coupon Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of any extension or shortening of the relevant Coupon Period or in the event of proven or manifest error.

(g) *Determination or Calculation by Trustee*

The Trustee (or an agent appointed by it) shall, if the Agent Bank does not at any relevant time for any reason determine the Floating Coupon Rate on the DCIs in accordance with this Condition 5, determine the Floating Coupon Rate in respect of the relevant Coupon Period at such rate as, in its absolute discretion (having such regard as it shall think fit to the procedures described in this Condition 5), it shall deem fair and reasonable in all the circumstances and such determination shall be deemed to be a determination thereof by the Agent Bank.

(h) *Agent Bank*

So long as any DCIs remain outstanding the Issuer will maintain an Agent Bank. The name of the initial Agent Bank and its initial specified office is set out at the end of these Conditions.

The Issuer may, with the prior written approval of the Trustee, from time to time replace the Agent Bank with another leading investment, merchant or commercial bank in London. If the Agent Bank is unable or unwilling to continue to act as the Agent Bank or (without prejudice to Condition 5(g) above) fails duly to determine the Floating Coupon Rate in respect of any Coupon Period as provided in Condition 5(d), the Issuer shall forthwith appoint another leading investment, merchant or commercial bank in London approved in writing by the Trustee to act as such in its place. The Agent Bank may not resign its duties or be removed without a successor having been appointed as aforesaid.

(i) *Determinations of Agent Bank or Trustee Binding*

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition 5 whether by the Agent Bank or the Trustee (or its agent), shall (in the absence of wilful default, bad faith or manifest or proven error) be binding on the Issuer, the Agent Bank, the Trustee, the Paying Agents and all DCI Holders and Couponholders and (in the absence as aforesaid) no liability to the DCI Holders, the Couponholders or the Issuer shall attach to the Agent Bank or the Trustee in connection with the exercise or non-exercise by them of any of their powers, duties and discretions.

6. *Alternative Coupon Satisfaction Mechanism*

(a) *Alternative Coupon Satisfaction Mechanism*

Each ACSM Payment, when due to be satisfied in accordance with these Conditions, will (except as provided in Condition 8(d)) be satisfied by the Issuer in full only through the issue of Ordinary Shares to the Trustee or its agent in accordance with this Condition 6. The Issuer shall notify the Trustee, the Principal Paying Agent and the Calculation Agent not less than 16 Business Days prior to the relevant ACSM Payment Date that an ACSM Payment is to be satisfied on such ACSM Payment Date. All other Payments due must, subject to Conditions 2 and 4, be satisfied in accordance with Condition 8(a).

(b) *Issue of Shares*

If any ACSM Payment is to be satisfied through the issue of Ordinary Shares to the Trustee as required by the provisions of this Condition 6 then, subject to Conditions 6(d) and 6(e):

- (i) by close of business on or before the seventh Business Day prior to the relevant ACSM Payment Date, the Issuer will issue to the Trustee (or, if so agreed between the Issuer and the Trustee, to an agent of the Trustee) such number of Ordinary Shares (the “Payment Ordinary Shares”) as, in the determination of the Calculation Agent, will have a market value as near as practicable to, but not less than, the relevant ACSM Payment to be satisfied in accordance with this Condition 6; and
- (ii) the Trustee has agreed to use reasonable endeavours to effect the transfer or instruct its agent to effect the transfer of such Payment Ordinary Shares to or to the order of the Calculation Agent (subject to any necessary consents being obtained) as soon as practicable and in any case not later than by close of business on the sixth Business Day prior to the relevant ACSM Payment Date and the Calculation Agent has agreed in the Calculation Agency Agreement to use reasonable endeavours to procure purchasers for such Payment Ordinary Shares. The Calculation Agent has further agreed in the Calculation Agency Agreement to deliver such proceeds of such sale to, or hold such proceeds of such sale to the order of, the Trustee, who shall pay or procure that its agent pays such proceeds as it holds in respect of the relevant ACSM Payment on its due date to the Principal Paying Agent for application in accordance with Condition 6(c).

The Trustee shall not be liable to anyone for any loss occasioned by the transfer or sale of the Payment Ordinary Shares, in each case by or on behalf of the Trustee, or any delay or failure in effecting such transfer or sale of the Payment Ordinary Shares under these Conditions.

If the proceeds of the sale of the Payment Ordinary Shares will not, in the opinion of the Calculation Agent, subject to Condition 6(d) and 6(e) but despite the arrangements contained in (ii) above, result in a sum at least equal to the relevant ACSM Payment being available to make the necessary ACSM Payment in full on its due date, the Issuer, the Trustee and the Calculation Agent have agreed to take such steps as are reasonably necessary to ensure, so far as practicable, that through issuing additional Ordinary Shares (also "Payment Ordinary Shares") and following, *mutatis mutandis*, the procedures contained in (i) and (ii) above, a sum as near as practicable to, and at least equal to, the relevant ACSM Payment will be available to make the relevant ACSM Payment in full on its due date.

(c) *Issue Satisfies Payment*

Where the Issuer is required to make an ACSM Payment hereunder by issuing Payment Ordinary Shares to the Trustee and issues such Payment Ordinary Shares, such issue shall satisfy the relevant ACSM Payment or, as the case may be, in the circumstances referred to in Condition 6(d) below, the relevant part of such ACSM Payment, if made in accordance with this Condition 6. The proceeds of sale of Payment Ordinary Shares shall be paid by the Principal Paying Agent to the DCI Holders in respect of the relevant ACSM Payment.

(d) *Insufficiency*

The Issuer shall not be entitled to exercise its option pursuant to any of Conditions 7(b), 7(c), 7(d) or 7(e) to redeem, substitute or vary any of the DCIs until such time as the Issuer has available for, and the Directors have the corresponding authority to, issue a sufficient number of Ordinary Shares as is required to be issued in accordance with this Condition 6 for the purposes of satisfying in full in accordance with this Condition 6 any ACSM Payment required to be satisfied in connection with any such redemption, substitution or variation of the DCIs.

(e) *Market Disruption*

Notwithstanding the provisions of Condition 6(b), if there exists, in the opinion of the Issuer, a Market Disruption Event on or after the 15th Business Day preceding any ACSM Payment Date, then the Issuer may give a notice to the Trustee, the Principal Paying Agent, the Calculation Agent and (in accordance with Condition 15) the DCI Holders as soon as possible after the Market Disruption Event has arisen or occurred, whereupon the relevant ACSM Payment may be deferred until such time as the Market Disruption Event no longer exists.

Any such deferred ACSM Payment will be satisfied as soon as practicable following such time as the Market Disruption Event no longer exists. Interest shall not accrue on such deferred ACSM Payment unless, as a consequence of the existence of a Market Disruption Event, the Issuer does not make the relevant ACSM Payment for a period of 14 days or more after the due date therefor, in which case interest shall accrue on such deferred ACSM Payment from (and including) the date on which the relevant ACSM Payment was due to be made to (but excluding) the date on which such ACSM Payment is made. Any such interest shall accrue at a rate determined in accordance with Condition 5 and shall be satisfied only in accordance with Condition 6, as soon as reasonably practicable after the relevant deferred ACSM Payment is made. No liability shall attach to the Trustee or its agents if, as a result of a Market Disruption Event or any other event outside the control of the Trustee or its agent, the Trustee or its agent is unable to comply with the provisions of Condition 6(b).

(f) *Listing*

The Issuer shall ensure (to the extent possible) that, at the time when any Ordinary Shares are issued pursuant to this Condition 6, such Ordinary Shares are listed on the Official List of the FSA in its capacity as competent authority under the Financial Services and Markets Act 2000 and are admitted to trading on the market for listed securities of the London Stock Exchange (or, if the London Stock Exchange is not a Recognised Stock Exchange at that time, such other stock exchange as is a Recognised Stock Exchange at that time).

7. Redemption, Substitution, Variation or Purchase

(a) *No Fixed Redemption Date*

The DCIs are perpetual securities in respect of which there is no fixed redemption date and the Issuer shall (subject to the provisions of Conditions 2 and 3 and without prejudice to the provisions of Condition 11) only have the right to repay, substitute, vary or purchase them in accordance with the following provisions of this Condition 7 or in the circumstances provided for in Condition 8(d).

In addition, any redemption, substitution, variation or purchase of the DCIs is (i) subject to giving at least six months' prior written notice to, and receiving no objection from, the FSA (or such shorter period of notice as the FSA may accept and so long as such notice is required to be given), (ii) (other than in the case of a Preference Share Substitution) subject to the Issuer being in compliance with the capital resources requirements applicable to it from time to time (and a certificate from any two Directors confirming such compliance shall be conclusive evidence of such compliance) and (iii) conditional on the terms of Condition 6(d) being satisfied prior thereto and all Deferred Coupon Payments (if any) and (in the case of Condition 7(e) only) Accrued Coupon Payments (if any) being satisfied in full by the operation of Condition 6 and the Trust Deed on or prior to the date thereof.

(b) *Issuer's Call Option*

Subject to Condition 7(a), the Issuer may, by giving not less than 30 nor more than 60 days' notice to the DCI Holders in accordance with Condition 15, the Trustee, the Principal Paying Agent and the Calculation Agent, which notice shall be irrevocable, elect to redeem all, but not some only, of the DCIs on the First Reset Date or any Coupon Payment Date thereafter at their principal amount together with any Outstanding Payments (such redemption amounts to be payable in cash, save for any Deferred Coupon Payments which will be satisfied by operation of Condition 6).

(c) *Redemption, Substitution or Variation Due to Taxation*

If immediately prior to the giving of the notice referred to below:

- (i) as a result of a change in or proposed change in, or amendment or proposed amendment to, the laws or regulations of the United Kingdom or any political subdivision or authority therein or thereof having the power to tax, including any treaty to which the United Kingdom is a party, or any change in the application of official or generally published interpretation of such laws, including a decision of any court or tribunal, or any interpretation or pronouncement by any relevant tax authority that provides for a position with respect to such laws or regulations that differs from the previously generally accepted position in relation to similar transactions or which differs from any specific written confirmation given by a tax authority in respect of the DCIs, which change or amendment (x) (subject to (y)) becomes, or would become, effective on or after 23 November 2004, or (y) in the case of a change or proposed change in law if such change is enacted (or, in the case of a proposed change, is expected to be enacted) by United Kingdom Act of Parliament or by Statutory Instrument, on or after 23 November 2004 (a "Tax Law Change"), in making any payments on the DCIs, the Issuer has paid or will or would on the next payment date be required to pay Additional Amounts on the DCIs and the Issuer cannot avoid the foregoing in connection with the DCIs by taking measures reasonably available to it; or
- (ii) as a result of a Tax Law Change in respect of the Issuer's obligation to make any Coupon Payment on the next following Coupon Payment Date, (x) the Issuer would not be entitled to claim a deduction in respect of computing its taxation liabilities in the United Kingdom, or such entitlement is materially reduced; (y) the Issuer would not to any material extent be entitled to have such deduction set against the profits of companies with which it is grouped for applicable United Kingdom tax purposes (whether under the group relief system current as at 23 November 2004 or any similar system or systems having like effect as may from time to time exist); or (z) the Issuer would otherwise suffer adverse tax consequences, and in each such

case the Issuer cannot avoid the foregoing in connection with the DCIs by taking measures reasonably available to it; or

- (iii) other than as a result of a Tax Law Change, in respect of the Issuer's obligation to make any Coupon Payment on the next following Coupon Payment Date, (w) the Issuer would not be entitled to claim a deduction in respect of computing its taxation liabilities in the United Kingdom or such entitlement is materially reduced; (x) the Issuer would not to any material extent be entitled to have such deduction set against the profits of companies with which it is grouped for applicable United Kingdom tax purposes (whether under the group relief system current as at 23 November 2004 or any similar system or systems having like effect as may from time to time exist); (y) the Issuer would otherwise suffer adverse tax consequences; or (z) the Issuer has paid, or would on the next date on which it is due to make a payment under those Conditions be required to pay, Additional Amounts on the DCI pursuant to Condition 10, and in each such case the Issuer cannot avoid the foregoing in connection with the DCIs by taking measures reasonably available to it,

then

- (aa) the Issuer may, subject to Condition 7(a) and having given not less than 30 nor more than 60 days' notice to the Trustee, the Principal Paying Agent, the Calculation Agent and, in accordance with Condition 15, the DCI Holders (which notice shall be irrevocable), redeem in accordance with these Conditions at any time on or prior to the First Reset Date and thereafter only on a Coupon Payment Date, all, but not some only, of the DCIs (I) (in the case of a Par Tax Event) at their principal amount, (II) (in the case of an Other Tax Event occurring prior to the First Reset Date) at their Make Whole Redemption Price and (III) (in the case of an Other Tax Event occurring on or after the First Reset Date) at their principal amount, together, in each case, with any Outstanding Payments (all such amounts so payable being payable in cash, save for any Deferred Coupon Payments which will be satisfied by operation of Condition 6); or
- (bb) the Issuer may, subject to Condition 7(a) (without any requirement for the consent or approval of the DCI Holders) and having given not less than 30 nor more than 60 days' notice to the Trustee, the Principal Paying Agent, the Calculation Agent and, in accordance with Condition 15, the DCI Holders (which notice shall be irrevocable), substitute at any time all (and not some only) of the DCIs for, or vary the terms of the DCIs so that they become, Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities, and the Trustee shall (subject to the following provisions of this paragraph (bb) and subject to the receipt by it of the certificates of the Directors of the Issuer referred to below and in the definition of Qualifying Tier 1 Securities or (as the case may be) Qualifying Upper Tier 2 Securities) agree to such substitution or variation. In connection therewith, all Deferred Coupon Payments (if any) will be satisfied by the operation of Condition 6. The Trustee shall use its reasonable endeavours to assist the Issuer in the substitution or variation of the DCIs for or into Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities provided that the Trustee shall not be obliged to participate or assist in any such substitution or variation if the terms of the securities into which the DCIs are to be substituted or are to be varied impose, in the Trustee's opinion, more onerous obligations upon it. If the Trustee does not so participate or assist as provided above, the Issuer may, subject as provided above, redeem the DCIs as provided above.

Prior to the publication of any notice of substitution, variation or redemption pursuant to this Condition 7(c) the Issuer shall deliver to the Trustee a certificate signed by two Directors of the Issuer stating that the relevant requirement or circumstance referred to in paragraphs (i), (ii) or (iii) above applies and the Trustee shall accept such certificate as sufficient evidence of the satisfaction of the conditions precedent set out in such paragraphs in which event it shall be conclusive and binding on the DCI Holders. Upon expiry of such notice the Issuer shall either redeem, vary or substitute the DCIs, as the case may be.

In connection with any substitution or variation in accordance with this Condition 7(c), the Issuer shall comply with the rules of any stock exchange or other relevant authority on which the DCIs are

for the time being listed or admitted to trading, and (for so long as the DCIs are listed on the Luxembourg Stock Exchange and the rules of such exchange require) shall publish a supplement in connection therewith.

(d) *Substitution, Variation or Redemption for Regulatory Purposes*

If immediately prior to the giving of the notice referred to below a Capital Disqualification Event has occurred and is continuing, then:

- (i) the Issuer may, subject to Condition 7(a) and having given not less than 30 nor more than 60 days' notice to the DCI Holders in accordance with Condition 15, the Trustee, the Principal Paying Agent and the Calculation Agent (which notice shall be irrevocable), redeem in accordance with these Conditions all, but not some only, of the DCIs at any time on or prior to the First Reset Date and thereafter only on a Coupon Payment Date. The DCIs will be redeemed at their Make Whole Redemption Price (in the case of any redemption prior to the First Reset Date) or on or after the First Reset Date at their principal amount, in each case together with any Outstanding Payments (all such amounts so payable being payable in cash, save for any Deferred Coupon Payments which will be satisfied by operation of Condition 6); or
- (ii) the Issuer may, subject to Condition 7(a) (without any requirement for the consent or approval of the DCI Holders) and having given not less than 30 nor more than 60 days' notice to the Trustee, the Principal Paying Agent, the Calculation Agent and, in accordance with Condition 15, the DCI Holders (which notice shall be irrevocable), substitute at any time all (and not some only) of the DCIs for, or vary the terms of the DCIs so that they become, Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities, and the Trustee shall (subject to the following provisions of this paragraph (ii) and subject to the receipt by it of the certificates of the Directors of the Issuer referred to below and in the definition of Qualifying Tier 1 Securities or (as the case may be) Qualifying Upper Tier 2 Securities) agree to such substitution or variation. In connection therewith, all Deferred Coupon Payments (if any) will be satisfied by the operation of Condition 6. The Trustee shall use its reasonable endeavours to assist the Issuer in the substitution or variation of the DCIs for or into Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities provided that the Trustee shall not be obliged to participate or assist in any such substitution or variation if the terms of the securities into which the DCIs are to be substituted or are to be varied impose, in the Trustee's opinion, more onerous obligations upon it. If the Trustee does not so participate or assist as provided above, the Issuer may, subject as provided above, redeem the DCIs as provided above.

Prior to the publication of any notice of substitution, variation or redemption pursuant to this Condition 7(d) the Issuer shall deliver to the Trustee a certificate signed by two Directors stating that a Capital Disqualification Event has occurred and is continuing as at the date of the certificate, and the Trustee shall accept such certificate as sufficient evidence of the occurrence and continuation of a Capital Disqualification Event in which event it shall be conclusive and binding on the DCI Holders. Upon expiry of such notice the Issuer shall either redeem, vary or substitute the DCIs, as the case may be.

In connection with any substitution or variation in accordance with this Condition 7(d), the Issuer shall comply with the rules of any stock exchange or other relevant authority on which the DCIs are for the time being listed or admitted to trading, and (for so long as the DCIs are listed on the Luxembourg Stock Exchange and the rules of such exchange require) shall publish a supplement in connection therewith.

(e) *Substitution for Substituted Preference Shares*

- (i) At any time a Substitution Event has occurred and is continuing, the Issuer may (subject to Condition 7(a)) give not less than 30 nor more than 60 days' notice thereof and of its intention to effect a Preference Share Substitution (as defined below) ("Substitution Notice") to the DCI

Holders in accordance with Condition 15, the Trustee, the Principal Paying Agent and the Calculation Agent (which notice shall be irrevocable), and shall on the expiry of such notice (the “Substitution Date”) cause the substitution in accordance with this Condition of all (but not some only) of the DCIs for fully paid non-cumulative preference shares issued directly by the Issuer (the “Substituted Preference Shares”) (such substitution being referred to herein as a “Preference Share Substitution”). The terms of the Substituted Preference Shares shall provide that (x) the Substituted Preference Shares may only be redeemed on 27 July 2020 (being the same date as the First Reset Date of the DCIs) or any dividend payment date thereafter (save for redemption, substitution or variation on terms analogous with the terms of Condition 7(d) and subject to the same conditions as those set out in the second paragraph of Condition 7(a)); (y) that the Issuer has the right to choose whether or not to pay any dividend; and (z) that any dividend payable shall be non-cumulative (and accordingly there shall be no provision analogous to the ACSM incorporated in the terms of the Substituted Preference Shares), and otherwise shall in all material commercial respects provide the holders thereof with at least the same economic rights and benefits (including those relating to non-cumulative (except as aforesaid) distributions and ranking) as are attached to the DCIs and the Coupons taken together (such terms to be as reasonably determined by the Issuer, and in connection therewith a certification signed by two Directors to the effect that the terms of the Substituted Preference Shares comply with the foregoing shall be delivered to the Trustee prior to the Issuer being able to effect such Preference Share Substitution).

- (ii) In connection with any Preference Share Substitution in accordance with this Condition 7(e), all Deferred Coupon Payments and Accrued Coupon Payments (if any) will be satisfied on the Substitution Date by the operation of Condition 6.
- (iii) The Issuer shall enclose with the Substitution Notice a substitution confirmation (the “Substitution Confirmation”) which each DCI Holder will be required to complete, and which shall require each DCI Holder to provide to the Issuer such information as the Issuer may reasonably require to be able to effect a Preference Share Substitution in accordance with this Condition 7(e). The form of such Substitution Confirmation shall also be made available at the offices of each Paying Agent. To receive Substituted Preference Shares in respect of its holding of DCIs, each DCI Holder must deliver to a Paying Agent a duly completed Substitution Confirmation together with all relevant DCIs held by it. Any such Preference Share Substitution shall be effected subject in each case to any applicable fiscal laws or other laws or regulations. Certificates (if any) for Substituted Preference Shares issued on a Preference Share Substitution will be despatched by or on behalf of the Issuer by mail free of charge (but uninsured and at the risk of the person entitled thereto) within one month of the later of the Substitution Date and receipt of a duly completed Substitution Confirmation. DCI Holders will continue to be entitled to receive payments in respect of the DCIs until the Substitution Date (provided that the Substituted Preference Shares are available for issue as aforesaid from the Substitution Date and the Issuer makes the payment referred to in Condition 7(e)(ii)) and thereafter DCI Holders will have no further rights, title or interest in or to their DCIs except to have them substituted in the manner described in this Condition 7(e). Each Substituted Preference Share allotted will rank for any dividend from the Substitution Date and will, without prejudice to Condition 7(e)(ii), have no entitlement to any Accrued Coupon Payment or any other payment on the DCIs.
- (iv) The Issuer will pay any taxes or capital duties or stamp duties payable in the United Kingdom arising on the allotment and issue of the Substituted Preference Shares. The Issuer will not be obliged to pay, and each DCI Holder delivering DCIs and a duly completed Substitution Confirmation to a Paying Agent must pay, any other taxes, stamp duty reserve taxes and capital, stamp, issue and registration duties arising on the relevant Preference Share Substitution. The Issuer will not be obliged to pay, and each DCI Holder must pay, all, if any, taxes arising by reference to any disposal or deemed disposal of a DCI in connection with such Preference Share Substitution. Substituted Preference Shares will not be allotted to Restricted Persons.

- (v) Prior to the publication of a Substitution Notice, the Issuer shall deliver to the Trustee a certificate signed by two Directors stating that a Substitution Event has occurred and is continuing as at the date of the certificate, and the Trustee shall be entitled to accept such certificate as sufficient evidence of the occurrence and continuation of such Substitution Event in which event it shall be conclusive and binding on the DCI Holders.
- (vi) The Issuer undertakes to use all reasonable endeavours to (aa) create and, as of the date of its Annual General Meeting in 2005, maintain a sufficient number of authorised (but unissued) Substituted Preference Shares necessary to effect a Preference Share Substitution in accordance with this Condition 7(e) (including, but not limited to, the procurement of the necessary resolutions of the Issuer to increase the authorised share capital to a level sufficient to issue the Substituted Preference Shares); (bb) obtain, as of the date of its Annual General Meeting in 2005, the corporate authorisations necessary to effect the substitution of the DCIs for the Substituted Preference Shares (including, but not limited to, the procurement of the necessary resolutions of the Issuer to authorise the Directors to issue and allot the Substituted Preference Shares); and (cc) (provided that the Issuer has given the Substitution Notice) obtain and maintain a listing of the Substituted Preference Shares on a Recognised Stock Exchange.
- (vii) In connection with any Preference Share Substitution in accordance with this Condition 7(e), the Issuer shall comply with the rules of any stock exchange or other relevant authority on which the DCIs are for the time being listed or admitted to trading, and (for so long as the DCIs are listed on the Luxembourg Stock Exchange and the rules of such exchange require) shall publish a supplement in connection therewith.
- (viii) The provisions of this Condition 7(e) (except for Condition 7(e)(ii) as regards satisfaction of Accrued Coupon Payments (if any)) will apply *mutatis mutandis* to Conditions 7(c) and 7(d) in the event that the Qualifying Tier 1 Securities for which the DCIs may be substituted in accordance with either of Conditions 7(c) or 7(d) comprise Substituted Preference Shares.

(f) Purchases

The Issuer or any Subsidiary may, subject to Condition 2(b)(i), at any time purchase DCIs in any manner and at any price. In each case purchases will be made together with all unmatured Coupons and Talons appertaining thereto. If purchases are made by tender, tenders must be made available to all DCI Holders alike.

(g) Cancellation

All DCIs so redeemed or substituted by the Issuer and any unmatured Coupons and Talons appertaining thereto will be cancelled and may not be reissued or resold. DCIs purchased by the Issuer or any Subsidiary may not be held, reissued, resold and, accordingly, will forthwith be surrendered to any Paying Agent for cancellation.

(h) Trustee Not Obligated to Monitor

The Trustee shall not be under any duty to monitor whether any event or circumstance has happened or exists within this Condition 7 or whether a Suspension under Condition 8(d) has occurred and will not be responsible to DCI Holders for any loss arising from any failure by it to do so. Unless and until the Trustee has actual knowledge of the occurrence of any event or circumstance within this Condition 7 or the occurrence of a Suspension under Condition 8(d), it shall be entitled to assume that no such event or circumstance exists.

8. Payments

(a) Method of Payment

- (i) Payments of principal, premium and Coupon Amounts will be made by or on behalf of the Issuer against presentation and surrender of DCIs or the appropriate Coupons at the specified office of any of the Paying Agents except that payments of Coupon Amounts in respect of any period not ending on a Coupon Payment Date will only be made upon surrender of the relevant DCIs. Such payments will be made (subject to Condition 8(a)(ii) below), at the option of the payee, by pounds sterling cheque drawn on, or by transfer to a pounds sterling account maintained by the payee with, a bank in London.
- (ii) Upon the due date for redemption of any DCIs, any unexchanged Talon relating to such DCIs (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon and unmatured Coupons relating to such DCIs (whether or not attached) shall also become void and no payment shall be made in respect of them. If any DCI is presented for redemption without all unmatured Coupons and any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.
- (iii) On or after the Coupon Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any DCIs, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Principal Paying Agent in exchange for a further Coupon sheet (and another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 11).

(b) Payments Subject to Fiscal Laws

Without prejudice to the terms of Condition 10, all payments made in accordance with these Conditions shall be made subject to any fiscal or other laws and regulations applicable in the place of payment. No commissions or expenses shall be charged to the DCI Holders in respect of such payments.

(c) Payments on Business Days

If the date for payment of any amount in respect of any DCI or Coupon, or any later date on which any DCI or Coupon is presented for payment, is not a business day, then the holder thereof shall not be entitled to payment at that place of payment of the amount payable until the next following business day at that place of payment and shall not be entitled to any further interest or other payment in respect of any such delay. In this Condition 8(c), “business day” means any day (not being a Saturday, Sunday or a public holiday) on which commercial banks and foreign exchange markets which settle payments in sterling are open in London and in the relevant place of payment.

(d) Suspension

If, following any take-over offer made under the City Code on Take-overs and Mergers or any reorganisation, restructuring or scheme of arrangement the company which, immediately prior to such event, was the Ultimate Owner ceases to be the Ultimate Owner, then the Issuer shall as soon as practicable give notice to the DCI Holders in accordance with Condition 15, the Trustee, the Principal Paying Agent and the Calculation Agent, whereupon the operation of the ACSM shall be suspended (such event being a “Suspension”). In such event, unless a Permitted Restructuring Arrangement shall be put in place within six months of the occurrence of a Permitted Restructuring (in which case the Suspension shall cease upon such Permitted Restructuring Arrangement being put in place), an independent investment bank appointed by the Issuer (at the Issuer’s expense) and approved by the Trustee shall determine, subject to the requirements that (i) the Issuer shall not be obliged to reduce its net assets; (ii) no amendment may be proposed or made which would alter the regulatory capital treatment of the DCIs for insurance regulatory capital and solvency purposes without giving at least

six months' prior written notice to, and receiving no objection from, the FSA (or such shorter period of notice as the FSA may accept and so long as such notice is required to be given); and (iii) no such amendment may be made which would, in the Trustee's opinion, impose more onerous obligations on it without its consent, what amendments (if any) to these Conditions, the Trust Deed and any other relevant documents are appropriate in order to (aa) preserve substantially the economic effect, for the DCI Holders, of a holding of the DCIs prior to the Suspension and (bb) to replicate the ACSM in the context of the capital structure of the new Ultimate Owner. Upon any such determination being reached and notified to the Trustee and the Issuer by such investment bank, the Trustee and the Issuer shall, pursuant to the terms of the Trust Deed and without any requirement for the consent or the approval of the DCI Holders or Couponholders, effect any necessary consequential changes to these Conditions and the Trust Deed and any other relevant documents, whereupon the Issuer's right to satisfy an ACSM Payment by the method contemplated in Condition 6 shall no longer be subject to the Suspension.

If, after using all reasonable endeavours, such investment bank is unable to formulate such amendments, it shall so notify the Issuer, the previous Ultimate Owner (if not the Issuer), the new Ultimate Owner, the Trustee, the Principal Paying Agent and the Calculation Agent and the DCIs shall (subject in each case to giving at least six months' prior written notice to, and receiving no objection from, the FSA (or such shorter period of notice as the FSA may accept and so long as such notice is required to be given) and with the prior agreement of the new Ultimate Owner) at the option of the Issuer either be substituted for, or varied so that they become, Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities or shall be redeemed, in each case as described below.

If the DCIs are to be substituted for, or varied so that they become, Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities, the Issuer shall give not less than 30 nor more than 60 days' notice to the Trustee, the Principal Paying Agent, the Calculation Agent and, in accordance with Condition 15, the DCI Holders (which notice shall be irrevocable) and all (but not some only) of the DCIs will be substituted for, or the terms varied so that they become, Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities, and the Trustee shall (subject to the following provisions of this paragraph and subject to the receipt by it of the certificate of the Directors of the Issuer referred to in the definition of Qualifying Tier 1 Securities or (as the case may be) Qualifying Upper Tier 2 Securities and subject further to the receipt by it of the notification of the relevant investment bank referred to above) agree to such substitution or variation. In connection therewith, all Deferred Coupon Payments (if any) will either (at the option of the Issuer) (x) be carried over such that the rights thereto are preserved for the purposes of the Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities or (y) be satisfied (unless otherwise agreed by the Issuer and the Trustee) by the issue of Ordinary Shares to the new Ultimate Owner in consideration for which the new Ultimate Owner shall issue its ordinary shares (or capital of an equivalent class) so as to enable it to pay the amount of such Deferred Coupon Payments in accordance, *mutatis mutandis*, with Conditions 6(b), 6(c), 6(d) and 6(e) (with references to the Payment Ordinary Shares being construed as references to such ordinary shares or equivalent capital of the new Ultimate Owner which, when sold, provide a net cash amount of not less than the amount of such Deferred Coupon Payments so payable by the Issuer). The Trustee shall use its reasonable endeavours to assist the Issuer in the substitution or variation of the DCIs for or into Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities, provided that the Trustee shall not be obliged to participate or assist in any such substitution or variation if the terms of the securities into which the DCIs are to be substituted or are to be varied impose, in the Trustee's opinion, more onerous obligations upon it. If the Trustee does not so participate or assist as provided above, the Issuer may, subject as provided above, elect to redeem the DCIs as provided in this Condition 8(d). In connection with any substitution or variation in accordance with this Condition 8(d), the Issuer shall comply with the rules of any stock exchange or other relevant authority on which the DCIs are for the time being listed or admitted to trading, and (for so long as the DCIs are listed on the Luxembourg Stock Exchange and the rules of such exchange require) shall publish a supplement in connection therewith.

If the DCIs are to be redeemed by the Issuer, the Issuer shall give notice thereof to the Trustee, the Principal Paying Agent, the Calculation Agent and, in accordance with Condition 15, the DCI Holders

(which notice shall be irrevocable and which shall expire as soon as practicable after confirmation of no objection from the Financial Services Authority) and all (but not some only) of the DCIs will be redeemed at (in the case of any redemption prior to the First Reset Date) their Make Whole Redemption Price or (on or after the First Reset Date) their principal amount, together in each case with any Outstanding Payments, not later than the 60th Business Day following the giving of such notice by the Issuer to the DCI Holders. Such redemption will, unless otherwise agreed by the Issuer and the Trustee, be effected by the issue of Ordinary Shares to the new Ultimate Owner in consideration for which the new Ultimate Owner shall issue its ordinary shares (or capital of an equivalent class) so as to enable it to pay such redemption amount in accordance, *mutatis mutandis*, with Conditions 6(b), 6(c), 6(d) and 6(e) (with references to the Payment Ordinary Shares being construed as references to such ordinary shares or equivalent capital of the new Ultimate Owner which, when sold, provide a net cash amount of not less than the redemption amount so payable by the Issuer).

9. Non-Payment when Due

Notwithstanding any of the provisions below in Condition 9, the right to institute winding-up proceedings is limited to circumstances where payment has become due. Pursuant to Condition 2(b) no principal, premium or Payment will be due on the relevant Payment Date if the Issuer would not be solvent. Also, in the case of any Coupon Payment, such Payment will not be due if the Issuer has elected to defer that Payment pursuant to Condition 4 or if the circumstances referred to in any of Conditions 6(d), 6(e) or 8(d) then apply. The Trust Deed contains provisions entitling the Trustee to claim from the Issuer, inter alia, the fees, expenses and liabilities incurred by it in carrying out its duties under the Trust Deed. The restrictions on commencing proceedings described below will not apply to any such claim.

- (a) If the Issuer shall not make payment in respect of the DCIs (in the case of payment of principal and/or premium) for a period of seven days or more after the due date for the same or (in the case of any Coupon Amount, Deferred Coupon Payment, Accrued Coupon Payment or any payment under Clause 2.6 of the Trust Deed in respect of a payment shortfall) shall not make payment for a period of 14 days or more after the date on which such payment is due, the Issuer shall be deemed to be in default under the Trust Deed, the DCIs and the Coupons and the Trustee may, notwithstanding the provisions of Condition 9(b) institute proceedings for the winding-up of the Issuer.
- (b) Without prejudice to Condition 9(a) and subject as provided in Condition 18, the Trustee may at its discretion and without further notice institute such proceedings against the Issuer as it may think fit to enforce any term or condition binding on the Issuer under the Trust Deed, the DCIs or the Coupons (other than for the payment of any principal or premium or satisfaction of any Payments in respect of the DCIs or the Coupons, including any payment under Clause 2.6 of the Trust Deed in respect of a payment shortfall) provided that the Issuer shall not by virtue of the institution of any such proceedings be obliged to pay any sum or sums, in cash or otherwise, sooner than the same would otherwise have been payable by it.
- (c) The Trustee shall not be bound to take any of the actions referred to in Condition 9(a) or (b) above against the Issuer to enforce the terms of the Trust Deed, the DCIs or the Coupons unless (i) it shall have been so requested by an Extraordinary Resolution of the DCI Holders or in writing by the holders of at least one-quarter in principal amount of the DCIs then outstanding and (ii) it shall have been indemnified and/or secured to its satisfaction.
- (d) No DCI Holder or Couponholder shall be entitled to proceed directly against the Issuer or to institute proceedings for the winding-up of the Issuer or to prove in such winding-up unless the Trustee, having become so bound to proceed or being able to prove in such winding-up, fails to do so within a reasonable period and such failure shall be continuing, in which case the DCI Holder or Couponholder shall have only such rights against the Issuer as those which the Trustee is entitled to exercise. No remedy against the Issuer shall be available to the Trustee or any DCI Holder or Couponholder (i) for the recovery of amounts owing in respect of the DCIs or the Coupons (including any payment under Clause 2.6 of the Trust Deed in respect of a payment shortfall), other than the institution of

proceedings for the winding-up of the Issuer and/or proving in such winding-up of the Issuer and (ii) for the breach of any other term under the Trust Deed, the DCIs or the Coupons, other than as provided in Condition 9(b) above.

10. Taxation

All payments by the Issuer of principal, premium, Coupon Amounts, Deferred Coupon Payments, Accrued Coupon Payments and Solvency Claims in respect of the DCIs will be made without withholding of or deduction for, or on any account of, any present or future United Kingdom taxes, duties, assessments or governmental charges of whatsoever nature imposed or levied by or on behalf of the United Kingdom or any political subdivision thereof or by any authority therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties, assessments or governmental charges is required by law. In that event the Issuer will pay such additional amounts (“Additional Amounts”) as may be necessary in order that the net amounts receivable by DCI Holders or Couponholders after such withholding or deduction shall equal the respective amounts of principal and interest which would have been receivable in respect of the DCIs or, as the case may be, Coupons in the absence of a requirement to make such withholding or deduction, except that no such additional amounts shall be payable in relation to any payment with respect to any DCIs or Coupon:

- (a) to, or to a third party on behalf of, a holder who (i) would be able to avoid such withholding or deduction by satisfying any statutory requirements or by making a declaration of non-residence or similar claim for exemption but fails to do so, or (ii) is liable to such taxes, duties, assessments or governmental charges in respect of such DCI or Coupon by reason of his having some connection with the United Kingdom other than a mere holding of such DCI or Coupon;
- (b) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to any law implementing or complying with, or introduced in order to conform to, European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive;
- (c) presented for payment by or on behalf of a DCI Holder or a Couponholder who would have been able to avoid such withholding or deduction by presenting the relevant DCI or Coupon to another Paying Agent in a Member State of the European Union; or
- (d) presented for payment more than 30 days after the Relevant Date except to the extent that the DCI Holder or Couponholder thereof would have been entitled to such additional amounts on presenting the same for payment on the last day of such period of 30 days.

References in these Conditions to principal, premium, Coupon Amounts, Deferred Coupon Payments and/or Accrued Coupon Payments, shall be deemed to include any additional amounts which may become payable pursuant to the foregoing provisions or any undertakings given in addition thereto or in substitution therefor pursuant to the Trust Deed.

11. Prescription

DCIs and Coupons (which for this purpose shall not include Talons) will become void unless presented for payment within a period of 10 years in the case of DCIs and five years in the case of Coupons from the Relevant Date relating thereto. There shall be no prescription period for Talons but there shall not be included in any Coupon sheet issued in exchange for a Talon any Coupon the claim in respect of which would be void pursuant to this Condition or Condition 8(a)(ii) or any Talon which would be void pursuant to Condition 8(a)(ii).

12. Meetings of DCI Holders, Modification, Waiver and Substitution

The Trust Deed contains provisions for convening meetings of DCI Holders to consider any matter affecting their interests including the modification by Extraordinary Resolution (as defined in the Trust Deed) of these Conditions or other provisions of the Trust Deed.

The quorum at any such meeting for passing an Extraordinary Resolution will be one or more persons holding or representing a clear majority in principal amount of the DCIs for the time being outstanding, or at any adjourned meeting one or more persons being or representing DCI Holders whatever the principal amount of the DCIs so held or represented, except that at any meeting the business of which includes the modification of certain of these Conditions (including, *inter alia*, the provisions regarding subordination referred to in Conditions 2 and 3, the terms concerning currency and due dates for payment of principal, any applicable premium or Coupon Payments in respect of the DCIs and reducing or cancelling the principal amount of any DCIs, any applicable premium or the Coupon Rate) and certain other provisions of the Trust Deed the quorum will be one or more persons holding or representing not less than two-thirds, or at any adjourned such meeting not less than one-third, in principal amount of the DCIs for the time being outstanding. The agreement or approval of the DCI Holders shall not be required in the case of any variation of these Conditions and/or the Trust Deed required to be made in the circumstances described in Conditions 7(c), 7(d) and 8(d) in connection with the substitution or variation of the DCIs so that they become Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities (as the case may be), and to which the Trustee has agreed pursuant to the relevant provisions of Conditions 7(c), 7(d) or 8(d), as the case may be.

An Extraordinary Resolution passed at any meeting of DCI Holders will be binding on all DCI Holders, whether or not they are present at the meeting, and on all Couponholders.

The Trustee may agree (subject to the Trust Deed), without the consent of the DCI Holders or Couponholders, to any modification (except as set out above in relation to the higher quorum requirements at any meeting of DCI Holders) of, or to any waiver or authorisation of any breach or proposed breach of, any of these Conditions or any other provisions of the Trust Deed, the Paying Agency Agreement or the Calculation Agency Agreement which, in the opinion of the Trustee, is not materially prejudicial to the interests of the DCI Holders or to any modification which, in the opinion of the Trustee, is of a formal, minor or technical nature or to correct a manifest error. No modification to these Conditions or any other provisions of the Trust Deed or substitution as described below shall become effective unless the Issuer shall have given at least one month's prior written notice to, and received no objection from, the FSA (or such shorter period of notice as the FSA may accept and so long as there is a requirement to give such notice).

The Trustee, if it is satisfied that so to do would not be materially prejudicial to the interests of the DCI Holders or Couponholders, may agree with the Issuer, without the consent of the DCI Holders or Couponholders, to the substitution on a subordinated basis equivalent to that referred to in Condition 2 of any person or persons incorporated in any country in the world (other than the United States) (the "Substitute Obligor") in place of the Issuer (or any previous Substitute Obligor under this Condition) as a new principal debtor under the Trust Deed, the DCIs and the Coupons provided that:

- (a) a trust deed is executed or some other form of undertaking is given by the Substitute Obligor in form and manner satisfactory to the Trustee, agreeing to be bound by the terms of the Trust Deed, the DCIs, the Coupons and the Talons, with any consequential amendments which the Trustee may deem appropriate, as fully as if the Substitute Obligor had been named in the Trust Deed and on the DCIs, the Coupons and the Talons, as the principal debtor in place of the Issuer (or of any previous Substitute Obligor, as the case may be);
- (b) (unless the successor in business of the Issuer is the Substitute Obligor) the obligations of the Substitute Obligor under the Trust Deed, the DCIs, the Coupons and the Talons are guaranteed by the Issuer (or the successor in business of the Issuer) on a subordinated basis equivalent to that referred to in Condition 2 and in the Trust Deed and in a form and manner satisfactory to the Trustee;
- (c) if the directors of the Substitute Obligor or other officers acceptable to the Trustee shall certify that the Substitute Obligor is solvent at the time at which the said substitution is proposed to be effected,

the Trustee may rely absolutely on such certification and shall not be bound to have regard to the financial condition, profits or prospects of the Substitute Obligor or to compare the same with those of the Issuer;

- (d) (without prejudice to the rights of reliance of the Trustee under Condition 12(c)) the Trustee is satisfied that the said substitution is not materially prejudicial to the interests of the DCI Holders;
- (e) (without prejudice to the generality of Condition 12(a)) the Trustee may in the event of such substitution agree, without the consent of the DCI Holders or Couponholders, to a change in the law governing the Trust Deed and/or the DCIs and/or the Coupons and/or the Talons, provided that such change would not in the opinion of the Trustee be materially prejudicial to the interests of the DCI Holders;
- (f) if the Substitute Obligor is, or becomes, subject generally to the taxing jurisdiction of a territory or any authority of or in that territory with power to tax (the “Substituted Territory”) other than the territory of the taxing jurisdiction of which (or to any such authority of or in which) the Issuer is subject generally (the “Issuer’s Territory”), the Substitute Obligor will (unless the Trustee otherwise agrees) give to the Trustee an undertaking satisfactory to the Trustee in terms corresponding to Condition 10 with the substitution for the references in that Condition to the Issuer’s Territory of references to the Substituted Territory whereupon the Trust Deed, the DCI, the Coupons and the Talons, will be read accordingly; and
- (g) the Issuer and the Substitute Obligor comply with such other requirements as are reasonable in the interests of the DCI Holders, as the Trustee may direct.

In connection with any proposed substitution as aforesaid and in connection with the exercise of its functions (including but not limited to those referred to in this Condition 12), the Trustee shall have regard to the interests of the DCI Holders as a class and the Trustee shall not have regard to the consequences of such substitution or such exercise for individual DCI Holders or Couponholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory. In connection with any substitution or such exercise as aforesaid, no DCI Holder or Couponholder shall be entitled to claim, whether from the Issuer, the Substitute Obligor or the Trustee or any other person, any indemnification or payment in respect of any tax consequence of any such substitution or any such exercise upon any individual DCI Holders or Couponholders except to the extent already provided in Condition 10 and/or any undertaking given in addition thereto or in substitution therefor pursuant to the Trust Deed.

Any such modification, waiver, authorisation or substitution shall be binding on all DCI Holders and all Couponholders and, unless the Trustee agrees otherwise, any such modification or substitution shall be notified to the DCI Holders in accordance with Condition 15 as soon as practicable thereafter.

SUMMARY OF PROVISIONS RELATING TO THE DCIs WHILE IN GLOBAL FORM

Each Temporary Global DCI and Permanent Global DCI contains provisions which apply to the DCIs of the relevant Tranche while they are in global form, some of which modify the effect of the terms and conditions of such DCIs as set out in this document. The following is a summary of certain of those provisions (references to the DCIs, the DCI Holders, the Global DCIs, the Temporary Global DCI, the Permanent Global DCI and the Terms and Conditions are to the DCIs, the DCI Holders, the Global DCIs, the Temporary Global DCI, the Permanent Global DCI and the Terms and Conditions, respectively, of each Tranche):

1. Exchange

The Temporary Global DCI is exchangeable in whole or in part for interests in the Permanent Global DCI on or after a date which is expected to be 10 January 2005 upon certification as to non-U.S. beneficial ownership in the form set out in the Temporary Global DCI. The Permanent Global DCI is exchangeable in whole but not in part (free of charge to the holder) for the Definitive DCIs described below (i) if the Permanent Global DCI is held on behalf of a clearing system and such clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so or (ii) if the Issuer would suffer a material disadvantage in respect of the DCIs as a result of a change in the laws or regulations (taxation or otherwise) of any jurisdiction referred to in Condition 10 which would not be suffered were the DCIs in definitive form and a certificate to such effect signed by two Directors of the Issuer is delivered to the Trustee. Thereupon (in the case of (i) above) the holder may give notice to the Trustee and the Principal Paying Agent, and (in the case of (ii) above) the Issuer may give notice to the Trustee, the Principal Paying Agent and the DCI Holders, of its intention to exchange the Permanent Global DCI for Definitive DCIs on or after the Exchange Date specified in the notice.

On or after the Exchange Date (as defined below) the holder of the Permanent Global DCI may surrender the Permanent Global DCI to or to the order of the Principal Paying Agent. In exchange for the Permanent Global DCI the Issuer will deliver, or procure the delivery of, an equal aggregate principal amount of duly executed and authenticated Definitive DCIs (having attached to them all Coupons in respect of interest which has not already been paid on the Permanent Global DCI and a Talon for further Coupons), security printed in accordance with any applicable legal and stock exchange requirements and in or substantially in the form set out in Schedule 1 to the Trust Deed. On exchange of the Permanent Global DCI, the Issuer will, if the holder so requests, procure that it is cancelled and returned to the holder together with any relevant Definitive DCIs.

“Exchange Date” means a day falling not less than 60 days after that on which the notice requiring exchange is given and on which banks are open for business in the city in which the specified office of the Principal Paying Agent is located and, except in the case of exchange pursuant to (i) above, in the cities in which the relevant clearing system is located.

2. Payments

No payment will be made on the Temporary Global DCI unless exchange for an interest in the Permanent Global DCI is improperly withheld or refused. Payments of principal, premium and interest in respect of DCIs represented by the Permanent Global DCI will be made (subject as provided in the Conditions) against presentation for endorsement and, if no further payment falls to be made in respect of the DCIs, surrender of the Permanent Global DCI to or to the order of the Principal Paying Agent or such other Paying Agent as shall have been notified to the DCI Holders for such purpose. A record of each payment so made will be endorsed in the appropriate schedule to the Permanent Global DCI, which endorsement will be *prima facie* evidence that such payment has been made in respect of the DCIs. Condition 10(c) and Condition 17(c) of the Euro DCIs and of the Sterling DCIs will apply to the Definitive DCIs only.

3. Notices

So long as the DCIs are represented by the Permanent Global DCI and the Permanent Global DCI is held on behalf of a clearing system, notices to DCI Holders may be given by delivery of the relevant notice to that clearing system for communication by it to entitled accountholders in substitution for publication as required by the Conditions except that so long as the DCIs are listed on the Luxembourg Stock Exchange and the rules of that Exchange so require, notices shall also be published in a leading newspaper having general circulation in Luxembourg (which is expected to be the *Luxemburger Wort*).

4. Prescription

Claims against the Issuer in respect of principal, premium and interest on the DCIs while the DCIs are represented by a Global DCI will become void unless it is presented for payment within a period of 10 years (in the case of principal and premium) and five years (in the case of interest) from the Relevant Date (as defined in Condition 21 of each Tranche of the DCIs).

5. Purchase and Cancellation

Cancellation of any DCI required by the relevant Conditions to be cancelled following its purchase will be effected by a reduction in the principal amount of the relevant Global DCI.

6. Trustee's Powers

In considering the interests of DCI Holders while a Permanent Global DCI is held on behalf of a clearing system, the Trustee may have regard to any information provided to it by such clearing system or its operator as to the identity (either individually or by category) of its accountholders with entitlements as against the clearing system or its operator to amounts of principal in respect of a Permanent Global DCI and may consider such interests as if such accountholders were the holder of such Permanent Global DCI.

7. Meetings

The holder of the Permanent Global DCI will, at a meeting of DCI Holders, be treated as having one vote in respect of each €1,000 (in the case of the Euro DCIs) or £1,000 (in the case of the Sterling DCIs) in principal amount of DCIs for which the Permanent Global DCI may be exchanged.

8. Preference Share Substitution

Subject to the requirements of the relevant clearing system, Substituted Preference Shares shall only be delivered on a Preference Share Substitution if the Permanent Global DCI is presented to or to the order of the Principal Paying Agent together with one or more duly completed Substitution Confirmations.

9. Accountholder as DCI Holder

For so long as the DCIs are represented by the Temporary Global DCI and/or the Permanent Global DCI, each person who is for the time being shown in the records of a clearing system as the holder of a particular principal amount of DCIs (in which regard any certificate or other document issued by a clearing system as to the principal amount of the DCIs standing to the account of any person shall be conclusive and binding for all purposes) shall be treated by the Issuer, the Trustee, the Paying Agents and the bearer of the Temporary Global DCI and/or the Permanent Global DCI (as the case may be) as a holder of such principal amount of DCIs for all purposes other than with respect to the payment of principal, premium (if any) and interest on the DCIs, the right to which shall be vested, as against the Issuer and the Trustee, solely in the bearer of the Global DCI in accordance with and subject to its terms and the terms of the Trust Deed.

USE OF PROCEEDS

The net proceeds of the issue of the DCIs, expected to amount to approximately £981,000,000, will be used to fund the general business and commercial activities of the Group, including repayment of existing debts, and to strengthen further its capital base.

The Issuer is the holding company for one of the world's leading global insurance groups. The Aviva group of companies (the "Group") is the world's fifth-largest insurance group¹. It is one of the leading² providers of life and pensions products to Europe and has substantial businesses elsewhere around the world. Its main activities are long-term savings, fund management and general insurance. reporting for long-term insurance business (the achieved profit method)” circulated by the Association of British Insurers in December 2001. The Group has focused on the achieved profit basis, as the Group believes that life achieved operating profit is a more realistic measure of the performance of life businesses than the modified statutory basis. The achieved profit basis is used throughout the Group, and by many in the investment community, to assess performance. The modified statutory basis, which is used in the statutory financial statements, is also identified in the headline figures. Modified statutory operating profit before tax for the six months to 30 June 2004 amounted to £878 million (year ended 31 December 2003: £1,490 million; year ended 31 December 2002: £1,218 million).

The Group was formed by the merger of CGU plc (renamed CGNU plc on completion of the merger, and subsequently renamed Aviva plc on 1 July 2002) and Norwich Union plc on 30 May 2000. CGU plc and Norwich Union plc were both major insurers operating successfully in the long-term savings and general insurance markets, and had corporate histories of considerable duration. CGU plc was formed in 1998 from the merger of Commercial Union plc and General Accident plc. Commercial Union was established in 1861, General Accident was founded in 1885 and Norwich Union was founded in 1797.

The Issuer is incorporated in England as a public limited company, registered number 2468686. The authorised share capital of the Issuer is £950 million divided into 3,000 million ordinary shares of 25p each, of which 2,261,739,859 had been issued at 30 June 2004 and are fully paid, and 200 million irredeemable preference shares of £1 each, all of which have been issued and are fully paid, resulting in an issued share capital of £765,434,964.75.

The registered office of the Issuer is St Helen’s, 1 Undershaft, London EC3P 3DQ. The memorandum and articles of association form the constitutional documents of the Issuer.

Organisational structure

The following chart shows at 30 June 2004, in simplified form, the organisational structure of the Group. The Issuer is the holding company of the Group:

Group aims and strategy

The aim of the Group is to become a leading European-based financial services provider, with a focus on long-term savings as its engine of growth. The Group is committed to developing a world-class fund management business and to raising the quality of its general insurance earnings. To generate real value for its shareholders, the Group concentrates on markets where it believes it can achieve a leading position. In line with this, the Group has recently announced the sale of its general insurance businesses in Asia following a strategic review. The Group is now to focus on its long-term business in this region.

In summary the Group's strategy is:

- to grow its long-term savings business aggressively and profitably;
- to build a world-class fund management business;
- to take a focused approach to general insurance, with disciplined underwriting and efficient claims-handling;
- to build top-five positions in key markets; and
- to withdraw from lines of business or markets that do not offer the potential for market-leading positions or superior returns.

Brand

In February 2002, the Group announced its intention to rebrand itself and change the name of the parent company to Aviva plc. CGNU plc changed its name on 1 July 2002. The task of rebranding the Group's worldwide trading operations has largely been completed. The Aviva brand is used across many of the Group's continental European and international businesses. The main exceptions to this are the use of the Norwich Union brand in the United Kingdom, Hibernian in Ireland, Delta Lloyd in The Netherlands and CU Polska in Poland, which are being retained due to the strength of these brands in their local markets.

Recent developments

Closure

In February 2004, the Group announced the closure of its high street broking operation, HHH, and the sale of its commercial brokers. As part of this closure programme, the Group also planned to convert over 550,000 customers to the direct operation. The cost of this programme was estimated to be £50 million. The Group will complete the closure of all its branches by the end of November 2004. Consideration for disposals relating to HHH is £13.5 million, this includes the disposal of HHH Commercial.

Disposals

In July 2004, the Group announced the sale of its estate agency “Your Move” and “e.surv” surveying businesses, for £42 million to Lending Solutions Limited backed by Barclays Private Equity, as these businesses were no longer core to Aviva’s strategy.

The Group announced in September 2004 that following a strategic review of its businesses in Asia, the Group plans to focus on its long-term savings businesses in the Asia region, and it has therefore entered into an agreement to sell its general insurance operations to Mitsui Sumitomo Insurance Co. Ltd. for U.S.\$450 million in cash. The sale is expected to complete in the various territories during 2005.

Acquisitions

In August 2004, the Group announced that Norwich Union Insurance Limited (“NUI”), its UK general insurance business had acquired the entire share capital of HPI Group Holdings Limited (“HPI”) for £118.5 million in cash and £1.5 million in loan notes. HPI is one of the UK’s leading providers¹⁹ of vehicle status checks for used-car purchasers in the UK. This acquisition supports the general insurance business objective of extending its service offering and increasing its level of non-insurance income.

China

In January 2003, the Group established a joint venture operation in China with China National Cereals, Oils and Foodstuffs Import and Export Corporation and set up offices in Guangzhou. Earlier this year the Group was granted two further licences to operate in the capital Beijing and Chengdu, the Sichuan capital. In September 2004, the Group opened branch offices in these cities.

Operational initiatives

Offshoring and outsourcing plans

In December 2003, the Group announced that it would create around 2,500 jobs in India in 2004 to service the Group’s UK and Canadian businesses. The Group also announced its intention to increase this to a total of 3,700 staff by the end of 2004.

In June 2004, the Group announced the restructuring of its business services division in UK life, resulting in approximately 700 job losses and the reduction of 250 contract worker positions. This work, predominantly software development and application support, will be transferred to IT outsourcing companies with global operations. The Group expects costs associated with these job losses to be approximately £30 million.

In September 2004, the Group announced plans to increase the offshoring capacity by 950 roles, building on the 3,700 roles announced in 2003. Aviva expects to conclude its offshoring plans by the end of 2007 and anticipates that it will have up to 7,000 roles offshore by then, servicing its existing UK businesses. Aviva expects no more than 150 compulsory redundancies in 2005 as a result of expanding its offshoring.

Accounting developments

In July 2004, the Accounting Standards Board issued Financial Reporting Exposure Draft 34 Life Assurance, in response to concerns raised by the Penrose Report. This exposure draft, which is currently expected to be finalised in December 2004 for implementation for the 31 December 2004 year end, has a specific requirement that options and guarantees be measured at fair value or at an amount using a market consistent stochastic model. Under the current proposals the Group would be required to apply these rules to the Group's UK with-profits funds.

Crédit du Nord

The Group commenced a joint venture with Crédit du Nord on 1 October 2004 for a minimum of 12 years, which will provide Aviva with exclusive distribution for most product types through Crédit du Nord's network of over 600 branches and access to a customer base of around 1.2 million.

Banche Popolari Unite

In April 2004, the Group announced the extension of its current life and savings distribution partnership in Italy with Banca Popolare Commercio e Industria, to the wider Banche Popolari Unite Group. This extension will increase Aviva's access to the banks' branches in Italy by 380 to 3,500 in total.

Securitisation of life new business strain

In October 2004, the Group announced an innovative financing arrangement with RBSG creating a £200 million loan facility, which will provide matched funding for the Group's new term and mortgage protection life insurance business. This arrangement provides an alternative source of funding to financial reinsurance.

Ratings reaffirmed

On 21 September 2004, Standard and Poor's reaffirmed the financial strength rating of AA ("very strong") with a stable outlook in respect of the Group's UK life business. The AA- financial strength rating on the Group's other core operating entities was also reaffirmed on this date.

Interim results of the Group

On 4 August 2004, the Group announced its unaudited interim results as at and for the six months to 30 June 2004, summarised as follows:

	As at and for the six months ended 30 June	
	2004	2003

† Based on equity shareholder funds after adding back the claims equalisation provision.

* As at 31 December 2003.

On 4 August 2004, the Board declared an interim dividend of 9.36 pence net per share, an increase of 4 per cent. on the 2003 interim dividend.

Worldwide long-term new business sales also showed steady progress in the first half of 2004 with growth in total long-term business sales (including investments sales) of 7 per cent. to £7,889 million. Worldwide life and pension sales increased by 3 per cent., to £7,114 million.

In the UK, Norwich Union delivered a solid performance with an increase in total sales of 6 per cent. to £3,465 million. In continental Europe, the Group's business delivered 14 per cent. growth to £4,084 million reflecting strong sales of unit-linked savings products in France and The Netherlands, particularly those sold through the ABN AMRO bancassurance channel. Sales through the Group's bancassurance partnerships in Spain and Italy were lower compared to the first half of 2003, which benefited from the impact of marketing efforts and one-off-sales. In the Group's international business, sales were lower following weaker sales in the Group's U.S. Life operations, the effect of this was offset in part by improving sales in Australia, where investor confidence in equity markets appears to be returning.

The Group is seeing signs of investor confidence returning, however the level of uncertainty surrounding worldwide economic conditions continues to dampen an upturn in demand, particularly in respect of savings growth in the UK.

New business margins²⁰ increased to 26.5 per cent. overall for the Group in comparison to 26.1 per cent. for the year ended 31 December 2003.

The Group's worldwide general insurance operations had a very strong start to 2004, with operating profit of £613 million (2003: £387 million) and a COR of 97 per cent. (2003: 101 per cent.) across the Group. The results from all of the Group's major businesses benefited from a positive rating environment, lower claims frequency and better than expected weather-related claims experience. Scale advantages, claims management and efficiencies are expected to provide ongoing benefits. The longer-term investment return on general insurance business assets increased to £508 million (2003: £458 million), reflecting the higher start of year asset values and the interest earned on the proceeds of the subordinated debt issue, raised in the third quarter of 2003.

Underwriting profit for the period amounted to £105 million (2003: loss of £71 million). The improved performance was driven by the Group's disciplined approach to underwriting and claims management and the non-recurrence of the reserve strengthening of £70 million in the Group's Canadian business, Pilot, in the first half of 2003. Better than expected weather-related claims experience in the first six months of 2004 amounted to £30 million (2003: £40 million). The worldwide expense ratio improved to 10.8 per cent. (2003: 10.9 per cent.). The improvement reflects the benefit of ongoing cost efficiency initiatives across the Group's business operations.

Cost efficiency initiatives are continuing across the Group. These include restructuring of part of the Group's Norwich Union life business, resulting in approximately 700 job losses and a reduction of 250 contract worker positions by the end of 2005. The Group expects costs associated with these job losses to be in the order of approximately £30 million.

The Group indicated at the time of its 2003 full year announcement that it anticipated achieving £250 million of gross annualised cost savings in 2004 based on the actions announced up to the end of 2003. This would deliver a net benefit to the profit and loss account of £85 million for the 2004 financial year, after the impact of one-off costs of £140 million in that year. As at 30 June 2004, the net pre-tax benefit to the profit and loss account (relative to the first half of 2002) was £30 million, after bearing one-off costs of £75 million.

Group capital and financial strength

Equity shareholders' funds on an embedded value basis were £10,854 million (31 December 2003: £10,965 million) reflecting strong operational performance and the adverse impact of foreign exchange in the period.

20 *ibid* p80.

Net asset value per ordinary share, based on equity shareholders' funds²¹, was lower at 496 pence per share (31 December 2003: 502 pence per share) after adding back the equalisation provision of £375 million (31 December 2003: £364 million).

At 30 June 2004 the Group had £20.4 billion (31 December 2003: £20.5 billion) of total capital employed in its trading operations which is financed by a combination of equity shareholders' funds, preference capital, subordinated debt and internal and external borrowings.

The ratio of the Group's external debt to shareholders' funds was 12 per cent. (31 December 2003: 12 per cent.). Interest cover, which measures the extent to which external interest costs, excluding the subordinated debt interest, are covered by achieved operating profit, was 30 times (31 December 2003: 19 times).

With-profit funds – statutory basis

The free asset ratio ("FAR") is the measure of the excess of assets over liabilities, expressed as a proportion of liabilities. The ratio is based on the statutory basis (as modified) including provision for adverse movement in asset values, the resilience test, based on a fall in equity values of 13.7 per cent. and property of 20.0 per cent. The estimated aggregate FAR for the three main life companies²² at 30 June 2004 was 14.3 per cent. (31 December 2003: 16.2 per cent.).

With-profit funds – realistic basis

The Group measures its realistic strength by the value of the orphan estate. The estate provides a level of capital that is available to absorb any unexpected short-term impact from adverse experience. It provides investment freedom to improve policyholders' returns and enables the operation of the with-profit business and associated features of guarantees and smoothing. The estimated orphan estate amounted to £4.2 billion²³ (31 December 2003: £4.3 billion). Appropriate allowance is made for all realistic liabilities of the with-profit funds, including provision for future bonuses, the fair value of guarantees, options and promises on a market consistent basis and the cost of shareholder transfers and tax associated with future bonus. The calculations also make allowance for how the with-profit funds are expected to be run, for example investment policy, and how policyholders are expected to behave, for example persistency.

FARs for the three main UK life companies²² at 30 June 2004 are set out below, with a comparison of the realistic solvency position:

	Estimated statutory FAR	Estimated realistic orphan estate	Estimated required capital margin	Estimated excess
	<i>(per cent.)</i>	<i>£bn</i>	<i>£bn</i>	<i>£bn</i>
CGNU Life	16.8	1.4	0.4	1.0
CULAC	12.2	1.5	0.4	1.1
NUL&P ²⁴	14.4	1.3	1.0	0.3
Aggregate	14.3	4.2	1.8	2.4

*Based on PS04/16, the RCM is 2.3 times covered by the orphan estate in aggregate.

At 30 June 2004, the aggregate value of with-profit funds in the UK life business invested on behalf of the Group's policyholders amounted to £52 billion (31 December 2003: £50 billion). The split of investments

21 *ibid* p80.

22 The three main UK life companies: CGNU Life Assurance Limited ("CGNU Life"), Commercial Union Life Assurance Company Limited ("CULAC") and Norwich Union Life and Pensions Limited ("NUL&P").

23 The realistic orphan estate has been calculated in line with the key principles of PS04/16, including the stress tests to determine the required capital margin (RCM). This is a stronger basis than the ABI basis on which the Group's previous results were disclosed. PS04/16 Integrated Prudential Sourcebook for insurers was published in July 2004 by the FSA. This is expected to become final in November 2004 in order to be applicable for years ending on or after 31 December 2004.

24 The FAR for NUL&P includes implicit items for non-profit business only.

included 39 per cent. (31 December 2003: 38 per cent.) invested in equities and 41 per cent. (31 December 2003: 42 per cent.) invested in fixed interest products.

General insurance – regulatory basis

The Group’s principal UK general insurance regulated subsidiaries are CGU International Insurance plc (“CGUII”) and NUI. CGUII is the parent company of the majority of the Group’s overseas life and general insurance subsidiaries. Solvency cover at 30 June 2004 was estimated at 6.3 times for CGUII and 2.6 times for the NUI group. On an aggregate basis the estimated excess solvency margin for CGUII and NUI (representing the regulatory value of excess available assets over the required minimum margin) at 30 June 2004 was £3.9 billion (31 December 2003: £3.9 billion).

General insurance – realistic basis

The Group uses risk-based capital as one of its measures to assess the capital requirements for its general insurance businesses. Its current methodology assesses insurance, market and credit risks and makes prudent allowances for diversification benefits. Based on the Group’s model, the risk based capital requirement for its general insurance businesses at 30 June 2004 was £3.3 billion (31 December 2003: £3.3 billion). A remaining £4.5 billion²³ (31 December 2003: £4.3 billion) was available to support the Group’s overseas life businesses, approximately 2.3 times (31 December 2003: 2.2 times) the minimum solvency requirement.

EU Groups directive

The Group had an estimated excess regulatory capital, as measured according to the EU Insurance Groups Directive, of some £2.2 billion at 30 June 2004 (31 December 2003: £2.4 billion). This measure represents the excess of the aggregate value of the regulatory capital employed in the business over the aggregate minimum solvency requirements imposed by local regulators, excluding the surplus held in the Group’s UK and Irish with-profits funds.

Third quarter new business results

On 29 October 2004, the Group announced its new business results for the nine months to 30 September 2004.

	Nine months ended 30 September	
	2004	2003
Total life and pension new business sales.....	£10,835 m	£9,889 m
Total investment sales	£1,126 m	£871 m

Life and pensions new business sales on an APE basis	£1,847 m	£1,745 m
Investment sales on an APE basis.....	£129 m	£98 m
	£1,976 m	£1,843 m

The Group has achieved strong growth across its business units, particularly in the UK and continental Europe. Total new business sales increased by 13 per cent.²⁵ to £11,961 million (2003: £10,760 million), with 11 per cent.²⁵ growth in the UK and 17 per cent.²⁵ growth in the Group’s continental European businesses. Worldwide life and pension sales on an APE basis have increased by 7 per cent.²⁵ and total investment sales on an APE basis have increased 33 per cent.²⁵ Total bancassurance sales have increased by 11 per cent.²⁵ to

£2,839 million (2003: 2,617 million) with a good performance from the Group's arrangement with ABN AMRO.

The new business contribution increased to £487 million (2003: £437 million), an increase of 13 per cent.²⁵ driven by increases in the UK, France and The Netherlands. The overall new business margin increased to 26.4 per cent. (2003: 25.0 per cent.)

Outlook

The Directors believe that the Group is in a strong and competitive position. Prospects for the long-term savings business are good across the Group's business units and in particular are improving in the UK as some investor confidence returns to the market. In the UK, the Group has taken actions to ensure that it is ready to meet the challenges of depolarisation (as to which see "– United Kingdom regulation – Future developments" below) with its broad distribution strategy. The Group has developed an effective distribution network across its continental European businesses, which supports its strong positions in a number of major European life markets. The Group believes that it is well placed to continue its positive performance given its well recognised brands, product mix and distribution network.

The Group continues to maintain good underwriting discipline within its general insurance businesses and it is encouraged that despite a slowdown in the underwriting cycle the Group is still achieving premium rate increases.

Industry developments

Pension mis-selling

The pensions review of past sales of personal pension policies which involved transfers, opt-outs and non-joiners from occupational schemes, as required by the FSA, has largely been completed. A provision of some £65 million as at 31 December 2003 (2002: £68 million) remains to meet the outstanding costs of the few remaining cases, the anticipated cost of any guarantees provided, and potential levies payable to the Financial Services Compensation Scheme. It continues to be the directors' view that there will be no material effect either on the Group's ability to meet the expectations of policyholders or on shareholders.

Guarantees on long-term savings products

As a normal part of their operating activities, various Group companies have given guarantees, including interest rate guarantees, in respect of certain long-term insurance and fund management products. In the United Kingdom, in common with other pension and life policy providers, the Group wrote individual and Group pension policies in the 1970s and 1980s with a guaranteed annuity rate option ("GAO"). Since 1993, such policies have become more valuable to policyholders and more costly for insurers, as current annuity rates have fallen in line with interest rates.

Reserving policies for the cost of GAOs varied until a ruling by the House of Lords in the Equitable Life case in 2000 which effectively required full reserving by all companies. Prior to the ruling, consistent with the Group's ordinary reserving practice in respect of such obligations, full reserves for GAOs had already been established. No adjustment was made, or was necessary, to the Group's reserving practice as a result of the ruling. The Directors continue to believe that the existing provisions are sufficient.

Endowments

In December 1999, the FSA announced the findings of its review of mortgage endowments and expressed concern as to whether, given decreases in expected future investment returns, such policies could be expected to cover full repayment of mortgages. A key conclusion was that, on average, holders of mortgage endowments had enjoyed returns such that they had fared at least as well as they would have done without an endowment. Nevertheless, following the FSA review, all of the Group's UK mortgage endowment

²⁵ *ibid* p83.

policyholders received policy-specific letters advising them whether their investment was on track to cover their mortgage.

In May 2002, in accordance with FSA requirements, the Group commenced sending out the second phase of endowment policy update letters, which provide policyholders with information about the performance of their policies and advice as to whether these show a projected shortfall at maturity. The Group will continue to send these updates annually to all mortgage endowment holders, in accordance with FSA requirements.

An expense provision of £180 million as at 30 June 2004 (31 December 2003: £80 million) has been made to meet potential mis-selling costs and the associated expenses of investigating complaints. It continues to be the directors' view that there will be no material effect either on the Group's ability to meet the expectations of policyholders or on shareholders.

In August 2004, the Group confirmed its intention to introduce time barring on mortgage endowment complaints, under FSA rules, by the end of 2005. The Group is writing to its 1.1 million endowment policyholders as part of its ongoing review, stating that it intends to introduce a time bar on mortgage endowment complaints in the future. Customers will be given at least 12 months' individual notice before a time bar becomes applicable – double the six months' notice required by the FSA.

Asbestos, pollution and social environmental issues

In the course of conducting insurance business, various companies within the Group receive general insurance liability claims, and become involved in actual or threatened litigation arising therefrom, including claims in respect of pollution and other environmental hazards. Amongst these are claims in respect of asbestos production and handling in various jurisdictions, including the United Kingdom, Australia and Canada. Given the significant delays that are experienced in the notification of these claims, the potential number of incidents which they cover and the uncertainties associated with establishing liability and the availability of reinsurance, the ultimate cost cannot be determined with certainty. However, the Group's exposure to such liabilities is not significant and, on the basis of current information and having regard to the level of provisions made for general insurance claims, the directors consider that any costs arising are not likely to have a material impact on the financial position of the Group.

Split capital investment trusts

The Group's fund management subsidiary, Morley Fund Management Limited ("MFML"), acts as investment adviser for a number of split capital investment trusts. In May 2002, the FSA launched extensive and industry-wide investigations into allegations of collusion by fund managers, mis-selling by intermediaries, and the production and distribution of misleading marketing material. In July 2003, the FSA announced that it had broadened the coverage of the collusion investigations to cover a larger number of firms and individuals. As part of these investigations, MFML has been asked to supply information to the FSA. These investigations are ongoing and the FSA is expected to publish its findings in due course.

United Kingdom regulation

Insurance business

The principal subsidiaries of the Group are United Kingdom authorised insurance companies and are subject to the regulation and supervision of the FSA under the Financial Services and Markets Act 2000 (the “FSMA”). Apart from the FSMA, these insurers must also comply with the rules and guidance made by the FSA under powers granted by the FSMA. An important source of these rules and guidance is the Interim Prudential Sourcebook for Insurers (the “Interim Prudential Sourcebook”).

Permission to transact business

Subject to the exemptions provided in the FSMA, no person may carry on insurance business in the United Kingdom unless permitted to do so under the FSMA by the FSA. The FSA, in deciding whether to grant permission, is required to determine whether the applicant satisfies the requirements of the FSMA to be engaged in insurance business and, in particular, whether the applicant is a fit and proper person having regard to all the circumstances (including whether the applicant's affairs are conducted soundly and prudently). A permission to carry on insurance business may include such requirements as the FSA considers appropriate.

Regulatory reporting

Insurance companies have to prepare their accounts in accordance with special provisions applicable to them under the Companies Act 1985, and are required to file them and provide their shareholders with audited financial statements and related reports. Insurance companies are separately required under the Interim Prudential Sourcebook to deposit with the FSA an annual return comprising audited accounts and other prescribed documents within three months of the end of their financial year, if the deposit is made electronically, or otherwise within two months and 15 days of the end of their financial year.

Margins of solvency and reserves

Under the Interim Prudential Sourcebook, individual companies permitted to carry on insurance business in the United Kingdom are required to maintain a margin of solvency, that is, the value of their assets must exceed the amount of their liabilities (each as determined in accordance with the Valuation of Assets Rules and Determination of Liabilities Rules set out in the Interim Prudential Sourcebook) by a specified amount. Failure to maintain the required margin of solvency is one of the grounds upon which the FSA may exercise its powers of intervention.

Future developments

In November 2002, the FSA announced its intention to proceed with the removal of the polarisation regime restrictions. The FSA has subsequently consulted on its "depolarisation" proposals, principally by means of CP166 published in January 2003 and CP04/3 published in February 2004. Under the current polarised regime, those who advise on "packaged products" should either be "independent" (and advise on products provided across the market) or "tied" to one product provider (and advise only on its products). Following "depolarisation" the "tied" sector will be liberalised and the advice on packages offered to customers will be one of three types: (i) advice on the whole market (or a sector of the whole market); (ii) advice on a limited number of product providers; or (iii) advice on a single product provider. This will be known as the "scope" of advice. In line with their "scope", those offering advice will have one or more "ranges" (i.e. lists) of packaged products on which they will give advice. In order to introduce more transparency into the advisory service offered and the cost of advice in a depolarised environment, customers must be provided with a "fees and commission" statement and an "initial disclosure document" when they first seek advice on packaged products. CP04/3 contains the draft FSA rules for depolarisation. The FSA has indicated that it intends to publish the final rules for depolarisation around the end of November or beginning of December 2004 and that implementation of depolarisation is scheduled to come into force on 1 December 2004, although firms will have six months (until 1 June 2005) to comply with the new regime.

The Interim Prudential Sourcebook is due to be replaced in 2004 by the Integrated Prudential Sourcebook as the basis of UK Financial Services regulation. This introduces a more risk sensitive regulatory regime, in which firms are required to analyse the risks being run within their business and to align their capital and risk management processes more closely to those risks. It is also expected (amongst other things) to introduce new disclosure requirements. In a separate development, a new regime to regulate the conduct of general insurance business for the first time is expected to be introduced from the beginning of 2005. This is expected to require all insurance intermediaries to be authorised by the FSA, and to introduce standards for advertising, claims-processing and administration.

The FSA has issued various policy statements which contain much of the final content of the Integrated Prudential Sourcebook. The key policy statements for Aviva are as follows:

PS04/16 – Details new regulations for UK life and general insurance companies, including formalisation of the twin peaks approach for life insurers, and the introduction of Enhanced Capital Requirements for general insurance companies. It contains details of the FSA’s Internal Capital Assessment Standards (“ICAS”) framework. ICAS promotes the development of strong risk management processes and techniques across the UK Financial Services industry.

PS04/20 – Details the new regulations for UK based insurance and financial services groups. This policy statement makes some amendments to the FSA’s implementation of the existing EU Insurance Groups Directive and introduces the EU Financial Conglomerates Directive as a minimum mandatory requirement from 1 January 2005.

PS04/14 – In December 2003, the FSA issued a consultation paper on treating with-profits policyholders fairly. This set out proposals on the management of with-profit funds, aimed at ensuring firms treat their with-profit policyholders fairly. The proposals recognise the substantial benefits of with-profits for some policyholders, but maintain that some specific characteristics expose policyholders to unfairness. The proposals include rules and guidance on payouts, surrender values, market value reductions, closed funds and the process of reattribution of inherited estate. In August 2004 the FSA issued PS04/14, a further consultation on treating with-profits policyholders fairly and setting out a near final-text, the proposals are due to become effective in 2005.

SUMMARY FINANCIAL INFORMATION

The summary consolidated balance sheets and profit and loss accounts of Aviva (which have been prepared on both an achieved profit basis and a modified statutory basis) have been extracted from the audited 2003 Annual Report and the unaudited interim accounts for the six months ended 30 June 2004 without material adjustments. Since 30 June 2004, the Group has entered into a financing arrangement with Royal Bank of Scotland Group creating a loan facility of £200m. This has not been reflected in the numbers below.

The achieved profit basis measures the economic profit on insurance contracts at the point of sale, whereas the modified statutory basis measures profits that can be distributed to shareholders. The modified statutory solvency basis of reporting is required by statute. The statutory operating profit excludes amortisation of goodwill, amortisation of acquired additional value of in-force long-term business and exceptional items.

The achieved profit statements include the results of the Group's life operations reported under the achieved profit basis combined with the modified statutory basis results of the Group's non-life operations. In the Directors' opinion, the achieved profit basis provides a more accurate reflection of the performance of the Group's life operations year-on-year than results under the modified statutory basis. The achieved profit methodology used is in accordance with the guidance on "Supplementary reporting for long-term insurance business (the achieved profit method)" circulated by the Association of British Insurers in December 2001.

The modified statutory basis is the basis used in the annual statutory accounts of Aviva.

- (10) The Group has a scrip dividend scheme which provides shareholders with an opportunity, should they wish, to receive new ordinary shares instead of cash dividends. Shareholders were required to register for this scrip dividend by 20 October 2004. 150,232 shareholders, holding a total of 1,090,760,897 shares, had elected on or before such date to receive the scrip dividend; such election has resulted in the issue of 20,115,947 ordinary shares on the interim dividend payment date, being 17 November 2004.

UNITED KINGDOM TAXATION

The following is a summary of the Issuer's understanding of the current United Kingdom law and practice relating to the taxation treatment of the DCIs as at the date of this Offering Circular and may be subject to change, possibly with retroactive effect. It relates only to the position of persons who are the absolute beneficial owners of the DCIs and Coupons and may not apply to certain classes of DCI Holders, such as dealers in securities. This summary deals only with the question of whether payments of interest on the DCIs may be made without withholding or deduction for or on account of United Kingdom income tax and does not deal with other United Kingdom tax consequences that might arise from holding DCIs. DCI Holders who are in any doubt as to their tax position or who may be subject to tax in a jurisdiction other than the United Kingdom should consult their professional advisers.

Withholding tax

1. So long as the DCIs continue to be listed on a recognised stock exchange within the meaning of section 841 Income and Corporation Taxes Act 1988, payments of interest may be made without withholding or deduction for or on account of income tax. The Luxembourg Stock Exchange is a recognised Stock Exchange for these purposes.
2. Persons in the United Kingdom paying interest to or receiving interest on behalf of another person who is an individual may be required to provide certain information to the United Kingdom Inland Revenue regarding the identity of the payee or person entitled to the interest or the amount of interest paid or received and, in certain circumstances, such information may be exchanged with tax authorities in other countries.

If the DCIs cease to be listed on a recognised stock exchange interest on the DCIs will generally be paid under deduction of United Kingdom income tax at the lower rate (currently 20 per cent.), subject to any direction to the contrary from the Inland Revenue in respect of such relief as may be available pursuant to the provisions of any applicable double taxation treaty.

Interest on the DCIs may also be paid without deduction or withholding on account of United Kingdom tax where interest on the DCIs is paid to a person who belongs in the United Kingdom for United Kingdom taxation purposes and, at the time the payment is made, the Issuer reasonably believes (and any person by or through whom interest on the DCIs is paid reasonably believes) that the beneficial owner is within the charge to United Kingdom corporation tax as regards the payment of interest provided that the Inland Revenue has not given a direction that the interest should be paid under deduction of tax in circumstances where it has reasonable grounds to believe that it is likely that the beneficial owner is not within the charge to United Kingdom corporation tax in respect of such payment of interest at the time the payment is made.

3. The interest has a United Kingdom source and accordingly may be chargeable to United Kingdom tax by direct assessment. Where the interest is paid without withholding or deduction, the interest will not be assessed to United Kingdom tax in the hands of holders of the DCIs who are not resident in the United Kingdom, except where the holder carries on a trade, profession or vocation through a branch or agency, or in the case of a corporate holder, a permanent establishment in the United Kingdom in connection with which the interest is received or to which the DCIs are attributable, in which case (subject to exemptions for interest received by certain categories of agent) tax may be levied on the United Kingdom branch or agency or permanent establishment.
4. If interest were paid under deduction of United Kingdom income tax (e.g. if the DCIs lost their listing), DCI Holders who are not resident in the United Kingdom may be able to recover all or part of the tax deducted if there is an appropriate provision in an applicable double taxation treaty.
5. DCI Holders should note that the provisions relating to additional amounts referred to in Condition 10 of "Terms and Conditions of the Euro DCIs" and "Terms and Conditions of the Sterling DCIs" above would not apply if the Inland Revenue sought to assess directly the person entitled to the

relevant interest to United Kingdom tax. However exemption from, or reduction of, such United Kingdom tax liability might be available under an applicable double taxation treaty.

Proposed EU Directive on the taxation of savings income

6. The EU has adopted a Directive regarding the taxation of savings income. Subject to a number of important conditions being met, it is proposed that Member States will be required from a date not earlier than 1 July 2005 to provide to the tax authorities of other Member States details of payments of interest and other similar income paid by a person to an individual in another Member State, except that Austria, Belgium and Luxembourg will instead impose a withholding system for a transitional period unless during such period they elect otherwise.

SUBSCRIPTION AND SALE

ABN AMRO Bank N.V., Barclays Bank PLC, Goldman Sachs International, Lehman Brothers International (Europe), Citigroup Global Markets Limited, HSBC Bank plc and The Royal Bank of Scotland plc (together, the “Managers”) have, pursuant to Subscription Agreements each dated 23 November 2004 (each a “Subscription Agreement”), agreed with the Issuer to subscribe and pay for the DCIs:

- (a) in respect of the Euro DCIs at 100 per cent. of the principal amount of the Euro DCIs plus accrued interest (if any); and
- (b) in respect of the Sterling DCIs at 100 per cent. of the principal amount of the Sterling DCIs plus accrued interest (if any).

Certain commissions are being paid to the Managers by the Issuer in connection with the issue of the DCIs. In addition, the Managers may pay certain expenses of the Issuer incurred in connection with the issue of the DCIs.

The Managers are entitled to terminate the Subscription Agreements in certain circumstances prior to payment to the Issuer.

United States

The DCIs have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act (“Regulation S”).

The DCIs are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986 and regulations thereunder.

Each Manager has agreed that, except as permitted by the relevant Subscription Agreement, it will not offer, sell or deliver the DCIs (i) as part of their distribution at any time or (ii) otherwise until 40 days after the later of the commencement of the offering and the Closing Date, within the United States or to, or for the account or benefit of, U.S. persons, and it will have sent to each dealer to which it sells DCIs during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the DCIs within the United States or to, or for the account or benefit of, U.S. persons. Terms used in this paragraph have the meanings given to them by Regulation S.

In addition, until 40 days after the commencement of the offering of the DCIs, an offer or sale of DCIs within the United States by a dealer that is not participating in the offering may violate the registration requirements of the Securities Act.

United Kingdom

Each Manager has severally represented, warranted and agreed that:

- (i) it has not offered or sold and, prior to the expiry of a period of six months from the issue date of the DCIs, will not offer or sell any DCIs to persons in the United Kingdom except to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses or otherwise in circumstances which have not resulted and will not result in an offer to the public in the United Kingdom within the meaning of the Public Offers of Securities Regulations 1995;
- (ii) it has only communicated or caused to be communicated and will only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of

- (iii) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to the DCIs in, from or otherwise involving the United Kingdom.

In addition, each of the Managers and the Issuer has severally represented, warranted and agreed that it has not distributed or caused to be distributed and will not distribute or cause to be distributed in the Republic of France, the Offering Circular or any other offering material relating to the DCIs other than to investors to whom offers and sales of DCIs in the Republic of France may be made as described above.

Federal Republic of Germany

Each Manager has severally represented and agreed that the DCIs have not been and will not be publicly offered in Germany and, accordingly, that no securities sales prospectus (*Verkaufsprospekt*) for a public offering of the DCIs in Germany in accordance with the Securities Sales Prospectus Act of 9 September 1998, as amended (*Wertpapier-Verkaufsprospektgesetz*, the “Prospectus Act”), has been or will be published or circulated in the Federal Republic of Germany. - (b) in compliance with Article 129 of the Banking Act and the implementing guidelines of the Bank of Italy, pursuant to which the issue or the offer of securities in Italy may need to be preceded and followed by an appropriate notice to be filed with the Bank of Italy depending, *inter alia*, on the aggregate value of the securities issued or offered in Italy and their characteristics; and
- (c) in accordance with all relevant Italian securities, tax and exchange control and other applicable laws and regulations and in compliance with any other applicable requirement or limitation which may be imposed from time to time by CONSOB or the Bank of Italy.
