€750,000,000

Step-Up Perpetual Capital Securities

Issue price: 100 per cent.

Interest on the €750,000,000 Step-Up Perpetual Capital Securities (the “Capital Securities”) of Lloyds TSB Bank plc (the “Issuer”) will be payable from and including 12 May 2005 to but excluding 12 May 2017 at the rate of 4.385 per cent. per annum, annually in arrear. From and including 12 May 2017 the Capital Securities will bear interest at a rate reset quarterly of 1.68 per cent. per annum above the Euro-zone interbank offered rate for three month euro deposits payable quarterly in arrear on the Coupon Payment Dates (as defined in the Terms and Conditions of the Capital Securities) falling on 12 February, 12 May, 12 August and 12 November in each year, all as more particularly described in “Terms and Conditions of the Capital Securities — 5. Coupon Payments”. Coupon Payments (as defined in the Terms and Conditions of the Capital Securities) may be deferred as described in “Terms and Conditions of the Capital Securities — 4. Coupon Deferral”. Payments in respect of the Capital Securities will be made without deduction for, or on account of, taxes of the United Kingdom, unless such deduction is required by law. In the event that any such deduction is made, the Capital Securities will be subject to grossing up by the Issuer, subject to certain exceptions as are more fully described under “Terms and Conditions of the Capital Securities — 10. Taxation”.

Subject to giving prior written notice to, and receiving no objection from, the Financial Services Authority (the “FSA”), the Capital Securities will be redeemable (at the option of the Issuer) in whole but not in part at their principal amount on 12 May 2017, or on any Coupon Payment Date thereafter. In addition, upon the occurrence of a Par Tax Event, Other Tax Event or a Regulatory Event (each as defined in the Terms and Conditions of the Capital Securities), the Capital Securities may (i) be substituted for, or have their terms varied so that they become, alternative Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities (each as defined in the Terms and Conditions of the Capital Securities), or (ii) be redeemed, at the amounts specified, and as otherwise more particularly described, in “Terms and Conditions of the Capital Securities — 7. Redemption, Substitution, Variation or Purchase”.

The Capital Securities will be unsecured securities of the Issuer and will be subordinated to the claims of all creditors.

For a description of certain matters that prospective investors should consider, see “Investment Considerations”.

Application has been made to the FSA in its capacity as competent authority (the “UK Listing Authority”) under the Financial Services and Markets Act 2000 (the “FSMA”) for the Capital Securities to be admitted to the official list of the UK Listing Authority (the “Official List”) and to the London Stock Exchange plc (the “London Stock Exchange”) for the Capital Securities to be admitted to trading on the London Stock Exchange’s market for listed securities. Admission to the Official List together with admission to trading on the London Stock Exchange’s market for listed securities constitute official listing on a stock exchange. A copy of this Offering Circular, which comprises listing particulars approved by the UK Listing Authority, has been delivered to the Registrar of Companies in England and Wales for registration as required by Section 83 of the FSMA.

The Capital Securities will initially be represented by a temporary global capital security (the “Temporary Global Capital Security”), without interest coupons or talons, which will be deposited with a common depositary on behalf of Euroclear Bank S.A./N.V. as operator of the Euroclear System (“Euroclear”) and Clearstream Banking, *société anonyme* (“Clearstream, Luxembourg”) on or about 12 May 2005 (the “Closing Date”). The Temporary Global Capital Security will be exchangeable for interests in a permanent global capital security (the “Permanent Global Capital Security”), without interest coupons or talons, not earlier than 40 days after the Closing Date upon certification of non-U.S. beneficial ownership. The Permanent Global Capital Security will be exchangeable for definitive securities only in certain limited circumstances, as described under “Summary of Provisions relating to the Capital Securities while in Global Form”.

Summary

The following summary refers to certain provisions of the Terms and Conditions of the Capital Securities and the Trust Deed and is qualified by the more detailed information contained elsewhere in this Offering Circular. Capitalised terms used herein have the meaning given to them in “Terms and Conditions of the Capital Securities”, as appropriate.

Issuer	Lloyds TSB Bank plc.
Parent	Lloyds TSB Group plc.
Trustee	The Law Debenture Trust Corporation (Channel Islands) Limited.
Issue Size	€750,000,000 of Capital Securities.
Redemption and Purchases	<p>The Capital Securities are perpetual securities and have no maturity date. However, the Capital Securities may be redeemed in whole, but not in part, at the option of the Issuer, subject to giving prior written notice to, and receiving no objection from, the Financial Services Authority, at their principal amount together with any Payments which are Outstanding on the Coupon Payment Date falling on 12 May 2017 or on any Coupon Payment Date thereafter.</p> <p>The Issuer, the Parent and any other subsidiary of the Parent may, subject to giving prior written notice to, and receiving no objection from, the Financial Services Authority, purchase the Capital Securities in any manner and at any price, together with all unmatured Coupons and Talons appertaining thereto.</p>
Coupons	The Capital Securities will bear interest at a rate of 4.385 per cent. per annum payable annually in arrear from (and including) 12 May 2005 to (but excluding) 12 May 2017, and thereafter at a rate, reset and payable quarterly in arrear, of 1.68 per cent. per annum above the then prevailing offered rate for three-month euro deposits.
Coupon Payment Dates	Except as described below, Coupon Amounts will be payable on 12 May in each year, commencing on 12 May 2006 in respect of the period from (and including) 12 May 2005 to (but excluding) 12 May 2006, and ending on 12 May 2017; thereafter Coupon Amounts will be payable (subject to adjustment for days which are not Business Days) on 12 February, 12 May, 12 August and 12 November in each year commencing on 12 August 2017.
Subordination	<p>The Capital Securities constitute direct, unsecured and subordinated securities of the Issuer. The rights and claims of the Holders and the Couponholders under the Capital Securities are subordinated to the claims of creditors of the Issuer:</p> <ul style="list-style-type: none">• who are depositors or other unsubordinated creditors of the Issuer; or• whose claims are, or are expressed to be, subordinated (whether only in the event of the winding-up of the Issuer or otherwise) to the claims of depositors and other unsubordinated creditors of the Issuer but not further or otherwise; or• whose claims are in respect of Junior Subordinated Debt (e.g. undated subordinated bonds) of the Issuer; or

- who are subordinated creditors of the Issuer other than those whose claims rank, or are expressed to rank, *pari passu* with, or junior to, the claims of the Holders.

No payment in respect of the Capital Securities shall be due and payable except to the extent that the Issuer is solvent and could make such payment and still be solvent immediately thereafter.

The sole remedy against the Issuer available to the Trustee or any Holder for recovery of amounts owing in respect of any sum which has become due from the Issuer in respect of the Capital Securities will be the institution of proceedings for the winding-up of the Issuer in England (but not elsewhere) and/or proving in any winding-up of the Issuer.

Winding-up Claims

In the event of the winding-up of the Issuer, the Holders will, for the purpose only of calculating the amounts payable by the Issuer in respect of each Capital Security, be treated as if, save as mentioned below, on the day prior to the commencement of the winding-up and thereafter, they were the holders of the most senior class or classes of preference shares (if any) of the Issuer in issue and in priority to all other classes of issued shares of the Issuer. Such class would rank junior to the claims of Senior Creditors and junior to any notional class of preference shares in the capital of the Issuer by reference to which the amount payable in respect of any Junior Subordinated Debt in the winding-up of the Issuer is determined.

The Holder's claim in any winding-up of the Issuer shall be for the principal amount of the relevant Capital Securities, together with sums due in respect of any accrued but unpaid Coupon Amounts and any Deferred Coupon Payments.

Interest Deferral

On any Coupon Payment Date, the Issuer shall have the option to defer Coupon Payments on the Capital Securities.

Deferred Coupon Payments, if any, may be made by the Issuer at any time but shall become due only on the earliest of the following dates: (i) the date upon which the Capital Securities are redeemed (see “— Optional Redemption”, “— Par Tax Event/Other Tax Event” and “— Regulatory Event”, below) or (ii) the date upon which the Capital Securities are substituted for, or have their terms varied so that they become, alternative Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities following a Par Tax Event, Other Tax Event or Regulatory Event (see “— Par Tax Event/Other Tax Event and “— Regulatory Event”, below); and (iii) the commencement of the winding-up of the Issuer. Except as provided in Condition 8(d) — Suspension or in a winding-up of the Issuer, Deferred Coupon Payments may only be satisfied by means of the Alternative Coupon Satisfaction Mechanism (see “— Alternative Coupon Satisfaction Mechanism”, below). Except in the limited circumstances provided in Condition 6(e) — Market Disruption, no interest will accrue on any Deferred Coupon Payments.

Limitation on Dividend and Capital Payments

If any Coupon Payment is deferred, neither the Issuer nor the Parent will:

- (i) declare or pay any distribution or dividend or make any other payment on, and will procure that no distribution or dividend or other payment is made on, any Junior Share Capital, other than a dividend (not being a dividend which is, or is expressed to be, an extraordinary or special dividend) which has been declared by the Issuer or the Parent on the Issuer Shares or the ordinary shares of the Parent, as the case may be, prior to the date on which the decision to defer the relevant Coupon Payment is notified to Holders; or

- (ii) redeem, purchase, cancel, reduce or otherwise acquire any Junior Share Capital or any Other Tier 1 Securities (save where those shares or securities being redeemed, purchased or acquired are replaced contemporaneously by an issue of shares or securities of the same aggregate principal amount and the same ranking on a return of assets on a winding-up or in respect of a distribution of payment of dividends and/or any other amounts thereunder to those shares or securities being redeemed, purchased or acquired),

in each case unless or until the Coupon Payments due and payable on the next succeeding Coupon Payment Date (or, if this provision applies after the First Reset Date, the next four succeeding Coupon Payment Dates) on all outstanding Capital Securities have been paid in full (or an amount equal to the same has been duly set aside or provided for in full for the benefit of the Holders and in a manner satisfactory to the Trustee).

Alternative Coupon Satisfaction Mechanism (ACSM)

If the Issuer defers a Coupon Payment and the Deferred Coupon Payment is to be made, the Issuer must (except as provided in Condition 8(d) — Suspension or in a winding-up of the Issuer or the Parent) appoint a Calculation Agent (if it has not already done so) and satisfy its obligation to make the relevant Deferred Coupon Payment by operation of the ACSM. The Issuer shall (subject to it having the necessary corporate authorisations in place) issue Issuer Shares (“Payment Issuer Shares”) and allot them in favour of the Trustee or its agent. In that event, the Parent will issue ordinary shares (“Payment Ordinary Shares”) to the Trustee or its agent in exchange for the Payment Issuer Shares. Such issue of Payment Issuer Shares shall satisfy in full the Issuer’s obligation to make the relevant Deferred Coupon Payment. When sold, the Payment Ordinary Shares will provide a cash amount which, when converted into euro, the Paying Agent on behalf of the Trustee, will pay to the Holders in respect of the relevant Deferred Coupon Payment.

The number of Payment Ordinary Shares required to be issued will be such number of ordinary shares as, in the determination of the Calculation Agent, have a market value as near as practicable to, but not less than, the relevant Deferred Coupon Payment. The Trustee will use reasonable endeavours to effect the transfer or instruct its agent to effect the transfer of such Payment Ordinary Shares to or to the order of the Calculation Agent and the Calculation Agent will use reasonable endeavours to procure purchasers for such Payment Ordinary Shares. If the proceeds of the sale of the Payment Ordinary Shares will not in the opinion of the Calculation Agent result in a sum at least equal to the relevant Deferred Coupon Payment being available to make the necessary payment in full, the Issuer, the Parent, the Trustee and the Calculation Agent will take such steps as are reasonably necessary to ensure, so far as practicable, that through issuing additional Payment Issuer Shares and Payment Ordinary Shares and following, *mutatis mutandis*, the procedures described above, a sum as near as practicable to, and at least equal to, the relevant Deferred Coupon Payment will be available in full on the relevant due date.

In addition, any Accrued Coupon Payment which accrues pursuant to Condition 6(e) — Market Disruption must be satisfied by operation, *mutatis mutandis*, of the ACSM as described herein.

Market Disruption Event

If, in the opinion of the Issuer, a Market Disruption Event in respect of the payment of the ordinary shares of the Parent exists on or after the 15th Business Day preceding any date upon which the Issuer is due to satisfy a payment using the ACSM, such payment may be deferred until, in the opinion of the Issuer, the Market Disruption Event no longer exists. Any

such deferred payments shall bear interest at the rate applicable to the Capital Securities if the Market Disruption Event continues such that the ACSM Payment is not satisfied for 14 days or more and such interest shall itself be satisfied by the operation of the ACSM.

Insufficiency

The Issuer shall not be entitled to exercise its option to redeem, substitute or vary the terms of any of the Capital Securities as described herein unless both the Issuer and the Parent have available, and the Directors of both the Issuer and the Parent have the corresponding authority to allot, a sufficient number of authorised but unissued Issuer Shares or ordinary shares of the Parent, as the case may be, to be able to satisfy the Issuer's obligation to make any Deferred Coupon Payment and any other ACSM Payment by the operation of the ACSM. In connection therewith, the Issuer and the Parent will undertake to use all reasonable endeavours to obtain and maintain all corporate authorisations required under English law for the issue of Issuer Shares and ordinary shares of the Parent and the issue and allotment to the Trustee or its agent (free from any pre-emption rights) of such number of Payment Issuer Shares and Payment Ordinary Shares as the Issuer and the Parent reasonably consider would be required to be issued in order to enable the Issuer to satisfy the aggregate amount of Deferred Coupon Payments (if any) and, prior to the First Reset Date, the aggregate of Coupon Payments due on the next succeeding Coupon Payment Date and, after the First Reset Date, on the next four succeeding Coupon Payment Dates.

Suspension

If, following any take-over offer or any reorganisation, restructuring or scheme of arrangement, the Parent or any subsequent New Owner ceases to be the ultimate holding company of the Lloyds TSB Group of companies, then, unless (in the case of a Permitted Restructuring) a Permitted Restructuring Arrangement shall be put in place, such amendments to the documentation relating to the Capital Securities as determined by an independent investment bank (selected by the Issuer and approved by the Trustee) to be appropriate in order to (a) preserve substantially the economic effect, for the Holders, of a holding of the Capital Securities prior to the Suspension and (b) replicate the ACSM in the context of the capital structure of the New Owner, will be made by the Issuer and the Trustee, and pending such amendments, the Issuer will be unable to satisfy payments using the ACSM. If such independent investment bank is unable to determine appropriate amendments, as notified to the Issuer and the Trustee, then the Capital Securities shall at the option of the Issuer either (in each case subject to the Issuer giving prior written notice to, and receiving no objection from, the FSA):

- (i) be substituted for, or have their terms varied so that they become, alternative Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities; or
- (ii) be redeemed at their Make Whole Redemption Price if the redemption occurs prior to the First Reset Date and at their principal amount plus accrued interest (if any) if the redemption occurs on or after such date, in each case together with all Payments which are Outstanding thereon.

In connection with (i) above, the new Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities will preserve the rights to all accrued but unpaid Coupon Amounts on the Capital Securities and all Deferred Coupon Payments (if any) on the Capital Securities will be satisfied in the manner described in Condition 8(d) — Suspension. In connection with (ii) above, such redemption will, unless otherwise agreed by the Issuer and the Trustee, be effected by the issue of Issuer Shares to the New Owner in

consideration for which the New Owner shall issue ordinary shares in its capital (or shares in its capital of an equivalent class) so as to enable it to pay such redemption amount in accordance, *mutatis mutandis*, with the ACSM.

Optional Redemption

Subject to giving prior written notice to, and receiving no objection from, the FSA, the Capital Securities will be redeemable on the First Reset Date or on any Coupon Payment Date thereafter in whole, but not in part, at the option of the Issuer at a price equal to their principal amount together with (i) all accrued but unpaid interest (other than any Deferred Coupon Payments) and (ii) (by the operation of the ACSM) all Deferred Coupon Payments (if any).

Par Tax Event/Other Tax Event

Upon the occurrence of a Par Tax Event or Other Tax Event, the Issuer may, subject to giving prior written notice to, and receiving no objection from, the FSA:

- (i) redeem at any time on or prior to the First Reset Date and thereafter only on a Coupon Payment Date, all, but not some only, of the Capital Securities (I) (in the case of a Par Tax Event) at their principal amount plus accrued interest (if any), (II) (in the case of an Other Tax Event and a consequential redemption prior to the First Reset Date) at the Make Whole Redemption Price and (III) (in the case of an Other Tax Event and a consequential redemption on or after the First Reset Date) at their principal amount, together with any Payments which are Outstanding thereon (all such amounts so payable being payable in cash, save for any Deferred Coupon Payments which will be satisfied by the operation of the ACSM); or
- (ii) substitute at any time all (and not some only) of the Capital Securities for, or vary the terms of the Capital Securities so that they become, alternative Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities. In connection therewith, the new Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities will preserve the rights to all accrued but unpaid Coupon Amounts on the Capital Securities and all Deferred Coupon Payments (if any) on the Capital Securities will be satisfied by the operation of the ACSM.

“Par Tax Event” means:

- (i) if, as a result of a Tax Law Change, in making any payments on the Capital Securities, the Issuer has paid or will or would on the next payment date be required to pay Additional Amounts on the Capital Securities and the Issuer cannot avoid the foregoing in connection with the Capital Securities by taking measures reasonably available to it; or
- (ii) if, as a result of a Tax Law Change, in respect of the Issuer’s obligation to make any Coupon Payment on the next following Coupon Payment Date, there is a more than insubstantial risk that Coupon Payments on the Capital Securities including, for the avoidance of doubt, the issue of Payment Issuer Shares and Payment Ordinary Shares pursuant to Condition 6, may be treated as “distributions” within the meaning of Section 832(1) of the Income and Corporation Taxes Act 1988 (or such other Section and/or Act as may from time to time supersede or replace Section 832(1) of the Income and Corporation Taxes Act 1988 for the purposes of such definition) and such requirement or circumstance cannot be avoided by the Issuer taking such measures as it (acting in good faith) deems appropriate; or

- (iii) if, as a result of a Tax Law Change in respect of the Issuer's obligation to make any Coupon Payment on the next following Coupon Payment Date, (a) there is more than an insubstantial risk that the Issuer would not be entitled to claim a deduction in respect thereof when computing its taxation liabilities in the United Kingdom, or such entitlement is materially reduced or (b) the Issuer would not to any material extent be entitled to have such deduction set against the profits of companies with which it is grouped for applicable United Kingdom tax purposes (whether under the group relief system current as at 9 May 2005 or any similar system or systems having like effect as may from time to time exist) or (c) the Issuer would not, as a result of the Capital Securities being in issue, be able to have losses or deductions set against the profits, or profits offset by the losses or deductions, of companies with which it is or would otherwise be so grouped; and in any such case the Issuer cannot avoid the foregoing in connection with the Capital Securities by taking measures as it (acting in good faith) deems appropriate.

“Other Tax Event” means if, (I) as a result of a Tax Law Change in respect of the Issuer's obligation to make any Coupon Payment on the next following Coupon Payment Date, the Issuer would suffer adverse tax consequences (other than any consequence referred to under paragraphs (i), (ii) and (iii) of the definition of “Par Tax Event” above); or (II) other than as a result of a Tax Law Change in respect of the Issuer's obligation to make any Coupon Payment on the next following Coupon Payment Date, (a) the Issuer would not be entitled to claim a deduction in respect of computing its taxation liabilities in the United Kingdom or such entitlement is materially reduced; (b) the Issuer would not to any material extent be entitled to have such deduction set against the profits of companies with which it is grouped for applicable United Kingdom tax purposes (whether under the group relief system current as at 9 May 2005 or any similar system or systems having like effect as may from time to time exist); or (c) the Issuer would not, as a result of the Capital Securities being in issue, be able to have losses or deductions set against the profits, or profits offset by the losses or deductions, of companies with which it is or would otherwise be so grouped; or (d) the Issuer would otherwise suffer adverse tax consequences; and in each such case the Issuer cannot avoid the foregoing in connection with the Capital Securities by taking measures as it (acting in good faith) deems appropriate.

Withholding Tax and Additional Amounts

The Issuer will pay such Additional Amounts as may be necessary in order that the net payment received by each Holder in respect of the Capital Securities, after withholding for any taxes imposed by tax authorities in the United Kingdom upon payments made by or on behalf of the Issuer in respect of the Capital Securities, will equal the amount which would have been received in the absence of any such withholding taxes, subject to customary exceptions (see also “ — Par Tax Event/Other Tax Event”, above).

Regulatory Event

If at any time a Regulatory Event occurs and is continuing, the Issuer may, subject to giving prior written notice to, and receiving no objection from, the FSA:

- (i) redeem all, but not some only, of the Capital Securities at any time on or prior to the First Reset Date and thereafter only on a Coupon Payment Date. The Capital Securities will be redeemed at their Make Whole Redemption Price (in the case of any redemption prior to the First Reset Date) or on or after the First Reset Date at their principal amount, in each case together with any Payments which are

Outstanding thereon (all such amounts so payable being payable in cash, save for any Deferred Coupon Payments which will be satisfied by the operation of the ACSM); or

- (ii) substitute at any time all (and not some only) of the Capital Securities for, or vary the terms of the Capital Securities so that they become, alternative Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities. In connection therewith, the new Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities will preserve the rights to all accrued but unpaid Coupon Amounts on the Capital Securities and all Deferred Coupon Payments (if any) on the Capital Securities will be satisfied by the operation of the ACSM.

A “Regulatory Event” is deemed to have occurred if at any time the FSA has determined that securities of the nature of the Capital Securities cease to qualify as Tier 1 Capital (save where such non-qualification is only as a result of any applicable limitation on the amount of such capital).

Listing	Application has been made to admit the Capital Securities to the Official List of the UK Listing Authority and to trading on the London Stock Exchange.
Governing Law	The Capital Securities will be governed by, and construed in accordance with, English law.
Form	Bearer. The Capital Securities will be represented initially by the Temporary Global Capital Security which will be deposited with a common depository for Clearstream, Luxembourg and Euroclear on or about 12 May 2005. The Temporary Global Capital Security will be exchangeable for interests in the Permanent Global Capital Security without interest coupons or talons on or after a date which is expected to be 22 June 2005 upon certification as to non-U.S. beneficial ownership as required by U.S. Treasury regulations and as described in the Temporary Global Capital Security. Save in limited circumstances, Capital Securities in definitive bearer form with coupons and a talon attached on issue will not be issued in exchange for interests in the Permanent Global Capital Security.
Investment Considerations	Prospective investors should carefully consider the information under “Investment Considerations” in conjunction with the other information contained or incorporated by reference in this document.

Investment Considerations

The following is a summary of certain aspects of the Capital Securities of which prospective investors should be aware. This summary is not intended to be exhaustive and prospective investors should carefully consider this summary in conjunction with the other information contained in this document.

DEFERRAL OF COUPON PAYMENTS

The Issuer may elect to defer any Coupon Payment on the Capital Securities. If the Issuer does defer a Coupon Payment (whether pursuant to the general right to defer a Coupon Payment under Condition 4 or by virtue of failing to satisfy the condition to payment set out in Condition 2(b)(i)), such Deferred Coupon Payment will become due only on the earliest of: (i) the date of which the Capital Securities are redeemed; (ii) the date on which the Capital Securities are substituted for, or have their terms varied so that they become, alternative Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities following a Par Tax Event, Other Tax Event or Regulatory Event; and (iii) the commencement of the winding-up of the Issuer. Deferred Coupon Payments may only (except following a Suspension and in the circumstances otherwise provided in Condition 8(d) and in the winding-up of the Issuer) be satisfied by means of the Alternative Coupon Satisfaction Mechanism and the operation of such mechanism is subject to certain conditions (more particularly described in the Terms and Conditions of the Capital Securities).

Except in the limited circumstances provided in Condition 6(e), no Deferred Coupon Payment will bear interest.

PERPETUAL SECURITIES

The Issuer is under no obligation to redeem the Capital Securities at any time and the Holders have no right to call for their redemption.

REDEMPTION AND EXCHANGE RISK

The Capital Securities may, subject as provided in Condition 7, be redeemed at their principal amount together with any Payments which are Outstanding thereon at the option of the Issuer on the First Reset Date or on any Coupon Payment Date thereafter. In addition, upon the occurrence of a Par Tax Event, Other Tax Event or a Regulatory Event, the Capital Securities may: (i) be substituted for, or have their terms varied so that they become, alternative Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities; or (ii) be redeemed at their outstanding principal amount, or in the case of a Regulatory Event or an Other Tax Event in respect of which the relevant redemption occurs prior to the First Reset Date, the Make Whole Redemption Price, together in each case with any Payments which are Outstanding thereon, all as more particularly described in “Terms and Conditions of the Capital Securities — 7. Redemption, Substitution, Variation or Purchase”.

NO LIMITATION ON ISSUING SENIOR OR PARI PASSU SECURITIES; SUBORDINATION

There is no restriction on the amount of securities which the Issuer may issue and which rank senior to, or *pari passu* with, the Capital Securities. The issue of any such securities may reduce the amount recoverable by Holders on a winding-up of the Issuer and/or may increase the likelihood of a deferral of Payments under the Capital Securities. In particular, the Capital Securities shall rank junior to the claims of all creditors of the Issuer and any notional class of preference shares in the capital of the Issuer by reference to which the amount payable in respect of any Upper Tier 2 Securities in a winding-up of the Issuer is determined. Accordingly, in the winding-up of the Issuer and after payment of the claims of creditors, there may not be a sufficient amount to satisfy the amount owing to the Holders.

AVAILABILITY OF SHARES

The Issuer and the Parent will undertake to use all reasonable endeavours to obtain and maintain certain corporate authorisations required for the operation of the ACSM, as more particularly described in “Terms and Conditions of the Capital Securities — 18. Pre-emption”. However, if at the time when any Deferred Coupon Payments fall to be satisfied by means of the ACSM, the Issuer or the Parent do not have available and/or the relevant Directors do not have the necessary authority under English law to allot in favour of the Trustee or its agent (free from any pre-emption rights), a sufficient number of authorised but unissued

Payment Issuer Shares and/or Payment Ordinary Shares, as the case may be, to satisfy the relevant ACSM Payments, then the Issuer will not be able to operate the ACSM.

The Issuer may not exercise its right to redeem, substitute or vary the terms of the Capital Securities, unless the Issuer and the Parent have available, and the relevant Directors have the corresponding authority to allot, such number of authorised but unissued Payment Issuer Shares and/or Payment Ordinary Shares, as the case may be, required to be issued for the purposes of satisfying in full any ACSM Payments which are required to be satisfied in connection with such redemption, substitution or variation (all as more particularly described in “Terms and Conditions of the Capital Securities — 6. Alternative Coupon Satisfaction Mechanism — (d) Insufficiency”). In addition, the Capital Securities may not be redeemed, substituted or have their terms varied unless all Deferred Coupon Payments (if any) are satisfied through the operation of the ACSM on or prior to the date set for the relevant redemption, substitution or variation.

RESTRICTED REMEDY FOR NON-PAYMENT WHEN DUE

In accordance with the FSA’s requirements for Tier 1 Capital, the sole remedy against the Issuer available to the Trustee or (where the Trustee has failed to proceed against the Issuer as provided in the Terms and Conditions of the Capital Securities) any Holder for recovery of amounts which have become due in respect of the Capital Securities and Coupons will be the institution of proceedings for the winding-up of the Issuer in England and/or proving in any winding-up of the Issuer. In accordance with Condition 2(b)(i), no payment in respect of the Capital Securities shall become due unless the condition to payment set out in Condition 2(b)(i) is satisfied.

MARKET DISRUPTION EVENT

If, following a decision by the Issuer to satisfy a payment using the Alternative Coupon Satisfaction Mechanism, in the opinion of the Issuer a Market Disruption Event in respect of the Parent’s ordinary shares exists, the payment to Holders may be deferred until the cessation of such Market Disruption Event, as more particularly described in “Terms and Conditions of the Capital Securities — 6. Alternative Coupon Satisfaction Mechanism — (e) Market Disruption”. Any such deferred payments shall bear interest at the rate applicable to the Capital Securities if the Market Disruption Event continues for 14 days or more.

SET-OFF

Subject to applicable law, no Holder or Couponholder may exercise or claim any right of set-off in respect of any amount owed to it by the Issuer arising under or in connection with the Capital Securities or the Coupons and each Holder and Couponholder shall, by virtue of being the bearer of any Capital Security or Coupon, be deemed to have waived all such rights of set-off.

ABSENCE OF PRIOR PUBLIC MARKETS

The Capital Securities constitute a new issue of securities by the Issuer. Prior to this issue, there will have been no public market for the Capital Securities. Although application has been made to the UK Listing Authority under the FSMA for the Capital Securities to be admitted to the Official List and to the London Stock Exchange for the Capital Securities to be admitted to trading on the London Stock Exchange’s market for listed securities, there can be no assurance that an active public market for the Capital Securities will develop and, if such a market were to develop, the Managers are under no obligation to maintain such a market. The liquidity and the market prices for the Capital Securities can be expected to vary with changes in market and economic conditions, the financial condition and prospects of the Issuer and other factors that generally influence the market prices of securities.

Terms and Conditions of the Capital Securities

The following, subject to alteration and except for paragraphs in italics, are the terms and conditions of the Capital Securities which will be endorsed on each Capital Security in definitive form (if issued).

The €750,000,000 Step-Up Perpetual Capital Securities (the “Capital Securities”, which expression shall in these Conditions, unless the context otherwise requires, include any further instruments issued pursuant to Condition 16 and forming a single series with the Capital Securities) of Lloyds TSB Bank plc (the “Issuer”) are constituted by a trust deed (the “Trust Deed”) dated 12 May 2005 between the Issuer, the Parent and The Law Debenture Trust Corporation (Channel Islands) Limited (the “Trustee”, which expression shall include all persons for the time being the trustee or trustees under the Trust Deed) as trustee for the holders of the Capital Securities (the “Holders”). The issue of the Capital Securities was authorised pursuant to resolutions of the Board of Directors of the Issuer passed on 3 March 2005 and resolutions of a duly authorised executive committee of the Board of Directors passed on 29 April 2005. The statements in these terms and conditions (the “Conditions”) include summaries of, and are subject to, the detailed provisions of the Trust Deed. Copies of (i) the Trust Deed and (ii) the paying agency agreement (the “Paying Agency Agreement”) dated 12 May 2005 made between the Issuer, the Parent, Citibank, N.A. as principal paying agent (the “Principal Paying Agent”, which expression shall include any successor thereto) and the other paying agent named therein and any successors thereto (together with the Principal Paying Agent, the “Paying Agents”), Citibank, N.A. as agent bank (the “Agent Bank”, which expression shall include any successor thereto) and the Trustee are available for inspection during normal business hours by the Holders and the holders of the interest coupons (the “Coupons”, which expression includes, where the context so permits, Talons, as defined below) and talons for further Coupons (the “Talons”) appertaining to Capital Securities in definitive form (the “Couponholders”) at the specified office of each of the Paying Agents. The Holders and the Couponholders are entitled to the benefit of, and are bound by, all the provisions of the Trust Deed, and are deemed to have notice of all the provisions of the Paying Agency Agreement applicable to them.

1. FORM, DENOMINATION AND TITLE

(a) Form and Denomination

The Capital Securities are serially numbered and in bearer form in the denominations of €1,000, €10,000 and €100,000 (each an “Authorised Denomination”) each with Coupons and one Talon attached on issue. Capital Securities of one Authorised Denomination may not be exchanged for Capital Securities of another Authorised Denomination.

(b) Title

Title to the Capital Securities, Coupons and Talons will pass by delivery. The bearer of any Capital Security and the bearer of any Coupon or Talon shall be deemed to be, and may be treated as (except as otherwise required by law or as ordered by a court of competent jurisdiction) its absolute owner for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any interest in it or its theft or loss or anything written on it) and no person will be liable for so treating the bearer.

2. STATUS AND SUBORDINATION

(a) Status

The Capital Securities constitute direct, unsecured and subordinated securities of the Issuer and rank *pari passu* without any preference among themselves.

(b) Subordination

(i) Condition to Payment

The rights and claims of the Holders and the Couponholders are subordinated to the claims of all Senior Creditors, in that payments in respect of the Capital Securities (including Coupons payable in cash or by way of the issue of Issuer Shares in accordance with Condition 6) are conditional upon the Issuer being solvent at the time of payment by the Issuer (or at the time of issue of such Issuer Shares) and in that no principal, premium or Payments shall be due and payable in respect of the Capital Securities (including Coupons payable in cash or by way of the issue of Issuer Shares in accordance with Condition 6) except to the extent that the Issuer could make such payment and still be solvent immediately thereafter.

In these Conditions, the Issuer shall be considered to be solvent if (x) it is able to pay its debts to its Senior Creditors as they fall due and (y) its Assets exceed its Liabilities (other than its Liabilities to

persons who are not Senior Creditors). For the purposes of this Condition 2(b)(i) any reference to a payment by the Issuer in respect of a Capital Security shall be deemed to include a purchase of such Capital Security by the Issuer. A report as to the solvency of the Issuer by two directors or, if the Issuer is in a winding-up, its liquidator shall, in the absence of proven error, be treated and accepted by the Issuer, the Parent, the Trustee, the Holders and the Couponholders as correct and sufficient evidence thereof.

(ii) **Solvency Claims**

Without prejudice to the rest of these Conditions, amounts in respect of principal, premium or Payments in respect of which the conditions referred to in Condition 2(b)(i) are not satisfied on the date upon which the same would otherwise be due and payable (“Solvency Claims”) will be payable by the Issuer in a winding-up of the Issuer as provided in Condition 3 and any redemption pursuant to Condition 7. A Solvency Claim shall not bear interest.

(iii) **Set-off**

Subject to applicable law, no Holder or Couponholder may exercise or claim any right of set-off in respect of any amount owed to it by the Issuer arising under or in connection with the Capital Securities or the Coupons and each Holder and Couponholder shall, by virtue of his holding of any Capital Security or Coupon, be deemed to have waived all such rights of set-off.

If the condition to payment set out in Condition 2(b)(i) is not satisfied, any sums which would otherwise have been payable in respect of the Capital Securities but are not paid by reason of such condition to payment will be available to be put towards the losses of the Issuer.

3. WINDING-UP

If at any time an order is made, or an effective resolution is passed, for the winding-up of the Issuer (except, in any such case, a solvent winding-up solely for the purposes of a reorganisation, reconstruction or amalgamation or the substitution in place of the Issuer of a successor in business (as defined in the Trust Deed) of the Issuer, the terms of which reorganisation, reconstruction, amalgamation or substitution have previously been approved in writing by the Trustee or by an Extraordinary Resolution (as defined in the Trust Deed)), there shall be payable by the Issuer in respect of each Capital Security (in lieu of any other payment by the Issuer), such amount, if any, as would have been payable to the holder of such Capital Security if, on the day prior to the commencement of the winding-up and thereafter, such Holder were the holder of one of a class of preference shares in the capital of the Issuer (“Notional Preference Shares”) having an equal right to a return of assets in the winding-up to, and so ranking *pari passu* with, the holders of Other Tier 1 Securities of the Issuer and the holders of that class or classes of preference shares (if any) from time to time issued by the Issuer which have a preferential right to a return of assets in the winding-up over, and so rank ahead of, the holders of all other classes of issued shares for the time being in the capital of the Issuer, but ranking junior to the claims of Senior Creditors and junior to any notional class of preference shares in the capital of the Issuer by reference to which the amount payable in respect of any Junior Subordinated Debt in a winding-up of the Issuer is determined, on the assumption that the amount that such Holder was entitled to receive in respect of each Notional Preference Share on a return of assets in such winding-up were an amount equal to the principal amount of the relevant Capital Security and any other Payments which are Outstanding thereon together with, to the extent not otherwise included within the foregoing, its *pro rata* share of any Solvency Claims attributable to the Capital Security.

On a winding-up of the Issuer, there may be no surplus assets available to meet the claims of the Holders after the claims of the parties ranking senior to the Holders (as provided in Condition 3) have been satisfied.

4. COUPON DEFERRAL

The Issuer may elect to defer any Coupon Payment otherwise scheduled to be paid on a Coupon Payment Date by giving notice of such election to the Holders in accordance with Condition 15, the Trustee and the Principal Paying Agent not less than 20 Business Days prior to the relevant Coupon Payment Date. The Issuer may at any time satisfy any Deferred Coupon Payment by operation of the procedures set out in Condition 6. The Issuer shall (except where Condition 3 applies) satisfy any Deferred Coupon Payment only by operation of the procedures set out in Condition 6 and, subject to Condition 8(d), shall only be obliged to do so upon the occurrence of the first of the following to occur: (i) redemption of the Capital Securities in accordance with Condition 7(b); (ii) redemption, substitution or variation of the terms of the Capital Securities in

accordance with Condition 7(c); and (iii) redemption, substitution or variation of the terms of the Capital Securities in accordance with Condition 7(d).

If, on any Coupon Payment Date, payment of all Coupon Payments scheduled to be made on such date is not made in full, neither the Issuer nor the Parent shall, (a) declare or pay any distribution or dividend or make any other payment on, and will procure that no distribution or dividend or other payment is made on, any Junior Share Capital other than, in the case where the Issuer has elected to defer a Coupon Payment in accordance with this Condition 4, a dividend (other than a dividend which is, or is expressed to be, an extraordinary or special dividend) which has been declared by the Issuer or the Parent on the Issuer Shares or the ordinary shares of the Parent, as the case may be, prior to the date on which the decision to defer the relevant Coupon Payment is notified to Holders in accordance with Condition 15, or (b) redeem, purchase, cancel, reduce or otherwise acquire any Junior Share Capital or any Other Tier 1 Securities (save where those shares or securities being redeemed, purchased or acquired are replaced contemporaneously by an issue of shares or securities of the same aggregate principal amount and the same ranking on a return of assets on a winding-up or in respect of a distribution or payment of dividends and/or any other amounts thereunder to those shares or securities being redeemed, purchased or acquired), in each case unless or until the Coupon Payments due and payable on the next succeeding Coupon Payment Date (or, if this provision applies after the First Reset Date, the next four succeeding Coupon Payment Dates) on all outstanding Capital Securities have been paid in full (or an amount equal to the same has been duly set aside or provided for in full for the benefit of the Holders and in a manner satisfactory to the Trustee).

Notwithstanding any other provision in these Conditions or the Trust Deed, the deferral of any Coupon Payment by virtue of this Condition 4 or Condition 2(b)(i) shall not constitute a default for any purpose (including, without limitation, Condition 9(a)) on the part of the Issuer. Any Coupon Payment so deferred shall not, except in the circumstances provided in Condition 6(e), bear interest.

5. COUPON PAYMENTS

(a) Coupon Rate

The Capital Securities bear interest at the applicable Coupon Rate from the Issue Date in accordance with the provisions of this Condition 5.

Subject to Conditions 2(b)(i), 2(b)(ii), 4, 6(d), 6(e) and 8(d), during the Fixed Rate Coupon Period interest shall be payable on the Capital Securities annually in arrear on each Coupon Payment Date in the Fixed Rate Coupon Period, and thereafter interest shall be payable on the Capital Securities quarterly in arrear on each Coupon Payment Date, in each case as provided in this Condition 5.

(b) Interest Accrual

The Capital Securities will cease to bear interest from (and including) the date of redemption thereof pursuant to Condition 7(b) or the date of redemption, substitution or variation of the terms thereof pursuant to Condition 7(c), 7(d) or 8(d), as the case may be, unless, upon due presentation, payment and performance of all amounts and obligations due in respect of the Capital Securities is not properly and duly made, in which event interest shall continue to accrue, both before and after judgment, and shall be payable, as provided in these Conditions up to (but excluding) the Relevant Date.

(c) Fixed Coupon Rate

For the Fixed Rate Coupon Period, the Capital Securities bear interest at the rate of 4.385 per cent. per annum (the "Fixed Coupon Rate").

Where it is necessary to compute an amount of interest in respect of any Capital Security during the Fixed Rate Coupon Period for a period which is less than a Coupon Period, such interest shall be calculated on the basis of the actual number of days in the period from (and including) the most recent Coupon Payment Date (or, if none, the Issue Date) to (but excluding) the relevant payment date divided by the actual number of days in the period from (and including) the most recent Coupon Payment Date (or, if none, the Issue Date) to (but excluding) the next (or first) scheduled Coupon Payment Date. Where it is necessary to compute an amount of interest in respect of any Capital Security for a period of more than a Coupon Period, such interest shall be calculated in respect of each full Coupon Period within such period, with the interest in respect of any remaining period being calculated in the manner as aforesaid.

(d) Floating Coupon Rate

From (and including) the First Reset Date, the Capital Securities will bear interest at a floating rate of interest (the “Floating Coupon Rate”). The Floating Coupon Rate in respect of each Coupon Period commencing on or after the First Reset Date will be determined by the Agent Bank on the basis of the following provisions:

- (i) On each Coupon Determination Date, the Agent Bank will determine the offered rate (expressed as a rate per annum) for three-month euro deposits as at 11.00 a.m. (Brussels time) on such Coupon Determination Date, as displayed on the display designated as page “248” on the Telerate Monitor (or such other page or pages as may replace it for the purpose of displaying such information). The Floating Coupon Rate for the Coupon Period commencing on the Coupon Determination Date shall be such offered rate as determined by the Agent Bank plus the Margin.
- (ii) If such offered rate does not so appear, or if the relevant page is unavailable, the Agent Bank will, on such date, request the principal London office of the Reference Banks to provide the Agent Bank with its offered quotation to leading banks in the Euro-zone inter bank market for three-month euro deposits as at 11.00 a.m. (Brussels time) on the Coupon Determination Date in question. If at least two of the Reference Banks provide the Agent Bank with such offered quotations, the Floating Coupon Rate for the Coupon Period commencing on the relevant Coupon Determination Date shall be the rate determined by the Agent Bank to be the arithmetic mean (rounded upwards if necessary to the nearest one hundred thousandth of a percentage point (0.000005 per cent. being rounded upwards)) of such offered quotations plus the Margin.
- (iii) If on any Coupon Determination Date to which the provisions of sub-paragraph (ii) above apply, one only or none of the Reference Banks provides the Agent Bank with such a quotation, the Floating Coupon Rate for the Coupon Period commencing on such Coupon Determination Date shall be the rate which the Agent Bank determines to be the aggregate of the Margin and the arithmetic mean (rounded upwards, if necessary, to the nearest one hundred thousandth of a percentage point (0.000005 per cent. being rounded upwards)) of the euro lending rates which leading banks in the Euro-zone selected by the Agent Bank are quoting, on the relevant Coupon Determination Date, to leading banks in the Euro-zone for a period of three months, except that, if the banks so selected by the Agent Bank are not quoting as mentioned above, the Floating Coupon Rate for such Coupon Period shall be either (1) the Floating Coupon Rate in effect for the last preceding Coupon Period to which one of the preceding sub-paragraphs of this Condition 5(d) shall have applied or (2) if none, 4.385 per cent. per annum.

(e) Determination of Floating Coupon Rate and Calculation of Floating Coupon Amounts

The Agent Bank will, as soon as practicable after 11.00 a.m. (Brussels time) on each Coupon Determination Date, determine the Floating Coupon Rate in respect of the Coupon Period commencing on that Coupon Determination Date and calculate the amount of interest payable in respect of a Capital Security of each Authorised Denomination on the Coupon Payment Date for that Coupon Period (the “Floating Coupon Amounts”) by applying the Floating Coupon Rate for such Coupon Period to the principal amount of a Capital Security of each Authorised Denomination, multiplying such sum by the actual number of days in the Coupon Period concerned divided by 365 (or, in the case of a Coupon Payment Date falling in a leap year, 366) and, if necessary, rounding the resultant figure to the nearest €0.01 (€0.005 being rounded upwards).

(f) Publication of Floating Coupon Rate and Floating Coupon Amounts

The Issuer shall cause notice of the Floating Coupon Rate determined in accordance with this Condition 5 in respect of each relevant Coupon Period, the Floating Coupon Amount and the relevant date scheduled for payment to be given to the Trustee, the Paying Agents, any stock exchange or other relevant authority on which the Capital Securities are for the time being listed or admitted to trading and, in accordance with Condition 15, the Holders, in each case as soon as practicable after its determination but in any event not later than the fourth Business Day thereafter.

The Floating Coupon Amount, the Floating Coupon Rate and the date scheduled for payment so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of any extension or shortening of the relevant period in accordance with these Conditions or in the event of proven or manifest error.

(g) Determination or Calculation by Trustee

The Trustee (or an agent appointed by it) shall, if the Agent Bank does not at any relevant time for any reason determine the Floating Coupon Rate on the Capital Securities in accordance with this Condition 5, determine the Floating Coupon Rate in respect of the relevant Coupon Period at such rate as, in its absolute discretion (having such regard as it shall think fit to the procedures described in this Condition 5), it shall deem fair and reasonable in all the circumstances and such determination shall be deemed to be a determination thereof by the Agent Bank.

(h) Agent Bank

So long as any Capital Securities remain outstanding, the Issuer will maintain an Agent Bank. The name of the initial Agent Bank and its initial specified office is set out at the end of these Conditions.

The Issuer may, with the prior written approval of the Trustee, from time to time replace the Agent Bank with another leading investment, merchant or commercial bank in London. If the Agent Bank is unable or unwilling to continue to act as the Agent Bank or (without prejudice to Condition 5(g) above) fails duly to determine the Floating Coupon Rate in respect of any Coupon Period as provided in Condition 5(d), the Issuer shall forthwith appoint another leading investment, merchant or commercial bank in London approved in writing by the Trustee to act as such in its place. The Agent Bank may not resign its duties or be removed without a successor having been appointed as aforesaid.

(i) Determinations of Agent Bank or Trustee Binding

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition 5, whether by the Agent Bank or the Trustee (or its agent), shall (in the absence of wilful default, bad faith or manifest or proven error) be binding on the Issuer, the Agent Bank, the Trustee, the Paying Agents and all Holders and Couponholders and (in the absence as aforesaid) no liability to the Holders, the Couponholders or the Issuer shall attach to the Agent Bank or the Trustee in connection with the exercise or non-exercise by them of any of their powers, duties and discretions.

6. ALTERNATIVE COUPON SATISFACTION MECHANISM

(a) Alternative Coupon Satisfaction Mechanism

Each ACSM Payment, when due to be satisfied in accordance with these Conditions, will (except as provided in Condition 8(d) or if Condition 3 applies) be satisfied by the Issuer in full only through the issue of Ordinary Shares and their allotment in favour of the Trustee or its agent in accordance with this Condition 6.

The Issuer shall appoint a Calculation Agent (if it has not already done so), and notify the Parent, the Trustee, the Principal Paying Agent and the Calculation Agent that an ACSM Payment is to be satisfied on such ACSM Payment Date. All other Payments due must, subject to Conditions 2 and 4, be satisfied in accordance with Condition 8(a).

(b) Issue of Shares

If any ACSM Payment is to be satisfied through the issue or to the order of to the Trustee of Ordinary Shares as required by the provisions of this Condition 6 then, subject to Conditions 6(d) and 6(e) and 8(d):

- (i) by close of business in London on or before the seventh Business Day prior to the relevant ACSM Payment Date, the Issuer will, subject to it having the necessary corporate authorisations in place, issue and allot in favour of the Trustee (or, if so agreed between the Issuer and the Trustee, an agent of the Trustee) such number of Ordinary Shares (the "Payment Issuer Shares") as, in the determination of the Parent, will have a market value (converted, where necessary, into euro) as near as practicable to, but not less than, the relevant ACSM Payment to be satisfied in accordance with this Condition 6.
- (ii) on or before the sixth Business Day prior to the relevant ACSM Payment Date, the Trustee shall transfer or instruct its agent to transfer the Payment Issuer Shares to the Parent in consideration for which the Parent shall issue to the Trustee (or, if so agreed between the Issuer and the Trustee, to an agent of the Trustee) within one Business Day of the Parent receiving the Payment Issuer Shares such number of ordinary shares of the Parent (the "Payment Ordinary Shares") as, in the determination of the Calculation Agent, will have a market value (converted, where necessary, into euro) as near as practicable to, but not less than the relevant ACSM Payment to be satisfied in accordance with this Condition 6.

The Trustee shall hold such Payment Ordinary Shares and such proceeds of the sale of the Payment Ordinary Shares, in each case: (i) as have a value equal to the applicable ACSM Payment as certified by the Calculation Agent, on trust for the Holders; and (ii) as have a value equal to any Associated Costs as certified by the Calculation Agent, on trust for itself or its agent. The remainder (if any) of the Payment Ordinary Shares or the proceeds of the sale of the Payment Ordinary Shares shall, in each case, be held on trust for the Issuer by the Trustee. Following the sale of the Payment Ordinary Shares in accordance with this Condition 6 and the discharge of any Associated Costs and satisfaction of the relevant ACSM Payment as provided below, the Trustee or its agent shall pay the remainder (if any) of the proceeds of the sale of the Payment Ordinary Shares as certified by the Calculation Agent to the Issuer.

The Trustee shall use reasonable endeavours to effect the transfer or instruct its agent to effect the transfer of such Payment Ordinary Shares to or to the order of the Calculation Agent (subject to any necessary consents being obtained) as soon as practicable and in any case by not later than the close of business in London on the fifth Business Day prior to the relevant ACSM Payment Date and the Calculation Agent shall be required to agree in the Calculation Agency Agreement to use reasonable endeavours to procure purchasers for such Payment Ordinary Shares. If necessary, the Calculation Agent has further agreed to exchange, as agent of the Trustee, the proceeds of such sale into euro at prevailing market exchange rates and deliver such exchanged proceeds to, or hold such exchanged proceeds to the order of, the Trustee who shall pay or procure that its agent pays such proceeds as it holds in respect of the relevant Payment on its due date to the Principal Paying Agent. The Calculation Agent shall further be required to agree in the Calculation Agency Agreement to discharge, on behalf of the Trustee or its agent, the Associated Costs and pay the remaining proceeds of such sale to, or hold the remaining proceeds of such sale to the order of, the Trustee, who shall pay or procure that its agent pays such remaining proceeds as it holds in respect of the relevant ACSM Payment on its due date to the Principal Paying Agent for application in accordance with Condition 6(c).

The Trustee shall not be liable to anyone for any loss occasioned by the transfer or sale of the Payment Issuer Shares or the Payment Ordinary Shares, in each case by or on behalf of the Trustee, or any delay or failure in effecting such transfer or sale of the Payment Issuer Shares or the Payment Ordinary Shares under these Conditions.

If the proceeds of the sale of the Payment Ordinary Shares will not, in the opinion of the Calculation Agent, subject to Conditions 6(d) and 6(e) but despite the arrangements contained above, result in a sum (when converted into euro) at least equal to the relevant ACSM Payment and any Associated Costs being available to satisfy the necessary ACSM Payment in full on its due date and the Associated Costs, the Issuer, the Parent, the Trustee and the Calculation Agent shall take such steps as are reasonably necessary to ensure, so far as practicable, that through issuing additional Issuer Payment Shares and Payment Ordinary Shares on one or more further occasions and allotting them in favour of the Trustee or its agent and following, *mutatis mutandis*, the procedures contained above, a sum (when converted into euro) as near as practicable to, and at least equal to, the relevant ACSM Payment and any Associated Costs will be available to satisfy the relevant ACSM Payment in full on its due date and the Associated Costs.

(c) Issue Satisfies Payment

Where the Issuer elects or is required to satisfy an ACSM Payment hereunder by issuing Payment Issuer Shares and issues such Payment Issuer Shares to the Trustee (with the subsequent issue by the Parent to the Trustee of Payment Ordinary Shares in exchange therefor), such issue shall satisfy the relevant ACSM Payment if done in accordance with this Condition 6. The proceeds of sale of Payment Ordinary Shares resulting from the mandatory exchange of Payment Issuer Shares paid to the Principal Paying Agent in accordance with Condition 6(b) shall be paid by the Principal Paying Agent to the Holders in respect of the relevant ACSM Payment.

(d) Insufficiency

The Issuer shall not be entitled to exercise its option pursuant to any of Conditions 7(b), 7(c) or 7(d) to redeem, substitute or vary the terms of any of the Capital Securities until such time as the Issuer and the Parent have available, and the Directors of both the Issuer and the Parent have the corresponding authority to allot, a sufficient number of authorised but unissued Payment Issuer Shares and Payment Ordinary Shares as may be required to be issued in accordance with this Condition 6 for the purposes of satisfying in full in accordance with this Condition 6 any ACSM Payment required to be satisfied in connection with such redemption, substitution or variation of the terms of the Capital Securities.

(e) Market Disruption

Notwithstanding the provisions of Condition 6(b), if there exists, in the opinion of the Issuer, a Market Disruption Event on or after the 15th Business Day preceding any ACSM Payment Date, then the Issuer may give a notice to the Trustee, the Principal Paying Agent, the Calculation Agent and (in accordance with Condition 15) the Holders as soon as possible after the Market Disruption Event has arisen or occurred, whereupon the relevant ACSM Payment may be deferred until such time as the Market Disruption Event, in the opinion of the Issuer, no longer exists.

Any such deferred ACSM Payment will be satisfied as soon as practicable following such time as the Market Disruption Event, in the opinion of the Issuer, no longer exists. Interest shall not accrue on such deferred ACSM Payment, unless, as a consequence of the existence of the relevant Market Disruption Event, the Issuer does not satisfy the relevant ACSM Payment for a period of 14 days or more after the relevant ACSM Payment Date, in which case interest shall accrue on such deferred ACSM Payment from (and including) the relevant ACSM Payment Date to (but excluding) the date on which such ACSM Payment is satisfied. Any such interest shall accrue at a rate determined in accordance with Condition 5 and shall be satisfied only in accordance with this Condition 6, as soon as reasonably practicable after the relevant deferred ACSM Payment is satisfied. No liability shall attach to the Trustee or its agent if, as a result of a Market Disruption Event or any other event outside the control of the Trustee or its agent, the Trustee or its agent is unable to comply with the provisions of Condition 6(b).

(f) Listing

The Parent shall ensure (to the extent possible) that, at the time when any Payment Ordinary Shares are issued pursuant to this Condition 6, such Payment Ordinary Shares are listed on the Official List of the FSA in its capacity as competent authority under the Financial Services and Markets Act 2000 and are admitted to trading on the market for listed securities of the London Stock Exchange (or, if the London Stock Exchange is not a Recognised Stock Exchange at that time, such other stock exchange as is a Recognised Stock Exchange at that time).

7. REDEMPTION, SUBSTITUTION, VARIATION OR PURCHASE

(a) No Fixed Redemption Date

The Capital Securities are perpetual securities in respect of which there is no fixed redemption date and the Issuer shall (subject to the provisions of Conditions 2 and 3 and without prejudice to the provisions of Condition 11) only have the right to repay them, substitute them, vary their terms or purchase them in accordance with the following provisions of this Condition 7 or in the circumstances provided for in Condition 8(d).

In addition, any redemption, substitution, variation of the terms or purchase of the Capital Securities is (i) subject to the Issuer giving prior written notice to, and receiving no objection from, the FSA, and (ii) conditional on the terms of Condition 6(d) being satisfied prior to the exercise by the Issuer of its rights with respect to such redemption, substitution, variation or purchase and all Deferred Coupon Payments (if any) being satisfied in full by the operation of Condition 6 and the Trust Deed on or prior to the date set for such redemption, substitution, variation or purchase.

(b) Issuer's Call Option

Subject to Condition 2(b)(i) and 7(a), the Issuer may, by giving not less than 30 nor more than 60 days' notice to the Holders in accordance with Condition 15, the Trustee and the Principal Paying Agent, which notice shall be irrevocable, elect to redeem all, but not some only, of the Capital Securities on the First Reset Date or any Coupon Payment Date thereafter at their principal amount together with any Payments which are Outstanding thereon (such redemption amounts to be payable in cash, save for any Deferred Coupon Payments which will be satisfied by the operation of Condition 6).

(c) Redemption, Substitution or Variation Due to Taxation

If immediately prior to the giving of the notice referred to below:

- (i) as a result of a Tax Law Change, in making any payments on the Capital Securities, the Issuer has paid or will or would on the next payment date be required to pay Additional Amounts on the Capital Securities and the Issuer cannot avoid the foregoing in connection with the Capital Securities by taking measures reasonably available to it; or

- (ii) as a result of a Tax Law Change in respect of the Issuer's obligation to make any Coupon Payment on the next following Coupon Payment Date there is a more than insubstantial risk that Coupon Payments on the Capital Securities including, for the avoidance of doubt, the issue of Payment Issuer Shares and Payment Ordinary Shares pursuant to Condition 6, may be treated as "distributions" within the meaning of Section 832(1) of the Income and Corporation Taxes Act 1988 (or such other Section and/or Act as may from time to time supersede or replace Section 832(1) of the Income and Corporation Taxes Act 1988 for the purposes of such definition) and such requirement or circumstance cannot be avoided by the Issuer taking such measures as it (acting in good faith) deems appropriate; or
- (iii) as a result of a Tax Law Change in respect of the Issuer's obligation to make any Coupon Payment on the next following Coupon Payment Date, (a) there is more than an insubstantial risk that the Issuer would not be entitled to claim a deduction in respect thereof when computing its taxation liabilities in the United Kingdom, or such entitlement is materially reduced or (b) the Issuer would not to any material extent be entitled to have such deduction set against the profits of companies with which it is grouped for applicable United Kingdom tax purposes (whether under the group relief system current as at 9 May 2005 or any similar system or systems having like effect as may from time to time exist) or (c) the Issuer would not, as a result of the Capital Securities being in issue, be able to have losses or deductions set against the profits, or profits offset by the losses or deductions, of companies with which it is or would otherwise be so grouped; and in any such case the Issuer cannot avoid the foregoing in connection with the Capital Securities by taking measures as it (acting in good faith) deems appropriate; or
- (iv) (I) as a result of a Tax Law Change in respect of the Issuer's obligation to make any Coupon Payment on the next following Coupon Payment Date, the Issuer would suffer adverse tax consequences (other than any consequence referred to under paragraphs (i), (ii) and (iii) above); or (II) other than as a result of a Tax Law Change in respect of the Issuer's obligation to make any Coupon Payment on the next following Coupon Payment Date, (a) the Issuer would not be entitled to claim a deduction in respect of computing its taxation liabilities in the United Kingdom or such entitlement is materially reduced (except where such deduction is not available in consequence of or by reference to the Capital Securities being equity notes in accordance with section 209 of the Income and Corporation Taxes Act 1988 as a result of a Holder being a company which is associated with the Issuer for the purposes of Section 209(2)(e)(vii) of that Act); (b) the Issuer would not to any material extent be entitled to have such deduction set against the profits of companies with which it is grouped for applicable United Kingdom tax purposes (whether under the group relief system current as at 9 May 2005 or any similar system or systems having like effect as may from time to time exist); or (c) the Issuer would not, as a result of the Capital Securities being in issue, be able to have losses or deductions set against the profits, or profits offset by the losses or deductions, of companies with which it is or would otherwise be so grouped; or (d) the Issuer would otherwise suffer adverse tax consequences; and in each such case the Issuer cannot avoid the foregoing in connection with the Capital Securities by taking measures as it (acting in good faith) deems appropriate,

then

- (aa) the Issuer may, subject to Condition 7(a) and having given not less than 30 nor more than 60 days' notice to the Trustee, the Principal Paying Agent and, in accordance with Condition 15, the Holders (which notice shall be irrevocable), redeem in accordance with these Conditions at any time on or prior to the First Reset Date and thereafter only on a Coupon Payment Date, all, but not some only, of the Capital Securities (I) (in the case of a Par Tax Event) at their principal amount, (II) (in the case of an Other Tax Event and a consequential redemption prior to the First Reset Date) at their Make Whole Redemption Price and (III) (in the case of an Other Tax Event and a consequential redemption on or after the First Reset Date) at their principal amount, together, in each case, with any Payments which are Outstanding thereon (all such amounts so payable being payable in cash, save for any Deferred Coupon Payments which will be satisfied by the operation of Condition 6); or
- (bb) the Issuer may, subject to Condition 7(a) (without any requirement for the consent or approval of the Holders) and having given not less than 30 nor more than 60 days' notice to the Trustee, the Principal Paying Agent and, in accordance with Condition 15, the Holders (which notice shall be irrevocable), substitute at any time all (and not some only) of the Capital Securities for, or vary the terms of the Capital Securities so that they become, alternative Qualifying Tier 1 Securities or Qualifying Upper

Tier 2 Securities, and the Trustee shall (subject to the following provisions of this paragraph (bb) and subject to the receipt by it of the certificates of the Directors referred to below and in the definition of Qualifying Tier 1 Securities or (as the case may be) Qualifying Upper Tier 2 Securities) agree to such substitution or variation. In connection therewith, all Deferred Coupon Payments (if any) will be satisfied by the operation of Condition 6. The Trustee shall use its reasonable endeavours to participate in or assist the Issuer with the substitution of the Capital Securities for or the variation of the terms of the Capital Securities so that they become alternative Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities, provided that the Trustee shall not be obliged to participate in or assist with any such substitution or variation if the terms of the proposed alternative Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities or the participation in or assistance with such substitution or variation would impose, in the Trustee's opinion, more onerous obligations upon it. If, notwithstanding the above, the Trustee does not participate or assist as provided above, the Issuer may, subject as provided above, redeem the Capital Securities as provided above.

Prior to the publication of any notice of substitution, variation or redemption pursuant to this Condition 7(c), the Issuer shall deliver to the Trustee a certificate signed by two Directors stating that the relevant condition referred to in paragraph (i), (ii), (iii) or (iv) above is satisfied and the Trustee shall accept such certificate without any further inquiry as sufficient evidence of the satisfaction of the conditions set out in such paragraphs in which event it shall be conclusive and binding on the Holders. Upon expiry of such notice, the Issuer shall either redeem, vary the terms of or substitute the Capital Securities in accordance with this Condition 7(c), as the case may be.

In connection with any substitution or variation in accordance with this Condition 7(c), the Issuer shall comply with the rules of any stock exchange or other relevant authority on which the Capital Securities are for the time being listed or admitted to trading, and (for so long as the Capital Securities are listed on the London Stock Exchange and the rules of such exchange require) shall publish a supplement in connection therewith.

(d) Substitution, Variation or Redemption for Regulatory Purposes

If immediately prior to the giving of the notice referred to below a Regulatory Event has occurred and is continuing, then:

- (i) the Issuer may, subject to Condition 7(a) and having given not less than 30 nor more than 60 days' notice to the Holders in accordance with Condition 15, the Trustee and the Principal Paying Agent (which notice shall be irrevocable), redeem in accordance with these Conditions all, but not some only, of the Capital Securities at any time on or prior to the First Reset Date and thereafter only on a Coupon Payment Date. The Capital Securities will be redeemed at their Make Whole Redemption Price (in the case of any redemption prior to the First Reset Date) or on or after the First Reset Date at their principal amount, in each case together with any Payments which are Outstanding thereon (all such amounts so payable being payable in cash, save for any Deferred Coupon Payments which will be satisfied by the operation of Condition 6); or
- (ii) the Issuer may, subject to Condition 7(a) (without any requirement for the consent or approval of the Holders) and having given not less than 30 nor more than 60 days' notice to the Trustee, the Principal Paying Agent and, in accordance with Condition 15, the Holders (which notice shall be irrevocable), substitute at any time all (and not some only) of the Capital Securities for, or vary the terms of the Capital Securities so that they become, alternative Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities, and the Trustee shall (subject to the following provisions of this paragraph (ii) and subject to the receipt by it of the certificates of the Directors referred to below and in the definition of Qualifying Tier 1 Securities or (as the case may be) Qualifying Upper Tier 2 Securities) agree to such substitution or variation. In connection therewith, all Deferred Coupon Payments (if any) will be satisfied by the operation of Condition 6. The Trustee shall use its reasonable endeavours to participate in or assist the Issuer with the substitution of the Capital Securities for or the variation of the terms of the Capital Securities so that they become alternative Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities, provided that the Trustee shall not be obliged to participate in or assist with any such substitution or variation if the terms of the proposed alternative Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities or the participation in or assistance with such substitution or variation would impose, in the Trustee's opinion, more onerous obligations upon it or require the Trustee to incur any liability for which it is not indemnified and/or secured to its satisfaction. If,

notwithstanding the above, the Trustee does not participate or assist as provided above, the Issuer may, subject as provided above, redeem the Capital Securities as provided above.

Prior to the publication of any notice of substitution, variation or redemption pursuant to this Condition 7(d), the Issuer shall deliver to the Trustee a certificate signed by two Directors stating that a Regulatory Event has occurred and is continuing as at the date of the certificate, and the Trustee shall accept such certificate without any further inquiry as sufficient evidence of the occurrence and continuation of a Regulatory Event in which event it shall be conclusive and binding on the Holders. Upon expiry of such notice, the Issuer shall either redeem, vary the terms of or substitute the Capital Securities in accordance with this Condition 7(d), as the case may be.

In connection with any substitution or variation in accordance with this Condition 7(d), the Issuer shall comply with the rules of any stock exchange or other relevant authority on which the Capital Securities are for the time being listed or admitted to trading, and (for so long as the Capital Securities are admitted to official listing on the London Stock Exchange and the rules of such exchange require) shall publish a supplement in connection therewith.

(e) Purchases

The Issuer, the Parent or any other subsidiary of the Parent may, subject to Condition 7(a), at any time purchase Capital Securities in any manner and at any price. In each case, purchases will be made together with all unmatured Coupons and Talons appertaining thereto.

(f) Cancellation

All Capital Securities so redeemed or substituted by the Issuer and any unmatured Coupons and Talons appertaining thereto will be cancelled and may not be reissued or resold. Capital Securities purchased by the Issuer, the Parent or any other subsidiary of the Parent may be held, reissued or resold or, at the option of the Issuer, surrendered to any Paying Agent for cancellation. Any Capital Securities so surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Capital Securities shall be discharged.

(g) Trustee Not Obligated to Monitor

The Trustee shall not be under any duty to monitor whether any event or circumstance has happened or exists within this Condition 7 or whether a Suspension under Condition 8(d) has occurred and will not be responsible to Holders for any loss arising from any failure by it to do so. Unless and until the Trustee has actual knowledge of the occurrence of any event or circumstance within this Condition 7 or the occurrence of a Suspension under Condition 8(d), it shall be entitled to assume that no such event or circumstance exists.

8. PAYMENTS

(a) Method of Payment

- (i) Payments of principal, premium and Coupon Amounts will be made by or on behalf of the Issuer against presentation and surrender of Capital Securities or the appropriate Coupons at the specified office of any of the Paying Agents except that payments of Coupon Amounts in respect of any period not ending on a Coupon Payment Date will only be made upon surrender of the relevant Capital Security. Such payments will be made (subject to Condition 8(a)(ii) below), at the option of the payee, by euro cheque drawn on, or by transfer to a euro account maintained by the payee with, a bank in the Euro-zone.
- (ii) Upon the due date for redemption of any Capital Security, any unexchanged Talon relating to such Capital Securities (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon and unmatured Coupons relating to such Capital Securities (whether or not attached) shall also become void and no payment shall be made in respect of them. If any Capital Security is presented for redemption without all unmatured Coupons and any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.
- (iii) On or after the Coupon Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Capital Securities, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Principal Paying Agent in exchange for a further Coupon sheet (and another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 11).

(b) Payments Subject to Fiscal Laws

Without prejudice to the terms of Condition 10, all payments made in accordance with these Conditions shall be made subject to any fiscal or other laws and regulations applicable in the place of payment. No commissions or expenses shall be charged to the Holders in respect of such payments.

(c) Payments on Business Days

If the date for payment of any amount in respect of any Capital Security or Coupon, or any later date on which any Capital Security or Coupon is presented for payment, is not a business day, then the holder thereof shall not be entitled to payment at that place of payment of the amount payable until the next following business day at that place of payment and shall not be entitled to any further interest or other payment in respect of any such delay. In this Condition 8(c), “business day” means any day (not being a Saturday, Sunday or a public holiday) on which commercial banks and foreign exchange markets which settle payments in euro are open in London and in the relevant place of payment.

(d) Suspension

If, following any take-over offer made under the City Code on Take-overs and Mergers or any reorganisation, restructuring or scheme of arrangement, the Parent or any subsequent New Owner ceases to be the ultimate holding company of the Lloyds TSB group of companies, then the Issuer shall as soon as practicable give notice to the Holders in accordance with Condition 15, the Trustee and the Principal Paying Agent, whereupon the operation of the ACSM shall be suspended (such event being a “Suspension”). In such event, unless a Permitted Restructuring Arrangement shall be put in place within six months of the occurrence of a Permitted Restructuring (in which case the Suspension shall cease upon such Permitted Restructuring Arrangement being put in place), an independent investment bank appointed by the Issuer (at the Issuer’s expense) and approved by the Trustee shall determine, subject to the requirements that: (i) the Issuer shall not be obliged to reduce its net assets; (ii) no amendment may be proposed or made which would alter the FSA’s regulatory capital treatment of the Capital Securities for regulatory capital and solvency purposes without the Issuer giving prior written notice to, and receiving no objection from, the FSA and (iii) no such amendment may be made which would, in the Trustee’s opinion, impose more onerous obligations on it without its consent, what amendments (if any) to these Conditions, the Trust Deed and any other relevant documents are appropriate in order (aa) to preserve substantially the economic effect, for the Holders, of a holding of the Capital Securities prior to the Suspension and (bb) to replicate the ACSM in the context of the capital structure of the New Owner. Upon any such determination being reached and notified to the Trustee, the Parent and the Issuer by such investment bank, the Trustee, the Parent and the Issuer shall, pursuant to the terms of the Trust Deed and without any requirement for the consent or the approval of the Holders or Couponholders, effect the amendments that the independent investment bank has determined are appropriate together with any necessary consequential changes to these Conditions and the Trust Deed and any other relevant documents, whereupon the satisfaction of any ACSM Payment (when due) by the method contemplated in Condition 6 shall no longer be subject to the Suspension.

If, after using all reasonable endeavours, such investment bank is unable to formulate such amendments or if, having used all reasonable endeavours, the Issuer is unable to appoint an investment bank willing and able to make such determination, the investment bank or, as the case may be, the Issuer shall so notify the Issuer (in the case of notification by the investment bank), the Parent, the New Owner, the Trustee and the Principal Paying Agent and the Capital Securities shall (subject in each case to the Issuer giving prior written notice to, and receiving no objection from, the FSA and with the prior agreement of the New Owner) at the option of the Issuer either be substituted for, or have their terms varied so that they become, alternative Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities or be redeemed, in each case as described below.

If the Capital Securities are to be substituted for, or have their terms varied so that they become, alternative Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities, the Issuer shall give not less than 30 nor more than 60 days’ notice to the Trustee, the Principal Paying Agent and, in accordance with Condition 15, the Holders (which notice shall be irrevocable) and all (but not some only) of the Capital Securities will be substituted for, or have their terms varied so that they become, alternative Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities, and the Trustee shall agree (subject to the following provisions of this paragraph and subject to the receipt by it of the certificate of the Directors referred to in the definition of Qualifying Tier 1 Securities or (as the case may be) Qualifying Upper Tier 2 Securities and subject further to the receipt by it of the notification of the relevant investment bank referred to above) to such substitution or variation. In connection therewith, all Deferred Coupon Payments (if any) will either (at the option of the Issuer) (x) be carried over such that the rights of the Holders with respect thereto are preserved in the new

Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities or (y) be satisfied (unless otherwise agreed by the Issuer and the Trustee) by the issue of Ordinary Shares to the New Owner in consideration for which the New Owner shall issue ordinary shares in its capital (or shares in its capital of an equivalent class) so as to enable it to satisfy the amount of such Deferred Coupon Payments in accordance, *mutatis mutandis*, with Conditions 6(b), 6(c), 6(d) and 6(e) (with references to the Payment Ordinary Shares being construed as references to such ordinary shares or equivalent shares in the capital of the New Owner which, when sold, provide a net cash amount of not less than the amount of such Deferred Coupon Payments which fall to be satisfied by the Issuer). The Trustee shall use its reasonable endeavours to participate in or assist the Issuer with the substitution of the Capital Securities for or the variation of the terms of the Capital Securities so that they become alternative Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities, provided that the Trustee shall not be obliged to participate in or assist with any such substitution or variation if the terms of the proposed alternative Qualifying Tier 1 Securities or Qualifying Upper Tier 2 Securities or the participation in or assistance with such substitution or variation would impose, in the Trustee's opinion, more onerous obligations upon it or require the Trustee to incur any liability for which it is not indemnified and/or secured to its satisfaction. If, notwithstanding the above, the Trustee does not participate or assist as provided above, the FSA objects to such substitution or variation or it is otherwise not practicable for the Capital Securities to be substituted or varied as described above, the Issuer may, subject to Condition 7(a), elect to redeem the Capital Securities as provided in this Condition 8(d). In connection with any substitution or variation in accordance with this Condition 8(d), the Issuer shall comply with the rules of any stock exchange or other relevant authority on which the Capital Securities are for the time being listed or admitted to trading, and (for so long as the Capital Securities are listed on the London Stock Exchange and the rules of such exchange require) shall publish a supplement in connection therewith.

If the Capital Securities are to be redeemed by the Issuer in accordance with this Condition 8(d), the Issuer shall give notice thereof to the Trustee, the Principal Paying Agent and, in accordance with Condition 15, the Holders (which notice shall be irrevocable) and all (but not some only) of the Capital Securities will be redeemed at (in the case of any redemption prior to the First Reset Date) their Make Whole Redemption Price or (on or after the First Reset Date) their principal amount, together in each case with any Payments which are Outstanding thereon, not later than the 60th Business Day following the giving of such notice by the Issuer to the Holders. Such redemption will, unless otherwise agreed by the Issuer and the Trustee, be effected by the issue of Ordinary Shares to the New Owner in consideration for which the New Owner shall issue ordinary shares in its capital (or shares in its capital of an equivalent class) so as to enable it to satisfy such redemption amount in accordance, *mutatis mutandis*, with Conditions 6(b), 6(c), 6(d) and 6(e) (with references to the Payment Ordinary Shares being construed as references to such ordinary shares or equivalent shares in the capital of the New Owner which, when sold, provide a net cash amount of not less than the redemption amount which falls to be satisfied by the Issuer).

9. NON-PAYMENT WHEN DUE

Notwithstanding any of the provisions below in Condition 9, the right to institute winding-up proceedings is limited to circumstances where payment has become due. No principal, premium or Payment (including any Payment which falls to be satisfied by means of the ACSM) will be due on the relevant payment date unless the condition to payment set out in Condition 2(b)(i) is satisfied. Also, in the case of any Coupon Payment, such Payment will not be due if the Issuer has elected to defer that Payment pursuant to Condition 4 or if the circumstances referred to in any of Conditions 6(d), 6(e) or 8(d) then apply. The Trust Deed contains provisions entitling the Trustee to claim from the Issuer, inter alia, the fees, expenses and liabilities incurred by it in carrying out its duties under the Trust Deed. The restrictions on commencing proceedings described below will not apply to any such claim.

- (a) If the Issuer shall not make payment in respect of the Capital Securities (in the case of payment of principal and/or premium) for a period of 14 days or more after the due date for the same or (in the case of any Coupon Amount or Accrued Coupon Payment) shall not make payment for a period of 14 days or more after the date on which such payment is due, the Issuer shall be deemed to be in default under the Trust Deed, the Capital Securities and the Coupons and the Trustee may, notwithstanding the provisions of Condition 9(b), institute proceedings in England (but not elsewhere) for the winding-up of the Issuer and/or prove in any winding up of the Issuer, provided that it shall not have the right to institute such proceedings if the Issuer withholds or refuses any such payment (i) in order to comply with any fiscal or other law or regulation or with the order of any court of competent jurisdiction, in each case applicable to such payment, the Issuer, the relevant Paying Agent or the holder of the Capital Security or Coupon or (ii) (subject as provided in the Trust Deed) in case of doubt as to the validity or

applicability of any such law, regulation or order, in accordance with advice as to such validity or applicability given at any time during the said period of 14 days by independent legal advisers acceptable to the Trustee.

- (b) Subject as provided in Condition 18, the Trustee may at its discretion and without further notice institute such proceedings against the Issuer or the Parent as it may think fit to enforce any term or condition binding on the Issuer or, as the case may be, the Parent under the Trust Deed, the Capital Securities or the Coupons (other than for the payment of any principal or premium or satisfaction of any Payments in respect of the Capital Securities or the Coupons or Accrued Coupon Payment) provided that the Issuer shall not by virtue of the institution of any such proceedings be obliged to pay any sum or sums, in cash or otherwise, sooner than the same would otherwise have been payable by it.
- (c) The Trustee shall not be bound to take any of the actions referred to in Condition 9(a) or (b) above against the Issuer or the Parent to enforce the terms of the Trust Deed, the Capital Securities or the Coupons or, save where expressly provided therein, take any other action under the Trust Deed unless (i) it shall have been so requested by an Extraordinary Resolution of the Holders or in writing by the holders of at least one-fifth in principal amount of the Capital Securities then outstanding and (ii) it shall have been indemnified and/or secured to its satisfaction.
- (d) No Holder or Couponholder shall be entitled to proceed directly against the Issuer or the Parent or to institute proceedings for the winding-up of the Issuer in England or to prove in any winding-up of the Issuer unless the Trustee, having become so bound to proceed or being able to prove in such winding-up, fails to do so within a reasonable period and such failure shall be continuing, in which case the Holder or Couponholder shall have only such rights against the Issuer as those which the Trustee is entitled to exercise. No remedy against the Issuer shall be available to the Trustee or any Holder or Couponholder (i) for the recovery of amounts owing in respect of the Capital Securities or the Coupons, other than the institution of proceedings in England (but not elsewhere) for the winding-up of the Issuer and/or proving in any winding-up and (ii) for the breach of any other term under the Trust Deed, the Capital Securities or the Coupons, other than as provided in Condition 9(b) above. The Issuer has undertaken in the Trust Deed to pay English and Jersey stamp and other duties (if any) on or in connection with the execution of the Trust Deed and English, Belgian and Luxembourg stamp and other duties or taxes (if any) on the constitution and issue of the Capital Securities in temporary global, permanent global or definitive form (provided such stamp and other duties or taxes result from laws applicable on or prior to the date 40 days after the Issue Date and, in the case of exchange of a global Capital Security for Capital Securities in definitive form, such tax results from laws applicable on or prior to the date of such exchange) and stamp and other duties or taxes (if any) payable in England (but not elsewhere) solely by virtue of and in connection with any proceedings under and in accordance with the Trust Deed or the Capital Securities, save that the Issuer shall not be liable to pay any such stamp duties or taxes to the extent that the obligation arises or the amount payable is increased by reason of the Holder or, as the case may be, Couponholder at the relevant time unreasonably delaying in producing any relevant document for stamping or similar process. Subject as aforesaid, the Issuer will not be otherwise responsible for stamp or other duties or taxes otherwise imposed and in particular (but without prejudice to the generality of the foregoing) for any penalties arising on account of late payment where due by the Holder or Couponholder at the relevant time. Any such stamp or other duties or taxes that might be imposed upon or in respect of Capital Securities in temporary global, permanent global or definitive form or the Coupons (in each case other than as aforesaid) are the liability of the holders thereof.
- (e) If payment to any Holder of any amount due in respect of the Capital Securities (other than interest) is improperly withheld or refused (any withholding or refusal effected in reliance upon the proviso to paragraph (a) of this Condition where the relevant law, regulation or order proves subsequently not to be valid or applicable shall be treated, for the purpose of ascertaining entitlement to accrued interest but not for any other purpose, as if it had been at all times an improper withholding or refusal), interest shall accrue at the rate determined in accordance with Condition 5 from the date of such withholding or refusal, as the case may be, until (but excluding) the date on which notice is given in accordance with Condition 15 that the full amount in euro payable in respect of such Capital Securities is available for payment or the date of payment, whichever first occurs and shall be calculated in accordance with Condition 5.

- (f) If, in reliance upon the proviso to paragraph (a) above, payment of any amount (each a “withheld amount”) in respect of the whole or any part of the principal, premium and/or any Payment due (other than a Deferred Coupon Payment) in respect of Capital Securities or any of them is not paid or provided by the Issuer to the Trustee or to the account of or with the Principal Paying Agent, or is withheld or refused by any of the Paying Agents, in each case other than improperly within the meaning of paragraph (e) above, or which is paid or provided after the due date for payment thereof, such withheld amount shall, where not already on interest bearing deposit, if lawful, promptly be so placed, all as more particularly described in the Trust Deed. If subsequently it shall be or become lawful to make payment of such withheld amount in euro, notice shall be given in accordance with Condition 15, specifying the date (which shall be no later than seven days after the earliest date thereafter upon which such interest bearing deposit falls or may (without penalty) be called due for repayment) on and after which payment in full of such withheld amount (or that part thereof which it is lawful to pay) will be made. In such event (but subject in all cases to any applicable fiscal or other law or regulation or the order of any court of competent jurisdiction), the withheld amount or the relevant part thereof, together with interest accrued thereon from (and including) the date the same was placed on deposit to (but excluding) the date upon which such interest bearing deposit was repaid, shall be paid to (or released) by the Principal Paying Agent for payment to the relevant holders of Capital Securities and/or Coupons, as the case may be (or, if the Principal Paying Agent advises the Issuer of its inability to effect such payment, shall be paid to (or released by) such other Paying Agent as there then may be or, if none, to the Trustee, in any such case for payment as aforesaid). For purposes of paragraph (a) above, the date specified in the said notice shall become the due date for payment in respect of such withheld amount or the relevant part thereof. The obligations under this paragraph (f) shall be in lieu of any other remedy otherwise available under these Conditions, the Trust Deed or otherwise in respect of such withheld amount or the relevant part thereof.
- (g) Any interest payable as provided in paragraph (f) above shall be paid net of any taxes applicable thereto and Condition 10 shall not apply in respect of the payment of any such interest.

10. TAXATION

All payments by the Issuer of principal, premium, Coupon Amounts, Deferred Coupon Payments, Accrued Coupon Payments and Solvency Claims in respect of the Capital Securities will be made without withholding of or deduction for, or on any account of, any present or future United Kingdom taxes, duties, assessments or governmental charges of whatsoever nature imposed or levied by or on behalf of the United Kingdom or any political subdivision thereof or by any authority therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties, assessments or governmental charges is required by law. In that event the Issuer will pay such additional amounts (“Additional Amounts”) as may be necessary in order that the net amounts receivable by Holders or Couponholders after such withholding or deduction shall equal the respective amounts of principal and interest which would have been receivable in respect of the Capital Securities or, as the case may be, Coupons in the absence of a requirement to make such withholding or deduction, except that no such additional amounts shall be payable in relation to any payment with respect to any Capital Securities or Coupon:

- (a) presented for payment by, or on behalf of, a Holder or Couponholder who (i) would be able to avoid such withholding or deduction by satisfying any statutory requirements or by making or procuring that any third party makes a declaration of non-residence or similar claim for exemption but fails to do so, or (ii) is liable to such taxes, duties, assessments or governmental charges in respect of such Capital Security or Coupon by reason of his having some connection with the United Kingdom other than a mere holding of such Capital Security or Coupon;
- (b) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive;
- (c) presented for payment by or on behalf of a Holder or a Couponholder who would have been able to avoid such withholding or deduction by presenting the relevant Capital Security or Coupon to another Paying Agent in a Member State of the European Union; or

- (d) presented for payment more than 30 days after the Relevant Date except to the extent that the Holder or Couponholder thereof would have been entitled to such additional amounts on presenting the same for payment on the last day of such period of 30 days.

References in these Conditions to principal, premium, Coupon Amounts, Deferred Coupon Payments and/or Accrued Coupon Payments, shall be deemed to include any additional amounts which may become payable pursuant to the foregoing provisions or any undertakings given in addition thereto or in substitution therefore pursuant to the Trust Deed.

If the Issuer becomes resident for tax purposes in any jurisdiction other than or in addition to the United Kingdom, references in this Condition 10 to the United Kingdom shall be construed as references to the United Kingdom and/or such other jurisdiction as the case may be.

In the event that any payment is satisfied by means of the ACSM then any additional amounts which are payable shall also be satisfied by means of the ACSM.

11. PRESCRIPTION

Capital Securities and Coupons (which for this purpose shall not include Talons) will become void unless presented for payment within a period of 10 years in the case of Capital Securities and five years in the case of Coupons from the Relevant Date relating thereto. There shall be no prescription period for Talons but there shall not be included in any Coupon sheet issued in exchange for a Talon any Coupon the claim in respect of which would be void pursuant to this Condition or Condition 8(a)(ii) or any Talon which would be void pursuant to Condition 8(a)(ii).

12. MEETINGS OF HOLDERS, MODIFICATION, WAIVER AND SUBSTITUTION

The Trust Deed contains provisions for convening meetings of Holders to consider any matter affecting their interests including the sanctioning by Extraordinary Resolution of any modification of any of these Conditions or any of the provisions of the Capital Securities, the Coupons or the Trust Deed, except that certain provisions of the Trust Deed may only be modified subject to approval by Extraordinary Resolution passed at a meeting of Holders to which special quorum provisions shall have applied. Any Extraordinary Resolution duly passed shall be binding on all Holders (whether or not they were present at the meeting at which such resolution was passed) and on all Couponholders.

1. EXCHANGE

The Capital Securities will be represented initially by a Temporary Global Capital Security in bearer form without Coupons or Talons which will be deposited outside the United States with a common depository for Clearstream, Luxembourg and Euroclear on or about 12 May 2005. The Temporary Global Capital Security will be exchangeable in whole or in part (free of charge to the holder) for interests in a Permanent Global Capital Security in bearer form without Coupons or Talons on or after a date which is expected to be 22 June 2005 (the "Exchange Date") upon certification as to non-US beneficial ownership as required by US Treasury regulations and as described in the Temporary Global Capital Security. Upon deposit of the Temporary Global Capital Security or the Permanent Global Capital Security (each a "Global Capital Security") with a common depository, Clearstream, Luxembourg and Euroclear will credit each subscriber with a principal amount of Capital Securities equal to the principal amount thereof for which it has subscribed and paid.

Each of the persons shown in the records of Clearstream, Luxembourg or Euroclear as the holder of a Capital Security represented by a Global Capital Security must look solely to Clearstream, Luxembourg or Euroclear for his share of each payment made by the Issuer to the bearer of such Global Capital Security, subject to and in accordance with the rules and procedures of Clearstream, Luxembourg or Euroclear (as the case may be).

The Global Capital Securities will contain provisions applicable to the Capital Securities represented thereby, some of which modify the effect of the Terms and Conditions of the Capital Securities. Certain of these are summarised in this section.

For so long as any of the Capital Securities is represented by a Global Capital Security, the bearer of the Global Capital Security may, except as ordered by a court of competent jurisdiction or as required by law, be treated by the Issuer, the Trustee and the Paying Agents as the owner thereof and of all rights thereunder free from all encumbrances (in accordance with and subject to its terms and the Trust Deed) and the expression "Holder" and related expressions shall be construed accordingly. Interests in Capital Securities which are represented by a Global Capital Security will only be transferable in accordance with the rules and procedures for the time being of Clearstream, Luxembourg and/or Euroclear, as the case may be.

If any date on which a payment is due on the Capital Securities occurs prior to the Exchange Date, the relevant payment will be made on the Temporary Global Capital Security only to the extent that certification as to non-US beneficial ownership as required by US Treasury regulations (in substantially the form referred to in the Temporary Global Capital Security or in such other form as is customarily issued in such circumstances by the relevant clearing system or depository) has been received by Clearstream, Luxembourg or Euroclear. Payment of amounts due in respect of the Permanent Global Capital Security will be made through Clearstream, Luxembourg or Euroclear without any requirement for certification.

The holder of the Temporary Global Capital Security shall not (unless, upon due presentation of such Temporary Global Capital Security for exchange (in whole or in part) for interests in the Permanent Global Capital Security, such exchange is improperly withheld or refused and such withholding or refusal is continuing at the relevant payment date) be entitled to receive any payment in respect of the Capital Securities represented by such Temporary Global Capital Security which falls due on or after the Exchange Date.

Interests in the Permanent Global Capital Security will be exchangeable in whole but not in part (free of charge to the holder) for definitive bearer Capital Securities (a) if the Permanent Global Capital Security is held on behalf of Clearstream, Luxembourg or Euroclear or an Alternative Clearing System (as defined below) and any such clearing system is closed for business for a continuous period of 14 days (other than by reason of public holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so or (b) at any time at the option of the Issuer, by the Issuer or, in the case of (a) above, the Holder of the Permanent Global Capital Security giving notice to the Principal Paying Agent and, if applicable, the Issuer or the Holders of its intention to exchange interests in the Permanent Capital Security for definitive Capital Securities on or after the Permanent Global Exchange Date (as defined below) specified in the notice.

On or after the Permanent Global Exchange Date the holder of the Permanent Global Capital Security shall surrender the Permanent Global Capital Security to or to the order of the Principal Paying Agent. In exchange for the Permanent Global Capital Security, the Issuer shall deliver, or procure the delivery of, an equal aggregate principal amount of duly executed and authenticated definitive Capital Securities having attached to them all Coupons in respect of interest which has not already been paid on the Permanent Global Capital Security and a Talon.

“Alternative Clearing System” means any such other clearing system as shall have been approved by the Trustee.

“Permanent Global Exchange Date” means a day falling not less than 60 days after that on which the notice requiring exchange is given and on which banks are open for business in the city in which the specified office of the Principal Paying Agent is located and, except in the case of exchange pursuant to (a) above, in the cities in which Clearstream, Luxembourg and Euroclear or, if relevant, the Alternative Clearing System are located.

2. PAYMENTS

Principal, premium and interest in respect of the Permanent Global Capital Security shall be paid to its holder against presentation and (if no further payment falls to be made on it) surrender of it to or to the order of any Paying Agent which shall endorse such payment or cause payment to be endorsed in the appropriate schedule to the Permanent Global Capital Security. A record of each payment so made will be endorsed in the appropriate schedule to the Permanent Global Capital Security which endorsement shall be *prima facie* evidence that such payment has been made in respect of the Capital Securities. No person shall however be entitled to receive any payment on the Permanent Global Capital Security falling due after the Permanent Global Exchange Date, unless exchange of the Permanent Global Capital Security for definitive Capital Securities is improperly withheld or refused by or on behalf of the Issuer. Condition 10(c) of the Capital Securities will apply to the Definitive Securities only.

3. NOTICES

So long as the Permanent Global Capital Security is held on behalf of Clearstream, Luxembourg or Euroclear or an Alternative Clearing System, notices required to be given to Holders may be given by their being delivered to Clearstream, Luxembourg and/or Euroclear or, as the case may be, the Alternative Clearing System, rather than by publication as required by the Terms and Conditions of the Capital Securities. Any notice delivered to Clearstream, Luxembourg and/or Euroclear and/or, as the case may be, the Alternative Clearing System shall be deemed to have been given to the Holders on the day on which such notice is so delivered.

4. MEETINGS

The holder of the Permanent Global Capital Security shall be treated at any meeting of Holders as having one vote in respect of each €1,000 principal amount of Capital Securities for which the Permanent Global Capital Security may be exchanged.

5. PURCHASE AND CANCELLATION

Cancellation of any Capital Security represented by the Permanent Global Capital Security which is required by the Terms and Conditions of the Capital Securities to be cancelled will be effected by reduction in the principal amount of the Permanent Global Capital Security.

6. TRUSTEE'S POWERS

In considering the interests of Holders in circumstances where the Permanent Global Capital Security is held on behalf of any one or more of Clearstream, Luxembourg, Euroclear and an Alternative Clearing System, the Trustee may have regard to such information as may have been made available to it by or on behalf of the relevant clearing system or its operator as to the identity of its accountholders (either individually or by way of category) with entitlements in respect of the Permanent Global Capital Security and may consider such interests on the basis that such accountholders were the holder of the Permanent Global Capital Security.

Use of Proceeds

The net proceeds from the issue of the Capital Securities are estimated to amount to €744,375,000 and will be used by the Issuer to strengthen the capital base of the Group and to develop and expand its business.

Taxation

The following discussion is a summary of the current taxation treatment of payments of interest on the Capital Securities under UK tax law. The discussion does not purport to be a comprehensive description of all tax considerations which may be relevant to a decision to purchase Capital Securities. The discussion is based on the tax laws of the United Kingdom as in effect on the date of this Offering Circular, which are subject to change, possibly with retroactive effect. The discussion does not consider any specific facts or circumstances that may apply to a particular Holder and relates only to the position of persons who are absolute beneficial owners of their Capital Securities and may not apply to certain classes of persons such as dealers or certain professional investors. The discussion does not necessarily apply where the income is deemed for tax purposes to be the income of any other person. Holders who are in any doubt as to their tax position or who may be subject to tax in a jurisdiction other than those discussed should consult their professional advisers.

UNITED KINGDOM TAXATION

For so long as the Capital Securities continue to be listed on a “recognised stock exchange” within the meaning of section 841 of the Income and Corporation Taxes Act 1988 (“ICTA”), payments of interest on the Capital Securities may be made without withholding or deduction for or on account of United Kingdom tax. The London Stock Exchange is a recognised Stock Exchange for these purposes. Under an Inland Revenue published practice, securities will be treated as listed on the London Stock Exchange if they are admitted to the Official List by the United Kingdom Listing Authority and are admitted to trading on the London Stock Exchange.

Interest on the Capital Securities may also be paid without withholding or deduction on account of United Kingdom tax where interest on the Capital Securities is paid to a person who belongs in the United Kingdom for United Kingdom tax purposes and, at the time the payment is made, the Issuer reasonably believes (and any person by or through whom interest on the Notes is paid reasonably believes) that the beneficial owner is within the charge to United Kingdom corporation tax as regards the payment of interest, provided that the Inland Revenue has not given a direction (in circumstances where it has reasonable grounds to believe that it is likely that the above exemption is not available in respect of such payment of interest at the time the payment is made) that the interest should be paid under deduction of tax.

In other cases, interest will generally be paid under deduction of income tax at the lower rate (currently 20 per cent.), subject to any direction to the contrary from the Inland Revenue in respect of such relief as may be available pursuant to the provisions of any applicable double taxation treaty.

Persons in the United Kingdom paying interest to or receiving interest on behalf of another person may be required to provide certain information to the United Kingdom Inland Revenue regarding the identity of the payee or person entitled to the interest and, in certain circumstances, such information may be provided to the tax authorities in other countries.

Where interest on the Capital Securities has been paid under deduction of United Kingdom income tax, Capital Security Holders who are not resident in the United Kingdom may be able to recover all or part of the tax deducted if there is an appropriate provision in an applicable double taxation treaty.

The interest on the Capital Securities will have a United Kingdom source and, accordingly, subject as set out below, may be chargeable to United Kingdom tax by direct assessment even if paid without withholding or deduction. However, such interest received without deduction or withholding is not chargeable to United Kingdom tax in the hands of a Holder who is not resident for tax purposes in the United Kingdom unless the Holder carries on a trade, profession or vocation in the United Kingdom through a branch or agency or, in the case of a corporate holder, a permanent establishment in the United Kingdom in connection with which the interest is received or to which the Capital Securities are attributable in which case (subject to exemptions for certain categories of agent) tax may be levied on the United Kingdom branch or agency or permanent establishment.

Holders should be aware that the provisions relating to additional payments referred to in Condition 10 of “Terms and Conditions of the Capital Securities” would not apply if the Inland Revenue sought to assess the person entitled to the relevant interest on any Capital Security directly to United Kingdom income tax.

However, exemption from or reduction of such United Kingdom tax liability might be available under an applicable double taxation treaty.

EU DIRECTIVE ON THE TAXATION OF SAVINGS INCOME

The EU has adopted a Directive regarding the taxation of savings income. Subject to a number of important conditions being met, it is proposed that Member States will be required from a date not earlier than 1 July 2005 to provide to the tax authorities of other Member States details of payments of interest and other similar income paid by a person to an individual in another Member State, except that Austria, Belgium and Luxembourg will instead impose a withholding system for a transitional period unless during such period they elect otherwise.

Subscription and Sale

Under a subscription agreement entered into with the Issuer and the Parent on 9 May 2005 (the “Subscription Agreement”), Merrill Lynch International, UBS Limited and Lloyds TSB Bank plc (together, the “Managers”) have agreed to subscribe for the Capital Securities at the issue price of 100 per cent. of the principal amount of the Capital Securities plus accrued interest (if any) less certain commissions as agreed with the Issuer. The Subscription Agreement is subject to termination in certain circumstances prior to payment to the Issuer.

UNITED STATES

The Capital Securities have not been and will not be registered under the US Securities Act of 1933, as amended (the “Securities Act”), and may not be offered or sold within the United States or to, or for the account or benefit of, US persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

The Capital Securities are subject to US tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a US person, except in certain transactions permitted by US tax regulations. Terms used in this paragraph have the meanings given to them by the US Internal Revenue Code of 1986 and regulations thereunder.

Each Manager has agreed that, except as permitted by the Subscription Agreement, it will not offer, sell or deliver Capital Securities (i) as part of their distribution at any time, or (ii) otherwise until 40 days after the later of the commencement of the offering and the Closing Date (as defined in the Subscription Agreement), within the United States or to, or for the account or benefit of, US persons, and that it will have sent to each dealer to which it sells Capital Securities during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of Capital Securities within the United States or to, or for the account or benefit of, US persons.

In addition, until 40 days after the commencement of the offering, an offer or sale of Capital Securities within the United States by a dealer that is not participating in the offering may violate the registration requirements of the Securities Act.

UNITED KINGDOM

Each Manager has represented and agreed that:

- (1) it has not offered or sold and will not offer or sell any Capital Securities to persons in the United Kingdom prior to admission of the Capital Securities to listing in accordance with Part VI of the FSMA, except to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses or otherwise in circumstances which have not resulted and will not result in an offer to the public in the United Kingdom within the meaning of the Public Offers of Securities Regulations 1995 or the FSMA;
- (2) it has only communicated or caused to be communicated and will only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of Section 21 of the FSMA) received by it in connection with the issue or sale of any Capital Securities in circumstances in which Section 21(1) of the FSMA does not apply to the Issuer; and
