GENERAL INFORMATION

IBRD’s most recent Information Statement was issued on 22 September 2016.

SPECIAL ACCOUNT

An amount equal to the net proceeds of the issue of the Notes will be credited to a special account that will support IBRD’s lending for Eligible Projects. So long as the Notes are outstanding and the special account has a positive balance, periodically and at least at the end of every fiscal quarter, funds will be deducted from the special account and added to IBRD’s lending pool in an amount equal to all disbursements from that pool made during such quarter in respect of Eligible Projects.

ELIGIBLE PROJECTS

“**Eligible Projects**” means all projects funded, in whole or in part, by IBRD that promote the transition to low-carbon and climate resilient growth in the recipient country, as determined by IBRD. Eligible Projects may include projects that target (a) mitigation of climate change, including investments in low-carbon and clean technology programs, such as energy efficiency and renewable energy programs and projects (“**Mitigation Projects**”) or (b) adaptation to climate change, including investments in climate-resilient growth (“**Adaptation Projects**”).

Examples of Mitigation Projects include, without limitation:

- Rehabilitation of power plants and transmission facilities to reduce greenhouse gas emissions
- Solar and wind installations
- Funding for new technologies that permit significant reductions in GHG emissions
- Greater efficiency in transportation, including fuel switching and mass transport
- Waste management (methane emission) and construction of energy-efficient buildings
- Carbon reduction through reforestation and avoided deforestation

Examples of Adaptation Projects include, without limitation:

- Protection against flooding (including reforestation and watershed management)
- Food security improvement and stress-resilient agricultural systems which slow down deforestation
- Sustainable forest management and avoided deforestation

The above examples of Mitigation Projects and Adaptation Projects are for illustrative purposes only and no assurance can be provided that disbursements for projects with these specific characteristics will be made by IBRD during the term of the Notes.

LISTING APPLICATION

These Final Terms comprise the final terms required for the admission to the Official List of the Luxembourg Stock Exchange and to trading on the Luxembourg Stock Exchange's regulated market of the Notes described herein issued pursuant to the Global Debt Issuance Facility of International Bank for Reconstruction and Development.
