Such recognition will depend upon satisfaction of the Eurosystem eligibility criteria (ECB eligibility)
11. Rating: The Instruments are expected to be rated as follows:
Fitch: AAA
Standard & Poor's: AA-
Fitch's rating scale for long-term obligations and covered bonds (Pfandbriefe) ranges from AAA/Aaa (highest credit quality) to D (highest risk of default).
A ratings denote expectations of low default risk. The capacity for payment of financial commitments is

considered strong. This capacity may, nevertheless, be more vulnerable to adverse business or economic conditions than is the case for higher ratings.

The modifiers "+" or "-" may be appended to a rating to denote relative status within major rating categories. Such suffixes are not added to the 'AAA' Long-Term IDR category, or to Long-Term IDR categories below 'B'.

Standard and Poor's assign long-term credit ratings on a scale from AAA to D. The ratings from AA to CCC may be modified by the addition of a "+" or "-" to show the relative standing within the major rating categories. Standard and Poor's may also offer guidance (termed a "credit watch") as to whether a rating is likely to be upgraded (positive), downgraded (negative) or uncertain (neutral). S&P assigns short-term credit ratings for specific issues on a scale from A-1, A-2, A-3, B, C down to D. Within the A-1 category the ratings can be designated with a "+".

Fitch Deutschland GmbH and Standard and Poor's are established in the European Union and are registered or have applied for registration pursuant to Regulation (EC) No 1060/2009 of the European Parliament and of the Council of 16 September 2009 on credit rating agencies, as amended from time to time (the "CRA Regulation"). The European Securities and Markets Authority publishes on its website (www.esma.europa.eu) a list of credit rating agencies registered in accordance with the CRA Regulation. That list is updated within five working days following the adoption of a decision under Article 16, 17 or 20 CRA Regulation. The European Commission shall publish that updated list in the Official Journal of the European Union within 30 days following such update.
