18 June 2021

Deutsche Bank Aktiengesellschaft

(Frankfurt am Main, Germany)

Euro 80,000,000,000

Debt Issuance Programme

Under its Euro 80,000,000,000 Debt Issuance Programme (the "**Programme**") Deutsche Bank Aktiengesellschaft (the "**Issuer**") may from time to time issue notes ("**Notes**") and Pfandbriefe ("**Pfandbriefe**" and together with the Notes, "**Securities**"), which may be issued on an unsubordinated or a subordinated basis. The Securities will be denominated in any currency agreed between the Issuer and the relevant Dealer (as defined below).

This document constitutes a securities note (the "**Securities Note**") in respect of all Securities (other than Exempt Securities (as defined in the Section entitled "*General Description of the Programme*")) issued under the Programme in accordance with Article 8 (1) of Regulation (EU) 2017/1129 of the European Parliament and of the Council of 14 June 2017 on the prospectus to be published when securities are offered to the public or admitted to trading on a regulated market, and repealing Directive 2003/71/EC, as amended (the "**Prospectus Regulation**"), which, together with the registration document dated 3 May 2021 and prepared by the Issuer (as supplemented from time to time, the "**Registration Document**"), constitutes a base prospectus (as supplemented from time to time, the "**Base Prospectus**" or the "**Prospectus**") in accordance with Article 8(6) of the Prospectus Regulation. The Base Prospectus shall supersede and replace the base prospectus dated 19 June 2020 and prepared in connection with the Programme.

This Securities Note was approved on 18 June 2021 (the "**Date of Approval**") by the *Commission de Surveillance du Secteur Financier* (the "**CSSF**") in its capacity as competent authority under the Prospectus Regulation. The CSSF only approved this Securities Note as meeting the standards of completeness, comprehensibility and consistency imposed by the Prospectus Regulation. Approval by the CSSF should not be considered as an endorsement of the Issuer or the quality of the Securities that are the subject of this Securities Note. In accordance with Article 6 (4) of the Luxembourg Law of 16 July 2019 on Prospectuses for Securities (*loi du 16 juillet 2019 relative aux prospectus pour valeurs mobilières*; the "**Luxembourg Prospectus Act**"), by approving this Securities Note, the CSSF assumes no responsibility for the economic or financial soundness of the transactions contemplated by this Securities Note or the quality and solvency of the Issuer. Investors should make their own assessment as to the suitability of investing in the Securities.

The Issuer has also requested the CSSF to provide the competent authorities in Austria, Belgium, France, Germany, Ireland, Italy, the Netherlands, Portugal and Spain with a certificate of approval in accordance with Article 25 (1) of the Prospectus Regulation attesting that the Base Prospectus of which this Securities Note forms part has been drawn up in accordance with the Prospectus Regulation (each, a "**Notification**"). The Issuer may request the CSSF to provide competent authorities in additional Member States within the European Economic Area (the "**EEA**") with similar Notifications.

The CSSF has neither approved nor reviewed information contained in this Securities Note in connection with Exempt Securities. Information contained in this Securities Note in connection with Exempt Securities has been reviewed by the Luxembourg Stock Exchange and this Securities Note was approved on the Date of Approval by the Luxembourg Stock Exchange pursuant to Part IV of the Luxembourg Prospectus Act with regard to Exempt Securities only.

Application has also been made by the Issuer to the Luxembourg Stock Exchange for Securities issued under the Programme to be listed on the Official List of the Luxembourg Stock Exchange and to be admitted to trading (i) (in the case of Non-Exempt Securities (as defined in the Section entitled "*General Description of the*

Programme")) on the Luxembourg Stock Exchange's regulated market or the professional segment of the regulated market of the Luxembourg Stock Exchange or (ii) (in the case of Non-Exempt Securities and Exempt Securities) on the "Euro MTF" market of the Luxembourg Stock Exchange or on the professional segment of the "Euro MTF" market of the Luxembourg Stock Exchange. Securities issued under the Programme may also be admitted to trading on the regulated market of the Frankfurt Stock Exchange or the regulated market of any other stock exchange which is, like the regulated market of the Luxembourg Stock Exchange, a regulated market for the purposes of the Directive 2014/65/EU of the European Parliament and of the Council of 15 May 2014 on markets in financial instruments and amending Directive 2002/92/EC and Directive 2011/61/EU (as amended, "**MiFID II**"). Securities issued under the Programme may also be admitted to trading or listed on the SIX Swiss Exchange or an unregulated market such as the Open Market (*Freiverkehr*) of the Frankfurt Stock Exchange or may not be admitted to trading or listed.

The Base Prospectus (comprising this Securities Note and the Registration Document) is valid for a period of twelve months from the Date of Approval, i.e. until (and including) 18 June 2022. The obligation to supplement the Base Prospectus (comprising this Securities Note and the Registration Document) in the event of a significant new factor, material mistake or material inaccuracy shall not apply once the Base Prospectus (comprising this Securities Note and the Registration Document) is no longer valid. During its time of validity the Issuer shall not be obliged to supplement the Base Prospectus (comprising this Securities Note and the Registration Document) in case it is not being used in connection with an issue of Notes which shall be (i) admitted to trading on a regulated market in the EEA and/or offered to the public in the EEA in circumstances where no exemption is available under Article 1 (4) and/or Article 3 (2) of the Prospectus Regulation, or (ii) admitted to trading on the "Euro MTF" market of the Luxembourg Stock Exchange or on the professional segment of the "Euro MTF" market of the Luxembourg Stock Exchange.

IMPORTANT NOTICES

Notice of the aggregate principal amount of Securities, interest (if any) payable in respect of Securities, the issue price of Securities and certain other information which is applicable to each tranche of Securities (each, a "**Tranche**") will (other than in the case of Exempt Securities) be set out in a final terms document (the "**Final Terms**") which will be filed with the CSSF in case the Securities are to be admitted to trading on a regulated market in the EEA and/or offered to the public in the EEA other than in circumstances where an exemption is available under Article 1 (4) or Article 3 (2) of the Prospectus Regulation. The applicable Final Terms will (if applicable) contain information relating to any underlying equity security, index, inflation index, credit risk to which the relevant Securities relate and which is contained in such Final Terms. In the case of Exempt Securities, notice of the aggregate principal amount of Securities, interest (if any) payable in respect of Securities, the issue price of Securities and certain other information which is applicable to each Tranche will be set out in a pricing supplement document (the "**Pricing Supplement**"). The applicable Pricing Supplement will (if applicable) contain information relating to any underlying equity security, index, inflation index, currency, commodity, fund unit or share, credit risk or other item(s) (each a "**Reference Item**") to which the relevant Securities relate and which is contained in such Pricing Supplement. However, unless otherwise expressly stated in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities), any information contained therein relating to a Reference Item will only consist of extracts from, or summaries of, information contained in financial and other information released publicly in respect of such Reference Item. The Issuer will, unless otherwise expressly stated in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities), confirm that such extracts or summaries have been accurately reproduced and that, so far as it is aware, and is able to ascertain from information published in respect of such Reference Item, no facts have been omitted that would render the reproduced inaccurate or misleading.

Copies of Final Terms (or Pricing Supplements, in the case of Exempt Securities) will be available from the registered office of the Issuer and the specified office set out below of each of the Paying Agents (save that a Pricing Supplement will only be available for inspection by a holder of the relevant Security and such holder must produce evidence satisfactory to the Issuer and the Paying Agent as to its holding of Securities and identity). In the case of Securities that are to be listed on the Official List of, and admitted to trading on, the regulated market (including its professional segment) or the "Euro MTF" market (including its professional segment) of the Luxembourg Stock Exchange, the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities) will be available on the Luxembourg Stock Exchange's website (www.bourse.lu/programme/Programme-DeutscheBank/13607), but only for so long as such admission to trading and listing is maintained and the rules of the Luxembourg Stock Exchange or the laws or regulations so require.

This Securities Note should be read and understood in conjunction with the Registration Document, any document incorporated by reference in this Securities Note (see the section entitled "*Documents Incorporated by Reference*") and any supplement relating to information contained in the Securities Note. Full information on the Issuer and any Securities issued under the Programme is only available on the basis of the combination of the information contained in this Securities Note, the Registration Document, any document incorporated by reference in this Securities Note or the Registration Document, any supplement relating to information contained in this Securities Note or the Registration Document and the relevant Final Terms (or Pricing Supplement, in the case of Exempt Securities).

No person is or has been authorised to give any information or to make any representations, other than those contained in this Securities Note, in connection with the Programme or the issue and sale of the Securities and, if given or made, such information or representations must not be relied upon as having been authorised by Deutsche Bank. Neither the delivery of this Securities Note or the Registration Document nor any sale made hereunder shall, under any circumstances, create any implication that the information herein is correct as of any time subsequent to the date hereof.

Neither this Securities Note nor the Registration Document nor any other information supplied in connection with the Programme or any Securities (i) is intended to provide the basis of any credit or other evaluation or (ii) should be considered as a recommendation by the Issuer or any of the Dealers that any recipient of this Securities Note or the Registration Document or any recipient of any other information supplied in connection

with the Programme or any Securities should purchase any Securities. Each investor contemplating purchasing any Securities should make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the Issuer. Neither this Securities Note nor the Registration Document nor any other information supplied in connection with the Programme or the issue of any Securities constitutes an offer or invitation by or on behalf of the Issuer or any of the Dealers to subscribe for or to purchase any Securities.

This Securities Note as well as any Final Terms (or Pricing Supplement, in the case of Exempt Securities) reflect the status as of their respective dates of issue. Neither the delivery of this Securities Note nor the offering, sale or delivery of any Securities shall in any circumstances imply that the information contained in the aforementioned related documents is accurate and complete subsequent to the date hereof or that there has been no adverse change in the financial condition of the Issuer since such date or that any other information supplied in connection with the Programme is correct at any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

The Issuer has undertaken for the benefit of any Dealer to amend or supplement this Securities Note and the Registration Document or publish a new securities note or registration document if and when the information herein or therein should become materially inaccurate or incomplete and has further agreed with the Dealers to furnish a supplement relating to information contained in this Securities Note or the Registration Document in the event of any significant new factor, material mistake or material inaccuracy relating to the information included in this Securities Note or the Registration Document, as applicable, which is capable of affecting the assessment of the Securities and which arises or is noted between the time when this Securities Note has been approved and the final closing of any Tranche of Securities offered to the public in an EEA Member State or, as the case may be, when trading of any Tranche of Securities on a regulated market of a stock exchange located in an EEA Member State begins.

Prohibition of Sales to Retail Investors in the European Economic Area – If the Final Terms in respect of any Securities (or Pricing Supplement, in the case of Exempt Securities) includes a legend entitled "*Prohibition of Sales to Retail Investors in the European Economic Area*", the Securities are not intended to be offered, sold or otherwise made available to and, with effect from such date, should not be offered, sold or otherwise made available to any retail investor in the EEA. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; (ii) a customer within the meaning of Directive (EU) 2016/97 of the European Parliament and of the Council of January 20, 2016 on insurance distribution, as amended (the "**Insurance Distribution Directive**"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Prospectus Regulation. If the relevant Final Terms (or Pricing Supplement, in the case of Exempt Securities) include the above-mentioned legend, no key information document required by Regulation (EU) No. 1286/2014, as amended (the "**PRIIPs Regulation**") for offering or selling those Securities or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling those Securities or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

If the Final Terms (or Pricing Supplement, in the case of Exempt Securities) specify "*Prohibition of Sales to Retail Investors in the European Economic Area*" as "*Not Applicable*", except to the extent sub-paragraph (ii) below may apply, in relation to each Member State of the EEA (each, a "**Relevant Member State**"), any offer of Securities will be made pursuant to an exemption under the Prospectus Regulation from the requirement to publish a prospectus for offers of Securities. Accordingly, any person making or intending to make an offer in that Relevant Member State of Securities which are the subject of an offering/placement contemplated in this Securities Note as completed by Final Terms in relation to the offer of those Securities (or Pricing Supplement, in the case of Exempt Securities) may only do so (i) in circumstances in which no obligation arises for the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Regulation or supplement a prospectus pursuant to Article 23 of the Prospectus Regulation, in each case, in relation to such offer, or (ii) if a prospectus for such offer has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State and (in either case) published, all in accordance with the Prospectus Regulation, provided that any such prospectus has subsequently been completed by Final Terms (or Pricing Supplement, as the case may be) which specify that offers may be made other than pursuant to Article 1 (4) of the Prospectus Regulation in that Relevant Member State and such offer is made in the period beginning and

ending on the dates specified for such purpose in such prospectus or relevant Final Terms (or Pricing Supplement, in the case of Exempt Securities), as applicable, and the Issuer has consented in writing to the use of such prospectus for the purpose of such offer. Except to the extent sub-paragraph (ii) above may apply, neither the Issuer nor any Dealer have authorized, nor do they authorize, the making of any offer of Securities in circumstances in which an obligation arises for the Issuers or any Dealer to publish or supplement a prospectus for such offer.

Prohibition of Sales to Retail Investors in the United Kingdom – If the Final Terms in respect of any Securities (or Pricing Supplement, in the case of Exempt Securities) include a legend entitled "*Prohibition of Sales to Retail Investors in the United Kingdom*", the Securities are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) 2017/565 as it forms part of the domestic law of the United Kingdom by virtue of the European Union (Withdrawal) Act 2018 ("**EUWA**"); (ii) a customer within the meaning of the provisions of the United Kingdom Financial Services and Markets Act 2000 (as amended, the "**FSMA**") and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client as defined in point (8) of Article 2 (1) of Regulation (EU) 600/2014 as it forms part of the domestic law of the United Kingdom by virtue of the EUWA; or (iii) if so specified in the relevant Final Terms (or Pricing Supplement, in the case of Exempt Securities), not a qualified investor as defined in Article 2 of the Prospectus Regulation as it forms part of the domestic law of the United Kingdom by virtue of the EUWA (the "**UK Prospectus Regulation**"). Consequently, no key information document required by Regulation (EU) 1286/2014, as amended, as it forms part of the domestic law of the United Kingdom by virtue of the EUWA (the "**United Kingdom PRIIPs Regulation**") for offering or selling the Securities or otherwise making them available to retail investors in the United Kingdom has been prepared and therefore offering or selling the Securities or otherwise making them available to any retail investor in the United Kingdom may be unlawful under the United Kingdom PRIIPs Regulation.

If the relevant Final Terms (or Pricing Supplement, in the case of Exempt Securities) specify "*Prohibition of Sales to Retail Investors in the United Kingdom*" as "*Not Applicable*", except to the extent sub-paragraph (ii) below may apply, in relation to the United Kingdom, any offer of Securities will be made pursuant to an exemption under the UK Prospectus Regulation from the requirement to publish a prospectus for offers of Securities. Accordingly, any person making or intending to make an offer in the United Kingdom of Securities which are the subject of an offering/placement contemplated in this Securities Note as completed by Final Terms (or Pricing Supplement, in the case of Exempt Securities) in relation to the offer of those Securities may only do so (i) in circumstances in which no obligation arises for the Issuer or any Dealer to publish a prospectus pursuant to section 85 of the FSMA or supplement a prospectus pursuant to Article 23 of the UK Prospectus Regulation, in each case, in relation to such offer, or (ii) if a prospectus for such offer has been approved by the competent authority in the United Kingdom and published, all in accordance with the UK Prospectus Regulation, provided that any such prospectus has subsequently been completed by Final Terms (or Pricing Supplement, in the case of Exempt Securities) which specify that offers may be made other than pursuant to Article 1(4) of the UK Prospectus Regulation and such offer is made in the period beginning and ending on the dates specified for such purpose in such prospectus or relevant Final Terms (or Pricing Supplement), as applicable, and the Issuer has consented in writing to the use of such prospectus for the purpose of such offer. Except to the extent sub-paragraph (ii) above may apply, neither the Issuer nor any Dealer have authorized, nor do they authorize, the making of any offer of Securities in circumstances in which an obligation arises for the Issuer or any Dealer to publish or supplement a prospectus for such offer.

MiFID II Product Governance / Target Market – The Final Terms (or the Pricing Supplement, in the case of Exempt Securities) in respect of any Securities may include a legend entitled "*MiFID II Product Governance*" which will outline the target market assessment in respect of the Securities and which channels for distribution of the Securities are appropriate. Any person subsequently offering, selling or recommending the Securities (a "**Distributor**") should take into consideration the target market assessment; however, a Distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Securities (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

A determination will be made in relation to each issue about whether, for the purpose of the Product Governance Rules under Commission Delegated Directive (EU) 2017/593 (the "**MiFID Product Governance Rules**"), any Dealer subscribing for any Securities is a manufacturer in respect of such Securities, but otherwise neither the Arranger nor any other Dealer nor any of their respective affiliates will be a manufacturer for the purpose of the MiFID Product Governance Rules.

UK MiFIR Product Governance / Target Market – The Final Terms (or the Pricing Supplement, in the case of Exempt Securities) in respect of any Securities may include a legend entitled "*UK MiFIR Product Governance*" which will outline the target market assessment in respect of the Securities and which channels for distribution of the Securities are appropriate. Any Distributor should take into consideration the target market assessment; however, a Distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the "**UK MiFIR Product Governance Rules**") is responsible for undertaking its own target market assessment in respect of the Securities (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

A determination will be made in relation to each issue about whether, for the purpose of the UK MiFIR Product Governance Rules, any Dealer subscribing for any Securities is a manufacturer in respect of such Securities, but otherwise neither the Arranger nor any other Dealer nor any of their respective affiliates will be a manufacturer for the purpose of the UK MiFIR Product Governance Rules.

Neither this Securities Note nor the Registration Document constitutes an offer to sell or the solicitation of an offer to buy any Securities in any jurisdiction to any person to whom it is unlawful to make the offer or solicitation in such jurisdiction. The distribution of this Securities Note and the Registration Document and the offer or sale of Securities may be restricted by law in certain jurisdictions. The Issuer and the Dealers do not represent that this Securities Note or the Registration Document may be lawfully distributed, or that any Securities may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by the Issuer or the Dealers which would permit a public offering of any Securities in any jurisdiction (other than any EEA Member State into which the Base Prospectus (of which this Securities Note forms part) has been notified) or distribution of this Securities Note or the Registration Document in any jurisdiction where action for that purpose is required. Accordingly, no Securities may be offered or sold, directly or indirectly, and neither this Securities Note nor the Registration Document nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations. Persons into whose possession this Securities Note, the Registration Document or any Securities may come must inform themselves about, and observe, any such restrictions on the distribution of this Securities Note and the Registration Document and the offering and sale of Securities. In particular, there are restrictions on the distribution of this Securities Note and the offer or sale of Securities in the United States, the EEA (in particular Austria, Belgium, the Czech Republic, France, Ireland, Italy, the Netherlands, Poland, Portugal and Spain), in Australia, Hong Kong, Israel, Japan, Mexico, the Russian Federation, Saudi Arabia, Singapore, South Africa, Switzerland, Taiwan, Turkey, the United Arab Emirates (excluding the Dubai International Financial Centre (the "**DIFC**")), the DIFC and the United Kingdom (see the section entitled "*Transfer and Selling Restrictions*"). In making an investment decision, investors must rely on their own examination of the Issuer and the terms of the Securities being offered, including the merits and risks involved.

The Securities have not been approved or disapproved by the United States Securities and Exchange Commission or any other securities commission or other regulatory authority in the United States, nor have the foregoing authorities approved this Securities Note or the Registration Document or confirmed the accuracy or the adequacy of the information contained in this Securities Note or the Registration Document. Any representation to the contrary is unlawful. In particular, the Securities have not been and will not be registered under the United States Securities Act of 1933 (as amended) (the "**Securities Act**") and may not be offered or sold in the United States or to, or for the account or benefit of, (a) a "U.S. person" as defined in Regulation S under the Securities Act, (b) a person other than a "Non-United States person" as defined in Rule 4.7 under the United States Commodity Exchange Act of 1936, as amended (the "**Commodity Exchange Act**"), or (c) a "U.S. person" as defined in the Interpretive Guidance and Policy Statement Regarding Compliance with Certain Swap Regulations promulgated by the Commodity Futures Trading Commission (the "**CFTC**") pursuant to the Commodity Exchange Act, or in regulations or guidance adopted under the Commodity Exchange Act (each

such person, a "**U.S. person**"), unless the Securities are registered under the Securities Act or an exemption from the registration requirements of the Securities Act is available. See the section entitled "*Description of the Securities – Form of the Securities*" for a description of the manner in which Securities will be issued. Registered Securities are subject to certain restrictions on transfer (see the section entitled "*Transfer and Selling Restrictions*"). Registered Securities may be offered or sold within the United States only to QIBs (as defined under "*Description of the Securities – Form of the Securities*") in transactions exempt from registration under the Securities Act (see the section entitled "*U.S. Information*" below).

The Securities do not constitute, and have not been marketed as, contracts of sale of a commodity for future delivery (or options thereon) subject to the Commodity Exchange Act, and trading in the Securities has not been approved by the CFTC pursuant to the Commodity Exchange Act.

The Securities are not deposits. The Securities are not insured by the U.S. Federal Deposit Insurance Corporation or any other agency, and are subject to investment risk, including the possible loss of principal. The Securities have not been approved or disapproved by the U.S. Federal Deposit Insurance Corporation nor has the U.S. Federal Deposit Insurance Corporation passed on the adequacy or accuracy of this Securities Note. Any representation of the contrary is unlawful. The Securities are subordinate to the claims of depositors.

Neither this Securities Note nor the Registration Document nor any Final Terms (or Pricing Supplement, in the case of Exempt Securities) may be used for the purpose of an offer or solicitation by anyone in any jurisdiction in which such offer or solicitation is not authorised or to any person to whom it is unlawful to make such an offer or solicitation.

Neither this Securities Note nor the Registration Document nor any Final Terms (or Pricing Supplement, in the case of Exempt Securities) constitutes an offer or an invitation to subscribe for or purchase any Securities and should not be considered as a recommendation or a statement of an opinion (or a report of either of those things) by Deutsche Bank, the Dealers or any of them that any recipient of this Securities Note, the Registration Document or any Final Terms (or Pricing Supplement, in the case of Exempt Securities) should subscribe for or purchase any Securities. Each recipient of this Securities Note or any Final Terms (or Pricing Supplement, in the case of Exempt Securities) shall be taken to have made its own appraisal of the condition (financial or otherwise) of the Issuer.

None of the Dealers or the Issuer makes any representation to any purchaser of the Securities regarding the legality of its investment under any applicable laws. Any purchaser of the Securities should be able to bear the economic risk of an investment in the Securities for an indefinite period of time.

The language of this Securities Note is English. In respect of the issue of any Tranche of Securities under the Programme, the German text of the terms and conditions applicable to such Securities may be controlling and binding if specified in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities).

Pursuant to this Securities Note, Securities may be issued whose interest and/or redemption payments will be calculated by reference to a specific benchmark which will be provided by an administrator (the "**Benchmark linked Securities**").

As at the date of this Securities Note, the specific benchmark applicable to an issue of Benchmark linked Securities has not yet been determined. However, amounts payable under Benchmark linked Securities may be calculated by reference to (i) BBSW (Bank Bill Swap Rate) which is provided by ASX Benchmarks Limited ("**ASX**"), (ii) EURIBOR (Euro Interbank Offered Rate) which is provided by the European Money Markets Institute ("**EMMI**"), (iii) €STR (Euro short-term rate) which is provided by the European Central Bank (the "**ECB**"), (iv) LIBOR (London Interbank Offered Rate) and certain CMS (constant maturity swap) rates which are provided by ICE Benchmark Administration Limited ("**IBA**"), (v) NIBOR (Norwegian Interbank Offered Rate) which is provided by Norske Finansielle Referanser AS ("**NoRe**"), (vi) SOFR (Secured Overnight Financing Rate) which is provided by the Federal Reserve Bank of New York (the "**Federal Reserve**"), (vii) SONIA (Sterling Overnight Index Average) which is provided by the Bank of England (the "**BoE**"); (viii) STIBOR (Stockholm Interbank Offered Rate) which is provided by the Swedish Financial Benchmark Facility ("**SFBF**") (as amended or supplemented), or (ix) another benchmark (any "**Other Benchmark**"). As at the date of this

Securities Note, only ASX, EMMI and NoRe appear on the register (the "**ESMA Register**") of administrators and benchmarks established and maintained by the European Securities and Markets Authority (the "**ESMA**") pursuant to Article 36 of the Regulation (EU) 2016/1011 of the European Parliament and of the Council of 8 June 2016 on indices used as benchmarks in financial instruments and financial contracts or to measure the performance of investment funds and amending Directives 2008/48/EC and 2014/17/EU and Regulation (EU) No 596/2014, as amended (the "**Benchmarks Regulation**"). As at the date of this Securities Note, none of the ECB, IBA, the Federal Reserve, the BoE or SFBF appear on the ESMA Register. As far as the Issuer is aware, (i) the transitional provisions in Article 51 of the Benchmarks Regulation apply to IBA and SFBF, so that neither IBA nor SFBF are currently required to obtain authorisation or registration (or, if located outside the European Union, recognition, endorsement or equivalence), and (ii) none of the ECB, the Federal Reserve or the BoE are required to obtain authorisation or registration pursuant to the exemption set out in Article 2 (2) (a) of the Benchmarks Regulation.

In case Securities are issued which make reference to any Other Benchmark, the relevant Final Terms will specify the name of the specific benchmark and the relevant administrator. In such case the Final Terms will further specify if the relevant administrator is included in the ESMA Register or whether the transitional provisions in Article 51 of the Benchmarks Regulation apply or whether an exemption pursuant to Article 2 (2) (a) of the Benchmarks Regulation applies.

GENERAL DESCRIPTION OF THE PROGRAMME

Securities to be issued under the programme

The Programme allows for the issue of Notes and Pfandbriefe (together "**Securities**"). Securities may be issued as Non-Exempt Securities or Exempt Securities. "**Non-Exempt Securities**" means Securities which are to be admitted to trading on a regulated market of a stock exchange located in an EEA Member State and/or are offered to the public in an EEA Member State in circumstances where no exemption is available under Article 1 (4) of the Prospectus Regulation and where therefore a prospectus is required to be published thereunder. "**Exempt Securities**" means Securities which are neither to be admitted to trading on the regulated market of a stock exchange located in an EEA Member State nor offered to the public in an EEA Member State in circumstances where a prospectus is required to be published under the Prospectus Regulation. However, Non-Exempt Securities and Exempt Securities may be listed on the Official List of the Luxembourg Stock Exchange and may be admitted to trading on the "Euro MTF" market of the Luxembourg Stock Exchange (in the case of Exempt Securities pursuant to Part IV of the Luxembourg Prospectus Act).

The Terms and Conditions contained in this Securities Note may, in connection with an issue of Exempt Securities to be listed on the Official List of the Luxembourg Stock Exchange and admitted to trading on the "Euro MTF" market of the Luxembourg Stock Exchange, not be amended in a way that a new type of security is created which is not foreseen in this Securities Note.

Non-Exempt Securities

The following types of Securities may be issued under the Programme as Non-Exempt Securities:

1. Fixed Rate Securities and Zero Coupon Securities

If Fixed Rate or Zero Coupon Securities are issued as Notes, the terms and conditions of such Securities are set out in the set of Terms and Conditions for fixed rate Notes and zero coupon Notes ("**Option I**"), as described in more detail in the sections "*Issue Procedures*" and "*Terms and Conditions*". If Fixed Rate or Zero Coupon Notes are issued in registered form and not in bearer form (as described in "*Form*" below) the terms and conditions of such Securities are formed by both Option I and the terms and conditions set out in the section "*Registered Securities Annex*". If Fixed Rate or Zero Coupon Securities are issued as Pfandbriefe, the terms and conditions of such Securities are set out in the set of Terms and Conditions for fixed rate or zero coupon Pfandbriefe ("**Option III**"), as described in more detail in the sections "*Issue Procedures*" and "*Terms and Conditions*". Pfandbriefe cannot be issued in registered form. The other sets of Terms and Conditions available under the Programme, *i.e.* Options II to V, are not relevant in the case of Fixed Rate or Zero Coupon Notes, and Options I, II, IV and V, are not relevant in the case of Fixed Rate or Zero Coupon Pfandbriefe.

2. Floating Rate Securities

If Floating Rate Securities are issued as Notes, the terms and conditions of such Securities are set out in the set of Terms and Conditions for floating rate Notes ("**Option II**"), as described in more detail in the sections "*Issue Procedures*" and "*Terms and Conditions*". If Floating Rate Notes are issued in registered form and not in bearer form (as described in "*Form*" below) the terms and conditions of such Securities are formed by both Option II and the terms and conditions set out in the section "*Registered Securities Annex*". If Floating Rate Securities are issued as Pfandbriefe, the terms and conditions of such Securities are set out in the set of Terms and Conditions for floating rate Pfandbriefe ("**Option IV**"), as described in more detail in the sections "*Issue Procedures*" and "*Terms and Conditions*". Pfandbriefe cannot be issued in registered form. The other sets of Terms and Conditions available under the Programme, *i.e.* Options I, III, IV, and V, are not relevant in the case of Floating Rate Notes, and Options I, II, III, and V, are not relevant in the case of Floating Rate Pfandbriefe.

3. Structured Notes

The Programme allows for Notes to be issued which are equity linked, index linked and/or inflation index linked in the form of (i) Equity Linked Redemption Notes, (ii) Equity Linked Interest Notes, (iii) Index Linked Redemption Notes, (iv) Index Linked Interest Notes and (v) Inflation Index Linked Interest Notes. The terms and conditions of such Structured Notes are set out in the set of Terms and Conditions for Structured Notes ("**Option V**"), as described in more detail in the sections "*Issue Procedures*" and "*Terms and Conditions*". Structured Notes cannot be issued as Pfandbriefe. If Structured Notes are issued in registered form and not in bearer form (as described in "*Form*" below) the terms and conditions of such Securities are formed by both Option V and the terms and conditions set out in the section "*Registered Securities Annex*". The other sets of Terms and Conditions available under the Programme, *i.e.* Options I to IV, are not relevant for Structured Notes.

4. Credit Linked Notes

The Programme allows for Notes to be issued which are credit linked in the form of Credit Linked Notes. Credit Linked Notes may only be governed by English law. The terms and conditions of Credit Linked Notes are set out in the applicable Credit Linked Notes Annex set out in the section "*Credit Linked Notes Annex A*" or in the section "*Credit Linked Notes Annex B*", depending on which is specified as applicable in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities) together with either Option I (if the Securities bear fixed rate interest), Option II (if the Securities bear floating rate interest) or Option V (if the Securities bear structured interest). If the Credit Linked Notes are issued in registered form and not in bearer form (as described in "*Form*" below) the terms and conditions of such Securities are formed by (i) the applicable Credit Linked Notes Annex, (ii) either Option I, Option II or Option V, and (iii) the terms and conditions set out in the section "*Registered Securities Annex*". The other sets of Terms and Conditions available under the Programme, *i.e.* Options II to V (if the Securities bear fixed rate interest), Options I and III to V (if the Securities bear floating rate interest) or Options I to IV (if the Securities bear structured interest) are not relevant for Credit Linked Notes.

Exempt Securities

The same type of Securities described under 1. to 4. above may also be issued as Exempt Securities. Thus the description set out under 1. to 4. above also applies to Exempt Securities with regard to the terms and conditions of such Securities. The Programme furthermore allows the issue of additional types of Structured Securities which may only be issued as Notes which are Exempt Securities, *i.e.*

- Commodity Linked Notes;
- Currency Linked Notes;
- Fund Linked Notes; or
- other types of Securities agreed between the relevant Dealer and the Issuer.

In addition to the options set out above there will also be further options in the relevant Options and Annexes, respectively, depending on the applicable law or jurisdiction of the issuing branch.

Governing Law of the Securities

Both Non-Exempt Securities and Exempt Securities may be governed by German law or English law, as specified in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities).

Dealers

Under this Programme, the Issuer may from time to time issue Securities to one or more of Deutsche Bank Aktiengesellschaft, Deutsche Bank AG, London Branch, Deutsche Bank AG, Zurich Branch, Deutsche Bank

Luxembourg S.A., Deutsche Bank AG, Hong Kong Branch, Deutsche Bank AG, Singapore Branch, in each case acting as a Dealer and/or to any other Dealer appointed from time to time in accordance with the Dealer Agreement which appointment may be for a specific issue or on an ongoing basis (each a "**Dealer**" and together the "**Dealers**"). References in this Securities Note to the "**relevant Dealer**" shall, in the case of an issue of Securities being (or intended to be) subscribed by more than one Dealer, be to all Dealers agreeing to purchase such Securities.

Form

Notes may be issued in (i) bearer form, or (ii) registered form. Pfandbriefe may only be issued in bearer form. The maximum aggregate principal amount of all Securities from time to time outstanding under the Programme will not exceed Euro 80,000,000,000 (or its equivalent in other currencies calculated as described in the Dealer Agreement), subject to increase in accordance with the terms of the Dealer Agreement which would require the preparation of a supplement relating to information contained in this Securities Note pursuant to Article 23 of the Prospectus Regulation.

Issuer

Securities may be issued by the Issuer through its head office in Frankfurt am Main and acting through its London branch, New York branch, Milan branch, Sydney branch, Deutsche Bank AG, Sucursal em Portugal (its Portuguese branch), Deutsche Bank AG, Sucursal en España (its Spanish branch), Deutsche Bank AG, Hong Kong branch, Deutsche Bank AG, Singapore branch or any of its other branch offices outside Germany. All Securities constitute obligations of Deutsche Bank Aktiengesellschaft.

Guarantee

Certain Series of Securities issued by the Issuer acting through its London branch may be guaranteed by Deutsche Bank Aktiengesellschaft, acting through its New York branch.

Distribution and Transferability

Securities may be distributed by way of public offer or private placement and, in each case, on a syndicated or non-syndicated basis. The method of distribution of each Tranche will be stated in the relevant Final Terms (the "**Final Terms**") or, in the case of Exempt Securities, the relevant Pricing Supplement (the "**Pricing Supplement**").

Public offers may be made to any person in Luxembourg, Austria, Belgium, France, Germany, Ireland, Italy, the Netherlands, Portugal and Spain as well as any other jurisdictions into which the Base Prospectus (comprising this Securities Note and the Registration Document) has been passported (as specified in the applicable Final Terms) subsequently to its approval under Article 25 of the Prospectus Regulation. In other EEA Member States, offers will only be made pursuant to an exemption under the Prospectus Regulation.

Certain selling restrictions set out in the section entitled "Transfer and Selling Restrictions" apply to the Securities. Other than that, the Notes will be freely transferable.

Series and Tranches

Securities will be issued on a continuous basis in tranches (each a "**Tranche**"), each Tranche consisting of Securities which are identical in all respects (including as to listing and admission to trading). One or more Tranches, which are (i) expressed to be consolidated and form a single series and (ii) identical in all respects, (except for different issue dates, interest commencement dates, issue prices and dates for first interest payments, if applicable) may form a series ("**Series**") of Securities. Further Securities may be issued as part of existing Series. The specific terms of each Tranche will be set forth in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities).

Denomination and Issue Price

The Securities will be issued in such denominations as may be agreed between the Issuer and the relevant Dealer(s) and as indicated in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities). If the Securities are admitted to trading on the regulated market of a stock exchange located in an EEA Member State or offered to the public in an EEA Member State in circumstances which require the publication of a prospectus under the Prospectus Regulation, the minimum Specified Denomination of the Securities will be Euro 1,000 (or, if the Securities are denominated in a currency other than the Euro, the equivalent amount in such currency) or such higher amount as may be allowed or required from time to time by the relevant Central Bank (or equivalent body) or any laws or regulations applicable to the relevant Specified Currency.

Securities may be issued at an issue price which is at par or at a discount to, or premium over, par, as specified in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities).

Listing and Admission to Trading

Application has been made by the Issuer to the Luxembourg Stock Exchange for Securities issued under the Programme to be listed on the Official List of the Luxembourg Stock Exchange and admitted to trading (i) (in the case of Non-Exempt Securities) on the Luxembourg Stock Exchange's regulated market or the professional segment of the regulated market of the Luxembourg Stock Exchange, or (ii) (in the case of Non-Exempt Securities or Exempt Securities) on the "Euro MTF" market of the Luxembourg Stock Exchange or the professional segment of the "Euro MTF" market of the Luxembourg Stock Exchange.

Securities issued under the Programme may also be admitted to trading on the regulated market of the Frankfurt Stock Exchange or the regulated market of any other stock exchange which is, like the regulated market of the Luxembourg Stock Exchange, a regulated market for the purposes of MiFID II .

Securities issued under the Programme may also be admitted to trading or listed on the SIX Swiss Exchange or an unregulated market such as the Open Market (*Freiverkehr*) of the Frankfurt Stock Exchange or may not be admitted to trading or listed.

Money Market Instruments

Under the Luxembourg Prospectus Act, prospectuses for the admission to trading of money market instruments having a maturity at issue of less than 12 months and complying also with the definition of securities do not need to be approved by the CSSF. However, any offers to the public of such securities in Luxembourg would be subject to the prior approval by the CSSF of an alleviated prospectus pursuant to Part III, Chapter 1 of the Luxembourg Prospectus Act.

Clearing

Bearer Securities will be accepted for clearing through one or more Clearing Systems as specified in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities). These Clearing Systems will include those operated by Clearstream Banking AG, Frankfurt ("**CBF**"), Clearstream Banking S.A., Luxembourg ("**CBL**"), Euroclear Bank SA/NV ("**Euroclear**") and SIX SIS AG, Olten, Switzerland ("**SIS**").

Registered Securities will either (i) be deposited with a custodian for, and registered in the name of a nominee of, the Depository Trust Company ("**DTC**") or (ii) be deposited with a common depository for, and registered in the name of a common nominee of, Euroclear and CBL, as specified in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities). No beneficial owner of an interest in a Registered Global Security will be able to transfer such interest, except in accordance with the applicable procedures of DTC, Euroclear and CBL, in each case to the extent applicable.

Agents

Deutsche Bank Aktiengesellschaft acting through its head office in Frankfurt am Main (in respect of German law governed Securities) or Deutsche Bank Aktiengesellschaft acting through its London branch (in respect of all English law governed Securities) will act as fiscal agent (the "**Fiscal Agent**"), unless otherwise stated in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities). Deutsche Bank AG, Zurich branch will act as Swiss paying agent (the "**Swiss Paying Agent**") in respect of Swiss Securities.

Where indicated in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities), Deutsche Bank Aktiengesellschaft, Deutsche Bank AG, London Branch, the Swiss Paying Agent and such other institutions as may be specified, will act, together with the Fiscal Agent, as paying agents (the "**Paying Agents**"). Deutsche Bank Luxembourg S.A. will act as Luxembourg listing agent (the "**Luxembourg Listing Agent**") and the transfer agent (the "**Transfer Agent**"). Deutsche Bank Trust Company Americas will act as the registrar (the "**Registrar**") and the exchange agent (the "**Exchange Agent**") in respect of Registered Securities initially represented by (i) both a Regulation S Global Security and a Rule 144A Global Security or (ii) a Rule 144A Global Security.

Issue Price

The Securities may be issued at an issue price which is at par or at a discount to, or premium over, par (as specified in the relevant Final Terms (or Pricing Supplement in the case of Exempt Securities)). The issue price for Securities to be issued will be determined at the time of pricing on the basis of a yield which will be determined on the basis of the orders of the investors which are received by the relevant Dealer during the offer period of the Notes. Orders will specify a minimum yield or spread level and may only be confirmed at or above such yield or level. The resulting yield will be used to determine an issue price corresponding to the yield.

Yield

In relation to Fixed Rate Securities, an indication of the yield in respect of such Securities will be specified in the applicable Final Terms (or Pricing Supplement in the case of Exempt Securities). The yield is calculated according to the ICMA method which determines the effective interest rate taking into account accrued interest on a daily basis. The yield indicated will be calculated as the yield to maturity as at the issue date of the Securities and will not be an indication of future yield.

Issue-Specific Summary

Where required by Article 7 of the Prospectus Regulation, a summary (the "**Issue-Specific Summary**") will be prepared in connection with an issue of Notes under this Securities Note. Such Issue-Specific Summary will be annexed to the Final Terms prepared in connection with such Notes. Where required, a translation of the Summary will be provided in the language applicable to the jurisdiction where the public offer is made.

Risk Factors

The risk factors set out in the section entitled "*Risk Factors*" are limited to the description of risks which are specific to the Securities and material for making an informed investment decision. They are presented in a limited number of categories depending on their nature. In each category the most material risk factor is mentioned first.

RISK FACTORS

Potential investors should carefully review and consider the following risk factors (the "**Risk Factors**") and the other information contained in this Securities Note (including any document incorporated by reference) or any supplement to this Securities Note.

The Issuer believes that the Risk Factors described below represent the specific risks inherent in investing in the Securities issued under the Programme but the inability of the Issuer to pay principal, interest or other amounts or perform its delivery obligations on or in connection with any Securities may occur or arise for other reasons and there may be other factors which are material to the risks associated with the Securities. In the case of Exempt Securities, the Pricing Supplement in respect of a Series of Securities may contain additional issue specific risk factors in respect of such Series.

The Securities issued under the Programme may not be a suitable investment for all investors. Each potential investor in the Securities must determine the suitability and appropriateness of that investment in light of its own circumstances. In particular, each potential investor should:

- (a) have sufficient knowledge and experience to make a meaningful evaluation of the Securities, the merits and risks of investing in the Securities and the information contained or incorporated by reference in this Securities Note or any applicable supplement and all the information contained in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities);
- (b) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Securities and the impact the Securities will have on its overall investment portfolio;
- (c) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Securities;
- (d) understand thoroughly the terms of the Securities and be familiar with the behaviour of any relevant indices and financial markets; and
- (e) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

During the life of each Series of Securities the Risk Factors specified below may impact such Securities at different points in time and for different lengths of time. Each Series of Securities may have a risk profile that changes over time. Prospective investors should seek advice from a professional financial adviser in order to further discuss and understand how the risk profile of a particular Series of Securities will affect their overall investment portfolio.

More than one risk factor may have simultaneous effect with regard to the Securities such that the effect of a particular risk factor may not be predictable. In addition, more than one risk factor may have a compounding effect which may not be predictable. No assurance can be given as to the effect that any combination of the Risk Factors set out below may have on the value of the Securities.

If one or more of the risks described below occurs, this may result in material decreases in the price of the Securities or, in the worst-case scenario, in total loss of interest and capital invested by the investor.

Where Securities are linked to one or more Reference Items an investment in such Securities should only be made after assessing the direction, timing and magnitude of potential future changes in the value of such Reference Item(s), and/or the in the composition or method of calculation of such Reference Item(s), as the return of any such investment will be dependent, *inter alia*, upon such changes.

Terms used in this section and not otherwise defined shall have the meanings given to them in section entitled "*Terms and Conditions of the Securities*".

The Risk Factors are presented according to their nature in the following six categories:

1. **Risks Relating to all Securities;**
2. **Risks Relating to the Regulatory Classification of Notes;**
3. **Risks Relating to the Interest and Redemption Structures of Certain Types of Securities;**
4. **Risks Relating to Certain Other Features of Securities;**
5. **Risks Relating to the Taxation of Securities; and**
6. **Other Related Risks**

Within the different categories, each individual Risk Factor has been indicated by a title. Where a Risk Factor may be categorised in more than one category, such Risk Factor appears only once and in the most relevant category for such Risk Factor. The most material risk in a category is presented first under that category. The assessment of materiality was based on the probability of occurrence and expected magnitude of negative impact. Subsequent Risk Factors in the same category are not ranked in order of materiality of occurrence.

1. **Risks Relating to all Securities**

The Secondary Market Generally

Securities may have no established trading market when issued, and one may never develop. If a market for the Securities does develop, it may not be very liquid and may be sensitive to changes in financial markets. Therefore, investors may not be able to sell their Securities easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case should the Issuer be in financial distress, which may result in any sale of the Securities having to be at a substantial discount to their principal amount or for Securities that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors or are not admitted for trading on the regulated market, the "Euro MTF" market or another established securities exchange. These types of Securities generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Securities.

Market Price Risk

The market prices of the Securities depends on various factors, such as changes of interest rate levels, the policy of central banks, overall economic developments, inflation rates or the supply and demand for the relevant type of Security. The market price of the Securities may also be negatively affected by an increase in the Issuer's credit spreads, *i.e.* the difference between yields on the Issuer's debt and the yield of government bonds or swap rates of similar maturity. The Issuer's credit spreads are mainly based on its perceived creditworthiness but also influenced by other factors such as general market trends as well as supply and demand for such Securities.

Exchange Rate Risks and Exchange Controls

The Issuer will pay principal and interest on the Securities in the Specified Currency. This presents certain risks relating to currency conversion if an investor's financial activities are denominated principally in a currency or currency unit (the "**Investor's Currency**") other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (a) the Investor's Currency-equivalent yield on the Securities, (b) the

Investor's Currency equivalent value of the principal payable on the Securities and (c) the Investor's Currency equivalent market value of the Securities.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

In addition, there is the risk that the Specified Currency is or becomes illiquid and/or subject to currency restrictions including conversion restrictions and exchange controls imposed by authorities with jurisdiction over the Specified Currency. The applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities) may determine that payments under the Securities may be made in another currency as the Specified Currency due to certain currency restrictions or the illiquidity of the Specified Currency. In such cases the Securityholders could be exposed to specific risks connected to the currency in which payments are actually made. Investors may also suffer disadvantages and losses due to the circumstance that they do not receive payment in the Specified Currency, e.g. if amounts in the Specified Currency are needed to fulfil own payment obligations in the Specified Currency.

Such currency risks generally depend on factors over which the Issuer and the Securityholder have no control, such as economic and political events and the supply of and demand for the relevant currencies. In recent years, rates of exchange for certain currencies have been highly volatile, and such volatility may be expected to continue in the future. Fluctuations in any particular exchange rate that have occurred in the past are not necessarily indicative, however, of fluctuations in the rate that may occur during the term of any Security.

2. Risks Relating to the Regulatory Classification of Notes

Risks Associated with Subordinated Notes

The Issuer may issue Subordinated Notes. The obligations of the Issuer under Subordinated Notes constitute unsecured and subordinated obligations and will rank junior in priority of payment to unsubordinated obligations. In the event of insolvency or liquidation of the Issuer, such obligations will be subordinated to the claims of all unsubordinated creditors of the Issuer so that in any such event no amounts will be payable in respect of such obligations until the claims of all unsubordinated creditors of the Issuer have been satisfied in full. The Issuer expects from time to time to incur additional indebtedness or other obligations that will constitute senior indebtedness, and the Subordinated Notes do not contain any provisions restricting the Issuer's ability to incur senior indebtedness. Although the Subordinated Notes may pay a higher rate of interest than comparable Securities which are not so subordinated, there is a real risk that an investor will lose all or some of its investment should the Issuer become insolvent since its assets would be available to pay such amounts only after all of its senior creditors have been paid in full.

Subordinated Notes are intended to qualify as tier 2 capital instruments within the meaning of Article 63 of Regulation (EU) No 575/2013 of the European Parliament and of the Council of 26 June 2013 on prudential requirements for credit institutions and investment firms and amending Regulation (EU) No 648/2012, as amended ("**CRR**").

In the context of a Regulatory Bail-in (see below "*Regulatory Bail-in and Other Resolution Measures*"), the Subordinated Notes will be written down or converted to common equity tier 1 capital instruments of the Issuer before any non-subordinated liabilities of the Issuer or subordinated liabilities of the Issuer which do not qualify as own funds (within the meaning of the CRR) are affected by such measures. Accordingly, trading behaviour in respect of the Subordinated Notes may not follow the trading behaviour associated with other types of securities.

The Issuer may redeem all, but not some, of the Subordinated Notes at its option at any time prior to maturity upon the occurrence of certain regulatory events. If the Issuer redeems the Subordinated Notes, holders of such Securities may not be able to reinvest the amounts they receive upon redemption at a rate that will provide the same rate of return as did the investment in the Subordinated Notes.

In the event of the dissolution, liquidation, insolvency, composition or other proceedings for the avoidance of insolvency of, or against, the Issuer, the obligations under the Subordinated Notes will be fully subordinated to the claims of unsubordinated creditors of the Issuer and, under Section 46f (7a) KWG (as defined below) implementing Art. 48 (7) BRRD (as defined below), subordinated obligations within the meaning of Section 39 of the German Insolvency Code (*Insolvenzordnung*, "**Inso**") (or any successor provision thereof) of the Issuer which do not qualify as own funds (within the meaning of the CRR) at the time of resolution measures being imposed on the Issuer or in the event of a dissolution, liquidation, insolvency, composition or other proceedings for the avoidance of insolvency of, or against, the Issuer.

Accordingly, in any such event no amounts shall be payable in respect of the Subordinated Notes until the claims of unsubordinated creditors and subordinated creditors of the Issuer, whose claims do not qualify as own funds (within the meaning of the CRR), have been satisfied in full. Accordingly, the Securityholder's rights under the Securities will rank behind all unsubordinated creditors and certain subordinated creditors of the Issuer in the event of the insolvency or liquidation of the Issuer. The Issuer's payment obligations under the Securities will rank *pari passu* amongst themselves and, subject to applicable law from time to time, with all claims in respect of existing and future instruments classified as tier 2 capital (*Ergänzungskapital*) of the Issuer and the payment of interest payments thereunder.

The only remedy against the Issuer available to Securityholders for recovery of amounts which have become due in respect of the Subordinated Notes will be the institution of legal proceedings to enforce payment of the amounts. In an insolvency or liquidation of the Issuer, any Securityholder may only claim amounts due under the Subordinated Notes after the Issuer has discharged or secured in full (*i.e.* not only with a quota) all claims that rank senior to the Subordinated Notes.

The Issuer may not have enough assets remaining to pay amounts due under the relevant Subordinated Notes and the Securityholder of such Subordinated Notes could lose all or some of his investment. No Securityholder may set off any claims arising under the Subordinated Notes against any claims that the Issuer may have against the Securityholder.

Risks Arising from a Regulatory Bail-in and Other Resolution Measures

On 15 May 2014, the European Parliament and the Council of the European Union adopted Directive 2014/59/EU establishing a framework for the recovery and resolution of credit institutions and investment firms (commonly referred to as the "Bank Recovery and Resolution Directive" or the "**BRRD**") which was transposed into German law by the Recovery and Resolution Act (*Sanierungs- und Abwicklungsgesetz*, or the "**SAG**") with effect from 1 January 2015. For banks established in the eurozone, such as the Issuer, which are supervised within the framework of the Single Supervisory Mechanism (the "**SSM**"), Regulation (EU) No 806/2014 of the European Parliament and of the Council (the "**SRM Regulation**") provides for a coherent application of the resolution rules across the SSM under responsibility of the European Single Resolution Board, with effect since 1 January 2016 (referred to as the "Single Resolution Mechanism" or the "**SRM**"). Under the SRM, the Single Resolution Board is responsible for adopting resolution decisions in close cooperation with the European Central Bank, the European Commission, and national resolution authorities in the event that a significant bank directly supervised by the European Central Bank, such as the Issuer, is failing or likely to fail and certain other conditions are met. National resolution authorities in the European Union member states concerned would implement such resolution decisions adopted by the Single Resolution Board in accordance with the powers conferred on them under national law transposing the BRRD.

If the competent authority determines that the Issuer is failing or likely to fail and certain other conditions are met (as set forth in the SRM Regulation, the SAG and other applicable rules and regulations), the competent resolution authority has the power to write down, including to write down to zero, claims for payment of the principal, interest or any other amount in respect of the Notes, to convert the Notes into ordinary shares or other instruments qualifying as common equity tier 1 capital (the write-down and conversion powers are hereinafter referred to as the "**Bail-in tool**" or "**Regulatory Bail-in**"), or to apply any other resolution measure including (but not limited to) a transfer of the Notes to another entity, a variation of the terms and conditions of the Notes (including, but not limited to, the variation of maturity of the Notes) or a cancellation of the Notes. The Bail-in

tool and each of these other resolution measures are hereinafter referred to as a "**Resolution Measure**". The competent resolution authority may apply Resolution Measures individually or in any combination.

The competent resolution authority will have to exercise the Bail-in tool in a way that results in (i) common equity tier 1 instruments (such as ordinary shares of the Issuer) being written down first in proportion to the relevant losses, (ii) subsequently, the principal amount of other capital instruments (additional tier 1 instruments and tier 2 instruments) being written down on a permanent basis or converted into common equity tier 1 instruments in accordance with their order of priority, (iii) subsequently, the Issuer's unsecured and subordinated liabilities that are not additional tier 1 instruments or tier 2 instruments being written down on a permanent basis or converted into common equity tier 1 instruments, and (iv) finally, the Issuer's unsecured and unsubordinated liabilities (unless exempted by the SRM Regulation, the BRRD or the SAG) – such as those under the unsubordinated Notes – being written down on a permanent basis or converted into common equity tier 1 instruments in accordance with their order of priority under Section 46f (5)-(9) of the German Banking Act (*Kreditwesengesetz*, "**KWG**") as set out below (see Risk factor "*Risks Arising from the Ranking of Senior Non-Preferred Debt Instruments*").

The holders of Notes are bound by any Resolution Measure. They would have no claim or any other right against the Issuer arising out of any Resolution Measure. Depending on the Resolution Measure, there would be no obligation of the Issuer to make payments under the Notes. The extent to which payment obligations under the Notes may be affected by Resolution Measures would depend on a number of factors that are outside the Issuer's control, and it will be difficult to predict when, if at all, Resolution Measures will occur. The exercise of any Resolution Measure would not constitute any right to terminate the Notes. Potential investors should consider the risk that they may lose all of their investment, including the principal amount plus any accrued interest, if Resolution Measures are initiated, and should be aware that extraordinary public financial support for troubled banks, if any, would only potentially be used as a last resort after having assessed and exploited, to the maximum extent practicable, the Resolution Measures, including the Bail-in tool. If the power of write-down or conversion of relevant capital instruments or the Bail-in tool is applied to the Issuer, the principal amount of the Subordinated Notes may be fully or partially written down or converted into instruments of ownership, although claims of other creditors of the Issuer might not be affected.

Risks Arising from the Ranking of Senior Non-Preferred Debt Instruments

The German Banking Act (*Kreditwesengesetz*, "**KWG**") establishes a category of notes which are not subordinated, but rank below other unsubordinated notes of banks (Section 46f (6) KWG). As a consequence, in the event of insolvency proceedings or Resolution Measures affecting the Issuer, these senior non-preferred debt instruments rank below other unsubordinated (senior preferred) obligations of the Issuer, such as debt instruments that are "structured" as defined in Section 46f (7) KWG, derivatives, money market instruments and deposits, and in priority to subordinated liabilities of the Issuer. Thus, such senior non-preferred debt instruments would bear losses before other unsubordinated liabilities of the Issuer.

Since 21 July 2018, only those unsecured and unsubordinated debt instruments will qualify as senior non-preferred debt instruments, which are not only "non structured" and have at the time of their issuance a maturity of at least one year, but also explicitly refer to the lower ranking in their terms and conditions and any related prospectus.

3. Risks Relating to the Interest and Redemption Structures of Certain Types of Securities

The Programme contemplates the issue of a wide variety of Securities with different interest and redemption provisions. The amount of interest and/or principal payable and/or the amount of assets deliverable under the Securities may depend on these features alone and/or in combination with other features and Reference Items. The risk factors below represent the principal risks associated with the interest and redemption provisions detailed in "*Description of the Securities – Description of the Interest Rate and Redemption Provisions*".

The Securities to be issued under the Programme may pay either a fixed amount of interest, a floating amount of interest, a variable amount of interest, an inverse variable amount of interest or no interest at all and payments of interest and redemption amounts may be calculated by reference to a formula or linked to Reference Items.

Risks Associated with Securities with a Fixed Rate of Interest

Securities bearing or paying a fixed rate of interest either will pay or, depending on the fulfilment of certain conditions, may pay a fixed amount of interest on specified interest payment dates. Investors who purchase Securities with a fixed rate of interest are exposed to the risk that market interest rates rise and the fixed amount of interest they receive is less than the amount they would have received had they invested in a Security with a floating rate of interest. The market value of Securities with a fixed rate of interest will decrease if potential investors perceive that they can achieve a greater return on an investment by investing in alternative products. If an investor holds a Security bearing a fixed rate of interest through to maturity, changes in the market interest rate may become less relevant to the value as the maturity date approaches.

Risks Associated with Securities with a Floating or Other Variable Rate of Interest

Securities bearing or paying a floating or other variable rate of interest either will pay or, depending on the fulfilment of certain conditions, may pay a variable amount of interest on specified interest payment dates. Securities which bear or pay floating or other variable interest rates can be volatile investments. Investors who purchase Securities with a floating or other variable rate of interest will be exposed to the risk of a fluctuating rate of interest and consequently variable interest amounts. Fluctuating interest rate levels make it impossible to determine the profitability of Floating Rate Securities in advance. Neither the current nor the historical value of the relevant floating rate should be taken as an indication of the future development of such floating rate during the term of any Floating Rate Securities.

Risks Associated with Securities with a Multiplier or Other Leverage Factor

If floating or other variable rate securities are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features, the market value of those securities may be more volatile than that for securities that do not include these features. If the amount of interest payable is determined in conjunction with a multiplier greater than one or by reference to such other leverage factor, the effect of changes in the interest rates on interest payable will be increased. The effect of a cap is that the amount of interest will never rise above the pre-determined cap so that the Holder will not be able to benefit from any actual favourable development beyond the cap. The market value of these Securities would typically fall the closer the sum of the relevant reference rate and any margin is to the maximum specified rate. The yield of Securities with a capped variable rate may be considerably lower than that of similar Securities without a cap.

Risks Associated with Securities Linked to a "Benchmark" as Reference Interest Rate

Interest rates and indices or other figures which are deemed to be "benchmarks" (including the London Interbank Offered Rate ("**LIBOR**"), the Euro Interbank Offered Rate ("**EURIBOR**") and other interest rates and indices) are the subject of recent national and international regulatory guidance and proposals for reform. Some of these reforms are already effective while others are still to be implemented. These reforms may cause such benchmarks to perform differently than in the past, to disappear entirely, or to have other consequences which cannot be predicted. Any such consequence could have a material adverse effect on any Securities linked to or referencing such a benchmark.

Regulation (EU) 2016/1011 of the European Parliament and of the Council of 8 June 2016 on indices used as benchmarks in financial instruments and financial contracts or to measure the performance of investment funds and amending Directives 2008/48/EC and 2014/17/EU and Regulation (EU) No 596/2014 (the "**Benchmarks Regulation**") applies, subject to certain transitional provisions, to the provision of benchmarks, the contribution of input data to a benchmark and the use of a benchmark within the EU. Among other things, it (i) requires benchmark administrators to be authorized or registered (or, if non-EU-based, to be subject to an equivalent regime or otherwise recognised or endorsed) and (ii) prevents certain uses by EU supervised entities (such as the Issuer) of benchmarks of administrators that are not authorized or registered (or, if non-EU based, not deemed equivalent or recognised or endorsed), unless such benchmark administrators are exempt from the application of the Benchmarks Regulation, such as, for example, central banks and certain public authorities.

Regulation (EU) 2016/1011 as it forms part of the domestic law of the United Kingdom by virtue of the European Union (Withdrawal) Act 2018 (the "**UK Benchmarks Regulation**"), among other things, applies to the provision of benchmarks and the use of a benchmark in the United Kingdom (the "**UK**"). Similarly, it prohibits the use in the UK by UK supervised entities of benchmarks of administrators that are not authorised by the Financial Conduct Authority (the "**FCA**") or registered on the FCA register (or, if non-UK based, not deemed equivalent or recognised or endorsed).

The Benchmarks Regulation and/or the UK Benchmarks Regulation, as far as applicable, could have a material impact on any Securities linked to or referencing LIBOR, EURIBOR or any other benchmark, in particular, if the methodology or other terms of LIBOR, EURIBOR or such other benchmark are changed in order to comply with the requirements of the Benchmarks Regulation or the UK Benchmarks Regulation. Such changes could, among other things, have the effect of reducing, increasing or otherwise affecting the volatility of the published rate or level of LIBOR, EURIBOR or such other benchmark.

More broadly, any of the international or national reforms, or the general increased regulatory scrutiny of benchmarks, could increase the costs and risks of administering or otherwise participating in the setting of a benchmark and complying with any such regulations or requirements.

The euro risk free-rate working group for the euro area has published a set of guiding principles for fallback provisions in new euro denominated cash products (including bonds) referencing EURIBOR. The guiding principles indicate, among other things, that continuing to reference EURIBOR in relevant contracts (without robust fallback provisions) may increase the risk to the euro area financial system. The recommendations provided thus far have been complemented by additional ones published in May 2021.

It is not possible to predict with certainty whether, and to what extent, certain benchmarks will continue to be supported going forwards. This may cause such benchmarks to perform differently than they have done in the past, and may have other consequences which cannot be predicted. Any of the above factors may have (without limitation) the following effects on certain benchmarks: (i) discourage market participants from continuing to administer or contribute to a benchmark; (ii) trigger changes in the rules or methodologies used in the benchmark and/or (iii) lead to the disappearance of the benchmark. Any of the above changes or any other consequential changes as a result of international or national reforms or other initiatives or investigations, could have a material adverse effect on the value of, and return on, any Securities linked to, referencing, or otherwise dependent (in whole or in part) upon, a benchmark and the Calculation Agent may be entitled to make corresponding adjustments to the conditions of Reference Item linked Securities.

Investors should be aware that if a benchmark used to calculate the Interest Rate under the Securities were discontinued or otherwise unavailable, were no longer permitted for use by the Issuer or were its methodology of calculation to be materially changed, the benchmark used in the calculation of the Rate of Interest will then be determined by the fall-back provisions set out in the Terms and Conditions which may (depending on market circumstances at the relevant time, including uncertainty concerning availability of replacement rates) not operate as intended. The fall-back provisions (other than the fall-back provisions applicable to Securities referencing the Euro Short Term Rate, the Secured Overnight Financing Rate or the Sterling Overnight Interbank Average Rate) may in certain circumstances (i) result in the Calculation Agent or an Independent Adviser appointed by the Issuer, or the Issuer itself, determining a replacement rate (if any at the relevant time) to be used, with or without the application of an adjustment spread (which, if applied, could be positive or negative or zero and would be applied with a view to reducing or eliminating, to the extent reasonably practicable in the circumstances, any transfer of economic value between the Issuer and Securityholders arising out of the replacement of the relevant rate) and making such other adjustments to the terms of the Securities as it determines appropriate to account for such replacement; (ii) result in the effective application of a fixed rate based on the rate which applied in the previous period when the benchmark was available; (iii) result in the early redemption of the Securities; or (iv) result in paragraphs (i) and (ii), or (ii) and (iii), both applying. Any such replacement and adjustment may result in an Interest Rate in respect of the Securities which is different and may perform differently from the rate originally anticipated (and result in a lower Rate of Interest) and unless any such replacement rate is itself discontinued or otherwise unavailable, is no longer permitted for use by the Issuer or its methodology of calculation is materially changed, such replacement rate will be used to calculate the Interest Rate for the remainder of the life of the Securities, regardless of any change in industry or market practice as to the appropriate replacement for the rate originally anticipated. Due to the uncertainty concerning

the availability of replacement rates, the involvement of an Independent Adviser and the potential for further regulatory developments, there is a risk that the relevant fall-back provisions may not operate as intended at the relevant time. All of this could have an adverse effect on the value or liquidity of, and return on, the Securities.

In addition, in the case of Securities linked to other types of benchmarks, the occurrence of an Administrator/Benchmark Event may cause early redemption or adjustment of the Securities, which may include selecting one or more successor benchmarks and making related adjustments to the Securities, including if applicable to reflect increased costs. An Administrator/Benchmark Event may arise if any of the following circumstances occurs or may occur: (1) a benchmark is materially changed or cancelled; or (2) (i) the relevant authorisation, registration, recognition, endorsement, equivalence decision or approval in respect of the benchmark or the administrator or sponsor of the benchmark is not obtained, (ii) an application for authorisation, registration, recognition, endorsement, equivalence decision, approval or inclusion in any official register is rejected or (iii) any authorisation, registration, recognition, endorsement, equivalence decision or approval is suspended or inclusion in any official register is withdrawn; (3) it is not fair and commercially reasonable from the perspective of the Issuer or the Calculation Agent to continue the use of the benchmark or the Issuer or the Calculation Agent suffer increased costs in each case due to licensing restrictions or changes in licence costs; or (4) a relevant supervisor officially announces a benchmark is longer representative of any relevant underlying market(s).

Investors should consult their own independent advisers and make their own assessment about the potential risks imposed by the Benchmarks Regulation, the UK Benchmarks Regulation or any other relevant international or national reforms and the possible application of any benchmark provisions of Securities as described above in making any investment decision with respect to any Securities linked to or referencing a benchmark. Any of the foregoing could have a material adverse effect on the value or liquidity of, and the amounts payable on floating rate Instruments whose rate of interest is linked to a discontinued Benchmark.

Risks Associated with Securities Linked to €STR

The Euro short-term rate (the "**€STR**") is published by the European Central Bank (the "**ECB**") and is intended to reflect the wholesale euro unsecured overnight borrowing costs of banks located in the Euro area and to complement existing benchmark rates produced by the private sector, serving as a backstop reference rate. The ECB reports that €STR will be calculated based entirely on actual individual transactions in Euro that are reported by banks in accordance with the ECB's money market statistical reporting (the "**MMSR**").

The ECB reports that €STR is calculated as a volume-weighted trimmed mean based on borrowing transactions in Euro conducted with financial counterparties that banks report in accordance with Regulation (EU) No 1333/2014 (the "**MMSR Regulation**"), the concepts and definitions of which underlie the €STR conceptual framework. The ECB notes that the €STR is based on daily confidential statistical information relating to money market transactions collected in accordance with the MMSR Regulation. The regular data collection started on 1 July 2016. €STR is based exclusively on the eligible data from the unsecured market segment of the MMSR.

The ECB further notes that the use of €STR is subject to limitations and disclaimers, including that the ECB may (i) materially change €STR methodology or the €STR determination process, or (ii) cease the determination and publication of €STR (in each case after consulting with stakeholders to the extent it is possible or practicable and all as described in Guideline (EU) 2019/1265 of the European Central Bank of 10 July 2019 on the Euro short-term rate (€STR) (ECB/2019/19)).

Because €STR is published by the ECB based on data received from other sources, the Issuer has no control over its determination, calculation or publication. There can be no guarantee that €STR will not be discontinued or fundamentally altered in a manner that is materially adverse to the interests of investors in Securities referencing €STR. If the manner in which the €STR is calculated is changed, that change may result in a reduction of the amount of interest payable on the Securities and the trading price of the Securities. The €STR in respect of any calendar day may be zero or negative.

The ECB began to publish €STR as of 2 October 2018. The ECB had also begun publishing historical indicative pre-€STR going back to March 2017. Investors should not rely on any historical changes or trends in €STR as

an indicator of future changes in the €STR. Also, since the €STR is a new market index, Securities referencing €STR will be likely to have no established trading market when issued, and an established trading market may never develop or may not be very liquid. Market terms for debt instruments indexed to the €STR, such as the spread over the index reflected in interest rate provisions, may evolve over time, and trading prices of any Securities referencing €STR may be lower than those of later-issued indexed debt instruments as a result.

The Issuer may in the future also issue Securities referencing the €STR that differ materially in terms of interest determination when compared with any previous €STR referencing Securities. The nascent development of €STR as reference interest rate for the Eurobond markets, as well as continued development of rates based on the €STR for such markets and market infrastructure for adopting such rates, could result in reduced liquidity or increased volatility or otherwise affect the market price of the Securities.

Interest on the Notes is only capable of being determined at the end of the relevant Interest Accrual Period and immediately prior to the relevant Interest Payment Date. It may be difficult for investors in the Securities to reliably estimate the amount of interest that will be payable on the Securities.

In addition, the manner of adoption or application of reference rates based on the €STR in the Eurobond markets may differ materially compared with the application and adoption of the €STR in other markets, such as the derivatives and loan markets. Investors should carefully consider how any mismatch between the adoption of reference rates based on the €STR across these markets may impact any hedging or other financial arrangements which they may put in place in connection with any acquisition, holding or disposal of Securities referencing the €STR.

Further, if €STR does not prove to be widely used in debt instruments like the Securities, the trading price of Securities referencing €STR may be lower than those of debt instruments linked to indices that are more widely used. Investors in Securities referencing €STR may not be able to sell the Securities at all or may not be able to sell the Securities at prices that will provide them with a yield comparable to similar investments that have a developed secondary market, and may consequently suffer from increased pricing volatility and market risk.

Investors should be aware that, if €STR were temporarily unavailable or permanently discontinued, the rate of interest on Securities referencing €STR will be determined for the relevant interest period by the fall-back provisions applicable to the Securities, which include, *inter alia*, the application of certain successor rates.

Investors should further be aware that, if €STR were permanently discontinued, the rate of interest on Securities referencing €STR will be determined for the relevant interest period by fall-back provisions which differ from those applicable in case €STR were temporarily unavailable.

The application of the fall-back provisions could result in the same interest rate being applied to the Securities until their maturity, effectively turning the Securities, which are supposed to pay a floating rate of interest, into debt instruments with a fixed rate of interest.

Given that it cannot be excluded that further changes will be implemented and, in particular, that there is no historical data or trends that investors could rely on and that the transition from existing reference rates to €STR could result in further uncertainties and limitations, investors in the Instruments should consider all these factors when making their investment decision with respect to any such Instruments.

Any of the foregoing could have a material adverse effect on the value or liquidity of, and return on, the Securities.

Investors should consult their own independent advisers and make their own assessment about the potential risks involved in making any investment decision with respect to any Securities referencing €STR.

Risks Associated with Securities Linked to the LIBOR

On 27 July 2017, and in a subsequent speech by its Chief Executive on 12 July 2018, the **FCA**, which regulates the LIBOR, confirmed that it will no longer persuade or compel banks to submit rates for the calculation of the

LIBOR benchmark after 2021 (the "**FCA Announcements**"). The FCA Announcements indicated that the continuation of LIBOR on the current basis cannot and will not be guaranteed after 2021.

On March 5, 2021, the FCA announced that (i) the publication of 24 LIBOR settings (as detailed in the FCA Announcements) will cease immediately after December 31, 2021, (ii) the publication of the overnight and 12-month U.S. dollar LIBOR settings will cease immediately after June 30, 2023, (iii) immediately after December 31, 2021, the 1-month, 3-month and 6-month sterling LIBOR settings will no longer be representative of the underlying market and economic reality that they are intended to measure and representativeness will not be restored (and the FCA will consult on requiring IBA to continue to publish these settings on a synthetic basis, which will no longer be representative of the underlying market and economic reality they are intended to measure, for a further period after the end of 2021), and (iv) immediately after June 30, 2023, the 1-month, 3-month and 6-month U.S. dollar LIBOR settings will no longer be representative of the underlying market and economic reality that they are intended to measure and representativeness will not be restored (and the FCA will consider the case for using its proposed powers to require IBA to continue publishing these settings on a synthetic basis, which will no longer be representative of the underlying market and economic reality they are intended to measure, for a further period after the end of June 2023).

Investors should consult their own independent advisers and make their own assessment about the potential risks involved in making any investment decision with respect to any Notes referencing LIBOR.

Risks Associated with Securities Linked to SOFR

The Secured Overnight Financing Rate ("**SOFR**") is published by the Federal Reserve Bank of New York (the "**Federal Reserve**") and is intended to be a broad measure of the cost of borrowing cash overnight collateralised by securities issued by the United States Department of the Treasury (the "**Treasury**"). The Federal Reserve reports that the SOFR includes all trades in the Broad General Collateral Rate, being a measure of rates on overnight Treasury general collateral repurchase agreement (repo) transactions, plus bilateral Treasury repurchase agreement transactions cleared through the delivery-versus-payment service offered by the Fixed Income Clearing Corporation (the "**FICC**"), a subsidiary of the Depository Trust and Clearing Corporation ("**DTCC**"). The SOFR is filtered by the Federal Reserve to remove a portion of the foregoing transactions considered to be "specials".

The Federal Reserve reports that the SOFR is calculated as a volume-weighted median of transaction-level tri-party repo data collected from The Bank of New York Mellon as well as transaction data from repurchase agreements in the form of general collateral financing trades and data on bilateral Treasury repurchase transactions cleared through the FICC's delivery-versus-payment service. The Federal Reserve notes that it obtains information from DTCC Solutions LLC, an affiliate of DTCC. The Federal Reserve further notes on its publication page for the SOFR that use of the SOFR is subject to important limitations and disclaimers, including that the Federal Reserve may alter the methods of calculation, publication schedule, rate revision practices or availability of the SOFR at any time without prior notice.

Because the SOFR is published by the Federal Reserve based on data received from other sources, the Issuer has no control over its determination, calculation or publication. There can be no guarantee that the SOFR will not be discontinued or fundamentally altered in a manner that is materially adverse to the interests of investors in the Securities. If the manner in which the SOFR is calculated is changed, that change may result in a reduction of the amount of interest payable on the Securities and the trading prices of the Securities. The SOFR in respect of any calendar day may decline to zero or become negative.

The Federal Reserve began to publish the SOFR in April 2018. The Federal Reserve has also begun publishing historical indicative SOFR going back to 2014. Investors should not rely on any historical changes or trends in the SOFR as an indicator of future changes in the SOFR. Also, since the SOFR is a relatively new market index, the Securities will likely have no established trading market when issued, and an established trading market may never develop or may not be very liquid. Market terms for debt instruments indexed to the SOFR, such as the spread over the index reflected in interest rate provisions, may evolve over time, and trading prices of the Securities may be lower than those of later-issued indexed debt instruments as a result.

The Issuer may in the future also issue other securities referencing the SOFR that differ materially in terms of interest determination when compared with any previous SOFR referencing Securities issued under the Programme. The nascent development of SOFR as reference interest rate for the Eurobond markets, as well as continued development of rates based on the SOFR for such markets and market infrastructure for adopting such rates, could result in reduced liquidity or increased volatility or otherwise affect the market price of the Securities.

Interest on the Securities is only capable of being determined at the end of the relevant Interest Accrual Period and immediately prior to the relevant Interest Payment Date. It may be difficult for investors in the Securities to reliably estimate the amount of interest that will be payable on the Securities.

In addition, the manner of adoption or application of reference rates based on the SOFR in the Eurobond markets may differ materially compared with the application and adoption of the SOFR in other markets, such as the derivatives and loan markets. Investors should carefully consider how any mismatch between the adoption of reference rates based on the SOFR across these markets may impact any hedging or other financial arrangements which they may put in place in connection with any acquisition, holding or disposal of the Securities.

Further, if the SOFR does not prove to be widely used in debt instruments like the Securities, the trading price of the Securities may be lower than those of debt instruments linked to indices that are more widely used. Investors in the Securities may not be able to sell the Securities at all or may not be able to sell the Securities at prices that will provide them with a yield comparable to similar investments that have a developed secondary market, and may consequently suffer from increased pricing volatility and market risk.

Investors should be aware that, if SOFR were temporarily unavailable or permanently discontinued, the rate of interest on the Securities will be determined for the relevant Interest Accrual Period by the fall-back provisions applicable to the Securities, which include, *inter alia*, the application of certain successor rates.

Investors should further be aware that, if SOFR were permanently discontinued, the rate of interest on the Securities will be determined for the relevant Interest Accrual Period by fall-back provisions which differ from those applicable in case SOFR were temporarily unavailable.

The application of the fall-back provisions could result in the same interest rate being applied to the Securities until their maturity, effectively turning the Securities, which are supposed to pay a floating rate of interest, into debt instruments with a fixed rate of interest.

Any of the foregoing could have a material adverse effect on the value or liquidity of, and return on, the Securities.

Investors should carefully consider all of these matters when making their investment decision with respect to any such Securities.

Risks Associated with Securities Linked to SONIA

Where the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities) for a Series of Floating Rate Securities identifies that the Rate of Interest for such Securities will be determined by reference to the Sterling Overnight Interbank Average Rate (the "**SONIA**"), the Rate of Interest will be determined on the basis of compounded daily SONIA. Compounded daily SONIA differs from LIBOR in a number of material respects, including (without limitation) that compounded daily SONIA is a backwards-looking, compounded, risk-free overnight rate, whereas LIBOR is expressed on the basis of a forward-looking term and includes a risk-element based on inter-bank lending. As such, investors should be aware that LIBOR and SONIA may behave materially differently as interest reference rates for Securities issued under the Programme. The use of compounded daily SONIA as a reference rate for Eurobonds is still less established as LIBOR as a reference rate for debt capital markets instruments, and is subject to change and development, both in terms of the substance of the calculation and in the development and adoption of market infrastructure for the issuance and trading of bonds referencing compounded daily SONIA.

Accordingly, prospective investors in any Securities referencing compounded daily SONIA should be aware that the market continues to develop in relation to SONIA as a reference rate in the capital markets and its adoption as an alternative to Sterling LIBOR. For example, in the context of backwards-looking SONIA rates, market participants and relevant working groups are currently assessing the differences between compounded rates and weighted average rates, and such groups are also exploring forward-looking 'term' SONIA reference rates (which seek to measure the market's forward expectation of an average SONIA rate over a designated term). The adoption of SONIA may also see component inputs into swap rates or other composite rates transferring from LIBOR or another reference rate to SONIA.

The market or a significant part thereof may adopt an application of SONIA that differs significantly from that set out in the Terms and Conditions and used in relation to Securities referencing SONIA that are issued under the Programme. Furthermore, the Issuer may in future issue Securities referencing SONIA that differ materially in terms of interest determination when compared with any previous SONIA-referenced Securities issued under the Programme. The nascent development of compounded daily SONIA as an interest reference rate for the Eurobond markets, as well as continued development of SONIA-based rates for such market and the market infrastructure for adopting such rates, could result in reduced liquidity or increased volatility or could otherwise affect the market price of any SONIA-referenced Securities issued under the Programme from time to time.

Furthermore, the Rate of Interest on Securities which reference compounded daily SONIA is only capable of being determined at the end of the relevant Interest Period and immediately prior to the relevant Interest Payment Date. It may be difficult for investors in Securities which reference compounded daily SONIA to estimate reliably the amount of interest which will be payable on such Securities, and some investors may be unable or unwilling to trade such Securities without changes to their IT systems, both of which factors could adversely impact the liquidity of such Securities. Further, in contrast to LIBOR-based Securities, if Securities referencing compounded daily SONIA are redeemed early and accrued interest is payable on such redemption in respect of a period which is not an Interest Period, the final Rate of Interest payable in respect of such Securities shall only be determined immediately prior to the due date for redemption.

In addition, the manner of adoption or application of SONIA reference rates in the Eurobond markets may differ materially compared with the application and adoption of SONIA in other markets, such as the derivatives and loan markets. Investors should carefully consider how any mismatch between the adoption of SONIA reference rates across these markets may impact any hedging or other financial arrangements which they may put in place in connection with any acquisition, holding or disposal of Securities referencing compounded daily SONIA.

To the extent the daily SONIA rate is discontinued or is no longer published on the SONIA Screen Page or published by authorised distributors, the applicable rate to be used to calculate the Interest Rate on Securities referencing SONIA will be determined using the fall-back provisions set out in the Terms and Conditions. Any of these fall-back provisions may result in interest payments that are lower than, or do not otherwise correlate over time with, the payments that would have been made on the Securities if the SONIA rate had been so published in its current form. In addition, use of the fall-back provisions may result in the effective application of a fixed rate of interest to the Securities.

Any of the foregoing could have a material adverse effect on the value or liquidity of, and return on, the Securities.

Investors should carefully consider all of these matters when making their investment decision with respect to any such Securities.

Risks Associated with Variable Interest Securities

Variable Interest Securities bear or pay interest at a rate that may at the election of the Issuer convert from one interest basis to another, for example from a fixed rate to a floating or other variable rate, or from a floating or other variable rate to a fixed rate. The Issuer's right to convert the interest rate will affect the secondary market in and the market value of, the Securities because the Issuer may be expected to elect to convert the rate when it is likely to produce a lower overall cost of borrowing. For example if the Issuer elects to convert the interest rate from a fixed rate to a floating or other variable rate, the spread on the Securities may be less favourable

than the then prevailing spreads on comparable floating or other variable rate securities relating to the same reference rate. In addition, the new floating or other variable rate at any time may be lower than the interest rates payable on other securities. If the Issuer elects to convert the interest rate from a floating or other variable rate to a fixed rate, the fixed rate may be lower than the then prevailing interest rates payable on its securities. Variable Interest Securities (which bear or pay interest on a variable basis (whether fixed to floating/variable, floating/variable to fixed or one floating/variable to another)) are distinguishable from variable rate interest securities which pay interest at a variable rate but not (unless otherwise stated) on a variable basis.

Risks Associated with Securities with an Inverse Variable Rate of Interest

The market value of Securities which bear or pay interest at a variable rate inversely linked to a specified reference rate typically is more volatile than the market value of other more conventional floating or other variable rate securities based on the same reference rate. These Securities are more volatile because an increase in the relevant reference rate not only decreases the interest rate payable on the Securities, but may also reflect an increase in prevailing interest rates, which may further adversely affect the market value of these Securities.

Risks Associated with Zero Coupon Securities

In the absence of periodical interest payments, Zero Coupon Securities are issued at a discount to their principal amount and redeem at their principal amount. The difference between the redemption amount and the purchase price of such Securities constitutes the return on the Securities. The price of such Securities will fall if the market interest rate is greater than the return at any point in time. The market prices of Zero Coupon Securities may be more volatile than the market price of Securities with a fixed rate of interest and are likely to respond to a greater degree to market interest rate movements than interest bearing Securities with a similar maturity.

Risk Associated with Interest and/or Redemption Amounts which Are Linked to Formulae

Where an issue of Securities references a formula in the applicable Terms and Conditions (which may be replicated in the applicable Final Terms or Pricing Supplement, in the case of Exempt Securities) or, in the case of Exempt Securities, the Pricing Supplement as the basis upon which the interest payable and/or the amount payable and/or assets deliverable on redemption is calculated potential investors should ensure that they understand the relevant formula and if necessary seek advice from their own financial adviser.

In addition the effects of the formula may be complex with respect to expected amounts of interest and/or amounts payable and/or assets deliverable on redemption and in certain circumstances may result in increases or decreases in these amounts.

Risks Associated with Interest and/or Redemption Amounts which Are Linked to Reference Items

This section relates to Securities issued in the form of Notes only.

As described in the section entitled "*Description of the Securities – Description of Interest Rate and Redemption Provisions*", Securities may be issued where the amount of interest payable or the amount payable, or, if "Physical Settlement" or "Physical Delivery" is specified as an applicable settlement method for the Securities in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities), assets deliverable, on redemption are linked to one or more Reference Items. These Securities will derive some or all of their value by reference to one or more underlying assets or other bases of reference.

Where the amount of interest payable and/or amounts payable and/or assets deliverable on redemption of Securities may be determined by reference to a ratio greater than one, prospective investors should note that the effect of changes in the price or level of the Reference Item(s) payable will be magnified. Conversely, where the ratio is less than one, the effect will be reduced and investors will not benefit (as applicable) from the full performance of the Reference Item(s).

The purchase of, or investment in, Securities linked to Reference Item(s) involves substantial risks. These Securities are not conventional debt securities and carry various unique investment risks which prospective investors should understand clearly before investing in the Securities. Each prospective investor in these Securities should be familiar with securities having characteristics similar to such Securities and should fully review all documentation for and understand the Terms and Conditions of the Securities and the nature and extent of its exposure to risk of loss.

By investing in such Securities each investor represents that:

- (a) *Non-Reliance. It is acting for its own account, and it has made its own independent decisions to invest in the Securities and as to whether the investment in the Securities is appropriate or proper for it based upon its own judgement and upon advice from such advisers as it has deemed necessary. It is not relying on any communication (written or oral) of the Issuer or any Dealer as investment advice or as a recommendation to invest in the Securities, it being understood that information and explanations related to the terms and conditions of the Securities shall not be considered to be investment advice or a recommendation to invest in the Securities. No communication (written or oral) received from the Issuer or any Dealer shall be deemed to be an assurance or guarantee as to the expected results of the investment in the Securities.*
- (b) *Assessment and Understanding. It is capable of assessing the merits of and understanding (on its own behalf or through independent professional advice), and understands and accepts the terms and conditions and the risks of the investment in the Securities. It is also capable of assuming, and assumes, the risks of the investment in the Securities.*
- (c) *Status of Parties. Neither the Issuer nor any Dealer is acting as a fiduciary for or adviser to it in respect of the investment in the Securities.*

The Issuer may issue Securities where the amount of interest or principal payable or the amount of assets deliverable is dependent upon:

- (a) the price or changes in the price of, one or more equity securities;
- (b) the level or changes in the level of one or more indices;
- (c) movements in currency exchange rates and/or the circumstance that capital or interest payments are payable in one or more currencies different from the currency in which the Securities are denominated;
- (d) whether certain events have occurred in respect of one or more specified entities (each a "**Reference Entity**") and, for certain types of Securities, whether amounts would be received by a holder of specified assets of such Reference Entity; or

In relation to Exempt Securities the Issuer may issue, in addition to (a) to d) above, Securities where the amount of interest or principal payable or the amount of assets deliverable is dependent upon:

- (a) in the case of Exempt Securities, the price or changes in the price of one or more commodities;
- (b) in the case of Exempt Securities, the price or changes in the price of units or shares in one or more funds;
- (c) in the case of Exempt Securities, other underlying assets or bases of reference.

The Issuer may also issue Securities where the amount of interest or principal payable or the amount of assets deliverable is dependent upon more than one Reference Item.

Prospective investors in any such Securities should be aware that depending on the terms of such Securities (i) they may receive no or a limited amount of interest or principal and/or deliverable assets, (ii) payment of interest

or principal and/or assets delivered may occur at different times than expected or in a different currency than expected and (iii) they may lose all or a substantial portion of their investment upon redemption.

In addition, the movements in:

- (a) the price of the equity securities in respect of Equity Linked Notes;
- (b) the level of the index or indices in respect of Index Linked Notes;
- (c) the level of the inflation index or inflation indices in respect of Inflation Index Linked Notes;
- (d) currency exchange rates in respect of Currency Linked Notes (Exempt Securities only) or other Securities whose terms include a currency exchange rate and/or payments of capital or interest payments being due in one or more currencies different from the currency in which the Securities are denominated;
- (e) the price of the commodity or commodities in respect of Commodity Linked Notes (Exempt Securities only);
- (f) the price of the units or shares in one or more funds in respect of Fund Linked Notes (Exempt Securities only);
- (g) the creditworthiness of each Reference Entity in respect of Credit Linked Notes; or
- (h) the movement in the level of any underlying asset or basis of reference (Exempt Securities only),

may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other economic factors or indices and the timing of changes in the relevant price or level of the Reference Item may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the price or level of the Reference Item, the greater the effect on yield.

If the amount of interest or principal payable and/or assets deliverable is determined by reference to a multiplier greater than one or by reference to some other leverage factor, the effect of changes in the price or level of the Reference Item will be magnified.

The market price of such Securities may be volatile and may be affected by:

- (a) the time remaining to the redemption date;
- (b) the volatility of the Reference Item or other underlying asset or basis of reference;
- (c) the dividend rate (if any) and the financial results and prospects of the issuer(s) of the equity securities in respect of Equity Linked Notes or the issuers of the equity securities comprised in an Index in respect of Index Linked Notes;
- (d) movements in exchange rates and the volatility of currency exchange rates in respect of Currency Linked Notes or other Securities whose terms include a currency exchange rate and/or payments of capital or interest payments being due in one or more currencies different from the currency in which the Securities are denominated; or
- (e) the volatility of the price of units or shares in the fund or funds in respect of Fund Linked Notes,

as well as economic, financial and political events in one or more jurisdictions, including factors affecting the exchange(s) or quotation system(s) on which any such commodities, fund units or shares or equities may be traded.

Risks Associated with Equity Linked Notes

Equity linked redemption Notes may be redeemed by the Issuer by payment of the par value amount and/or, in the case of Exempt Securities, by the physical delivery of a given number of specified assets and/or by payment of an amount determined by reference to the value of one or more equity securities. Accordingly, an investment in equity linked redemption Notes may bear similar market risks to a direct equity investment and prospective investors should take advice accordingly. Equity linked interest Securities will bear or pay interest by reference to the value of one or more equity securities.

Equity Linked Notes may not benefit from the same ratings assigned to other Securities to be issued under the Programme. Investors should note that no specific rating for the Securities may have been applied for or sought.

Corporate Actions and Events

Equity Linked Notes may be subject to early redemption in the event of certain corporate actions or events occurring in respect of the issuer(s) of the equity security(ies). On such early redemption Securityholders will receive an early redemption amount equal to the fair market value of the Securities less Early Redemption Unwind Costs (see page 46 below). Unless the rules of the market or trading facility upon which the Securities are listed and admitted to trading require otherwise, the early redemption amount may be less than an investors' original investment and may in certain circumstances be zero.

Disruption Provisions for Equity Linked Notes

Where "Disrupted Day" is specified as applying in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities), the Calculation Agent may determine that an event giving rise to a Disrupted Day has occurred at any relevant time. Any such determination may have an effect on the timing of valuation and consequently the value of the Securities and/or may delay payment, or in the case of equity linked redemption Notes, settlement in respect of the Securities.

Where equity linked redemption Exempt Securities provide for physical delivery, the Calculation Agent may determine that a Settlement Disruption Event is subsisting. A Settlement Disruption Event is an event beyond the control of the Issuer as a result of which, in the opinion of the Calculation Agent, delivery of the specified assets to be delivered by or on behalf of the Issuer is not practicable. Any such determination may affect the value of the Securities and/or may delay settlement in respect of the Securities.

Index Linked Notes

Index linked redemption Notes may be redeemed by the Issuer by payment of the par value amount and/or by payment of an amount determined by reference to the value of one or more indices. Accordingly, an investment in index linked redemption Notes may bear similar market risks to a direct investment in the components of the Index comprising such index or indices and prospective investors should take advice accordingly. Index linked interest Securities will bear or pay interest calculated by reference to the value of one or more indices.

Index Linked Notes may not benefit from the same ratings assigned to other Securities to be issued under the Programme. Investors should note that no specific rating for the Securities may have been applied for or sought.

Index Adjustment Events

Index Linked Notes may be subject to early redemption following an Index Adjustment Event. An Index Adjustment Event can be either:

- (a) a failure to calculate and announce the relevant index by the index sponsor;
- (b) a material modification in the way that the relevant index is calculated from that originally intended; or

(c) a permanent cancellation of the relevant index with no successor index.

On such early redemption, Securityholders will receive an early redemption amount equal to the fair market value of the Securities less Early Redemption Unwind Costs (see page 46 below). Unless the rules of the market or trading facility upon which the Securities are listed and admitted to trading require otherwise the early redemption amount may be less than an investors' original investment amount and may in certain circumstances be zero.

Disruption Provisions for Index Linked Redemption Notes

Where "Disrupted Day" is specified as applying in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities), the Calculation Agent may determine that an event giving rise to a Disrupted Day has occurred at any relevant time. Any such determination may have an effect on the timing of valuation and consequently the value of the Securities and may delay settlement in respect of the Securities.

Inflation Linked Notes

Inflation index linked redemption Notes may be redeemed by the Issuer by payment of the par value amount and/or by payment of an amount determined by reference to the value of one or, in the case of Exempt Securities, more indices.

Index Linked Notes may not benefit from the same ratings assigned to other Securities to be issued under the Programme. Investors should note that no specific rating for the Securities may have been applied for or sought.

Currency Linked Notes (Exempt Securities only)

Currency linked redemption Notes may be redeemed by the Issuer by payment of the par value amount and/or by payment of an amount determined by reference to the rate of exchange between one or more currencies. Accordingly, an investment in currency linked redemption Notes may bear similar market risks to a direct currency investment and investors should take advice accordingly. Currency linked interest Securities will bear or pay interest calculated by reference to the rate of exchange between one or more currencies.

Currency Linked Notes may not benefit from the same ratings assigned to other Securities to be issued under the Programme. Investors should note that no specific rating for the Securities may have been applied for or sought.

Commodity Linked Notes (Exempt Securities only)

Commodity linked redemption Notes may be redeemed by the Issuer by payment of the par value amount or by payment of an amount determined by reference to the value of one or more commodities. Accordingly, an investment in commodity linked redemption Notes whose redemption is commodity linked may bear similar market risks to a direct commodity investment and investors should take advice accordingly. Commodity linked interest Securities will bear or pay interest calculated by reference to the value of one or more commodities.

Commodity Linked Notes may not benefit from the same ratings assigned to other Securities to be issued under the Programme. Investors should note that no specific rating for the Securities may have been applied for or sought.

Fund Linked Notes (Exempt Securities only)

Fund linked redemption Notes may be redeemed by the Issuer by payment of the par value amount or by payment of an amount determined by reference to the value of one or more shares or units in a fund. Accordingly, an investment in fund linked redemption Notes may bear similar market risks to a direct fund investment and investors should take advice accordingly. Fund linked interest Securities will bear or pay interest calculated by reference to the value of one or more shares or units in a fund.

Fund Linked Notes may not benefit from the same ratings assigned to other Securities to be issued under the Programme. Investors should note that no specific rating for the Securities may have been applied for or sought.

Market Disruption and Termination/Adjustment Provisions for Fund Linked Notes

The market disruption and termination/adjustment provisions will vary on a case-by-case basis depending on the nature of the relevant fund. Prospective investors should review the relevant fund documentation and the applicable Pricing Supplement in respect of an issue of Fund Linked Notes.

Credit Linked Notes

General

Credit Linked Notes may only be governed by English law and may be redeemed by the Issuer by payment of the par value amount and/or by the physical delivery of a given number of specified assets and/or by payment of an amount depending on whether certain events ("**Credit Events**") have occurred in respect of one or more Reference Entities and, if so, on the value of certain specified assets of the Reference Entity(ies) or where, if such events have occurred, on redemption the Issuer's obligation is to deliver certain specified assets. Since the relevant assets will be issued, guaranteed or insured by the Reference Entity affected by the Credit Event, the value of such assets at the relevant time may be considerably less than would be the case if the Credit Event had not occurred.

In certain circumstances Credit Events may occur with respect to an entity other than the Reference Entity or an obligation which has not been directly issued or incurred by the Reference Entity (for example if the provisions taken from the ISDA Sukuk Transaction Types supplement apply to the Securities, a Credit Event may occur in respect of a Sukuk Issuer or an obligation issued by a Sukuk Issuer, being an entity which has recourse to the Reference Entity for the purposes of funding amounts due under certain of its instruments. Similarly, if the provisions taken from the ISDA LPN Reference Entities supplement applies to the Securities, a Credit Event may occur in respect of a LPN Issuer or an obligation of a LPN Issuer, being an entity which issues loan participation notes solely to provide funds to finance the Reference Entity). In addition, the relevant assets determined for settlement purposes may be obligations of an entity other than the Reference Entity (for example the Sukuk Issuer or LPN Issuer) and these risk factors will be construed accordingly.

Investors should note that each of the Credit Event Redemption Amount, any Asset Amount and any Cash Settlement Amount (if "Unwind Costs" is specified as applicable in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities)) and any Early Redemption Amount will have deducted from it an amount equal to either (a) the amount specified in the relevant Final Terms (or Pricing Supplement, in the case of Exempt Securities) to be the unwind costs or (b) an amount determined by the Calculation Agent equal to the sum of (without duplication) all costs, fees, charges, expenses (including loss of funding), tax and duties incurred by the Issuer and/or any of its Affiliates in connection with the redemption of the Credit Linked Notes and the related termination, settlement or re-establishment of any hedge or related trading position, such amount to be apportioned *pro rata* amongst the Credit Linked Notes. Investors may therefore receive back less than their initial investment or, in the case of redemption following the occurrence of a Credit Event, losses may be greater than if the investor were to hold obligations of the Reference Entity directly.

The market price of the Securities may be volatile and may be affected by, among other things, the creditworthiness of the Reference Entity (which in turn may be affected by the economic, financial and political events in one or more jurisdictions) and the time remaining until maturity.

Credit Events

Events that will constitute a "Credit Event" for these purposes are as specified in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities) and, depending on which is specified as applicable in the applicable Final Terms (or Pricing Supplement in the case of Exempt Securities), as further described in Credit Linked Notes Annex A or Credit Linked Notes Annex B (each a "**Credit Linked Notes Annex**" and together the

"**Credit Linked Notes Annexes**"). The Credit Events that apply to the Securities will be specified in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities) and may include, without limitation, the occurrence of one or more of the following:

- (a) Bankruptcy - the Reference Entity goes bankrupt;
- (b) Failure to Pay - subject to a minimum threshold amount, the Reference Entity fails to pay any amounts due on any of its borrowings (including its bonds or loans) or, where applicable, guarantees (which, for the purposes of these risk factors, includes guarantees and insurance pursuant to a guarantee);
- (c) Obligation Acceleration - the Reference Entity defaults on a minimum amount of its borrowings (including its bonds or loans) or, where applicable, guarantees and as a result such obligations are accelerated;
- (d) Obligation Default - the Reference Entity defaults on a minimum amount of its borrowings (including its bonds or loans) or, where applicable, guarantees and as a result such obligations are capable of being accelerated;
- (e) Restructuring - following a deterioration of the Reference Entity's creditworthiness, any of its borrowings or, where applicable, guarantees, subject to a minimum threshold amount of such borrowings or, where applicable, guarantees, are restructured in such a way as to adversely affect a creditor (such as a reduction or postponement of the interest or principal payable on a bond or loan); and
- (f) Repudiation/Moratorium - (i) the Reference Entity repudiates or rejects, in whole or in part, its obligations in relation to its borrowings or, where applicable, its guarantees, or it declares or imposes a moratorium with respect to its borrowings or, where applicable, guarantees and (ii) thereafter within a certain period it fails to pay any amounts due on any of its borrowings (including its bonds or loans) or, where applicable, its guarantees, or it restructures any of its borrowings or, where applicable, guarantees in such a way as to adversely affect a creditor; and
- (g) if Credit Linked Notes Annex B applies to the Credit Linked Notes, Governmental Intervention – any of the Reference Entity's borrowings or, where applicable, guarantees are restructured in such a way as to adversely affect a creditor (such as a reduction or postponement of the interest or principal payable on a bond or loan), are expropriated or amended in such a way that the beneficial holder is changed or are mandatorily cancelled, converted or exchanged or any similar event occurs with respect thereto, in each case as a result of Governmental Authority action or announcement pursuant to or by means of a restructuring and resolution law or regulation (or similar).

Prospective investors should note that not all of the possible Credit Events require an actual default with respect to the obligations of a relevant Reference Entity. Securityholders could bear losses based on deterioration in the credit of any relevant Reference Entity(ies) short of a default, subject to the provisions set out in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities).

Early Redemption upon Merger Event

If applicable, in the event that in the determination of the Calculation Agent a Merger Event has occurred the Issuer may redeem the Credit Linked Notes early at the Early Redemption Amount.

Early Redemption on Redemption in whole of Reference Obligation for Reference Obligation Only Securities Relating to a Single Reference Entity

If Credit Linked Notes Annex B applies and the Credit Linked Notes are Reference Obligation Only Securities relating to a single Reference Entity and the Reference Obligation is redeemed in whole, the Issuer will redeem the Credit Linked Notes early at the Early Redemption Amount.

ISDA Credit Derivatives Definitions

This Securities Note contains Terms and Conditions for Credit Linked Notes some of which terms are based on the 2003 ISDA Credit Derivatives Definitions (as supplemented) (the "**2003 ISDA Definitions**") (see the section entitled "*Annexes to the Terms and Conditions - Credit Linked Notes Annex A*") and further Terms and Conditions for Credit Linked Notes some of which terms are based on the 2014 Credit Derivatives Definitions (the "**2014 ISDA Definitions**") (see the section entitled "*Annexes to the Terms and Conditions - Credit Linked Notes Annex B*"). While there are similarities between the terms used in such Annexes and the terms used in the 2003 ISDA Definitions or 2014 ISDA Definitions, as applicable, there are a number of differences (including, without limitation, whether or not Credit Derivatives Determinations Committee determinations are applicable (see further below), the operation of the credit protection period and, if auction settlement applies, the auction(s) which may be applicable on a M(M)R Restructuring Credit Event). In particular, the Issuer has determined that certain provisions of the Credit Derivatives Definitions, which are intended for use by market participants in "over the counter" transactions, require amendment when incorporated in the terms of an offering of securities such as the Credit Linked Notes. Therefore, a prospective investor should understand that the complete terms and conditions of the Credit Linked Notes are as set out in this Securities Note and the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities) and that neither the 2003 ISDA Definitions nor the 2014 ISDA Definitions are incorporated by reference herein. Consequently, investing in Credit Linked Notes is not necessarily equivalent to investing a credit default swap that incorporates either set of ISDA Definitions.

While ISDA has published and, where applicable, supplemented the 2003 ISDA Definitions and 2014 ISDA Definitions in order to facilitate transactions and promote uniformity in the credit derivatives market, the credit derivatives market has evolved over time and is expected to continue to change. Consequently, the 2003 ISDA Definitions and 2014 ISDA Definitions and the terms applied to credit derivatives, including Credit Linked Notes are subject to further evolution. Past events have shown that the view of market participants may differ as to how the Credit Derivatives Definitions operate or should operate. As a result of the continued evolution of the market, the Credit Linked Notes may not conform to future market standards. Such a result may have a negative impact on the Credit Linked Notes. Furthermore, there can be no assurances that changes to the terms applicable to credit derivatives generally will be predictable or favourable to the Issuer or the Securityholders.

Differences between the 2003 ISDA Definitions and the 2014 ISDA Definitions

There are a number of important differences between the 2003 ISDA Definitions and the 2014 ISDA Definitions. In particular the 2014 ISDA Definitions have:

- (a) introduced a new Credit Event of "Governmental Intervention", which is intended to capture "bail-in" procedures to which financial institutions may be subject;
- (b) made certain amendments to the Restructuring Credit Event to provide for the possibility of a Euro exit;
- (c) reduced the number of buckets applicable in circumstances where Mod Mod R is applicable and deleted the concept of the "Enabling Obligation" which was previously applicable to both Mod R and Mod Mod R;
- (d) introduced the concept of Asset Package Delivery in respect of certain Financial Reference Entities and Sovereigns. This provides that if Deliverable Obligations are exchanged into non-Deliverable assets or written-down in part or in full, in certain circumstances, the credit protection buyer will be able to deliver the resultant package of Assets or the written-down Deliverable Obligation to realise its protection;
- (e) split credit protection between senior and subordinated coverage in respect of a Governmental Intervention and Restructuring Credit Event for Financial Reference Entities, *i.e.* a Senior Transaction will only be triggered by a Restructuring or Governmental Intervention of Senior Obligations and a Subordinated Transaction will not be capable of being triggered by a Restructuring or Governmental Intervention of an obligation which is Subordinated to the Subordinated Reference Obligation;

- (f) made a number of changes to the provisions for determining a Successor to a Reference Entity, particularly with respect to Financial and Sovereign Reference Entities;
- (g) provided for a new election of "Standard Reference Obligation" which, if chosen, will mean that the Reference Obligation will be the obligation of the relevant seniority level published in respect of the relevant Reference Entity on a List maintained by ISDA. A transaction on the terms of the 2014 ISDA Definitions may elect not to apply that election such that the Reference Obligation would remain as chosen by the parties, although, if this is the case, the procedure for selecting a Substitute Reference Obligation has also changed significantly in the 2014 ISDA Definitions;
- (h) replaced the Not Contingent Deliverable Obligation Characteristic with the concept of Outstanding Principal Balance. In order for an obligation (including the Reference Obligation) to constitute a Deliverable Obligation, it must have an Outstanding Principal Balance greater than zero;
- (i) amended the definition of "Qualifying Guarantee" to expand the universe of guarantees that can constitute Qualifying Guarantees (with a particular emphasis on including, to some extent, guarantees with caps or transfer provisions); and
- (j) introduced a large number of technical and other changes.

These changes in the 2014 ISDA Definitions as compared to the 2003 ISDA Definitions have been reflected in Credit Linked Notes Annex B, but in each case subject to important differences, including to reflect the nature of the Credit Linked Notes as compared to "over-the-counter" transactions and to reflect hedging arrangement of the Issuer. Some changes, such as the inclusion of a new Credit Event, may have significant economic effect on the Credit Linked Notes and may mean the value of the Credit Linked Notes and the return (if any) to investors is significantly different from Credit Linked Notes using Credit Linked Notes Annex A. Some changes may be disadvantageous to Securityholders and prospective investors should review carefully the terms of any issue of Credit Linked Notes and, where in any doubt, take advice from suitably qualified professional advisers.

Credit Derivatives Determinations Committees and ISDA Auctions

As further provided in the Credit Linked Notes Annexes, the determination as to whether or not a Credit Event has occurred may, if "DC Determinations" is specified as applicable in the applicable Final Terms (or Pricing Supplement in the case of Exempt Securities) be made on the basis of a determination of a committee established by ISDA pursuant to the 2009 ISDA Credit Derivatives Determinations Committees and Auction Settlement Supplement to the 2003 ISDA Definitions (published on 12 March 2009) (the "**2009 Supplement**") for the purposes of making certain determinations in connection with credit derivative transactions (a "**Credit Derivatives Determinations Committee**").

In such circumstances the relevant determination pursuant to the terms and conditions of the Credit Linked Notes is subject to the announcements, publications, determinations and resolutions made by ISDA and/or the Credit Derivatives Determinations Committees, unless the Calculation Agent determines that it is inappropriate to follow such announcements, publications, determinations and resolutions as provided therein (see the section entitled "*Disapplication of DC Resolution*" below).

Credit Derivatives Determinations Committees also apply under the 2014 ISDA Definitions and if Credit Linked Notes Annex B applies to the Credit Linked Notes and "DC Determinations" is specified as applicable in the Final Terms (or Pricing Supplement, in the case of Exempt Securities), the determination as to whether or not a Credit Event has occurred may also be subject to the announcements, publications, determinations and resolutions made by those Credit Derivatives Determinations Committees (unless the Calculation Agent determines inappropriate).

Certain other determinations under the Credit Linked Notes, including without limitation determinations with respect to Successors and Substitute Reference Obligations, may also follow determinations and/or approvals of the relevant Credit Derivatives Determinations Committee (unless the Calculation Agent determines inappropriate).

In any such cases any such announcements, publications, determinations and resolutions could therefore affect the amount and timing of payments of interest on and principal of the Credit Linked Notes or deliveries pursuant to the terms of the Credit Linked Notes. The Issuer, the Dealer and no other related person will have any liability to any person for any determination or calculation and/or any delay or suspension of payments and/or redemption of the Credit Linked Notes resulting from or relating to any announcements, publications, determinations and resolutions made by ISDA and/or any of the Credit Derivatives Determinations Committees. Further information regarding the ISDA Credit Derivatives Determinations Committees can be found at www.isda.org/credit.

In certain circumstances, following the occurrence of a Credit Event if the relevant Credit Derivatives Determinations Committee determines that one or more auctions will be held in accordance with any Credit Derivatives Auction Settlement Terms published by ISDA in relation to obligations of appropriate seniority of the Reference Entity (in the case of Credit Linked Notes to which Credit Linked Notes Annex A applies, applicable to credit derivatives transactions incorporating the 2009 Supplement or the case of Credit Linked Notes to which Credit Linked Notes Annex B applies, applicable to credit derivatives transactions incorporating the 2014 ISDA Definitions), Credit Linked Notes may be redeemed by the Issuer by payment of an amount linked to the value determined pursuant to the relevant auction. Investors should note that the value determined pursuant to such ISDA auction (if applicable) will be determined by reference to obligations of the Reference Entity which may not include the Reference Obligation and such value may be lower than the market value that would otherwise have been determined in respect of the Reference Obligation. In addition, if the Credit Event is a Restructuring Credit Event, in certain circumstances the ISDA auction determined to be applicable may be for obligations of the Reference Entity of considerably longer tenor than the Reference Obligation, and as a result it is very likely that the value determined pursuant to such ISDA auction will be lower than the market value that would otherwise have been determined in respect of the Reference Obligation.

Prospective investors should note that Deutsche Bank or an affiliate of Deutsche Bank may be a member of the Credit Derivatives Determinations Committee responsible for determining the occurrence of Credit Events for the purposes of certain credit derivatives transactions. This may cause conflicts of interest which could affect its voting behaviour, and thus the determinations made by a Credit Derivatives Determinations Committee, which may be detrimental to investors.

Any references in these "*Credit Linked Notes*" risk factors to ISDA will include any other entity which succeeds to or is performing functions previously undertaken by ISDA in relation to Credit Derivatives Determinations Committees and references to Credit Derivatives Determinations Committees in relation to ISDA will include any successor thereto. The Calculation Agent may make such adjustments to the Credit Conditions and the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities) as it determines appropriate to account for any other entity so succeeding to or performing functions previously undertaken by ISDA.

If a Reference Obligation is a subordinated debt obligation, investors in the Securities should be aware that, on the occurrence of a Credit Event, the value of that Reference Obligation or the value determined pursuant to the ISDA auction in respect of obligations of appropriate seniority (being subordinated obligations) and (if the Credit Event is a restructuring) tenor of the relevant Reference Entity, as applicable, will be less than that of senior unsecured obligations of the Reference Entity and therefore the amount (if any) payable to investors in the Securities on redemption following a Credit Event will be lower (and is more likely to be zero) than if that Reference Obligation were a senior unsecured obligation.

Disapplication of DC Resolution

The Calculation Agent may in certain circumstances taking into account the differences between the 2003 ISDA Definitions or 2014 ISDA Definitions, as applicable, and the terms of the Credit Linked Notes and such other factor(s) as it deems appropriate, determine that a DC Resolution is inappropriate to follow for the purposes of the Credit Linked Notes including in relation to the determination of whether a Credit Event has occurred and the determination of a Successor.

Amendment of Terms in Accordance with Market Convention

The Calculation Agent may from time to time amend the terms of the Credit Linked Notes in any manner which the Calculation Agent determines in a commercially reasonable manner is necessary or desirable from the perspective of the Issuer, the Calculation Agent or any Affiliate of the Issuer hedging the Issuer's obligations in respect of the Securities:

- (i) to incorporate and/or reflect further or alternative documents or protocols from time to time published by ISDA with respect to the documentation, trading or settlement of credit derivative transactions and/or the operation or application of determinations by the ISDA Credit Derivatives Determinations Committees; and/or
- (ii) to reflect or account for market practice for credit derivative transactions.

Physically Settled Credit Linked Notes

Where the Securities provide for physical delivery, the Issuer may determine that the specified assets to be delivered are either (a) assets which for any reason (including, without limitation, failure of the relevant clearance system or due to any law, regulation, court order or market conditions or the non-receipt of any requisite consents with respect to the delivery of assets which are loans) it is impossible or illegal to deliver on the Settlement Date or (b) assets which the Issuer and/or any Affiliate has not received under the terms of any transaction entered into by the Issuer and/or such Affiliate to hedge the Issuer's obligations in respect of the Securities. Any such determination may delay settlement in respect of the Securities and/or cause the obligation to deliver such specified assets to be replaced by an obligation to pay a cash amount which, in either case, may affect the value of the Securities and, in the case of payment of a cash amount, will affect the timing of the valuation of such Securities and as a result, the amount of principal payable on redemption. Prospective purchasers should carefully review the Terms and Conditions of the Securities and the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities) to ascertain whether and how such provisions should apply to the Securities.

No Investigation or Due Diligence of Reference Entities

No investigation, due diligence or other enquiries have been made by the Issuer, any Dealer or any other related person in respect of any Reference Entity (including its existing or future creditworthiness) or any Reference Obligation, Obligation, Deliverable Obligation or other obligations of the Reference Entity (as applicable). No representations, warranties or undertakings whatsoever have been or will be made by the Issuer, any Dealer or any other related person in respect of the Reference Entity (including its existing or future creditworthiness) or any Reference Obligation, Obligation, Deliverable Obligation or other obligations of the Reference Entity (as applicable). Prospective investors in Credit Linked Notes should make their own evaluation as to the creditworthiness of each Reference Entity and the likelihood of the occurrence of a Credit Event.

Sovereign Reference Entities

Credit Linked Notes may be linked to the credit of one or more sovereign or governmental entity or quasi-governmental entity, and therefore payment of amounts due or delivery of any assets pursuant to the terms and conditions of the Credit Linked Notes, including any applicable interest payments, may be subject to sovereign risks. These include the potential default by such sovereign, government/quasi government issuer or the occurrence of political or economic events resulting in or from governmental action such as the declaration of a moratorium on debt repayment or negating repayment obligations of the sovereign issuer. If any such event were to occur, holders of such Credit Linked Notes may lose up to all of their initial investment in such Credit Linked Notes.

No Claim against any Reference Entity

A Credit Linked Note will not represent a claim against any Reference Entity in respect of which any amount of principal and/or interest payable or, if "Physical Delivery" is specified as an applicable settlement method for the Credit Linked Notes in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities), the

amount of assets deliverable in respect of the Credit Linked Notes, is dependent and, in the event that the amount paid by the Issuer or value of the specified assets delivered on settlement of the Credit Linked Notes is less than the principal amount of the Credit Linked Notes, a Securityholder will not have recourse under a Credit Linked Note to the Issuer or any Reference Entity.

An investment in Credit Linked Notes linked to one or more Reference Entities may entail significant risks which are not associated with investments associated with conventional debt securities, including but not limited to the risks set out in this section. The amount paid or value of the specified assets delivered by the Issuer on redemption or settlement of such Credit Linked Notes may be less than the principal amount of the Credit Linked Notes, together with any accrued interest, and may in certain circumstances be zero.

No Exposure to Reference Entities

The Issuer's obligations in respect of Credit Linked Notes are irrespective of the existence or amount of the Issuer's and/or any affiliates' credit exposure to a Reference Entity and the Issuer and/or any affiliate need not suffer any loss nor provide evidence of any loss as a result of the occurrence of a Credit Event.

Postponed Maturity Date

Where Conditions to Settlement have not been satisfied (in the case of Credit Linked Notes to which Credit Linked Notes Annex A applies) or a Credit Event Determination Date has not occurred (in the case of Credit Linked Notes to which Credit Linked Notes Annex B applies) in each case on or prior to the Scheduled Maturity Date but (a) the Repudiation/Moratorium Extension Condition has been satisfied, (b) a Potential Failure to Pay has occurred or (c) if on the Scheduled Maturity Date, the Repudiation/Moratorium Evaluation Date or the Grace Period Extension Date (as applicable) the Calculation Agent determines that a Credit Event may have occurred or a Potential Repudiation/Moratorium may have occurred, the relevant Maturity Date of the Credit Linked Notes may be extended pursuant to the terms and conditions of the Credit Linked Notes such that investors may experience delays in receipt of payments or deliveries that would otherwise have occurred in accordance with the terms of the Credit Linked Notes.

Other Types of Credit Linked Notes

Credit Linked Notes may also be "**first to default credit linked securities**" which refers to the exposure to the credit risk of a basket of Reference Entities. Where a Credit Event occurs in relation to a Reference Entity and Conditions to Settlement are satisfied (in the case of Credit Linked Notes to which Credit Linked Notes Annex A applies) or a Credit Event Determination Date occurs (in the case of Credit Linked Notes to which Credit Linked Notes Annex B applies), the Securities may be redeemed by the Issuer as set out above but Conditions to Settlement may only be satisfied or a Credit Event Determination Date may only occur, as applicable, on one occasion, unless the Calculation Agent delivers a Credit Event Notice in respect of only part of the principal amount outstanding of each Security, in which case Conditions to Settlement may be satisfied or a Credit Event Determination Date may occur, as applicable, on a further occasion and in respect of any Reference Entity. If Conditions to Settlement are satisfied or a Credit Event Determination Date occurs, as applicable, in respect of more than one Reference Entity on the same date, the Calculation Agent will determine which Reference Entity is the Reference Entity in respect of which Conditions to Settlement are satisfied or the Credit Event Determination Date has occurred. The basket of Reference Entities increases the likelihood that a Credit Event may occur prior to the maturity date of the Securities.

The Issuer may issue "**Portfolio Credit Linked Securities**" which are Credit Linked Notes linked to the performance of a portfolio of Reference Entities. Under Portfolio Credit Linked Notes the amount of principal and interest (if any) payable by the Issuer is dependent on whether a Credit Event in respect of one or more of Reference Entities has occurred. Where such Securities are "zero recovery" Portfolio Credit Linked Notes, the loss suffered by investors on a Credit Event occurring in respect of a Reference Entity will be equal to the entire weighting of that Reference Entity in the portfolio.

The Issuer may issue "**Single Name Zero Recovery Credit Linked Securities**" which are Credit Linked Notes linked to the performance of a single Reference Entity under which if a Credit Event occurs in respect of the

Reference Entity, the Credit Linked Notes will cease to pay interest and will be cancelled at zero and investors will lose their entire investment.

The Issuer may issue "**Fixed Recovery Securities**" which are Credit Linked Notes where the amount payable on redemption of the Securities following the occurrence of a Credit Event is fixed.

The amount of interest payable on Credit linked interest Notes will depend on whether or not a Credit Event has occurred in respect of one or more Reference Entities.

The Issuer may also issue "**pass-through Securities**" which are Credit Linked Notes under which the amount of interest and/or principal (in each case if any) payable is dependent on amount(s) paid under a "holding" of specified obligations of the Reference Entity. Further risk factors in relation to EM Pass-Through Securities, a type of pass-through Securities, are set out below. Other types of pass-through Securities will be Exempt Securities.

EM Pass-Through Securities

EM Pass-Through Securities are credit-linked to the performance of the Reference Entity and Obligations of the Reference Entity (including the Reference Obligation comprising the Holding) and currency linked to the convertibility of the currency in which the Securities are denominated from or into the Specified Currency of the Securities and early redemption of the Securities may be triggered through certain events which are linked to the performance and creditworthiness of the Reference Entity. Investors should note that the amounts payable by the Issuer in respect of the Securities are linked to the value of and amounts that would be received by a Holding Party in respect of the Holding (and therefore such amounts as they would be reduced by deductions for withholding taxes as applicable) and that in certain circumstances the Securities will not pay interest and the amount paid to Securityholders on redemption may be less than the amounts paid by it in respect of the Securities and may in certain circumstances be zero.

Investors should also note that (a) if an Inconvertibility Event has occurred and is subsisting, in lieu of paying amounts in respect of the Securities in the Specified Currency, the Issuer may pay such amounts in the currency in which the Securities are denominated and (b) if it is unlawful, impossible, or otherwise impracticable for the Issuer to make payment of any such denomination currency amount, the Issuer may postpone payment of such amount.

No Claim against any Reference Item

A Security will not represent a claim against any Reference Item to which the amount of principal and/or interest payable, or, if "Physical Settlement" or "Physical Delivery" is specified as an applicable settlement method for the Securities in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities), the amount of assets deliverable in respect of the Securities, is dependent and, in the event that the amount paid by the Issuer or value of the specified assets delivered on redemption of the Securities is less than the principal amount of the Securities, a Securityholder will not have recourse under a Security to the Issuer or any Reference Item.

An investment in Securities linked to one or more Reference Items may entail significant risks not associated with investments in conventional debt securities, including but not limited to the risks set out in this section "*Reference Items*". The amount paid or value of the specified assets delivered by the Issuer on redemption of such Securities may be less than the principal amount of the Securities, together with any accrued interest, and may in certain circumstances be zero.

4. Risks Relating to Certain Other Features of Securities

A wide range of Securities may be issued under the Programme. The Issuer may issue Securities which may have one or more of the features described below which contain particular risks for potential investors. Prospective investors should be aware that they may lose all or a substantial portion of their investment. A combination of more than one of the features outlined below may increase the volatility of the price of the Securities in the secondary market.

Risks Associated with Securities Issued at a Substantial Discount or Premium

The market value of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Risks Associated with Partly-paid Securities (Exempt Securities only)

The Issuer may issue Securities (except within the United States or to U.S. persons) where the issue price is payable in more than one instalment. Failure to pay any subsequent instalment could result in an investor losing all of its investment.

Risks Associated with Securities Subject to Optional Redemption by the Issuer

Securities which include a redemption option by the Issuer are likely to have a lower market value than similar securities which do not contain an Issuer redemption option. An optional redemption feature is likely to limit the market value of Securities. During any period when the Issuer may elect to redeem the Securities, the market value of those Securities generally will not rise substantially above the price at which they may be redeemed. This may also be the case prior to any redemption period.

The Issuer may be expected to redeem Securities when its cost of borrowing is lower than the interest rate on the Securities. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Securities being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

The applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities) will indicate whether the Issuer has the right to redeem the Securities prior to maturity. The Issuer may exercise its right to redeem the Securities if the yield on comparable Securities in the market falls which may result in the investor only being able to invest the redemption proceeds in Securities with a lower yield. If specified in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities), the Issuer will have the right to redeem the Securities, if the Issuer is required to gross-up payments as a result of the imposition of certain taxes. If the Issuer redeems the Securities prior to maturity, a holder of such Securities is exposed to the risk that as a result of such early redemption its investment will have a lower than expected yield.

Risks Associated with a Potential Maturity Extension of Pfandbriefe

The German CBD Implementation Act (*CBD-Umsetzungsgesetz*) transposed into national law Directive (EU) 2019/2162 of the European Parliament and of the Council of 27 November 2019 on the issuance of covered bonds and covered bond public supervision and amending Directives 2009/65/EC and 2014/59/EU (Covered Bonds Directive). It has introduced the concept of a maturity extension (*Fälligkeitsverschiebung*) for Pfandbriefe.

Pursuant to Sec. 30 (2a) of the German Pfandbrief Act (*Pfandbriefgesetz*; the "**Pfandbrief Act**"), an administrator (*Sachwalter*), being appointed under certain circumstances pursuant to the Pfandbrief Act, may defer redemption payments for all Pfandbriefe by up to twelve months (and, in the first month following the appointment of the administrator, interest payments) from 1 July 2021. Pursuant to Sec. 30 (2b) Pfandbrief Act, such deferral requires that it is necessary to avoid insolvency, that no overindebtedness exists and that it is likely that the liabilities can be satisfied by such deferral. Pursuant to Sec. 30 (2c) Pfandbrief Act, any maturity extension must be published in certain media.

Such maturity extension may also affect Pfandbriefe issued under the Programme. Any extension of the maturity of the Pfandbriefe would result in the investors receiving redemption amounts on the Pfandbriefe later than specified in the applicable Final Terms. There is the risk that they may not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the original maturity date and may only be able to do so at a significantly lower rate.

Risks Associated with Securities which Are Issued in One or More Integral Multiples of the Specified Denomination

If Securities are issued in one or more integral multiples of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Securities may be traded in amounts in excess of the minimum Specified Denomination that are not integral multiples of such minimum Specified Denomination. In such a case a holder who, as a result of trading such amounts, holds an amount which is less than such minimum Specified Denomination in its account with the relevant clearing system would not be able to sell the remainder of such holding without first purchasing a principal amount of Securities at or in excess of the minimum Specified Denomination such that its holding amounts to a Specified Denomination. Further, a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in its account with the relevant clearing system at the relevant time may not receive a definitive Security in respect of such holding (should definitive Securities be printed) and would need to purchase a principal amount of Securities at or in excess of the minimum Specified Denomination such that its holding amounts to Specified Denomination.

If definitive Securities are issued, holders should be aware that definitive Securities which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

Risks Associated with the Issue of Green Securities

The Final Terms (or Pricing Supplement, in the case of Exempt Securities) relating to any specific Tranche of Securities may provide that it will be the Issuer's intention to apply the proceeds from an offer of those Securities ("**Green Securities**") specifically to finance or refinance both loans to and investments in corporations, assets, projects and/or activities that promote climate-friendly, energy-efficient and other environmental purposes ("**Green Assets**"). Prior to the issue of any Green Securities the Issuer will have established a "Green Bond Framework" which further specifies the eligibility criteria for such Green Assets. For the avoidance of doubt, such Green Bond Framework is not, nor shall be deemed to be, incorporated in and/or form part of this Securities Note.

Prospective investors should have regard to the information set out in the relevant Final Terms (or Pricing Supplement, in the case of Exempt Securities) and the Green Bond Framework regarding such use of proceeds and must determine for themselves the relevance of such information for the purpose of any investment in such Green Securities together with any other investigation such investor deems necessary. In particular no assurance is given by the Issuer that the use of such proceeds for any Green Assets will satisfy, whether in whole or in part, any present or future investor expectations or requirements as regards any investment criteria or guidelines with which such investor or its investments are required to comply, whether by any present or future applicable law or regulations or by its own by-laws or other governing rules or investment portfolio mandates, in particular with regard to any direct or indirect environmental or sustainability impact of any projects or uses, the subject of or related to, any Green Assets. Furthermore, it should be noted that there is currently no clearly defined definition (legal, regulatory or otherwise) of, nor market consensus as to what constitutes, a "green" or "sustainable" or an equivalently-labelled project or as to what precise attributes are required for a particular project to be defined as "green" or "sustainable" or such other equivalent label nor can any assurance be given that such a clear definition or consensus will develop over time. Accordingly, no assurance is or can be given to investors that any projects or uses the subject of, or related to, any Green Assets will meet any or all investor expectations regarding such "green", "sustainable" or other equivalently-labelled performance objectives or that any adverse environmental and/or other impacts will not occur during the implementation of any projects or uses the subject of, or related to, any Green Assets. Also the criteria for what constitutes a Green Asset may be changed from time to time.

No assurance or representation is given as to the suitability or reliability for any purpose whatsoever of any opinion or certification of any third party (whether or not solicited by the Issuer) which may be made available in connection with the issue of any Green Securities and in particular with any Green Assets to fulfil any environmental, sustainability and/or other criteria ("**Green Evaluation**"). Any such Green Evaluation may not address risks that may affect the value of Green Securities or any Green Asset. For the avoidance of doubt, any such Green Evaluation is not, nor shall be deemed to be, incorporated in and/or form part of this Securities Note. Such Green Evaluation provides an opinion on certain environmental and related considerations and is

not intended to address any credit, market or other aspects of an investment in Green Securities including without limitation market price, marketability, investor preference or suitability of any security. Such Green Evaluation is a statement of opinion, not a statement of fact. Any such Green Evaluation is not, nor should be deemed to be, a recommendation by the Issuer or any other person to buy, sell or hold any Green Securities. Any such Green Evaluation is only current as of the date that opinion was initially issued and may be updated, suspended or withdrawn by the relevant provider(s) at any time. Prospective investors must determine for themselves the relevance of any such Green Evaluation and/or the information contained therein and/or the provider of such Green Evaluation for the purpose of any investment in Green Securities.

Currently, the providers of such opinions and certifications are not subject to any specific regulatory or other regime or oversight. Holders of Green Securities will have no recourse against the provider(s) of any Green Evaluation.

In the event that any Green Securities are listed or admitted to trading on any dedicated "green", "environmental" or "sustainable" or other equivalently-labelled segment of any stock exchange or securities market (whether or not regulated), no representation or assurance is given by the Issuer or any other person that such listing or admission satisfies, whether in whole or in part, any present or future investor expectations or requirements as regards any investment criteria or guidelines with which such investor or its investments are required to comply, whether by any present or future applicable law or regulations or by its own by-laws or other governing rules or investment portfolio mandates, in particular with regard to any direct or indirect environmental or sustainability impact of any projects or uses, the subject of or related to, any Green Assets. Furthermore, it should be noted that the criteria for any such listings or admission to trading may vary from one stock exchange or securities market to another. Nor is any representation or assurance given or made by the Issuer or any other person that any such listing or admission to trading will be obtained in respect of any Green Securities or, if obtained, that any such listing or admission to trading will be maintained during the life of the Green Securities.

While it is the intention of the Issuer to apply the proceeds of any Green Securities so specified for Green Assets in, or substantially in, the manner described in the relevant Final Terms (or Pricing Supplement, in the case of Exempt Securities), there can be no assurance that the relevant project(s) or use(s) the subject of, or related to, any Green Assets will be capable of being implemented in or substantially in such manner and/or accordance with any timing schedule or at all or with the results or outcome (whether or not related to the environment) as originally expected by the Issuer and that accordingly such proceeds will be totally or partially disbursed for such Green Assets. Any such event or failure by the Issuer or any failure by the Issuer to provide any reporting or obtain any opinion will not constitute an event of default under the Green Securities.

Any such event or failure to apply the proceeds of any issue of Green Securities for any Green Assets as aforesaid and/or withdrawal of any such Green Evaluation or any such opinion or certification attesting that the Issuer is not complying in whole or in part with any matters for which such opinion or certification is opining or certifying on and/or any Green Securities no longer being listed or admitted to trading on any stock exchange or securities market as aforesaid may have a material adverse effect on the value of the Green Securities and also potentially the value of any other securities which are intended to finance Green Assets and/or result in adverse consequences for certain investors with portfolio mandates to invest in securities to be used for a particular purpose.

Risks Associated with Securities which Allow for Meetings of Securityholders

Meetings of Securityholders may be called to consider their interests generally either (a) in the case of English law governed Securities, pursuant to the Terms and Conditions of the Securities; and (b) in the case of German law governed Securities, in accordance with and subject to the German Bond Act (*Schuldverschreibungsgesetz*). At such meetings a defined majority of Securityholders may bind all Securityholders, including Securityholders who did not attend and vote at the relevant meeting and Securityholders who voted in a manner contrary to the majority.

In respect of English law governed Securities, the Terms and Conditions of the Securities also provide that the Fiscal Agent and the Issuer may, without the consent of Securityholders, agree to (a) any modification (subject to certain specific exceptions) of the Securities, the Coupons or the Receipts or the Agency Agreement which is

not prejudicial to the interests of the Securityholders or (b) any modification of the Securities, the Coupons, the Receipts or the Agency Agreement which is of a formal, minor or technical nature or is made to correct a manifest error or proven error or to comply with mandatory provisions of law.

Risks Associated with Early Redemption Unwind Costs

Prospective investors should note that, if so specified in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities), the Early Redemption Amount in respect of certain Series of Securities will include a deduction in respect of Early Redemption Unwind Costs. If the Early Redemption Unwind Costs are stated to be Standard Early Redemption Costs, then such amount will comprise an amount determined by the Calculation Agent equal to the sum of (without duplication) of all costs, expenses (including loss of funding), tax and duties incurred by the Issuer in connection with the redemption of the Securities and the related termination, settlement or re-establishment of any hedge or related trading position.

Risks Associated with Securities which Allow for the Substitution of the Issuer

Subject to certain requirements, the Terms and Conditions contain provisions allowing for substitution of the Issuer or a change of the office (*Niederlassung*) through which the Issuer acts. Without prejudice to the requirements of any jurisdiction where any Securities are admitted to trading, for so long as any substitution of the Issuer or the office through which the Issuer acts may be subject to certain further conditions or requirements of such Stock Exchange or regulated market. Where any further conditions or requirements apply and the Issuer wishes to substitute itself or change the branch through which the Issuer acts, the Issuer may delist the relevant Securities from the relevant Stock Exchange or regulated market and is not obliged to list the Securities on any other Stock Exchange or regulated market.

Currency Related Risks in Relation to Securities Denominated in Rouble

There are risks associated with new debt instruments that are both denominated and settled in Roubles and the inexperience of both the Clearing Systems and the Russian and international banking systems in dealing with them.

The Securities may be denominated and settled in Russian Roubles. Offerings of debt instruments that are both denominated and settled in Russian Roubles are a relatively new development in the international capital markets. This, coupled with the relative inexperience of Euroclear France, Euroclear and Clearstream (the "**Clearing Systems**") and the Russian and international banking systems in dealing with Russian Roubles payments, could lead to unforeseen difficulties, which may have an adverse effect on the liquidity, marketability or trading price of the Securities.

In particular debt instruments that are both denominated and settled in Russian Roubles only became accepted by the Clearing Systems in early 2007. Due to the lack of experience of the Clearing Systems with settling, clearing and trading debt instruments that are both denominated and settled in Russian Roubles, there can be no guarantee that such clearing, settlement and trading procedures will progress smoothly or in a way which is comparable to procedures carried out in more conventionally settled currencies, such as U.S. Dollars or Euros.

Russian law previously prohibited or otherwise severely restricted the transfer and holding of Russian Roubles offshore and their repatriation onshore. Although these restrictions have now been lifted for non-residents (save for some restrictions which apply to the regime of residents' accounts held outside of the Russian Federation), there is still no specific tested framework under Russian law for transferring or holding Russian Roubles in offshore Russian Rouble accounts. As with much recent Russian legislation, there is extremely limited or non-existent regulatory or court practice in interpreting these regulations. If restrictions or prohibitions were placed on the transfer and holding of Russian Roubles offshore or if such legislation was reinterpreted by the Russian regulators or courts to the effect that restrictions were still deemed to apply to the transfer and holding of Russian Roubles offshore, this would severely hinder Securityholders' ability to receive payments of principal or interest under the Securities or proceeds from the sale of the Securities.

Payments of principal and interest under the Securities and proceeds from the sale of the Securities will be made in Russian Roubles. All payments of Russian Roubles to, from, or between Russian Roubles accounts

located outside the Russian Federation will be made via onshore correspondent accounts within the Russian banking system. The Russian banking system is less developed than many of its Western counterparts and at present has little experience in dealing with payments relating to Eurobonds or similar international debt instruments. Consequently, there is a risk that payments of both principal and interest under the relevant Securities and proceeds from the sale of such Securities, which need to pass through the Russian banking system, will be subject to delays and disruptions which may not exist in more mature banking markets.

In order for Securityholders to remove Russian Roubles received from payments of principal and interest on the Securities and proceeds from the sale of the Securities from the Clearing Systems, they will need to hold a bank account denominated in Russian Roubles. The administrative difficulties associated with opening Russian Roubles accounts outside the Russian Federation are significant. Securityholders that are not resident in the Russian Federation may also encounter considerable procedural difficulties with opening Russian Roubles accounts onshore in the Russian Federation. There can therefore be no guarantee that Securityholders will be able to successfully open a Russian Roubles bank account either offshore or in the Russian Federation or transfer Russian Roubles payments made under the Securities out of the Clearing Systems.

The Russian Rouble experienced significant depreciation against the U.S. dollar in 2014 and 2015, due to a substantial decrease in oil prices, slowing growth and contraction of Russia's gross domestic product, the imposition of economic sanctions and capital outflows. The Russian Rouble depreciated by 71.9 per cent. from RUB 32.73 per U.S.\$1.00 as of 31 December 2013 to RUB 56.26 per U.S.\$1.00 as of 31 December 2014. In 2015, the Russian Rouble / U.S.\$ exchange rate fluctuated significantly, ranging from RUB 49.18 per U.S.\$1.00 to RUB 72.88 per U.S.\$1.00. In 2017, 2018, 2019 and 2020, the Russian Rouble / U.S.\$ exchange rate experienced some stabilisation but remained volatile at certain times. As of 31 December 2020, the exchange rate was RUB 73.8757 per U.S.\$1.00. The Russian Rouble amounted to RUB 73.2965 per U.S.\$1.00 on 1 June 2021.

Fluctuations in foreign currency exchange rates could have a material adverse effect on the value of an investor's investment in RUB.

Currency Related Risks in Relation to Securities Denominated in Turkish Lira

The Turkish foreign exchange markets have historically been volatile, which has increased in recent periods. As a result of the rapid depreciation of the Turkish Lira on and from 2018, the Turkish government and monetary authorities announced measures to support the financial markets and prevent volatility in the currency market.

Historically, through a series of announcements made by Banking Regulation and Supervisory Agency of the Republic of Turkey (the "**BRSA**") on and from August 2018, the total notional principal amount of local banks' and financial institutions' FX swap, option future, forward and other similar derivative contracts with foreign counterparties under which the Turkish bank or financial institution will pay or receive Turkish Lira at the maturity has progressively been restricted so as not to exceed 1% of the relevant local bank' or financial institutions' regulatory capital, subject to certain exceptions. Most recently with the BRSA's board resolution numbered 9010 and dated 5 May 2020, further restrictions relating to certain Turkish Lira denominated transactions of Turkish banks with offshore bank or financial institution counterparties were introduced, as part of the wider financial measure against the Covid-19 outbreak. Accordingly, the BRSA introduced a temporary restriction on the size of Turkish banks' Turkish Lira denominated placement, deposit, repo and loan transactions to be entered into with offshore banks and financial institutions (including with offshore affiliates, branches and consolidated group entities of Turkish banks).

The BRSA has announced a number of measures by amending certain regulations or taking new regulatory decisions, including:

- *Transactions of international development banks:* with its decision dated 28 July 2020, the BRSA excluded banks established outside Turkey from the restrictions on: (i) foreign currency swap transactions for Turkish Lira purchase at maturity conducted with the Development and Investment Bank of Turkey; (ii) Borsa Istanbul Stock Exchange ("**BIST**") swap transactions for Turkish Lira purchase at maturity; (iii) BIST repo and reverse repo transactions; and (iv) Turkish Lira depot transactions conducted

with Turkish banks, provided that those transactions are conducted for the purchase of securities in Turkish Lira or the deposit of excess Turkish Lira in banks in Turkey or lending to Turkish residents and they obtain approval of the BRSA.

- *Transactions of banks established outside Turkey:* with its decision dated 6 August 2020, the BRSA excluded banks established outside Turkey from the restrictions on: (i) foreign currency swap transactions for Turkish Lira purchase at maturity; (ii) BIST swap transactions for Turkish Lira purchase at maturity; (iii) BIST repo and reverse repo transactions; and (iv) Turkish Lira depot transactions conducted with Turkish banks, provided that those transactions are conducted for purchase of securities in Turkish Lira or deposit of excess Turkish Lira in banks in Turkey and they obtain approval of the BRSA.

Certain foreign institutions have temporarily suspended certain Turkish Lira denominated transactions, which may have restricted the availability of Turkish Lira of liquidity in certain markets. For instance, effective as of 18 May 2020, Clearstream Banking and Euroclear Bank have temporarily suspended settlement services for transactions in Turkish Lira over the "Bridge" due to liquidity restrictions on the Turkish Lira due to Covid-19. As a result of this, on 20 May 2020 with its decision numbered 9031, amongst other exemptions, the BRSA granted an exemption to the TRY Outflow Restriction in respect of transactions to be entered into with Clearstream Banking, Euroclear Bank and any other central securities depository to be announced by the BRSA, in an effort to address this matter. However, Clearstream Banking issued a press release on 22 May 2020 stating that it will reinstate Turkish Lira credit facilities for eligible customers against payment settlement transactions in Turkish Lira, however, settlement in Turkish Lira over the "Bridge" will remain suspended.

Currently, there is no direct restriction on an investor receiving payments on those Securities denominated in Turkish Lira. However, Turkish government and monetary authorities may impose further exchange controls that could adversely affect the availability of Turkish Lira liquidity in certain international markets, an applicable exchange rate or the ability of the Issuer to make payments in respect of the Notes. As a result, investors may receive less interest or principal than expected, or no interest or principal. An investor may also not be able to convert (at a reasonable exchange rate or at all) amounts received in Turkish Lira into the currency of its home jurisdiction. There may also be tax consequences for investors for any conversion of Turkish Lira in Turkey.

5. Risks Relating to the Taxation of Securities

Risks Associated with Stamp Taxes

Potential purchasers and sellers of Securities should be aware that they may be required to pay stamp taxes or other documentary charges in accordance with the laws and practices of the country where the Securities are transferred and/or any asset(s) are delivered.

Potential purchasers who are in any doubt as to their tax position should consult their own independent tax advisers. In addition, potential purchasers should be aware that tax regulations and their application by the relevant taxation authorities change from time to time. Accordingly, it is not possible to predict the precise tax treatment which will apply at any given time.

Risks Associated with Securities pursuant to which no Tax Gross-Up Is Paid

If the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities) specify that no withholding tax gross-up is applicable, the Issuer is not obliged to gross up any payments in respect of the Securities and all amounts payable in respect of the Securities shall be made with such deduction or withholding of taxes duties or governmental charges of any nature whatsoever imposed, levied or collected by way of deduction or withholding, if such deduction or withholding is required by law (including pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the "**Code**") or otherwise pursuant to Sections 1471 through 1474 of the Code and any regulations or agreements thereunder or official interpretations thereof ("**FATCA**") or pursuant to any law implementing an intergovernmental approach thereto).

Risks Arising from Withholding pursuant to the U.S. Foreign Account Tax Compliance Act

While the Securities issued by a branch or office outside the United States ("**Non-U.S. Securities**") are in global form and held within Euroclear Bank SA/NV or Clearstream Banking S.A., Luxembourg (together, the "**ICSDs**"), Clearstream Banking AG, Frankfurt ("**CBF**") or SIX SIS AG, Olten, Switzerland ("**SIS**"), in all but the most remote circumstances, it is not expected that the new reporting regime and potential withholding tax imposed by FATCA will affect the amount of any payment received by the ICSDs, CBF or SIS, as applicable (see the section entitled "*Taxation – United States – Foreign Account Tax Compliance Act*"). However, FATCA may affect payments made to custodians or intermediaries in the subsequent payment chain leading to the ultimate investor if any such custodian or intermediary generally is unable to receive payments free of FATCA withholding. It also may affect payment to any ultimate investor that is a financial institution that is not entitled to receive payments free of withholding under FATCA, or an ultimate investor that fails to provide its broker (or other custodian or intermediary from which it receives payment) with any information, forms, other documentation or consents that may be necessary for the payments to be made free of FATCA withholding. Investors should choose the custodians or intermediaries with care (to ensure each is compliant with FATCA or other laws or agreements related to FATCA) and provide each custodian or intermediary with any information, forms, other documentation or consents that may be necessary for such custodian or intermediary to make a payment free of FATCA withholding. Investors should consult their own tax adviser to obtain a more detailed explanation of FATCA and how FATCA may affect them. The Issuer's obligations under the Non-U.S. Securities are discharged once it has made payment to, or to the order of, the common depository or common safekeeper for the ICSDs (as bearer or registered holder of the Non-U.S. Securities) or CBF or SIS and the Issuer has therefore no responsibility for any amount thereafter transmitted through the ICSDs, CBF or SIS and custodians or intermediaries.

Payments on Securities issued by Deutsche Bank AG, New York Branch may be subject to withholding under FATCA if the Holder, beneficial owner or an intermediary in the chain of payments is not compliant with FATCA. The Issuer will have no obligation to pay Additional Amounts or otherwise indemnify a Securityholder in connection with any such non-compliance.

Risks Arising from Withholding pursuant to the Hiring Incentives to Restore Employment Act

The U.S. Hiring Incentives to Restore Employment Act imposes a 30 per cent. withholding tax on amounts attributable to U.S. source dividends that are paid or "deemed paid" under certain financial instruments if certain conditions are met. If the Issuer or any withholding agent determines that withholding is required, neither the Issuer nor any withholding agent will be required to pay any additional amounts with respect to amounts so withheld.

6. Other Related Risks

Credit Ratings May Not Reflect All Risks

One or more independent credit rating agencies may assign credit ratings to the Securities. Where a Series of Securities is rated, such rating will not necessarily be the same as the rating assigned to the Securities to be issued under the Programme. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Securities. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time. Any ratings assigned to Securities as at the date of this Securities Note are not indicative of future performance of the Issuer's business or its future creditworthiness.

In general, European regulated investors are restricted under the CRA Regulation from using credit ratings for regulatory purposes, unless such ratings are issued by a credit rating agency established in the EU and registered under the CRA Regulation (and such registration has not been withdrawn or suspended, subject to transitional provisions that apply in certain circumstances). Such general restriction will also apply in the case of credit ratings issued by non-EU credit rating agencies, unless the relevant credit ratings are endorsed by an EU-registered credit rating agency or the relevant non-EU rating agency is certified in accordance with the CRA Regulation (and such endorsement action or certification, as the case may be, has not been withdrawn or

suspended, subject to transitional provisions that apply in certain circumstances). The list of registered and certified rating agencies published by the European Securities and Markets Authority ("**ESMA**") on its website in accordance with the CRA Regulation is not conclusive evidence of the status of the relevant rating agency included in such list, as there may be delays between certain supervisory measures being taken against a relevant rating agency and the publication of the updated ESMA list."

In addition, UK regulated investors are, in general, restricted under the CRA Regulation as it forms part of the domestic law of the UK by virtue of the EUWA (the "**UK CRA Regulation**") from using credit ratings for regulatory purposes, unless such ratings are issued by a credit rating agency established in the UK and registered under the UK CRA Regulation (and such registration has not been withdrawn or suspended). Such general restriction will also apply in the case of credit ratings issued by non-UK credit rating agencies, unless the relevant credit ratings are endorsed by a UK credit rating agency or the relevant non-UK registered credit rating agency is certified in accordance with the UK CRA Regulation (and such endorsement action or certification, as the case may be, has not been withdrawn or suspended).

Legal Investment Considerations May Restrict Certain Investments

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (a) Securities are legal investments for it, (b) Securities can be used as collateral for various types of borrowing and (c) other restrictions apply to its purchase or pledge of any Securities. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Securities under any applicable risk-based capital or similar rules.

Certain Considerations Relating to Public Offers of Securities

As described in the applicable Final Terms, Securities may be distributed by means of a public offer made during an offer period specified in the applicable Final Terms. During such offer period, the Issuer and/or any other person specified in the applicable Final Terms may reserve the right to cancel such offer and/or to scale back applications for such offer in the event of over-subscription. In such circumstances, an applicant investor may not be issued any Securities or may be issued a number of Securities which is less than the amount for which such applicant investor applied. Any payments made by an applicant investor for Securities that are not issued to such applicant investor for any such reason will be refunded. However, there will be a time lag in making any reimbursement, no interest will be payable in respect of any such amounts. The applicant investor may be subject to reinvestment risk.

Further, investors should note that, in certain circumstances, Securities may not be issued on the originally designated issue date, for example because either the Issuer and/or any other person specified in the applicable Final Terms has reserved the right to postpone such issue date or, following the publication of a supplement to this Securities Note the Issuer has decided to postpone such issue date to allow investors who had made applications to subscribe for Securities before the date of publication of such supplement to exercise their right to withdraw their acceptances. In the event that the issue date is so delayed, no interest shall accrue (if applicable) until the issue date of the Securities and no compensation shall be payable.

Hedging

In the ordinary course of its business, including without limitation in connection with its market making activities, the Issuer and/or any of its affiliates may effect transactions for its own account or for the account of its customers and hold long or short positions in Reference Item(s) or related derivatives. In addition, in connection with the offering of the Securities, the Issuer and/or any of its affiliates may enter into one or more hedging transactions with respect to the Reference Item(s) or related derivatives. In connection with such hedging or market-making activities or other trading activities by the Issuer and/or any of its affiliates, the Issuer and/or any of its affiliates may enter into transactions in the Reference Item(s) or related derivatives which may affect the market price, liquidity or value of the Securities and which could be adverse to the interests of the relevant Securityholders.

Conflicts of Interest

Where the Issuer acts as Calculation Agent or the Calculation Agent is an affiliate of the Issuer, potential conflicts of interest may exist between the Calculation Agent and Securityholders, including with respect to certain determinations and judgements that the Calculation Agent may make pursuant to the Securities that may influence the amount receivable or specified assets deliverable on redemption of the Securities.

The Issuer and any Dealer may at the date hereof or at any time hereafter, be in possession of information in relation to a Reference Item that is or may be material in the context of the Securities and may or may not be publicly available to Securityholders. There is no obligation on the Issuer or any Dealer to disclose to Securityholders any such information.

The Issuer and/or any of its affiliates may have existing or future business relationships with any Reference Item(s) (including, but not limited to, lending, depositary, risk management, advisory and banking relationships), and will pursue actions and take steps that they or it deems necessary or appropriate to protect their and/or its interests arising therefrom without regard to the consequences for a Securityholder.

DESCRIPTION OF THE SECURITIES

DESCRIPTION OF INTEREST RATE AND REDEMPTION PROVISIONS

The Programme contemplates the issue of a wide variety of Securities with different interest and redemption provisions.

Interest

The Securities to be issued under the Programme may pay either (a) fixed amounts of interest, (b) variable amounts of interest or (c) no interest at all. An overview of the different interest rate provisions is set out below, where applicable specifying provisions which may occur in relation to certain types of Exempt Securities only.

Fixed Rate Interest

Securities bearing or paying a fixed rate of interest may either pay a specified fixed amount of interest on specified interest payment dates or, depending on the fulfilment of certain conditions, pay a fixed amount of interest on specified interest payment dates.

The fixed rate of interest may apply to the Securities for the duration of the Securities or for a limited period of time during the life of the Securities. Where the specified interest payment dates provide for irregular interest accrual periods, a day count fraction agreed between the Issuer and the relevant Dealer will be applied and the amount of interest will be calculated on the basis of that day count fraction.

Floating and other Variable Rate Interest

Securities bearing or paying a floating or other variable rate of interest may either pay a variable amount of interest on specified interest payment dates or, depending on the fulfilment of certain conditions, pay a variable amount of interest on specified interest payment dates.

The floating or other variable rate of interest may apply to the Securities for the duration of the Securities or for a limited period of time during the life of the Securities. Interest in respect of each interest period will be calculated on the basis of the day count fraction agreed between the Issuer and the relevant Dealer and will be payable on specified interest payment dates.

Floating or other variable rates of interest may be determined by reference to a rate determined:

- (a) on the basis of a reference rate appearing on the agreed screen page of a (commercial) quotation service or an agreed website; or
- (b) on the same basis as the floating rate under a notional interest rate swap incorporating the 2006 ISDA Definitions; or
- (c) by reference to the value or performance of an underlying reference item which is an inflation index, underlying reference items comprising one or more indices or equities or, in the case of Exempt Securities, one or more other underlying reference items ("**Reference Items**", and each a "**Reference Item**") (described below); or
- (d) in the case of Exempt Securities, on such other basis as may be agreed between the Issuer and the relevant Dealer.

In addition, a margin agreed between the Issuer and the relevant Dealer may be applied to the floating or other variable rate of interest.

Securities bearing or paying Reference Item linked interest may only be Notes.

Inverse Floating Rate Notes

Inverse Floating Rate Notes have an interest rate equal to a fixed rate minus a rate based upon a reference rate.

Reference Rates

A reference rate may be any one or more of BBSW (the Australian Bank Bill Swap Rate), EURIBOR (the European Interbank Offered Rate), €STR (the Euro short-term rate), LIBOR (the London Interbank Offered Rate), NIBOR (the Norwegian Interbank Offered Rate), SOFR (the US-Dollar Secured Overnight Financing Rate), SONIA (the daily Sterling Overnight Index Average), STIBOR (the Stockholm Interbank Offered Rate), a CMS (constant maturity swap) or other swap rate or any other interest or other rate that appears on a reference page.

If the reference rate for the Securities is BBSW, EURIBOR, €STR, LIBOR, NIBOR, SOFR, SONIA or STIBOR, the floating rate will be determined by reference to the relevant reference page.

BBSW is the rate for Australian prime bank eligible securities with tenors of 1 to 6 months.

EURIBOR is the rate of interest quoted by banks operating in the European interbank market for the Euro.

€STR is the Euro short-term rate published on each TARGET2 business day by the ECB.

LIBOR is the rate of interest quoted by banks operating in the London interbank market for certain specified currencies.

NIBOR is the rate of interest lenders require for unsecured money market lending in Norwegian Kroner (NOK).

SOFR is a broad measure of the cost of borrowing cash overnight collateralized by U.S. Treasury securities which is provided each business day by the New York Fed.

SONIA is the average of the interest rates that banks pay to borrow Sterling in unsecured overnight transactions from other financial institutions in the London market.

STIBOR is the rate of interest based on the interest rates at which banks offer to lend unsecured funds to other banks in the Stockholm interbank market.

If the reference rate for interest payments is a CMS or other swap rate, the floating rate will be determined by reference to the relevant reference page. The rate is reset periodically. Details of the relevant CMS or other swap rate will be specified in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities).

If the floating or other variable rate of interest is calculated by reference to a reference rate that is different to those contemplated above, then the reference page for such reference rate will be set out in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities) or, in the case of Exempt Securities, if the reference rate is not available on a recognised reference page published by an information provider, details on how the reference rate is calculated will be set out in the applicable Pricing Supplement. For the avoidance of doubt, potential investors should note that the rates specified above can be used in the calculation of the redemption amount in respect of a series of Securities.

Other

Interest bearing Securities may be issued which bear or pay interest based on any combination of the above, for example bearing or paying interest based on a combination of fixed and variable rates.

Non-Interest Bearing Securities and Zero Coupon Securities

Securities may be issued under the Programme that do not bear or pay any interest including Zero Coupon Securities which amortise over the life of the Securities. Zero Coupon Securities may be issued at a discount to par.

Redemption

The Securities issued under the Programme may be redeemed at maturity or in certain circumstances prior to maturity. In the case of Pfandbriefe, a maturity extension (*Fälligkeitsverschiebung*) is possible pursuant to Sec. 30 (2a) Pfandbrief Act subject to the conditions set out in Sec. 30 (2b) Pfandbrief Act.

If Securities are redeemed at maturity the redemption amount may be equal to the principal amount (redemption at par) or determined by reference to:

- (a) the value or performance of one or more underlying Reference Items (as explained below in "*Reference Items*"); or
- (b) a reference rate appearing on the agreed screen page of a commercial quotation service; or
- (c) in the case of Exempt Securities, the floating rate under a notional interest rate swap incorporating the 2006 ISDA Definitions; or
- (d) in the case of Exempt Securities, on such other basis as may be agreed between the Issuer and the relevant Dealer.

If the Securities are redeemed prior to maturity and if specified in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities), early redemption unwind costs may be deducted from the early redemption amount. The early redemption unwind costs may include, but are not limited to, the Issuer's costs associated with unwinding any related hedging arrangements related to the Securities it may have in place.

The Securities may be redeemed prior to maturity in the following circumstances:

- (a) at the option of the Issuer (in the case of (i) Securities where the Issuer Call option is specified as applicable in the applicable Final Terms or Pricing Supplement, in the case of Exempt Securities or (ii) certain Securities bearing or paying a floating or other variable rate of interest following a rate replacement event);
- (b) at the option of the Securityholder (in the case of Securities where the Investor Put option is specified as applicable in the applicable Final Terms or Pricing Supplement, in the case of Exempt Securities);
- (c) for taxation reasons (if specified in the applicable Final Terms or Pricing Supplement, in the case of Exempt Securities);
- (d) following an illegality;
- (e) following a regulatory event (if specified in the applicable Final Terms or Pricing Supplement, in the case of Exempt Securities);
- (f) following an index adjustment event (in the case of Securities linked to an index or a basket of indices);
- (g) following certain corporate actions or events (in the case of Securities linked to an equity or a basket of equities);
- (h) following the cessation and publication of the index where there is no replacement or successor index (in the case of Securities linked to an inflation index);

- (i) following a merger event (in the case of Securities linked to the credit of one or more reference entities);
- (j) following an event of default; and
- (k) in the case of Exempt Securities, any other event specified in the applicable Pricing Supplement.

In each case the amount received by an investor may be (i) par, (ii) below par or (iii) above par, as specified in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities).

Depending on the nature of the Securities, redemption at maturity or prior to maturity may be by way of (A) cash settlement, (B) physical settlement or (C) cash and/or physical settlement.

Securities for which redemption is Reference Item linked may only be Notes.

An overview of certain redemption provisions is set out below.

Early Redemption at the Option of the Issuer

Securities may include a call option. A call option gives the Issuer the right (but not the obligation) to redeem the Securities on specified date(s) or during a specified period prior to maturity. The redemption amount payable on exercise of the call option will be agreed between the Issuer and the relevant Dealer and set out in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities).

Early Redemption at the Option of the Securityholder

Securities may include a put option. A put option gives the investor the right to require the Issuer to redeem its Securities on specified date(s) or during a specified period prior to maturity. The redemption amount payable on redemption following exercise of a put option will be agreed between the Issuer and the relevant Dealer and set out in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities).

Redemption Following Taxation Reasons

Securities may be subject to early redemption in the event that as a result of any change in, or amendment to, the laws or regulations prevailing in Germany, certain withholding taxes are levied on payments of principal or interest in respect of the Securities and the Issuer is obliged to pay Additional Amounts as more fully set out under "*Terms and Conditions of the Securities*".

Redemption Following an Illegality

Securities may be subject to early redemption in the event that the Issuer's obligations under the Securities or any arrangements made to hedge the Issuer's obligations under the Securities has or will become unlawful as more fully set out under "*Terms and Conditions of the Securities*".

Redemption Following a Regulatory Event

Securities may be subject to early redemption following any change in, or amendment to, Capital Regulations which are in effect at the Issue Date as more fully set out under "*Terms and Conditions of the Securities*".

Redemption Following an Index Adjustment Event

Securities linked to an index or basket of indices may be subject to early redemption following an Index Adjustment Event as more fully set out under "*Terms and Conditions of the Securities*".

Redemption Following Certain Corporate Actions or Events

Securities linked to an equity or basket of equities may be subject to early redemption in the event of certain corporate actions or events occurring in respect of the relevant equity issuer(s) as more fully set out under "*Terms and Conditions of the Securities*".

Redemption Following Cessation of Publication of Inflation Index

Securities may be subject to early redemption in the event that the relevant Inflation Index is not published or announced and no replacement Inflation Index can be determined as more fully set out under "*Terms and Conditions of the Securities*".

Redemption Following a Merger Event

Securities linked to the credit of one or more reference entities may be subject to early redemption in the event of a Merger Event in respect of the Issuer or any reference entity as more fully set out under "*Terms and Conditions of the Securities*".

REGULATORY BAIL-IN AND OTHER RESOLUTION MEASURES

On 15 May 2014, the European Parliament and the Council of the European Union adopted Directive 2014/59/EU establishing a framework for the recovery and resolution of credit institutions and investment firms (commonly referred to as the "Bank Recovery and Resolution Directive" or the "**BRRD**") which was transposed into German law by the Recovery and Resolution Act (*Sanierungs- und Abwicklungsgesetz*, or the "**SAG**") with effect from 1 January 2015. For banks established in the eurozone, such as the Issuer, which are supervised within the framework of the Single Supervisory Mechanism (the "**SSM**"), Regulation (EU) No 806/2014 of the European Parliament and of the Council (the "**SRM Regulation**") provides for a coherent application of the resolution rules across the SSM under responsibility of the European Single Resolution Board, with effect since 1 January 2016 (referred to as the "Single Resolution Mechanism" or "**SRM**"). Under the SRM, the Single Resolution Board is responsible for adopting resolution decisions in close cooperation with the European Central Bank, the European Commission, and national resolution authorities in the event that a significant bank directly supervised by the European Central Bank, such as the Issuer, is failing or likely to fail and certain other conditions are met. National resolution authorities in the European Union member states concerned would implement such resolution decisions adopted by the Single Resolution Board in accordance with the powers conferred on them under national law transposing the BRRD.

If the competent authority determines that the Issuer is failing or likely to fail and certain other conditions are met (as set forth in the SRM Regulation, the SAG and other applicable rules and regulations), the competent resolution authority has the power to write down, including to write down to zero, claims for payment of the principal, interest or any other amount in respect of the Notes, to convert the Notes into ordinary shares or other instruments qualifying as common equity tier 1 capital (the write-down and conversion powers are hereinafter referred to as the "**Bail-in tool**"), or to apply any other resolution measure including (but not limited to) a transfer of the Notes to another entity, a variation of the terms and conditions of the Notes (including, but not limited to, the variation of maturity of the Notes) or a cancellation of the Notes. The Bail-in tool and each of these other resolution measures are hereinafter referred to as a "**Resolution Measure**". The competent resolution authority may apply Resolution Measures individually or in any combination.

The competent resolution authority will have to exercise the Bail-in tool in a way that results in (i) common equity tier 1 instruments (such as ordinary shares of the Issuer) being written down first in proportion to the relevant losses, (ii) subsequently, the principal amount of other capital instruments (additional tier 1 instruments and tier 2 instruments) being written down on a permanent basis or converted into common equity tier 1 instruments in accordance with their order of priority, (iii) subsequently, the Issuer's unsecured and subordinated liabilities that are not additional tier 1 instruments or tier 2 instruments being written down on a permanent basis or converted into common equity tier 1 instruments, and (iv) finally, the Issuer's unsecured and unsubordinated liabilities (unless exempted by the SRM Regulation or the SAG) – such as those under the unsubordinated Notes – being written down on a permanent basis or converted into common equity tier 1

instruments in accordance with their order of priority under Section 46f (5)-(9) of the German Banking Act (*Kreditwesengesetz*, "**KWG**") as set out below.

RANKING OF UNSUBORDINATED NOTES

Under the German Banking Act (*Kreditwesengesetz*, "**KWG**") certain unsecured and unsubordinated debt instruments of the Issuer (hereinafter referred to as "**Non-Preferred Senior Obligations**") rank below the Issuer's other senior liabilities (hereinafter referred to as "**Preferred Senior Obligations**") in insolvency or in the event of the imposition of resolution measures, such as a bail-in, affecting the Issuer. Non-Preferred Senior Obligations will rank above the Issuer's subordinated liabilities, including Subordinated Notes issued under the Programme. Unsecured and unsubordinated Securities issued under this Programme will qualify as Non-Preferred Senior Obligations only if (i) they are not structured and (ii) they have at the time of their issuance a maturity of at least one year, and (iii) their Final Terms (or Pricing Supplement, in the case of Exempt Securities) explicitly refer to the lower ranking under Section 46f (5) KWG. In addition, Section 46f (7) KWG further specifies the delineation between structured and non structured obligations in that it clarifies that the amount of the repayment or the amount of the interest payments do not qualify as depending on the occurrence or non-occurrence of an event which is uncertain at the point in time when the senior unsecured debt instruments are issued only due to the fact that the instrument is issued in a currency other than the home currency of the issuer if the principal amount, the repayment amount and the interest claim have the same currency.

Securities qualifying as Non-Preferred Senior Obligations rank *pari passu* among themselves and junior to any Preferred Senior Obligations. In the event of insolvency proceedings or Resolution Measures affecting the Issuer, such Non-Preferred Senior Obligations would bear losses before other unsubordinated liabilities of the Issuer, including Preferred Senior Obligations. In contrast, unsecured and unsubordinated Securities issued under this Programme that do not meet the requirements of (i), (ii) and (iii) above, qualify as Preferred Senior Obligations and rank in priority to Non-Preferred Senior Obligations and *pari passu* among themselves, derivatives, money market instruments and deposits not subject to protection and junior to, in particular, protected deposits.

REFERENCE ITEMS

This section relates to Securities issued in the form of Notes only.

A Reference Item is the asset or other basis of reference from which the amount payable in interest and/or redemption on the Securities may be calculated.

A Reference Item can be any of the following items:

- (a) an equity or a basket of equities ("**Equity Linked Notes**"); or
- (b) an index or a basket of indices ("**Index Linked Notes**"); or
- (c) an inflation index or, in the case of Exempt Securities, a basket of inflation indices ("**Inflation Index Linked Notes**"); or
- (d) in the case of Exempt Securities, a currency or a basket of currencies ("**Currency Linked Notes**"); or
- (e) in the case of Exempt Securities, a commodity or basket of commodities ("**Commodity Linked Notes**"); or

(h) in the case of Exempt Securities, some other asset or basis of reference.

Equity Linked Notes – The amount payable in interest and/or on redemption, whether at maturity or otherwise, in respect of Equity Linked Notes will be calculated by reference to a single equity security or basket of equity securities. **Equity Linked Notes providing for physical delivery do not qualify as "equity securities" in the sense of Article 2 of the Luxembourg Prospectus Act (i.e. the underlying shares which may be delivered are neither shares of the Issuer nor of an entity belonging to the group of the Issuer).**

Index Linked Notes – The amount payable in interest and/or on redemption in respect of Index Linked Notes will be calculated by reference to a single index or a basket of indices. Such index or constituent of a basket of indices may be a well known and widely published index or an index of Deutsche Bank Aktiengesellschaft (in the case of Exempt Securities only) or other entity which may not be widely published or available.

Inflation Index Linked Notes – The amount payable in interest and/or on redemption in respect of Inflation Index Linked Notes will be calculated by reference to a single inflation index or a basket of inflation indices.

Commodity Linked Notes (Exempt Securities only) – The amount payable in interest and/or on redemption in respect of Commodity Linked Notes will be calculated by reference to a single commodity or basket of commodities on such terms as may be agreed between the Issuer and the relevant Dealer and specified in the applicable Pricing Supplement.

Fund Linked Notes (Exempt Securities only) – The amount payable in interest and/or on redemption in respect of Fund Linked Notes will be calculated by reference to units or shares in a fund or basket of funds on such terms as may be agreed between the Issuer and the relevant Dealer and specified in the applicable Pricing Supplement.

Credit Linked Notes – Securities with respect to which the amount payable in interest and/or on redemption is linked to the credit of a specified entity or entities will be issued on such terms as may be agreed between the Issuer and the relevant Dealer and specified in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities). If a Credit Event has occurred and the Conditions to Settlement are satisfied, the Issuer will redeem the Securities at an amount which depends on the value of certain specified assets of the Reference Entity, if "Cash Settlement" is specified as applicable in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities), or by Delivery of the Deliverable Obligations comprising the Asset Amount, if "Physical Delivery" is specified as applicable in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities). **Credit Linked Notes providing for physical delivery do not qualify as "equity securities" in the sense of Article 2 of the Luxembourg Prospectus Act.**

Other (Exempt Securities only) – The amount payable in interest and/or on redemption of Securities linked to other assets or bases of reference may be issued on such terms as may be agreed between the Issuer and the relevant Dealer and specified in the applicable Pricing Supplement.

FEATURES OF CERTAIN SECURITIES

A wide range of Securities may be issued under the Programme. The Issuer may issue Securities which have one or more of the features described below. The amount of interest and/or principal payable and/or the amount of assets deliverable may depend on these features alone and/or in combination with other features and Reference Items.

Inverse Variable Rate Securities – The amount of interest payable in respect of the Securities is inversely linked to a specified reference rate.

Capped Variable Rate Securities – The maximum amount of interest payable in respect of Securities with a capped variable rate will equal the sum of the reference rate and any specified margin subject to a specified maximum rate.

Securities whose interest and or redemption amount is calculated by reference to a formula – The formula on the basis of which the interest payable and/or the amount of payable and/or assets deliverable on redemption is calculated will be stated in the Terms and Conditions of the Securities and may be replicated in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities) or, in the case of Exempt Securities, will be stated in the applicable Pricing Supplement.

Participation Securities – The amount of interest payable and/or amounts payable and/or assets deliverable on redemption of Securities may be determined by reference to a ratio greater or less than one.

Securities issued at a substantial discount or premium – The issue price of the Securities is substantially lower or greater than the principal amount of the Securities.

Partly-paid Securities (Exempt Securities only) – The issue price for the Securities is payable in more than one instalment.

Securities subject to optional redemption by the Issuer – The Issuer may redeem the Securities prior to maturity.

Subordinated Notes (German law governed Securities only) – In the event of Resolution Measures, insolvency or liquidation of the Issuer the Subordinated Notes will rank junior in priority of payment to all unsubordinated and subordinated obligations which do not qualify as own funds within the meaning of Regulation (EU) No 575/2013 of the European Parliament and of the Council of 26 June 2013 on prudential requirements for credit institutions and investment firms and amending Regulation (EU) No 648/2012, as supplemented or amended from time to time ("**CRR**"), and no amounts will be payable in respect of the Subordinated Notes until the claims of all unsubordinated creditors and creditors of subordinated obligations which do not qualify as own funds within the meaning of the CRR of the Issuer have been satisfied in full. Accordingly, there is a higher risk that an investor in Subordinated Notes will lose all or some of its investment should the Issuer become insolvent. In addition, no holder may set off its claims arising under the Subordinated Notes against any claims of the Issuer. There will be no security in respect of the Subordinated Notes.

Subordinated Notes are intended to qualify as tier 2 instruments within the meaning of Art. 63 CRR. In the context of a Regulatory Bail-in, the Subordinated Notes will be written down or converted to common equity tier 1 capital instruments of the Issuer before any subordinated liabilities of the issuer which do not qualify as own funds within the meaning of the CRR and before any non-subordinated liabilities of the Issuer are affected by such measures.

Non-Preferred Senior Notes – Unsecured and unsubordinated debt instruments of the Issuer will qualify as Non-Preferred Senior Notes if (i) they are not structured, (ii) have at the time of their issuance a maturity of at least one year and, (iii) their Final Terms (or Pricing Supplement, in the case of Exempt Securities) explicitly refer to the lower ranking under Section 46f (5) KWG. Non-Preferred Senior Obligations will continue to rank above the Issuer's subordinated liabilities, including Subordinated Notes issued under the Programme, but will rank below the Issuer's other non-subordinated liabilities in insolvency or in the event of the imposition of Resolution Measures, such as a bail-in, affecting the Issuer. Accordingly, there is a higher risk that an investor in Non-Preferred Senior Notes will lose all or some of its investment should the Issuer become insolvent.

Non-Preferred Senior Notes are intended to qualify as bail-in-eligible (*bail-in-fähige*) liabilities within the meaning of Sec. 91 of the German Recovery and Resolution Act (*Sanierungs- und Abwicklungsgesetz*) and eligible liabilities instruments within the meaning of Art. 72b CRR.

Preferred Senior Notes – Unsecured and unsubordinated debt instruments of the Issuer will qualify as Preferred Senior Notes if (i) they are structured, or (ii) have at the time of their issuance a maturity of less than one year or, (iii) their Final Terms (or Pricing Supplement, in the case of Exempt Securities) do not refer to the lower ranking under Section 46f (5) KWG. Preferred Senior Obligations will rank above the Issuer's subordinated

liabilities, including Subordinated Notes issued under the Programme, and its Non-Preferred Senior Notes and will rank pari passu with other non subordinated liabilities (subject, however, to statutory priorities conferred to certain unsecured and unsubordinated liabilities) in insolvency or in the event of the imposition of Resolution Measures, such as a bail-in, affecting the Issuer.

The Final Terms (or the Pricing Supplement in the case of Exempted Securities) will specify if an issuance of Preferred Senior Notes is intended to qualify as bail-in-eligible (*bail-in-fähige*) liabilities within the meaning of Sec. 91 of the German Recovery and Resolution Act (*Sanierungs- und Abwicklungsgesetz*) and eligible liabilities instruments within the meaning of Art. 72b CRR.

Minimum Redemption Securities (Exempt Securities only) – The redemption amount payable at maturity of the Securities will be no less than the stated minimum amount.

Form of the Securities

Any reference in this section to "Final Terms" shall be deemed to include, in respect of Exempt Securities only, a reference to "Pricing Supplement".

The Securities of each Series will be in either bearer form ("**Bearer Securities**") without interest coupons attached or, in the case of definitive Securities and if applicable, with interest coupons attached, or registered form ("**Registered Securities**") without interest coupons attached. Bearer Securities will be issued outside the United States in reliance on Regulation S under the Securities Act ("**Regulation S**") and Registered Securities will be issued both outside the United States in reliance on the exemption from registration provided by Regulation S and within the United States pursuant to the exemption from registration under Rule 144A.

Any reference herein to CBF, Euroclear, CBL, SIS, and/or DTC shall, whenever the context so permits, be deemed to include a reference to any permitted additional or alternative clearing system specified in the applicable Final Terms.

Bearer Securities

Each Tranche of Bearer Securities will be initially issued in the form of either a Temporary Global Bearer Security (a "**Temporary Global Bearer Security**") without interest coupons or, if so specified in the applicable Final Terms, a permanent bearer global security (a "**Permanent Bearer Global Security**" and, together with the Temporary Global Bearer Security, the "**Global Bearer Securities**") without interest coupons which, in either case, will:

- (i) if the Global Bearer Securities are intended to be issued in new global note ("**NGN**") form, as stated in the applicable Final Terms, be delivered on or prior to the original issue date of the Tranche to a common safekeeper (the "**Common Safekeeper**") for Euroclear Bank SA/NV ("**Euroclear**"), Clearstream Banking S.A. ("**CBL**"); and
- (ii) if the Global Bearer Securities are not intended to be issued in NGN form, be delivered on or prior to the original issue date of the Tranche to Clearstream Banking AG, Frankfurt ("**CBF**") or SIX SIS AG ("**SIS**") or a common depository (the "**Common Depository**") for Euroclear and CBL.

Where the Global Securities issued in respect of any Tranche are in NGN form, the Final Terms or, as the case may be, Pricing Supplement will also indicate whether such Global Securities are intended to be held in a manner which would allow Eurosystem eligibility. Any indication that the Global Securities are to be so held does not necessarily mean that the Securities of the relevant Tranche will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue or at any times during their life as such recognition depends upon satisfaction of the Eurosystem eligibility criteria. The common safekeeper for NGNs will either be Euroclear or CBL or another entity approved by Euroclear and CBL.

Whilst any Bearer Security is represented by a Temporary Global Bearer Security, payments of principal, interest (if any) and any other amount payable in respect of the Bearer Securities due prior to the Exchange

Date (as defined below) will be made (against presentation of the Temporary Global Bearer Security if the Temporary Global Bearer Security is not intended to be issued in NGN form) only to the extent that certification (in a form to be provided) to the effect that the beneficial owners of interests in such Bearer Security are not U.S. persons or persons who have purchased for resale to any U.S. person, as required by U.S. Treasury regulations, has been received by Euroclear and/or CBL and/or CBF and/or SIS and Euroclear and/or CBL and/or CBF and/or SIS, as applicable, has given a like certification (based on the certifications it has received) to the Fiscal Agent.

If the applicable Final Terms state that the Temporary Global Bearer Security is exchangeable for a Permanent Bearer Global Security, on and after the date (the "**Exchange Date**") which is forty days after a Temporary Global Bearer Security is issued, interests in such Temporary Global Bearer Security will be exchangeable (free of charge) as described in the Temporary Global Bearer Security either for (i) interests in a Permanent Bearer Global Security of the same Series or (ii) for definitive Bearer Securities of the same Series with, where applicable, interest coupons, receipts and talons attached (as indicated in the applicable Final Terms and subject, in the case of definitive Bearer Securities, to such notice period as is specified in the applicable Final Terms), in each case against certification of beneficial ownership as described above unless such certification has already been given, provided that purchasers in the United States and certain U.S. persons will not be able to receive definitive Bearer Securities. The holder of a Temporary Global Bearer Security will not be entitled to collect any payment of principal, interest or other amount due on or after the Exchange Date unless, upon due certification, exchange of the Temporary Global Bearer Security for an interest in a Permanent Bearer Global Security or for definitive Bearer Securities is improperly withheld or refused.

Payments of principal, interest (if any) or any other amounts on a Permanent Bearer Global Security will be made through Euroclear and/or CBL or CBF or SIS (as the case may be, against presentation or surrender of the Permanent Bearer Global Security except in cases where the Permanent Bearer Global Security is intended to be issued in NGN form or other cases where the Permanent Bearer Global Security is directly held by the Clearing System) without any requirement for certification.

The applicable Final Terms may specify that a Permanent Bearer Global Security will be exchangeable (free of charge), in whole or in part, for definitive Bearer Securities with, where applicable, interest coupons, receipts and talons attached upon either (A) not less than 60 days' written notice from Euroclear and/or CBL and/or CBF (acting on the instructions of any holder of an interest in such Permanent Bearer Global Security) to the Fiscal Agent as described therein or (B) only upon the occurrence of an Exchange Event. For these purposes, "**Exchange Event**" means that (i) an Event of Default has occurred and is continuing (other than for Securities for which Eligible Liabilities Format is specified as applicable in the applicable Final Terms), (ii) the Issuer has been notified that both Euroclear, CBL (in respect of Securities settled through Euroclear or CBL) or CBF (in respect of Securities settled through CBF) have been closed for business for a continuous period of fourteen days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system is available or (iii) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Securities represented by the Permanent Bearer Global Security in definitive form. The Issuer will promptly give notice to Securityholders in accordance with the Terms and Conditions if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or CBL or CBF (acting on the instructions of any Holder of an interest in such Permanent Bearer Global Security) may give notice to the Fiscal Agent requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iii) above, the Issuer may also give notice to the Fiscal Agent requesting exchange. Any such exchange shall occur not later than 45 days after the date of receipt of the first relevant notice by the Fiscal Agent.

The following legend will appear on all Bearer Securities (other than Temporary Global Bearer Securities), interest coupons and receipts relating to such Securities where "TEFRA D" is specified in the applicable Final Terms or Pricing Supplement, as the case may be:

"ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES INCOME TAX LAWS, INCLUDING THE LIMITATIONS PROVIDED IN SECTIONS 165(j) AND 1287(a) OF THE INTERNAL REVENUE CODE."

The sections referred to provide that United States holders, with certain exceptions, will not be entitled to deduct any loss on Bearer Securities, interest coupons or receipts and will not be entitled to capital gains treatment of any gain on any sale, disposition, redemption or payment of principal in respect of such Securities, interest coupons or receipts.

Securities which are represented by a Bearer Global Security will only be transferable in accordance with the rules and procedures for the time being of CBF, Euroclear, CBL or SIS, as the case may be.

Swiss Global Securities

The applicable Final Terms may specify that the Securities are represented by a Swiss Global Security. The Swiss Global Security shall be a permanent global note deposited with SIX SIS Ltd or any other Intermediary in Switzerland recognized for such purposes by SIX Swiss Exchange Ltd (SIX SIS Ltd or any such other Intermediary, the "**Intermediary**" or the "**Clearing System**") until final redemption of the Securities. Once the permanent global note has been deposited with the Intermediary and entered into the accounts of one or more participants of the Intermediary, the Securities will, for Swiss law purposes, constitute intermediated securities (*Bucheffekten*) ("**Intermediated Securities**") in accordance with the provisions of the Swiss Federal Intermediated Securities Act (*Bucheffektengesetz*). The holders of such Securities (the "**Securityholders**") will be the persons holding the Securities in a securities account (*Effektenkonto*) which is in their own name and for their own account or, or in the case of Intermediaries (*Verwahrungsstellen*), the Intermediaries holding the Securities for their own account in a securities account (*Effektenkonto*) which is in their name.

The Securityholders shall not at any time have the right to effect or demand the conversion of the permanent global note into, or the delivery of, uncertificated securities (*Wertrechte*) or definitive Securities (*Wertpapiere*).

Registered Securities

The Registered Securities of each Tranche offered and sold in reliance on Regulation S, which will be sold to non-U.S. persons outside the United States, will initially be represented by a global security in registered form (a "**Regulation S Global Security**"). Prior to expiry of the distribution compliance period (as defined in Regulation S) applicable to each Tranche of Securities, beneficial interests in a Regulation S Global Security may not be offered or sold to, or for the account or benefit of, a U.S. person save as otherwise provided in the Annex for Registered Securities and may not be held otherwise than through Euroclear or CBL and such Regulation S Global Security will bear a legend regarding such restrictions on transfer.

The Registered Securities of each Tranche may only be offered and sold in the United States or to U.S. persons in private transactions to "qualified institutional buyers" within the meaning of Rule 144A under the Securities Act ("**QIBs**"). The Registered Securities of each Tranche sold to QIBs will be represented by a global security in registered form (a "**Rule 144A Global Security**" and, together with a Regulation S Global Security, the "**Registered Global Securities**").

Registered Global Securities will either (i) be deposited with a custodian for, and registered in the name of a nominee of, the Depository Trust Company ("**DTC**") or (ii) be deposited with a common depository for Euroclear and CBL, and registered in the name of the common nominee for the Common Depository of, Euroclear and CBL, as specified in the applicable Final Terms. Persons holding beneficial interests in Registered Global Securities will be entitled or required, as the case may be, under the circumstances described below, to receive physical delivery of definitive Securities in fully registered form.

The Rule 144A Global Security will be subject to certain restrictions on transfer set forth therein and will bear a legend regarding such restrictions.

Payments of principal, interest and any other amount in respect of the Registered Global Securities will, in the absence of provision to the contrary, be made to the person shown on the Register (as defined in the Terms and Conditions) as the registered holder of the Registered Global Securities. None of the Issuer, any Paying Agent or the Registrar will have any responsibility or liability for any aspect of the records relating to or payments or deliveries made on account of beneficial ownership interests in the Registered Global Securities or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Payments of principal, interest or any other amount in respect of the Registered Securities in definitive form will, in the absence of provision to the contrary, be made to the persons shown on the Register on the relevant Record Date (as defined in § 4 (*Payments*) of the Terms and Conditions) immediately preceding the due date for payment in the manner provided in that paragraph.

Interests in a Registered Global Security will be exchangeable (free of charge), in whole but not in part, for definitive Registered Securities without interest coupons, receipts or talons attached only upon the occurrence of an Exchange Event. For these purposes, "**Exchange Event**" means that (i) an Event of Default has occurred and is continuing (other than for Securities for which Eligible Liabilities Format is specified as applicable in the applicable Final Terms), (ii) in the case of Securities registered in the name of a nominee for DTC, either DTC has notified the Issuer that it is unwilling or unable to continue to act as depository for the Securities and no alternative clearing system is available or DTC has ceased to constitute a clearing agency registered under the Exchange Act, (iii) in the case of Securities registered in the name of a nominee for a common depository for Euroclear and CBL, the Issuer has been notified that both Euroclear and CBL have been closed for business for a continuous period of fourteen days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and, in any such case, no successor clearing system is available or (iv) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Securities represented by the Registered Global Security in definitive form.

The Issuer will promptly give notice to Securityholders in accordance with the Terms and Conditions if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, DTC, Euroclear and/or CBL (acting on the instructions of any holder of an interest in such Registered Global Security) may give notice to the Registrar requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iv) above, the Issuer may also give notice to the Registrar requesting exchange. Any such exchange shall occur not later than ten days after the date of receipt of the first relevant notice by the Registrar. Where Registered Securities are only to be issued to non-U.S. persons outside the United States (pursuant to Regulation S or otherwise) an alternative Registrar should be appointed and amendments may be required to the Registered Security Annex and the Agency Agreement.

SECURITYHOLDERS AND TRANSFER OF INTERESTS

Interests in Global Securities

Interests in a Registered Global Security may, subject to compliance with all applicable restrictions, be transferred to a person who wishes to hold such interest in another Registered Global Security. No beneficial owner of an interest in a Registered Global Security will be able to transfer such interest, except in accordance with the applicable procedures of DTC, Euroclear and CBL, in each case to the extent applicable. **Registered Securities are also subject to the restrictions on transfer set forth therein and will bear a legend regarding such restrictions, see the section entitled "*Transfer and Selling Restrictions*".**

For so long as any of the English law governed Securities is represented by one or more Global Securities held by CBF or on behalf of Euroclear and/or CBL each person (other than Euroclear or CBL) who is for the time being shown in the records of CBF, Euroclear or of CBL as the holder of a particular principal amount of such Securities (in which regard any certificate or other document issued by CBF or Euroclear or CBL as to the principal amount of such Securities standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer and its agents as the holder of such principal amount of such Securities for all purposes other than with respect to the payment of principal or interest on such principal amount of such Securities, for which purpose the bearer of the relevant Bearer Global Securities or the registered holder of the relevant Registered Global Security shall be treated by the Issuer and its agents as the holder of such principal amount of such Securities or Securities in accordance with and subject to the terms of the relevant Global Security or Security, as the case may be, and the expressions "**Noteholder**", "**Securityholder**", "**holder of Notes**", and "**holder of Securities**" and related expressions shall be construed accordingly.

So long as DTC or its nominee is the registered owner or holder of a Registered Global Security, DTC or such nominee, as the case may be, will be considered the sole owner or holder of the Securities represented by such Registered Global Security for all purposes under the Agency Agreement and such Securities except to the extent that in accordance with DTC's published rules and procedures any ownership rights may be exercised by its participants or beneficial owners through participants.

ACCELERATION OF SECURITIES

A Security (other than a Security for which Eligible Liabilities Format is specified as applicable in the applicable Final Terms) may be accelerated by the holder thereof in certain circumstances described in the "Events of Default" Condition of the Terms and Conditions. In such circumstances, where any Security is still represented by a Global Security and the Global Security (or any part thereof) has become due and repayable in accordance with the Terms and Conditions of such Securities and redemption has not occurred in accordance with the provisions of the Global Security then holders of interests in such Global Security credited to accounts with Euroclear and/or CBL and/or CBF and/or SIS and/or DTC, as the case may be, will become entitled to proceed directly against the Issuer on the basis of statements of account provided by CBF, Euroclear, CBL and DTC on and subject to, in respect of Securities governed by English law, the terms of a deed of covenant executed by the Issuer and dated 21 June 2019 (the "**Deed of Covenant**"). In addition, holders of interests in such Global Security credited to their accounts with DTC may require DTC to deliver definitive Securities in registered form in exchange for their interest in such Global Security in accordance with DTC's standard operating procedures.

FUNGIBLE ISSUES OF SECURITIES

Pursuant to the Agency Agreement (as defined under "*Terms and Conditions of the Securities*"), the Fiscal Agent shall arrange that, where a further tranche of Securities is issued which is intended to form a single Series with an existing tranche of Securities, the Securities of such further tranche shall be assigned a common code and International Securities Identification Number ("**ISIN**") and, where applicable, a Committee on Uniform Securities Identification Procedures ("**CUSIP**") and CUSIP International Number ("**CINS**"), *Wertpapierkennnummer* ("**WKN**") or *Valorenummer*, which are different from the common code, ISIN, WKN, CUSIP, CINS or *Valorenummer* assigned to Securities of any other Tranche of the same Series until the expiry of any applicable period that by law or regulation would require such Securities not to be fungible.

PFANDBRIEFE

The following is a description of some of the more fundamental principles governing the laws regarding Pfandbriefe and Pfandbrief Banks in summary form. It does not address all the laws' complexities and details. Accordingly, it is qualified in its entirety by reference to the applicable laws.

The German Pfandbrief Act (*Pfandbriefgesetz*; the "**Pfandbrief Act**") was published on 22 May 2005 and came into force on 19 July 2005. As from such date, the legislation accompanying the Pfandbrief Act, *i.e.*, the Act on the Reorganisation of the Law on Pfandbriefe (*Gesetz zur Neuordnung des Pfandbriefrechts*), rescinded all existing special legislation regarding the Pfandbrief business in Germany, including, *inter alia*, (i) the Mortgage Bank Act (*Hypothekbankgesetz*) applicable to the existing mortgage banks being specialist institutions authorised to issue Mortgage Pfandbriefe (*Hypothekpfandbriefe*) covered by mortgage loans as well as Public Sector Pfandbriefe (*Öffentliche Pfandbriefe*) covered by obligations of public sector debtors (and, in either case, by certain other qualifying assets), (ii) the Act on Pfandbriefe and Related Bonds of Public-Law Credit Institutions (*Gesetz über die Pfandbriefe und verwandten Schuldverschreibungen öffentlich-rechtlicher Kreditanstalten*) in the version as published on 9 September 1998, as amended, applicable to various types of public sector banks, including in particular the Landesbanken, in respect of Mortgage Pfandbriefe and Public Sector Pfandbriefe issued by them, and (iii) finally, the Ship Bank Act (*Schiffsbankgesetz*), as last amended on 5 April 2004, governing the operations of ship mortgage banks issuing Ship Mortgage Pfandbriefe (*Schiffspfandbriefe*). Also, since 19 July 2005, the Pfandbrief operations of the Issuer are subject to the Pfandbrief Act dated 22 May 2005.

The Pfandbrief Act abolished the concept of specialist Pfandbrief institutions hitherto prevailing in respect of the existing mortgage banks and ship mortgage banks. It established a new and uniform regulatory regime for all German credit institutions. Since 19 July 2005, all German credit institutions are permitted, subject to

authorisation and fulfilment of certain requirements of the Pfandbrief Act, to engage in the Pfandbrief business and to issue Mortgage Pfandbriefe, Public Sector Pfandbriefe as well as Ship Mortgage Pfandbriefe, and, since that date, existing mortgage banks and ship mortgage banks are authorised to engage in other types of banking transactions, eliminating the limitations in respect of the scope of their permitted business which existed in the past. The Pfandbrief Act thus created a level playing field for all German credit institutions, including the Landesbanken, operating as universal banks and engaged in the issuance of Pfandbriefe.

German credit institutions wishing to take up the Pfandbrief business must obtain special authorisation under the German Banking Act (*Kreditwesengesetz*) from the German Federal Financial Supervisory Authority (*Bundesanstalt für Finanzdienstleistungsaufsicht*, "**BaFin**") and, for that purpose, must meet some additional requirements as specified in the Pfandbrief Act.

Mortgage banks and ship mortgage banks, which were operating as such up to 19 July 2005 as well as public sector banks (including the *Landesbanken*) carrying on the Pfandbrief business up to such date, have all been grandfathered in respect of authorisation for the particular type of Pfandbrief business in which they were engaged at such time. They were required, though, to give a comprehensive notice to the BaFin by 18 October 2005, failing which the BaFin would have had the right to withdraw the authorisation. Mortgage banks and ship mortgage banks are since 19 July 2005 also authorised to engage in other banking transactions, including, *inter alia*, deposit taking, the extension of credits, the guarantee business, underwriting as well as others, up to then not permitted to be carried out by them, contrary to the Landesbanken, to which all types of banking transactions have always been open (subject to authorisation).

The operations of all banks engaged in the issuance of Pfandbriefe are since 19 July 2005 regulated by the Pfandbrief Act and the Banking Act, and are subject to the prudential supervision of the BaFin. In particular, the BaFin will carry out audits of the assets forming part of any Cover Pool, regularly in bi-annual intervals.

In 2009, the Pfandbrief Act was amended. Among other changes, the new Pfandbrief category of Airplane Mortgage Pfandbriefe (*Flugzeugpfandbriefe*) was introduced, rules requiring a certain liquidity cushion of the Cover Pool from 1 November 2009 onwards were established, and the list of assets qualifying as Cover Pool for Public Sector Pfandbriefe was extended to include payment claims against certain qualifying public bodies in Switzerland, the United States of America, Canada or Japan.

The Pfandbrief Act was further amended in 2010 (in particular with respect to clarifications regarding the quality of Pfandbriefe in the case of insolvency of the Pfandbrief Bank), in 2013, in 2014, in 2015, in 2017, in 2019 and in 2021.

In this description, banks authorised to issue Pfandbriefe will generally be referred to as "Pfandbrief Banks" which is the term applied by the Pfandbrief Act.

Pfandbriefe are standardised debt instruments issued by a Pfandbrief Bank. The quality and standards of Pfandbriefe are strictly governed by provisions of the Pfandbrief Act and subject to the prudential supervision of the BaFin. Pfandbriefe generally are medium- to long-term bonds, typically with an original maturity of two to ten years, which are secured or "covered" at all times by a pool of specified qualifying assets (*Deckung*), as described below. Pfandbriefe are recourse obligations of the issuing bank, and no separate vehicle is created for their issuance or for the issuance of any specific series of Pfandbriefe. Pfandbriefe may not be redeemed at the option of the Holders prior to maturity.

Pfandbriefe may either be Mortgage Pfandbriefe, Public Sector Pfandbriefe, Ship Mortgage Pfandbriefe or Airplane Mortgage Pfandbriefe. The outstanding Pfandbriefe of any one of these types must be covered by a separate pool of specified qualifying assets: a pool for Mortgage Pfandbriefe only, a pool for Public Sector Pfandbriefe only, a pool covering all outstanding Ship Mortgage Pfandbriefe only and a pool covering all outstanding Airplane Mortgage Pfandbriefe only (each a "**Cover Pool**"). An independent cover pool monitor appointed by the BaFin has wide responsibilities in monitoring the compliance by the Pfandbrief Bank with the provisions of the Pfandbrief Act. In particular, the cover pool monitor shall ensure that the prescribed cover for the Pfandbriefe exists at all times and that the cover assets are recorded in the respective register. Prior to issue this will be certified by the cover pool monitor on the Pfandbrief certificate.

The aggregate principal amount of assets in any Cover Pool must at all times at least be equal to or greater than the aggregate principal amount of the outstanding Pfandbriefe issued against any such Cover Pool and the aggregate interest yield on any such Cover Pool must at all times be at least equal to or greater than the aggregate interest payable on all outstanding Pfandbriefe issued against such Cover Pool. In addition, the coverage of all outstanding Pfandbriefe with respect to principal and interest must at all times be ensured on the basis of the net present value (*Barwert*). Finally, the net present value of the assets contained in any Cover Pool must exceed the net present value of liabilities from the corresponding Pfandbriefe and derivatives by at least 2 per cent. (*sichernde Überdeckung*).

Such 2 per cent. excess cover must consist of highly liquid assets. Qualifying assets for the excess cover are, *inter alia*, (i) debt securities of Germany, a special fund of Germany, a German state, the European Communities, another member state of the European Union, another contracting state on the agreement on the European Economic Area, the European Investment Bank, the International Bank for Reconstruction and Development, the Council of Europe Development Bank or the European Bank for Reconstruction and Development; (ii) debt securities of Switzerland, the United Kingdom, the United States of America, Canada or Japan, provided that the risk weighting such countries have received pursuant to a rating by an approved international rating agency is credit quality step 1 (according to table 1 of Article 114 (2) CRR); (iii) debt securities guaranteed by any of the foregoing institutions; and (iv) credit balances maintained with the European Central Bank, any central bank of a member state of the European Union or any other suitable credit institution having its registered office in one of the countries listed under (i) and (ii) above, provided that those have received a risk weighting in accordance with Article 119 (1) CRR which is comparable with credit quality step 1 or, in case of initial maturities of up to 100 days, credit quality step 1 or 2 (each according to table 3 of Article 120 (1) or table 5 of Article 121 (1) CRR). In addition, to safeguard liquidity, a certain liquidity cushion must be established.

The Pfandbrief Bank must record in the register of cover assets for any Cover Pool of a given Pfandbrief type each asset and the liabilities arising from derivatives. Derivatives may be entered in such register only with the consent of the cover pool monitor and the counterparty.

In case that any cover asset recorded in the register of cover assets for any Cover Pool is intended for partial cover only, the register of cover assets must clearly state the amount of the intended cover and its status in relation to the part of the asset which is not intended for the Cover Pool.

The Pfandbrief Bank must command over an appropriate risk management system meeting the requirements specified in detail in the Pfandbrief Act and must comply with comprehensive disclosure requirements on a quarterly and annual basis set out in detail in the Pfandbrief Act.

Cover Pool for Mortgage Pfandbriefe

The Cover Pool for Mortgage Pfandbriefe mainly consists of mortgage loans with a ratio between the loan and the value of the underlying assets of not more than 60 per cent. This lending value is established by an expert of the Pfandbrief issuer who is not involved in the loan decision-making process in accordance with comprehensive value assessment rules on the basis of which the market value of a property is to be determined. Qualifying mortgages must encumber properties, rights equivalent to real property or such rights under a foreign legal system which are comparable with the equivalent rights under German law. The encumbered properties and the properties in respect of which the encumbered rights exist must be situated in a EU or EEA member state, in Switzerland, the United Kingdom, the United States of America, Canada, Japan, Australia, New Zealand or Singapore. Land charges and such foreign security interests which offer comparable security and entitle the relevant holder of Pfandbriefe to satisfy its claim also by realising the encumbered property or equivalent right rank equal with mortgages.

The Cover Pool covering Mortgage Pfandbriefe may also, to a limited extent, contain the following assets: (i) compensation claims converted into notes in bearer form, (ii) subject to certain restrictions the assets that may also be included in the 2 per cent. Excess Cover described above, up to a total of 10 per cent. of the aggregate amount of the outstanding Mortgage Pfandbriefe, (iii) notes that may also be included in the cover pool for Public Sector Pfandbriefe (e.g. notes of specified public sector debtors such as (without limitation) (a) the German Federal Government, the Federal States, political subdivisions and other suitable public law

corporations within Germany, (b) EU or EEA member states and their central banks and political subdivisions, (c) the United States of America, Japan, Switzerland, the United Kingdom or Canada if they fulfil certain rating criteria, (d) political subdivisions of the countries listed under (c) above if such political subdivisions are equated by the competent authorities to the central state or if they fulfil certain rating criteria, (e) the European Central Bank and certain multilateral development banks and international organisations, (f) public authorities of EU or EEA member states, (g) public authorities of the countries listed under (c) above if such authorities are equated by the competent authorities to the central state or if they fulfil certain rating criteria, (h) entities for the liabilities of which any one of the public law entities referred to under (a) to (e) above or certain qualifying export credit insurance companies have assumed a full guarantee), up to a total of 20 per cent. of the aggregate amount of the outstanding Mortgage Pfandbriefe, with the cover assets set out under (ii) above being taken into account, and (iv) claims under derivative transactions concluded with specified suitable counterparties on the basis of standardised master agreements, provided that it is ensured that the claims under these derivative transactions cannot be impaired in the event of insolvency of the Pfandbrief issuer or of the other cover pools held by it. The share of the Pfandbrief issuer's claims under the derivative transactions included in the cover pool in the total amount of the cover assets as well as the Pfandbrief issuer's share in the liabilities under these derivatives in the total amount of Mortgage Pfandbriefe outstanding plus the liabilities under these derivatives must not exceed 12 per cent., in each case, the calculation being made on the basis of their net present values.

Insolvency Proceedings

In the event of the institution of insolvency proceedings over the assets of the Pfandbrief Bank, any assets of a Cover Pool maintained by it and registered in the respective register of cover assets would not be part of the insolvency estate, and, therefore, such insolvency would not result in an insolvency of any Cover Pool. Only if at the same time or thereafter the relevant Cover Pool were to become insolvent, separate insolvency proceedings would be initiated against such Cover Pool by the BaFin. In this case, Holders of Pfandbriefe would have the first claim on the respective Cover Pool. Their preferential right would also extend to interest on the Pfandbriefe accrued after the commencement of insolvency proceedings. Furthermore, but only to the extent that Holders of Pfandbriefe suffer a loss, Holders would also have recourse to any assets of the Pfandbrief Bank not included in the Cover Pools. As regards those assets, Holders of the Pfandbriefe would rank equal with other unsecured and unsubordinated creditors of the Pfandbrief Bank.

Up to three administrators (*Sachwalter*, the "**Administrator**") will be appointed in the case of the insolvency of the Pfandbrief Bank to administer each Cover Pool for the sole benefit of the Holders of Pfandbriefe. The Administrator will be appointed by the court having jurisdiction at the location of the head office of the Pfandbrief Bank at the request of the BaFin before or after the institution of insolvency proceedings. The Administrator will be subject to the supervision of the court and also of the BaFin with respect to the duties of the Pfandbrief Bank arising in connection with the administration of the assets included in the relevant Cover Pool. The Administrator will be entitled to dispose of the Cover Pool's assets and receive all payments on the relevant assets to ensure full satisfaction of the claims of the Holders of Pfandbriefe. To the extent, however, that those assets are obviously not necessary to satisfy such claims and in case that assets are not subject to the trustee's administration, the insolvency receiver of the Pfandbrief Bank is entitled to demand the transfer of such assets to the insolvency estate.

Pursuant to Sec. 30 (2a) Pfandbrief Act, the Administrator may defer redemption payments for all Pfandbriefe by up to 12 months (and, in the first month following the appointment of the Administrator, interest payments). Pursuant to Sec. 30 (2b) Pfandbrief Act, such deferral requires that it is necessary to avoid insolvency, that no overindebtedness exists and that it is likely that the liabilities can be satisfied by such deferral. Pursuant to Sec. 30 (2c) Pfandbrief Act, any maturity extension must be published in certain media.

Subject to the consent of the BaFin, the Administrator may transfer all or part of the cover assets and the liabilities arising from the Pfandbriefe issued against such assets to another Pfandbrief Bank.

Jumbo Pfandbriefe

Jumbo Pfandbriefe are governed by the same laws as Pfandbriefe and therefore cannot be classified as a type of assets apart from Pfandbriefe. However, in order to improve the liquidity of the Pfandbrief market certain

Pfandbrief issuers have agreed upon certain minimum requirements for Jumbo Pfandbriefe (*Mindeststandards von Jumbo-Pfandbriefen*) applicable to such Pfandbriefe which are issued as Jumbo Pfandbriefe. These minimum requirements are not statutory provisions. Instead, they should be regarded as voluntary self-restrictions which limit the options issuers have when structuring Pfandbriefe. The minimum requirements include the following provisions:

- (i) *Minimum issue size.* The minimum issue size of a Jumbo Pfandbrief is EUR 1 billion. If the minimum size is not reached within the initial issue, a Pfandbrief may be increased by way of a tap to give it Jumbo Pfandbrief status, provided all the requirements stated under Nos. ii to vii are fulfilled.
- (ii) *Format.* Only Pfandbriefe of straight bond format (*i.e.* fixed coupon payable annually in arrears, bullet redemption) may be offered as Jumbo Pfandbriefe.
- (iii) *Stock market listing.* Jumbo Pfandbriefe must be listed on a regulated market in an EU or EEA member state immediately after issue, or not later than 30 calendar days after the settlement date.
- (iv) *Syndicate banks.* Jumbo Pfandbriefe must be placed by a syndicate consisting of at least five banks (syndicate banks).
- (v) *Quoting.* The syndicate banks act as market makers; in addition to their own system, they pledge to quote prices upon application and bid/ask (two-way) prices at the request of investors on an electronic trading platform and in telephone trading.
- (vi) *Publishing of average spreads.* The syndicate banks pledge to report daily for each Jumbo Pfandbrief outstanding (life to maturity from 24 months upwards) the spread vs. asset swap. The average spreads, which are calculated for each Jumbo Pfandbrief by following a defined procedure, are published on the website of the Association of German Pfandbrief Banks (*Verband Deutscher Pfandbriefbanken, vdp*).
- (vii) *Transfer and buyback.* A subsequent transfer to the name of an investor is not permitted (restriction on transferability). It is permitted to buy back securities for redemption purposes or for cover pool monitor administration if the outstanding volume of the issue does not fall below EUR 1 billion at any time. The issuer must publicly announce any buyback, the planned volume thereof and the issue envisaged for repurchase at least 3 banking days in advance, and make sure that extensive transparency is given in the market. After a buyback transaction it is not permitted to tap the issue in question for a period of one year.
- (viii) *Loss of status.* If one of the aforementioned requirements is not met, the issue will lose its Jumbo Pfandbrief status. Jumbo Pfandbriefe that were issued before 28 April 2004, and have a volume of less than EUR 1 billion retain the status of a Jumbo Pfandbrief notwithstanding the requirements set out under (i) if the other aforementioned provisions are met.

The minimum requirements are supplemented by additional recommendations (*Empfehlungen*) and a code of conduct applicable to issuers of Jumbo Pfandbriefe (*Wohlverhaltensregeln für Emittenten und Syndikatsbanken*). Neither the recommendations nor the code of conduct are statutory provisions.

With the consent of the BaFin, the administrator may transfer all or part of the Pfandbrief liabilities and the corresponding cover assets to another Pfandbrief issuer.

ISSUE PROCEDURES

General

The Issuer and the relevant Dealer will agree on the terms and conditions applicable to each particular Tranche of Securities (the "**Conditions**"). The Conditions will be constituted by the Terms and Conditions of the Securities (the "**Terms and Conditions**") (see the section entitled "*Terms and Conditions*") as amended by any applicable Annex set forth in this Securities Note and as completed by the Final Terms (or as completed and amended by the Pricing Supplement, in the case of Exempt Securities) as described in this Securities Note.

The Final Terms (or Pricing Supplement, in the case of Exempt Securities) relating to a Tranche of Securities will specify:

- (a) which of the following sets of Terms and Conditions (each an "**Option**") shall apply to such Securities:
- Terms and Conditions for fixed rate Notes and zero coupon Notes (Option I);
 - Terms and Conditions for floating rate Notes (Option II);
 - Terms and Conditions for fixed rate Pfandbriefe and zero coupon Pfandbriefe (Option III);
 - Terms and Conditions for floating rate Pfandbriefe (Option IV); and
 - Terms and Conditions for structured Notes (Option V); and
- (b) whether the provisions of any one or more of the following Annexes (each an "**Annex**" and, together, the "**Annexes**") shall also apply to such Securities:
- Credit Linked Notes Annex A;
 - Credit Linked Notes Annex B; and
 - Registered Securities Annex.

The Annexes may only apply to Option I, Option II or Option V, as specified in the applicable Final Terms (or Pricing Supplement, in the case of Exempt Securities),

Documentation of the Conditions

The Issuer may document the Conditions in respect of a Tranche of Securities in either of the following ways:

- (a) in the case of Securities other than Registered Securities or Credit Linked Notes, by completing the Final Terms (or Pricing Supplement, in the case of Exempt Securities) as set out therein, which will specify which Option(s), in each case including certain further options contained therein, will apply to such Securities, by replicating the relevant provisions and completing the relevant placeholders of the relevant Terms and Conditions set out in this Securities Note in the Final Terms (or Pricing Supplement, in the case of Exempt Securities). The replicated and completed provisions of the sets of Terms and Conditions ("**Integrated Conditions**") shall constitute the Conditions, which will be attached to each global note representing the Securities of the relevant Tranche. This type of documentation of the Conditions will generally be used for Securities which are sold and distributed on a syndicated basis in Germany and/or offered or distributed, in whole or in part, to non-professional investors in Germany; or
- (b) by completing the Final Terms (or Pricing Supplement, in the case of Exempt Securities), which will specify which Option(s) and (as applicable) Annex(es), in each case including the further options

contained therein, will apply to such Securities, by referring to the relevant provisions of the relevant Terms and Conditions and, as applicable, Annex(es) in each case set out in this Securities Note. The Final Terms (or Pricing Supplement, in the case of Exempt Securities) will specify that the provisions of the Final Terms (or Pricing Supplement) and the relevant Terms and Conditions and, as applicable, Annex(es) in each case set out in this Securities Note, as completed by such Final Terms (or Pricing Supplement) (or completed and amended by such Pricing Supplement) will together constitute the Conditions and such Final Terms (or Pricing Supplement) will be attached to each global note representing such Securities. This type of documentation of the Conditions will generally be used for Securities sold on a non-syndicated basis (or, if sold outside of Germany, syndicated basis) and which are not publicly offered.

Selection of Options / Completion of Placeholders

The Final Terms (or Pricing Supplement, in the case of Exempt Securities) for a Tranche of Securities will specify which of Option I to Option V and (as applicable) which Annex(es) will apply to such Securities. The relevant Terms and Conditions and, as applicable, Annex(es) also contain certain further options (characterised, in certain cases, by indicating the respective optional provision through instructions and explanatory notes set out either on the left of or in square brackets within the text of the relevant set of Terms and Conditions and, as applicable, Annex(es) as set out in this Securities Note) as well as placeholders (characterised by square brackets which include the relevant items) which will be specified in and/or completed by the Final Terms (or Pricing Supplement, in the case of Exempt Securities) as follows:

Selection of Options. The Issuer will determine which options will apply to a Tranche of Securities either by replicating the relevant provisions in the Final Terms (or Pricing Supplement, in the case of Exempt Securities) or by referencing the relevant provisions of the relevant Terms and Conditions and, as applicable, Annex(es) set out in this Securities Note in the Final Terms (or Pricing Supplement). If the Final Terms (or Pricing Supplement, in the case of Exempt Securities) do not refer to an alternative or optional provision or such alternative or optional provision is not replicated therein it shall be deemed to be deleted from the Conditions.

Completion of Placeholders. The Final Terms (or Pricing Supplement, in the case of Exempt Securities) will specify the information with which the placeholders in the relevant set of Terms and Conditions and, as applicable, Annex(es) will be completed. For a Tranche of Securities for which the provisions of the Final Terms (or Pricing Supplement, in the case of Exempt Securities) and the relevant Terms and Conditions and, as applicable, Annex(es) together constitute the Conditions, the relevant Terms and Conditions and, as applicable, Annex(es) shall be deemed to be completed by the information contained in the Final Terms (or completed and amended by the information contained in the Pricing Supplement, in the case of Exempt Securities) as if such information were inserted in the placeholders of such provisions.

All instructions and explanatory notes and text set out in square brackets in the relevant set of Terms and Conditions and, as applicable, Annex(es) and any footnotes and explanatory text in the Final Terms (or Pricing Supplement, in the case of Exempt Securities) will be deemed to be deleted from the Conditions.

Controlling Language

As to the controlling language of the respective Conditions, the Issuer anticipates that, in general, subject to any stock exchange or legal requirements applicable from time to time, and unless otherwise agreed between the Issuer and the relevant Dealer:

- (a) in the case of Securities sold and distributed on a syndicated basis in Germany, German shall be the controlling language;
- (b) in the case of Securities sold and distributed on a syndicated basis only outside of Germany, English shall (unless otherwise specified) be the controlling language;
- (c) in the case of Securities offered, in whole or in part, in Germany, or distributed, in whole or in part, to non-professional investors in Germany, German shall be the controlling language. If, in the event of such public offer or distribution to non-professional investors in Germany, however, English is chosen

as the controlling language, a German language translation of the Conditions will be available from the specified office of the Fiscal Agent and Issuer, as specified in this Securities Note; and

- (d) in the case of Securities offered, in whole or in part, or distributed, in whole or in part, to non-professional investors, in any jurisdiction aside from Germany, English shall be the controlling language.

In the event of resolution measures being imposed on the Issuer or in the event of the dissolution, liquidation, insolvency, composition or other proceedings for the avoidance of insolvency of, or against, the Issuer, the obligations under the Securities shall be fully subordinated to all obligations which do not qualify as Own Funds; this includes (i) all claims of unsubordinated creditors of the Issuer (including claims against the Issuer under its unsecured and unsubordinated non-preferred debt instruments within the meaning of § 46f (6) sentence 1 of the German Banking Act (*Kreditwesengesetz*, "**KWG**") (also in conjunction with § 46f(9) KWG) or any successor provision thereof), (ii) the claims specified in § 39(1) nos. 1 to 5 of the German Insolvency Code (*Insolvenzordnung*, "**InsO**") or any successor provision thereof and (iii) contractually subordinated obligations within the meaning of § 39(2) of InsO or any successor provision thereof of the Issuer which do not qualify as Own Funds at the time of resolution measures being imposed on the Issuer or in the event of a dissolution, liquidation, insolvency, composition or other proceedings for the avoidance of insolvency of, or against, the Issuer. In any such event, no amounts shall be payable in respect of the Securities until all senior ranking obligations in accordance with this provision have been satisfied in full.

- (3) In accordance with § 10 (5) KWG, no Securityholder may set off its claims arising under the Securities against any claims of the Issuer. No collateral or guarantee shall be provided at any time to secure claims of the Securityholders under the Securities; any collateral or guarantee already provided or granted in the future in connection with other liabilities of the Issuer may not be used for claims under the Securities.
- (4) No subsequent agreement may limit the subordination pursuant to § 2(2) or shorten the term of the Securities or any applicable notice period. - (2) The obligations under the Securities constitute unsecured and unsubordinated non-preferred obligations of the Issuer under debt instruments within the meaning of § 46f(6) sentence 1 of the German Banking Act (*Kreditwesengesetz*, "KWG") (*Schuldtitel*) or any successor provision. The obligations rank *pari passu* among themselves and with all other unsecured and unsubordinated non-preferred obligations under debt instruments of the Issuer within the meaning of § 46f(6) sentence 1 KWG (also in conjunction with § 46f(9) KWG) or any successor provision.

In accordance with § 46f(5) KWG, in the event of resolution measures being imposed on the Issuer or in the event of the dissolution, liquidation, insolvency, composition or other proceedings for the avoidance of insolvency of, or against the Issuer, the obligations under the Securities shall rank behind the claims of unsubordinated creditors of the Issuer not qualifying as obligations within the meaning of § 46f(6) sentence 1 KWG (also in conjunction with § 46f(9) KWG) or any successor provision; this includes eligible liabilities within the meaning of Article 72b(2) CRR where point (d) of such Article does not apply. the Securities are redeemed or repurchased otherwise than (i) in the circumstances described in § 2(2) or (ii) as a result of a redemption or repurchase as set forth in the Conditions, then the amounts paid must be returned to the Issuer irrespective of any agreement to the contrary.

IN CASE OF UNSUBORDINATED SECURITIES, WHOSE RANKING IS SPECIFIED AS PREFERRED AND WHERE ELIGIBLE LIABILITIES FORMAT IS APPLICABLE THE FOLLOWING APPLIES:

(1) The Securities are intended to qualify as eligible liabilities within the meaning of Article 72b(2), with the exception of point (d), of Regulation (EU) No. 575/2013 as supplemented or amended from time to time (Capital Requirements Regulation, "CRR") for the minimum requirement for own funds and eligible liabilities of the Issuer.

In accordance with § 46f(5) of the German Banking Act (*Kreditwesengesetz*, "**KWG**"), the obligations under the Securities rank in priority of those under debt instruments of the Issuer within the meaning of § 46f(6) sentence 1 KWG (also in conjunction with § 46f(9) KWG) or any successor provision, including eligible liabilities within the meaning of Articles 72a and 72b(2) CRR.

(3) In accordance with §10(5) KWG, no Securityholder may set off its claims arising under the Securities against any claims of the Issuer. No collateral or guarantee shall be provided at any time to secure claims of the Securityholders under the Securities; any collateral or guarantee already provided or granted in the future in connection with other liabilities of the Issuer may not be used for claims under the Securities.

(4) No subsequent agreement may enhance the seniority of the obligations pursuant to § 2(2) or shorten the term of the Securities or any applicable notice period. Any redemption, repurchase or termination of the Securities prior to their scheduled maturity is subject to the prior approval of the competent authority. If the Securities are redeemed or repurchased otherwise than (i) in the circumstances described in § 2(2) or (ii) as a result of a redemption or repurchase as set forth in the Conditions, then the amounts paid must be returned to the Issuer irrespective of any agreement to the contrary.

IN CASE OF UNSUBORDINATED SECURITIES, WHOSE RANKING IS SPECIFIED AS PREFERRED AND WHERE ELIGIBLE LIABILITIES FORMAT IS NOT APPLICABLE THE FOLLOWING APPLIES:

(1) The obligations under the Securities constitute unsecured and unsubordinated preferred obligations of the Issuer ranking *pari passu* among themselves and with other unsecured and unsubordinated obligations of the Issuer, subject, however, to statutory priorities conferred to certain unsecured and unsubordinated obligations in the event of resolution measures being imposed on the Issuer or in the event of the dissolution, liquidation, insolvency, composition or other proceedings for the avoidance of insolvency of, or against, the Issuer.

In accordance with § 46f(5) of the German Banking Act (*Kreditwesengesetz*, "**KWG**"), the obligations under the Securities rank in priority of those under debt instruments of the Issuer within the meaning of § 46f(6) sentence 1 KWG (also in conjunction with § 46f(9) KWG) or any successor provision, including eligible liabilities within the meaning of Articles 72a and 72b(2) of Regulation (EU) No. 575/2013 as supplemented or amended from time to time (Capital Requirements Regulation).

- (2) Prior to any insolvency or liquidation of the Issuer, under bank resolution laws applicable to the Issuer from time to time, the competent resolution authority may write down (including to zero) the obligations of the Issuer under the Securities, convert them into equity (e.g. ordinary shares of the Issuer) or apply any other resolution measure, including (but not limited to) any transfer of such obligations to another entity, the amendment of the Conditions or a cancellation of the Securities.

- (2) The obligations under the Securities constitute unsecured and subordinated obligations of the Issuer, ranking *pari passu* among themselves and subject to applicable law from time to time, *pari passu* with all other equally subordinated obligations of the Issuer constituting Own Funds in the form of tier 2 capital.

In the event of resolution measures being imposed on the Issuer or in the event of the dissolution, liquidation, insolvency, composition or other proceedings for the avoidance of insolvency of, or against, the Issuer, the obligations under the Securities shall be fully subordinated to all obligations which do not qualify as Own Funds; this includes (i) all claims of unsubordinated creditors of the Issuer (including claims against the Issuer under its unsecured and unsubordinated non-preferred debt instruments within the meaning of § 46f(6) sentence 1 of the German Banking Act (*Kreditwesengesetz*, "**KWG**") (also in conjunction with § 46f(9) KWG) or any successor provision thereof), (ii) the claims specified in § 39(1) nos. 1 to 5 of the German Insolvency Code (*Insolvenzordnung*, "**InsO**") or any successor provision thereof and (iii) contractually subordinated obligations within the meaning of § 39(2) InsO or any successor provision thereof of the Issuer which do not qualify as Own Funds at the time of resolution measures being imposed on the Issuer or in the event of a dissolution, liquidation, insolvency, composition or other proceedings for the avoidance of

insolvency of, or against, the Issuer. In any such event, no amounts shall be payable in respect of the Securities until all senior ranking obligations in accordance with this provision have been satisfied in full.

If the Securities do no longer qualify as tier 2 capital or other Own Funds, the obligations under the Securities will, pursuant to § 46f (7a) sentence 3 KWG, rank in priority to all claims from Own Funds.

- (3) In accordance with § 10(5) KWG, no Securityholder may set off its claims arising under the Securities against any claims of the Issuer. No collateral or guarantee shall be provided at any time to secure claims of the Securityholders under the Securities; any collateral or guarantee already provided or granted in the future in connection with other liabilities of the Issuer may not be used for claims under the Securities.
- (4) No subsequent agreement may limit the subordination pursuant to § 2(2) or shorten the term of the Securities or any applicable notice period. If the Securities are redeemed or repurchased otherwise than (i) in the circumstances described in § 2(2) or (ii) as a result of a redemption or repurchase as set forth in the Conditions, then the amounts paid must be returned to the Issuer irrespective of any agreement to the contrary.

The Replacement Rate (if any) so determined, subject to the application of the Adjustment Spread as set out herein, shall replace the relevant Floating Rate and these Conditions shall be furthermore modified by the Replacement Rate Adjustments so determined for the purposes of determining the Rate of Interest in each case for the Interest Period related to the Interest Determination Day falling on or, if none, immediately following the Replacement Rate Determination Date and each Interest Period thereafter (subject to the subsequent occurrence of a Rate Replacement Event in respect of the Replacement Rate). The Issuer shall give notice to the Securityholders in

accordance with § [12] of the Replacement Rate and the Replacement Rate Adjustments as soon as practicable after the Replacement Rate Determination Date [in case of German law Securities the following applies: and shall request the Clearing System to attach the documents submitted to the Global Note in an appropriate manner to reflect the modification of the Conditions].

(1) The Securities are intended to qualify as eligible liabilities within the meaning of Articles 72a and 72b(2) of Regulation (EU) No. 575/2013 as supplemented or amended from time to time (Capital Requirements Regulation, "CRR") for the minimum requirement for own funds and eligible liabilities of the Issuer.

(2) The obligations under the Securities constitute unsecured and unsubordinated non-preferred obligations of the Issuer under debt instruments within the meaning of § 46f(6) sentence 1 of the German Banking Act (*Kreditwesengesetz*, "KWG") (*Schuldtitel*) or any successor provision. The obligations rank *pari passu* among themselves and with all other unsecured and unsubordinated non-preferred obligations under debt instruments of the Issuer within the meaning of § 46f(6) sentence 1 KWG (also in conjunction with § 46f(9) KWG) or any successor provision.

In accordance with § 46f(5) KWG, in the event of resolution measures being imposed on the Issuer or in the event of the dissolution, liquidation, insolvency, composition or other proceedings for the avoidance of insolvency of, or against the Issuer, the obligations under the Securities shall rank behind the claims of unsubordinated creditors of the Issuer not qualifying as obligations within the meaning of § 46f(6) sentence 1 KWG (also in conjunction with § 46f(9) KWG) or any successor provision; this includes eligible liabilities within the meaning of Article 72b(2) CRR where point (d) of such Article does not apply. Any redemption, repurchase or termination of the Securities prior to their scheduled maturity is subject to the prior approval of the competent authority. If the Securities are redeemed or repurchased otherwise than (i) in the circumstances described in § 2(2) or (ii) as a result of a redemption or repurchase as set forth in the Conditions, then the amounts paid must be returned to the Issuer irrespective of any agreement to the contrary.

(1) The Securities are intended to qualify as own funds instruments within the meaning of Art. 4(1) No. 119 of Regulation (EU) No. 575/2013 as supplemented or amended from time to time (Capital Requirements Regulation, "**CRR**") and, thus, as own funds within the meaning of the CRR ("**Own Funds**") in the form of tier 2 capital (*Ergänzungskapital*) within the meaning of Art. 63 CRR or any successor provision of the Issuer.

In any such event, no amounts shall be payable in respect of the Securities until all senior ranking obligations in accordance with this provision have been satisfied in full.

If the Securities do no longer qualify as tier 2 capital or other Own Funds, the obligations under the Securities will, pursuant to § 46f(7a) sentence 3 KWG, rank in priority to all claims from Own Funds.

(3) In accordance with § 10(5) KWG, no Securityholder may set off its claims arising under the Securities against any claims of the Issuer. No collateral or guarantee shall be provided at any time to secure claims of the Securityholders under the Securities; any collateral or guarantee already provided or granted in the future in connection with other liabilities of the Issuer may not be used for claims under the Securities.

The Replacement Rate (if any) so determined, subject to the application of the Adjustment Spread as set out herein, shall replace the relevant Floating Rate and these Conditions shall be furthermore modified by the Replacement Rate Adjustments so determined for the purposes of determining the Rate of Interest in each case for the Interest Period related to the Interest Determination Day falling on or, if none, immediately following the Replacement Rate Determination Date and each Interest Period thereafter (subject to the subsequent occurrence of a Rate Replacement Event in respect of the Replacement Rate). The Issuer shall give notice to the Securityholders in accordance with § [15] of the Replacement Rate and the Replacement Rate Adjustments as soon as practicable after the Replacement Rate Determination Date [in case of German law Securities the following applies: and shall request the Clearing System to attach the documents submitted to the Global Note in an appropriate manner to reflect the modification of the Conditions.]

SOFR Fallback Rate Determination. If SOFR in respect of any relevant U.S. Government Securities Business Day is not published on the SOFR Screen Page (and has not otherwise been published),

- (x) unless both a Benchmark Transition Event and its related Benchmark Replacement Date have occurred, then SOFR shall be the Secured Overnight Financing Rate in respect of the last U.S. Government Securities Business Day for which such rate was published on the SOFR Screen Page; or
- (y) if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred, then SOFR shall be the first alternative set forth in the order below that can be determined by the Issuer:

IN CASE OF ENGLISH LAW SECURITIES LINKED TO AN UNDERLYING EQUITY OR A BASKET OF UNDERLYING EQUITIES WHICH ARE (I) PHYSICALLY SETTLED, OR (II) CASH SETTLED AND/OR PHYSICALLY SETTLED THE FOLLOWING APPLIES:

[(2)] *Settlement.*

- (a) In order to obtain delivery of the Asset Amount(s) in respect of a Security (i) if such Security is represented by a Global Security, the Securityholder must deliver to the relevant Clearing System, with a copy to the Issuer not later than the close of business in each place of reception on the Cut-Off Date (as defined below), a duly completed Asset Transfer Notice or (ii) if such Security is a Definitive Security, the Securityholder must deliver to any Paying Agent with a copy to the Issuer not later than the close of business in each place of reception on the Cut-Off Date, a duly completed Asset Transfer Notice.

Forms of the Asset Transfer Notice may be obtained during normal business hours from the specified office of any Paying Agent.

An Asset Transfer Notice may only be delivered if such Security is represented by a Global Security in such manner as is acceptable to the relevant Clearing System or, if such Security is a Definitive Security, in writing or by tested telex together with the Securities to which the relevant Asset Transfer Notice relates.

An Asset Transfer Notice must:

- (i) specify the name and address of the Securityholder, the person from whom the Issuer may obtain details for the delivery of the Asset Amount and any details required for delivery of the Asset Amount;
- (ii) if such Security is represented by a Global Security, specify the principal amount of Securities which are the subject of such notice and the number of the Securityholder's account at the relevant Clearing System to be debited with such Securities and irrevocably instruct and authorise the relevant Clearing System to debit the Securityholder's account with such Securities on or before the Delivery Date;
- (iii) include an undertaking to pay all Delivery Expenses and if the Security is represented by a Global Security, an authority to debit a specified account of the Securityholder at the relevant Clearing System in respect thereof and to pay such Delivery Expenses;

³⁷ Only applicable in case of Exempt Securities.

- (iv) specify an account to which dividends (if any) payable pursuant to this subsection or any other cash amounts are to be paid; and
- (v) authorise the production of such notice in any applicable administrative or legal proceedings.

[(vi)] [additional requirements]

No Asset Transfer Notice may be withdrawn after receipt thereof by the relevant Clearing System or a Paying Agent, as the case may be, as provided above. After delivery of an Asset Transfer Notice, the Securityholder may not transfer the Securities which are the subject of such notice.

In case of Securities represented by a Global Security, upon receipt of such notice, the relevant Clearing System shall verify that the person specified therein as the Securityholder is the holder of the specified principal amount of Securities according to its books.

Failure properly to complete and deliver an Asset Transfer Notice may result in such notice being treated as null and void. Any determination as to whether such notice has been properly completed and delivered as provided in these Conditions shall be made in case of Securities represented by a Global Security by the relevant Clearing System after consultation with the Issuer and shall be conclusive and binding on the Issuer and the Securityholder and, if such Security is a Definitive Security, by the relevant Paying Agent after consultation with the Issuer, and shall be conclusive and binding on the Issuer and the Securityholder.

- (b) Delivery of the Asset Amount in respect of each Security shall be [made at the risk of the Securityholder in such commercially reasonable manner as the Calculation Agent shall in its [sole discretion] determine and notify to the person designated by the Securityholder in the relevant Asset Transfer Notice] **[alternative manner of delivery]**.

In relation to each Security which is to be redeemed by delivery of the Asset Amount, the Asset Amount will be delivered at the risk of the Securityholder, in the manner provided above on the Maturity Date (such date, subject to adjustment in accordance with this § [6] the "**Delivery Date**"), provided that the Asset Transfer Notice is duly delivered to the Clearing System or any Paying Agent, as the case may be, with a copy to the Issuer, as provided above, not later than the close of business in each place of receipt on [**Cut-Off Date**] (the "**Cut-Off Date**").

If the Securityholder fails to give an Asset Transfer Notice as provided herein with a copy to the Issuer, not later than the close of business in each place of receipt on the Cut-Off Date, then the Asset Amount will be delivered as soon as practicable after the Maturity Date (in which case, such date of delivery shall be the Delivery Date) at the risk of the relevant Securityholder in the manner provided above. For the avoidance of doubt, in such circumstances the relevant Securityholder

shall not be entitled to any payment, whether of interest or otherwise, as a result of such Delivery Date falling after the originally designated Delivery Date and no liability in respect thereof shall attach to the Issuer.

- (c) All Delivery Expenses arising from the delivery of the Asset Amount in respect of the Securities shall be for the account of the Securityholder and no delivery of the Asset Amount shall be made until all Delivery Expenses have been paid to the satisfaction of the Issuer by the Securityholder.

After delivery of the Asset Amount and for such period of time as any person other than the relevant Securityholder shall continue to be registered as the legal owner of any such securities or other obligations comprising the Asset Amount ("**Intervening Period**"), none of the Issuer, the Calculation Agent nor any other person shall at any time (i) be under any obligation to deliver or procure delivery to the Securityholder any letter, certificate, notice, circular or any other document or, except as provided herein, payment whatsoever received by that person in respect of such securities or obligations, (ii) be under any obligation to exercise or procure exercise of any or all rights attaching to such securities or obligations or (iii) be under any liability to the Securityholder in respect of any loss or damage which the Securityholder may sustain or suffer as a result, whether directly or indirectly, of that person being registered during such Intervening Period as legal owner of such securities or obligations.

If, prior to the delivery of the Asset Amount in accordance with this § [6], a Settlement Disruption Event is subsisting, then the Delivery Date in respect of such Security shall be postponed until the date on which no Settlement Disruption Event is subsisting and notice thereof shall be given to the Securityholder, in accordance with § [15]. The Securityholder shall not be entitled to any payment, whether of interest or otherwise, on such Security as a result of any delay in the delivery of the Asset Amount pursuant to this paragraph. Where delivery of the Asset Amount has been postponed as provided in this paragraph the Issuer shall not be in breach of these Conditions and no liability in respect thereof shall attach to the Issuer.

For so long as delivery of the Asset Amount in respect of any Security is not practicable by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof, the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Security by payment to the Securityholder of the Disruption Cash Settlement Price (as defined below) not later than on the third Business Day following the date that the notice of such election (the "**Election Notice**") is given to the Securityholders in accordance with § [15]. Payment of the Disruption Cash Settlement Price will be made in such manner as shall be notified to the Securityholders in accordance with § [15].

Where the Asset Amount is, in the determination of the Issuer, an amount other than an amount of the Relevant Assets capable of being delivered, the Securityholders will receive an Asset Amount comprising of the nearest number (rounded down) of the Relevant Assets capable of being delivered by the Issuer (taking into account that a Securityholder's entire holding may be aggregated at the Issuer's

discretion for the purpose of delivering the Asset Amounts), and an amount in the Specified Currency which shall be the value of the amount of the Relevant Assets so rounded down, as calculated by the Calculation Agent in a fair and commercially reasonable manner from such source(s) as it may select, after consultation with the Issuer (converted if necessary into the Specified Currency by reference to such exchange rate as the Calculation Agent deems appropriate). Payment will be made in such manner as shall be notified to the Securityholders in accordance with § [15].

For the purposes of the Securities (i) the Issuer shall be under no obligation to register or procure the registration of the Securityholder or any other person as the registered shareholder in the register of members of the Equity Issuer, (ii) the Issuer shall not be obliged to account to any Securityholder or any other person for any entitlement received or that is receivable in respect of Underlying Equities comprising the Asset Amount in respect of any Security if the date on which the Underlying Equities are first traded on the Relevant Exchange ex such entitlement is on or prior to the Maturity Date and (iii) any interest, dividend or other distribution in respect of any Asset Amount will be payable to the party that would receive such interest, dividend or other distribution according to market practice for a sale of the Underlying Equities executed on the Delivery Date and to be delivered in the same manner as the Asset Amount. Any such interest, dividend or other distribution to be paid to the Securityholder shall be paid to the account specified in the Asset Transfer Notice.

The following definitions shall apply:

"Asset Transfer Notice" means an asset transfer notice substantially in the form set out in the Agency Agreement.

"Delivery Expenses" means all costs, taxes, duties and/or expenses, including stamp duty, stamp duty reserve tax and/or other costs, duties or taxes arising from the delivery of the Asset Amount.

"Disruption Cash Settlement Price" means, in respect of a Security, an amount equal to the fair market value of such Security (but not taking into account any interest accrued on such Security) on such day as shall be selected by the Issuer [in its sole and absolute discretion] provided that such day is not more than fifteen days before the date that the Election Notice is given as provided above adjusted to take account fully for any losses, expenses and [costs to the Issuer and/or any Affiliate of unwinding or adjusting any underlying or related hedging arrangements (including but not limited to any options or selling or otherwise realising any Relevant Asset or other instruments of any type whatsoever which the Issuer and/or any of its Affiliates may hold as part of such hedging arrangements)], all as calculated by the Calculation Agent in a fair and commercially reasonable manner.

"Settlement Disruption Event" means an event beyond the control of the Issuer as a result of which, in the opinion of the Calculation Agent, delivery of the Asset Amount by or on behalf of the Issuer in accordance with these Terms and Conditions and/or the applicable Final Terms is not practicable.]

[in case of Index Linked Interest Securities: "Determination Time" means [●] [the Scheduled Closing Time on the relevant Exchange on the Underlying Determination Date in relation to [each Index to be valued] [the Index]. If the relevant Exchange closes prior to its Scheduled Closing Time and the specified Determination Time is after the actual closing time for its regular trading session, then the Determination Time shall be such actual closing time.]

"Disrupted Day" means (a) where an Index is not a Multi-Exchange Index, any Scheduled Trading Day on which [the] [a relevant] Exchange or any Related Exchange fails to open for trading during its regular trading session or on which a Market Disruption Event has occurred; or (b) where an Index is a Multi-Exchange Index, any Scheduled Trading Day on which: (i) the Index Sponsor fails to publish the level of the Index; (ii) any Related Exchange fails to open for trading during its regular trading session; or (iii) a Market Disruption Event has occurred.

"Early Closure" means:

- (a) in relation to an Index which is not a Multi-Exchange Index, the closure on any Exchange Business Day of any relevant Exchange relating to securities that comprise 20 per cent. or more of the level of the relevant Index or any Related Exchange(s) prior to its Scheduled Closing Time unless such earlier closing time is announced by such Exchange(s) or such Related Exchange(s), as the case may be, at least one hour prior to the earlier of (A) the actual closing time for the regular trading session on such Exchange(s) or such Related Exchange(s) on such Exchange Business Day or, if earlier, (B) the submission deadline for orders to be entered into the Exchange or Related Exchange system for execution at the [Valuation Time] [Determination Time] on such Exchange Business Day; or
- (b) in relation to an Index which is a Multi-Exchange Index, the closure on any Exchange Business Day of the Exchange in respect of any Component Security or the Related Exchange prior to its Scheduled Closing Time unless such earlier closing is announced by such Exchange or Related Exchange (as the case may be) at least one hour prior to the earlier of: (i) the actual closing time for the regular trading session on such Exchange or Related Exchange (as the case may be) on such Exchange Business Day; and (ii) the submission deadline for orders to be entered into the relevant Exchange or Related Exchange system for execution at the relevant [Valuation Time] [Determination Time] on such Exchange Business Day.

"Exchange Business Day" means: (a) where an Index is not a Multi-Exchange Index, any Scheduled Trading Day on which [the] [each] Exchange and each Related Exchange are open for trading during their respective regular trading sessions, notwithstanding any such Exchange or Related Exchange closing prior to its Scheduled Closing Time; or (b) where an Index is a Multi-Exchange Index, any Scheduled Trading Day on which: (i) the Index Sponsor publishes the level of the Index; and (ii) the Related

"Market Disruption Event" means:

- (a) in relation to an Index other than a Multi-Exchange Index, the occurrence or existence of (i) a Trading Disruption, (ii) an Exchange Disruption, which in either case the Calculation Agent determines is material, at any time during the one hour period that ends at the relevant [Valuation Time] [Determination Time] or (iii) an Early Closure; or

Valuation Time in respect of the Related Exchange; or (C) an Early Closure, in each case in respect of such futures or options contracts.

For the purposes of determining whether a Market Disruption Event in respect of an Index exists at any time, if a Market Disruption Event occurs in respect of a security included in the Index or such Component Security at any time, then the relevant percentage contribution of that security or Component Security, as the case may be, to the level of the Index shall be based on a comparison of (i) the portion of the level of the Index attributable to that security or Component Security, as the case may be, and (ii) the overall level of the Index, in each case either (x) except where the Index is not a Multi-Exchange Index, immediately before the occurrence of such Market Disruption Event or (y) where that Index is a Multi-Exchange Index, using the official opening weightings as published by the Index Sponsor as part of the market "opening data".

"Scheduled Closing Time" means, in respect of [the] [an] Exchange or Related Exchange and a Scheduled Trading Day, the scheduled weekday closing time of [the] [such] Exchange or Related Exchange on such Scheduled Trading Day, without regard to after hours or any other trading outside of the regular trading session hours.

[in case of Index Linked Redemption Securities the following applies:

- (b) the closure on any Exchange Business Day of the relevant Exchange or any Related Exchange(s) prior to its Scheduled Closing Time unless such earlier closing time is announced by such Exchange(s) or such Related Exchange(s), as the case may be, at least one hour prior to (A) the actual closing time for the regular trading session on such Exchange(s) or such Related Exchange(s) on such Exchange Business Day or if earlier (B) the submission deadline for orders to be entered into the Exchange or Related Exchange system for execution at the [Valuation Time] [Determination Time] on such Exchange Business Day.

[in case of Equity Linked Interest Securities the following applies: "Scheduled Underlying Determination Date" means any original date that, but for the occurrence of an event causing a Disrupted Day, would have been an Underlying Determination Date.]

- (g) any other event having, in the opinion of the Calculation Agent, a diluting, concentrative or other effect on the theoretical value of the relevant Underlying Equities.

["Tender Offer" means a takeover offer, tender offer, exchange offer, solicitation, proposal or other event by any entity or person that results in such entity or person purchasing, or otherwise obtaining or having the right to obtain, by conversion or other means, greater than 10 per cent. and less than 100 per cent. of the outstanding voting shares of the Equity Issuer, as determined by the Calculation Agent, based upon the making of filings with governmental or self-regulatory agencies or such other information as the Calculation Agent deems relevant.]

IF THE SECURITIES ARE LINKED TO AN INFLATION INDEX OR A BASKET OF INFLATION INDICES THE FOLLOWING APPLIES:

["Trade Date" means [●].]

(1) *Delay in Publication.* If the Calculation Agent determines that a Delayed Index Level Event in respect of an Index has occurred with respect to any Determination Date, then the Relevant Level for such Index the subject of such Delayed Index Event (the "**Substitute Index Level**") shall be determined by the Calculation Agent [the following applies if Related Bond is not applicable: by reference to the following formula:] [the following applies if Related Bond is applicable: as follows:

- (a) the Calculation Agent shall determine the Substitute Index Level by reference to the corresponding index level determined under the terms and conditions of the relevant Related Bond; or
- (b) if the Calculation Agent is not able to determine a Substitute Index Level under (a) above, the Calculation Agent shall determine the Substitute Index Level by reference to the following formula:]

$$\text{Substitute Index Level} = \text{Base Level} \times (\text{Latest Level}/\text{Reference Level})$$

where:

"**Base Level**" means, in respect of an Inflation Index, the level of such Inflation Index (excluding any "flash" estimates) published or announced by the relevant Inflation Index Sponsor in respect of the month which is 12 calendar months prior to the month for which the Substitute Index Level is being determined.

"**Latest Level**" means, in respect of an Inflation Index, the latest level of such Inflation Index (excluding any "flash" estimates) published or announced by the relevant Inflation Index Sponsor prior to the month in respect of which the Substitute Index Level is being determined.

"**Reference Level**" means, in respect of an Inflation Index, the level of such Inflation Index (excluding any "flash" estimates) published or announced by the relevant Inflation Index Sponsor in respect of the month that is 12 calendar months prior to the month in respect of the Latest Level.

The Issuer shall give notice to the Securityholders in accordance with § [15] of any Substitute Index Level calculated pursuant to this § [8](1).

(2) *Cessation of Publication.* If a level for the Inflation Index has not been published or announced for two consecutive months or the Inflation Index Sponsor announces that it will no longer continue to publish or announce the Inflation Index then the Calculation Agent shall determine a successor index (in lieu of any previously applicable Inflation Index) for the purposes of the Inflation Linked Securities by using the following methodology:

- (i) [the following applies if Related Bond is applicable: if at any time, a successor index has been designated by the Calculation Agent pursuant to the terms and conditions of the Related Bond, such successor index shall be designated a "Successor Index" notwithstanding that any other Successor Index may previously have been determined under sub-paragraphs (ii), (iii) or (iv) below; or]
- (ii) if [the following applies if Related Bond is applicable: a Successor

Index has not been determined pursuant to § [8](2)(i) and] a notice has been given or an announcement has been made by the Inflation Index Sponsor, specifying that the Inflation Index will be superseded by a replacement Inflation Index specified by the Inflation Index Sponsor, and the Calculation Agent determines that such replacement index is calculated using the same or substantially similar formula or method of calculation as used in the calculation of the previously applicable Inflation Index, such replacement index shall be the Inflation Index for purposes of the Inflation Linked Securities from the date that such replacement Inflation Index comes into effect; or

- (iii) if a Successor Index has not been determined pursuant to § [8](2)(i) **[the following applies if Related Bond is applicable: or § [8](2)(ii)],** the Calculation Agent shall, after consultation with the Issuer, ask five leading independent dealers to state what the replacement index for the Inflation Index should be. If between four and five responses are received, and of those four or five responses, three or more leading independent dealers state the same index, this index will be deemed the "Successor Inflation Index". If three responses are received, and two or more leading independent dealers state the same index, this index will be deemed the "Successor Inflation Index". If fewer than three responses are received, the Calculation Agent will proceed to § [8](2)(iv); or
 - (iv) if no replacement index or Successor Inflation Index has been deemed under § [8](2)(i), § [8](2)(ii) **[the following applies if Related Bond is applicable: or § [8](2)(iii)],** by the next occurring Cut-Off Date the Calculation Agent will determine an appropriate alternative index from such Cut-Off Date, and such index will be deemed a "Successor Inflation Index"; or
 - (v) if the Calculation Agent determines that there is no appropriate alternative index, in relation to Securities, the Issuer shall give notice to the Securityholders in accordance with § [15] and redeem all but not some only of the Securities, each principal amount of Securities equal to **[in case of German law Securities the following applies: the Specified Denomination] [in case of English law Securities the following applies: the Calculation Amount]** being redeemed at the Early Redemption Amount.
- (3) *Rebasing of the Inflation Index.* If the Calculation Agent determines that the Inflation Index has been or will be rebased at any time, the Inflation Index as so rebased (the "**Rebased Index**") will be used for purposes of determining the level of the Inflation Index from the date of such rebasing; provided, however, that the Calculation Agent shall make adjustments **[the following applies if Related Bond is applicable: as are made by the calculation agent pursuant to the terms and conditions of the Related Bond]** to the levels of the Rebased Index so that the Rebased Index levels reflect the same rate of inflation as the Index before it was rebased.
- (4) *Material Modification Prior to Last Occurring Cut-Off.* If, on or prior to the last occurring Cut-Off Date, the Inflation Index Sponsor announces that it will make a material change to the Inflation Index then the Calculation Agent shall make **[the following applies if Related Bond is applicable: any such adjustments consistent with adjustments made to the Related Bond] [the following applies if Related Bond is not applicable: only those adjustments to the Inflation Index necessary for the modified Inflation Index to continue as the Inflation**

Index].

[the following applies if Related Bond is applicable: "End Date" means: [●].

"Fallback Bond" means, in respect of an Inflation Index, a bond selected by the Calculation Agent and issued by the government of the country to whose level of inflation the relevant Inflation Index relates and which pays a coupon or redemption amount which is calculated by reference to such Inflation Index, with a maturity date which falls on (a) the same day as the End Date, (b) the next longest maturity after the End Date if there is no such bond maturing on the End Date, or (c) the next shortest maturity before the End Date if no bond defined in (a) or (b) is selected by the Calculation Agent. **[If the relevant Inflation Index relates to the level of inflation across the European Monetary Union the following applies:** the Calculation Agent will select an inflation-linked bond that is a debt obligation of one of the governments (but not any government agency) of France, Italy, Germany or Spain and which pays a coupon or redemption amount which is calculated by reference to the level of inflation in the European Monetary Union.] In each case, the Calculation Agent will select the Fallback Bond from those inflation linked bonds issued on or before the Issue Date and, if there is more than one inflation-linked bond maturing on the same date, the Fallback Bond shall be selected by the Calculation Agent from those bonds. If the Fallback Bond redeems, the Calculation Agent will select a new Fallback Bond on the same basis, but selected from all eligible bonds in issue at the time the original Fallback Bond redeems (including any bond for which the redeemed bond is exchanged).]

"Reference Month" means the calendar month for which the level of the Inflation Index was reported, regardless of when this information is published or announced. If the period for which the Relevant Level was reported is a period other than a month, the Reference Month shall be the period for which the Relevant Level was reported.

Die Vorläufige Globalurkunde wird (kostenfrei) gegen einzelne Schuldverschreibungen in [der] [den] Festgelegten Stückelung[en] in effektiver Form (die "**Einzelurkunden**") [mit beigefügten Zinsscheinen (die "**Zinsscheine**") [und Rückzahlungsscheinen (die "**Rückzahlungsscheine**")]] ausgetauscht. Jedem Gläubiger der Schuldverschreibungen steht für Zwecke des Schweizer Rechts im Umfang seiner Forderung gegen die Emittentin ein Miteigentumsanteil an der Dauerglobalurkunde zu, wobei, solange die Schuldverschreibungen Bucheffekten darstellen, der Miteigentumsanteil außer Kraft gesetzt ist und die Schuldverschreibungen nur durch Gutschrift der zu übertragenden Schuldverschreibungen in einem Effektenkonto des Empfängers übertragen werden können.

- (1) Zweck der Schuldverschreibungen ist die Überlassung von Eigenmittelinstrumenten im Sinne von Artikel 4 Abs. 1 Nr. 119 der Verordnung (EU) Nr. 575/2013 in ihrer jeweils ergänzten oder geänderten Fassung (*Capital Requirements Regulation* – "**CRR**") und damit von Eigenmitteln im Sinne der CRR ("**Eigenmittel**") in Form von Ergänzungskapital im Sinne von Artikel 63 CRR oder einer Nachfolgebestimmung an die Emittentin.
- (2) Die Schuldverschreibungen begründen nicht besicherte, nachrangige Verbindlichkeiten der Emittentin, die untereinander und gemäß den jeweils geltenden gesetzlichen Vorschriften mit allen anderen ebenso nachrangigen Verbindlichkeiten der Emittentin aus Eigenmitteln in Form von Ergänzungskapital im gleichen Rang stehen.

Im Fall von Abwicklungsmaßnahmen in Bezug auf die Emittentin oder im Fall der Auflösung, der Liquidation oder der Insolvenz der Emittentin oder eines Vergleichs oder eines anderen der Abwendung einer Insolvenz dienenden Verfahrens gegen die Emittentin gehen die Verbindlichkeiten aus den Schuldverschreibungen allen Verbindlichkeiten der Emittentin, die nicht als Eigenmittel zu qualifizieren sind, im Rang nach; diese Ansprüche umfassen (i) nicht nachrangige Verbindlichkeiten (einschließlich Ansprüchen gegen die Emittentin aus deren nicht besicherten und nicht nachrangigen Verbindlichkeiten aus nicht bevorrechtigten Schuldtiteln im Sinne von § 46f Abs. 6 Satz 1 des Kreditwesengesetzes ("**KWG**") (auch in Verbindung mit § 46f Abs. 9 KWG) oder einer Nachfolgebestimmung), (ii) die in § 39 Abs. 1 Nr. 1 bis 5 der Insolvenzordnung ("**InsO**") oder einer Nachfolgebestimmung bezeichneten Forderungen sowie (iii) vertraglich nachrangige Verbindlichkeiten der Emittentin gemäß § 39 Abs. 2 InsO oder einer Nachfolgebestimmung, die zum Zeitpunkt von Abwicklungsmaßnahmen in Bezug auf die Emittentin oder im Fall der Auflösung, der Liquidation oder der Insolvenz der Emittentin oder eines Vergleichs oder eines anderen der Abwendung einer Insolvenz dienenden Verfahrens gegen die Emittentin, nicht als Eigenmittel zu qualifizieren sind. In einem solchen Fall erfolgen Zahlungen auf die Schuldverschreibungen so lange nicht, wie die Ansprüche dieser dritten Gläubiger der Emittentin nicht vollständig befriedigt sind.

Wenn die Schuldverschreibungen nicht mehr als Ergänzungskapital oder andere Eigenmittel qualifizieren, gehen gemäß § 46f Abs. 7a Satz 3 KWG die Verbindlichkeiten aus den Schuldverschreibungen sämtlichen Ansprüchen aus Eigenmitteln vor

- (3) In Einklang mit § 10 Abs. 5 KWG ist die Aufrechnung von Forderungen aus den

Schuldverschreibungen gegen Forderungen der Emittentin ausgeschlossen. Den Gläubigern wird für ihre Rechte aus den Schuldverschreibungen zu keinem Zeitpunkt eine Sicherheit oder Garantie gestellt; bereits gestellte oder zukünftig gestellte Sicherheiten oder Garantien im Zusammenhang mit anderen Verbindlichkeiten der Emittentin haften nicht für Forderungen aus den Schuldverschreibungen.

- (4) Nachträglich können der Nachrang gemäß § 2(2) nicht beschränkt sowie die Laufzeit der Schuldverschreibungen und jede anwendbare Kündigungsfrist nicht verkürzt werden. Werden die Schuldverschreibungen (i) unter anderen als den in § 2(2) beschriebenen Umständen oder (ii) anders als infolge einer Kündigung oder eines Rückkaufs nach Maßgabe dieser Bedingungen zurückgezahlt oder von der Emittentin zurückerworben, so ist der gezahlte Betrag der Emittentin ohne Rücksicht auf entgegenstehende Vereinbarungen zurückzugewähren.

§ 3 ZINSEN

[(11)] **[Falls SOFR anwendbar ist, gilt Folgendes: (A)] [Falls nicht lediglich €STR, SOFR oder SONIA anwendbar ist, gilt Folgendes: Zinssatz-Ersetzung.** Im Falle, dass die Emittentin feststellt, dass an oder vor einem Zinsfestlegungstag (der "**Maßgebliche Zinsfestlegungstag**") ein Zinssatz-Ersetzungsgrund in Bezug auf einen Variablen Zinssatz eingetreten ist, hat die Maßgebliche Festlegende Stelle, falls sie gegenüber der Emittentin den Eintritt dieses Zinssatz-Ersetzungsgrunds bestätigt (sofern es sich bei der Maßgeblichen

Festlegenden Stelle nicht um die Emittentin handelt), nach ihrem billigen Ermessen (i) einen Ersatzzinssatz für den maßgeblichen Variablen Zinssatz und (ii) Ersatzzinssatz-Anpassungen festzulegen und ihre Festlegungen der Emittentin und der Berechnungsstelle (sofern es sich bei diesen jeweils nicht um die Maßgebliche Festlegende Stelle handelt) unverzüglich mitzuteilen.

Der (etwaige) in dieser Weise festgelegte Ersatzzinssatz ersetzt, unter Anwendung der Anpassungsspanne gemäß den Bestimmungen dieser Bedingungen, den maßgeblichen Variablen Zinssatz, und die Bedingungen gelten des Weiteren für die Zwecke der Festlegung des Zinssatzes jeweils für die Zinsperiode in Bezug auf den Zinsfestlegungstag, der auf den Ersatzzinssatz-Festlegungstag fällt oder, falls auf diesen Tag kein Zinsfestlegungstag fällt, der unmittelbar auf den Tag des Ersatzzinssatz-Festlegungstags folgt, sowie jede nachfolgende Zinsperiode als durch die in dieser Weise festgelegten Ersatzzinssatz-Anpassungen abgeändert (vorbehaltlich des nachfolgenden Eintritts eines Zinssatz-Ersetzungsgrunds in Bezug auf den Ersatzzinssatz). [Falls €STR anwendbar ist, gilt Folgendes:

Festlegung des €STR-Ersatzzinssatzes. Falls in Bezug auf einen maßgeblichen TARGET2-Geschäftstag $\text{€STR}_{i-[5] \cdot [\bullet] \text{TBD}}$ nicht auf der €STR-Bildschirmseite bereitgestellt wird (und auch nicht auf andere Weise veröffentlicht worden ist), so wird $\text{€STR}_{i-[5] \cdot [\bullet] \text{TBD}}$ in Bezug auf den betreffenden TARGET2-Geschäftstag wie folgt bestimmt:

- (x) ist auch kein €STR-Index-Einstellungsereignis eingetreten, so ist $\text{€STR}_{i-[5] \cdot [\bullet] \text{TBD}}$ für den betreffenden TARGET2-Geschäftstag der am

letzten TARGET2-Geschäftstag vor dem betreffenden TARGET2-Geschäftstag auf der Bildschirmseite veröffentlichte €STR; oder

- (y) sind sowohl ein €STR-Index-Einstellungsereignis als auch ein €STR-Index-Einstellungstichtag eingetreten, so wird der (zur Berechnung des Zinssatzes verwendete) Referenzsatz für jeden Tag in einem Beobachtungszeitraum, der an oder nach dem €STR-Index-Einstellungstichtag liegt, so ermittelt, als wären Bezugnahmen auf €STR_{i-[5][•]TBD} Bezugnahmen auf den EZB-Empfehlungsreferenzsatz_{i-[5][•]TBD}.

Wenn:

- (x) vor Ablauf des ersten TARGET2-Geschäftstags nach dem Tag, an dem das €STR-Index-Einstellungsereignis eintritt, kein solcher (zur Berechnung des Zinssatzes verwendeter) Referenzsatz empfohlen wird, so wird der Referenzsatz für jeden Tag in einem Beobachtungszeitraum, der an oder nach dem €STR-Index-Einstellungstichtag liegt, so ermittelt, als wären Bezugnahmen auf €STR_{i-[5][•]TBD} Bezugnahmen auf den Modifizierten EDFR (€STR)_{i-[5][•]TBD}; oder

[Im Fall von englischrechtlichen Schuldverschreibungen gilt Folgendes:

IM FALL VON TARN-SCHULDVER-SCHREIBUNGEN GILT FOLGENDES:

[(4)] *Automatische Rückzahlung.* Sollte der gemäß § 3(3) für eine Schuldverschreibung und eine Zinsperiode ermittelte Zinsbetrag **[im Fall von TARN-Schuldverschreibungen, die eine Zinsobergrenze vorsehen, gilt Folgendes:** ohne Berücksichtigung von § 3(1)] dazu führen, dass der Gesamtzinsbetrag einen Betrag in Höhe von [●] % des Nennbetrags der betreffenden Schuldverschreibung (der "Zielzins") [erreicht oder] überschreitet (das "Zielzinsereignis"), so werden die Schuldverschreibungen zum Rückzahlungsbetrag an dem Zinszahltag, an dem das Zielzinsereignis eingetreten ist, insgesamt, jedoch nicht teilweise zurückgezahlt (der "Tag der Automatischen Rückzahlung").

Die Kündigung erfolgt durch Mitteilung gemäß § [12]. Sie ist unwiderruflich und muss den vorgesehenen Rückzahlungstag sowie in zusammenfassender Form die Tatsachen angeben, die das Kündigungsrecht begründen.

FALLS RÜCKZAHLUNG WEGEN RECHTSWIDRIGKEIT ANWENDBAR IST, GILT FOLGENDES:

[(6)] *Rückzahlung wegen Rechtswidrigkeit.* Stellt die Berechnungsstelle nach Treu und Glauben fest, dass die Erfüllung der Verpflichtungen der Emittentin aus den Schuldverschreibungen oder die zur Absicherung der Verpflichtungen der Emittentin aus den Schuldverschreibungen getroffenen Vereinbarungen aufgrund der Einhaltung von gegenwärtigen oder zukünftigen Gesetzen, Rechtsnormen, Vorschriften, Urteilen, Anordnungen oder Anweisungen einer Regierungs-, Verwaltungs-, Gesetzgebungs- oder Gerichtsbehörde oder -stelle oder deren Auslegung ganz oder teilweise rechtswidrig oder in sonstiger Weise verboten sind oder werden, kann die Emittentin die Schuldverschreibungen **[Im Fall von Nicht Nachrangigen Schuldverschreibungen, bei denen das Format für Berücksichtigungsfähige Verbindlichkeiten Anwendung findet, gilt Folgendes:** , vorbehaltlich der vorherigen Zustimmung der zuständigen

[Falls der Gläubiger der Schuldverschreibungen das Wahlrecht hat, die Schuldverschreibungen vorzeitig zu kündigen, gilt Folgendes: Der Emittentin steht dieses Wahlrecht nicht in Bezug auf eine Schuldverschreibung zu, deren Rückzahlung bereits der Gläubiger der Schuldverschreibungen in Ausübung seines Wahlrechts nach Absatz [(3)] dieses § 5 verlangt hat.]

In diesem Fall wird die Emittentin vorbehaltlich der nachstehenden Ausnahmen und Beschränkungen die zusätzlichen Beträge an Kapital und gegebenenfalls Zinsen zahlen, die erforderlich sind, damit die an die Gläubiger der Schuldverschreibungen gezahlten Nettobeträge nach einem solchen Abzug oder Einbehalt denjenigen Beträgen entsprechen, den die Gläubiger der Schuldverschreibungen ohne einen solchen Einbehalt oder Abzug in Bezug auf die Garantie erhalten hätten. Die Verpflichtung der Garantin zur Zahlung solcher garantiebezogenen zusätzlichen Beträge (die "**Garantiebezogenen Zusätzlichen Beträge**") besteht jedoch nicht in Bezug auf:

- (a) jedwede Nachlass-, Erbschaft-, Schenkung-, allgemeine Umsatz-, Verkehr-, Verbrauch-, Vermögensteuer (*wealth tax*) oder Steuer auf bewegliches Vermögen (*personal property tax*) oder vergleichbare Steuern, Veranlagungen oder andere staatliche Gebühren, oder

- (c) jedwede Steuern, Veranlagungen oder andere staatliche Gebühren, die auf andere Weise erhoben werden als im Wege des Abzugs von Zahlungen aus der Garantie oder des Einbehalts auf solche Zahlungen, oder
- (d) jedwede Steuern, Veranlagungen oder andere staatliche Gebühren, welche von einer Zahlstelle von Zahlungen aus der Garantie in Abzug zu bringen sind oder auf solche Zahlungen einzubehalten sind, wenn diese Zahlung bei Vorlage der betreffenden Schuldverschreibung bei einer anderen Zahlstelle ohne einen solchen Abzug oder Einbehalt vorgenommen werden kann, oder
- (e) Zahlungen aus der Garantie an einen Gläubiger der Schuldverschreibungen, bei dem es sich um einen Treuhänder oder eine Personengesellschaft handelt oder bei dem es sich nicht um den alleinigen wirtschaftlich Berechtigten dieser Zahlung handelt, soweit ein Berechtigter oder Treugeber in Bezug auf den Treuhänder oder ein Gesellschafter einer solchen Personengesellschaft oder ein

wirtschaftlich Berechtigter keinen Anspruch auf Erhalt der zusätzlichen Zinszahlungen gehabt hätte, wenn er der Gläubiger der betreffenden Schuldverschreibung gewesen wäre, oder

§ 2 STATUS

Die Pfandbriefe begründen nicht nachrangige Verbindlichkeiten der Emittentin, die untereinander gleichrangig sind. Die Pfandbriefe sind nach Maßgabe des Pfandbriefgesetzes gedeckt und stehen mindestens im gleichen Rang mit allen anderen Verpflichtungen der Emittentin aus Hypothekenpfandbriefen.

§ 3 ZINSEN

um die Maßgebliche Festlegende Stelle handelt) unverzüglich mitzuteilen.

Der (etwaige) in dieser Weise festgelegte Ersatzzinssatz ersetzt, unter Anwendung der Anpassungsspanne gemäß den Bestimmungen dieser Bedingungen, den maßgeblichen Variablen Zinssatz, und die Bedingungen gelten des Weiteren für die Zwecke der Festlegung des Zinssatzes jeweils für die Zinsperiode in Bezug auf den Zinsfestlegungstag, der auf den Ersatzzinssatz-Festlegungstag fällt oder, falls auf diesen Tag kein Zinsfestlegungstag fällt, der unmittelbar auf den Tag des Ersatzzinssatz-Festlegungstags folgt, sowie jede nachfolgende Zinsperiode als durch die in dieser Weise festgelegten Ersatzzinssatz-Anpassungen abgeändert (vorbehaltlich des nachfolgenden Eintritts eines Zinssatz-Ersetzungsgrunds in Bezug auf den Ersatzzinssatz). Die Emittentin wird den Pfandbriefgläubigern so bald wie möglich nach dem Ersatzzinssatz-Festlegungstag den Ersatzzinssatz sowie die Ersatzzinssatz-Anpassungen durch Mitteilung gemäß § 10 mitteilen und das Clearing System auffordern, der Globalurkunde die vorgelegten Dokumente in geeigneter Weise beizufügen, um die Änderung der Bedingungen zu berücksichtigen.

Im Falle, dass ein Ersatzzinssatz, eine etwaige erforderliche Anpassungsspanne und jedwede sonstigen maßgeblichen Ersatzzinssatz-Anpassungen nicht in Einklang mit den vorstehenden Bestimmungen festgelegt werden, kann die Emittentin durch Mitteilung an die Pfandbriefgläubiger mit einer Frist von nicht weniger als 15 Geschäftstagen gemäß § 10 bis zum Zinsfestlegungstag (ausschließlich), der unmittelbar auf den Maßgeblichen Zinsfestlegungstag folgt, die Schuldverschreibungen insgesamt, jedoch nicht teilweise, zum Vorzeitigen Rückzahlungsbetrag einschließlich etwaiger bis zum Rückzahlungstag (ausschließlich) aufgelaufener Zinsen zurückzahlen. Die Unterlagen der ICSDs (wobei dieser Ausdruck die Unterlagen bezeichnet, die jeder der ICSDs für seine Kunden führt und in welchen der Betrag des auf jeden Kunden entfallenden Anteils an den Schuldverschreibungen erfasst ist) gelten als schlüssiger Nachweis in Bezug auf den Nennbetrag der durch die Globalurkunde verbrieften Schuldverschreibungen; zu diesem Zweck gilt eine von einem ICSD erstellte Bescheinigung über den Nennbetrag der verbrieften Schuldverschreibungen (die dem Gläubiger auf Verlangen zur Verfügung zu stellen ist) als schlüssiger Nachweis in Bezug auf die Unterlagen des betreffenden ICSD zu dem jeweiligen Zeitpunkt.

Bei der Rückzahlung oder Zahlung von Raten oder Zinsen auf die Schuldverschreibungen beziehungsweise beim Rückkauf und bei der Entwertung von Schuldverschreibungen, die durch diese Globalurkunde verbrieft sind, hat die Emittentin sicherzustellen, dass nähere Angaben zu der Rückzahlung oder Zahlung bzw. dem Rückkauf und der Entwertung in Bezug auf die Globalurkunde unter Angabe des betroffenen Anteils in den Unterlagen der ICSDs vermerkt wird; mit der Vornahme jedes solchen Vermerks verringert sich der Nennbetrag der in den Unterlagen der ICSDs eingetragenen und durch die Globalurkunde verbrieften Schuldverschreibungen um den Gesamtnennbetrag der zurückgezahlten oder zurückgekauften und entwerteten Schuldverschreibungen oder um den Gesamtbetrag der gezahlten Raten.

[(9)] **[Falls SOFR anwendbar ist, gilt Folgendes: (A)] [Falls nicht lediglich €STR, SOFR oder SONIA anwendbar ist, gilt Folgendes: Zinssatz-Ersetzung.** Im Falle, dass die Emittentin feststellt, dass an oder vor einem Zinsfestlegungstag (der "**Maßgebliche Zinsfestlegungstag**") ein Zinssatz-Ersetzungsgrund in Bezug auf einen Variablen Zinssatz eingetreten ist, hat die Maßgebliche Festlegende Stelle, falls sie gegenüber der Emittentin den Eintritt dieses Zinssatz-Ersetzungsgrunds bestätigt (sofern es sich bei der Maßgeblichen Festlegenden Stelle nicht um die Emittentin handelt), nach ihrem billigen Ermessen (i) einen Ersatzzinssatz für den maßgeblichen Variablen Zinssatz und (ii) Ersatzzinssatz-Anpassungen festzulegen und ihre Festlegungen der Emittentin und der Berechnungsstelle (sofern es sich bei diesen jeweils nicht um die Maßgebliche Festlegende Stelle handelt) unverzüglich mitzuteilen.

Der (etwaige) in dieser Weise festgelegte Ersatzzinssatz ersetzt, unter Anwendung der Anpassungsspanne gemäß den Bestimmungen dieser Bedingungen, den maßgeblichen Variablen Zinssatz, und die Bedingungen gelten des Weiteren für die Zwecke der Festlegung des Zinssatzes jeweils für die Zinsperiode in Bezug auf den Zinsfestlegungstag, der auf den Ersatzzinssatz-Festlegungstag fällt oder, falls auf diesen Tag kein Zinsfestlegungstag fällt, der unmittelbar auf den Tag des Ersatzzinssatz-Festlegungstags folgt, sowie jede nachfolgende Zinsperiode als durch die in dieser Weise festgelegten Ersatzzinssatz-Anpassungen abgeändert (vorbehaltlich des nachfolgenden Eintritts eines Zinssatz-Ersetzungsgrunds in Bezug auf den Ersatzzinssatz). Die Emittentin wird den Gläubigern der Schuldverschreibungen so bald wie möglich nach dem Ersatzzinssatz-Festlegungstag den Ersatzzinssatz sowie die Ersatzzinssatz-Anpassungen durch Mitteilung gemäß § [15] mitteilen **[im Fall von deutschrechtlichen Schuldverschreibungen gilt Folgendes:** und das Clearing System auffordern, der Globalurkunde die vorgelegten Dokumente in geeigneter Weise beizufügen, um die Änderung der Bedingungen zu berücksichtigen.]

Im Falle, dass ein Ersatzzinssatz, eine etwaige erforderliche Anpassungsspanne und jedwede sonstigen maßgeblichen Ersatzzinssatz-Anpassungen nicht in Einklang mit den vorstehenden Bestimmungen festgelegt werden, kann die Emittentin durch Mitteilung an die Gläubiger der Schuldverschreibungen mit einer Frist von nicht weniger als 15 [Geschäftstagen] [Geschäftstagen I] [Geschäftstagen II] gemäß § [15] **[Im Fall von Nicht Nachrangigen Schuldverschreibungen, bei denen das Format für Berücksichtigungsfähige Verbindlichkeiten Anwendung findet, gilt Folgendes:** und vorbehaltlich der vorherigen Zustimmung der zuständigen Behörde] bis zum Zinsfestlegungstag (ausschließlich), der unmittelbar auf den Maßgeblichen Zinsfestlegungstag folgt, **[Im Fall von Nachrangigen Schuldverschreibungen gilt Folgendes:** oder, wenn dieser Tag vor dem fünften Jahrestag des Begebungstages liegen würde, am ersten Zinsfestlegungstag, der auf diesen fünften Jahrestag fällt oder nach diesem

Werden die Schuldverschreibungen nicht gemäß den vorstehenden Bestimmungen zurückgezahlt, so finden die Bestimmungen dieses § 3(10) in Bezug auf den unmittelbar folgenden Zinsfestlegungstag erneut Anwendung.

[Falls €STR anwendbar ist, gilt Folgendes:

Festlegung des €STR-Ersatzzinssatzes. Falls in Bezug auf einen maßgeblichen TARGET2-Geschäftstag $\text{€STR}_{i-[5][\bullet]\text{TBD}}$ nicht auf der €STR-Bildschirmseite bereitgestellt wird (und auch nicht auf andere Weise veröffentlicht worden ist), so wird $\text{€STR}_{i-[5][\bullet]\text{TBD}}$ in Bezug auf den betreffenden TARGET2-Geschäftstag wie folgt bestimmt:

- (x) ist auch kein €STR-Index-Einstellungsereignis eingetreten, so ist $\text{€STR}_{i-[5][\bullet]\text{TBD}}$ für den betreffenden TARGET2-Geschäftstag der am letzten TARGET2-Geschäftstag vor dem betreffenden TARGET2-Geschäftstag auf der Bildschirmseite veröffentlichte €STR; oder
- (y) sind sowohl ein €STR-Index-Einstellungsereignis als auch ein €STR-Index-Einstellungstichtag eingetreten, so wird der (zur Berechnung des Zinssatzes verwendete) Referenzsatz für jeden Tag in einem Beobachtungszeitraum, der an oder nach dem €STR-Index-Einstellungstichtag liegt, so ermittelt, als wären Bezugnahmen auf $\text{€STR}_{i-[5][\bullet]\text{TBD}}$ Bezugnahmen auf den EZB-Empfehlungsreferenzsatz- $_{[5][\bullet]\text{TBD}}$.

Wenn:

- (x) vor Ablauf des ersten TARGET2-Geschäftstags nach dem Tag, an dem das €STR-Index-Einstellungsereignis eintritt, kein solcher (zur Berechnung des Zinssatzes verwendeter) Referenzsatz empfohlen wird, so wird der Referenzsatz für jeden Tag in einem Beobachtungszeitraum, der an oder nach dem €STR-Index-Einstellungstichtag liegt, so ermittelt, als wären Bezugnahmen auf $\text{€STR}_{i-[5][\bullet]\text{TBD}}$ Bezugnahmen auf den Modifizierten EDFR ($\text{€STR}_{i-[5][\bullet]\text{TBD}}$); oder
- (y) anschließend ein Index-Einstellungsereignis betreffend den EZB-Empfehlungsreferenzsatz eintritt, so wird der (zur Berechnung des Zinssatzes verwendete) Referenzsatz für jeden Tag in einem Beobachtungszeitraum, der an oder nach dem Index-Einstellungstichtag betreffend den EZB-Empfehlungsreferenzsatz liegt, so ermittelt, als wären Bezugnahmen auf $\text{€STR}_{i-[5][\bullet]\text{TBD}}$ Bezugnahmen auf den Modifizierten EDFR ($\text{€STR}_{i-[5][\bullet]\text{TBD}}$).

Kann der Zinssatz nicht anderweitig gemäß den Bestimmungen dieser Bedingungen in Bezug auf eine Zinsberechnungsperiode ermittelt werden, entspricht der Zinssatz für die betreffende Zinsberechnungsperiode (i) demjenigen, der für die letzte vorangegangene Zinsberechnungsperiode ermittelt wurde [(wobei jedoch, soweit in Bezug auf die maßgebliche Zinsberechnungsperiode [eine andere] [Marge][,] [und/oder] [Gegenläufige Marge][,] [und/oder] [Partizipation][,] [und/oder] [ein anderer

Mindestzinssatz][,] [und/oder] [ein anderer Höchstzinssatz] anzuwenden ist als bei der letzten vorangegangenen Zinsberechnungsperiode, [die] [Marge][,] [bzw.] [Gegenläufige Marge][,] [bzw.] [Partizipation][,] [bzw.] [der Mindestzinssatz][,] [bzw.] [der Höchstzinssatz] für die maßgebliche Zinsberechnungsperiode anstelle [der] [Marge][,] [bzw.] [Gegenläufigen Marge][,] [bzw.] [Partizipation][,] [bzw.] [des Mindestzinssatzes][,] [bzw.] [des Höchstzinssatzes] für die betreffende letzte vorangegangene Zinsberechnungsperiode zu verwenden ist)] oder (ii) falls es keine solche vorangegangene Zinsberechnungsperiode gibt, dem Compounded Daily €STR, der für die erste vorgesehene Zinsperiode auf die Schuldverschreibungen anwendbar gewesen wäre, wenn die Schuldverschreibungen bereits zuvor für einen Zeitraum im Umlauf befindlich gewesen wären, dessen Dauer der ersten vorgesehenen Zinsperiode entsprochen hätte und der am Verzinsungsbeginn (ausschließlich) geendet hätte [(jedoch unter Anwendung [der] [Marge][,] [und] [der Gegenläufigen Marge][,] [und] [der Partizipation][,] [und] [des Mindestzinssatzes][,] [und] [des Höchstzinssatzes], [die] [bzw.] [der] auf die erste vorgesehene Zinsperiode anwendbar war)].]

(B) *Festlegung des SOFR ISDA-Ersatzzinssatzes*. Falls SOFR wie in diesem Unterabschnitt (B) dargelegt festgelegt wird, wird SOFR wie folgt bestimmt:

(x) falls kein SOFR-Index-Einstellungsereignis oder kein SOFR-Index-Einstellungstichtag eingetreten ist (wie der Berechnungsstelle von der Emittentin jeweils mitgeteilt), denjenigen Tageszinssatz für besicherte Über-Nacht-Finanzierungen (*Secured Overnight Financing Rate*) des letzten Geschäftstags für US-Staatsanleihen, an dem dieser Satz auf der Internetseite der Federal Reserve Bank of New York veröffentlicht wurde (wobei die Emittentin den Gläubigern die Anwendung dieses Satzes durch Veröffentlichung gemäß § [15] mitteilen wird); oder

(y) falls sowohl ein SOFR-Index-Einstellungsereignis als auch ein SOFR-Index-Einstellungstichtag eingetreten sind (wie der Berechnungsstelle und den Gläubigern (im Fall einer Mitteilung gegenüber den Gläubigern durch Veröffentlichung gemäß § [15]) von der Emittentin jeweils mitgeteilt), so berechnet die Berechnungsstelle den SOFR ab dem ersten Geschäftstag für US-Staatsanleihen (einschließlich) innerhalb des maßgeblichen Beobachtungszeitraums, an dem der SOFR nicht mehr verfügbar ist, als wären Bezugnahmen auf den SOFR Bezugnahmen auf den Satz (der "**SOFR-Nachfolgesatz**"), der der Berechnungsstelle und den Gläubigern (im Fall einer Mitteilung gegenüber den Gläubigern durch Veröffentlichung gemäß § [15]) von der Emittentin als derjenige Satz mitgeteilt wurde, der vom Federal Reserve Board oder anderenfalls von der Federal Reserve Bank of New York oder anderenfalls von einem vom Federal Reserve Board oder anderenfalls von der Federal Reserve Bank of New York für den Zweck der Empfehlung eines Ersatzes für den Tageszinssatz für besicherte Über-Nacht-Finanzierungen (*Secured Overnight Financing Rate*) offiziell bestätigten oder einberufenen Ausschuss als Ersatz für den Tageszinssatz für besicherte Über-Nacht-Finanzierungen (*Secured Overnight Financing Rate*) empfohlen wurde (wobei dieser Satz von der Federal Reserve Bank of New York oder anderenfalls von einem anderen ernannten Administrator (zusammen der "**SOFR-Nachfolgesatz-Administrator**") erstellt werden kann und ferner Anpassungen oder Auf- bzw. Abschläge enthalten kann, die gemäß der Feststellung des SOFR-Nachfolgesatz-Administrators auf den SOFR-Nachfolgesatz angewendet werden müssen, um einen etwaigen

wirtschaftlichen Nachteil bzw. Vorteil für Gläubiger infolge der Ersetzung des Tageszinssatzes für besicherte Über-Nacht-Finanzierungen (*Secured Overnight Financing Rate*) durch den SOFR-Nachfolgesatz zu verringern oder zu beseitigen (wie der Berechnungsstelle und den Gläubigern (im Fall einer Mitteilung gegenüber den Gläubigern durch Veröffentlichung gemäß § [15]) jeweils von der Emittentin mitgeteilt)).

Wenn:

- (x) bis zum SOFR-Index-Einstellungstichtag (einschließlich) kein solcher SOFR-Nachfolgesatz empfohlen wurde (wie der Berechnungsstelle von der Emittentin mitgeteilt), so berechnet die Berechnungsstelle die Secured Overnight Financing Rate ab dem ersten Geschäftstag für US-Staatsanleihen (einschließlich) innerhalb des maßgeblichen Beobachtungszeitraums, an dem der SOFR nicht mehr verfügbar ist, als wären (i) Bezugnahmen auf die Secured Overnight Financing Rate oder SOFR Bezugnahmen auf den OBFR, (ii) Bezugnahmen auf Geschäftstage für US-Staatsanleihen Bezugnahmen auf New Yorker Bankarbeitstage, (iii) Bezugnahmen auf ein SOFR-Index-Einstellungsereignis Bezugnahmen auf ein OBFR-Index-Einstellungsereignis, (iv) Bezugnahmen auf den SOFR-Nachfolgesatz-Administrator Bezugnahmen auf den OBFR-Nachfolge-Administrator, (v) Bezugnahmen auf den SOFR-Nachfolgesatz Bezugnahmen auf einen OBFR-Nachfolgesatz und (vi) Bezugnahmen auf den SOFR-Index-Einstellungstichtag Bezugnahmen auf den OBFR-Index-Einstellungstichtag (wobei die Emittentin den Gläubigern die Anwendung des OBFR durch Veröffentlichung gemäß § [15] mitteilt); oder

Kann der Zinssatz nicht anderweitig gemäß den Bestimmungen dieser Bedingungen in Bezug auf eine Zinsberechnungsperiode ermittelt werden, entspricht der Zinssatz für die betreffende Zinsberechnungsperiode (i) dem von der Berechnungsstelle berechneten Zinssatz für die Zinsberechnungsperiode, in der der SOFR-Index-Einstellungstichtag sowie das OBFR-Index-Einstellungsereignis eingetreten sind und kein FOMC-Zielsatz verfügbar ist, (die "**Einstellungs-Zinsberechnungsperiode**") durch Anwendung des Tageszinssatzes für besicherte Über-Nacht-Finanzierungen (*Secured Overnight Financing Rate*) des letzten Geschäftstags für US-Staatsanleihen in der betreffenden Einstellungs-Zinsperiode, an dem dieser Satz auf der Internetseite

[(2)] *Abwicklung.*

- (a) Um die Lieferung des Vermögenswertbetrags (bzw. der Vermögenswertbeträge) in Bezug auf eine Schuldverschreibung zu erhalten, hat der Gläubiger der Schuldverschreibungen (i) falls die betreffende Schuldverschreibung durch eine Globalurkunde verbrieft ist, dem betreffenden Clearing System spätestens bis Geschäftsschluss an jedem Empfangsort am Stichtag (wie nachstehend definiert) eine ordnungsgemäß ausgefüllte Vermögenswertübertragungs-Mitteilung (mit Kopie an die Emittentin) zu übergeben oder (ii) falls die betreffende Schuldverschreibung durch eine Einzelurkunde verbrieft ist, einer beliebigen Zahlstelle spätestens bis Geschäftsschluss an jedem Empfangsort am Stichtag eine ordnungsgemäß ausgefüllte Vermögenswertübertragungs-Mitteilung (mit Kopie an die Emittentin) zu übergeben.

Muster der Vermögenswertübertragungs-Mitteilung sind während der üblichen Geschäftszeiten bei einer jeden Zahlstelle erhältlich.

Eine Vermögenswertübertragungs-Mitteilung darf nur in einer für das betreffende Clearing System annehmbaren Art und Weise übergeben werden (wenn die betreffende Schuldverschreibung durch eine Globalurkunde verbrieft ist) bzw. muss schriftlich oder durch Telefax zusammen mit den Schuldverschreibungen, auf die sich die jeweilige Vermögenswertübertragungs-Mitteilung bezieht, erfolgen (falls die betreffende Schuldverschreibung durch eine Einzelurkunde verbrieft ist).

³⁶ Nur anwendbar im Fall von Befreiten Schuldverschreibungen.

³⁷ Nur anwendbar im Fall von Befreiten Schuldverschreibungen.

Eine Vermögenswertübertragungs-Mitteilung hat Folgendes zu enthalten:

- (i) die Angabe des Namens und der Anschrift des Gläubigers der Schuldverschreibungen, der Person, von der die Emittentin Einzelheiten bezüglich der Lieferung des Vermögenswertbetrags erhalten kann, sowie die zur Lieferung des Vermögenswertbetrags erforderlichen Einzelheiten,
- (ii) falls die Schuldverschreibung durch eine Globalurkunde verbrieft ist, Angabe des Nennbetrags der Schuldverschreibungen, auf welche sich die Mitteilung bezieht, sowie der Nummer des Kontos des Gläubigers der Schuldverschreibungen bei dem betreffenden Clearing System, aus dem die Schuldverschreibungen auszubuchen sind, sowie eine unwiderrufliche Anweisung und Ermächtigung des betreffenden Clearing Systems, die Schuldverschreibungen am oder vor dem Tag der Lieferung aus dem Konto des Gläubigers der Schuldverschreibungen auszubuchen,
- (iii) ein Zahlungsverprechen in Bezug auf sämtliche Lieferauslagen und, falls die Schuldverschreibung durch eine Globalurkunde verbrieft ist, eine Ermächtigung zur diesbezüglichen Belastung eines benannten Kontos des Gläubigers der Schuldverschreibungen bei dem betreffenden Clearing System und zur Zahlung dieser Lieferauslagen,
- (iv) Angabe eines Kontos, auf das gemäß diesem Unterabsatz zahlbare Dividenden (falls anwendbar) oder sonstige Barbeträge zu zahlen sind, und
 - (v) eine Ermächtigung zur Verwendung der betreffenden Mitteilung in etwaigen Verwaltungs- oder Gerichtsverfahren.

[(vi)] [zusätzliche Bestimmungen]

Eine Vermögenswertübertragungs-Mitteilung kann nach Eingang bei dem betreffenden Clearing System bzw. einer Zahlstelle, wie vorstehend angegeben, nicht mehr widerrufen werden. Nach Übermittlung einer Vermögenswertübertragungs-Mitteilung kann der Gläubiger der Schuldverschreibungen die Schuldverschreibungen, auf die sich die Mitteilung bezieht, nicht mehr übertragen.

Falls die Schuldverschreibungen durch eine Globalurkunde verbrieft sind, wird sich das betreffende Clearing System nach Erhalt einer solchen Mitteilung vergewissern, dass es sich bei der darin als Gläubiger der Schuldverschreibungen bezeichneten Person um den Gläubiger [des] [der] darin genannten Nennbetrags der Schuldverschreibungen gemäß den Aufzeichnungen des Clearing Systems handelt.

Wird eine Vermögenswertübertragungs-Mitteilung nicht ordnungsgemäß ausgefüllt und eingereicht, so kann dies zur Ungültigkeit dieser Vermögenswertübertragungs-Mitteilung führen.

Jegliche Feststellung dahingehend, ob eine solche Mitteilung nach Maßgabe dieser Bedingungen ordnungsgemäß ausgefüllt und eingereicht wurde, erfolgt bei Schuldverschreibungen, die durch eine Globalurkunde verbrieft sind, durch das jeweilige Clearing System nach Rücksprache mit der Emittentin und ist für die Emittentin und den Gläubiger der Schuldverschreibungen endgültig und bindend; im Fall einer durch eine Einzelurkunde verbrieften Schuldverschreibung erfolgt die Feststellung durch die jeweilige Zahlstelle nach Rücksprache mit der Emittentin und ist für die Emittentin und den Gläubiger der Schuldverschreibungen endgültig und bindend.

- (b) Die Lieferung des Vermögenswertbetrags in Bezug auf jede Schuldverschreibung erfolgt [auf Gefahr des Gläubigers der Schuldverschreibungen auf solche wirtschaftlich vernünftige Weise, die die Berechnungsstelle nach [ihrem alleinigen Ermessen] festlegt und der in der entsprechenden Vermögenswertübertragungs-Mitteilung von dem Gläubiger der Schuldverschreibungen benannten Person mitteilt] **[alternative Lieferart]**.

Der Vermögenswertbetrag in Bezug auf jede durch Lieferung des Vermögenswertbetrags zurückzuzahlende Schuldverschreibung wird auf Gefahr des Gläubigers der Schuldverschreibungen in der vorstehend angegebenen Weise am Fälligkeitstag geliefert (vorbehaltlich einer Anpassung gemäß diesem § 6 als "**Tag der Lieferung**" bezeichnet), sofern die Vermögenswertübertragungs-Mitteilung, wie vorstehend angegeben, spätestens bis Geschäftsschluss an jedem Empfangsort am **[Stichtag]** (der "**Stichtag**") (mit Kopie an die Emittentin) ordnungsgemäß bei dem Clearing System bzw. einer Zahlstelle eingereicht wurde.

Erfolgt keine Vermögenswertübertragungs-Mitteilung durch den Gläubiger der Schuldverschreibungen wie vorstehend angegeben (mit Kopie an die Emittentin) spätestens bis Geschäftsschluss an jedem Empfangsort am Stichtag, wird der Vermögenswertbetrag so bald wie möglich nach dem Fälligkeitstag auf Gefahr des jeweiligen Gläubigers der Schuldverschreibungen in der vorstehend angegebenen Art und Weise geliefert (wobei es sich in diesem Fall bei diesem Liefertag um den Tag der Lieferung handelt). Zur Klarstellung wird festgestellt, dass der betreffende Gläubiger der Schuldverschreibungen im Fall, dass der Tag der Lieferung nach dem ursprünglich bestimmten Tag der Lieferung liegt, keinen Anspruch auf jegliche Zahlungen von Zinsen oder sonstigen Beträgen in Bezug auf den betreffenden Zeitraum hat, und es wird keinerlei diesbezügliche Haftung seitens der Emittentin begründet.

- (c) Sämtliche aufgrund der Lieferung des Vermögenswertbetrags in Bezug auf die Schuldverschreibungen entstehenden Lieferauslagen erfolgen für Rechnung des Gläubigers der Schuldverschreibungen und es erfolgt keine Lieferung des Vermögenswertbetrags, bevor nicht sämtliche Lieferauslagen zur Zufriedenheit der Emittentin durch den Gläubiger der Schuldverschreibungen gezahlt wurden.

Nach Lieferung des Vermögenswertbetrags und solange eine andere Person als der betreffende Gläubiger der Schuldverschreibungen als rechtmäßiger Eigentümer jedweder den Vermögenswertbetrag bildender Wertpapiere oder sonstiger Verbindlichkeiten eingetragen ist (die "**Zwischenzeit**"), (i) ist weder die Emittentin noch die

Berechnungsstelle noch eine andere Person zu irgendeinem Zeitpunkt verpflichtet, dem Gläubiger der Schuldverschreibungen etwaige Anschreiben, Bestätigungen, Mitteilungen, Rundschreiben oder sonstige Dokumente bzw. (außer soweit in diesen Bedingungen vorgesehen) Zahlungen jeglicher Art weiterzuleiten bzw. deren Weiterleitung zu veranlassen, die von dieser Person in Bezug auf diese Wertpapiere oder Verbindlichkeiten entgegengenommen bzw. vereinnahmt wurden, (ii) ist weder die Emittentin noch die Berechnungsstelle noch eine andere Person zu irgendeinem Zeitpunkt verpflichtet, bestimmte oder alle Rechte hinsichtlich dieser Wertpapiere oder Verbindlichkeiten auszuüben bzw. ausüben zu lassen und (iii) unterliegt weder die Emittentin noch die Berechnungsstelle noch eine andere Person zu irgendeinem Zeitpunkt irgendeiner Haftung gegenüber dem betreffenden Gläubiger der Schuldverschreibungen im Zusammenhang mit jeglichen unmittelbaren oder mittelbaren Verlusten oder Schäden, welche dem betreffenden Gläubiger der Schuldverschreibungen möglicherweise aufgrund des Umstands entstehen, dass die betreffende Person während der Zwischenzeit als rechtlicher Eigentümer der betreffenden Wertpapiere oder Verbindlichkeiten eingetragen ist.

Liegt vor Lieferung des Vermögenswertbetrags gemäß diesem § [6] ein Abwicklungsunterbrechungsereignis vor, so wird der Tag der Lieferung hinsichtlich dieser Schuldverschreibung auf den Tag verlegt, an dem kein solches Abwicklungsunterbrechungsereignis vorliegt, wobei dies dem Gläubiger der Schuldverschreibungen gemäß § [15] mitzuteilen ist. Dem Gläubiger der Schuldverschreibungen steht im Fall einer Verzögerung bei der Lieferung des Vermögenswertbetrags gemäß diesem Absatz kein Anspruch auf Zahlungen von Zinsen oder sonstigen Beträgen auf die jeweilige Schuldverschreibung zu. Wurde die Lieferung des Vermögenswertbetrags gemäß diesem Absatz verschoben, begründet dies keine Verletzung dieser Bedingungen durch die Emittentin und keine Haftung seitens der Emittentin.

Solange die Lieferung des Vermögenswertbetrags hinsichtlich einer Schuldverschreibung aufgrund eines Abwicklungsunterbrechungsereignisses nicht möglich ist, kann die Emittentin unbeschadet der sonstigen in diesen Bedingungen enthaltenen Bestimmungen nach ihrem alleinigen Ermessen entscheiden, anstelle einer physischen Lieferung ihre Verpflichtungen hinsichtlich der betreffenden Schuldverschreibung durch Zahlung des Unterbrechungs-Barabwicklungsbetrags (wie nachfolgend definiert) an den Gläubiger der Schuldverschreibungen spätestens am dritten Geschäftstag nach dem Tag der Mitteilung dieser Entscheidung (die "**Entscheidungsmitteilung**") an die Gläubiger der Schuldverschreibungen gemäß § [15] erfüllen. Die Zahlung des Unterbrechungs-Barabwicklungsbetrags erfolgt in der dem Gläubiger der Schuldverschreibungen gemäß § [15] mitgeteilten Art und Weise.

Soweit es sich bei dem Vermögenswertbetrag nach Feststellung der Emittentin um einen anderen als den lieferbaren Betrag der Maßgeblichen Vermögenswerte handelt, erhalten die Gläubiger der Schuldverschreibungen einen Vermögenswertbetrag in Höhe der nächsten Zahl (abgerundet) der von der Emittentin lieferbaren Maßgeblichen Vermögenswerte (wobei der gesamte Bestand eines Gläubigers der Schuldverschreibungen nach dem Ermessen der Emittentin für die Zwecke der Lieferung des Vermögenswertbetrags

zusammengefasst werden kann) sowie einen Betrag in der Festgelegten Währung im Wert der abgerundeten Maßgeblichen Vermögenswerte, den die Berechnungsstelle auf angemessene und wirtschaftlich vernünftige Weise auf Grundlage der (bzw. den) von ihr nach Rücksprache mit der Emittentin ausgewählten Quelle (bzw. Quellen) ermittelt (und erforderlichenfalls unter Zugrundelegung des von ihr als angemessen erachteten Wechselkurses in die Festgelegte Währung umrechnet). Die Zahlung erfolgt auf die den Gläubigern der Schuldverschreibungen gemäß § [15] mitgeteilten Art und Weise.

Für die Zwecke der Schuldverschreibungen (i) ist die Emittentin nicht verpflichtet, eine Eintragung des Gläubigers der Schuldverschreibungen oder einer sonstigen Person als eingetragener Aktionär im Aktionärsverzeichnis des Aktienemittenten vorzunehmen bzw. zu veranlassen, (ii) ist die Emittentin nicht verpflichtet, gegenüber jeglichen Gläubigern der Schuldverschreibungen oder sonstigen Personen hinsichtlich jeglicher befriedigter oder ausstehender Ansprüche im Zusammenhang mit jeglichen zugrundeliegenden Aktien, die den Vermögenswertbetrag hinsichtlich einer Schuldverschreibung bilden, Rechenschaft abzulegen, soweit der Termin, an dem die zugrundeliegenden Aktien erstmals ohne diesen Anspruch an der Maßgeblichen Börse gehandelt werden, auf den Fälligkeitstag fällt oder vor diesem liegt, und (iii) sind jedwede Zinsen, Dividenden oder sonstigen Auskehrungen hinsichtlich des Vermögenswertbetrags an die Person zahlbar, die diese Zinsen, Dividenden oder sonstigen Auskehrungen nach marktüblicher Praxis im Fall eines am Tag der Lieferung abgeschlossenen Verkaufs der zugrundeliegenden Aktien erhalten würde, und sind auf die gleiche Art und Weise wie der Vermögenswertbetrag zu liefern. Die Zahlung solcher an den Gläubiger der Schuldverschreibungen zu zahlenden Zinsen, Dividenden oder sonstigen Auskehrungen erfolgt auf das in der Vermögenswertübertragungs-Mitteilung angegebene Konto.]

Es gelten die nachstehenden Begriffsbestimmungen:

"Vermögenswertübertragungs-Mitteilung" bezeichnet eine Vermögenswertübertragungs-Mitteilung, die im Wesentlichen dem im Agency Agreement enthaltenen Muster entspricht.

"Lieferauslagen" sind sämtliche Kosten, Steuern, Abgaben und/oder Auslagen, einschließlich Stempelsteuern für Urkunden (*stamp duty*), Stempelsteuern für den Erwerb von Wertpapieren und Grundstücken (*stamp duty reserve tax*) und/oder sonstiger Kosten, Abgaben oder Steuern, die aufgrund der Lieferung des Vermögenswertbetrags entstehen.

"Unterbrechungs-Barabwicklungsbetrag" bezeichnet in Bezug auf eine Schuldverschreibung einen Betrag in Höhe des angemessenen Marktpreises dieser Schuldverschreibung (jedoch ohne Berücksichtigung von auf diese Schuldverschreibung aufgelaufenen Zinsen) zu einem von der Emittentin [nach ihrem alleinigen und freien Ermessen] ausgewählten Tag, der nicht mehr als fünfzehn Tage vor dem Tag liegen darf, an dem die Entscheidungsmitteilung wie vorstehend angegeben erfolgt, wobei dieser Betrag in voller Höhe um jedwede Verluste, Auslagen und Kosten der Emittentin und/oder eines Verbundenen Unternehmens angepasst wird, die im Zusammenhang mit der Rückabwicklung oder Anpassung zugrundeliegender oder damit verbundener Hedging-Vereinbarungen entstehen (einschließlich (ohne hierauf beschränkt zu sein) jedweder Optionen oder Verkäufe oder sonstigen Verwertung eines Relevanten Vermögenswerts oder sonstigen Instruments jedweder Art, den bzw. das die Emittentin

bzw. eines ihrer Verbundenen Unternehmen im Rahmen einer solchen Hedging-Vereinbarung unter Umständen hält), wie jeweils von der Berechnungsstelle auf angemessene und wirtschaftlich vernünftige Weise berechnet.]

"**Abwicklungsunterbrechungsereignis**" bezeichnet ein Ereignis außerhalb der Kontrolle der Emittentin, das dazu führt, dass nach Auffassung der Berechnungsstelle die Lieferung des Vermögenswertbetrags durch oder für die Emittentin gemäß diesen Emissionsbedingungen und/oder den jeweiligen Endgültigen Bedingungen nicht durchführbar ist.]

In diesem Fall (i) gilt der [achte] [●] Planmäßige Handelstag als der [Bewertungstag] [oder] [gegebenenfalls] [jeweilige] [BasiswertFestlegungstag] für den Betroffenen Index, ungeachtet dessen, dass dieser Tag ein Unterbrechungstag ist, und (ii) ermittelt die Berechnungsstelle den [Referenzkurs] [jeweiligen] [Feststellungskurs], indem sie (in Bezug auf den Betroffenen Index) den Stand des Betroffenen Index zum [Bewertungszeitpunkt] [Feststellungszeitpunkt] an diesem [achten] [●] Planmäßigen Handelstag gemäß der vor dem ersten Unterbrechungstag zur Berechnung des Index angewandten Formel und Methode feststellt, wobei sie für jedes in dem Index enthaltene Wertpapier den an der Börse gehandelten oder quotierten Kurs zum [Bewertungszeitpunkt] [Feststellungszeitpunkt] an diesem [achten] [●] Planmäßigen Handelstag (oder, falls ein Unterbrechungstag auslösendes Ereignis in Bezug auf das betreffende Wertpapier an diesem [achten] [●] Planmäßigen Handelstag eingetreten ist, den von ihr nach Treu und Glauben geschätzten Wert des betreffenden Wertpapiers zum [Bewertungszeitpunkt] [Feststellungszeitpunkt] an diesem [achten] [●] Planmäßigen Handelstag) zugrunde legt.)]

[Im Fall von indexbezogenen Schuldverschreibungen gilt Folgendes: "**Feststellungszeitpunkt**" bezeichnet [●] [den Planmäßigen Handelsschluss an der maßgeblichen Börse am BasiswertFestlegungstag in Bezug auf [jeden zu bewertenden Index] [den Index]. Falls die maßgebliche Börse vor ihrem Planmäßigen Handelsschluss schließt und der festgelegte Feststellungszeitpunkt nach dem tatsächlichen Ende des regulären Handels liegt, ist der tatsächliche Zeitpunkt des Handelsschlusses der Feststellungszeitpunkt.

Dies gilt nicht, wenn die betreffende(n) Börse(n) bzw. Verbundene(n) Börse(n) den vorzeitigen Handelsschluss mindestens eine Stunde vor dem jeweils früheren der beiden folgenden Termine ankündigt (bzw.

ankündigen): (A) dem tatsächlichen regulären Handelsschluss der betreffenden Börse(n) bzw. Verbundenen Börse(n) an dem jeweiligen Börsengeschäftstag oder (B) dem letztmöglichen Zeitpunkt für die Ordereingabe in das System der Börse bzw. der Verbundenen Börse zur Ausführung zum [Bewertungszeitpunkt] [Feststellungszeitpunkt] an dem betreffenden Börsengeschäftstag, oder

- (b) in Bezug auf einen Index, bei dem es sich um einen Börsenübergreifenden Index handelt, die an einem Börsengeschäftstag erfolgende Schließung der Börse in Bezug auf ein Bestandteilswertpapier oder der Verbundenen Börse vor ihrem Planmäßigen Handelsschluss. "Börsengeschäftstag" bezeichnet (a) wenn ein Index kein Börsenübergreifender Index ist, jeden Planmäßigen Handelstag, an dem [die] [jede] Börse und jede Verbundene Börse zum Handel zu ihren üblichen Handelszeiten geöffnet ist, ungeachtet dessen, dass eine solche Börse oder Verbundene Börse vor dem Planmäßigen Handelsschluss geschlossen wird, oder (b) jeden Planmäßigen Handelstag (sofern es sich bei einem Index um einen Börsenübergreifenden Index handelt), an dem (i) der Index-Sponsor den Stand des Index veröffentlicht und (ii) die Verbundene Börse während ihrer üblichen Handelszeiten für den Handel geöffnet ist, ungeachtet dessen, dass eine Börse oder die Verbundene Börse vor ihrem Planmäßigen Handelsschluss schließt.

"Börsenstörung" bezeichnet:

- (a) in Bezug auf einen Index, bei dem es sich nicht um einen Börsenübergreifenden Index handelt, ein Ereignis (mit Ausnahme eines Vorzeitigen Börsenschlusses), das es Marktteilnehmern (nach Feststellung der Berechnungsstelle) allgemein unmöglich macht oder erschwert, (i) an einer oder mehreren maßgeblichen Börsen Geschäfte in Wertpapieren zu tätigen, die mindestens 20 % des Stands des betreffenden Index ausmachen, oder Marktkurse für diese Wertpapiere zu erhalten, oder (ii) Geschäfte in auf den betreffenden Index bezogenen Termin- oder Optionskontrakten an der maßgeblichen Verbundenen Börse zu tätigen oder Marktkurse für diese Termin- oder Optionskontrakte zu erhalten, oder
- (b) in Bezug auf einen Index, bei dem es sich um einen Börsenübergreifenden Index handelt, ein Ereignis (mit Ausnahme eines Vorzeitigen Börsenschlusses), das es Marktteilnehmern (nach Feststellung der Berechnungsstelle) allgemein unmöglich macht oder erschwert, Geschäfte (i) in einem Bestandteilswertpapier an der Börse für das betreffende Bestandteilswertpapier oder (ii) in auf den Index bezogenen Termin- oder Optionskontrakten an der maßgeblichen Verbundenen Börse zu tätigen oder Marktkurse (i) für ein Bestandteilswertpapier an der Börse für das betreffende Bestandteilswertpapier oder (ii) für auf den Index bezogene Termin- oder Optionskontrakte an der maßgeblichen Verbundenen Börse zu erhalten.

Handelsstörung, (ii) einer Börsenstörung, die jeweils nach Auffassung der Berechnungsstelle wesentlich ist, zu einem Zeitpunkt innerhalb des einstündigen Zeitraums, der mit dem maßgeblichen [Bewertungszeitpunkt] [Feststellungszeitpunkt] endet, oder (iii) eines Vorzeitigen Börsenschlusses, oder

- (b) in Bezug auf einen Index, bei dem es sich um einen Börsenübergreifenden Index handelt, entweder:

 - (3) eines Vorzeitigen Börsenschlusses, und
 - (y) den Fall, dass sämtliche Bestandteilstwertpapiere, in Bezug auf die eine Handelsstörung, eine Börsenstörung oder ein Vorzeitiger Börsenschluss eingetreten ist oder besteht, insgesamt mindestens 20 % des Stands des Index ausmachen, oder

Für die Zwecke der Feststellung, ob zu irgendeinem Zeitpunkt ein Marktstörungsereignis in Bezug auf einen Index besteht, gilt Folgendes: Tritt zu irgendeinem Zeitpunkt in Bezug auf ein in dem Index enthaltenes Wertpapier oder das betreffende Bestandteilstwertpapier ein Marktstörungsereignis ein, so ergibt sich der jeweilige prozentuale Anteil des betreffenden Wertpapiers bzw. Bestandteilstwertpapiers am Stand des Index aus einem Vergleich zwischen (i) dem auf das betreffende Wertpapier bzw. Bestandteilstwertpapier entfallenden Anteil am Stand des Index und (ii) dem Gesamtstand des Index, und zwar jeweils entweder: (x) sofern es sich bei dem Index nicht um einen Börsenübergreifenden Index handelt, unmittelbar vor dem Eintritt des jeweiligen Marktstörungsereignisses oder (y) sofern es sich bei dem Index um einen Börsenübergreifenden Index handelt, unter Zugrundelegung der amtlichen Eröffnungsgewichtungen, die jeweils von dem Index-Sponsor als Teil der

[Im Fall eines Möglichen Anpassungsereignisses gilt Folgendes: *Mögliches Anpassungsereignis.* Die Berechnungsstelle wird nach Meldung der Umstände eines Möglichen Anpassungsereignisses durch [den] [einen] Aktienemittenten auf angemessene und wirtschaftlich vernünftige Weise feststellen, ob dieses Mögliche Anpassungsereignis eine verwässernde, werterhöhende oder sonstige Wirkung auf den theoretischen Wert der Zugrundeliegenden Aktie hat; stellt sie eine solche Wirkung fest, wird sie (a) gegebenenfalls eine entsprechende Anpassung [des Referenzkurses] [des] [jeweiligen] [Feststellungskurses] [und/oder des Anfangskurses] [und/oder] [des Zinssatzes] [und/oder] [des Rückzahlungsbetrags] [und/oder] [des Basiskurses] [und/oder des Multiplikators] (oder mehrerer dieser Faktoren) und/oder gegebenenfalls weiterer Bestimmungen dieser Bedingungen vornehmen, die nach Feststellung der Berechnungsstelle (die diese auf angemessene und wirtschaftlich vernünftige Weise getroffen hat) geeignet ist, dieser verwässernden oder werterhöhenden Wirkung Rechnung zu tragen (wobei keine Anpassungen vorgenommen werden, die lediglich Veränderungen der Volatilität, der erwarteten Dividenden, des Wertpapierleihsatzes oder der Liquidität hinsichtlich der jeweiligen Zugrundeliegenden Aktie Rechnung tragen sollen) und (b) den Tag des Wirksamwerdens dieser Anpassung festlegen. Die Berechnungsstelle kann (muss jedoch nicht) die entsprechende Anpassung unter Verweisung auf diejenige Anpassung bezüglich eines Möglichen Anpassungsereignisses festlegen, die durch eine Optionsbörse in Bezug auf an dieser Optionsbörse gehandelten Optionen auf die Zugrundeliegende Aktie vorgenommen wurde.

Nach Vornahme einer solchen Anpassung wird die Berechnungsstelle die Gläubiger der Schuldverschreibungen hiervon sobald wie möglich gemäß § [15] unter Angabe der vorgenommenen Anpassung [des Referenzkurses] [des] [jeweiligen] [Feststellungskurses] [und/oder des Anfangskurses] [und/oder] [des Zinssatzes] [und/oder] [des Rückzahlungsbetrags] [und/oder] [des Basiskurses] [und/oder des Multiplikators] und/oder gegebenenfalls weiterer Bestimmungen dieser Bedingungen sowie einer kurzen Beschreibung des Möglichen Anpassungsereignisses unterrichten.]

Die Berechnungsstelle wird jedwede für die Zwecke einer solchen Anpassung notwendige Umrechnung ab dem [Bewertungszeitpunkt] [Feststellungszeitpunkt] zu einem angemessenen von der Berechnungsstelle festgestellten und zum [Bewertungszeitpunkt] [Feststellungszeitpunkt] geltenden Devisenkassamittelkurs vornehmen. Die Berechnungsstelle kann (muss jedoch nicht) die entsprechende Anpassung unter Verweisung auf diejenige Anpassung bezüglich [des De-listing, des Fusionsereignisses, der Verstaatlichung[,], [oder] der Insolvenz] [oder] [des Übernahmeangebots] festlegen, die durch eine Optionsbörse in Bezug auf an dieser Optionsbörse gehandelten Optionen auf die Zugrundeliegende Aktie vorgenommen wurde, oder
- (b) die Schuldverschreibungen durch Mitteilung an die Gläubiger der Schuldverschreibungen gemäß § [15] insgesamt, jedoch nicht teilweise zurückzahlen, wobei jeder Nennbetrag von Schuldverschreibungen in Höhe [im Fall von deutschrechtlichen Schuldverschreibungen gilt Folgendes: der Festgelegten Stückelung] [im Fall von englischrechtlichen Schuldverschreibungen gilt Folgendes: des Berechnungsbetrags] zum Vorzeitigen Rückzahlungsbetrag zurückgezahlt wird.

[(4)] *Begriffsbestimmungen.* Für die Zwecke dieser Bedingungen gelten folgende Begriffsbestimmungen:

"De-listing" bezeichnet in Bezug auf eine betreffende Zugrundeliegende Aktie eine Bekanntmachung der Börse, dass gemäß den Regeln dieser Börse die (öffentliche) Notierung oder der Handel dieser Zugrundeliegenden Aktie gleich aus welchem Grund (mit Ausnahme eines Fusionsereignisses [oder eines Übernahmeangebots]) widerrufen bzw. eingestellt (werden) wird und die Notierung oder der Handel der Zugrundeliegenden Aktie an einer Börse oder einem Notierungssystem, die bzw. das sich in demselben Land wie die Börse (bzw. wenn sich die Börse in der Europäischen Union befindet, in einem ihrer Mitgliedstaaten) befindet, nicht unmittelbar wieder aufgenommen wird.

"Insolvenz" bezeichnet den Umstand, dass aufgrund eines freiwilligen oder unfreiwilligen Liquidations-, Konkurs-, Insolvenz-, Auflösungs- oder Abwicklungsverfahrens oder eines vergleichbaren Verfahrens, das den Aktienemittenten betrifft, (A) sämtliche Zugrundeliegenden Aktien dieses Aktienemittenten auf einen Insolvenzverwalter, Treuhänder, Liquidator oder einen vergleichbaren Amtsträger zu übertragen sind, oder (B) den Inhabern der Zugrundeliegenden Aktien des betreffenden Aktienemittenten eine Übertragung der Zugrundeliegenden Aktien von Gesetzes wegen verboten ist.

"Fusionstag" ist der Stichtag eines Fusionsereignisses oder, wenn nach den jeweiligen für ein solches Fusionsereignis geltenden Gesetzen kein Stichtag bestimmt werden kann, ein anderer von der Berechnungsstelle festgelegter Tag.

"Fusionsereignis" bezeichnet in Bezug auf eine betreffende Zugrundeliegende Aktie (a) eine Gattungsänderung oder sonstige Änderung dieser Zugrundeliegenden Aktie, die zu einer Übertragung oder einer unwiderruflichen Verpflichtung zur Übertragung aller betreffenden ausstehenden Zugrundeliegenden Aktien auf ein anderes Unternehmen oder eine andere Person führt, (b) die Konsolidierung, Verschmelzung, Fusion oder einen verbindlichen Aktientausch des Aktienemittenten mit einem anderen Unternehmen oder einer anderen Person oder auf ein anderes Unternehmen oder eine andere Person (mit Ausnahme einer Konsolidierung, Verschmelzung, Fusion oder eines verbindlichen Aktientauschs, bei der bzw. dem der Aktienemittent das fortbestehende Unternehmen ist und die bzw. der nicht zu einer Gattungsänderung oder sonstigen Änderung aller betreffenden ausstehenden Zugrundeliegenden Aktien führt), (c) ein Übernahmeangebot, Tauschangebot, eine Aufforderung, ein Angebot oder eine sonstige Maßnahme, das bzw. die zu einer Übertragung oder einer unwiderruflichen Verpflichtung zur Übertragung aller solcher Zugrundeliegender Aktien (außer Zugrundeliegenden Aktien im Eigentum oder unter der Kontrolle des betreffenden anderen Unternehmens oder der betreffenden anderen Person) führt und durch ein Unternehmen oder eine Person mit dem Ziel erfolgt, 100 % der ausstehenden Zugrundeliegenden Aktien des Aktienemittenten zu erwerben, oder (d) die Konsolidierung, Verschmelzung, Fusion oder einen verbindlichen Aktientausch des Aktienemittenten oder seiner Tochtergesellschaften mit einem anderen Unternehmen oder auf ein anderes Unternehmen, bei der bzw. dem der Aktienemittent das fortbestehende Unternehmen ist und die bzw. der nicht zu

einer Gattungsänderung oder sonstigen Änderung aller betreffenden ausstehenden Zugrundeliegenden Aktien, sondern dazu führt, dass die unmittelbar vor diesem Ereignis ausstehenden Zugrundeliegenden Aktien (außer Zugrundeliegenden Aktien im Eigentum oder unter der Kontrolle des betreffenden anderen Unternehmens) insgesamt weniger als 50 % der unmittelbar nach diesem Ereignis ausstehenden Zugrundeliegenden Aktien darstellen, sofern der Fusionstag jeweils an oder vor dem letzten [Bewertungstag] [betreffenden] Basiswertfestlegungstag] oder, falls die Schuldverschreibungen durch Lieferung der Zugrundeliegenden Aktien zurückzuzahlen sind, dem Fälligkeitstag liegt.

"Verstaatlichung" bezeichnet den Umstand, dass sämtliche Zugrundeliegenden Aktien oder sämtliche bzw. im Wesentlichen sämtliche Vermögensgegenstände des Aktienemittenten verstaatlicht oder enteignet werden oder auf sonstige Art und Weise an eine Regierungsstelle, Behörde oder sonstige staatliche Stelle oder ein Organ dieser Stellen zu übertragen sind.

"Mögliches Anpassungsereignis" bezeichnet eines der folgenden Ereignisse:

- (a) eine Unterteilung, Zusammenlegung oder Gattungsänderung von betreffenden Zugrundeliegenden Aktien (sofern dies nicht zu einem Fusionsereignis führt) sowie die unentgeltliche Ausschüttung oder Zuteilung von Zugrundeliegenden Aktien an bestehende Aktionäre in Form von Bonusaktien, Gratisaktien oder mittels ähnlicher Maßnahmen,
- (b) eine Ausschüttung, Ausgabe oder Dividende an bestehende Aktionäre der betreffenden Zugrundeliegenden Aktien in Form von (i) solchen Zugrundeliegenden Aktien oder (ii) sonstigen Beteiligungsrechten oder Wertpapieren, die zur Ausschüttung einer Dividende und/oder anteiligen Auskehrung des Liquidationserlöses im Hinblick auf den betreffenden Aktienemittenten entsprechend oder anteilmäßig zu den entsprechenden Zahlungen an Aktionäre dieser Zugrundeliegenden Aktien berechtigen, oder (iii) Beteiligungsrechten oder sonstigen Wertpapieren eines anderen Emittenten, den der Aktienemittent (direkt oder indirekt) infolge einer Spaltung oder einer ähnlichen Transaktion erworben hat oder die sich infolge dessen in seinem Besitz befinden, oder (iv) sonstigen Wertpapieren, Options- oder anderen Rechten oder Vermögenswerten, die jeweils für eine unter dem vorherrschenden von der Berechnungsstelle festgestellten Marktpreis liegende, in Barmitteln oder Sachwerten bestehende Gegenleistung gewährt oder geleistet werden,

- (d) eine Einzahlungsaufforderung seitens des Aktienemittenten in Bezug auf nicht voll eingezahlte Zugrundeliegende Aktien,
- (e) ein Rückkauf der jeweiligen Zugrundeliegenden Aktien durch den Aktienemittenten oder eine seiner Tochtergesellschaften, unabhängig davon, ob der Rückkauf aus Gewinn- oder Kapitalrücklagen erfolgt oder ob der Kaufpreis in Form von Barmitteln, Wertpapieren oder auf sonstige Weise entrichtet wird, oder
- (f) ein Ereignis in Bezug auf den Aktienemittenten, das dazu führt, dass

Aktionärsrechte begeben werden oder von Stammaktien oder anderen Aktien des Aktienemittenten abgetrennt werden und dies gemäß einem Aktionärsrechteplan oder einer ähnlichen Maßnahme zur Abwehr von feindlichen Übernahmen geschieht, der bzw. die beim Eintritt bestimmter Ereignisse die Ausgabe von Vorzugsaktien, Optionsrechten, Wertpapieren oder Bezugsrechten zu einem unter dem von der Berechnungsstelle festgestellten Marktpreis liegenden Preis vorsieht, wobei eine infolge eines solchen Ereignisses getroffene Anpassung bei einer Einlösung solcher Rechte erneut anzupassen ist, und

- (g) sonstige Umstände, die nach Auffassung der Berechnungsstelle eine verwässernde, werterhöhende oder sonstige Wirkung auf den theoretischen Wert der betreffenden Zugrundeliegenden Aktien haben.

["Übernahmeangebot" bezeichnet ein Übernahmeangebot, Tauschangebot, eine Aufforderung, ein Angebot oder eine sonstige Maßnahme seitens eines Unternehmens oder einer Person, das bzw. die dazu führt, dass dieses Unternehmen oder diese Person durch Umwandlung oder sonst in irgendeiner Weise mehr als 10 %, aber weniger als 100 % der ausstehenden stimmberechtigten Aktien des Aktienemittenten erwirbt oder anderweitig erhält oder zu deren Erhalt berechtigt ist, soweit dies von der Berechnungsstelle auf der Grundlage von Mitteilungen an staatliche Stellen oder Selbstregulierungsorgane oder anhand anderer nach Auffassung der Berechnungsstelle maßgeblicher Informationen festgestellt wird.]

- (a) die Berechnungsstelle stellt den Ersatzindexstand unter Zugrundelegung des entsprechenden Indexstands fest, der gemäß den Emissionsbedingungen der maßgeblichen Bezugsanleihe festgestellt wurde, oder
- (b) sollte die Berechnungsstelle nicht in der Lage sein, einen Ersatzindexstand gemäß vorstehendem Unterabsatz (a) zu ermitteln, so stellt die Berechnungsstelle den Ersatzindexstand unter Anwendung der folgenden Formel fest:]

$$\text{Ersatzindexstand} = \text{Basisstand} \times (\text{Letzter Stand} / \text{Referenzstand})$$

wobei:

"Basisstand" in Bezug auf einen Inflationsindex den Stand dieses Inflationsindex (unter Ausschluss etwaiger vorab veröffentlichter Schätzungen) bezeichnet, der von dem jeweiligen Inflationsindex-Sponsor in Bezug auf den Monat veröffentlicht bzw. bekannt gegeben wird, der dem Monat, für den der Ersatzindexstand festgestellt wird, 12 Kalendermonate vorausgeht.

"**Letzter Stand**" in Bezug auf einen Inflationsindex den letzten Stand dieses Inflationsindex (unter Ausschluss etwaiger vorab veröffentlichter Schätzungen) bezeichnet, der von dem jeweiligen Inflationsindex-Sponsor vor dem Monat veröffentlicht bzw. bekannt gegeben wird, in Bezug auf den der Ersatzindexstand festgestellt wird.

"**Referenzstand**" in Bezug auf einen Inflationsindex den Stand dieses Inflationsindex (unter Ausschluss etwaiger vorab veröffentlichter Schätzungen) bezeichnet, der von dem jeweiligen Inflationsindex-Sponsor in Bezug auf den Monat veröffentlicht bzw. bekannt gegeben wird, der dem Monat, auf den sich der Letzte Stand bezieht, 12 Kalendermonate vorausgeht.

Die Emittentin unterrichtet die Gläubiger der Schuldverschreibungen durch Mitteilung gemäß § [15] von jedem gemäß diesem § [8](1) festgestellten Ersatzindexstand

(2) *Einstellung der Veröffentlichung.* Wenn der Stand des Inflationsindex zwei aufeinander folgende Monate lang nicht veröffentlicht bzw. nicht bekannt gegeben wurde oder wenn der Inflationsindex-Sponsor bekannt gibt, dass er den Inflationsindex nicht länger veröffentlichen bzw. bekannt geben wird, hat die Berechnungsstelle für die Zwecke der inflationsgebundenen Schuldverschreibungen einen Nachfolgeindex (anstelle eines zuvor geltenden Inflationsindex) unter Anwendung der folgenden Methodik zu bestimmen:

(i) **[falls "Bezugsanleihe" anwendbar ist, gilt Folgendes:** wenn von der Berechnungsstelle zu irgendeinem Zeitpunkt gemäß den Emissionsbedingungen der Bezugsanleihe ein Nachfolgeindex bestimmt wurde, so wird dieser Nachfolgeindex als "Nachfolgeindex" bestimmt, ungeachtet dessen, dass zuvor möglicherweise bereits ein anderer Nachfolgeindex gemäß den nachstehenden Absätzen (ii), (iii) oder (iv) bestimmt worden ist, oder]

(ii) wenn **[falls "Bezugsanleihe" anwendbar ist, gilt Folgendes:** ein Nachfolgeindex nicht gemäß § [8](2)(i) bestimmt wurde und] durch den Inflationsindex-Sponsor eine Mitteilung bzw. eine Bekanntgabe dahingehend erfolgt ist, dass ein von dem Inflationsindex-Sponsor bestimmter als Ersatz dienender Inflationsindex an die Stelle des Inflationsindex treten wird, und wenn die Berechnungsstelle feststellt, dass der betreffende als Ersatz dienende Inflationsindex unter Anwendung derselben oder einer im Wesentlichen gleichen Berechnungsformel oder -methode berechnet wird, die auch bei der Berechnung des zuvor geltenden Inflationsindex angewandt wurde, gilt dieser als Ersatz dienende Index vom Tag des Inkrafttretens dieses als Ersatz dienenden Inflationsindex für die Zwecke der inflationsgebundenen Schuldverschreibungen als "Inflationsindex", oder

(iii) wurde ein Nachfolgeindex nicht gemäß § [8](2)(i) **[falls "Bezugsanleihe" anwendbar ist, gilt Folgendes:** oder § [8](2)(ii)] bestimmt, so bittet die Berechnungsstelle nach Rücksprache mit der Emittentin fünf führende unabhängige Händler um Angabe, welches der als Ersatz für den Inflationsindex dienende Index sein sollte. Wenn vier oder fünf dieser führenden unabhängigen Händler antworten und davon mindestens drei denselben Index angeben, gilt dieser Index als "Nachfolgeinflationsindex". Wenn drei dieser führenden unabhängigen Händler antworten und davon mindestens zwei denselben Index

angeben, gilt dieser Index als "Nachfolgeinflationsindex". Wenn weniger als drei dieser führenden unabhängigen Händler antworten, richtet sich das weitere Vorgehen der Berechnungsstelle nach § [8](2)[(iv)], oder

- (iv) wurde bis zum darauffolgenden Stichtag kein als Ersatz dienender Index bzw. Nachfolgeinflationsindex gemäß § [8](2)(i), § [8](2)(ii) **[falls "Bezugsanleihe" anwendbar ist, gilt Folgendes:** oder § [8](2)(iii)] bestimmt, so wird die Berechnungsstelle ab dem jeweiligen Stichtag einen geeigneten Alternativindex bestimmen, und dieser Index gilt als "Nachfolgeinflationsindex", oder
 - (v) wenn die Berechnungsstelle feststellt, dass es keinen geeigneten Alternativindex gibt, unterrichtet die Emittentin im Fall von Anleihen die Gläubiger der Schuldverschreibungen durch Mitteilung gemäß § [15] und zahlt die Schuldverschreibungen insgesamt, jedoch nicht teilweise, zurück, wobei jeder Nennbetrag von Schuldverschreibungen in Höhe **[im Fall von deutschrechtlichen Schuldverschreibungen gilt Folgendes:** der Festgelegten Stückelung] **[im Fall von englischrechtlichen Schuldverschreibungen gilt Folgendes:** des Berechnungsbetrags]] zum Vorzeitigen Rückzahlungsbetrag zurückgezahlt wird.
- (3) *Rücksetzung des Inflationsindex.* Wenn die Berechnungsstelle feststellt, dass eine Rücksetzung des Inflationsindex zu einem bestimmten Zeitpunkt erfolgt ist bzw. erfolgen wird, wird der zurückgesetzte Inflationsindex (der "**Zurückgesetzte Index**") ab dem Rücksetzungstag für die Zwecke der Feststellung des Stands des Inflationsindex herangezogen; dies gilt jedoch mit der Maßgabe, dass die Berechnungsstelle Anpassungen **[falls "Bezugsanleihe" anwendbar ist, gilt Folgendes:** , die jeweils von der für Berechnungen zuständigen Stelle gemäß den Emissionsbedingungen der Bezugsanleihe vorgenommen werden,] an den Ständen des Zurückgesetzten Index vornimmt, so dass diese Stände des Zurückgesetzten Index dieselbe Inflationsrate widerspiegeln wie der Index vor seiner Rücksetzung.
- (4) *Wesentliche Änderung vor dem letzten Stichtag.* Wenn der Inflationsindex-Sponsor an oder vor dem letzten Stichtag bekannt gibt, dass er eine wesentliche Änderung bei dem Inflationsindex vornehmen wird, wird die Berechnungsstelle daraufhin **[falls "Bezugsanleihe" anwendbar ist, gilt Folgendes:** sämtliche Anpassungen entsprechend den Anpassungen vornehmen, die bei der Bezugsanleihe vorgenommen wurden] **[falls "Bezugsanleihe" nicht anwendbar ist, gilt Folgendes:** nur diejenigen Anpassungen bei dem Inflationsindex vornehmen, die erforderlich sind, um den geänderten Inflationsindex als Inflationsindex beizubehalten].
- (5) *Begriffsbestimmungen:* Für die Zwecke dieses § [8] kommt den nachstehend aufgeführten Begriffen jeweils die folgende Bedeutung zu:

"**Stichtag**" bezeichnet in Bezug auf einen Festlegungstag den [●] [fünften Geschäftstag vor dem jeweiligen Festlegungstag].

"**Auslöser der Zeitverzögerten Indexstandfeststellung**" bezeichnet in Bezug auf einen Festlegungstag und einen Inflationsindex den Fall, dass der betreffende Index-Sponsor zu irgendeinem Zeitpunkt an oder vor dem Stichtag den Stand des betreffenden Index (der "**Maßgebliche Stand**") in Bezug auf einen Referenzmonat nicht veröffentlicht bzw. bekannt gibt, der bei einer von der Emittentin in Bezug auf den jeweiligen Festlegungstag vorzunehmenden

Berechnung oder Feststellung heranzuziehen ist.

"Festlegungstag" bezeichnet [●].

[Falls "Bezugsanleihe" anwendbar ist, gilt Folgendes: "Endtag" bezeichnet: [●].

"Ausweichenleihe" bezeichnet in Bezug auf einen Inflationsindex eine von der Berechnungsstelle ausgewählte und von der Regierung des Landes, auf dessen Inflationsrate sich der betreffende Inflationsindex bezieht, begebene Anleihe, auf die ein Kupon bzw. ein Rückzahlungsbetrag gezahlt wird, dessen Berechnung unter Zugrundelegung des betreffenden Inflationsindex erfolgt, und deren Fälligkeitstag entweder (a) mit dem Endtag zusammenfällt, (b) auf den unmittelbar auf den Endtag folgenden Fälligkeitstermin fällt, sofern am Endtag keine solche Anleihe fällig wird, oder (c) auf den letztmöglichen Fälligkeitstermin vor dem Endtag fällt, sofern von der Berechnungsstelle keine Anleihe im Sinne von Unterabsatz (a) bzw. (b) ausgewählt wurde. **[falls sich der maßgebliche Inflationsindex auf die Inflationsrate in der Europäischen Währungsunion bezieht, gilt Folgendes:** Die Berechnungsstelle wird eine inflationsgebundene Anleihe auswählen, bei der es sich um einen Schuldtitel der Regierung (nicht jedoch einer Regierungsstelle) von Frankreich, Italien, Deutschland oder Spanien handelt und auf die ein Kupon bzw. ein Rückzahlungsbetrag gezahlt wird, dessen Berechnung unter Zugrundelegung der Inflationsrate in der Europäischen Währungsunion erfolgt.] In jedem Fall wird die Berechnungsstelle die Ausweichenleihe aus denjenigen inflationsgebundenen Anleihen auswählen, die an oder vor dem Begebungstag begeben wurden, wobei die Berechnungsstelle für den Fall, dass mehr als eine inflationsgebundene Anleihe an demselben Tag fällig wird, die Ausweichenleihe aus den letztgenannten Anleihen auswählen muss. Kommt die Ausweichenleihe zur Rückzahlung, so kann die Berechnungsstelle auf derselben Grundlage eine neue Ausweichenleihe auswählen, wobei die Auswahl jedoch unter allen zulässigen Anleihen getroffen wird, die im Zeitpunkt der Rückzahlung der ursprünglichen Ausweichenleihe in Umlauf sind (einschließlich jeder Anleihe, gegen die die zurückgezahlte Anleihe ausgetauscht wird).]

"Referenzmonat" bezeichnet den Kalendermonat, für den der Stand des Inflationsindex mitgeteilt wurde, und zwar unabhängig von dem Zeitpunkt der Veröffentlichung bzw. Bekanntgabe dieser Information. Handelt es sich bei dem Zeitraum, für den der Maßgebliche Stand mitgeteilt wurde, nicht um einen Monat, so gilt derjenige Zeitraum als Referenzmonat, für den der Maßgebliche Stand mitgeteilt wurde.

[Falls "Bezugsanleihe" anwendbar ist, gilt Folgendes: "Bezugsanleihe" bezeichnet in Bezug auf einen Inflationsindex [●] [falls "Ausweichenleihe" anwendbar ist, gilt Folgendes: Wenn die Bezugsanleihe vor dem Endtag zur Rückzahlung gelangt bzw. fällig wird, legt die Berechnungsstelle jeder Feststellung, die in Bezug auf die Bezugsanleihe zu erfolgen hat, die Ausweichenleihe zugrunde.]

Zur Klarstellung wird festgehalten, dass die vorstehenden Regelungen zusätzlich (vorbehaltlich des nachfolgenden Satzes) zu den und unbeschadet der sonstigen Bestimmungen der Schuldverschreibungen gelten. **[im Fall von verzinslichen Schuldverschreibungen gilt Folgendes:** Für den Fall, dass nach § 3 für ein Ereignis oder Vorkommnis, das Gegenstand eines Administrator-/Benchmark-Ereignisses ist, andere Folgen gelten könnten, gelten ungeachtet des Vorstehenden die Bestimmungen von § 3.] Für den Fall, dass nach den sonstigen Bestimmungen der Schuldverschreibungen für ein Ereignis oder Vorkommnis, das Gegenstand eines Administrator-/Benchmark-Ereignisses ist, andere Folgen gelten könnten, bestimmt die Emittentin die anzuwendenden Bestimmungen in angemessener und wirtschaftlich vernünftiger Weise.

Für die Zwecke dieses § 8[(3)][(5)][(6)] gelten die folgenden Begriffsbestimmungen:

"**Administrator-/Benchmark-Ereignis**" bezeichnet den Umstand, dass die Berechnungsstelle feststellt, dass (1) ein Benchmark-Änderungs- oder Einstellungs-Ereignis eingetreten ist oder eintreten wird (2) eine Zulassung, Registrierung, Anerkennung, Übernahme, ein Beschluss über die Gleichwertigkeit, eine Genehmigung oder eine Aufnahme in ein öffentliches Register in Bezug auf die jeweilige Benchmark oder den Administrator oder Sponsor dieser Benchmark nicht eingeholt wurde oder wird oder durch die zuständige Behörde oder sonstige zuständige öffentliche Stelle abgelehnt, verweigert, ausgesetzt oder entzogen wurde oder wird, jeweils mit der Folge, dass es der Emittentin oder der Berechnungsstelle oder einer anderen Stelle nach den anwendbaren gesetzlichen oder sonstigen Vorschriften derzeit oder künftig nicht gestattet ist, die jeweilige Benchmark zu benutzen, um ihre jeweiligen Pflichten aus den Schuldverschreibungen zu erfüllen, oder (3) die fortgesetzte Nutzung der Benchmark im Zusammenhang mit den

Schuldverschreibungen aus Sicht der Emittentin oder der Berechnungsstelle nicht angemessen und wirtschaftlich zumutbar ist, oder für die Emittentin oder Berechnungsstelle mit höheren Kosten verbunden ist oder sein wird und zwar jeweils aufgrund anwendbarer Lizenzbeschränkungen oder einer Änderung der Kosten für die Erlangung oder Beibehaltung einer relevanten Lizenz (unter anderem soweit die Emittentin, die Berechnungsstelle oder eine andere Stelle eine gültige Lizenz besitzen muss, um die Schuldverschreibungen zu begeben oder ihre Pflichten aus den Schuldverschreibungen zu erfüllen, und aus irgendeinem Grund diese Lizenz nicht erlangt oder nicht erneuert wird oder widerrufen wird oder es eine wesentliche Änderung der Kosten für die Erlangung oder die Erneuerung einer solchen Lizenz gibt) oder (4) die für den Administrator und/oder Sponsor einer maßgeblichen Benchmark zuständige Aufsichtsbehörde offiziell bekannt gemacht hat, dass die jeweilige Benchmark für einen oder mehrere maßgebliche zugrundeliegende Märkte nicht mehr repräsentativ ist.

"**Benchmark**" bezeichnet eine Kennzahl, Schwellenwert, Satz oder Wert, auf die bzw. den Bezug genommen wird, um einen für die Schuldverschreibungen zahlbaren oder lieferbaren Betrag oder den Wert der Schuldverschreibungen ganz oder teilweise zu bestimmen, einschließlich ohne Einschränkung wie in der BMR definiert, jeweils wie von der Berechnungsstelle festgestellt.

"**Benchmark-Änderungs- oder Einstellungs-Ereignis**" bezeichnet in Bezug auf die Benchmark jeden der folgenden Umstände:

- (i) eine wesentliche Änderung der Benchmark; oder
- (ii) den dauerhaft oder auf unbestimmte Zeit erfolgenden Wegfall oder die dauerhaft oder auf unbestimmte Zeit erfolgende Einstellung der Bereitstellung der Benchmark.

"**BMR**" bezeichnet die EU Referenzwert-Verordnung (Verordnung (EU) 2016/1011), in ihrer jeweils geltenden Fassung.

As set out in the Introduction to the Terms and Conditions, the Terms and Conditions as will be completed by the Final Terms (or as amended by the Pricing Supplement, in case of Exempt Securities) are comprised of five options. This Credit Linked Notes Annex A furthermore amends the Terms and Conditions and may only apply where Option I, Option II or Option V is specified as applicable in the applicable Final Terms.

If "Provisions for Credit Linked Securities" and "Credit Linked Notes Annex A" are specified as applicable in the applicable Final Terms the following provisions shall apply:

1. **Where the Securities are interest bearing Securities § 3([in case of Option I the following applies: [3]] [in case of Option II the following applies: [9]] [in case of Option V the following applies: [for Fixed Rate Securities or Securities with an Interest Switch the following applies: [3]] [for Securities other than Fixed Rate Securities or Securities without an Interest Switch the following applies:[9]]]) of the Terms and Conditions will be deleted and replaced by the following new § 3([3][9]):**

"Accrual of Interest. Unless "EM Pass-Through Securities" is specified as applicable in the applicable Final Terms in which case § 3([3][9]) shall not apply, each Security shall cease to bear interest from the expiry of the day preceding the day on which it is due for redemption, unless payment of principal and/or delivery of all assets deliverable is improperly withheld or refused. If the Issuer shall fail to redeem each Security when due, interest shall continue to accrue on the outstanding principal amount of such Security or, if the Securities are Zero Recovery Portfolio Securities or Recovery Portfolio Securities, on the Outstanding Principal Amount as of the day preceding the due date for redemption from (and including) the due date for redemption to (but excluding) the earlier of (i) the date on which all amounts due in respect of such Security have been paid and/or all assets deliverable in respect of such Security have been delivered, and (ii) five days after the date on which the full amount of the moneys payable in respect of such Security has been received by the Fiscal Agent and/or all assets in respect of such Security have been received by an agent appointed by the Issuer to deliver such assets to Securityholders and notice to that effect has been given to the Securityholders in accordance with § [in case of Option I and Option II the following applies: [12]] [in case of Option V the following applies: [15]] at the Rate of Interest applicable in respect of the last occurring Interest Period, provided that:

- (a)
 - (i) if "Accrual of Interest upon Credit Event" is specified as applicable in the applicable Final Terms, each Security shall cease to bear interest from the Credit Event Determination Date; or
 - (ii) if "Accrual of Interest upon Credit Event" is not specified as applicable in the applicable Final Terms, subject as provided in paragraph (b) below and notwithstanding anything to the contrary in the Conditions, no interest will be payable in respect of the Securities in respect of which the relevant Interest Payment Date has not occurred on or prior to the Credit Event Determination Date or, the Securities are Zero Recovery Portfolio Securities or Recovery Portfolio Securities, the last occurring Credit Event Determination Date, provided that if the Credit Event Determination Date or, as applicable, last occurring Credit Event Determination Date falls prior to the first Interest Payment Date, no interest shall be payable in respect of the Securities;
- (b) subject to the provisions of § 6(4), § 6(5) or § 6(6), if "DC Determinations" is specified in the applicable Final Terms and a Credit Event Resolution Request Date occurs during an Interest Period but Conditions to Settlement are not satisfied on or prior to the Interest Payment Date in respect of such Interest Period (unless on or prior to such Interest Payment Date (w) a DC No Credit Event Announcement occurs with respect thereto, (x) the relevant Credit Derivatives

Determinations Committee has Resolved not to determine whether the relevant event constitutes a Credit Event with respect to the Reference Entity or Obligation thereof, (y) the requisite number of Convened DC Voting Members (as defined in the Rules) have not agreed to deliberate the issue within the requisite time period or (z) the request the subject of the Credit Event Resolution Request Date has been withdrawn in accordance with the Rules prior to the first meeting at which deliberations are held with respect to such request), (i) if the Securities are Zero Recovery Portfolio Securities or Recovery Portfolio Securities, the Outstanding Principal Amount on which the Interest Amount in respect of the relevant Interest Period is calculated will be reduced by the Credit Event Reduction Amount in respect of such Reference Entity on the last day of such Interest Period or (ii) in all other cases, no interest will be payable in respect of the Securities on that Interest Payment Date, notwithstanding that Conditions to Settlement are not then satisfied. If Conditions to Settlement are not satisfied on or prior to the Interest Payment Date in respect of the next Interest Period, the interest that would otherwise have been payable on the Interest Payment Date for the earlier Interest Period will be payable, if applicable, in respect of the relevant Credit Event on the Interest Payment Date for that next Interest Period and interest will continue to be payable as provided herein thereafter. No further or other amount in respect of interest shall be payable and no additional amount shall be payable in respect of such delay; and

- (c) if § 6(4), § 6(5) or § 6 (6) applies in respect of the Securities and redemption of the Securities is postponed as provided therein, then interest will accrue as provided in § 6(4), § 6(5) or § 6(6), as the case may be.

If "EM Pass-Through Securities" is specified as applicable in the applicable Final Terms, the provisions of § 6(24) below will apply."

2. **Accrual of Interest upon Early Redemption**

3. **If the Securities are Instalment Securities, § 4(1) of the Terms and Conditions will be amended by the deletion and replacement of the second and third paragraphs thereof by the following new paragraphs:**

Payment of principal other than payments of instalments of principal in respect of Definitive Securities shall be made, subject to paragraph (2), against presentation and (except in the case of partial payment where the Security shall be endorsed) surrender of the relevant Definitive Security to the Fiscal Agent or to any other Paying Agent outside the United States.

Each Receipt must be presented for payment of the relevant instalment together with the Security to which it appertains. Receipts presented without the Security to which they appertain do not constitute valid obligations of the Issuer. "PROVISIONS FOR CREDIT LINKED SECURITIES

Interpretation

Any references in this § 6 to ISDA will include any other entity which succeeds to or is performing functions previously undertaken by ISDA in relation to Credit Derivatives Determinations Committees and references to Credit Derivatives Determinations Committees in relation to ISDA will include any successor thereto and the Calculation Agent may make such adjustments to this § 6 and the applicable Final Terms as it determines appropriate to account for the application of these provisions.

For the avoidance of doubt, the application of any of § 6(4), § 6(5) or § 6(6) below shall not preclude the application of any such Condition or any other such Condition either contemporaneously or subsequently and in the event that any such Conditions are inconsistent or the Calculation Agent

becomes entitled to exercise one or more discretions under one or more of such Conditions, the Calculation Agent may elect in its discretion which Condition(s) shall apply and under which Condition(s) it shall exercise its discretion.

(1) *Auction Settlement*

If Conditions to Settlement are satisfied during the Notice Delivery Period (such date of satisfaction, the "**Credit Event Determination Date**") and "Auction Settlement" is specified in the applicable Final Terms, the Issuer shall give notice to the Securityholders in accordance with § [12][15] and redeem all but not some only of the Securities, each principal amount of Securities equal to the Calculation Amount being redeemed by the Issuer at the Credit Event Redemption Amount on the Credit Event Redemption Date, provided that if the relevant Conditions to Settlement are subsequently deemed not to have been satisfied in accordance with the definition thereof in § 6(10), the Credit Event Determination Date previously determined shall be deemed not to have occurred and the redemption of the Securities shall be cancelled and the Securities shall continue in accordance with their terms as if the relevant Conditions to Settlement had not been satisfied, subject to such adjustments as the Calculation Agent determines appropriate in its sole and absolute discretion to reflect the retrospective effect of this proviso (including, without limitation, adjusting the due date for payment of any amount payable under the Securities). The Issuer shall give notice to the Securityholders in accordance with § [12][15] that the relevant Conditions to Settlement are deemed not to have been satisfied as soon as practicable thereafter.

If:

(x) unless settlement has occurred in accordance with the paragraph above, Conditions to Settlement are satisfied pursuant to sub-paragraph (a) of the definition thereof and on or prior to the Auction Cut-Off Date:

(i) ISDA publicly announces that no Auction will be held in accordance with any Credit Derivatives Auction Settlement Terms in relation to obligations of appropriate seniority of the Reference Entity (the date on which ISDA first makes such announcement, the "**No Auction Announcement Date**");

(ii) no No Auction Announcement Date has occurred but the relevant Credit Derivatives Determinations Committee has not determined that one or more Auctions will be held in accordance with any Credit Derivatives Auction Settlement Terms in relation to obligations of appropriate seniority of the Reference Entity; or

(iii) the Calculation Agent determines that it is not reasonably likely that an Auction will be held in accordance with any Credit Derivatives Auction Settlement Terms in relation to obligations of appropriate seniority of the Reference Entity and gives notice of such to the Issuer (the date on which the Calculation Agent gives such notice, the "**Calculation Agent No Auction Determination Date**"); or

(y) Conditions to Settlement are satisfied pursuant to sub-paragraph (b) of the definition thereof,

then:

(A) if Cash Settlement is specified as the applicable Fallback Settlement Method in the applicable Final Terms, the Issuer shall redeem the Securities in accordance with § 6(2) below; or

(B) if Physical Settlement is specified as the applicable Fallback Settlement Method in the applicable Final Terms, the Issuer shall redeem the Securities in accordance with § 6(3) below.

If Conditions to Settlement are satisfied and the Securities become redeemable in accordance with this § 6(1), upon payment of the Credit Event Redemption Amount in respect of the

Securities the Issuer shall have discharged its obligations in respect of the Securities and shall have no other liability or obligation whatsoever in respect thereof. The Credit Event Redemption Amount may be less than the principal amount of a Security. Any shortfall shall be borne by the Securityholders and no liability shall attach to the Issuer.

(2) *Cash Settlement*

If Conditions to Settlement are satisfied during the Notice Delivery Period (such date of satisfaction, the "**Credit Event Determination Date**") and "Cash Settlement" is specified in the applicable Final Terms or if § 6(1)(A) above applies, the Issuer shall give notice to the Securityholders in accordance with § [12][15] and redeem all but not some only of the Securities, each principal amount of Securities equal to the Calculation Amount being redeemed by the Issuer at the Credit Event Redemption Amount on the Credit Event Redemption Date, provided that if the relevant Conditions to Settlement are subsequently deemed not to have been satisfied in accordance with the definition thereof in § 6(10), the Credit Event Determination Date previously determined shall be deemed not to have occurred and the redemption of the Securities shall be cancelled and the Securities shall continue in accordance with their terms as if the relevant Conditions to Settlement had not been satisfied, subject to such adjustments as the Calculation Agent determines appropriate in its sole and absolute discretion to reflect the retrospective effect of this proviso (including, without limitation, adjusting the due date for payment of any amount payable under the Securities). The Issuer shall give notice to the Securityholders in accordance with § [12][15] that the relevant Conditions to Settlement are deemed not to have been satisfied as soon as practicable thereafter.

If Conditions to Settlement are satisfied and the Securities become redeemable in accordance with this § 6(2), upon payment of the Credit Event Redemption Amount in respect of the Securities the Issuer shall have discharged its obligations in respect of the Securities and shall have no other liability or obligation whatsoever in respect thereof. The Credit Event Redemption Amount may be less than the principal amount of a Security. Any shortfall shall be borne by the Securityholders and no liability shall attach to the Issuer.

The Issuer shall give notice to the Securityholders in accordance with § [12][15] that the relevant Conditions to Settlement are deemed not to have been satisfied as soon as practicable thereafter. In the Notice of Physical Settlement the Issuer shall specify the Deliverable Obligations comprising the Asset Amount that it reasonably expects to Deliver. **For the avoidance of doubt, the Calculation Agent shall be entitled to select any of the Deliverable Obligations to constitute the Asset Amount, irrespective of their market value.**

If "Restructuring Maturity Limitation and Fully Transferable Obligation" is specified as applicable in the applicable Final Terms and Restructuring is the only Credit Event specified in a Credit Event Notice or the subject of the DC Resolution resulting in the satisfaction of Conditions to Settlement, as applicable, then a Deliverable Obligation may be included in the Asset Amount only if it (i) is a Fully Transferable Obligation and (ii) has a final maturity date not later than the Restructuring Maturity Limitation Date.

If "Modified Restructuring Maturity Limitation and Conditionally Transferable Obligation Applicable" is specified as applying in the applicable Final Terms and Restructuring is the only Credit Event specified in a Credit Event Notice or the subject of the DC Resolution resulting in the satisfaction of Conditions to Settlement, as applicable, then a Deliverable Obligation may be included in the Asset Amount only if it (i) is a Conditionally Transferable Obligation and (ii) has a final maturity date not later than the applicable Modified Restructuring Maturity Limitation Date.

The value of such Deliverable Obligations and/or the Cash Settlement Amount may be less than the principal amount of a Security. Any shortfall shall be borne by the Securityholders and no liability shall attach to the Issuer.

(i) If any Security is to be redeemed by Delivery of the Deliverable Obligations comprising the Asset Amount, in order to obtain Delivery of the Deliverable Obligations comprising the Asset Amount(s) in respect of any Security:

(A) if such Security is represented by a Global Security, the relevant Securityholder must deliver to the relevant Clearing System, with a copy to the Issuer not later than the close of business in each place of reception on the Cut-Off Date, a duly completed Asset Transfer Notice; and

(B) if such Security is in definitive form, the relevant Securityholder must deliver to any Paying Agent with a copy to the Issuer not later than the close of business in each place of reception on the Cut-Off Date, a duly completed Asset Transfer Notice (as defined below).

Forms of the Asset Transfer Notice may be obtained during normal business hours from the specified office of any Paying Agent.

An Asset Transfer Notice may only be delivered (i) if such Security is represented by a Global Security, in such manner as is acceptable to the relevant Clearing System, or (ii) if such Security is in definitive form, in writing or by tested telex.

If the Security is in definitive form, the Security must be delivered together with the duly completed Asset Transfer Notice. An Asset Transfer Notice must:

In the case of Securities represented by a Global Security, upon receipt of such notice, the relevant Clearing System shall verify that the person specified therein as the Securityholder is the holder of the specified principal amount of Securities according to its books.

Failure properly to complete and deliver an Asset Transfer Notice may result in such notice being treated as null and void. Any determination as to whether such notice has been properly completed and delivered as provided in these Conditions shall be made, in the case of Securities represented by a Global Security, by the relevant Clearing System after consultation with the Issuer and shall be conclusive and binding on the Issuer and the relevant Securityholder and, in the case of Securities in definitive form, by the relevant Paying Agent after consultation with the Issuer, and shall be conclusive and binding on the Issuer and the relevant Securityholder.

- (ii) All Delivery Expenses arising from the Delivery of the Deliverable Obligations comprising the Asset Amounts in respect of such Securities shall be for the account of the relevant

Securityholder and no Delivery of the Deliverable Obligations comprising the Asset Amount shall be made until all Delivery Expenses have been paid to the satisfaction of the Issuer by the relevant Securityholder.

After Delivery of the Deliverable Obligations comprising an Asset Amount and for the Intervening Period, none of the Issuer, the Calculation Agent nor any other person shall at any time (x) be under any obligation to deliver or procure delivery to any Securityholder any letter, certificate, notice, circular or any other document or, except as provided herein, payment whatsoever received by that person in respect of the securities or obligations included in such Asset Amount, (y) be under any obligation to exercise or procure exercise of any or all rights attaching to such securities or obligations included in such Asset Amount or (z) be under any liability to a Securityholder in respect of any loss or damage which such Securityholder may sustain or suffer as a result, whether directly or indirectly, of that person being registered during such Intervening Period as legal owner of such securities or obligations included in such Asset Amount.

- (iii) In relation to each Deliverable Obligation constituting an Asset Amount the Issuer will Deliver or procure the Delivery of the relevant Deliverable Obligation as provided below on the Settlement Date or, as applicable, as soon as practicable after receipt of a duly completed Asset Transfer Notice as provided above, provided that if all or some of the Deliverable Obligations included in such Asset Amount are then Undeliverable Obligations and/or Hedge Disruption Obligations, then the Issuer shall continue to attempt to Deliver all or a portion of such Undeliverable Obligations or Hedge Disruption Obligations, as the case may be, on or before the 30th Business Day following the Settlement Date (the "**Final Delivery Date**"),

Provided Further That if all or a portion of such Undeliverable Obligations or Hedge Disruption Obligations, as the case may be, are not Delivered by the Final Delivery Date the provisions of § 6(8) shall apply.

(8) *Partial Cash Settlement*

If all or a portion of the Undeliverable Obligations or Hedge Disruption Obligations comprising the Asset Amount are not Delivered by the Final Delivery Date, the Issuer shall give notice (a "**Cash Settlement Notice**") to the Securityholders in accordance with § [12][15] and the Issuer shall pay in respect of each Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, the Cash Settlement Amount on the Cash Settlement Date.

In the Cash Settlement Notice the Issuer must give details of why it is unable to deliver the relevant Undeliverable Obligations or Hedge Disruption Obligation, as the case may be.

Unless otherwise specified in the applicable Final Terms, for the purposes of this § 6(8) the following terms are deemed to have the following meanings:

"**Cash Settlement Amount**" is deemed to be, for each Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, an amount calculated by the Calculation Agent equal to the greater of (i) (A) the Outstanding Principal Balance, the Due and Payable Amount or the Currency Amount, as applicable, of each Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, multiplied by (B) the Final Price with respect to such Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, less (C) Unwind Costs, if any (but excluding any Unwind Costs already taken into account in calculating the relevant Asset Amount), and (ii) zero.

"**Cash Settlement Date**" is deemed to be the date falling three Business Days after the calculation of the Final Price.

"**Indicative Quotation**" means, in accordance with the Quotation Method, each quotation obtained from a Quotation Dealer at the Valuation Time for (to the extent reasonably practicable) an amount of the Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, equal to the

Quotation Amount, which reflects such Quotation Dealer's reasonable assessment of the price of such Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, based on such factors as such Quotation Dealer may consider relevant, which may include historical prices and recovery rates.

"Market Value" means, with respect to an Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, on a Valuation Date:

- (i) if more than three Full Quotations are obtained, the arithmetic mean of such Full Quotations, disregarding the Full Quotations having the same highest and lowest values (and, if more than one such Full Quotations have the same highest or lowest value, then one of such highest or lowest Full Quotations shall be disregarded);
- (ii) if exactly three Full Quotations are obtained, the Full Quotations remaining after disregarding the highest and lowest Full Quotations (and, if more than one such Full Quotations have the same highest value or lowest value, then one of such highest or lowest Full Quotations shall be disregarded);
- (iii) if exactly two Full Quotations are obtained, the arithmetic mean of such Full Quotations;
- (iv) if fewer than two Full Quotations are obtained and a Weighted Average Quotation is obtained, such Weighted Average Quotation;
- (v) if Indicative Quotations are specified as applying in the applicable Final Terms and exactly three Indicative Quotations are obtained, the Indicative Quotation remaining after disregarding the highest and lowest Indicative Quotations (and, if more than one such Indicative Quotations have the same highest or lowest value, then one of such highest or lowest Indicative Quotations shall be disregarded);
- (vi) if fewer than two Full Quotations are obtained and no Weighted Average Quotation is obtained (and, if Indicative Quotations are applicable, fewer than three Indicative Quotations are obtained) then, subject to sub-paragraph (b) of the definition of "Quotation" below, an amount as determined by the Calculation Agent on the next Business Day on which two or more Full Quotations or a Weighted Average Quotation or, if applicable, three Indicative Quotations are obtained; and
- (vii) if fewer than two Full Quotations are obtained, no Weighted Average Quotation is obtained (and, if Indicative Quotations are applicable, fewer than three Indicative Quotations are obtained) on the same Business Day on or prior to the fifteenth Business Day following the Valuation Date, the Market Value shall be any Full Quotation obtained from a Quotation Dealer at the Valuation Time on such fifteenth Business Day or, if no Full Quotation is obtained, the weighted average of any firm quotations (or, if applicable, Indicative Quotations) for the Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, obtained from Quotation Dealers at the Valuation Time on such fifteenth Business Day with respect to the aggregate portion of the Quotation Amount for which such quotations were obtained and a quotation deemed to be zero for the balance of the Quotation Amount for which firm quotations (or, if applicable, Indicative Quotations) were not obtained on such day.

"Quotation" means each Full Quotation, the Weighted Average Quotation and, if Indicative Quotations are specified as applying in the applicable Final Terms, each Indicative Quotation obtained and expressed as a percentage with respect to a Valuation Date in the manner that follows:

- (a) The Calculation Agent shall attempt to obtain Full Quotations with respect to each Valuation Date from five or more Quotation Dealers. If the Calculation Agent is unable to obtain two or more such Full Quotations on the same Business Day within three Business Days of a Valuation Date, then on the next following Business Day (and, if necessary, on each Business Day thereafter until the fifteenth Business Day following the relevant Valuation Date) the Calculation Agent shall attempt to obtain Full Quotations from five or more Quotation Dealers,

and, if two or more Full Quotations are not available, a Weighted Average Quotation. If two or more such Full Quotations or a Weighted Average Quotation are not available on any such Business Day and Indicative Quotations are specified as applying in the applicable Final Terms, the Calculation Agent shall attempt to obtain three Indicative Quotations from five or more Quotation Dealers.

- (b) If the Calculation Agent is unable to obtain two or more Full Quotations or a Weighted Average Quotation (or, if Indicative Quotations are specified as applying in the applicable Final Terms, three Indicative Quotations) on the same Business Day on or prior to the fifteenth Business Day following the Valuation Date, the Quotations shall be deemed to be any Full Quotation obtained from a Quotation Dealer at the Valuation Time on such fifteenth Business Day or, if no Full Quotation is obtained, the weighted average of any firm quotations (or, if applicable, Indicative Quotations) for the Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, obtained from Quotation Dealers at the Valuation Time on such fifteenth Business Day with respect to the aggregate portion of the Quotation Amount for which such quotations were obtained and a quotation deemed to be zero for the balance of the Quotation Amount for which firm quotations (or, if applicable, Indicative Quotations) were not obtained on such day.
- (c) The Calculation Agent shall determine, based on the then current market practice in the market of the relevant Undeliverable Obligation or Hedge Disruption Obligations, as the case may be, whether such Quotations shall include or exclude accrued but unpaid interest. All Quotations shall be obtained in accordance with this specification or determination.
- (d) If any Quotation obtained with respect to an Accreting Obligation is expressed as a percentage of the amount payable in respect of such obligation at maturity, such Quotation will instead be expressed as a percentage of the Outstanding Principal Balance for purposes of determining the Final Price.

"Quotation Amount" is deemed to be, with respect to each type or issue of Undeliverable Obligation or Hedge Disruption Obligations, as the case may be, an amount equal to the Outstanding Principal Balance or Due and Payable Amount (or, in either case, its equivalent in the relevant Obligation Currency converted by the Calculation Agent in a commercially reasonable manner by reference to exchange rates in effect at the time that the relevant Quotation is being obtained), as applicable, of such Undeliverable Obligation or Hedge Disruption Obligations, as the case may be.

"Quotation Method" is deemed to be Bid.

"Reference Obligation" is deemed to be each Undeliverable Obligation or Hedge Disruption Obligations, as the case may be.

"Valuation Method" is deemed to be Highest unless fewer than two Full Quotations are obtained or a Weighted Average Quotation applies (or, if applicable, Indicative Quotations), in which case "Valuation Method" is deemed to be Market.

"Valuation Time" is the time specified as such in the applicable Final Terms, or, if no time is so specified, 11:00 a.m. in the principal trading market for the Undeliverable Obligation or Hedge Disruption Obligations, as the case may be.

"Weighted Average Quotation" means, in accordance with the Quotation Method, the weighted average of firm quotations obtained from Quotation Dealers at the Valuation Time, to the extent reasonably practicable, each for an amount of the Undeliverable Obligation or Hedge Disruption Obligations, as the case may be, with an Outstanding Principal Balance of as large a size as available but less than the Quotation Amount that in aggregate are approximately equal to the Quotation Amount.

- (9) *Redemption following a Merger Event*

If § 6(9) is specified as applicable in the applicable Final Terms, in the event that in the determination of the Calculation Agent a Merger Event has occurred, the Issuer may give notice to the Securityholders in accordance with § [12][15] and redeem the Securities at the Early Redemption Amount on the Merger Event Redemption Date.

the Calculation Agent shall identify one or more Obligations to replace such Reference Obligation.

- (b) Any Substitute Reference Obligation or Substitute Reference Obligations shall be an Obligation that (i) ranks *pari passu* (or, if no such Obligation exists, then, at the Issuer's option, an Obligation that ranks senior) in priority of payment with such Reference Obligation (with the ranking in priority of payment of such Reference Obligation being determined as of the later of (A) the Trade Date and (B) the date on which such Reference Obligation was issued or incurred and not reflecting any change to such ranking in priority of payment after such later date), (ii) preserves the economic equivalent, as closely as practicable as determined by the Calculation Agent of the delivery and payment obligations of the Issuer and (iii) is an obligation of a Reference Entity (either directly or as provider of a Qualifying Affiliate Guarantee or, if All Guarantees is specified as applicable in the applicable Final Terms, as provider of any Qualifying Guarantee). - (d) If more than one specific Reference Obligation is identified as a Reference Obligation in relation to a Series, any of the events set forth in sub-paragraph (a) above has occurred with respect to all of the Reference Obligations, and the Calculation Agent determines that at least one Substitute Reference Obligation is available for any such Reference Obligation, then each such Reference Obligation shall be replaced by a Substitute Reference Obligation and each Reference Obligation for which no Substitute Reference Obligation is available will cease to be a Reference Obligation.
- (e) If:
 - (i) more than one specific Reference Obligation is identified as a Reference Obligation in relation to a Series, any of the events set forth in sub-paragraph (a) above has occurred with respect to all of the Reference Obligations and the Calculation Agent determines that no Substitute Reference Obligation is available for any of the Reference Obligations; or

"Succession Event" means (i) with respect to a Reference Entity that is not a Sovereign, an event such as a merger, de-merger, consolidation, amalgamation, transfer of assets or liabilities, spin off or other similar event in which one entity succeeds to the obligations of another entity, whether by operation of law or pursuant to any agreement or (ii) with respect to a Reference Entity that is a Sovereign, an event such as an annexation, unification, secession, partition, dissolution, consolidation, reconstitution or other event that results in any direct or indirect successor(s) to such Reference Entity. Notwithstanding the foregoing, "Succession Event" shall not include an event in which the holders of obligations of the Reference Entity exchange such obligations for the obligations of another entity, unless such exchange occurs in connection with a merger, demerger, consolidation, amalgamation, transfer of assets or liabilities, spin-off or other similar event.

"Succession Event Resolution Request Date" means, with respect to a notice to ISDA, delivered in accordance with the Rules, requesting that a Credit Derivatives Determinations Committee be convened to Resolve:

- (ii) if only one entity directly or indirectly succeeds to more than 25 per cent. (but less than 75 per cent.) of the Relevant Obligations of the Reference Entity by way of a Succession Event, and not more than 25 per cent. of the Relevant Obligations of the Reference Entity remain with the Reference Entity, the entity that succeeds to more than 25 per cent. of the Relevant Obligations will be the sole Successor;
- (iii) if more than one entity each directly or indirectly succeed to more than 25 per cent. of the Relevant Obligations of the Reference Entity by way of a Succession Event, and not more than 25 per cent. of the Relevant Obligations of the Reference Entity remain with the Reference Entity, the entities that succeed to more than 25 per cent. of the Relevant Obligations will each be a Successor and these Terms and Conditions and/or the applicable Final Terms will be adjusted as provided below;
- (iv) if one or more entity each directly or indirectly succeed to more than 25 per cent. of the Relevant Obligations of the Reference Entity by way of a Succession Event, and more than 25 per cent. of the Relevant Obligations of the Reference Entity remain with the Reference Entity, each such entity and the Reference Entity will each be a

Successor and these Terms and Conditions and/or the applicable Final Terms will be adjusted as provided below;

- (v) if one or more entities directly or indirectly succeed to a portion of the Relevant Obligations of the Reference Entity by way of a Succession Event, but no entity succeeds to more than 25 per cent. of the Relevant Obligations of the Reference Entity and the Reference Entity continues to exist, there will be no Successor and the Reference Entity will not be changed in any way as a result of the Succession Event; and
 - (vi) if one or more entities directly or indirectly succeed to a portion of the Relevant Obligations of the Reference Entity by way of a Succession Event, but no entity succeeds to more than 25 per cent. of the Relevant Obligations of the Reference Entity and the Reference Entity ceases to exist, the entity which succeeds to the greatest percentage of Relevant Obligations (or, if two or more entities succeed to an equal percentage of Relevant Obligations, the entity from among those entities which succeeds to the greatest percentage of obligations of the Reference Entity) will be the sole Successor; and
- (b) in relation to a Sovereign Reference Entity, each entity which becomes a direct or indirect successor to that Reference Entity by way of Succession Event irrespective of whether any such successor assumes any of the obligations of such Reference Entity.

In the case of (a) above, the Calculation Agent will be responsible for determining, as soon as reasonably practicable after it becomes aware of the relevant Succession Event (but no earlier than fourteen calendar days after the legally effective date of the Succession Event), and with effect from the legally effective date of the Succession Event, whether the relevant thresholds set forth above have been met, or which entity qualifies under (a)(vi) above, as applicable; provided that the Calculation Agent will not make such determination if, at such time, either (A) ISDA has publicly announced that the conditions to convening a Credit Derivatives Determinations Committee to Resolve the matters described in the definition of Successor in relation to the relevant Reference Entity, and in subparagraphs (a) and (b)(i) of the definition of Succession Event Resolution Request Date are satisfied in accordance with the Rules (until such time, if any, as ISDA subsequently publicly announces that the relevant Credit Derivatives Determinations Committee has Resolved not to determine a Successor or the request the subject of the Succession Event Resolution Request Date is withdrawn in accordance with the Rules prior to the first meeting at which deliberations are held with respect to such request) or (B) ISDA has publicly announced that the relevant Credit Derivatives Determinations Committee has Resolved that no event that constitutes a Succession Event with respect to the relevant Reference Entity has occurred, unless in either case the Calculation Agent, acting in good faith and in a commercially reasonable manner and taking into account the differences between the definition of Successor under the 2003 ISDA Credit Derivatives Definitions and the definition of Successor hereunder and such other factor(s) as it deems appropriate, determines that it is inappropriate to follow such DC Resolutions for the purposes of the Securities. In calculating the percentages used to determine whether the relevant thresholds set forth above have been met, or which entity qualifies under (a)(vi) above, as applicable, the Calculation Agent shall use, in respect of each applicable Relevant Obligation included in such calculation, the amount of the liability in respect of such Relevant Obligation listed in the Best Available Information and shall, as soon as practicable after such calculation, make such calculation available for inspection by Securityholder(s) at the specified office of the Fiscal Agent.

In the case of (b) above, the Calculation Agent will be responsible for determining, as soon as reasonably practicable after it becomes aware of the relevant Succession Event (but no earlier than fourteen calendar days after the date of occurrence of the relevant Succession Event), and with effect from the date of occurrence of the Succession Event, each Sovereign and/or entity, if any, that qualifies under (b) above; provided that the Calculation Agent will not make such determination if, at such time, either (A) ISDA has publicly announced that the conditions to convening a Credit Derivatives Determinations Committee to Resolve the matters described in the definition of Successor in relation to

the relevant Reference Entity, and in sub-paragraphs (a) and (b)(ii) of the definition of Succession Event Resolution Request Date are satisfied in accordance with the Rules (until such time, if any, as ISDA subsequently publicly announces that the relevant Credit Derivatives Determinations Committee has Resolved not to determine a Successor or the request the subject of the Succession Event Resolution Request Date is withdrawn in accordance with the Rules prior to the first meeting at which deliberations are held with respect to such request) or (B) ISDA has publicly announced that the relevant Credit Derivatives Determinations Committee has Resolved that no event that constitutes a Succession Event with respect to the relevant Reference Entity has occurred, unless in either case the Calculation Agent, acting in good faith and in a commercially reasonable manner and taking into account the differences between the definition of Successor under the 2003 ISDA Credit Derivatives Definitions and the definition of Successor hereunder and such other factor(s) as it deems appropriate, determines that it is inappropriate to follow such DC Resolutions for the purposes of the Securities.

Where pursuant to paragraph (a) above, more than one Successor has been identified, the Calculation Agent shall adjust such of the Terms and Conditions and/or the applicable Final Terms as it in its sole and absolute discretion acting in a commercially reasonable manner shall determine to be appropriate to reflect that the relevant Reference Entity has been succeeded by more than one Successor and shall determine the effective date of that adjustment. The Calculation Agent shall be deemed to be acting in a commercially reasonable manner if it adjusts such of the Terms and Conditions and/or the applicable Final Terms in such a manner as to reflect the adjustment to and/or division of any credit derivative transaction(s) related to or underlying the Securities under the provisions of the 2003 ISDA Credit Derivatives Definitions.

Upon the Calculation Agent making such adjustment, the Issuer shall give notice as soon as practicable to Securityholders in accordance with § [12][15], stating the adjustment to the Terms and Conditions and/or the applicable Final Terms and giving brief details of the relevant Succession Event.

For the purposes of this definition of "Successor", "**succeed**" means, with respect to a Reference Entity and its Relevant Obligations (or, as applicable, obligations), that a party other than such Reference Entity (i) assumes or becomes liable for such Relevant Obligations (or, as applicable, obligations) whether by operation of law or pursuant to any agreement or (ii) issues Bonds that are exchanged for Relevant Obligations (or, as applicable, obligations), and in either case such Reference Entity is no longer an obligor (primarily or secondarily) or guarantor with respect to such Relevant Obligations (or, as applicable, obligations). The determinations required pursuant to sub-paragraph (a) of this definition of "Successor" shall be made, in the case of an exchange offer, on the basis of the Outstanding Principal Balance of Relevant Obligations tendered and accepted in the exchange and not on the basis of the Outstanding Principal Balance of Bonds for which Relevant Obligations have been exchanged.

Where:

announcement of, any of the events described in sub-paragraphs (i) to (v) of the definition of "Restructuring" shall not be a Restructuring unless the Obligation in respect of any such events is a Multiple Holder Obligation.

"Multiple Holder Obligation" means an Obligation that (i) at the time of the event which constitutes a Restructuring Credit Event is held by more than three holders that are not Affiliates of each other and (ii) with respect to which a percentage of holders (determined pursuant to the terms of the Obligation as in effect on the date of such event) at least equal to sixty-six and two-thirds is required to consent to the event which constitutes a Restructuring Credit Event.

- (13) (i) *Provisions taken from the ISDA supplement titled "Additional Provisions-Monoline Insurer as Reference Entity" (May 2003)*

If § 6(13)(i) is specified as applicable in the applicable Final Terms, the following provisions will apply:

- (a) *Obligation and Deliverable Obligation.* Sub-paragraph (a) of the definition of "Obligation" in § 6(10) and sub-paragraph (a) of the definition of "Deliverable Obligation" in § 6(10) are hereby amended by adding "or Qualifying Policy" after "or as provider of a Qualifying Affiliate Guarantee".
- (b) *Interpretation of Provisions.* In the event that an Obligation or a Deliverable Obligation is a Qualifying Policy, paragraph (B) of the definition of "Deliverable Obligation" in § 6(10) will apply, with references to the Qualifying Guarantee, the Underlying Obligation and the Underlying Obligor deemed to include the Qualifying Policy, the Insured Instrument and the Insured Obligor, respectively, except that:
- (A) the Obligation Category Borrowed Money and the Obligation Category and Deliverable Obligation Category Bond shall be deemed to include distributions payable under an Insured Instrument in the form of a pass-through certificate or similar funded beneficial interest, the Deliverable Obligation Category Bond shall be deemed to include such an Insured Instrument, and the terms "obligation" and "obligor" as used in this § 6 in respect of such an Insured Instrument shall be construed accordingly;
- (B) references in the definitions of Assignable Loan and Consent Required Loan to "the guarantor" and "guaranteeing" shall be deemed to include "the insurer" and "insuring", respectively;
- (C) neither the Qualifying Policy nor the Insured Instrument must satisfy on the relevant date the Deliverable Obligation Characteristic of Accelerated or Matured, whether or not that characteristic is otherwise specified as applicable in the applicable Final Terms;
- (D) if the Assignable Loan, Consent Required Loan, Direct Loan Participation or Transferable Deliverable Obligation Characteristics are specified in the applicable Final Terms and if the benefit of the Qualifying Policy is not transferred as part of any transfer of the Insured Instrument, the Qualifying Policy must be transferable at least to the same extent as the Insured Instrument; and
- (E) with respect to an Insured Instrument in the form of a pass-through certificate or similar funded beneficial interest, the term "Outstanding Principal Balance" shall mean the outstanding Certificate Balance and "maturity", as such term is used in the Maximum Maturity Deliverable Obligation Characteristic, shall mean the specified date by which the Qualifying Policy guarantees or insures,

as applicable, that the ultimate distribution of the Certificate Balance will occur.

- (c) **Not Contingent.** An Insured Instrument will not be regarded as failing to satisfy the Not Contingent Deliverable Obligation Characteristic solely because such Insured Instrument is subject to provisions limiting recourse in respect of such Insured Instrument to the proceeds of specified assets (including proceeds subject to a priority of payments) or reducing the amount of any Instrument Payments owing under such Insured Instrument, provided that such provisions are not applicable to the Qualifying Policy by the terms thereof and the Qualifying Policy continues to guarantee or insure, as applicable, the Instrument Payments that would have been required to be made absent any such limitation or reduction. By specifying that this § 6(13)(i) is applicable, no inference should be made as to the interpretation of the "Not Contingent" Deliverable Obligation Characteristic in the context of limited recourse or similar terms applicable to Deliverable Obligations other than Qualifying Policies.
- (d) **Deliver.** For the purposes of the definition of "Deliver" in § 6(10), "Deliver" with respect to an obligation that is a Qualifying Policy means to Deliver both the Insured Instrument and the benefit of the Qualifying Policy (or a custodial receipt issued by an internationally recognised custodian representing an interest in such an Insured Instrument and the related Qualifying Policy), and "Delivery" and "Delivered" will be construed accordingly.
- (e) **Provisions for Determining a Successor.** The paragraph commencing "For the purposes of this definition of "Successor" in the definition of "Successor" in § 6(10) is hereby amended by adding "or insurer" after "or guarantor".
- (f) **Substitute Reference Obligation.** The first paragraph of the definition of "Substitute Reference Obligation" and sub-paragraph (b) thereof in § 6(10) is hereby amended by adding "or Qualifying Policy" after "or as provider of a Qualifying Affiliate Guarantee". For purposes of sub-paragraph (a)(ii)(B) the definition of "Substitute Reference Obligation" references to "the Qualifying Guarantee" and the "Underlying Obligation" shall be deemed to include "the Qualifying Policy" and "the Insured Instrument", respectively.
- (g) **Other Provisions.** For purposes of sub-paragraph (a)(ii) of the definition of "Deliverable Obligation" and the definitions of "Credit Event" and "Deliver" in § 6(10) references to "the Underlying Obligation" and "the Underlying Obligor" shall be deemed to include "Insured Instruments" and the "Insured Obligor", respectively.
- (h) **Additional Definitions.**

"Qualifying Policy" means a financial guaranty insurance policy or similar financial guarantee pursuant to which a Reference Entity irrevocably guarantees or insures all Instrument Payments of an instrument that constitutes Borrowed Money (modified as set forth in this § 6(13)(i)) (the **"Insured Instrument"**) for which another party (including a special purpose entity or trust) is the obligor (the **"Insured Obligor"**). Qualifying Policies shall exclude any arrangement (i) structured as a surety bond, letter of credit or equivalent legal arrangement or (ii) pursuant to the express contractual terms of which the payment obligations of the Reference Entity can be discharged or reduced as a result of the occurrence or non-occurrence of an event or circumstance (other than the payment of Instrument Payments).

"Instrument Payments" means (A) in the case of any Insured Instrument that is in the form of a pass-through certificate or similar funded beneficial interest, (x) the specified periodic distributions in respect of interest or other return on the Certificate Balance on or prior to the ultimate distribution of the Certificate Balance and (y) the ultimate

distribution of the Certificate Balance on or prior to a specified date and (B) in the case of any other Insured Instrument, the scheduled payments of principal and interest, in the case of both (A) and (B) (1) determined without regard to limited recourse or reduction provisions of the type described in § 6(13)(i)(c) above and (2) excluding sums in respect of default interest, indemnities, tax gross-ups, make-whole amounts, early redemption premiums and other similar amounts (whether or not guaranteed or insured by the Qualifying Policy).

"Certificate Balance" means, in the case of an Insured Instrument that is in the form of a pass-through certificate or similar funded beneficial interest, the unit principal balance, certificate balance or similar measure of unreimbursed principal investment.

- (ii) *Provisions taken from the ISDA supplement titled "Additional Provisions for Physically Settled Default Swaps – Monoline Insurer as Reference Entity" (published on 21 January 2005)*

If § 6(13)(ii) is specified as applicable in the applicable Final Terms, the following provisions will apply:

- (a) *Obligation and Deliverable Obligation.* Sub-paragraph (a) of the definition of "Obligation" in § 6(10) and sub-paragraph (a) of the definition of "Deliverable Obligation" in § 6(10) are hereby amended by adding "or Qualifying Policy" after "or as provider of a Qualifying Affiliate Guarantee".
- (b) *Interpretation of Provisions.* In the event that an Obligation or a Deliverable Obligation is a Qualifying Policy, paragraph (B) of the definition of "Deliverable Obligation" in § 6(10) will apply, with references to the Qualifying Guarantee, the Underlying Obligation and the Underlying Obligor deemed to include the Qualifying Policy, the Insured Instrument and the Insured Obligor, respectively, except that:
- (A) the Obligation Category Borrowed Money and the Obligation Category and Deliverable Obligation Category Bond shall be deemed to include distributions payable under an Insured Instrument in the form of a pass-through certificate or similar funded beneficial interest, the Deliverable Obligation Category Bond shall be deemed to include such an Insured Instrument, and the terms "obligation" and "obligor" as used in this § 6 in respect of such an Insured Instrument shall be construed accordingly;
- (B) references in the definitions of Assignable Loan and Consent Required Loan to "the guarantor" and "guaranteeing" shall be deemed to include "the insurer" and "insuring", respectively;
- (C) neither the Qualifying Policy nor the Insured Instrument must satisfy on the relevant date the Deliverable Obligation Characteristic of Accelerated or Matured, whether or not that characteristic is otherwise specified as applicable in the applicable Final Terms;
- (D) if the Assignable Loan, Consent Required Loan, Direct Loan Participation or Transferable Deliverable Obligation Characteristics are specified in the applicable Final Terms and if the benefit of the Qualifying Policy is not transferred as part of any transfer of the Insured Instrument, the Qualifying Policy must be transferable at least to the same extent as the Insured Instrument; and
- (E) with respect to an Insured Instrument in the form of a pass-through certificate or similar funded beneficial interest, the term "Outstanding Principal Balance" shall mean the outstanding Certificate Balance and "maturity", as such term is used in the Maximum Maturity Deliverable Obligation Characteristic, shall

mean the specified date by which the Qualifying Policy guarantees or insures, as applicable, that the ultimate distribution of the Certificate Balance will occur.

For the avoidance of doubt, if § 6(14) is specified as applying in the applicable Final Terms the amendments to paragraph (B) of the definition of "Deliverable Obligation" in § 6(10) provided in § 6(13) shall not be construed to apply to Qualifying Policies and Insured Instruments.

- (c) *Not Contingent.* An Insured Instrument will not be regarded as failing to satisfy the Not Contingent Deliverable Obligation Characteristic solely because such Insured Instrument is subject to provisions limiting recourse in respect of such Insured Instrument to the proceeds of specified assets (including proceeds subject to a priority of payments) or reducing the amount of any Instrument Payments owing under such Insured Instrument, provided that such provisions are not applicable to the Qualifying Policy by the terms thereof and the Qualifying Policy continues to guarantee or insure, as applicable, the Instrument Payments that would have been required to be made absent any such limitation or reduction. By specifying that this § 6(13)(ii) is applicable, no inference should be made as to the interpretation of the "Not Contingent" Deliverable Obligation Characteristic in the context of limited recourse or similar terms applicable to Deliverable Obligations other than Qualifying Policies.
- (d) *Deliver.* For the purposes of the definition of "Deliver" in § 6(10), "Deliver" with respect to an obligation that is a Qualifying Policy means to Deliver both the Insured Instrument and the benefit of the Qualifying Policy (or a custodial receipt issued by an internationally recognised custodian representing an interest in such an Insured Instrument and the related Qualifying Policy), and "Delivery" and "Delivered" will be construed accordingly.
- (e) *Provisions for Determining a Successor.* The paragraph commencing "For the purposes of this definition of "Successor" in the definition of "Successor" in § 6(10) is hereby amended by adding "or insurer" after "or guarantor".
- (f) *Substitute Reference Obligation.* The first paragraph of the definition of "Substitute Reference Obligation" and sub-paragraph (b) thereof in § 6(10) is hereby amended by adding "or Qualifying Policy" after "or as provider of a Qualifying Affiliate Guarantee". For purposes of sub-paragraph (a)(ii)(B) the definition of "Substitute Reference Obligation" references to "the Qualifying Guarantee" and the "Underlying Obligation" shall be deemed to include "the Qualifying Policy" and "the Insured Instrument", respectively.
- (g) *Restructuring.*
 - (i) With respect to an Insured Instrument that is in the form of a pass-through certificate or similar funded beneficial interest or a Qualifying Policy with respect thereto, sub-paragraphs (i) to (v) inclusive of the definition of "Restructuring" in § 6(10) are hereby amended to read as follows:
 - (i) a reduction in the rate or amount of the Instrument Payments in clause (A)(x) of the definition thereof that are guaranteed or insured by the Qualifying Policy;
 - (ii) a reduction in the amount of the Instrument Payments described in clause (A)(y) of the definition thereof that are guaranteed or insured by the Qualifying Policy;

- (iii) a postponement or other deferral of a date or dates for either (A) the payment or accrual of the Instrument Payments described in clause (A)(x) of the definition thereof or (B) the payment of the Instrument Payments described in clause (A)(y) of the definition thereof, in each case that are guaranteed or insured by the Qualifying Policy;
 - (iv) a change in the ranking in priority of payment of (I) any Obligation under a Qualifying Policy in respect of Instrument Payments, causing the Subordination of such Obligation to any other Obligation or (II) any Instrument Payments, causing the Subordination of such Insured Instrument to any other instrument in the form of a pass-through certificate or similar funded beneficial interest issued by the Insured Obligor, it being understood that, for this purpose, Subordination will be deemed to include any such change that results in a lower ranking under a priority of payments provision applicable to the relevant Instrument Payments; or
 - (v) any change in the currency or composition of any payment of Instrument Payments that are guaranteed or insured by the Qualifying Policy to any currency which is not a Permitted Currency.
- (ii) Sub-paragraph (c) of the definition of "Restructuring" in § 6(10) is hereby amended by adding "or, in the case of a Qualifying Policy and an Insured Instrument, where (I) the Qualifying Policy continues to guarantee or insure, as applicable, that the same Instrument Payments will be made on the same dates on which the Qualifying Policy guaranteed or insured that such Instrument Payments would be made prior to such event and (II) such event is not a change in the ranking in the priority of payment of the Qualifying Policy" after "Reference Entity".
- (iii) The definition of "Restructuring" in § 6(10) is hereby amended by the insertion of the following paragraph after the final paragraph thereof:
- "For purposes of the definition of "Restructuring" in § 6(10) and if § 6(12) is specified as applying in the applicable Final Terms for the purposes of § 6(12), the term Obligation shall be deemed to include Insured Instruments for which the Reference Entity is acting as provider of a Qualifying Policy. In the case of a Qualifying Policy and an Insured Instrument, references to the Reference Entity in the definition of "Restructuring" shall be deemed to refer to the Insured Obligor and the reference to the Reference Entity in sub-paragraphs (a) to (c) inclusive in the definition of "Restructuring" shall continue to refer to the Reference Entity."
- (h) *Fully Transferable Obligation and Conditionally Transferable Obligation.* In the event that "Restructuring Maturity Limitation and Fully Transferable Obligation" and/or "Modified Restructuring Maturity Limitation and Conditionally Transferable Obligation" is specified as applying in the applicable Final Terms and a Fully Transferable Obligation or Conditionally Transferable Obligation is a Qualifying Policy, the Insured Instrument must meet the requirements of the relevant definition. References in the definition of Conditionally Transferable Obligation to the guarantor and guaranteeing shall be deemed to include the insurer and insuring, respectively. With respect to an Insured Instrument in the form of a pass-through certificate or similar funded beneficial interest, the term "final maturity date", as such term is used in § 6(3) and the definition of "Restructuring Maturity Limitation Date", shall mean the specified date by which the Qualifying Policy guarantees or insures, as applicable, that the ultimate distribution of the Certificate Balance will occur.

- (i) *Other Provisions.* For purposes of sub-paragraph (a)(ii) of the definition of "Deliverable Obligation" and the definitions of "Credit Event" and "Deliver" in § 6(10), references to the "Underlying Obligation" and the "Underlying Obligor" shall be deemed to include "Insured Instruments" and the "Insured Obligor", respectively.
- (j) *Additional Definitions.*

"Qualifying Policy" means a financial guaranty insurance policy or similar financial guarantee pursuant to which a Reference Entity irrevocably guarantees or insures all Instrument Payments of an instrument that constitutes Borrowed Money (modified as set forth in this § 6(13)(ii)) (the **"Insured Instrument"**) for which another party (including a special purpose entity or trust) is the obligor (the **"Insured Obligor"**). Qualifying Policies shall exclude any arrangement (i) structured as a surety bond, letter of credit or equivalent legal arrangement or (ii) pursuant to the express contractual terms of which the payment obligations of the Reference Entity can be discharged or reduced as a result of the occurrence or non-occurrence of an event or circumstance (other than the payment of Instrument Payments).

Each Credit Event Redemption Amount (if any) and the related Final Price or Auction Final Price, as applicable, shall be calculated in accordance with § 6(10) (*Applicable Definitions*) or that published, as applicable, in respect of the relevant Reference Entity in respect of which Conditions to Settlement have been satisfied.

(f) *Outstanding Principal Amount Reduction*

If a Credit Event Determination Date occurs the Calculation Agent shall on the relevant Credit Event Determination Date reduce the Outstanding Principal Amount by an amount equal to the sum of the Credit Event Reduction Amount(s) (as defined in paragraph (i) below in respect of each Reference Entity with respect to which Conditions to Settlement are satisfied on such date.

(g) *Multiple Conditions to Settlement*

Conditions to Settlement may be satisfied more than once except that, subject as provided in § 6(11) and the definitions of Credit Event Notice and Conditions to Settlement in § 6(10), a Credit Event Notice (if applicable) may only be delivered on one occasion and Conditions to Settlement may be satisfied once only, with respect to any Reference Entity (unless subsequent to the satisfaction of Conditions to Settlement with respect to any Reference Entity, that Reference Entity becomes the Successor to one or more other Reference Entities in respect of which a Credit Event Determination Date has not occurred, in which case Conditions to Settlement may be satisfied again).

(h) *Accrual of Interest*

In the case of interest-bearing Securities:

- (i) Notwithstanding anything to the contrary in § 3, the amount of interest payable in respect of each principal amount of Securities which as of the Issue Date had a principal amount equal to the Calculation Amount and an Interest Period, will be the Interest Amount (as defined in paragraph (j) below) in respect of such Interest Period.

- (ii) § 5[(5)][(6)] shall be amended by the deletion of the words "together (if applicable) with interest accrued to (but excluding) the date of redemption" therein.
- (iii) In the case of Securities for which Eligible Liabilities Format is not specified as applicable in the applicable Final Terms, § [9][12] shall be amended by the deletion of the words "together with interest accrued to the date of repayment" therein.
- (iv) In the event that the Securities are redeemed pursuant to § 5[(5)][(6)], § 6(9) or, in the case of Securities for which Eligible Liabilities Format is not specified as applicable in the applicable Final Terms, § [9][12], no interest will be payable in respect of the Securities in respect of which the relevant Interest Payment Date has not occurred on or prior to the date fixed for such redemption, provided that if the date fixed for such redemption falls prior to the first Interest Payment Date, no interest shall be payable in respect of the Securities.

For the avoidance of doubt, in the event that the Securities are redeemed at a time when the Outstanding Principal Amount is equal to zero, no interest will be payable in respect of the Securities.

(i) *Interpretation*

Each reference in the Conditions to "each principal amount of Securities equal to the Calculation Amount" shall be deemed to be to "each principal amount of Securities which as of the Issue Date had a principal amount equal to the Calculation Amount".

In the event of any inconsistency between this § 6(26) and any other provision of § 6 or any provision of § 3, the provisions of this § 6(26) will prevail.

"PROVISIONS FOR CREDIT LINKED SECURITIES

Interpretation

Any references herein to an Auction, Convened DC Voting Members, Credit Derivatives Auction Settlement Terms, Credit Derivatives Determinations Committee, DC Resolution, DC Rules, DC Secretary Announcement or Resolution (in each case howsoever described) shall be deemed to be only to that which would be relevant or applicable under or in relation to credit derivatives transactions incorporating the 2014 Definitions.

In the case of Securities for which more than one Reference Entity is specified in the applicable Final Terms, all references to "the Reference Entity" herein shall be construed to refer to the Reference Entity in respect of which of the relevant determination falls to be made at any relevant time and all related provisions and determinations will be construed accordingly.

For the avoidance of doubt no Securities will be considered frustrated, or otherwise void or voidable (whether for mistake or otherwise) solely because:

- (a) any relevant Reference Entity does not exist on, or ceases to exist on or following, the Trade Date; and/or
- (b) Obligations, Deliverable Obligations or the Reference Obligation do not exist on, or cease to exist on or following, the Trade Date.

Any references in this § 6 to ISDA will include any other entity which succeeds to or is performing functions previously undertaken by ISDA in relation to Credit Derivatives Determinations Committees and references to Credit Derivatives Determinations Committees in relation to ISDA will include any successor thereto and the Calculation Agent may make such adjustments to this § 6 and the applicable Final Terms as it determines appropriate to account for the application of these provisions.

For the avoidance of doubt, the application of any of § 6(4), § 6(5) or § 6(6) below shall not preclude the application of any such Condition or any other such Condition either contemporaneously or subsequently and in the event that any such Conditions are inconsistent or the Calculation Agent becomes entitled to exercise one or more discretions under one or more of such Conditions, the Calculation Agent may elect in its discretion which Condition(s) shall apply and under which Condition(s) it shall exercise its discretion.

(1) *Auction Settlement*

If a Credit Event Determination Date occurs and "Auction Settlement" is specified in the applicable Final Terms, the Issuer shall give notice to the Securityholders in accordance with § [12][15] and redeem all but not some only of the Securities, each principal amount of Securities equal to the Calculation Amount being redeemed by the Issuer at the Credit Event Redemption Amount on the Credit Event Redemption Date, provided that if the relevant Credit Event Determination Date is subsequently deemed not to have occurred in accordance with the definition thereof in § 6(10), the redemption of the Securities shall be cancelled and the Securities shall continue in accordance with their terms as if the relevant Credit Event Determination Date had not occurred, subject to such adjustments as the Calculation Agent determines appropriate in its sole and absolute discretion to reflect the retrospective effect of this proviso (including, without limitation, adjusting the due date for payment of any amount payable under the Securities). The Issuer shall give notice to the Securityholders in accordance with § [12][15] that the relevant Credit Event Determination Date is deemed not to have occurred as soon as practicable thereafter.

If:

- (x) unless settlement has occurred in accordance with the paragraph above, a Credit Event Determination Date occurs pursuant to sub-paragraph (a) of the definition thereof and on or prior to the Auction Cut-Off Date:
 - (i) the DC Secretary publicly announces, with respect to a Credit Event, that (a) no Credit Derivatives Auction Settlement Terms will be published in relation to obligations of appropriate seniority of the Reference Entity (b) the relevant Credit Derivatives Determinations Committee has Resolved that no Credit Derivatives Auction Settlement Terms will be published following a prior public announcement by the DC Secretary to the contrary (the date on which the DC Secretary first makes either such announcement, the "**No Auction Announcement Date**");
 - (ii) no No Auction Announcement Date has occurred but the relevant Credit Derivatives Determinations Committee has not determined that one or more Auctions will be held in accordance with any Credit Derivatives Auction Settlement Terms in relation to obligations of appropriate seniority of the Reference Entity;
 - (iii) an Auction Cancellation Date occurs; or

- (iv) the Calculation Agent determines that it is not reasonably likely that an Auction will be held in accordance with any Credit Derivatives Auction Settlement Terms in relation to obligations of appropriate seniority of the Reference Entity and gives notice of such to the Issuer (the date on which the Calculation Agent gives such notice, the "**Calculation Agent No Auction Determination Date**"); or
- (y) a Credit Event Determination Date occurs pursuant to sub-paragraph (b) of the definition thereof,

then:

- (A) if "Cash Settlement" is specified as the applicable Fallback Settlement Method in the applicable Final Terms, the Issuer shall redeem the Securities in accordance with § 6(2) below; or
- (B) if "Physical Settlement" is specified as the applicable Fallback Settlement Method in the applicable Final Terms, the Issuer shall redeem the Securities in accordance with § 6(3) below.

If a Credit Event Determination Date occurs and the Securities become redeemable in accordance with this § 6(1), upon payment of the Credit Event Redemption Amount in respect of the Securities the Issuer shall have discharged its obligations in respect of the Securities and shall have no other liability or obligation whatsoever in respect thereof. The Credit Event Redemption Amount may be less than the principal amount of a Security. Any shortfall shall be borne by the Securityholders and no liability shall attach to the Issuer.

(2) *Cash Settlement*

If a Credit Event Determination Date occurs and "Cash Settlement" is specified in the applicable Final Terms or if § 6(1)(A) above applies, the Issuer shall give notice to the Securityholders in accordance with § [12][15] and redeem all but not some only of the Securities, each principal amount of Securities equal to the Calculation Amount being redeemed by the Issuer at the Credit Event Redemption Amount on the Credit Event Redemption Date, provided that if the relevant Credit Event Determination Date is subsequently deemed not to have occurred in accordance with the definition thereof in § 6(10), the redemption of the Securities shall be cancelled and the Securities shall continue in accordance with their terms as if the relevant Credit Event Determination Date had not occurred, subject to such adjustments as the Calculation Agent determines appropriate in its sole and absolute discretion to reflect the retrospective effect of this proviso (including, without limitation, adjusting the due date for payment of any amount payable under the Securities). The Issuer shall give notice to the Securityholders in accordance with § [12][15] that the relevant Credit Event Determination Date is deemed not to have occurred as soon as practicable thereafter.

If a Credit Event Determination Date occurs and the Securities become redeemable in accordance with this § 6(2), upon payment of the Credit Event Redemption Amount in respect of the Securities the Issuer shall have discharged its obligations in respect of the Securities and shall have no other liability or obligation whatsoever in respect thereof. The Credit Event Redemption Amount may be less than the principal amount of a Security. Any shortfall shall be borne by the Securityholders and no liability shall attach to the Issuer.

(3) *Physical Settlement*

- (a) If a Credit Event Determination Date occurs and "Physical Delivery" is specified in the applicable Final Terms or if § 6(1)(B) above applies, the Issuer shall give notice (such notice a "**Notice of Physical Settlement**") to the Securityholders in accordance with § [12][15] and redeem all but not some only of the Securities, each principal amount of Securities equal to the Calculation Amount being redeemed by Delivery of the Deliverable Obligations comprising the Asset Amount, subject to and in accordance with § 6(7) and (8), provided that if the relevant

Credit Event Determination Date is subsequently deemed not to have occurred in accordance with the definition thereof in § 6(10), the redemption of the Securities shall be cancelled and the Securities shall continue in accordance with their terms as if the relevant Credit Event Determination Date had not occurred, subject to such adjustments as the Calculation Agent determines appropriate in its sole and absolute discretion to reflect the retrospective effect of this proviso (including, without limitation, adjusting the due date for payment of any amount payable under the Securities). The Issuer shall give notice to the Securityholders in accordance with § [12][15] that the relevant Credit Event Determination Date is deemed not to have occurred as soon as practicable thereafter.

In the Notice of Physical Settlement the Issuer shall specify the Deliverable Obligations comprising the Asset Amount that it reasonably expects to Deliver and the Outstanding Principal Balance or Due and Payable Amount, as applicable, or the equivalent amount in the Settlement Currency (in each case, the "**Outstanding Amount**") and, if different, the face amount, of each such Deliverable Obligation and the aggregate Outstanding Amount of such Deliverable Obligations (the "**Aggregate Outstanding Amount**"). **For the avoidance of doubt, the Calculation Agent shall be entitled to select any of the Deliverable Obligations to constitute the Asset Amount, irrespective of their market value.**

The Issuer may, from time to time, amend a Notice of Physical Settlement by delivering a notice to Securityholders in accordance §[12][15] (each such notification, a "**Physical Settlement Amendment Notice**") that the Issuer is replacing, in whole or in part, one or more Deliverable Obligations specified in the Notice of Physical Settlement or a prior Physical Settlement Amendment Notice, as applicable (to the extent the relevant Deliverable Obligation has not been Delivered as of the date such Physical Settlement Amendment Notice is effective). A Physical Settlement Amendment Notice shall specify each replacement Deliverable Obligation that the Issuer will Deliver (each, a "**Replacement Deliverable Obligation**") and shall also specify the Outstanding Amount of each Deliverable Obligation identified in the Notice of Physical Settlement or a prior Physical Settlement Amendment Notice, as applicable, that is being replaced (with respect to each such Deliverable Obligation, the "**Replaced Deliverable Obligation Outstanding Amount**"). The Outstanding Amount of each Replacement Deliverable Obligation identified in a Physical Settlement Amendment Notice shall be determined by applying the Revised Currency Rate to the relevant Replaced Deliverable Obligation Outstanding Amount. The Outstanding Amount of the Replacement Deliverable Obligation(s) specified in any Physical Settlement Amendment Notice in aggregate with the Outstanding Amount of the Deliverable Obligation(s) specified in the Notice of Physical Settlement or any earlier Physical Settlement Amendment Notice which, in each case, are not being replaced must not be greater than the Aggregate Outstanding Amount. Each such Physical Settlement Amendment Notice must be effective on or prior to the Settlement Date (determined without reference to any change resulting from such Physical Settlement Amendment Notice).

Notwithstanding the foregoing, (i) the Issuer may correct any errors or inconsistencies contained in the Physical Settlement Notice or any Physical Settlement Amendment Notice, as applicable, by notice to Securityholders in accordance with §[12][15], prior to the relevant Delivery Date and (ii) if Asset Package Delivery is applicable, the Issuer shall on the NOPS Effective Date, or as soon as reasonably practicable thereafter (but in any case, prior to the Delivery Date), notify the Securityholders in accordance with §[12][15] of the detailed description of the Asset Package, if any, that the Issuer intends to Deliver in lieu of the Prior Deliverable Obligation or Package Observable Bond, if any, specified in the Notice of Physical Settlement or Physical Settlement Amendment Notice, as applicable, it being understood in each case that any such notice shall not constitute a Physical Settlement Amendment Notice.

- (b) If "Mod R" is specified as applicable in the applicable Final Terms and Restructuring is the only Credit Event specified in a Credit Event Notice or the subject of the DC Resolution resulting in the occurrence of a Credit Event Determination Date, as applicable, then unless the Deliverable Obligation is a Prior Deliverable Obligation and Asset Package Delivery applies

due to a Governmental Intervention a Deliverable Obligation may only be included in the Asset Amount if it (i) is a Fully Transferable Obligation and (ii) has a final maturity date not later than the Restructuring Maturity Limitation Date, in each case, as of both the NOPS Effective Date and the Delivery Date.

- (c) If "Mod Mod R" is specified as applicable in the applicable Final Terms and Restructuring is the only Credit Event specified in a Credit Event Notice or the subject of the DC Resolution resulting in the occurrence of a Credit Event Determination Date, as applicable, then unless the Deliverable Obligation is a Prior Deliverable Obligation and Asset Package Delivery applies due to a Governmental Intervention a Deliverable Obligation may be included in the Asset Amount only if it (i) is a Conditionally Transferable Obligation and (ii) has a final maturity date not later than the applicable Modified Restructuring Maturity Limitation Date, in each case, as of both the NOPS Effective Date and the Delivery Date. Notwithstanding the foregoing, for purposes of this paragraph (c), in the case of a Restructured Bond or Loan with a final maturity date on or prior to the 10-year Limitation Date, the final maturity date of such Bond or Loan shall be deemed to be the earlier of such final maturity date or the final maturity date of such Bond or Loan immediately prior to the relevant Restructuring.
- (d) For the purposes of making a determination pursuant to paragraphs (b) or (c) above or the definition of Restructuring Maturity Limitation Date, the final maturity date shall, subject to paragraph (c), be determined on the basis of the terms of the Deliverable Obligation in effect at the time of making such determination and, in the case of a Deliverable Obligation that is due and payable, the final maturity date shall be deemed to be the date on which such determination is made.
- (e) Asset Package Delivery will apply if an Asset Package Credit Event occurs, unless (i) such Asset Package Credit Event occurs prior to the Credit Event Backstop Date determined in respect of the Credit Event specified in the Credit Event Notice or DC Credit Event Announcement applicable to the Credit Event Determination Date, as applicable, or if later and the relevant Credit Event Backstop Date was determined pursuant to paragraph (b) thereof, the date that is 60 calendar days prior to the Notice Delivery Date, or (ii) if the Reference Entity is a Sovereign, no Package Observable Bond exists immediately prior to such Asset Package Credit Event.

If a Credit Event Determination Date occurs and the Securities become redeemable in accordance with this § 6(3), upon Delivery of the Deliverable Obligations Deliverable and/or payment of the Cash Settlement Amount, as the case may be, the Issuer shall have discharged its obligations in respect of the Securities and shall have no other liability or obligation whatsoever in respect thereof. The value of such Deliverable Obligations and/or the Cash Settlement Amount may be less than the principal amount of a Security. Any shortfall shall be borne by the Securityholders and no liability shall attach to the Issuer.

(4) *Repudiation/Moratorium Extension.*

Where "Repudiation/Moratorium" is specified as a Credit Event in the applicable Final Terms, the provisions of this § 6(4) shall apply.

If the Security is in definitive form, the Security must be delivered together with the duly completed Asset Transfer Notice. An Asset Transfer Notice must:

The Calculation Agent will notify (which notification may be by telephone) the Issuer of the Replacement Standard Reference Obligation as soon as reasonably practicable after it has been identified in accordance with paragraph (b) above and the Replacement Standard Reference Obligation shall constitute the Reference Obligation immediately upon such notification.
- (d) If the Calculation Agent determines that no Replacement Standard Reference Obligation is available for the Reference Obligation, then notwithstanding the fact that the Standard Reference Obligation has ceased to be the Reference Obligation in accordance with the definition thereof, the Calculation Agent shall continue to attempt to identify the Replacement Standard Reference Obligation (unless and until a new Standard Reference Obligation constitutes the Reference Obligation in accordance with the definition thereof).

- (b) The Calculation Agent will be responsible for determining, as soon as reasonably practicable after delivery of a Successor Notice and with effect from the Succession Date, any Successor or Successors under paragraph (a) above; provided that the Calculation Agent will not make such determination if, at the time of determination, the DC Secretary has publicly announced that the relevant Credit Derivatives Determinations Committee has Resolved that there is no Successor based on the relevant succession to Relevant Obligations, unless the Calculation Agent, acting in good faith and in a commercially reasonable manner and taking into account the differences between the definition of Successor under the 2014 Definitions and the definition of Successor hereunder and such other factor(s) as it deems appropriate, determines that it is inappropriate to follow such DC Resolutions for the purposes of the Securities.

(22) *Provisions taken from the ISDA supplement titled "Additional Provisions for Monoline Insurer Reference Entities" (published on 15 September 2014)*

If § 6(22) is specified as applicable in the applicable Final Terms, the following provisions will apply:

- (a) *Obligation and Deliverable Obligation.* Sub-paragraph (a) of the definition of "Obligation" in § 6(10) and sub-paragraph (a) of the definition of "Deliverable Obligation" in § 6(10) are hereby amended by adding "or Qualifying Policy" after "or as provider of a Relevant Guarantee".
- (b) *Interpretation of Provisions.* In the event that an Obligation or a Deliverable Obligation is a Qualifying Policy, paragraph (B) of the definition of "Deliverable Obligation" in § 6(10) will apply, with references to the Relevant Guarantee, the Underlying Obligation and the Underlying Obligor deemed to include the Qualifying Policy, the Insured Instrument and the Insured Obligor, respectively, except that:
 - (A) the Obligation Category Borrowed Money and the Obligation Category and Deliverable Obligation Category Bond shall be deemed to include distributions payable under an Insured Instrument in the form of a pass-through certificate or similar funded beneficial interest, the Deliverable Obligation Category Bond shall be deemed to include such an Insured Instrument, and the terms "obligation" and "obligor" as used in this § 6 in respect of such an Insured Instrument shall be construed accordingly;
 - (B) references in the definitions of Assignable Loan and Consent Required Loan to "the guarantor" and "guaranteeing" shall be deemed to include "the insurer" and "insuring", respectively;
 - (C) neither the Qualifying Policy nor the Insured Instrument must satisfy on the relevant date the Deliverable Obligation Characteristic of Accelerated or Matured, whether or

not that characteristic is otherwise specified as applicable in the applicable Final Terms;

- (D) if the Assignable Loan, Consent Required Loan, Direct Loan Participation or Transferable Deliverable Obligation Characteristics are specified in the applicable Final Terms and if the benefit of the Qualifying Policy is not transferred as part of any transfer of the Insured Instrument, the Qualifying Policy must be transferable at least to the same extent as the Insured Instrument;
 - (E) with respect to an Insured Instrument in the form of a pass-through certificate or similar funded beneficial interest, the term "maturity", as such term is used in the Maximum Maturity Deliverable Obligation Characteristic, shall mean the specified date by which the Qualifying Policy guarantees or insures, as applicable, that the ultimate distribution of the Certificate Balance will occur; and
 - (F) with respect to a Qualifying Policy and an Insured Instrument, only the Qualifying Policy must satisfy on the relevant date or dates the "Not Subordinated" Obligation Characteristic or Deliverable Obligation Characteristic, if applicable.
- (c) *Outstanding Principal Balance.* References in paragraph (i) of the definition of "Outstanding Principal Balance" in § 6(10) to a Guarantee, the Underlying Obligation and the Underlying Obligor shall be deemed to include a Qualifying Policy, the Insured Instrument and the Insured Obligor respectively. Any provisions of an Insured Instrument limiting recourse in respect of such Insured Instrument to the proceeds of specified assets (including proceeds subject to a priority of payments) or reducing the amount of any Instrument Payments owing under such Insured Instrument shall be disregarded for the purposes of limb (B) of paragraph (ii) of the definition of "Outstanding Principal Balance" provided that such provisions are not applicable to the Qualifying Policy by the terms thereof and the Qualifying Policy continues to guarantee or insure, as applicable, the Instrument Payments that would have been required to be made absent any such limitation or reduction. By specifying that this § 6(22) is applicable, no inference should be made as to the interpretation of the "Outstanding Principal Balance" in the context of limited recourse or similar terms applicable to Deliverable Obligations other than Qualifying Policies.
- (d) *Deliver.* For the purposes of the definition of "Deliver" in § 6(10), "Deliver" with respect to an obligation that is a Qualifying Policy means to Deliver both the Insured Instrument and the benefit of the Qualifying Policy (or a custodial receipt issued by an internationally recognised custodian representing an interest in such an Insured Instrument and the related Qualifying Policy), and "Delivery" and "Delivered" will be construed accordingly.
- (e) *Provisions for Determining a Successor.* Paragraphs (a), (d) and (f) of the definition of "Successor" in § 6(10) are hereby amended by adding "or Qualifying Policy" after each occurrence of "a Relevant Guarantee". Such paragraph (f) will be further amended by adding "or provider of a Qualifying Policy" after "as guarantor or guarantors".
- (f) *Original Non-Standard Reference Obligation, Substitute Reference Obligation and Substitution Event.* The definition of "Original Non-Standard Reference Obligation", paragraph (c)(i) of the definition of "Substitute Reference Obligation" and paragraph (iii) of "Substitution Event" in § 6(10) are hereby amended by adding "or Qualifying Policy" after "a guarantee".
- (g) *Restructuring*
- (i) With respect to an Insured Instrument that is in the form of a pass-through certificate or similar funded beneficial interest or a Qualifying Policy with respect thereto, paragraphs (i) to (v) inclusive of the definition of "Restructuring" in § 6(10) are hereby amended to read as follows:

- "(i) a reduction in the rate or amount of the Instrument Payments in clause (A)(x) of the definition thereof that are guaranteed or insured by the Qualifying Policy (including by way of redenomination); a reduction in the amount of the Instrument Payments described in clause (A)(y) of the definition thereof that are guaranteed or insured by the Qualifying Policy (including by way of redenomination);
- (ii) a postponement or other deferral of a date or dates for either (A) the payment or accrual of the Instrument Payments described in clause (A)(x) of the definition thereof or (B) the payment of the Instrument Payments described in clause (A)(y) of the definition thereof, in each case that are guaranteed or insured by the Qualifying Policy;
- (iii) a change in the ranking in priority of payment of (A) any Obligation under a Qualifying Policy in respect of Instrument Payments, causing the Subordination of such Obligation to any other Obligation or (B) any Instrument Payments, causing the Subordination of such Insured Instrument to any other instrument in the form of a pass-through certificate or similar funded beneficial interest issued by the Insured Obligor, it being understood that, for this purpose, Subordination will be deemed to include any such change that results in a lower ranking under a priority of payments provision applicable to the relevant Instrument Payments; or
- (iv) any change in the currency of any payment of Instrument Payments that are guaranteed or insured by the Qualifying Policy to any currency other than the lawful currency of Canada, Japan, Switzerland, the United Kingdom, the United States of America and the euro and any successor currency to any of the aforementioned currencies (which in the case of the euro, shall mean the currency which succeeds to and replaces the euro in whole)."
- (ii) Paragraph (d) of the definition of "Restructuring" in § 6(10) is hereby amended by adding "or, in the case of a Qualifying Policy and an Insured Instrument, where (A) the Qualifying Policy continues to guarantee or insure, as applicable, that the same Instrument Payments will be made on the same dates on which the Qualifying Policy guaranteed or insured that such Instrument Payments would be made prior to such event and (B) such event is not a change in the ranking in the priority of payment of the Qualifying Policy" at the end thereof.
- (iii) The definition of "Restructuring" in § 6(10) is hereby amended by the insertion of the following paragraph after the final paragraph thereof:

"For purposes of this definition of "Restructuring" and § 6(12), the term "Obligation" shall be deemed to include Insured Instruments for which the Reference Entity is acting as provider of a Qualifying Policy. In the case of a Qualifying Policy and an Insured Instrument, references to the Reference Entity in the first paragraph of this definition of "Restructuring" shall be deemed to refer to the Insured Obligor and the reference to the Reference Entity in the second paragraph of this definition of "Restructuring" shall continue to refer to the Reference Entity."

- (h) *Fully Transferable Obligation and Conditionally Transferable Obligation.* In the event that a Fully Transferable Obligation or Conditionally Transferable Obligation is a Qualifying Policy, the Insured Instrument must meet the requirements of the relevant definition and, if the benefit of the Qualifying Policy is not transferred as part of any transfer of the Insured Instrument, the Qualifying Policy must be transferable at least to the same extent as the Insured Instrument. References in the definition of "Conditionally Transferable Obligation" to "the guarantor" and "guaranteeing" shall be deemed to include "the insurer" and "insuring", respectively. With respect to an Insured Instrument in the form of a pass-through certificate or similar funded beneficial interest, the term "final maturity date", as such term is used in § 6(3) and the

definition of "Restructuring Maturity Limitation Date", shall mean the specified date by which the Qualifying Policy guarantees or insures, as applicable, that the ultimate distribution of the Certificate Balance will occur.

- (i) *Other Provisions.* For purposes of the definitions of "Credit Event", "Deliver" and "Prohibited Action" in § 6(10) references to the "Underlying Obligation" and the "Underlying Obligor" shall be deemed to include "Insured Instruments" and the "Insured Obligor", respectively.
- (j) *Additional Definitions.*

"Qualifying Policy" means a financial guaranty insurance policy or similar financial guarantee pursuant to which a Reference Entity irrevocably guarantees or insures all Instrument Payments of an instrument that constitutes Borrowed Money (modified as set forth in this § 6(22)) (the **"Insured Instrument"**) for which another party (including a special purpose entity or trust) is the obligor (the **"Insured Obligor"**). Qualifying Policies shall exclude any arrangement (i) structured as a surety bond, letter of credit or equivalent legal arrangement or (ii) pursuant to the express contractual terms of which the payment obligations of the Reference Entity can be discharged or reduced as a result of the occurrence or non-occurrence of an event or circumstance (other than the payment of Instrument Payments).

- (c) each Reference Obligation will be a Deliverable Obligation notwithstanding anything to the contrary in these Terms and Conditions including, but not limited to the definition of "Deliverable Obligation" in § 6(10) and in particular, notwithstanding that the obligation is not an obligation of the Reference Entity.

For the avoidance of doubt with respect to any LPN Reference Obligation that specifies an Underlying Loan or an Underlying Finance Instrument, the outstanding principal balance shall

The "Standard Reference Obligation" provisions shall not apply. The proviso in the definition of Original Non-Standard Reference Obligation shall not apply.

It is intended that there may be more than one Reference Obligation, as a result of which all applicable references in these Terms and Conditions to "the Reference Obligation" shall be construed as a reference to "a Reference Obligation", and all other provisions of these Terms and Conditions shall be construed accordingly. The definitions of "Substitution Event" and "Substitute Reference Obligation" in § 6(10) shall not be applicable to LPN Reference Obligations."; and

- (e) the following additional definitions shall apply:

"LPN Reference Obligation" means each Reference Obligation other than any Additional Obligation.

For the avoidance of doubt, any change to the issuer of an LPN Reference Obligation in accordance with its terms shall not prevent such LPN Reference Obligation constituting a Reference Obligation.

Each LPN Reference Obligation is issued for the sole purpose of providing funds for the LPN Issuer to finance a loan to the Reference Entity. For the purposes of the Securities each such loan shall be an Underlying Loan.

will be a Deliverable Obligation notwithstanding anything to the contrary in these Terms and Conditions and in particular, notwithstanding that a Qualifying Sukuk Obligation may not be an obligation of the Reference Entity.

For the avoidance of doubt, any change as to the identity of the Sukuk Issuer shall not prevent a Sukuk Obligation from constituting a Qualifying Sukuk Obligation.

- (4) **Markit Published Sukuk Obligation.** "Markit Published Sukuk Obligation" means each obligation set forth, as of the Credit Event Determination Date or if later, the date of the DC Credit Event Announcement, on the relevant sukuk obligations list in respect of the Reference Entity, as published by Markit Group Limited, or any successor thereto.
- (5) **Reference Obligation.** The definition of "Reference Obligation" in § 6(10) above shall be deleted in its entirety and replaced with the following:

"**Reference Obligation**" means (a) (i) each obligation specified as such or of a type described in the applicable Final Terms (if any are so specified or described) or (ii) if an obligation or type of obligation is not specified in the applicable Final Terms, each Markit Published Sukuk Obligation and (b) any Substitute Reference Obligation."

It is intended that there may be more than one Reference Obligation, as a result of which all applicable references in these Terms and Conditions to "the Reference Obligation" shall be construed as a reference to "a Reference Obligation", and all other provisions of these Terms and Conditions shall be construed accordingly.

The "Standard Reference Obligation", "Non-Standard Reference Obligation", "Original Non-Standard Reference Obligation" and "Seniority Level" provisions shall not apply.

- (6) **Qualifying Sukuk Obligation.** "Qualifying Sukuk Obligation" means any Sukuk Obligation in respect of which (a) if the related Recourse Obligation (if any) is not a Recourse Guarantee, the related Recourse Obligation is described by the Payment Obligation Category, satisfies the Not Subordinated Obligation Characteristic on the relevant date and, pursuant to its terms, may not be reduced as a result of the occurrence or non-occurrence of an event or circumstance (other than payment) or (b) if the related Recourse Obligation (if any) is a Recourse Guarantee, (i) the Underlying Recourse Obligation is described by the Payment Obligation Category, satisfies the Not Subordinated Obligation Characteristic on the relevant date and, pursuant to its terms, may not be reduced as a result of the occurrence or non-occurrence of an event or circumstance (other than payment) and (ii) the related Recourse Obligation satisfies the Not Subordinated Obligation Characteristic on the relevant date.
- (7) **Sukuk Obligations.** "Sukuk Obligation" means any trust certificate or other instrument (a "Sukuk Certificate") evidencing a beneficial or other ownership interest in assets, rights, benefits or entitlements and which may be issued by the Reference Entity or another entity (in either case, the "Sukuk Issuer") where if the Reference Entity is not the Sukuk Issuer, the Sukuk Issuer (or any agent, delegate or trustee acting on its behalf) has recourse to the Reference Entity and/or to assets over which the Reference Entity has granted security in

favour of the Sukuk Issuer (or any agent, delegate or trustee acting on its behalf) in order to fund payment obligations of the Sukuk Issuer under the Sukuk Certificates (whether such recourse is pursuant to (a) an obligation of the Reference Entity to purchase assets owned by the Sukuk Issuer or (b) any other obligation of the Reference Entity, including as provider of any Recourse Guarantee (each such obligation, a "**Recourse Obligation**")).

For the purposes of the foregoing, "**Recourse Guarantee**" means an arrangement evidenced by a written instrument pursuant to which the Reference Entity irrevocably agrees (by guarantee of payment or equivalent legal arrangement) to pay all amounts due under an obligation (the "**Underlying Recourse Obligation**") for which another party is the obligor (the "**Underlying Recourse Obligor**"). Recourse Guarantees shall exclude any arrangement (a) structured as surety bond, financial guarantee insurance policy, letter of credit or equivalent legal arrangement or (b) pursuant to the terms of which the payment obligations of the Reference Entity can be discharged, reduced or otherwise altered or assigned (other than by operation of law) as a result of the occurrence or non-occurrence of an event or circumstance (other than payment).

- (8) The definition of "Potential Failure to Pay" in § 6(10) above shall be deleted in its entirety and replaced with the following:

"**Potential Failure to Pay**" means (a) in relation to any Obligations other than Sukuk Obligations, the failure by a Reference Entity to make, when and where due, any payments under one or more Obligations, in accordance with the terms of such Obligations at the time of such failure and/or (b) in relation to any Obligations that are Sukuk Obligations, the failure by the Reference Entity or the Sukuk Issuer to make, when and where due any payments or Expected Payments under one or more Sukuk Obligations or any payments under one or more related Recourse Obligations, as applicable, in accordance with the terms of such Sukuk Obligations or Recourse Obligations, as applicable, at the time of such failure, where the aggregate amount of such failures under sub-clause (a) and sub-clause (b) (aggregated for the Reference Entity and all related Sukuk Issuers but without double counting amounts in respect of the same Sukuk Obligation (whether such amounts are in respect of such Sukuk Obligation or related Recourse Obligation)) is not less than the Payment Requirement, in each case without regard to any grace period or conditions precedent to the commencement of any grace period applicable to such Obligations."

- (9) The definition of "Failure to Pay" in § 6(10) above shall be deleted in its entirety and replaced with the following:

"**Failure to Pay**" means, after the expiration of any applicable Grace Period (after the satisfaction of any conditions precedent to the commencement of such Grace Period) (a) in relation to any Obligations other than Sukuk Obligations, the failure by a Reference Entity to make, when and where due, any payments under one or more Obligations, in accordance with the terms of such Obligations at the time of such failure and/or (b) in relation to any Obligations that are Sukuk Obligations, the failure by the Reference Entity or the Sukuk Issuer to make, when and where due, any payments or Expected Payments under one or more Sukuk Obligations or any payments under one or more related Recourse Obligations, as applicable, in accordance with the terms of such Sukuk Obligations or Recourse Obligations, as applicable, at the time of such failure, where the aggregate amount of such failures under sub-clause (a) and sub-clause (b) (aggregated for the Reference Entity and all related Sukuk Issuers but without double counting amounts in respect of the same Sukuk Obligation (whether such amounts are in respect of such Sukuk Obligation or related Recourse Obligation)) is not less than the Payment Requirement. If an occurrence that would constitute a Failure to Pay (a) is a result of a redenomination that occurs as a result of action taken by a Governmental Authority which is of general application in the jurisdiction of such Governmental Authority and (b) a freely available market rate of conversion existed at the time of the redenomination, then such occurrence will be deemed not to constitute a Failure to Pay unless the redenomination itself constituted a reduction in the rate or amount of principal, interest or premium payable (as

determined by reference to such freely available market rate of conversion) at the time of such redenomination."

- (10) **"Expected Payments"** means, in relation to any Sukuk Obligations and with respect to any day, the amount of any payment or distribution expected to be made on such day in accordance with the initial schedule of payments as specified in the terms of such Sukuk Obligation or the offering circular relating to such Sukuk Obligation, determined without regard to the effect of any provisions of such Sukuk Obligation that permit the expected payments or distributions to be reduced, extinguished, postponed or withheld or for recourse in respect of such Sukuk Obligation to be limited (or any similar provisions, howsoever described).
- (11) The definition of "Due and Payable Amount" in § 6(10) above shall be amended such that in respect of Sukuk Obligations only, the words "or expected to be due and payable" shall be added immediately after the words "the amount that is due and payable" therein. Any provisions of a Sukuk Obligation that permit expected amounts payable to be reduced, extinguished, postponed or withheld or for recourse in respect of such Qualifying Sukuk Obligation to be limited (or any similar provisions, howsoever described) shall be disregarded for the purposes of determining the Due and Payable Amount under § 6(10) above.

- (13) In respect of Securities for which "Standard Sukuk Sovereign" is the Transaction Type and in relation to which the Sukuk Issuer is not the Reference Entity, notwithstanding anything to the contrary in these Terms and Conditions or the applicable Final Terms, "Bankruptcy" shall be deemed to have been specified as a Credit Event in the applicable Final Terms and any references to "Reference Entity" in the definition thereof shall be deleted and replace with "Sukuk Issuer".

- (30) *Provisions taken from the ISDA supplement titled "2019 NTCE Supplement to the 2014 ISDA Credit Derivatives Definitions (15 July 2019)"*

If § 6(30) is specified as applicable in the applicable Final Terms, notwithstanding anything to the contrary in these Terms and Conditions, the following provisions will apply:

- (a) The definition of Outstanding Principal Balance in § 6(10) shall be deleted in its entirety and replaced with the following:

"Outstanding Principal Balance" means the outstanding principal balance of an obligation which will be calculated as follows:

- (i) first, by determining, in respect of the obligation, the amount of the Reference Entity's principal payment obligations and, where applicable in accordance with § 6(13)(b), the Reference Entity's accrued but unpaid interest payment obligations (which, in the case of a Guarantee will be the lower of (A) the Outstanding Principal Balance (including accrued but unpaid interest, where applicable) of the Underlying Obligation (determined as if references to the Reference Entity were references to the Underlying Obligor) and (B) the amount of the Fixed Cap, if any);
- (ii) second, by subtracting all or any portion of such amount which, pursuant to the terms of the obligation, (A) is subject to any Prohibited Action, or (B) may otherwise be reduced as a result of the effluxion of time or the occurrence or non-occurrence of an event or circumstance (other than by way of (I) payment or (II) a Permitted Contingency) (the amount determined in accordance with paragraph (i) above less

any amounts subtracted in accordance with this paragraph (ii), the "**Non-Contingent Amount**"); and

- (iii) third, by determining the Quantum of the Claim, which shall then constitute the Outstanding Principal Balance, in each case, determined:
- (A) unless otherwise specified, in accordance with the terms of the obligation in effect on either (I) the NOPS Effective Date (or if the terms of the obligation are amended after such date but on or prior to the Delivery Date, the Delivery Date), or (II) the Valuation Date, as applicable; and
 - (B) with respect to the Quantum of the Claim only, in accordance with any applicable laws (insofar as such laws reduce or discount the size of the claim to reflect the original issue price or accrued value of the obligation).

For the purposes of paragraph (B) above, "applicable laws" shall include any bankruptcy or insolvency law or other law affecting creditors' rights to which the relevant obligation is, or may become, subject.

If "Fallback Discounting" is specified as applicable in the applicable Final Terms, then notwithstanding the above, if (i) the Outstanding Principal Balance of an obligation is not reduced or discounted under paragraph (B) above, (ii) that obligation is either a Bond that has an issue price less than ninety-five per cent of the principal redemption amount or a Loan where the amount advanced is less than ninety-five per cent of the principal repayment amount, and (iii) such Bond or Loan does not include provisions relating to the accretion over time of the amount which would be payable on an early redemption or repayment of such Bond or Loan that are customary for the applicable type of Bond or Loan as the case may be, then the Outstanding Principal Balance of such Bond or Loan shall be the lesser of (a) the Non-Contingent Amount; and (b) an amount determined by straight line interpolation between the issue price of the Bond or the amount advanced under the Loan and the principal redemption amount or principal repayment amount, as applicable.

For the purposes of determining whether the issue price of a Bond or the amount advanced under a Loan is less than ninety-five per cent of the principal redemption amount or principal repayment amount (as applicable) or, where applicable, for applying straight line interpolation:

- (x) where such Bond or Loan was issued as a result of an exchange offer, the issue price or amount advanced of the new Bond or Loan resulting from the exchange shall be deemed to be equal to the aggregate Outstanding Principal Balance of the original obligation(s) that were tendered or exchanged (the "**Original Obligation(s)**") at the time of such exchange (determined without regard to market or trading value of the Original Obligation(s)); and
- (y) in the case of a Bond or Loan that is fungible with a prior debt obligation previously issued by the Reference Entity, such Bond or Loan shall be treated as having the same issue price or amount advanced as the prior debt obligation.

In circumstances where a holder would have received more than one obligation in exchange for the Original Obligation(s), the Calculation Agent will determine the allocation of the aggregate Outstanding Principal Balance of the Original Obligation(s) amongst each of the resulting obligations for the purpose of determining the issue price or amount advanced of the relevant Bond or Loan. Such allocation will take into account the interest rate, maturity, level of subordination and other terms of the

obligations that resulted from the exchange and shall be made by the Calculation Agent in accordance with the methodology (if any) determined by the relevant Credit Derivatives Determinations Committee or, if none, as determined by the Calculation Agent in such manner and by reference to such source(s) as it determines appropriate."

- (b) The definition of Failure to Pay in § 6(10) shall be deleted in its entirety and replaced with the following:

"Failure to Pay" means, after the expiration of any applicable Grace Period (after the satisfaction of any conditions precedent to the commencement of such Grace Period), the failure by the Reference Entity to make, when and where due, any payments in an aggregate amount of not less than the Payment Requirement under one or more Obligations, in accordance with the terms of such Obligations at the time of such failure. If "Credit Deterioration Requirement" is specified as applicable in the applicable Final Terms, then, notwithstanding the foregoing, it shall not constitute a Failure to Pay if such failure does not directly or indirectly either result from, or result in, a deterioration in the creditworthiness or financial condition of the Reference Entity, as determined by the Calculation Agent acting in good faith and in a commercially reasonable manner. In making such determination, the Calculation Agent may take into account the guidance note set out in paragraph 3 (*Interpretive Guidance*) of the ISDA 2019 Narrowly Tailored Credit Event Supplement to the 2014 ISDA Credit Derivatives Definitions (published on 15 July 2019)."

- (31) *Amendments in accordance with Market Convention*

The Calculation Agent may from time to time amend any provision of this § 6 and the applicable Final Terms in any manner which the Calculation Agent determines in a commercially reasonable manner is necessary or desirable from the perspective of the Issuer, the Calculation Agent or any Affiliate of the Issuer hedging the Issuer's obligations in respect of the Securities (i) to incorporate and/or reflect (x) further or alternative documents or protocols from time to time published by ISDA with respect to the documentation, trading or settlement of credit derivative transactions and/or (y) the operation or application of determinations by the Credit Derivatives Determinations Committees and/or (ii) to reflect or account for market practice for credit derivative transactions. Any amendment made in accordance with this § 6(30) shall be notified to Securityholders in accordance with § [12][15].

(ii) *Transfers of interests in Regulation S Global Securities.*

Prior to expiry of the applicable Distribution Compliance Period, transfers by the holder of, or of a beneficial interest in, a Regulation S Global Security to a transferee in the United States or who is a U.S. person will only be made:

- (x) upon receipt by the Registrar of a written certification substantially in the form set out in the Agency Agreement, amended as appropriate (a "**Transfer Certificate**"), copies of which are available from the specified office of the Registrar or any Transfer Agent, from the transferor of the Security or beneficial interest therein to the effect that such transfer is being made to a person whom the transferor reasonably believes is a QIB in a transaction meeting the requirements of Rule 144A; or
- (y) otherwise pursuant to the Securities Act or an exemption therefrom, subject to receipt by the Issuer of such satisfactory evidence as the Issuer may reasonably require, which may include an opinion of U.S. counsel, that such transfer is in compliance with any applicable federal or state securities laws of the United States,

and, in each case, in accordance with (1) any applicable federal or state securities laws of the United States or any other jurisdiction and (2) any applicable restriction on transfer imposed by the United States Commodity Exchange Act, as amended, as indicated and set out in the applicable Final Terms.

In the case of (x) above, such transferee may take delivery through a Legended Security in global or definitive form. After expiry of the applicable Distribution Compliance Period (1) beneficial interests in Regulation S Global Securities registered in the name of a nominee for DTC may be held through DTC directly, by a participant in DTC, or indirectly through a participant in DTC and (2) such certification requirements will no longer apply to such transfers.

(iii) *Transfers of interests in Legended Securities.*

Transfers of Legended Securities or beneficial interests therein may be made:

- (x) to a transferee who takes delivery of such interest through a Regulation S Global Security, upon receipt by the Registrar of a duly completed Transfer Certificate from the transferor to the effect that such transfer is being made in accordance with Regulation S and that in the case of a Regulation S Global Security registered in the name of a nominee for DTC, if such transfer is being made prior to expiry of the applicable Distribution Compliance Period, the interests in the Securities being transferred will be held immediately thereafter through Euroclear and/or CBL; or
- (y) to a transferee who takes delivery of such interest through a Legended Security where the transferee is a person whom the transferor reasonably believes is a QIB in a transaction meeting the requirements of Rule 144A, without certification; or

- (z) otherwise pursuant to the Securities Act or an exemption therefrom, subject to receipt by the Issuer of such satisfactory evidence as the Issuer may reasonably require, which may include an opinion of U.S. counsel, that such transfer is in compliance with any applicable securities laws of any State of the United States,

and, in each case, in accordance with (1) any applicable federal or state securities laws of the United States or any other jurisdiction and (2) any applicable restriction on transfer imposed by the United States Commodity Exchange Act as indicated and set out in the applicable Final Terms.

Upon the transfer, exchange or replacement of Legended Securities, or upon specific request for removal of the Legend, the Registrar shall deliver only Legended Securities or refuse to remove the Legend, as the case may be, unless there is delivered to the Issuer such satisfactory evidence as may reasonably be required by the Issuer, which may include an opinion of U.S. counsel, that neither the Legend nor the restrictions on transfer set forth therein are required to ensure compliance with the provisions of the Securities Act.

[insert if the Securities are issued initially pursuant to a Regulation S Global Security and/or a Rule 144A Global Security:

The Issuer will promptly give notice to Securityholders in accordance with § [12][15] if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, the relevant Clearing System (acting on the instructions of any holder of an interest in the Global Security) may give notice to the Registrar requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iv) above, the Issuer may also give notice to the Registrar requesting exchange. Any such exchange shall occur not later than ten days after the date of receipt of the first relevant notice by the Registrar."

13. If Option V applies and (i) Physical Delivery or (ii) Cash Settlement and/or Physical Delivery applies to the Securities and the Securities are English law Securities other than Credit Linked Securities, the following new § 6[(2)] shall be included:

- (a) In order to obtain delivery of the Asset Amount(s) in respect of a Security (i) if such Security is represented by a Global Security, the Securityholder must deliver to the relevant Clearing System, with a copy to the Issuer not later than the close of business in each place of reception on the Cut-Off Date, a duly completed Asset Transfer Notice or (ii) if such Security is a Definitive Note, the Securityholder must deliver to the Registrar or any Paying Agent with a copy to the Issuer not later than the close of business in each place of reception on the Cut-Off Date, a duly completed Asset Transfer Notice (as defined below).

Forms of the Asset Transfer Notice may be obtained during normal business hours from the specified office of the Registrar or any Paying Agent.

An Asset Transfer Notice may only be delivered if such Security is represented by a Global Security in such manner as is acceptable to the relevant Clearing System or, if such Security is a Definitive Security, in writing or by tested telex together with the Security Certificates to which the relevant Asset Transfer Notice relates.

An Asset Transfer Notice must:

- (1) specify the name and address of the Securityholder, the person from whom the Issuer may obtain details for the delivery of the Asset Amount and any details required for delivery of the Asset Amount;
- (2) if such Security is represented by a Global Security, specify the principal amount of Securities which are the subject of such notice and the number of the Securityholder's account at the relevant Clearing System to be debited with such Securities and irrevocably instruct and authorise the relevant Clearing System to debit the Securityholder's account with such Securities on or before the Delivery Date;

- (4) specify an account to which dividends (if any) payable pursuant to this subsection or any other cash amounts are to be paid; and authorise the production of such notice in any applicable administrative or legal proceedings.

No Asset Transfer Notice may be withdrawn after receipt thereof by the relevant Clearing System, the Registrar or a Paying Agent, as the case may be, as provided above. After delivery of an Asset Transfer Notice, the Securityholder may not transfer the Securities which are the subject of such notice.

In the case of Securities represented by a Global Security, upon receipt of such notice, the relevant Clearing System shall verify that the person specified therein as the Securityholder is the holder of the specified principal amount of Securities according to its books.

Failure properly to complete and deliver an Asset Transfer Notice may result in such notice being treated as null and void. Any determination as to whether such notice has been properly completed and delivered as provided in these Conditions shall be made in the case of Securities represented by a Global Security by the relevant Clearing System after consultation with the Issuer and shall be conclusive and binding on the Issuer and the Securityholder and, if such Security is in a definitive form, by the relevant Paying Agent or the Registrar after consultation with the Issuer, and shall be conclusive and binding on the Issuer and the Securityholder.

- (c) Delivery of the Asset Amount in respect of each Security shall be made at the risk of the Securityholder in such commercially reasonable manner as the Calculation Agent shall in its sole discretion determine and notify to the person designated by the Securityholder in the relevant Asset Transfer Notice [**or insert alternative manner of delivery**].

In relation to each Security which is to be redeemed by delivery of the Asset Amount, the Asset Amount will be delivered at the risk of the Securityholder, in the manner provided above on the Maturity Date (such date, subject to adjustment in accordance with this § 6 the "**Delivery Date**"), provided that the Asset Transfer Notice is duly delivered to the Clearing System or any Paying Agent, as the case may be, with a copy to the Issuer, as provided above, not later than the close of business in each place of receipt on [**insert the Cut-Off Date**] (the "**Cut-Off Date**").

If the Securityholder fails to give an Asset Transfer Notice as provided herein with a copy to the Issuer, not later than the close of business in each place of receipt on the Cut-Off Date, then the Asset Amount will be delivered as soon as practicable after the Maturity Date (in which case, such date of delivery shall be the Delivery Date) at the risk of the relevant Securityholder in the manner provided above. For the avoidance of doubt, in such circumstances the relevant Securityholder shall not be entitled to any payment, whether of interest or otherwise, as a result of such Delivery Date falling after the originally designated Delivery Date and no liability in respect thereof shall attach to the Issuer."

14. If the Securities are Credit Linked Securities and (i) Physical Delivery or (ii) Cash Settlement and/or Physical Delivery applies to the Securities, the following amendments will be made to § 6(7)(i):
 - (a) the words "or the Registrar" will be inserted after each reference to "Paying Agent" therein;
 - (b) the words "and the Registrar" will be inserted after the references to "relevant Clearing System" in the first, third and seventh paragraphs thereof;
 - (c) the words "together with the Security Certificates to which the relevant Asset Transfer Notice relates" will be inserted after the words "tested telex" at the end of the third paragraph thereof; and

- (d) the first sentence of paragraph four thereof commencing "If the Security is in definitive form" will be deleted.

Ensure that this is consistent with the wording in the "Description of the Securities - Form of the Securities" section in the Securities Note and the Securities themselves. N.B.: The option for an issue of Securities to be represented on issue by a Temporary Global Security exchangeable for Definitive Securities should not be expressed to be applicable if the Specified Denomination includes language substantially to the following effect: "[€100,000] and integral multiples of [€1,000] in excess thereof up to and including [€199,000]."

Anwendbar im Fall von Inhaberschuldverschreibungen. Es ist sicherzustellen, dass die Angaben in Einklang mit der in der Wertpapierbeschreibung enthaltenen Beschreibung im Abschnitt "Description of the Securities - Form of the Securities" und den Schuldverschreibungen selbst steht. Folgendes ist zu beachten: Die Option, Schuldverschreibungen zu begeben, die bei Begebung von einer Vorläufigen Globalurkunde verbrieft werden, die gegen Einzelkunden austauschbar ist, sollte nicht anwendbar sein, falls die Festgelegte Stückelung eine Angabe enthält, die im Wesentlichen dem Folgenden entspricht: "[€100.000] und ganzzahlige darüber hinausgehende Vielfache von [€1.000] bis zu [€199.000] (einschließlich)."

²² As a general rule, TEFRA D shall apply. If TEFRA D applies, the Securities are initially represented by a Temporary Global Security.

Grundsätzlich findet TEFRA D Anwendung. Falls TEFRA D anwendbar ist, werden die Schuldverschreibungen anfänglich durch eine Vorläufige Globalurkunde verbrieft.

²³ If TEFRA C applies, the Securities are typically not initially represented by a Temporary Global Security.

Falls TEFRA C anwendbar ist, werden die Schuldverschreibungen üblicherweise nicht anfänglich durch eine Vorläufige Globalurkunde verbrieft.

²⁴ Only applicable if the requirements of the TEFRA D exception (*inter alia* denomination in Swiss Francs) are satisfied.

Nur anwendbar, wenn die Voraussetzungen der TEFRA D-Ausnahme (unter anderem Denominierung in Schweizer Franken) erfüllt sind.

BOOK ENTRY CLEARANCE SYSTEMS

The information set out below is subject to any change in or reinterpretation of the rules, regulations and procedures of the following "**Clearing Systems**" currently in effect:

- The Depository Trust Company ("**DTC**"), 55 Water Street, New York, NY 10041, United States;
- Clearstream Banking AG, Frankfurt ("**CBF**"), Mergenthalerallee 61, 65760 Eschborn, Germany;

- Euroclear Bank SA/NV, Brussels ("**Euroclear**"), 1 Boulevard du Roi Albert II, 1210 Brussels, Belgium;
and
- SIX SIS AG ("**SIS**"), Baslerstrasse 100, 4600 Olten, Switzerland.

The information in this section concerning the Clearing Systems has been obtained from sources that the Issuer believes to be reliable, but neither the Issuer nor any Dealer takes any responsibility for the accuracy thereof. Investors wishing to use the facilities of any of the Clearing Systems are advised to confirm the continued applicability of the rules, regulations and procedures of the relevant Clearing System. None of the Issuer nor any other party to the Agency Agreement will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Securities held through the facilities of any Clearing System or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

BOOK-ENTRY SYSTEMS

DTC

DTC has advised the Issuer that it is a limited purpose trust company organised under the New York Banking Law, a "banking organisation" within the meaning of the New York Banking Law, a "clearing corporation" within the meaning of the New York Uniform Commercial Code and a "clearing agency" registered pursuant to section 17A of the Exchange Act. DTC holds securities that its participants ("**Participants**") deposit with DTC. DTC also facilitates the settlement among Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerised book-entry changes in Participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include securities brokers and dealers, banks, trust companies, clearing corporations and certain other organisations ("**Direct Participants**"). DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc., the American Stock Exchange, Inc. and the National Association of Securities Dealers, Inc. Access to the DTC System is also available to others such as securities brokers and dealers, banks and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("**Indirect Participants**").

Under the rules, regulations and procedures creating and affecting DTC and its operations (the "**Rules**"), DTC makes book-entry transfers of Registered Securities among Direct Participants on whose behalf it acts with respect to Securities accepted into DTC's book-entry settlement system ("**DTC Securities**") as described below and receives and transmits distributions of principal and interest on DTC Securities. The Rules are on file with the Securities and Exchange Commission. Direct Participants and Indirect Participants with which beneficial owners of DTC Securities ("**Owners**") have accounts with respect to the DTC Securities similarly are required to make book-entry transfers and receive and transmit such payments on behalf of their respective Owners. Accordingly, although Owners who hold DTC Securities through Direct Participants or Indirect Participants will not possess Registered Securities, the Rules, by virtue of the requirements described above, provide a mechanism by which Direct Participants will receive payments and will be able to transfer their interest in respect of the DTC Securities.

Purchases of DTC Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the DTC Securities on DTC's records. The ownership interest of each actual purchaser of each DTC Security ("**Beneficial Owner**") is in turn to be recorded on the Direct and Indirect Participant's records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the DTC Securities are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in DTC Securities, except in the event that use of the book-entry system for the DTC Securities is discontinued.

To facilitate subsequent transfers, all DTC Securities deposited by Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. The deposit of DTC Securities with DTC and their registration in the name of Cede & Co. effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the DTC Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such DTC Securities are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to Cede & Co. If less than all of the DTC Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. will consent or vote with respect to DTC Securities. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the DTC Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the DTC Securities will be made to DTC. DTC's practice is to credit Direct Participants' accounts on the due date for payment in accordance with their respective holdings shown on DTC's records unless DTC has reason to believe that it will not receive payment on the due date. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name", and will be the responsibility of such Participant and not of DTC or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to DTC is the responsibility of the Issuer, disbursement of such payments to Direct Participants is the responsibility of DTC, and disbursement of such payments to the Beneficial Owners is the responsibility of Direct and Indirect Participants.

Under certain circumstances, including if there is an Event of Default (in the case of Securities for which Eligible Liabilities Format is not specified as applicable in the applicable Final Terms), DTC will exchange the DTC Securities for definitive Registered Securities, which it will distribute to its Participants in accordance with their proportionate entitlements and which, if representing interests in a Rule 144A Global Security, will be legended as set forth under "*Transfer and Selling Restrictions*".

Since DTC may only act on behalf of Direct Participants, who in turn act on behalf of Indirect Participants, any Owner desiring to pledge DTC Securities to persons or entities that do not participate in DTC, or otherwise take actions with respect to such DTC Securities, will be required to withdraw its Registered Securities from DTC as described below.

Euroclear, CBL and CBF

Euroclear, CBL and CBF each holds securities for its customers and facilitates the clearance and settlement of securities transactions by electronic book-entry transfer between their respective account holders. Euroclear,

CBL and CBF provide various services including safekeeping, administration, clearance and settlement of internationally traded securities and securities lending and borrowing. Euroclear, CBL and CBF also deal with domestic securities markets in several countries through established depository and custodial relationships. Euroclear, CBL and CBF have established an electronic bridge between their two systems across which their respective participants may settle trades with each other.

Euroclear, CBL and CBF customers are world-wide financial institutions, including underwriters, securities brokers and dealers, banks, trust companies and clearing corporations. Indirect access to Euroclear, CBL and CBF is available to other institutions that clear through or maintain a custodial relationship with an account holder of either system.

BOOK-ENTRY OWNERSHIP OF AND PAYMENTS IN RESPECT OF DTC SECURITIES

The Issuer may apply to DTC in order to have any Tranche of Securities represented by a Registered Global Security accepted in its book-entry settlement system. Upon the issue of any such Registered Global Security, DTC or its custodian will credit, on its internal book-entry system, the respective principal amounts of the individual beneficial interests represented by such Registered Global Security to the accounts of persons who have accounts with DTC. Such accounts initially will be designated by or on behalf of the relevant Dealer. Ownership of beneficial interests in such a Registered Global Security will be limited to Direct Participants or Indirect Participants, including, in the case of any Regulation S Global Security, the respective depositories of Euroclear and CBL. Ownership of beneficial interests in a Registered Global Security accepted by DTC will be shown on, and the transfer of such ownership will be effected only through, records maintained by DTC or its nominee (with respect to the interests of Direct Participants) and the records of Direct Participants (with respect to interests of Indirect Participants).

Payments in U.S. dollars of principal and interest in respect of a Registered Global Security accepted by DTC will be made to the order of DTC or its nominee as the registered holder of such Security. In the case of any payment in a currency other than U.S. dollars, payment will be made to the Exchange Agent on behalf of DTC or its nominee and the Exchange Agent will (in accordance with instructions received by it) remit all or a portion of such payment for credit directly to the beneficial holders of interests in the Registered Global Security in the currency in which such payment was made and/or cause all or a portion of such payment to be converted into U.S. dollars and credited to the applicable Participants' account.

The Issuer expects DTC to credit accounts of Direct Participants on the applicable payment date in accordance with their respective holdings as shown in the records of DTC unless DTC has reason to believe that it will not receive payment on such payment date. The Issuer also expects that payments by Participants to beneficial owners of Securities will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers, and will be the responsibility of such Participant and not the responsibility of DTC, the Principal Paying Agent, the Registrar or the Issuer. Payment of principal, premium, if any, and interest, if any, on Securities to DTC is the responsibility of the Issuer.

TRANSFERS OF SECURITIES REPRESENTED BY REGISTERED GLOBAL SECURITIES

Transfers of any interests in Securities represented by a Registered Global Security within DTC, Euroclear and CBL will be effected in accordance with the customary rules and operating procedures of the relevant clearing system. The laws in some States within the United States require that certain persons take physical delivery of securities in definitive form. Consequently, the ability to transfer Securities represented by a Registered Global Security to such persons may depend upon the ability to exchange such Securities for Securities in definitive form. Similarly, because DTC can only act on behalf of Direct Participants in the DTC system who in turn act on behalf of Indirect Participants, the ability of a person having an interest in Securities represented by a Registered Global Security accepted by DTC to pledge such Securities to persons or entities that do not participate in the DTC system or otherwise to take action in respect of such Securities may depend upon the ability to exchange such Securities for Securities in definitive form. The ability of any holder of Securities represented by a Registered Global Security accepted by DTC to resell, pledge or otherwise transfer such Securities may be impaired if the proposed transferee of such Securities is not eligible to hold such Securities through a direct or indirect participant in the DTC system.

Subject to compliance with the transfer restrictions applicable to the Registered Securities described under "*Transfer and Selling Restrictions*", cross-market transfers between DTC, on the one hand, and directly or indirectly through CBL or Euroclear accountholders, on the other, will be effected by the relevant clearing system in accordance with its rules and through action taken by the Registrar, the Principal Paying Agent and any custodian ("**Custodian**") with whom the relevant Registered Global Securities have been deposited.

On or after the Issue Date for any Series, transfers of Securities of such Series between accountholders in CBL and Euroclear and transfers of Securities of such Series between participants in DTC will generally have a settlement date three business days after the trade date (T+3). The customary arrangements for delivery versus payment will apply to such transfers.

Cross-market transfers between accountholders in CBL or Euroclear and DTC participants will need to have an agreed settlement date between the parties to such transfer. Because there is no direct link between DTC, on the one hand, and CBL and Euroclear, on the other, transfers of interests in the relevant Registered Global Securities will be effected through the Registrar, the Principal Paying Agent and the Custodian receiving instructions (and, where appropriate, certification) from the transferor and arranging for delivery of the interests being transferred to the credit of the designated account for the transferee. In the case of cross-market transfers, settlement between Euroclear or CBL accountholders and DTC participants cannot be made on a delivery versus payment basis. The securities will be delivered on a free delivery basis and arrangements for payment must be made separately.

DTC, CBL and Euroclear have each published rules and operating procedures designed to facilitate transfers of beneficial interests in Registered Global Securities among participants and accountholders of DTC, CBL and Euroclear. However, they are under no obligation to perform or continue to perform such procedures, and such procedures may be discontinued or changed at any time. None of the Issuer, the Agents nor any Dealer will be responsible for any performance by DTC, CBL or Euroclear or their respective direct or indirect participants or accountholders of their respective obligations under the rules and procedures governing their operations and none of them will have any liability for any aspect of the records relating to or payments made on account of beneficial interests in the Securities represented by Registered Global Securities or for maintaining, supervising or reviewing any records relating to such beneficial interests.

TRANSFER AND SELLING RESTRICTIONS

The Dealers have, in the "**Dealer Agreement**" dated 18 June 2021 agreed with the Issuer a basis upon which they or any of them may from time to time agree to purchase Securities. Any such agreement will extend to those matters stated under "*Form of the Securities*" and "*Terms and Conditions of the Securities*". In the Dealer Agreement, the Issuer has agreed to reimburse the Dealers for certain of their expenses in connection with the establishment and any future update of the Programme and the issue of Securities under the Programme and to indemnify the Dealers certain liabilities incurred by them in connection therewith.

Terms used in this paragraph have the meanings given to them by Regulation S.

The Securities in bearer form are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. Treasury regulations. Notes issued by Deutsche Bank AG, New York Branch must be in registered form for U.S. federal income tax purposes. Until forty days after the commencement of the offering of any Series of Securities, an offer or sale of such Securities within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an available exemption from registration under the Securities Act.

Dealers, directly or through their respective U.S. broker dealer affiliates, may arrange for the resale of Securities to QIBs pursuant to Rule 144A and each such purchaser of Securities is hereby notified that the Dealers may be relying on the exemption from the registration requirements of the Securities Act provided by Rule 144A. provided that no such offer of Securities referred to in (b) to (d) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Regulation, or supplement a prospectus pursuant to Article 23 of the Prospectus Regulation.

For the purposes of this provision, the expression "**offer of Securities to the public**" in relation to any Securities in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Securities to be offered so as to enable an investor to decide to purchase or subscribe the Securities, and the expression "**Prospectus Regulation**" means Regulation (EU) 2017/1129 of the European Parliament and of the Council of 14 June 2017 on the prospectus to be published when securities are offered to the public or admitted to trading on a regulated market and repealing Directive 2003/71/EC, as amended.

- (b) the expression "offer" includes the communication in any form and by any means of sufficient information on the terms of the offer and the Securities to be offered so as to enable an investor to decide to purchase or subscribe for the Securities.

If the Final Terms in respect of any Securities (or Pricing Supplement, in the case of Exempt Securities) specify "*Prohibition of Sales to Retail Investors in the United Kingdom*" as "*Not applicable*", each Dealer has represented and agreed and each further Dealer to be appointed under the Programme will be required to represent and agree that it has not made and will not make an offer of Securities which are the subject of the offering contemplated by this Securities Note as completed by the Final Terms in relation hereto to the public in the United Kingdom, except that it may make an offer of such Securities to the public in the United Kingdom:

- (a) if the Final Terms in relation to the Securities (or Pricing Supplement, in the case of Exempt Securities) specify that an offer of those Securities may be made other than pursuant to section 86 of the FSMA (a "**Public Offer**"), following the date of publication of a prospectus in relation to such Securities which either (i) has been approved by the Financial Conduct Authority, or (ii) is to be treated as if it had been approved by the Financial Conduct Authority in accordance with the transitional provision in Regulation 74 of the Prospectus (Amendment etc.) (EU Exit) Regulations 2019, provided that any such prospectus has subsequently been completed by final terms contemplating such Public Offer, in the period beginning and ending on the dates specified in such prospectus or final terms, as applicable, and the Issuer has consented in writing to its use for the purpose of that Public Offer;
- (b) at any time to any legal entity which is a qualified investor as defined in Article 2 of the UK Prospectus Regulation;
- (c) at any time to fewer than 150 natural or legal persons (other than qualified investors as defined in Article 2 of the UK Prospectus Regulation) in the United Kingdom, subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (d) at any time in any other circumstances falling within section 86 of the FSMA,

provided that no such offer of Securities referred to in (b) to (d) above shall require the Issuer or any Dealer to publish a prospectus pursuant to section 85 of the FSMA or supplement a prospectus pursuant to Article 23 of the UK Prospectus Regulation.

For the purposes of this provision, the expression "**offer of Securities to the public**" in relation to any Securities means the communication in any form and by any means of sufficient information on the terms of the offer and the Securities to be offered so as to enable an investor to decide to purchase or subscribe for the Securities, and the expression "**UK Prospectus Regulation**" means Regulation (EU) 2017/1129, as amended, as it forms part of the domestic law of the United Kingdom by virtue of the EUWA.

Each Dealer has further represented and agreed, and each further Dealer appointed under the Programme will be required to further represent and agree, that:

- (a) in respect of Securities issued by Deutsche Bank AG, New York Branch and Deutsche Bank AG, Sydney Branch, in relation to any Securities which have a maturity of less than one year, (i) it is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business and (ii) it has not offered or sold and will not offer or sell any Securities other than to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or as agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses where the issue of the Securities would otherwise constitute a contravention of Section 19 of the FSMA by either Deutsche Bank AG, New York Branch or Deutsche Bank AG, Sydney Branch as Issuer;
- (b) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any Securities in

circumstances in which section 21(1) of the FSMA would not, if the Issuer was not an authorised person, apply to the Issuer; and

- (c) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any Securities in, from or otherwise involving the United Kingdom.
