**AXA**

**€17,000,000,000**

**Euro Medium Term Note Programme**

This Base Prospectus supersedes all previous offering circulars or base prospectuses prepared in connection with the Euro Medium Term Note Programme of AXA (the **Issuer**). Any notes (the **Notes**) issued under the €17,000,000,000 Euro Medium Term Note Programme (the **Programme**) on or after the date of this Base Prospectus are issued subject to the provisions described herein. The Notes may be issued in bearer or registered form (respectively **Bearer Notes** and **Registered Notes**).

The Notes may be issued on a continuing basis to one or more of the dealers specified under “*General Description of the Programme*” below and any additional dealer appointed under the Programme from time to time by the Issuer (each, a **Dealer** and together, the **Dealers**), which appointment may be for a specific issue or on an on-going basis. References in this Base Prospectus to the “relevant Dealer” shall, in the case of an issue of Notes being (or intended to be) subscribed by more than one Dealer, be to all Dealers agreeing to purchase such Notes. Notes may also be issued to third parties other than Dealers. Any Dealer or third party to whom Notes are issued shall be referred to herein as a **Purchaser**.

**An investment in Notes issued under the Programme involves certain risks. For a description of these risks see “Risk Factors”.**

Application has been made to the *Commission de Surveillance du Secteur Financier* (the **CSSF**) in its capacity as competent authority under the Luxembourg Act dated July 10, 2005 on prospectuses for securities as amended (the **Prospectus Act 2005**) to approve this document as a base prospectus. By approving this Base Prospectus, the CSSF assumes no responsibility for the economic and financial soundness of the transactions contemplated by this Base Prospectus and the quality or solvency of the Issuer in accordance with Article 7(7) of the Prospectus Act 2005. Application may be made for the period of 12 months from the date of this Base Prospectus (i) to the Luxembourg Stock Exchange for Notes issued under the Programme to be admitted to trading on the Luxembourg Stock Exchange's regulated market and to be listed on the Official List of the Luxembourg Stock Exchange and/or (ii) to any other stock exchange for Notes to be issued under the Programme to be admitted to trading and listed on such stock exchange. Notes may also be unlisted. The Luxembourg Stock Exchange's regulated market is a regulated market for the purposes of the Markets in Financial Instrument Directive 2004/39/EC as amended.

The Notes have not been and will not be registered under the U.S. Securities Act of 1933, as amended, (the **Securities Act**) and may not be offered or sold in the United States or to, or for the account or benefit of, U.S. persons except to qualified institutional buyers (**QIBs**) as defined in and in reliance on Rule 144A under the Securities Act (**Rule 144A**) and to certain persons in offshore transactions in reliance on Regulation S under the Securities Act (**Regulation S**) unless the Notes are registered under the Securities Act or another exemption from the registration requirements of the Securities Act is available. See “*Form of the Notes*” for a description of the manner in which Notes will be issued. Registered Notes are subject to certain restrictions on transfer (see “*Subscription and Sale and Transfer and Selling Restrictions*”).

At the date of this Base Prospectus, the insurer financial strength ratings of the Issuer's principal insurance subsidiaries assigned by S&P Global Ratings, acting through Standard & Poor's Credit Market Services Italy S.r.l. (**S&P Global Ratings**), Moody's Investors Service (**Moody's**) and Fitch Ratings (**Fitch**) are AA- with stable outlook, Aa3 with stable outlook and AA- with stable outlook, respectively. The long term debt ratings of the Issuer assigned by S&P Global Ratings, Moody's and Fitch are A with stable outlook, A2 with stable outlook and A with stable outlook, respectively. The short term debt ratings of the Issuer assigned by S&P Global Ratings, Moody's and Fitch are A-1, P-1 and F1, respectively. Each of S&P Global Ratings, Moody's and Fitch is established in the European Union and registered under Regulation (EC) No. 1060/2009 on credit ratings agencies as amended by Regulation (EU) No. 513/2011 (the **CRA Regulation**) and is included in the list of credit rating agencies registered in accordance with the CRA Regulation published on the European Securities and Markets Authority's website as of the date of this Base Prospectus<sup>1</sup>.

The Programme is not rated, but certain tranches of Notes (each a **Tranche** and together the **Tranches**) to be issued under the Programme may be rated by one or more credit rating agencies on a case by case basis as set out in the applicable Final Terms. Where a Tranche of Notes is to be rated, such rating will not necessarily be the same as the rating assigned to the Notes already issued. Whether or not a rating in relation to any Tranche of Notes will be treated as having been issued by a credit rating agency established in the European Union and registered under the CRA Regulation will be disclosed in the relevant Final Terms.

A credit rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning credit rating agency.

This Base Prospectus (together with all documents which are incorporated herein by reference and supplements to this Base Prospectus from time to time) constitutes a “base prospectus” for the purposes of Article 5.4 of Directive 2003/71/EC as amended and includes any relevant implementing measure in a relevant Member State of the European Economic Area (the **Prospectus Directive**). Notes may also be issued under the Programme pursuant to an offering document (other than this Base Prospectus) that constitutes a “prospectus” for the purposes of Article 5.3 of the Prospectus Directive.

The Issuer accepts responsibility for the information contained in this Base Prospectus and the Final Terms for each Tranche of Notes issued under the Programme. To the best of the knowledge of the Issuer (having taken all reasonable care to ensure that such is the case) the information contained in this Base Prospectus is in accordance with the facts and does not omit anything likely to affect the import of such information.

Copies of Final Terms, if appropriate, will be available from the registered office of the Issuer and the specified office of the Principal Paying Agent (as defined below).

This Base Prospectus is to be read in conjunction with all documents which are incorporated herein by reference (see “*Documents Incorporated by Reference*” below) and supplements to this Base Prospectus from time to time. This Base Prospectus shall be read and construed on the basis that such documents are incorporated by reference in and form part of this Base Prospectus.

The Dealers have not independently verified the information contained herein. Accordingly, no representation, warranty or undertaking, express or implied, is made and no responsibility or liability is accepted by the Dealers as to the accuracy or completeness of the information contained or incorporated by reference in this Base Prospectus or any other information provided by the Issuer in connection with the Programme. No Dealer accepts any liability in relation to the information contained or incorporated by reference in this Base Prospectus or any other information provided by the Issuer in connection with the Programme.

No person is or has been authorised by the Issuer to give any information or to make any representation not contained in or not consistent with this Base Prospectus or any other information supplied in connection with the Programme or any Notes and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer or any of the Dealers.

Neither this Base Prospectus nor any other information supplied in connection with the Programme or any Notes (i) is intended to provide the basis of any credit or other evaluation or (ii) should be considered as a recommendation by the Issuer or any of the Dealers that any recipient of this Base Prospectus or any other information supplied in connection with the Programme or any Notes should purchase any Notes. Each investor contemplating purchasing any Notes should make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the Issuer. Neither this Base Prospectus nor any other information supplied in connection with the Programme or any Notes constitutes an offer or invitation by or on behalf of the Issuer or any of the Dealers to any person to subscribe for or to purchase any Notes.

Neither the delivery of this Base Prospectus nor the offering, sale or delivery of any Notes shall in any circumstances imply that the information contained herein concerning the Issuer or the Group (as defined below) is correct at any time subsequent to the date hereof or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date indicated in the document containing the same. The Dealers expressly do not undertake to review the financial condition or affairs of the Issuer or the Group during the life of the Programme or to advise any investor in the Notes of any information coming to their attention.

This Base Prospectus does not constitute an offer to sell or the solicitation of an offer to buy any Notes in any jurisdiction to any person to whom it is unlawful to make the offer or solicitation in such jurisdiction. The distribution of this Base Prospectus and the offer or sale of Notes may be restricted by law in certain jurisdictions. The Issuer and the Dealers do not represent that this Base Prospectus may be lawfully distributed, or that any Notes may be lawfully offered, in compliance with any applicable registration or

other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by the Issuer or the Dealers which is intended to permit a public offering of any Notes or distribution of this Base Prospectus in any jurisdiction where action for that purpose is required. Accordingly, no Notes may be offered or sold, directly or indirectly, and neither this Base Prospectus nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations. Persons into whose possession this Base Prospectus or any Notes may come must inform themselves about, and observe, any such restrictions on the distribution of this Base Prospectus and the offering and sale of Notes. In particular, there are restrictions on the distribution of this Base Prospectus and the offer or sale of Notes in the United States, the European Economic Area, the United Kingdom, France, Luxembourg, Belgium, Italy, Japan, Hong Kong, Singapore and Switzerland, see “*Subscription and Sale and Transfer and Selling Restrictions*”.

Bearer Notes are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to United States persons, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986, as amended (the **U.S. Internal Revenue Code**) and the regulations promulgated thereunder.

In making an investment decision, investors must rely on their own examination of the Issuer and the terms of the Notes being offered, including the merits and risks involved.

Neither the Issuer, nor any of the Dealers makes any representation to any investor in the Notes regarding the legality of its investment under any applicable laws. Any investor in the Notes should be able to bear the economic risk of an investment in the Notes for an indefinite period of time.

**PROHIBITION OF SALES TO EUROPEAN ECONOMIC AREA RETAIL INVESTORS** – The Notes are not intended, from January 1, 2018, to be offered, sold or otherwise made available to and, with effect from such date, should not be offered, sold or otherwise made available to any retail investor in the European Economic Area. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (**MiFID II**); or (ii) a customer within the meaning of Directive 2002/92/EC (**IMD**), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently no key information document required by Regulation (EU) No 1286/2014 (the **PRIIPs Regulation**) for offering or selling the Notes or otherwise making them available to retail investors in the European Economic Area has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the European Economic Area may be unlawful under the PRIIPs Regulation.

**In connection with the issue of any Tranche of Notes, the Dealer or Dealers (if any) named as the stabilisation manager(s) (the Stabilisation Manager(s)) (or persons acting on behalf of any Stabilisation Manager(s)) in the applicable Final Terms may over-allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, stabilisation may not necessarily occur. Any stabilisation action may begin on or after the date on which adequate public disclosure of the terms of the offer of the relevant Tranche of Notes is made and, if begun, may cease at any time, but it must end no later than the earlier of thirty (30) days after the issue date of the relevant Tranche of Notes and sixty (60) days after the date of the allotment of the relevant Tranche of Notes. Any stabilisation action or over-allotment must be conducted by the relevant Stabilisation Manager(s) (or persons acting on behalf of any Stabilisation Manager(s)) in accordance with all applicable laws and rules.**

## U.S. INFORMATION

This Base Prospectus is being submitted on a confidential basis in the United States to a limited number of QIBs for informational use solely in connection with the consideration of the purchase of certain Notes issued under the Programme. Its use for any other purpose in the United States is not authorised. It may not be copied or reproduced in whole or in part nor may it be distributed or any of its contents disclosed to anyone other than the prospective investors to whom it is originally submitted.

The Securities and Exchange Commission has not approved or disapproved these securities or determined if this Base Prospectus is truthful or complete. Any representation to the contrary is a criminal offence.

Registered Notes issued by the Issuer may be offered or sold within the United States or to U.S. persons only to QIBs in transactions exempt from registration under the Securities Act in reliance on Rule 144A or any other applicable exemption. Each U.S. purchaser of Registered Notes is hereby notified that the offer and sale of any Registered Notes to it may be being made in reliance upon the exemption from the registration requirements of the Securities Act provided by Rule 144A.

Each purchaser or holder of Notes represented by a Rule 144A Global Note or any Notes issued in registered form in exchange or substitution therefor (together **Legended Notes**) will be deemed, by its acceptance or purchase of any such Legended Notes, to have made certain representations and agreements intended to restrict the resale or other transfer of such Notes as set out in "*Subscription and Sale and Transfer and Selling Restrictions*". Unless otherwise stated, terms used in this paragraph have the meanings given to them in "*Form of the Notes*".

The Notes have not been approved or disapproved by the United States Securities and Exchange Commission or any other securities commission or other regulatory authority in the United States, nor have the foregoing authorities approved this Base Prospectus or confirmed the accuracy or determined the adequacy of the information contained in this Base Prospectus. Any representation to the contrary is unlawful.

## AVAILABLE INFORMATION

To permit compliance with Rule 144A in connection with any resales or other transfers of Notes that are "restricted securities" within the meaning of the Securities Act, the Issuer has undertaken in a deed poll dated April 12, 2017 (the **Deed Poll**) to furnish, upon the request of a holder of such Notes or any beneficial interest therein, to such holder or to a prospective purchaser designated by him, the information required to be delivered under Rule 144A(d)(4) under the Securities Act if, at the time of the request, the Issuer is neither a reporting company under Section 13 or 15(d) of the U.S. Securities Exchange Act of 1934, as amended (the **Exchange Act**), nor exempt from reporting pursuant to Rule 12g3-2(b) thereunder.

## SERVICE OF PROCESS AND ENFORCEMENT OF CIVIL LIABILITIES

The Issuer is a corporation organised under the laws of France. The majority of the officers and directors named herein reside outside the United States and all or a substantial portion of the assets of the Issuer and of such officers and directors are located outside the United States. As a result, it may not be possible for investors to effect service of process outside France upon the Issuer or such persons, or to enforce judgments against them obtained in courts outside France predicated upon civil liabilities of the Issuer or such directors and officers under laws other than French law, including any judgment predicated upon United States federal securities laws. The Issuer has been advised that if an original action is brought in France based solely upon U.S. Federal Securities laws, French courts may not have the requisite jurisdiction to grant the remedies sought and that actions for enforcement of judgments of United States courts rendered against the French persons referred to above would require such French persons to waive their rights under Article 15 of the French *Code civil* to be sued only in France. The Issuer believes that no such French persons have waived this right with respect to actions predicated solely on U.S. Federal securities laws.

## CERTAIN INFORMATION ABOUT THIS BASE PROSPECTUS

In this Base Prospectus unless provided otherwise, (i) the **Company**, the **Issuer**, **AXA** and **AXA SA** refer to AXA, a *société anonyme* (a public limited company) organised under the laws of France which is the publicly traded parent company of the AXA Group, and (ii) **AXA Group** and the **Group** and **we** refer to AXA SA together with its direct and indirect consolidated subsidiaries.

## FORWARD-LOOKING STATEMENTS

This Base Prospectus (and the information incorporated by reference therein) may include statements with respect to future events, trends, plans, expectations or objectives and other forward-looking statements relating to the Group's future business, financial condition, results of operations, performance, and strategy. Forward-looking statements are not statements of historical fact and may contain the terms "may", "will", "should", "continue", "aims", "estimates", "projects", "believes", "intends", "expects", "plans", "seeks" or "anticipates", or words of similar meaning. Such statements are based on Management's current views and assumptions and, by nature, involve known and unknown risks and uncertainties; therefore, undue reliance should not be placed on them. Actual financial condition, results of operations, performance or events may differ materially from those expressed or implied in such forward-looking statements, due to a number of factors including, without limitation, general economic and political conditions and competitive situation; future financial market performance and conditions, including fluctuations in exchange and interest rates; frequency and severity of insured loss events, and increases in loss expenses; mortality and morbidity levels and trends; persistency levels; changes in laws, regulations and standards; the impact of acquisitions and disposal, including related integration issues, and reorganisation measures; and general competitive factors, in each case on a local, regional, national and/or global basis. Many of these factors may be more likely to occur, or more pronounced, as a result of catastrophic events, including weather-related catastrophic events, or terrorist-related incidents. Please refer to Part 4 – "*Risk factors and risk management*" of the 2016 Registration Document for a description of certain important factors, risks and uncertainties that may affect AXA's business and/or results of operations. AXA assumes no obligation to update or revise any of these forward-looking statements, whether to reflect new information, future events or circumstances or otherwise, except as required by applicable laws and regulations.

In addition to the Consolidated Financial Statements, this Base Prospectus and the 2016 Registration Document refer to certain non-GAAP financial measures, or alternative performance measures, used by Management in analysing the Group's operating trends, financial performance and financial position and providing investors with additional information that Management believes to be useful and relevant regarding the Group's results. These non-GAAP financial measures generally have no standardised meaning and therefore may not be comparable to similarly labelled measures used by other companies. As a result, none of these non-GAAP financial measures should be considered in isolation from, or as a substitute for, the Consolidated Financial Statements included in Part 5 – "*Consolidated Financial Statements*" of the 2016 Registration Document and incorporated by reference herein. The non-GAAP financial measures used by the Group are defined in the Glossary set forth in Appendix VI to the 2016 Registration Document.

## RISK FACTORS

*The Issuer believes that the following factors, together with the risk factors incorporated by reference in this Base Prospectus (on pages 178 to 189 and 204 to 221 of the 2016 Registration Document, see “Documents Incorporated by Reference”), may affect its ability to fulfil its obligations under Notes issued under the Programme. Many of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring.*

*In addition, factors which may be material for the purpose of assessing the risks associated with Notes issued under the Programme are also described below.*

*The Issuer believes that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme, but the inability of the Issuer to pay interest, principal or other amounts on or in connection with any Notes may occur for other reasons and the Issuer does not represent that the statements below regarding the risks of holding any Notes are exhaustive. Prospective investors should also read the detailed information set out elsewhere in this Base Prospectus (including any documents incorporated by reference herein) and reach their own views prior to making any investment decision.*

*Words and expressions defined in “Form of the Notes” and “Terms and Conditions of the Notes” shall have the same meanings in this section “Risk Factors”.*

### RISK FACTORS RELATING TO THE ISSUER

Please refer to pages 178 to 189 and 204 to 221 of the 2016 Registration Document which is incorporated by reference in this Base Prospectus.

### RISK FACTORS RELATING TO THE NOTES

The following paragraphs describe the risk factors that the Issuer believes to be material to the Notes to be issued in order to assess the risks associated with the Notes. Therefore, they do not describe all potential risks of an investment in the Notes. Prospective investors should consult their own financial and legal advisers about risks associated with an investment in a particular Series of Notes and the suitability of investing in the Notes in light of their particular circumstances.

#### ***The Notes may not be a suitable investment for all investors***

Each potential investor in the Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (a) have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference in this Base Prospectus or any applicable supplement;
- (b) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact the Notes will have on its overall investment portfolio;
- (c) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential Investor's Currency (as defined below);
- (b) understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant indices and financial markets and with the regulatory framework applicable to the Issuer; and

- (a) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes are complex financial instruments. Sophisticated institutional investors generally purchase complex financial instruments as part of a wider financial structure rather than as stand alone investments. They purchase complex financial instruments as a way to reduce risk or enhance yield with a measured and appropriate addition of risk to their overall portfolios, and only after performing intensive analysis of all involved risks. A potential investor should not invest in Notes - which are complex financial instruments - unless it has the expertise (either alone or with a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of the Notes and the impact this investment will have on the potential investor's overall investment portfolio.

### ***Risks related to Notes generally***

Set out below is a brief description of certain risks relating to the Notes generally:

*The Notes being held by or on behalf of Euroclear and Clearstream or DTC, investors will have to rely on the clearing system procedures for transfer, payment and communication with the Issuer*

Notes may be deposited with a common depositary for Euroclear and Clearstream or with a custodian for, and registered in the name of a nominee of, DTC. Except in the circumstances described in the Global Notes, investors will not be entitled to receive Definitive Notes. Euroclear and Clearstream, or DTC, as the case may be, will maintain records of the beneficial interests in the Global Notes. While the Notes are in global form, investors will be able to trade their beneficial interests only through Euroclear, Clearstream, or DTC, as the case may be.

While the Notes are in global form, the Issuer will discharge its payment obligations under the Notes by making payments to the common depositary or the nominee, as the case may be. A holder of a beneficial interest in a Note must rely on the procedures of Euroclear, Clearstream or DTC, as the case may be, to receive payments under the Notes. The Issuer has no responsibility or liability for the records relating to, or payments made in respect of, beneficial interests in such a Global Note.

### *Modification*

The Terms and Conditions of the Notes contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

### *Legality of purchase*

Neither the Issuer, the Dealer(s) nor any of their respective affiliates has or assumes responsibility for the lawfulness of the acquisition of the Notes by a prospective investor of the Notes, whether under the laws of the jurisdiction of its incorporation or the jurisdiction in which it operates (if different), or for compliance by that prospective investor with any law, regulation or regulatory policy applicable to it.

### *Taxation*

Potential purchasers and sellers of the Notes should be aware that they may be required to pay taxes or documentary charges or duties in accordance with the laws and practices of the jurisdiction where the Notes are transferred or other jurisdictions. In some jurisdictions, no official statements of the tax authorities or court decisions may be available for financial instruments such as the Notes. Potential investors cannot rely upon the tax overview contained in this Base Prospectus and should ask for their own tax adviser's advice on their individual taxation with respect to the acquisition, holding, disposal and redemption of the Notes. Only these advisors are in a position to duly consider the specific situation of the potential investor. This investment consideration has to be read in connection with the taxation sections of this Base Prospectus.

### *The proposed financial transactions tax (FTT)*

On February 14, 2013, the European Commission published a proposal (the **Commission's Proposal**) for a Directive for a common FTT in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia (the **participating Member States**). However, Estonia has since stated that it will not participate.

The Commission's Proposal has very broad scope and could, if introduced, apply to certain dealings in Notes (including secondary market transactions) in certain circumstances. The issuance and subscription of Notes should, however, be exempt.

Under the Commission's Proposal the FTT could apply in certain circumstances to persons both within and outside of the participating Member States. Generally, it would apply to certain dealings in the Notes where at least one party is a financial institution, and at least one party is established in a participating Member State. A financial institution may be, or be deemed to be, "established" in a participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a participating Member State.

However, the FTT proposal remains subject to negotiation between participating Member States. It may therefore be altered prior to any implementation, the timing of which remains unclear. Additional EU Member States may decide to participate.

Prospective holders of Notes are advised to seek their own professional advice in relation to the FTT.

### *Change in law*

The Terms and Conditions of the Notes are governed by English law or, in the case of Condition 3, French law, in each case, in effect as at the date of this Base Prospectus. No assurance can be given as to the impact of any possible judicial decision or change to English law, French law or administrative practice after the date of this Base Prospectus.

### *French Insolvency Law*

Under French insolvency law, holders of debt securities are automatically grouped into a single assembly of holders (the **Assembly**) in order to defend their common interests if a preservation procedure (*procédure de sauvegarde*), an accelerated preservation procedure (*procédure de sauvegarde accélérée*), an accelerated financial preservation procedure (*procédure de sauvegarde financière accélérée*) or a judicial reorganisation procedure (*procédure de redressement judiciaire*) is opened in France with respect to the Issuer.

The Assembly comprises holders of all debt securities issued by the Issuer (including the Notes), whether or not under a debt issuance programme (such as the Programme) and regardless of their governing law.

The Assembly deliberates on the draft safeguard plan (*projet de plan de sauvegarde*), draft accelerated safeguard plan (*projet de plan de sauvegarde accélérée*), draft accelerated financial safeguard plan (*projet de plan de sauvegarde financière accélérée*) or draft judicial reorganisation plan (*projet de plan de redressement*) applicable to the Issuer and may further agree to:

- increase the liabilities (*charges*) of holders of debt securities (including the Noteholders) by rescheduling due payments and/or partially or totally writing-off receivables in the form of debt securities;
- establish an unequal treatment between holders of debt securities (including the Noteholders) as appropriate under the circumstances; and/or

- convert debt securities (including the Notes) into securities that give or may give rights to share capital.

Decisions of the Assembly will be taken by a two-third majority (calculated as a proportion of the debt securities held by the holders expressing a vote). There is no minimum quorum requirement to convene the Assembly.

For the avoidance of doubt, the provisions relating to the meetings of the Noteholders described in “*Terms and Conditions of the Notes – Meetings of Noteholders, Modification and Waiver*” set out in this Base Prospectus and the Agency Agreement will not be applicable to the extent they are not in compliance with compulsory insolvency law provisions that apply in these circumstances.

*A Noteholder's actual yield on the Notes may be reduced from the stated yield by transaction costs*

When Notes are purchased or sold, several types of incidental costs (including transaction fees and commissions) are incurred in addition to the current price of the Notes. These incidental costs may significantly reduce or even exclude the potential profit of the Notes. For instance, credit institutions as a rule charge their clients for own commissions, which are either fixed minimum commissions or pro-rata commissions depending on the order value. To the extent that additional - domestic or foreign - parties are involved in the execution of an order, including but not limited to domestic dealers or brokers in foreign markets, Noteholders must take into account that they may also be charged for the brokerage fees, commissions and other fees and expenses of such parties (third party costs).

In addition to such costs directly related to the purchase of securities (direct costs), Noteholders must also take into account any additional costs (such as custody fees). Investors should inform themselves about any additional costs incurred in connection with the purchase, custody or sale of the Notes before investing in the Notes.

### ***Risks related to the market generally***

Set out below is a brief description of the principal market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

#### *Liquidity risks/Trading market for the Notes*

Notes may have no established trading market when issued, and one may never develop. If a market does develop, it may not be very liquid. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Notes that are especially sensitive to interest rate or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Notes generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Notes.

Investors may not be able to sell Notes readily or at prices that will enable investors to realise their anticipated yield. No investor should purchase Notes unless the investor understands and is able to bear the risk that certain Notes will not be readily sellable, that the value of Notes will fluctuate over time and that such fluctuations will be significant.

#### *Exchange rate risks and exchange controls*

The Issuer will pay principal and interest on the Notes in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the **Investor's Currency**) other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (i) the Investor's Currency

equivalent yield on the Notes, (ii) the Investor's Currency equivalent value of the principal payable on the Notes and (iii) the Investor's Currency equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

*Fixed interest rate risks*

Investment in Fixed Rate Notes involves the risk that subsequent changes in market interest rates may adversely affect the value of the Fixed Rate Notes.

*Investors will not be able to calculate in advance their rate of return on the Floating Rate Notes*

Interest income on the Floating Rate Notes cannot be anticipated. Due to varying interest income, investors are not able to determine a definite yield of Floating Rate Notes at the time they purchase them, so that their return on investment cannot be compared with that of investments having longer fixed interest periods. Investors are exposed to reinvestment risk if market interest rates decline. That is, investors may reinvest the interest income paid to them only at the relevant lower interest rates then prevailing. In addition, the Issuer's ability to also issue fixed rate notes may affect the market value and the secondary market (if any) of the Floating Rate Notes (and *vice versa*).

The margin on the Floating Rate Note will not change throughout the life of the Notes but there will be adjustments of the reference rate which itself will change in accordance with general market conditions. Accordingly, the market value of the Floating Rate Notes may be volatile if changes, particularly short term changes, to market interest rates can only be reflected in the interest rate of the Floating Rate Notes upon the next periodic adjustment of the reference rate.

*Credit ratings may not reflect all risks*

One or more independent credit rating agencies may assign credit ratings to the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be subject to revision, suspension and withdrawal by the assigning credit rating agency at any time.

In general, European regulated investors are restricted under Regulation (EC) No. 1060/2009 (as amended) (the **CRA Regulation**) from using credit ratings for regulatory purposes, unless such ratings are issued by a credit rating agency established in the EU and registered under the CRA Regulation (and such registration has not been withdrawn or suspended), subject to transitional provisions that apply in certain circumstances whilst the registration application is pending. Such general restriction will also apply in the case of credit ratings issued by non-EU credit rating agencies, unless the relevant credit ratings are endorsed by an EU-registered credit rating agency or the relevant non-EU rating agency is certified in accordance with the CRA Regulation (and such endorsement action or certification, as the case may be, has not been withdrawn or suspended). Certain information with respect to the credit rating agencies and ratings will be disclosed in the Final Terms.

*Market value of the Notes*

The market value of the Notes will be affected by the creditworthiness of the Issuer and/or that of the AXA Group and a number of additional factors, including, but not limited to, market interest and yield rates and the time remaining to the maturity date or, in the case of Subordinated Notes with no specified maturity date, to the date of actual redemption.

The value of the Notes depends on a number of interrelated factors, including economic, financial and political events in France or elsewhere, including factors affecting capital markets generally and the stock exchanges on which the Notes are traded. The price at which a Noteholder will be able to sell the

Notes prior to maturity or in the case of an early redemption, as the case may be, may be at a discount, which could be substantial, from the issue price or the purchase price paid by such purchaser.

*Legal investment considerations may restrict certain investments*

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (i) Notes are legal investments for it, (ii) Notes can be used as collateral for various types of borrowing and (iii) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisors or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

***Risks related to the structure of a particular issue of Notes***

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of most common features and associated risks:

*Notes subject to optional redemption by the Issuer*

An optional redemption feature of Notes is likely to limit their market value. During any period when the Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The redeemed face amount of the Notes may be lower than the purchase price for the Notes paid by the Noteholders. As a consequence, part of the capital invested by the Noteholder may be lost, so that the Noteholder in such case would not receive the total amount of the capital invested.

The Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

*Variable rate Notes with caps or floors*

Notes with variable interest rates can be volatile investments. If they are structured to include caps or floors, or any combination of those features, their market values may be even more volatile than those for securities that do not include those features.

*Inverse Floating Rate Notes*

Inverse Floating Rate Notes have an interest rate equal to a fixed rate minus a rate based upon a reference rate such as LIBOR. The market values of those Notes typically are more volatile than market values of other conventional floating rate debt securities based on the same reference rate (and with otherwise comparable terms). Inverse Floating Rate Notes are more volatile because an increase in the reference rate not only decreases the interest rate of the Notes, but may also reflect an increase in prevailing interest rates, which further adversely affects the market value of these Notes.

*Fixed/Floating Rate Notes*

Fixed/Floating Rate Notes may bear interest at a rate that converts from a fixed rate to a floating rate, or from a floating rate to a fixed rate. Where the Issuer has the right to effect such a conversion, this will affect the secondary market and the market value of the Notes since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate in such circumstances, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes.

If the Issuer converts from a floating rate to a fixed rate in such circumstances, the fixed rate may be lower than then prevailing rates on its Notes.

*Notes issued at a substantial discount or premium*

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

*Structured Notes*

An investment in Notes, the premium and/or the interest on or principal of which is determined by reference to one or more values of interest rates, either directly or inversely, may entail significant risks not associated with similar investments in a conventional debt security, including the risks that the resulting interest rate will be less than that payable on a conventional debt security at the same time and/or that an investor may lose the value of its entire investment or part of it, as the case may be. Neither the current nor the historical value of the relevant interest rates should be taken as an indication of future performance of such interest rates during the term of any Notes.

The prices at which Zero Coupon Notes, as well as other Notes issued at a substantial discount from their principal amount payable at maturity, trade in the secondary market tend to fluctuate more in relation to general changes in interest rates than do the prices for conventional interest-bearing securities of comparable maturities.

*Subordinated Notes with a specified maturity date are long-term securities*

Subordinated Notes with a specified maturity date are scheduled to be redeemed at their Final Redemption Amount as specified in the applicable Final Terms on the Scheduled Maturity Date, provided that on such date the Conditions to Redemption and Purchase are fulfilled, failing which the redemption of such Notes will be postponed (see "*Potential postponement of the Scheduled Maturity Date of Subordinated Notes with a specified maturity date*" below).

The Issuer is under no obligation to redeem the Subordinated Notes with a specified maturity date at any time before this time, and the holders of the Subordinated Notes with a specified maturity date have no right to call for their redemption.

*Potential postponement of the Scheduled Maturity Date of Subordinated Notes with a specified maturity date*

The Scheduled Maturity Date will be postponed if the Conditions to Redemption and Purchase are not fulfilled on the Scheduled Maturity Date and the Subordinated Notes with a specified maturity date will only be redeemed on the Final Maturity Date, where the Conditions to Redemption and Purchase are fulfilled.

Therefore, holders of such Subordinated Notes may not receive the principal amount invested until after the date initially expected.

If the Subordinated Notes with a specified maturity date are not redeemed on the Scheduled Maturity Date for the reasons set out above, holders of such Subordinated Notes will – subject to any compulsory or optional deferral – continue to receive interest but will not receive any additional compensation for the postponement of the redemption.

*Subordinated Notes with no specified maturity date*

Subordinated Notes with no specified maturity date are undated securities. Nevertheless, the Subordinated Notes with no specified maturity date may, if applicable, be redeemed at the option of the Issuer, (i) in whole or in part on any applicable call date specified in the applicable Final Terms or (ii) in

whole but not in part, at any time for certain tax, regulatory, rating or accounting reasons, at the option of the Issuer. There can be no assurance that, at the relevant time, the relevant Noteholders will be able to reinvest the amounts received upon redemption at a rate that will provide the same return as their investment in the Subordinated Notes with no specified maturity date. Potential investors should consider reinvestment risk in light of other investments available at that time.

*The Issuer's obligations under Subordinated Notes are subordinated*

The Issuer's obligations under Subordinated Notes will be unsecured and subordinated and will rank junior in priority of payment to all unsubordinated obligations of the Issuer (including Senior Notes).

The ranking of any Subordinated Notes issued under the Programme will evolve as follows:

(i) **Senior Subordinated Notes**

• Prior to the Existing Subordinated Notes Redemption Date:

If the Senior Subordinated Notes have a specified maturity date, such Notes constitute Dated Subordinated Notes, and such Notes and any relative Receipts and Coupons are direct, unconditional, unsecured and subordinated obligations of the Issuer and rank *pari passu* without any preference among themselves and *pari passu* with any other existing or future direct, unconditional, unsecured and subordinated obligations of the Issuer with a specified maturity date (including, without limitation, those which are expressed to be senior subordinated obligations of the Issuer with a specified maturity date) (any such obligations, **Dated Subordinated Obligations**) and shall be subordinated to all direct unconditional, unsecured and unsubordinated obligations of the Issuer (including any Senior Notes), but shall rank in priority to any Undated Subordinated Notes, any Undated Subordinated Obligations, any *prêts participatifs* granted to the Issuer, any *titres participatifs* issued by the Issuer and any Deeply Subordinated Notes issued by the Issuer.

The Dated Subordinated Notes shall also rank in priority to any class of share capital, whether represented by ordinary shares or preference shares (*actions de préférence*), issued by the Issuer.

If the Senior Subordinated Notes have no specified maturity date, such Notes constitute Undated Subordinated Notes, and such Notes and any relative Receipts and Coupons are direct, unconditional, unsecured and subordinated obligations of the Issuer and rank *pari passu* without any preference among themselves and *pari passu* with any other Undated Subordinated Obligations, and shall be subordinated to:

- all direct, unconditional, unsecured and unsubordinated obligations of the Issuer (including any Senior Notes); and
- Dated Subordinated Obligations (including, without limitation, any Dated Subordinated Notes),

in each case outstanding from time to time, but shall rank in priority to any *prêts participatifs* granted to the Issuer, any *titres participatifs* issued by the Issuer and any Deeply Subordinated Notes issued by the Issuer.

The Undated Subordinated Notes shall also rank in priority to any class of share capital, whether represented by ordinary shares or preference shares (*actions de préférence*), issued by the Issuer.

• From (and including) the Existing Subordinated Notes Redemption Date

The Senior Subordinated Notes and any relative Receipts and Coupons are direct, unconditional, unsecured and senior subordinated obligations of the Issuer and rank *pari passu* without any preference among themselves and *pari passu* with any other Senior Subordinated Obligations, and shall be subordinated to:

- all direct, unconditional, unsecured and unsubordinated obligations of the Issuer (including any Senior Notes); and
- subordinated obligations expressed to rank senior to Senior Subordinated Obligations, if any,

in each case outstanding from time to time, but shall rank in priority to any Ordinary Subordinated Notes, any Ordinary Subordinated Obligations, any *prêts participatifs* granted to the Issuer, any *titres participatifs* issued by the Issuer and any Deeply Subordinated Notes issued by the Issuer.

The Senior Subordinated Notes shall also rank in priority to any class of share capital, whether represented by ordinary shares or preference shares (*actions de préférence*), issued by the Issuer.

(ii) **Ordinary Subordinated Notes**

- Prior to the Existing Subordinated Notes Redemption Date

If the Ordinary Subordinated Notes have a specified maturity date, such Notes constitute **Dated Subordinated Notes** and Condition 3(b)(i)(x) shall apply to them.

If the Ordinary Subordinated Notes have no specified maturity date, such Notes constitute **Undated Subordinated Notes** and Condition 3(b)(i)(x) shall apply to them.

- From (and including) the Existing Subordinated Notes Redemption Date

The Ordinary Subordinated Notes and any relative Receipts and Coupons are direct, unconditional, unsecured and ordinary subordinated obligations of the Issuer and rank *pari passu* without any preference among themselves and *pari passu* with any other Ordinary Subordinated Obligations, and shall be subordinated to:

- all direct, unconditional, unsecured and unsubordinated obligations of the Issuer (including any Senior Notes); and
- all direct, unconditional, unsecured and subordinated obligations of the Issuer that rank or are expressed to rank senior to the Ordinary Subordinated Obligations (including, without limitation, any Senior Subordinated Notes),

in each case outstanding from time to time, but shall rank in priority to any subordinated obligations of the Issuer that rank or are expressed to rank junior to the Ordinary Subordinated Obligations, any *prêts participatifs* granted to the Issuer, any *titres participatifs* issued by the Issuer and any Deeply Subordinated Notes issued by the Issuer.

The Ordinary Subordinated Notes shall also rank in priority to any class of share capital, whether represented by ordinary shares or preference shares (*actions de préférence*), issued by the Issuer.

Although Subordinated Notes may pay a higher rate of interest than comparable Notes which are not subordinated, there is an increased risk that an investor in Subordinated Notes will lose all or some of his investment should the Issuer become insolvent.

For the purposes hereof:

**Existing Subordinated Note** means any note of any of the issues listed in Condition 3(b)(iii), provided that should the terms and conditions of the notes of any such issues be amended in any way which would result in the Issuer being able to issue subordinated notes ranking senior to such given issues, then such issues would, from (and including) the effective date of such amendment, be deemed to no longer constitute an Existing Subordinated Note.

**Existing Subordinated Notes Redemption Date** means the first day upon which no Existing Subordinated Note remains outstanding.

*Under certain conditions, payments of interest under Subordinated Notes may be deferred*

If so specified in the relevant Final Terms and in certain cases including where (i) no dividends in any form on ordinary or preference shares of the Issuer are declared or paid in the six months preceding the interest payment date, (ii) the own funds regulatory capital (or, if different, whatever terminology is employed to denote such concept by the then Applicable Supervisory Regulations) of the Issuer and/or the Group is not sufficient to cover its capital requirements or (iii) the Relevant Supervisory Authority has notified the Issuer that it has determined, in view of the Issuer's financial condition, that the Issuer must take specified action in relation to payments under the Notes, the Issuer may elect, or be obliged, to defer the payment of interest on the Subordinated Notes, in which case such interest shall constitute Arrears of Interest. Arrears of Interest shall bear interest and be payable at the Issuer's option and shall become due in full upon the occurrence of certain events, all as further detailed in Condition 5(d) and as specified in the Final Terms. Any non-payment resulting from such deferral shall not constitute a default by the Issuer and holders of Subordinated Notes will not be able to accelerate the maturity of their Subordinated Notes.

***Any deferral of interest payments will be likely to have an adverse effect on the market price of the Subordinated Notes. In addition, as a result of the above provisions of the Subordinated Notes, the market price of the Subordinated Notes may be more volatile than the market prices of other debt securities on which original issue discount or interest accrues that are not subject to the above provisions and may be more sensitive generally to adverse changes in the Issuer's financial condition.***

*Optional redemption, exchange or variation of Subordinated Notes for regulatory reasons and rating reasons*

Subordinated Notes will be issued with the intention of being eligible as "tier two" or "tier three" own funds regulatory capital (or, if different, whatever terminology is employed to denote such concept by the then Applicable Supervisory Regulations) of the Issuer and/or the Group for the purposes of the determination of the Issuer's and/or the Group's regulatory capital (including for the purpose of any capital requirements of internationally active insurance groups). If as a result of any change in the relevant laws and regulations, or any change in the official interpretation thereof, the proceeds of the Subordinated Notes would cease being eligible as own funds regulatory capital of the Issuer and/or the Group of at least the tier (or, if different, whatever terminology is employed to denote such concept by the then Applicable Supervisory Regulations) that the Subordinated Notes would be expected to fall under on or about the Issue Date, the Issuer reserves the right to exchange or vary the Subordinated Notes so that after such exchange or variation they would be so eligible. Alternatively, the Issuer reserves the right, under the same circumstances and subject to the satisfaction of the Conditions to Redemption and Purchase, to redeem the Subordinated Notes early.

The Subordinated Notes may also be redeemed, exchanged or varied further to a change in the methodology of a Rating Agency as a result of which the equity content of the Subordinated Notes is materially reduced.

However, the Subordinated Notes may not be redeemed in such circumstances prior to their fifth anniversary, unless the relevant redeemed Notes are replaced by other own funds regulatory capital of at least the same quality.

*Capital requirements for "tier one", "tier two" and "tier three" instruments: Solvency II*

Subordinated Notes will be issued for regulatory capital requirement purposes in accordance with applicable French Solvency II regulations. The Solvency II Directive 2009/138/EC was published in the Official Journal of the European Union on December 17, 2009 and has been amended by Directive 2014/51/EU. The Solvency II Directive was implemented under French law by Ordinance 2015-378

dated April 2, 2015 completed by the decree (*décret*) 2015-513 dated May 7, 2015 and an order (*arrêté*) of the same date and has entered into force on January 1, 2016. On April 1, 2015, a number of early approval processes started and the Solvency II regime became fully applicable on January 1, 2016. The European Commission's Solvency II Delegated Regulation 2015/35 supplementing Solvency II was adopted on October 10, 2014, and was published in the Official Journal of the European Union on January 17, 2015. This regulation came into force on January 18, 2015 and is directly applicable to the relevant insurers in the European Union. The effect of the implementing measures related to the new Solvency II requirements could have adverse consequences on the holders of Subordinated Notes. In particular:

- the Issuer will be obliged to defer interest payments if the own funds regulatory capital (or, if different, whatever terminology is employed to denote such concept by the then Applicable Supervisory Regulations) of the Issuer is not sufficient to cover its capital requirement;
- in the same circumstances the redemption or purchase of Subordinated Notes will be only permitted subject to the Prior Approval of the Relevant Supervisory Authority.

There continue to be material uncertainties around the impact of the more detailed technical requirements of Solvency II. The new framework covers the definition of "own funds" regulatory capital and, accordingly, will set out the features which any capital must have in order to qualify as regulatory capital. Even though "level two" implementation measures have been enacted and "level three" guidelines have been released, there can be no assurance that such implementation measures and guidelines will not be amended, supplemented or superseded. Moreover, there is considerable uncertainty as to how regulators, including the French *Autorité de Contrôle Prudentiel et de Résolution*, will interpret the "level two" implementation measures and/or "level three" guidance and apply them to the Issuer or the Group.

#### *Early redemption risk in respect of Subordinated Notes*

Subject to the satisfaction of the Conditions to Redemption and Purchase, the Issuer may redeem the Subordinated Notes in whole, or in part, on any applicable call date specified in the applicable Final Terms.

The Issuer may also, at its option and subject to the satisfaction of the Conditions to Redemption and Purchase, redeem the Subordinated Notes in whole but not in part upon the occurrence of certain events, including tax reasons, a Regulatory Event, a Rating Methodology Event and an Accounting Event, as further described in Condition 7. Such redemption options will be exercised at the principal amount of the Subordinated Notes together with interest accrued to the date of redemption (including, for the avoidance of doubt, any Arrears of Interest and Additional Interest Amounts (if any) thereon at such date).

The optional redemption feature of the Subordinated Notes may affect their market value. During any period when the Issuer may elect to redeem the Subordinated Notes, the market value of the Subordinated Notes generally will not rise substantially above the price at which they can be redeemed. This may also be true prior to the first applicable call date.

The Issuer may also be expected to redeem the Subordinated Notes when its cost of borrowing is lower than the interest rate on the Subordinated Notes.

#### *The Issuer is not required to redeem the Subordinated Notes for tax reasons*

There is uncertainty as to whether gross-up obligations in general, including those under the Terms and Conditions of the Notes (whether Senior or Subordinated), are enforceable under French law. If any payment obligations under the Subordinated Notes, including the obligations to pay additional amounts under Condition 8(b), are held to be illegal or unenforceable under French law, the Issuer will have the right, but not the obligation, to redeem the Subordinated Notes. Accordingly, if the Issuer does not redeem the Subordinated Notes upon the occurrence of an event as described in Condition 7(b)(i),

Noteholders may receive less than the full amount due under the Subordinated Notes, and the market value of such Notes may be adversely affected.

*No Events of Default in respect of Subordinated Notes*

The holders of Subordinated Notes should be aware that the Terms and Conditions of the Subordinated Notes do not contain any events of default provision.

*No limitation on issuing or guaranteeing debt, including debt ranking senior to, or pari passu with, the Subordinated Notes*

Apart from the Programme size limit referred to on the cover page of this Base Prospectus, there is no restriction under the Programme on the amount of unsecured debt which the Issuer may issue or guarantee. The Issuer and its subsidiaries and affiliates may incur additional indebtedness or grant guarantees in respect of indebtedness of third parties, including indebtedness or guarantees that rank senior in priority of payment to, or *pari passu* with, the Subordinated Notes. If the Issuer's financial condition were to deteriorate, the relevant Noteholders could suffer direct and materially adverse consequences, including deferral of interest and, if the Issuer were liquidated (whether voluntarily or involuntarily), loss by the relevant Noteholders of their entire investment.

*Notes where denominations involve integral multiples: Definitive Bearer Notes*

In relation to any issue of Bearer Notes which have denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Notes may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such a case a Noteholder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system would not be able to sell the remainder of such holding without first purchasing a principal amount of Notes at or in excess of the minimum Specified Denomination such that its holding amounts to a Specified Denomination. Further, a Noteholder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in their account with the relevant clearing system at the relevant time may not receive a definitive Note in respect of such holding (should definitive Notes be printed) and would need to purchase a principal amount of Notes at or in excess of the minimum Specified Denomination such that its holding amounts to a Specified Denomination.

If definitive Notes are issued, Noteholders should be aware that definitive Notes which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

## FORM OF THE NOTES

The Notes of each Series will be in either bearer form (**Bearer Notes**), with or without receipts, interest coupons and talons attached, or registered form (**Registered Notes**), without receipts, interest coupons and talons attached. Bearer Notes will be issued outside the United States in reliance on Regulation S and Registered Notes will be issued both outside the United States in reliance on the exemption from registration provided by Regulation S and within the United States in reliance on Rule 144A.

### **Bearer Notes**

Each Tranche of Bearer Notes will be initially issued in the form of either a temporary bearer global note (a **Temporary Bearer Global Note**) or, if so specified in the applicable Final Terms, a permanent bearer global note (a **Permanent Bearer Global Note** and together with the Temporary Bearer Global Note, the **Bearer Global Notes**), as indicated in the applicable Final Terms, which, in either case, will:

- (a) if the Bearer Global Notes are intended to be issued in new global note (**NGN**) form, as stated in the applicable Final Terms, be delivered on or prior to the original issue date of the Tranche to a common safekeeper (the **Common Safekeeper**) for Euroclear Bank SA/NV (**Euroclear**) and Clearstream Banking S.A. (**Clearstream**); and
- (b) if the Bearer Global Notes are not intended to be issued in NGN form, be delivered on or prior to the original issue date of the Tranche to a common depositary (the **Common Depositary**) for Euroclear and Clearstream.

Whilst any Bearer Note is represented by a Temporary Bearer Global Note, payments of principal, interest (if any) and any other amount payable in respect of the Notes due prior to the Exchange Date (as defined below) will be made (against presentation of the Temporary Bearer Global Note if the Temporary Bearer Global Note is not intended to be issued in NGN form) only to the extent that certification (in a form to be provided) to the effect that the beneficial owners of interests in such Bearer Note are not U.S. persons or persons who have purchased for resale to any U.S. person, as required by U.S. Treasury Regulations, has been received by Euroclear and/or Clearstream and Euroclear and/or Clearstream, as applicable, has given a like certification (based on the certifications it has received) to the Principal Paying Agent.

On and after the date (the **Exchange Date**) which, in respect of each Tranche in respect of which a Temporary Bearer Global Note is issued, is 40 days after the Temporary Bearer Global Note is issued, interests in such Temporary Bearer Global Note will be exchangeable (free of charge) upon a request as described therein either for (i) interests in a Permanent Bearer Global Note of the same Series or (ii) for definitive Notes in bearer form (each, a **Definitive Bearer Note**) of the same Series with, where applicable, receipts, interest coupons and talons attached (as indicated in the applicable Final Terms and subject, in the case of Definitive Bearer Notes, to 120 days' notice), in each case outside the U.S. and against certification of beneficial ownership as described above unless such certification has already been given, provided that purchasers in the United States and certain U.S. persons will not be able to receive Definitive Bearer Notes. The holder of a Temporary Bearer Global Note will not be entitled to collect any payment of interest, principal or other amount due on or after the Exchange Date unless, upon due certification, exchange of the Temporary Bearer Global Note for an interest in a Permanent Bearer Global Note or for Definitive Bearer Notes is improperly withheld or refused.

Payments of principal, interest (if any) or any other amounts on a Permanent Bearer Global Note will be made through Euroclear and/or Clearstream (against presentation or surrender (as the case may be) of the Permanent Bearer Global Note if the Permanent Bearer Global Note is not intended to be issued in NGN form) without any requirement for certification.

The applicable Final Terms will specify that a Permanent Bearer Global Note will be exchangeable (free of charge), in whole but not in part, for Definitive Bearer Notes with, where applicable, receipts, interest coupons and talons attached upon the occurrence of an Exchange Event. For these purposes, **Exchange Event** means that (i) an Event of Default (as defined in Condition 10) has occurred and is

continuing, (ii) the Issuer has been notified that both Euroclear and Clearstream have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system is available or (iii) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Notes represented by the Permanent Bearer Global Note in definitive form. The Issuer will promptly give notice to Noteholders in accordance with Condition 14 if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream (acting on the instructions of any holder of an interest in such Permanent Bearer Global Note) may give notice to the Principal Paying Agent requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iii) above, the Issuer may also give notice to the Principal Paying Agent requesting exchange. Any such exchange shall occur no later than forty-five (45) days after the date of receipt of the first relevant notice by the Principal Paying Agent.

The following legend will appear on all Permanent Bearer Global Notes and Definitive Bearer Notes which have an original maturity of more than 365 days and on all receipts and interest coupons relating to such Notes where TEFRA D is specified in the applicable Final Terms:

“ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES INCOME TAX LAWS, INCLUDING THE LIMITATIONS PROVIDED IN SECTIONS 165(j) AND 1287(a) OF THE U.S. INTERNAL REVENUE CODE OF 1986, AS AMENDED.”

The U.S. Internal Revenue Code sections referred to above provide that United States holders, with certain exceptions, will not be entitled to deduct any loss on Bearer Notes, receipts or interest coupons and will not be entitled to capital gains treatment of any gain recognised on any sale, disposition, redemption or payment of principal in respect of such Notes, receipts or interest coupons.

Notes which are represented by a Bearer Global Note will only be transferable in accordance with the rules and procedures for the time being of Euroclear or Clearstream, as the case may be.

### Registered Notes

The Registered Notes of each Tranche offered and sold in reliance on Regulation S, which will be sold to non-U.S. persons outside the United States, will initially be represented by a global note in registered form, without receipts, interest coupons and talons, (a **Regulation S Global Note**) which will be deposited with a common depository for, and registered in the name of a common nominee of, Euroclear and Clearstream. Prior to expiry of the distribution compliance period (as defined in Regulation S) applicable to each Tranche of Notes, beneficial interests in a Regulation S Global Note may not be offered or sold to, or for the account or benefit of, a U.S. person save as otherwise provided in Condition 2, and may not be held otherwise than through Euroclear or Clearstream and such Regulation S Global Note will bear a legend regarding such restrictions on transfer.

The Registered Notes of each Tranche may only be offered and sold in the United States or to U.S. persons in private transactions to QIBs. The Registered Notes of each Tranche sold to QIBs will be represented by a global note in registered form, without Receipts or Coupons, (a **Rule 144A Global Note** and, together with a Regulation S Global Note, the **Registered Global Notes**) which will be deposited with a custodian for, and registered in the name of a nominee of, the Depository Trust Company (**DTC**).

Persons holding beneficial interests in Registered Global Notes will be entitled or required, as the case may be, under the circumstances described below, to receive physical delivery of definitive Notes in fully registered form.

The Registered Global Notes will be subject to certain restrictions on transfer set forth therein and will bear legends regarding such restrictions.

Payments of principal, interest and any other amount in respect of the Registered Global Notes will, in the absence of provision to the contrary, be made to the person shown on the Register (as defined in

Condition 6) as the registered holder of the Registered Global Notes. None of the Issuer, any Paying Agent or the Registrar will have any responsibility or liability for any aspect of the records relating to or payments or deliveries made on account of beneficial ownership interests in the Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Payments of principal, interest or any other amount in respect of the Registered Notes in definitive form will, in the absence of provision to the contrary, be made to the persons shown on the Register on the relevant date immediately preceding the due date for payment in the manner provided in that Condition.

Interests in a Registered Global Note will be exchangeable (free of charge), in whole but not in part, for Definitive Registered Notes without receipts, interest coupons or talons attached only upon the occurrence of an Exchange Event. For these purposes, **Exchange Event** means that (i) an Event of Default has occurred and is continuing, (ii) in the case of Notes represented by a Rule 144A Global Note only, DTC has notified the Issuer that it is unwilling or unable to continue to act as depositary for the Notes and no alternative clearing system is available, (iii) in the case of Notes represented by a Rule 144A Global Note only, DTC has ceased to constitute a clearing agency registered under the Exchange Act or, in the case of Notes represented by a Regulation S Global Note only, the Issuer has been notified that both Euroclear and Clearstream have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and, in any such case, no successor clearing system is available or (iv) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Notes represented by the Registered Global Note in definitive form. The Issuer will promptly give notice to Noteholders in accordance with Condition 14 if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, DTC, Euroclear and/or Clearstream (acting on the instructions of any holder of an interest in such Registered Global Note) may give notice to the Registrar requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iv) above, the Issuer may also give notice to the Registrar requesting exchange. Any such exchange shall occur not later than ten (10) days after the date of receipt of the first relevant notice by the Registrar.

### **Transfer of Interests**

Interests in a Registered Global Note may, subject to compliance with all applicable restrictions, be transferred to a person who wishes to hold such interests in another Registered Global Note. No beneficial owner of an interest in a Registered Global Note will be able to transfer such interest, except in accordance with the applicable procedures of DTC, Euroclear and Clearstream, in each case to the extent applicable. Registered Notes are also subject to the restrictions on transfer set forth therein and will bear a legend regarding such restrictions, see "*Subscription and Sale and Transfer and Selling Restrictions*".

### **General**

Pursuant to the Agency Agreement (as defined under "*Terms and Conditions of the Notes*"), the Principal Paying Agent shall arrange that, where a further Tranche of Notes is issued which is intended to form a single Series with an existing Tranche of Notes, the Notes of such further Tranche shall be assigned a Common Code and ISIN and, where applicable, a CUSIP and CINS number which are different from the Common Code, ISIN, CUSIP and CINS assigned to Notes of any other Tranche of the same Series until at least the expiry of the distribution compliance period applicable to the Notes of such Tranche.

For so long as the Notes are represented by a Bearer Global Note or a Regulation S Global Note held on behalf of Euroclear and/or Clearstream, each person (other than Euroclear or Clearstream) who is for the time being shown in the records of Euroclear or of Clearstream as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer and its agents as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on such nominal amount of such Notes, for which purpose

the bearer of the relevant Bearer Global Note or the registered holder of the relevant Regulation S Global Note shall be treated by the Issuer and its agents as the holder of such nominal amount of such Notes in accordance with and subject to the terms of the relevant Global Note and the expressions **Noteholder** and **holder of Notes** and related expressions shall be construed accordingly.

So long as DTC or its nominee is the registered owner or holder of a Registered Global Note, DTC or such nominee, as the case may be, will be considered the sole owner or holder of the Notes represented by such Registered Global Note for all purposes under the Agency Agreement and such Notes except to the extent that in accordance with DTC's published rules and procedures any ownership rights may be exercised by its participants or beneficial owners through participants.

Any reference herein to Euroclear and/or Clearstream and/or DTC shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms.

A Senior Note may be accelerated by the holder thereof in certain circumstances described in Condition 10. In such circumstances, where any Note is still represented by a Global Note and the Global Note (or any part thereof) has become due and repayable in accordance with the Terms and Conditions of such Notes and payment in full of the amount due has not been made in accordance with the provisions of the Global Note then, unless within the period of seven (7) days commencing on the relevant due date payment in full of the amount due in respect of the Global Note is received by the bearer or the registered holder, as the case may be, in accordance with the provisions of the Global Note, then from 8.00 p.m. (London time) on the last day of such period holders of interests in such Global Note credited to their accounts with Euroclear and/or Clearstream and/or DTC, as the case may be, will become entitled to proceed directly against the Issuer on the basis of statements of account provided by Euroclear, Clearstream and/or DTC on and subject to the terms of a deed of covenant (the **Deed of Covenant**) dated April 12, 2017 and executed by the Issuer. In addition, holders of interests in such Global Note credited to their accounts with DTC may require DTC to deliver Definitive Registered Notes in exchange for their interest in such Global Note in accordance with DTC's standard operating procedures.

## TERMS AND CONDITIONS OF THE NOTES

*The following are the Terms and Conditions of the Notes which will be incorporated by reference into each Global Note (as defined below) and each definitive Note, in the latter case only if permitted by the relevant stock exchange or other relevant authority (if any) and agreed by the Issuer and the relevant Purchaser at the time of issue but, if not so permitted and agreed, such definitive Note will have endorsed thereon or attached thereto such Terms and Conditions. The applicable Final Terms in relation to any Tranche of Notes may complete such Terms and Conditions for the purpose of such Notes. The applicable Final Terms (or the relevant provisions thereof) will be endorsed upon, or attached to, each Global Note and definitive Note.*

This Note is one of a Series (as defined below) of Notes issued by AXA (the **Issuer**) pursuant to the Agency Agreement (as defined below).

References herein to the **Notes** shall be references to the Notes of this Series and shall mean:

The Notes, the Receipts (as defined below) and the Coupons (as defined below) are issued pursuant to an amended and restated agency agreement dated April 12, 2017 (the **Agency Agreement** as the same may be amended, restated and/or supplemented from time to time) between the Issuer, BNP Paribas Securities Services, Luxembourg Branch, as issuing and principal paying agent and agent bank (the **Principal Paying Agent**, which expression shall include any successor principal paying agent) and the other paying agents named therein (together with the Principal Paying Agent, the **Paying Agents**, which expression shall include any additional or successor paying agents), BNP Paribas Securities Services, Luxembourg Branch, as exchange agent (the **Exchange Agent** which expression shall include any successor exchange agent), as registrar (the **Registrar**, which expression shall include any successor registrar) and as transfer agent and the other transfer agents named therein (together with the Registrar, the **Transfer Agents**, which expression shall include any additional or successor transfer agents).

Interest bearing Definitive Bearer Notes have interest coupons (**Coupons**) and, in the case of Notes which, when issued in definitive form, have more than 27 interest payments remaining, talons for further Coupons (**Talons**) attached on issue. Any reference herein to Coupons or coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons or talons. Definitive Bearer Notes repayable in instalments have receipts (**Receipts**) for the payment of the instalments of principal (other than the final instalment) attached on issue, Registered Notes and Global Notes do not have Receipts, Coupons or Talons attached on issue.

The final terms for this Note (or the relevant provisions thereof) are set out in Part A of the Final Terms attached to or endorsed on this Note which complete these Terms and Conditions (the **Conditions**) for the purposes of this Note. References to the **applicable Final Terms** are to Part A of the Final Terms (or the relevant provisions thereof) attached to or endorsed on this Note.

Any reference to **Noteholders** or **holders** in relation to any Notes shall mean (in the case of Bearer Notes) the holders of the Notes and (in the case of Registered Notes) the persons in whose name the Notes are registered and shall, in relation to any Notes represented by a Global Note, be construed as provided below. The Noteholders, the Receiptholders and the Couponholders are entitled to the benefit of the Deed of Covenant (the **Deed of Covenant**) dated April 12, 2017 and made by the Issuer. The original of the Deed of Covenant is held by the common depositary for Euroclear (as defined below) and Clearstream (as defined below).

Copies of the Agency Agreement, a deed poll (the **Deed Poll**) dated April 12, 2017 and made by the Issuer and the Deed of Covenant are available for inspection during normal business hours at the specified office of each of the Principal Paying Agent, the Registrar and the other Paying Agents and Transfer Agents (such Agents and the Registrar being together referred to as the **Agents**). Copies of the applicable Final Terms are available from the registered office of the Issuer and the specified office of the Principal Paying Agent save that, if a series of Notes is not admitted to trading on a regulated market in the European Economic Area in circumstances where a prospectus is required to be published under Directive 2003/71/EC as amended, the applicable Final Terms will only be obtainable by a Noteholder holding one or more Notes of that Series and such Noteholder must produce evidence satisfactory to the Issuer or, as the case may be, the Principal Paying Agent as to its holding of such Notes and identity. The Noteholders, the Receiptholders and the Couponholders are deemed to have notice of, and are entitled to the benefit of, all the provisions of the Agency Agreement, the Deed Poll, the Deed of Covenant and the applicable Final Terms which are applicable to them. The statements in the Conditions include summaries of, and are subject to, the detailed provisions of the Agency Agreement.

Words and expressions defined in the Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in the Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of inconsistency between the Agency Agreement and the applicable Final Terms, the applicable Final Terms will prevail.

## 1. FORM, DENOMINATION AND TITLE

The Notes are in bearer form or in registered form as specified in the applicable Final Terms and, in the case of definitive Notes, serially numbered, in the Specified Currency and the Specified Denomination(s). Notes of one Specified Denomination may not be exchanged for Notes of another Specified Denomination and Bearer Notes may not be exchanged for Registered Notes and *vice versa*.

This Note may be a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note (all as defined below) or a combination of any of the foregoing, depending upon the Interest Basis shown in the applicable Final Terms. In the case of any Notes admitted to trading on a European Economic Area stock exchange in circumstances which require the publication of a prospectus under the Directive 2003/71/EC as amended, the minimum Specified Denomination shall be €100,000 (or, if the Notes are denominated in a currency other than Euro, the equivalent amount in such currency).

This Note may also be a Senior Note or a Subordinated Note, as indicated in the applicable Final Terms.

Definitive Bearer Notes are issued with Coupons attached, unless they are Zero Coupon Notes in which case references to Coupons and Couponholders in the Conditions are not applicable.

Subject as set out below, title to the Bearer Notes, Receipts and Coupons will pass by delivery and title to the Registered Notes will pass upon registration of transfers in accordance with the provisions of the Agency Agreement. The Issuer and any Agent will (except as otherwise required by law) deem and treat the bearer of any Bearer Note, Receipt or Coupon and the registered holder of any Registered Note as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or

writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any Global Note, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as the Notes are represented by a Bearer Global Note or a Regulation S Global Note held on behalf of Euroclear Bank SA/NV (**Euroclear**) and/or Clearstream Banking, S.A. (**Clearstream**), each person (other than Euroclear or Clearstream) who is for the time being shown in the records of Euroclear or of Clearstream as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer and the Agents as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on such nominal amount of such Notes, for which purpose the bearer of the relevant Bearer Global Note or the registered holder of the relevant Regulation S Global Note shall be treated by the Issuer and any Agent as the holder of such nominal amount of such Notes in accordance with and subject to the terms of the relevant Global Note and the expressions **Noteholder** and **holder of Notes** and related expressions shall be construed accordingly.

For so long as the Depository Trust Company (**DTC**) or its nominee is the registered owner or holder of a Registered Global Note, DTC or such nominee, as the case may be, will be considered the sole owner or holder of the Notes represented by such Registered Global Note for all purposes under the Agency Agreement and the Notes except to the extent that in accordance with DTC's published rules and procedures any ownership rights may be exercised by its participants or beneficial owners through participants.

Notes which are represented by a Global Note will be transferable only in accordance with the rules and procedures for the time being of DTC, Euroclear and Clearstream, as the case may be.

## **2. TRANSFERS OF REGISTERED NOTES**

### **(a) Transfers of beneficial interests in Registered Global Notes**

Transfers of beneficial interests in Registered Global Notes will be effected by DTC, Euroclear or Clearstream, as the case may be, and, in turn, by other participants and, if appropriate, indirect participants in such clearing systems acting on behalf of beneficial transferors and transferees of such interests. A beneficial interest in a Registered Global Note will, subject to compliance with all applicable legal and regulatory restrictions, be transferable for Notes in definitive form or for a beneficial interest in another Registered Global Note only in the authorised denominations set out in the applicable Final Terms and only in accordance with the rules and operating procedures for the time being of DTC, Euroclear or Clearstream, as the case may be and in accordance with the terms and conditions specified in the Agency Agreement. Transfers of a Registered Global Note shall be limited to transfers of such Registered Global Note, in whole but not in part, to a nominee of DTC or to a successor of DTC or such successor's nominee.

### **(b) Transfers of Registered Notes in definitive form**

Subject as provided in paragraphs (e), (f) and (g) below, upon the terms and subject to the conditions set forth in the Agency Agreement, a Registered Note in definitive form may be transferred in whole or in part (in the authorised denominations set out in the applicable Final Terms). In order to effect any such transfer (i) the holder or holders must (a) surrender the Registered Note for registration of the transfer of the Registered Note (or the relevant part of the Registered Note) at the specified office of the Registrar or any Transfer Agent, with the form of transfer thereon duly executed by the holder or holders thereof or his or their attorney or attorneys duly authorised in writing and (b) complete and deposit such other certifications as may be required by the Registrar or, as the case may be, the relevant Transfer Agent and (ii) the Registrar or, as the case may be, the relevant Transfer Agent must, after due and careful enquiry, be satisfied with the documents of title and the identity of the person making the request. Any such transfer will be subject to such reasonable regulations as the Issuer and the Registrar may

from time to time prescribe (the initial such regulations being set out in Schedule 9 to the Agency Agreement). Subject as provided above, the Registrar or, as the case may be, the relevant Transfer Agent will, within three business days (being for this purpose also a day on which banks are open for business in the city where the specified office of the Registrar or, as the case may be, the relevant Transfer Agent is located) of the request (or such longer period as may be required to comply with any applicable fiscal or other laws or regulations) authenticate and deliver, or procure the authentication and delivery of, at its specified office to the transferee or (at the risk of the transferee) send by uninsured mail to such address as the transferee may request, a new Registered Note in definitive form of a like aggregate nominal amount to the Registered Note (or the relevant part of the Registered Note) transferred. In the case of the transfer of part only of a Registered Note in definitive form, a new Registered Note in definitive form in respect of the balance of the Registered Note not transferred will be so authenticated and delivered or (at the risk of the transferor) sent to the transferor.

(c) **Registration of transfer upon partial redemption**

In the event of a partial redemption of Notes under Condition 7, the Issuer shall not be required to register the transfer of any Registered Note, or part of a Registered Note, called for partial redemption.

(d) **Costs of registration**

Noteholders will not be required to bear the costs and expenses of effecting any registration of transfer as provided above, except for any costs or expenses of delivery other than by regular uninsured mail and except that the Issuer may require the payment of a sum sufficient to cover any stamp duty, tax or other governmental charge that may be imposed in relation to the registration.

(e) **Transfers of beneficial interests in Regulation S Global Notes**

Prior to expiry of the Distribution Compliance Period, transfers by the holder of, or of a beneficial interest in, a Regulation S Global Note to a transferee in the United States or who is a U.S. person will only be made:

- (i) upon receipt by the Registrar of a written certification substantially in the form set out in the Agency Agreement, amended as appropriate (a **Transfer Certificate**), copies of which are available from the specified office of the Registrar or any Transfer Agent, from the transferor of the Note or beneficial interest therein to the effect that such transfer is being made to a person whom the transferor reasonably believes is a QIB in a transaction meeting the requirements of Rule 144A;
- (ii) otherwise pursuant to the Securities Act or an exemption therefrom, subject to receipt by the Issuer of such satisfactory evidence as the Issuer may reasonably require, which may include an opinion of U.S. counsel, that such transfer is in compliance with any applicable securities laws of any State of the United States,

and in each case, in accordance with any applicable securities laws of any State of the United States or any other jurisdiction.

In the case of (i) above, such transferee may take delivery through a Legended Note in a global or definitive form. After expiry of the Distribution Compliance Period (i) beneficial interests in Regulation S Global Notes may be held through DTC directly, by a participant in DTC, or indirectly through a participant in DTC and (ii) such certification requirements will no longer apply to such transfers.

(f) **Transfers of beneficial interests in Legended Notes**

Transfers of Legended Notes or beneficial interests therein may be made:

- (i) to a transferee who takes delivery of such interest through a Regulation S Global Note, upon receipt by the Registrar of a duly completed Transfer Certificate from the transferor to the effect that such transfer is being made in accordance with Regulation S and that, if such transfer is being made prior to expiry of the Distribution Compliance Period, the interests in the Notes being transferred will be held immediately thereafter through Euroclear and/or Clearstream; or
- (ii) to a transferee who takes delivery of such interest through a Legended Note where the transferee is a person whom the transferor reasonably believes is a QIB in a transaction meeting the requirements of Rule 144A, without certification; or
- (iii) otherwise pursuant to the Securities Act or an exemption therefrom, subject to receipt by the Issuer of such satisfactory evidence as the Issuer may reasonably require, which may include an opinion of U.S. counsel, that such transfer is in compliance with any applicable securities laws of any State of the United States,

and, in each case, in accordance with any applicable securities laws of any State of the United States or any other jurisdiction.

Upon the transfer, exchange or replacement of Legended Notes, or upon specific request for removal of the Legend, the Registrar shall deliver only Legended Notes or refuse to remove such Legend, as the case may be, unless there is delivered to the Issuer such satisfactory evidence as may reasonably be required by the Issuer, which may include an opinion of U.S. counsel, that neither the Legend nor the restrictions on transfer set forth therein are required to ensure compliance with the provisions of the Securities Act.

The Dated Subordinated Notes shall also rank in priority to any class of share capital, whether represented by ordinary shares or preference shares (*actions de préférence*), issued by the Issuer.

If the Senior Subordinated Notes have no specified maturity date, such Notes constitute **Undated Subordinated Notes**, and such Notes and any relative Receipts and Coupons are direct, unconditional, unsecured and subordinated obligations of the Issuer and rank *pari passu* without any preference among themselves and *pari passu* with any other Undated Subordinated Obligations, and shall be subordinated to:

- all direct, unconditional, unsecured and unsubordinated obligations of the Issuer (including any Senior Notes); and

The Undated Subordinated Notes shall also rank in priority to any class of share capital, whether represented by ordinary shares or preference shares (*actions de préférence*), issued by the Issuer.

The Senior Subordinated Notes and any relative Receipts and Coupons are direct, unconditional, unsecured and senior subordinated obligations of the Issuer and rank *pari passu* without any preference among themselves and *pari passu* with any other existing or future direct, unconditional, unsecured and senior subordinated obligations of the Issuer (any such obligations, **Senior Subordinated Obligations**), and shall be subordinated to:

#### **4. REDENOMINATION**

##### **(a) Redenomination**

Where redenomination is specified in the applicable Final Terms as being applicable, the Issuer may, without the consent of the Noteholders, the Receiptholders and the Couponholders, on giving prior notice to the Principal Paying Agent, Euroclear and Clearstream and at least thirty (30) days' prior notice to the Noteholders in accordance with Condition 14, elect that, with effect from the Redenomination Date specified in the notice, the Notes shall be redenominated in Euro.

The election will have effect as follows:

- (i) the Notes and the Receipts shall be deemed to be redenominated in Euro in the denomination of €0.01 with a nominal amount for each Note and Receipt equal to the nominal amount of that Note or Receipt in the Specified Currency, converted into Euro at the Established Rate, provided that, if the Issuer determines, with the agreement of the Principal Paying Agent, that the then market practice in respect of the redenomination in Euro of internationally offered securities is different from the provisions specified above, such provisions shall be deemed to be amended so as to comply with such market practice and the Issuer shall promptly notify the Noteholders, the stock exchange (if any) on which the Notes may be listed and the Agents of such deemed amendments;
- (ii) save to the extent that an Exchange Notice has been given in accordance with paragraph (iv) below, the amount of interest due in respect of the Notes will be calculated by reference to the aggregate nominal amount of Notes presented (or, as the case may be,

in respect of which Coupons are presented) for payment by the relevant holder and the amount of such payment shall be rounded down to the nearest €0.01;

- (iii) if definitive Notes are required to be issued after the Redenomination Date, they shall be issued at the expense of the Issuer (i) in the case of Relevant Notes in the denomination of €100,000 and/or such higher amounts as the Agent may determine and notify to the Noteholders and any remaining amounts less than €100,000 shall be redeemed by the Issuer and paid to the Noteholders in Euro in accordance with Condition 6; and (ii) in the case of Notes which are not Relevant Notes, in the denominations of €1,000, €10,000, €100,000 and (but only to the extent of any remaining amounts less than €1,000 or such smaller denominations as the Principal Paying Agent may approve) €0.01 and such other denominations as the Principal Paying Agent shall determine and notify to the Noteholders;
- (iv) if issued prior to the Redenomination Date, all unmatured Coupons denominated in the Specified Currency (whether or not attached to the Notes) will become void with effect from the date on which the Issuer gives notice (the **Exchange Notice**) that replacement Euro-denominated Notes, Receipts and Coupons are available for exchange (provided that such securities are so available) and no payments will be made in respect of them. The payment obligations contained in any Notes and Receipts so issued will also become void on that date although those Notes and Receipts will continue to constitute valid exchange obligations of the Issuer. New Euro-denominated Notes, Receipts and Coupons will be issued in exchange for Notes, Receipts and Coupons denominated in the Specified Currency in such manner as the Principal Paying Agent may specify and as shall be notified to the Noteholders in the Exchange Notice. No Exchange Notice may be given less than fifteen (15) days prior to any date for payment of principal or interest on the Notes;
- (v) after the Redenomination Date, all payments in respect of the Notes, the Receipts and the Coupons, other than payments of interest in respect of periods commencing before the Redenomination Date, will be made solely in Euro as though references in the Notes to the Specified Currency were to Euro. Payments will be made in Euro by credit or transfer to a Euro account (or any other account to which Euro may be credited or transferred) specified by the payee;
- (vi) if the Notes are Fixed Rate Notes and interest for any period ending on or after the Redenomination Date is required to be calculated for a period ending other than on an Interest Payment Date, it will be calculated:
  - (A) in the case of Notes represented by a Global Note, by applying the Rate of Interest to the aggregate outstanding nominal amount of the Notes represented by such Global Note; and
  - (B) in the case of Definitive Bearer Notes or Definitive Registered Notes, by applying the Rate of Interest to the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction (as defined below), and rounding the resultant figure to the nearest sub-unit (defined below) of the relevant Specified Currency, half of any such sub-unit being rounded upwards. Where the Specified Denomination of a Fixed Rate Note which is a Definitive Bearer Note or a Definitive Registered Note is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding; and

- (vii) if the Notes are Floating Rate Notes, the Issuer may, with the approval of the Principal Paying Agent, without the consent of the Noteholders, make any changes or addition to these terms and conditions (including without limitation, any change to any applicable business day definition, business day convention, principal financial centre, interest accrual basis or benchmark), taking into account market practice in respect of redenominated euromarket debt obligations and which it believes is not prejudicial to the interests of such holder. Any changes or additions shall, in the absence of manifest error be binding on the Noteholders and shall be notified to the Noteholders in accordance with Condition 14 as soon as practicable thereafter.

(b) **Definitions**

In the Conditions, the following expressions have the following meanings:

**Redenomination Date** means (in the case of interest bearing Notes) any date for payment of interest under the Notes or (in the case of Zero Coupon Notes) any date, in each case specified by the Issuer in the notice given to the Noteholders pursuant to paragraph (a) above and which falls on or after the date on which the country of the Specified Currency first participates in the third stage of European economic and monetary union;

**Relevant Notes** means all Notes where the applicable Final Terms provide for a minimum Specified Denomination in the Specified Currency which is equivalent to at least €100,000 and which are admitted to trading on a regulated market in the European Economic Area; and

**Treaty** means the Treaty establishing the European Community, as amended.

**5. INTEREST**

Notes bearing interest may bear interest at a fixed (**Fixed Rate Notes**) or floating rate (**Floating Rate Notes**) and/or a combination thereof. If the applicable Final Terms so specify, the applicable Rate of Interest may be reset from one Interest Period to the other.

(a) **Interest on Fixed Rate Notes**

Each Fixed Rate Note bears interest from (and including) the Interest Commencement Date at the rate(s) *per annum* equal to the Rate(s) of Interest payable in arrear on the Interest Payment Date(s) in each year and up to (and including) the Maturity Date in the case of Senior Notes, the Final Maturity Date (as defined below) in the case of Subordinated Notes with a specified maturity date or any redemption date in the case of Subordinated Notes with no specified maturity date.

If the Notes are Definitive Bearer Notes, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period (as defined below) ending on (but excluding) such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will amount to the Broken Amount so specified in the applicable Final Terms.

Except in the case of Notes which are Definitive Bearer Notes where an applicable Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (i) in the case of Fixed Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note; or
- (ii) in the case of Fixed Rate Notes which are Definitive Bearer Notes or Definitive Registered Notes, the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit (as defined below) of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note which is a Definitive Bearer Note or a Definitive Registered Note is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

**Day Count Fraction** means, in respect of the calculation of an amount of interest in accordance with this Condition 5(a):

- (i) if “Actual/Actual (ICMA)” is specified in the applicable Final Terms:
  - (A) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the **Accrual Period**) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or
  - (B) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
    - (1) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; and
    - (2) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
- (ii) if “30/360” is specified in the applicable Final Terms, the number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360.

In the Conditions:

**Final Maturity Date**, in the case of Subordinated Notes with a specified maturity date, means:

- (i) if on the scheduled maturity date specified in the applicable Final Terms (the **Scheduled Maturity Date**), the Conditions to Redemption and Purchase are fulfilled, the Scheduled Maturity Date;

**sub-unit** means, with respect to any currency other than Euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to Euro, means one cent.

(b) **Interest on Floating Rate Notes**

(i) Interest Payment Dates

Each Floating Rate Note bears interest from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (A) the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (B) if no express Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an Interest Payment Date) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period (which expression shall, in the Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date).

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (A) in any case where Specified Periods are specified in accordance with Condition 5(b)(i)(B) above, the Floating Rate Convention, such Interest Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) below shall apply *mutatis mutandis* or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (B) the **Following Business Day Convention**, such Interest Payment Date shall be postponed to the next day which is a Business Day; or

- (2) either (1) in relation to any sum payable in a Specified Currency other than Euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than Paris and any Additional Business Centre and which if the Specified Currency is Australian Dollars, Singapore Dollars, Hong Kong Dollars or Swiss Francs shall be Sydney, Singapore, Hong Kong or Zurich respectively) or (2) in relation to any sum payable in Euro, a TARGET Business Day; and

**TARGET Business Day** means a day on which the Trans European Automated Real-Time Gross Settlement Express Transfer (TARGET2) System (the **TARGET2 System**) is open.

- (ii) Rate of Interest

The Rate of Interest payable from time to time in respect of Floating Rate Notes will be determined in the manner specified in the applicable Final Terms and the provisions below relating to either Screen Rate Determination or ISDA Determination shall apply, depending upon which is specified in the relevant Final Terms.

- (A) Rate of Interest for Floating Rate Notes – Screen Rate Determination

*LIBOR-EURIBOR*

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (A) the offered quotation; or
- (B) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate *per annum*) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time, in the case of the London inter-bank offered rate (LIBOR), or Brussels time, in the case of the Euro-zone inter-bank offered rate (EURIBOR)) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Principal Paying Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Principal Paying Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the Relevant Screen Page is not available or if, in the case of (A) above, no such offered quotation appears or, in the case of (B) above, fewer than three offered quotations appear, the Principal Paying Agent shall request the principal London office (in the case of LIBOR) or the principal office in the Euro-zone (in the case of EURIBOR) of each of the Reference Banks to provide the Principal Paying Agent with its offered quotation (expressed as a percentage rate *per annum*) for the Reference Rate at approximately 11.00 a.m. (London time) in the case of LIBOR or 11.00 a.m. (Brussels time) in the case of EURIBOR on the Interest Determination Date in question. If two or more of the Reference Banks provide the Principal Paying Agent with offered quotations, the Rate of Interest for the Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of the offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Principal Paying Agent.

If on any Interest Determination Date one only or none of the Reference Banks provides the Principal Paying Agent with an offered quotation as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate *per annum* which the Principal Paying Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Principal Paying Agent by the Reference Banks or any two or more of them, at which such banks were offered, at approximately 11.00 a.m. (London or Brussels time, as appropriate) on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the London inter-bank market or the Euro-zone inter-bank market (as appropriate) plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Principal Paying Agent with offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately 11.00 a.m. (London or Brussels time, as appropriate) on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for the purpose) informs the Principal Paying Agent it is quoting to leading banks in the London inter-bank market, or the Euro zone interbank market, as appropriate, plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period).

In the Conditions:

**Euro-zone** means the region comprised of Member States of the European Union that adopt the single currency in accordance with the Treaty establishing the European Community, as amended.

**Reference Banks** means, in the case of a determination of LIBOR or SONIA (as defined below), the principal London office of four major banks in the London inter-bank market and, in the case of a determination of EURIBOR or EONIA (as defined below), the principal Euro-zone office of four major banks in the Euro-zone inter-bank market, selected by the Principal Paying Agent, in the case of LIBOR or EURIBOR or the Calculation Agent, in the case of SONIA or EONIA (in each case, after prior consultation with the Issuer).

SONIA – EONIA

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined and the Reference Rate in respect of the Floating Rate Notes is specified as being the SONIA or EONIA, the Rate of Interest for each Interest Period will, subject as provided below, be the rate of return of a daily compound interest investment (with the Sterling daily overnight reference rate in the case of SONIA or the arithmetic mean of the daily rates of the day-to-day Euro-zone interbank euro money market in the case of EONIA as reference rate for the calculation of interest) plus or minus (as indicated in the applicable Final Terms) the Margin (if any) and will be calculated by the Calculation Agent on the last London Banking Day in the case of SONIA or the last TARGET Business Day in the case of EONIA of the Interest Period, as follows, and the resulting percentage will be rounded, if necessary, to the nearest one ten-thousandth of a percentage point, with 0.00005 being rounded upwards:

$$\left[ \prod_{i=1}^{d_o} \left( 1 + \frac{SONIA_i \times n_i}{365} \right) - 1 \right] \times \frac{365}{d} \text{ in the case of SONIA}$$

or

$$\left[ \prod_{i=1}^{d_o} \left( 1 + \frac{EONIA_i \times n_i}{360} \right) - 1 \right] \times \frac{360}{d} \text{ in the case of EONIA}$$

where

“**d<sub>o</sub>**” for any Interest Period, is the number of London Banking Days in the case of SONIA or TARGET Business Days in the case of EONIA in the relevant Interest Period;

“**i**” is a series of whole numbers from one to **d<sub>o</sub>**, each representing the relevant London Banking Day in the case of SONIA or TARGET Business Day in the case of EONIA in chronological order from, and including, the first London Business Day in the case of SONIA or the first TARGET Business Day in the case of EONIA, in the relevant Interest Period;

“**SONIA<sub>i</sub>**”, for any day “**i**” in the relevant Interest Period, is a reference rate equal to the overnight rate as calculated by the Wholesale Markets Brokers’ Association and appearing on the Reuters Screen SONIA Page or such other page or service as may replace such page for the purposes of displaying Sterling overnight index average rate of leading reference banks for deposits in Sterling (the **SONIA Page**) in respect of that day provided that, if, for any reason, on any such day “**i**”, no rate is published on the SONIA Page, the Calculation Agent will request the principal London office of each of the Reference Banks (but which shall not include the Calculation Agent) to provide with its quotation of the rate offered by it at approximately 5.00 p.m. (London time) on such day “**i**”, to prime banks in the London inter-bank market for Sterling overnight index average rate for deposits in Sterling in an amount that is, in the reasonable opinion of the Calculation Agent, representative for a single transaction in the relevant market at the relevant time. The applicable reference rate for such day “**i**” shall be the arithmetic mean (rounded if necessary, to the nearest ten-thousandth of a percentage point, with 0.00005 being rounded upwards) of at least two of the rates so quoted, it being provided that if less than two rates are provided to the Calculation Agent, the applicable reference rate for such day “**i**” shall be determined by the Calculation Agent after consultation of an independent expert;

“**EONIA<sub>i</sub>**”, for any day “**i**” in the relevant Interest Period, is a reference rate equal to the overnight rate as calculated by the European Central Bank and appearing on the Reuters Screen EONIA Page or such other page or service as may replace such page for the

purposes of displaying Euro overnight index average rate of leading reference banks for deposits in Euro (the **EONIA Page**) in respect of that day provided that, if, for any reason, on any such day “i”, no rate is published on the EONIA Page, the Calculation Agent will request the principal office in the Euro-zone of each of the Reference Banks (but which shall not include the Calculation Agent) to provide with its quotation of the rate offered by it at approximately 6.00 p.m. (Brussels time) on such day “i”, to prime banks in the Euro-zone inter-bank market for Euro overnight index average rate for deposits in Euro in an amount that is, in the reasonable opinion of the Calculation Agent, representative for a single transaction in the relevant market at the relevant time. The applicable reference rate for such day “i” shall be the arithmetic mean (rounded if necessary, to the nearest ten-thousandth of a percentage point, with 0.00005 being rounded upwards) of at least two of the rates so quoted, it being provided that if less than two rates are provided to the Calculation Agent, the applicable reference rate shall be determined by the Calculation Agent after consultation of an independent expert;

“**n<sub>i</sub>**” is the number of calendar days in the relevant Interest Period on which the rate is SONIA<sub>i</sub>, in the case of SONIA or EONIA<sub>i</sub> in the case of EONIA;

“**d**” is the number of calendar days in the relevant Interest Period; and

“**London Banking Day**” means any day on which commercial banks are open for general business (including dealing in foreign exchange and foreign currency deposits) in London.

(B) Rate of Interest for Floating Rate Notes – ISDA Determination

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this paragraph (B), **ISDA Rate** for an Interest Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (a) the Floating Rate Option is as specified in the applicable Final Terms;
- (b) the Designated Maturity is a period specified in the applicable Final Terms; and
- (c) the relevant Reset Date is the first day of that Interest Period unless otherwise specified in the applicable Final Terms.

For the purposes of this paragraph (B), **Floating Rate, Calculation Agent, Floating Rate Option, Designated Maturity, Reset Date** and **Swap Transaction** have the meanings given to those terms in the ISDA Definitions (as defined below).

**ISDA Definitions** means the 2006 ISDA Definitions as may be specified in the applicable Final Terms, as published by the International Swaps and Derivatives Association, Inc., as amended or supplemented as at the Issue Date.

(iii) Minimum and/or Maximum Rate of Interest

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is greater than such Maximum Rate of Interest, the

Rate of Interest for such Interest Period shall be such Maximum Rate of Interest. Determination of Rate of Interest and calculation of Interest Amounts

The Principal Paying Agent will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. In any case, the Calculation Agent specified in the applicable Final Terms, if any, will notify the Principal Paying Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

The Principal Paying Agent, or the Calculation Agent specified in the applicable Final Terms, if any, will calculate the amount of interest (the **Interest Amount**) payable on the Floating Rate Notes for the relevant Interest Period by applying the Rate of Interest to:

- (A) in the case of Floating Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note; or
- (B) in the case of Floating Rate Notes which are Definitive Bearer Notes or Definitive Registered Notes, the Calculation Amount;

and, if any applicable Day Count Fraction (as defined below), multiplying such sum by such Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note which is a Definitive Bearer Note or a Definitive Registered Note is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

**Day Count Fraction** means, in respect of the calculation of an amount of interest in accordance with this Condition 5(b):

- (1) if “Actual/Actual (ISDA)” or “Actual/Actual” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (2) if “Actual/365 (Fixed)” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (3) if “Actual/365 (Sterling)” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;
- (4) if “Actual/360” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (5) if “30/360”, “360/360” or “Bond Basis” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y<sub>1</sub>” is the year, expressed as a number, in which the first day of the Interest Period falls;

“Y<sub>2</sub>” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“M<sub>1</sub>” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“M<sub>2</sub>” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“D<sub>1</sub>” is the first calendar day, expressed as a number, of the Interest Period, unless such number is 31, in which case D<sub>1</sub> will be 30; and

“D<sub>2</sub>” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31 and D<sub>1</sub> is greater than 29, in which case D<sub>2</sub> will be 30;

- (6) if “30E/360” or “Eurobond Basis” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y<sub>1</sub>” is the year, expressed as a number, in which the first day of the Interest Period falls;

“Y<sub>2</sub>” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“M<sub>1</sub>” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“M<sub>2</sub>” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“D<sub>1</sub>” is the first calendar day, expressed as a number, of the Interest Period, unless such number would be 31, in which case D<sub>1</sub> will be 30; and

“D<sub>2</sub>” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31, in which case D<sub>2</sub> will be 30;

- (7) if “30E/360 (ISDA)” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y<sub>1</sub>” is the year, expressed as a number, in which the first day of the Interest Period falls;

“Y<sub>2</sub>” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“M<sub>1</sub>” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“M<sub>2</sub>” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“D<sub>1</sub>” is the first calendar day, expressed as a number, of the Interest Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D<sub>1</sub> will be 30; and

“D<sub>2</sub>” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless (i) that day is the last day of February but not the Maturity Date or (ii) such number would be 31, in which case D<sub>2</sub> will be 30.

(iv) **Notification of Rate of Interest and Interest Amounts**

The Principal Paying Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange on which the relevant Floating Rate Notes are for the time being listed (by no later than the first day of each Interest Period, or in the case of SONIA or EONIA Floating Rate Notes, by no later than the Interest Payment Date relating to each Interest Period) and notice thereof to be published in accordance with Condition 14 as soon as possible after their determination but in no event later than the fourth Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the relevant Floating Rate Notes are for the time being listed and to the Noteholders in accordance with Condition 14. For the purposes of this paragraph, the expression Business Day means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in Luxembourg.

(v) **Certificates to be final**

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 5(b), whether by the Principal Paying Agent or, the Calculation Agent specified in the applicable Final Terms, if any, shall (in the absence of wilful default, bad faith, manifest error or proven error) be binding on the Issuer, the Principal Paying Agent, the Calculation Agent (if applicable), the other Agents and all Noteholders, Receiptholders and Couponholders and (in the absence of wilful default or bad faith) no liability to the Issuer, the Noteholders, the Receiptholders or the Couponholders shall attach to the Principal Paying Agent or the Calculation Agent (if applicable) in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(c) **Accrual of interest**

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (i) the date on which all amounts due in respect of such Note have been paid; and

- (ii) five (5) days after the date on which the full amount of the moneys payable in respect of such Note has been received by the Principal Paying Agent or the Registrar, as the case may be, and notice to that effect has been given to the Noteholders in accordance with Condition 14.

(d) **Interest Deferral – Subordinated Notes**

This paragraph (d) is applicable to Subordinated Notes for which the relevant Final Terms so specify.

Interest on Subordinated Notes shall be payable on each Interest Payment Date in accordance with the Conditions unless such date is declared a Deferral Date (as defined below).

(i) **Optional Interest Payment Dates**

On any Optional Interest Payment Date (as defined below), the Issuer may elect, by notice to the Noteholders and the Principal Paying Agent pursuant to paragraph (v) below, to defer payment of all (but not some only) of the interest accrued to that date, and the Issuer shall not have any obligation to make such payment and any non-payment resulting from such deferral shall not constitute a default by the Issuer for any purpose, unless the Interest Payment Date constitutes a Compulsory Interest Payment Date (as defined below) in which case interest on the Subordinated Notes will be payable and will not be deferred.

Any interest not paid on an Optional Interest Payment Date and deferred in accordance with this paragraph (i) shall so long as the same remains outstanding constitute **Arrears of Interest** and shall be payable as outlined below.

(ii) **Mandatory Interest Deferral Dates**

On any Mandatory Interest Deferral Date (as defined below), the Issuer will (subject as provided below) be obliged, by notice to the Noteholders and the Principal Paying Agent pursuant to paragraph (v) below, to defer payment of all (but not some only) of the interest accrued to that date, and the Issuer shall not have any obligation to make such payment and any non-payment resulting from such deferral shall not constitute a default by the Issuer for any purpose.

Notwithstanding that an Interest Payment Date may be a Mandatory Interest Deferral Date, interest may still be paid on such Interest Payment Date to the extent permitted under, and in accordance with, the Solvency II Directive and the Applicable Supervisory Regulations provided that all of the following conditions are met:

- (A) on or prior to such Interest Payment Date, the Prior Approval of the Relevant Supervisory Authority has been exceptionally given with respect to the payment of the relevant interest and/or Arrears of Interest (together with the corresponding Additional Interest Amount);
- (B) the payment of the relevant interest and/or Arrears of Interest (together with the corresponding Additional Interest Amount) does not further weaken the solvency position of the Issuer and/or the Group; and
- (C) the applicable minimum capital requirement (MCR) (or, if different, whatever terminology is employed to denote such requirement by the then Applicable Supervisory Regulations) is complied with after the payment of the relevant interest and/or Arrears of Interest (together with the corresponding Additional Interest Amount) has been made.

Any interest not paid on a Mandatory Interest Deferral Date and deferred in accordance with this paragraph (ii) shall so long as the same remains outstanding constitute **Arrears of Interest** and shall be payable as outlined below.

(iii) Arrears of Interest

Arrears of Interest (together with the corresponding Additional Interest Amount (as defined below)) may, subject to the fulfilment of the Conditions to Settlement (as defined below), at the option of the Issuer, be paid in whole or in part at any time but all Arrears of Interest (together with the corresponding Additional Interest Amount) in respect of all Subordinated Notes for the time being outstanding shall become due in full on whichever is the earliest of:

- (A) the next Interest Payment Date which is a Compulsory Interest Payment Date; or
- (B) the date of any redemption of the Subordinated Notes in accordance with the provisions relating to redemption of the Notes; or
- (C) the date upon which a judgment is made by a competent court for the judicial liquidation of the Issuer (*liquidation judiciaire*) or for the sale of the whole of the business (*cession totale de l'entreprise*) following an order of judicial reorganisation (*redressement judiciaire*) in respect of the Issuer or in the event of the liquidation of the Issuer for any other reason.

Each amount of Arrears of Interest shall bear interest, to the extent permitted by applicable law, as if it constituted the nominal amount of the Subordinated Notes at a rate which corresponds to the Rate of Interest from time to time applicable to the Subordinated Notes and the amount of such interest (the **Additional Interest Amount**) with respect to Arrears of Interest shall be due and payable pursuant to this Condition 5 and shall be calculated by the Principal Paying Agent applying the Rate of Interest to the amount of the Arrears of Interest and otherwise *mutatis mutandis* as provided in the foregoing provisions of this Condition 5. The Additional Interest Amount accrued up to any Interest Payment Date shall be added, to the extent permitted by applicable law and for the purpose only of calculating the Additional Interest Amount accruing thereafter, to the amount of Arrears of Interest remaining unpaid on such Interest Payment Date as if such amount constituted Arrears of Interest.

(iv) Definitions

For the purposes of this paragraph (d):

**Applicable Supervisory Regulations** means the capital requirements or any other regulatory capital rules (including the guidelines and recommendations of the European Insurance and Occupational Pensions Authority, the official application or interpretation of the Relevant Supervisory Authority and any applicable decision of any court or tribunal) from time to time in effect in France (or if the Issuer becomes domiciled in a jurisdiction other than France, such other jurisdiction) and applicable to the Issuer and/or the Group (including for the purpose of any capital requirements of internationally active insurance groups), which would lay down the requirements to be fulfilled by financial instruments for inclusion as own funds regulatory capital of at least the tier (or, if different, whatever terminology is employed to denote such concept) that the Subordinated Notes would be expected to fall under on or about the Issue Date, as opposed to own funds regulatory capital of any other tier (or, if different, whatever terminology is employed to denote such concept), for single solvency and group solvency purposes of the Issuer;

**Compulsory Interest Payment Date** means each Interest Payment Date prior to which, during a period of six months prior to such Interest Payment Date, a dividend in any form

on any ordinary or preference shares of the Issuer has been declared or paid, unless such Interest Payment Date constitutes a Mandatory Interest Deferral Date;

**Conditions to Settlement** are satisfied on any day with respect to any payment of Arrears of Interest and/or Additional Interest Amounts, if any, if (i) the Issuer has obtained the Prior Approval of the Relevant Supervisory Authority and (ii) no Regulatory Deficiency has occurred and is continuing or would be caused by such payment. Notwithstanding that a Regulatory Deficiency may have occurred and be continuing on the date due for payment of Arrears of Interest and/or Additional Interest Amounts, or if such payment would of itself cause a Regulatory Deficiency, Arrears of Interest and/or Additional Interest Amounts may still be paid at any time to the extent permitted under, and in accordance with, the Solvency II Directive and the Applicable Supervisory Regulations and provided that all of the following conditions are met:

- (A) on or prior to the relevant payment date, the Prior Approval of the Relevant Supervisory Authority has been exceptionally given with respect to such payment;
- (B) such payment does not further weaken the solvency position of the Issuer and/or the Group; and
- (C) the applicable minimum capital requirement (MCR) (or, if different, whatever terminology is employed to denote such requirement by the then Applicable Supervisory Regulations) is complied with after such payment has been made.

**Deferral Date** means either a Mandatory Interest Deferral Date or an Optional Interest Payment Date;

**Group** means the Issuer together with its direct and indirect subsidiaries;

**Mandatory Interest Deferral Date** means each Interest Payment Date in respect of which the holders of Subordinated Notes and the Principal Paying Agent have been notified by the Issuer pursuant to Condition 5(d) paragraph (v) below that (i) a Regulatory Deficiency has occurred and such Regulatory Deficiency is continuing on such Interest Payment Date or (ii) the payment of such interest would of itself cause a Regulatory Deficiency;

**Optional Interest Payment Date** means any Interest Payment Date other than a Compulsory Interest Payment Date or a Mandatory Interest Deferral Date;

**Prior Approval of the Relevant Supervisory Authority** means the prior written approval of the Relevant Supervisory Authority, if such approval is required at the time under the then Applicable Supervisory Regulations, and provided that such approval has not been withdrawn by the date set for redemption, purchase, exchange, variation or payment, as the case may be;

**Regulatory Deficiency** means that:

- (A) the own funds regulatory capital (or, if different, whatever terminology is employed to denote such concept by the then Applicable Supervisory Regulations) of the Issuer and/or the Group is not sufficient to cover its capital requirements (including, for the avoidance of doubt, the applicable solvency capital requirement (SCR), the applicable minimum capital requirement (MCR) or any applicable capital requirements for internationally active insurance groups) (or, if different, whatever terminology is employed to denote such requirement by the then Applicable Supervisory Regulations) whichever occurs earlier; or
- (B) the Relevant Supervisory Authority has notified the Issuer that it has determined, in view of the financial condition of the Issuer, that in accordance with the then

Applicable Supervisory Regulations at such time, the Issuer must take specified action in relation to payments under the Subordinated Notes,

in each case without taking into account any Prior Approval of the Relevant Supervisory Authority being granted on an exceptional basis with respect to the payment of interest and/or Arrears of Interest (together with the corresponding Additional Interest Amount) on, or the redemption or purchase of, the Subordinated Notes.

**Relevant Supervisory Authority** means any relevant regulator having jurisdiction over the Issuer and/or the Group, in the event that the Issuer and/or the Group is required to comply with certain applicable capital requirements. The current Relevant Supervisory Authority is the *Autorité de Contrôle Prudentiel et de Résolution* (the **ACPR**); and

**Solvency II Directive** means Directive 2009/138/EC of November 25, 2009 on the taking-up and pursuit of the business of Insurance and Reinsurance (Solvency II), as amended from time to time, the further legislative acts of the European Union enacted in relation thereto and the French legislation implementing the same.

(v) Notice of Deferral and Payment of Arrears of Interest

The Issuer shall give not less than five (5) nor more than thirty (30) Business Days' prior notice to (x) the Noteholders in accordance with Condition 14 and (y) the Principal Paying Agent:

- (A) of any Optional Interest Payment Date on which the Issuer elects to defer interest as provided in paragraph (d)(i) above;
- (B) of any Mandatory Interest Deferral Date and specifying that interest will not be paid due to a Regulatory Deficiency, either continuing or being caused by such interest payment, on the next Interest Payment Date, provided that if the Regulatory Deficiency occurs less than five (5) Business Days before such Interest Payment Date, the Issuer shall give notice of the interest deferral as soon as practicable under the circumstances before such Mandatory Interest Deferral Date; and
- (C) of any date upon which amounts in respect of Arrears of Interest and/or Additional Interest Amounts shall become due and payable.

So long as the Subordinated Notes are listed on the Official List of the Luxembourg Stock Exchange and are admitted to trading on the regulated market of the Luxembourg Stock Exchange, or listed and admitted to trading on any other stock exchange, and the rules of such stock exchange so require, notice of any such deferral shall also be given as soon as reasonably practicable to such stock exchange.

(vi) Partial Payment of Arrears of Interest and Additional Interest Amounts

If amounts in respect of Arrears of Interest and Additional Interest Amounts are paid in part:

- (A) all unpaid amounts of Arrears of Interest shall be payable before any Additional Interest Amounts;
- (B) Arrears of Interest accrued for any period shall not be payable until full payment has been made of all Arrears of Interest that have accrued during any earlier period and the order of payment of Additional Interest Amounts shall follow that of the Arrears of Interest to which they relate; and

- (C) the amount of Arrears of Interest or Additional Interest Amounts payable in respect of any Subordinated Note in respect of any period, shall be calculated *pro rata* to the total amount of all unpaid Arrears of Interest or, as the case may be, Additional Interest Amounts accrued in respect of that period to the date of payment.

## 6. PAYMENTS

### (a) Method of payment

Subject as provided below:

- (i) payments in a Specified Currency other than Euro will be made by credit or transfer to an account in the relevant Specified Currency maintained by the payee with a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian Dollars, Singapore Dollars, Hong Kong Dollars or Swiss Francs shall be Sydney, Singapore, Hong Kong and Zurich respectively); and
- (ii) payments in Euro will be made by credit or transfer to a Euro account (or any other account to which Euro may be credited or transferred) specified by the payee.

Payments will be subject in all cases to (i) any fiscal or other laws and regulations applicable thereto in any jurisdiction (whether by operation of law or agreement of the Issuer) and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986, as amended (the **Code**) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations promulgated thereunder, official interpretations thereof, or any law implementing an intergovernmental approach thereto (**FATCA**). The Issuer will not be liable for any taxes or duties of whatever nature imposed or levied by such laws, regulations, directives or agreements, but without prejudice to the provisions of Condition 8.

### (b) Presentation of Definitive Bearer Notes, Receipts and Coupons

Payments of principal in respect of Definitive Bearer Notes will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Definitive Bearer Notes, and payments of interest in respect of Definitive Bearer Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Payments of instalments of principal (if any) in respect of Definitive Bearer Notes, other than the final instalment, will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Receipt in accordance with the preceding paragraph. Payment of the final instalment will be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Bearer Note in accordance with the preceding paragraph. Each Receipt must be presented for payment of the relevant instalment together with the Definitive Bearer Note to which it appertains. Receipts presented without the Definitive Bearer Note to which they appertain do not constitute valid obligations of the Issuer. Upon the date on which any Definitive Bearer Note becomes due and repayable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment shall be made in respect thereof.

Fixed Rate Notes in definitive bearer form (other than Long Maturity Notes (as defined below)) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of

matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined in Condition 8) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 9) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Note in definitive bearer form becoming due and repayable prior to its Maturity Date in the case of Senior Notes, the Final Maturity Date in the case of Subordinated Notes with a specified maturity date or any redemption date in the case of Subordinated Notes with no specified maturity date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note or Long Maturity Note in definitive bearer form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A **Long Maturity Note** is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

If the due date for redemption of any Definitive Bearer Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant Definitive Bearer Note.

(c) **Payments in respect of Bearer Global Notes**

Payments of principal and interest (if any) in respect of Notes represented by any Global Note in bearer form will (subject as provided below) be made in the manner specified above in relation to Definitive Bearer Notes and otherwise in the manner specified in the relevant Global Note against presentation or surrender, as the case may be, of such Global Note at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America and its possessions). A record of each payment made against presentation or surrender of any Global Note in bearer form, distinguishing between any payment of principal and any payment of interest, will be made on such Global Note by the Paying Agent to which it was presented and such record shall be *prima facie* evidence that the payment in question has been made. For the purpose of any payments made in respect of a Global Note, the relevant place of presentation shall be disregarded in the definition of **Payment Day** set out in Condition 6(f).

(d) **Payments in respect of Registered Notes**

Payments of principal (other than instalments of principal prior to the final instalment) in respect of each Registered Note (whether or not in global form) will be made against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the Registered Note at the specified office of the Registrar or any of the Paying Agents. Such payments will be made by transfer to the Designated Account (as defined below) of the holder (or the first named of joint holders) of the Registered Note appearing in the register of holders of the Registered Notes maintained by the Registrar (the **Register**) at the close of business on the Clearing System Business Day (being for this purpose also a day on which banks are open for business in the city where the specified office of the Registrar is located) immediately prior to the relevant due date. For these purposes, **Designated Account** means the account (which, in the case of a payment in Japanese Yen to a non-resident of Japan, shall be a non-resident account) maintained by a holder with a Designated Bank and identified as such in the Register and **Designated Bank**

means (in the case of payment in a Specified Currency other than Euro) a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian Dollars, Singapore Dollars, Hong Kong Dollars or Swiss Francs shall be Sydney, Singapore, Hong Kong and Zurich respectively) and (in the case of a payment in Euro) any bank which processes payments in Euro.

Payments of interest and payments of instalments of principal (other than the final instalment) in respect of each Registered Note (whether or not in global form) will be made in the Specified Currency on the relevant due date to the holder (or the first named of joint holders) of the Registered Note appearing in the Register at the close of business on the fifteenth day (whether or not such fifteenth day is a business day) before the relevant due date on such fifteenth day. Upon application of the holder to the specified office of the Registrar not less than three business days in the city where the specified office of the Registrar is located before the due date for any payment of interest in respect of a Registered Note, the payment may be made by transfer on the due date in the manner provided in the preceding paragraph. Any such application for transfer shall be deemed to relate to all future payments of interest (other than interest due on redemption) and instalments of principal (other than the final instalment) in respect of the Registered Notes which become payable to the holder who has made the initial application until such time as the Registrar is notified in writing to the contrary by such holder. Payment of the interest due in respect of each Registered Note on redemption and the final instalment of principal will be made in the same manner as payment of the nominal amount of such Registered Note. Notwithstanding the above, in respect of Registered Global Notes, all payments will be made to the person whose name is entered on the Register at the close of business on the Clearing System Business Day immediately prior to the date for payment, where **Clearing System Business Day** means Monday to Friday inclusive except December 25 and January 1.

All amounts payable to DTC or its nominee as registered holder of a Global Note in registered form in respect of Notes denominated in a Specified Currency other than U.S. Dollars shall be paid by transfer by the Registrar to an account in the relevant Specified Currency of the Exchange Agent on behalf of DTC or its nominee for payment in such Specified Currency for conversion into and payment in U.S. Dollars unless the participant in DTC with an interest in the Notes has elected to receive any part of such payment in that Specified Currency, in the manner specified in the Agency Agreement and in accordance with rules and procedures for the time being of DTC.

None of the Issuer or the Agents will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

(e) **General provisions applicable to payments**

The holder of a Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear, Clearstream or DTC as the beneficial holder of a particular nominal amount of Notes represented by such Global Note must look solely to Euroclear, Clearstream or DTC, as the case may be, for his/her share of each payment so made by the Issuer to, or to the order of, the holder of such Global Note.

Notwithstanding the foregoing provisions of this Condition 6, if any amount of principal and/or interest in respect of Bearer Notes is payable in U.S. Dollars, such U.S. Dollar payments of principal and/or interest in respect of such Notes will be made at the specified office of a Paying Agent in the United States if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment

in U.S. Dollars at such specified offices outside the United States of the full amount of principal and interest on the Bearer Notes in the manner provided above when due;

- (ii) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. Dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

(f) **Payment Day**

If the date for payment of any amount in respect of any Note, Receipt or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, **Payment Day** means any day which (subject to Condition 9) is:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
  - (A) the relevant place of presentation; and
  - (B) each Additional Financial Centre specified in the applicable Final Terms;
- (ii) either (1) in relation to any sum payable in a Specified Currency other than Euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which if the Specified Currency is Australian Dollars, Singapore Dollars, Hong Kong Dollars or Swiss Francs shall be Sydney, Singapore, Hong Kong and Zurich, respectively) or (2) in relation to any sum payable in Euro, a day on which the TARGET2 System is open; and
- (iii) in the case of any payment in respect of a Registered Global Note denominated in a Specified Currency other than U.S. Dollars and registered in the name of DTC or its nominee and in respect of which an accountholder of DTC (with an interest in such Registered Global Note) has not elected to receive any part of such payment in a Specified Currency other than U.S. Dollars, a day on which commercial banks are not authorised or required by law or regulation to be closed in New York City.

(g) **Interpretation of principal and interest**

Any reference in the Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable with respect to principal under Condition 8;
- (ii) the Final Redemption Amount of the Notes;
- (iii) the Early Redemption Amount of the Notes;
- (iv) the Optional Redemption Amount(s) (if any) of the Notes;
- (v) in relation to Notes redeemable in instalments, the Instalment Amounts;

- (vi) in relation to Zero Coupon Notes, the Amortised Face Amount (as defined in Condition 7(j)); and
- (vii) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

Any reference in the Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 8.

## **7. REDEMPTION AND PURCHASE**

The Notes may not be redeemed or purchased other than in accordance with this Condition 7 or Condition 10.

### **(a) Redemption at maturity**

#### **(i) Senior Notes**

In respect of Senior Notes, unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer at its Final Redemption Amount specified in the applicable Final Terms in the relevant Specified Currency on the Maturity Date.

#### **(ii) Subordinated Notes with a specified maturity date**

In respect of Subordinated Notes with a specified maturity date, unless previously redeemed or purchased and cancelled as specified below, each such Subordinated Note will be redeemed by the Issuer at its Final Redemption Amount specified in the applicable Final Terms in the relevant Specified Currency on the Final Maturity Date.

#### **(iii) Subordinated Notes with no specified maturity date**

Subordinated Notes with no specified maturity date are undated obligations of the Issuer and have no fixed maturity date, but may be redeemed early at the option of the Issuer under certain circumstances set out below.

### **(b) Redemption for tax reasons**

#### **(i) Redemption for withholding tax reasons**

The Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time by giving not less than thirty (30) and nor more than forty-five (45) days' notice to the Principal Paying Agent and, in accordance with Condition 14, the Noteholders, if on the date of the next payment due under the Notes, Receipts or Coupons, the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 8 as a result of (a) any change in, or amendment to, the laws or regulations of France or any political subdivision of, or any authority in, or of, France having power to tax, or (b) any change in the application or official interpretation of such laws or regulations, and such change or amendment only occurs or became effective on or after the date on which agreement is reached to issue the first Tranche of the Notes, provided that the due date for redemption shall be no earlier than the latest practicable date on which the Issuer could make such payment without withholding or deduction for French taxes. Prior to the giving of any notice of redemption pursuant to this paragraph, the Issuer shall deliver to the Principal Paying Agent (i) a certificate signed by a director of the Issuer setting forth a statement of facts showing that the conditions precedent to the right of the Issuer to redeem as aforesaid have occurred and stating that the Issuer is entitled to effect such redemption and (ii) an opinion of independent legal advisers of recognised standing to the

effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment.

If the Issuer would on the date of the next payment due under the Notes, Receipts or Coupons be prevented by French law from making payment to the Noteholders of the full amount then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 8, then the Issuer shall forthwith give notice of such fact to the Principal Paying Agent and subject to having given not less than seven (7) nor more than thirty (30) days' notice to the Noteholders, the Issuer shall, and with respect to Subordinated Notes, may, redeem all, but not some only, of the Notes then outstanding, provided that the due date for redemption of which notice hereunder shall be given, shall be the latest practicable date on which the Issuer could make payment without withholding or deduction for French taxes, or if such date is past, as soon as is practicable thereafter.

(ii) **Redemption for tax-deductibility reasons (Issuer Tax Deductibility Call)**

If specified in the applicable Final Terms the Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time on giving not less than thirty (30) and nor more than forty-five (45) days' notice to the Principal Paying Agent and, in accordance with Condition 14, the Noteholders, if on the date of the next payment due under the Notes or Coupons, the part of the interest payable by the Issuer under the Notes or Coupons that is tax-deductible is reduced as a result of (a) any change in, or amendment to, the laws or regulations of France or any political subdivision of, or any authority in, or of, France having power to tax, or (b) any change in the application or official interpretation of such laws or regulations, and such change or amendment only occurs or became effective on or after the date on which agreement is reached to issue the first Tranche of the Notes provided that the due date for redemption shall be no earlier than the latest practicable date preceding the effective date on which the part of the interest payable under the Notes or Coupons that is tax-deductible is reduced. Prior to the giving of any notice of redemption pursuant to this paragraph, the Issuer shall deliver to the Principal Paying Agent (i) a certificate signed by a director of the Issuer stating that the part of the interest payable under the Notes or Coupons that is tax-deductible is reduced as aforesaid and that the Issuer is entitled to effect such redemption and (ii) an opinion of independent legal advisers of recognised standing to such effect.

Notes redeemed pursuant to this Condition 7(b) will be redeemed at their Early Redemption Amount referred to in paragraph (j) below together (if appropriate) with interest accrued to (but excluding) the date of redemption including any Arrears of Interest and any Additional Interest Amount.

(c) **Redemption at the option of the Issuer (Issuer Call)**

If Issuer Call is specified in the applicable Final Terms, the Issuer may, having given:

- (i) not less than fifteen (15) nor more than thirty (30) days' notice to the Noteholders in accordance with Condition 14; and
- (ii) not less than fifteen (15) days before the giving of the notice referred to in (i), notice to the Principal Paying Agent and, in the case of a redemption of Registered Notes, the Registrar;

(which notices shall specify the date fixed for redemption), redeem all or some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in the applicable Final Terms together, if appropriate, with interest accrued (including any Arrears of Interest and any Additional Interest Amount) to (but excluding) the relevant Optional Redemption Date. Any such redemption must be of a nominal amount not less than the

Minimum Redemption Amount and not more than the Maximum Redemption Amount, in each case as may be specified in the applicable Final Terms. In the case of a partial redemption of Notes, the Notes to be redeemed (**Redeemed Notes**) will be selected individually by lot, in the case of Redeemed Notes represented by definitive Notes, and in accordance with the rules of Euroclear and/or Clearstream (to be reflected in the records of Euroclear and Clearstream as either a pool factor or a reduction in nominal amount, at their discretion) and/or DTC, in the case of Redeemed Notes represented by a Global Note, not more than thirty (30) days prior to the date fixed for redemption (such selection date, the **Selection Date**). In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 14 not less than fifteen (15) days prior to the date fixed for redemption. No exchange of the relevant Global Note will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this paragraph (c) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 14 at least five (5) days prior to the Selection Date.

(d) **Redemption at the option of the Noteholders (Investor Put)**

If Investor Put is specified in the applicable Final Terms, upon the holder of any Note giving to the Issuer in accordance with Condition 14 not less than fifteen (15) nor more than thirty (30) days' notice the Issuer will, upon the expiry of such notice, redeem, subject to, and in accordance with, the terms specified in the applicable Final Terms, such Note on the Optional Redemption Date and at the Optional Redemption Amount together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date. Registered Notes may be redeemed under this Condition 7(d) in any multiple of their lowest Specified Denomination. It may be that before an Investor Put can be exercised, certain conditions and/or circumstances will need to be satisfied.

To exercise the right to require redemption of this Note the holder of this Note must, if this Note is in definitive form and held outside Euroclear and Clearstream, deliver such Note, or evidence satisfactory to the Agent concerned that this Note will following delivery of the Put Notice be held to its order or under its control, at the specified office of any Paying Agent (in the case of Bearer Notes) or the Registrar (in the case of Registered Notes) at any time during normal business hours of such Paying Agent or, as the case may be, the Registrar falling within the notice period, accompanied by a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent or, as the case may be, the Registrar (a **Put Notice**) and in which the holder must specify a bank account to which payment is to be made under this Condition 7(d), and, in the case of Registered Notes, the nominal amount thereof to be redeemed and, if less than the full nominal amount of the Registered Notes so surrendered is to be redeemed, an address to which a new Registered Note in respect of the balance of such Registered Notes is to be sent subject to and in accordance with the provisions of Condition 2(b). If this Note is represented by a Global Note or is in definitive form and held through Euroclear or Clearstream, to exercise the right to require redemption of this Note the holder of this Note must, within the notice period, give notice to the Principal Paying Agent of such exercise in accordance with the standard procedures of Euroclear and Clearstream (which may include notice being given on his instruction by Euroclear or Clearstream or any common depositary or common safekeeper, as the case may be, for them to the Agent by electronic means) in a form acceptable to Euroclear and Clearstream from time to time and, if this Note is represented by a Global Note, at the same time present or procure the presentation of the relevant Global Note to the Agent for notation accordingly.

Any Put Notice or other notice given in accordance with the standard procedures of Euroclear and Clearstream given by a holder of any Note pursuant to this paragraph (d) shall be irrevocable except where prior to the due date of redemption an Event of Default shall have occurred and be continuing in which event such holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this paragraph and instead to declare such Note forthwith due and payable pursuant to Condition 10.

In the case of Subordinated Notes, there will be no redemption at the option of the Noteholders.

(e) **Optional Redemption, Exchange or Variation of Subordinated Notes for Regulatory Reasons**

(i) **Optional Redemption of Subordinated Notes for Regulatory Reasons**

Upon the occurrence of a Regulatory Event (as defined below) with respect to any Subordinated Notes on or after the Issue Date, such Subordinated Notes will be redeemable in whole, but not in part, at the option of the Issuer having given not less than fifteen (15) nor more than thirty (30) days' notice to the Noteholders in accordance with Condition 14 on any Interest Payment Date at their Early Redemption Amount together with accrued interest (including Arrears of Interest and any Additional Interest Amount) up to but excluding the date of redemption.

(ii) **Exchange/Variation of Subordinated Notes for Regulatory Reasons**

Upon the occurrence of a Regulatory Event (as defined below) with respect to any Subordinated Notes on or after the Issue Date, the Issuer may, as an alternative to paragraph (i) above, on any Interest Payment Date, without the consent of the Noteholders, (a) exchange the Subordinated Notes for Qualifying Securities replacing the Subordinated Notes, or (b) vary the terms of the Subordinated Notes so that they become Qualifying Securities, so that in either case the aggregate nominal amount of the Qualifying Securities is treated, for the purposes of the determination of the Issuer's and/or the Group's regulatory capital under the then Applicable Supervisory Regulations, as own funds regulatory capital of at least the tier (or, if different, whatever terminology is employed to denote such concept by the then Applicable Supervisory Regulations) that the Subordinated Notes would be expected to fall under on or about the Issue Date. Any such exchange or variation is subject to:

- (x) the Issuer giving not less than fifteen (15) nor more than thirty (30) days' notice to the Noteholders in accordance with Condition 14;
- (y) the Prior Approval of the Relevant Supervisory Authority being obtained;
- (z) the Issuer complying with the rules of any stock exchange (or any other relevant authority) on which the Subordinated Notes are for the time being listed or admitted to trading, and (for so long as the rules of such exchange require) the publication of any appropriate supplement, listing particulars or offering circular in connection therewith, and the Qualifying Securities continuing to be listed on or admitted to the same stock exchange as the Subordinated Notes if they were listed immediately prior to the relevant exchange and/or variation;
- (aa) the terms of the exchange or variation are not prejudicial to the interests of the Noteholders as certified by a director of the Issuer and by a representative of each of two independent investment banks of international standing to the benefit of the holders of Subordinated Notes (for the avoidance of doubt the Principal Paying Agent shall accept the certificates of the Issuer and investment banks as sufficient evidence of the occurrence of a Regulatory Event and that such exchange or variation to the terms of the Subordinated Notes are not prejudicial to the interests of the Noteholders); and
- (bb) the issue of legal opinions addressed to the Principal Paying Agent from one or more international law firms of good reputation confirming (i) in respect of French law, that the Issuer has capacity to assume all rights and obligations under the Qualifying Securities and has obtained all necessary corporate or governmental authorisation to assume all such rights and obligations and (ii)

in respect of English law, the legality, validity and enforceability of such exchange or variation and of the Qualifying Securities.

Any such exchange or variation shall be binding on the Noteholders and shall be notified to them in accordance with Condition 14 as soon as practicable thereafter.

(f) **Optional Redemption, Exchange or Variation of Subordinated Notes for Rating Reasons**

(i) Optional Redemption of Subordinated Notes for Rating Reasons

If at any time the Issuer determines that a Rating Methodology Event (as defined below) has occurred with respect to the Subordinated Notes on or after the Issue Date, such Subordinated Notes will be redeemable in whole, but not in part, at the option of the Issuer having given not less than fifteen (15) nor more than thirty (30) days' notice to the Noteholders in accordance with Condition 14 on any Interest Payment Date at their Early Redemption Amount together with accrued interest (including Arrears of Interest and any Additional Interest Amount) up to but excluding the date of redemption.

(ii) Exchange or Variation for Rating Reasons

If at any time the Issuer determines that a Rating Methodology Event has occurred with respect to the Subordinated Notes on or after the Issue Date, the Issuer may, as an alternative to paragraph (i) above, on any Interest Payment Date, without the consent of the Noteholders, (a) exchange the Subordinated Notes for Qualifying Securities replacing the Subordinated Notes, or (b) vary the terms of the Subordinated Notes so that they become Qualifying Securities, subject to and in accordance with the conditions set out in paragraphs (e)(ii)(x) to (bb) above, which shall apply *mutatis mutandis* with respect to such Rating Methodology Event.

Any such exchange or variation shall be binding on the Noteholders and shall be notified to them in accordance with Condition 14 as soon as practicable thereafter.

(g) **Optional Redemption for Accounting Reasons**

Upon the occurrence of an Accounting Event with respect to any Subordinated Notes, such Subordinated Notes will be redeemable in whole, but not in part, at the option of the Issuer having given not less than fifteen (15) nor more than thirty (30) days' notice to the Noteholders in accordance with Condition 14, on any Interest Payment Date at their Early Redemption Amount together with accrued interest (including Arrears of Interest and any Additional Interest Amount) up to but excluding the date of redemption.

Before the publication of any notice of redemption pursuant to this Condition 7, the Issuer shall deliver to the Principal Paying Agent a certificate signed by a Director of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of the facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred.

(h) **Conditions to Redemption and Purchase**

Any redemption or purchase of the Subordinated Notes is subject to the conditions (in addition to others as described herein) that (i) the Issuer has obtained the Prior Approval of the Relevant Supervisory Authority, (ii) no Regulatory Deficiency has occurred and is continuing on the date due for redemption or purchase and such redemption or purchase would not of itself cause a Regulatory Deficiency and (iii) if and to the extent required under the then Applicable Supervisory Regulations in order for the Subordinated Notes to be treated, for the purposes of the determination of the Issuer's and/or the Group's regulatory capital, as own funds regulatory capital of at least the tier (or, if different, whatever terminology is employed to denote such concept by the then Applicable Supervisory Regulations) that the Subordinated Notes would be

expected to fall under on or about the Issue Date, no Insolvent Insurance Affiliate Winding-up has occurred and is continuing on the date due for redemption or purchase.

Should a Regulatory Deficiency or an Insolvent Insurance Affiliate Winding-up occur after a notice for redemption has been given to the Noteholders, such redemption notice shall become automatically void and notice of such fact shall be given promptly by the Issuer, in accordance with Condition 14.

Notwithstanding that a Regulatory Deficiency may have occurred and be continuing on the date due for redemption or purchase, or if such redemption or purchase would of itself cause a Regulatory Deficiency, the Subordinated Notes may still be redeemed or purchased on such date to the extent permitted under, and in accordance with, the Solvency II Directive and the Applicable Supervisory Regulations and provided that all of the following conditions are met:

- (A) on or prior to such date, the Prior Approval of the Relevant Supervisory Authority has been exceptionally given with respect to the relevant redemption or purchase of the Subordinated Notes;
- (B) the relevant redeemed or purchased Subordinated Notes are replaced by other own funds regulatory capital of at least the same quality; and
- (C) the applicable minimum capital requirement (MCR) (or, if different, whatever terminology is employed to denote such requirement by the then Applicable Supervisory Regulations) is complied with after the relevant redemption or purchase of the Subordinated Notes has been made.

Notwithstanding that an Insolvent Insurance Affiliate Winding-up may have occurred and be continuing on the date due for redemption or purchase, the Subordinated Notes may still be redeemed or purchased on such date to the extent permitted under, and in accordance with, the Solvency II Directive and the Applicable Supervisory Regulations and provided that, on or prior to such date, the Prior Approval of the Relevant Supervisory Authority has been exceptionally given with respect to the relevant redemption or purchase of the Subordinated Notes.

The Subordinated Notes may not be redeemed or purchased pursuant to Conditions 7(b)(ii), (e), (f), (g) above and (l)(ii) below prior to their fifth anniversary, unless the relevant redeemed or purchased Subordinated Notes are replaced by other own funds regulatory capital of at least the same quality.

Except in circumstances where a Redemption Alignment Event has occurred, the Subordinated Notes may not be redeemed pursuant to Condition 7(b)(i) prior to their tenth anniversary, unless the relevant redeemed Subordinated Notes are replaced by other own funds regulatory capital of at least the same quality. If a Redemption Alignment Event has occurred, the Subordinated Notes may not be redeemed pursuant to Condition 7(b)(i) prior to their fifth anniversary, unless the relevant redeemed Subordinated Notes are replaced by other own funds regulatory capital of at least the same quality.

(i) **Definitions**

In this Condition 7, the following expressions shall have the following meanings:

**Accounting Event** means that an opinion of a recognised accountancy firm of international standing has been delivered to the Issuer and the Principal Paying Agent, stating that as a result of any change in, or amendment to, the Applicable Accounting Standards the Subordinated Notes must not, or must no longer be, recorded as “liabilities” in the case of Subordinated Notes with a specified maturity date, or as “equity” in the case of Subordinated Notes with no specified maturity date, in the consolidated financial statements of the Issuer and this cannot be avoided by the Issuer taking such reasonable measures it (acting in good faith) deems appropriate;

**Applicable Accounting Standards** means the International Financial Reporting Standards (IFRS), as applicable at the relevant dates and for the relevant periods, or other accounting principles generally accepted in France (or if the Issuer becomes domiciled in a jurisdiction other than France, such other jurisdiction) and applied by the Issuer which subsequently supersede them;

**Conditions to Redemption and Purchase** has the meaning ascribed to it in Condition 7(h);

**Final Redemption Amount** means the amount specified as such in the relevant Final Terms, being at least 100 per cent. of the nominal value of the Notes;

**Insolvent Insurance Affiliate Winding-up** means:

- (i) the winding-up of any Insurance Undertaking within the Group; or
- (ii) the appointment of an administrator of any Insurance Undertaking within the Group,

in each case, where the Issuer has determined, acting reasonably and in consultation with the Relevant Supervisory Authority, that the assets of that Insurance Undertaking within the Group may or will not be sufficient to meet all claims of the policyholders pursuant to a contract of insurance of that Insurance Undertaking which is subject to a winding-up or administration process (and for these purposes, the claims of policyholders pursuant to a contract of insurance shall include all amounts to which policyholders are entitled under applicable legislation or rules relating to the winding-up of Insurance Undertakings that reflect any right to receive or expectation of receiving benefits which policyholders may have);

**Insurance Undertaking** has the meaning ascribed to it in the Solvency II Directive;

**Optional Redemption Amount** means the amount specified as such in the relevant Final Terms;

**Qualifying Securities** means securities that:

- (i) maintain at least the same ranking in liquidation, same interest rate and interest payment dates;
- (ii) as far as the redemption of the Subordinated Notes is concerned, preserve the obligations of the Issuer including (without limitation) as to timing of, and amounts payable upon, such redemption, provided that such Qualifying Securities may not be redeemed by the Issuer prior to the first applicable call date specified therein (save for redemption, exchange or variation on terms analogous with the terms of Conditions 7(b), 7(e), 7(f) and 7(g)); and
- (iii) maintain the same rights to accrued interest and/or Arrears of Interest (and Arrears of Interest (together with any Additional Interest Amount) accrued on the Subordinated Notes originally issued, if any, which will be transferred respectively to such Qualifying Securities), maintain the same rights to principal and interest without any additional principal loss absorption via a write-down or conversion into ordinary shares of the principal amount, as the Subordinated Notes;

**Rating Agency** means S&P Global Ratings, acting through Standard & Poor's Credit Market Services Italy S.r.l. (**S&P Global Ratings**) or Moody's Investors Service (**Moody's**) or Fitch Ratings (**Fitch**), or, in each case, any successor(s) thereto;

**Rating Methodology Event** will be deemed to occur upon a change in the methodology of a Rating Agency (or in the interpretation of such methodology) as a result of which the equity content previously assigned by such Rating Agency to the Subordinated Notes is, in the reasonable opinion of the Issuer, materially reduced when compared to the equity content assigned by such Rating Agency on or about the Issue Date;

**Redemption Alignment Event** will be deemed to have occurred if at any time prior to the tenth anniversary of the Subordinated Notes, the Issuer determines, in consultation with the Relevant Supervisory Authority, that the option to redeem the Subordinated Notes from their fifth anniversary pursuant to Condition 7(b)(i), without such redeemed Subordinated Notes being required to be replaced by other own funds regulatory capital of at least the same quality, would not cause the Subordinated Notes to no longer fulfil the requirements in order to be treated, for the purposes of the determination of the Issuer's and/or the Group's regulatory capital under the then Applicable Supervisory Regulations (including for the purpose of any capital requirements of internationally active insurance groups), as own funds regulatory capital of at least the tier (or, if different, whatever terminology is employed to denote such concept by the then Applicable Supervisory Regulations) that the Subordinated Notes would be expected to fall under on or about the Issue Date, and the Issuer gives not less than fifteen, (15) nor more than thirty (30) days' notice of such determination to the Noteholders in accordance with Condition 14; and

**Regulatory Event** will occur if, on or after the Issue Date, the Relevant Supervisory Authority has notified the Issuer:

- (i) that under the then Applicable Supervisory Regulations, the Subordinated Notes (in whole or in part) would not be treated, for the purposes of the determination of the Issuer's and/or the Group's regulatory capital (including for the purpose of any capital requirements of internationally active insurance groups), as own funds regulatory capital of at least the tier (or, if different, whatever terminology is employed to denote such concept by the then Applicable Supervisory Regulations) that the Subordinated Notes would be expected to fall under on or about the Issue Date; or
- (ii) that under the then Applicable Supervisory Regulations, the Subordinated Notes (in whole or in part) no longer fulfil the requirements in order to be treated, for the purposes of the determination of the Issuer's and/or the Group's regulatory capital (including for the purpose of any capital requirements of internationally active insurance groups), as own funds regulatory capital of at least the tier (or, if different, whatever terminology is employed to denote such concept by the then Applicable Supervisory Regulations) that the Subordinated Notes would be expected to fall under on or about the Issue Date, provided that on the Issue Date, the Subordinated Notes did fulfil the requirements for inclusion in the own funds regulatory capital of the Issuer and/or the Group of at least such tier (or, if different, whatever terminology is employed to denote such concept by the then Applicable Supervisory Regulations),

except where in the case of each of (i) and (ii), this is merely the result of exceeding any applicable limits on the inclusion of such securities in the own funds regulatory capital of the Issuer and/or the Group of at least the tier (or, if different, whatever terminology is employed to denote such concept by the then Applicable Supervisory Regulations) that the Subordinated Notes would be expected to fall under on or about the Issue Date, pursuant to the then Applicable Supervisory Regulations.

(j) **Early Redemption Amounts**

For the purpose of paragraphs (b), (e)(i), (f)(i) and (g) above and Condition 10, (i) each Note other than a Zero Coupon Note will be redeemed at the Early Redemption Amount specified in the applicable Final Terms or, if not specified in the applicable Final Terms, at its nominal amount and (ii) each Zero Coupon Note will be redeemed at an amount (the **Amortised Face Amount**) calculated in accordance with the following formula:

$$\text{Early Redemption Amount} = \text{RP} \times (1 + \text{AY})^y$$

where:

“**RP**” means the Reference Price (as specified in the applicable Final Terms)

“**AY**” means the Accrual Yield expressed as a decimal; and

“**y**” is a fraction the numerator of which is equal to the number of days (calculated on the basis of a 360-day year consisting of 12 months of thirty (30) days each) from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator of which is 360.

(k) **Instalments**

Instalment Notes will be redeemed in the Instalment Amounts and on the Instalment Dates. In the case of early redemption, the Early Redemption Amount will be determined pursuant to paragraph (j) above.

(l) **Purchases**

Subject as otherwise provided in these Conditions, the Issuer or any subsidiary of the Issuer may at any time purchase Notes (provided that, in the case of Definitive Bearer Notes, all unmatured Receipts, Coupons and Talons appertaining thereto are purchased therewith) at any price in the open market or otherwise, and, in the case of Subordinated Notes subject to the fulfillment of the Conditions to Redemption and Purchase. All Notes so purchased by the Issuer may (i) be held and resold in accordance with Articles L. 213-1 A and D. 213-1 A of the French *Code monétaire et financier* for the purpose of enhancing the liquidity of the Notes or (ii) be cancelled in accordance with Article L.228-74 of the French *Code de Commerce*.

(m) **Cancellation**

All Notes which are redeemed or purchased for cancellation by the Issuer shall be cancelled forthwith, in the case of Bearer Notes, by surrendering each such Note together with all unmatured Receipts and Coupons and all unexchanged Talons to the Principal Paying Agent and, in the case of Registered Notes, by surrendering such Registered Note to the Registrar. Any Notes so cancelled may not be reissued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged.

(n) **Late payment on Zero Coupon Notes**

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to paragraph (a), (b), (c) or (d) above or upon its becoming due and repayable as provided in Condition 10 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in paragraph (j)(iii) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and payable were replaced by references to the date which is the earlier of:

- (i) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and
- (ii) five (5) days after the date on which the full amount of the moneys payable in respect of such Zero Coupon Notes has been received by the Principal Paying Agent or the Registrar and notice to that effect has been given to the Noteholders in accordance with Condition 14.

**8. TAXATION**

(a) **Withholding Tax**

All payments of principal, interest and other amounts by or on behalf of the Issuer in respect of the Notes, Receipts or Coupons shall be made free and clear of, and without withholding or

deduction for, any present or future taxes, duties, assessments or other governmental charges whatsoever imposed or levied by or on behalf of France or any political subdivision thereof, or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.

(b) **Additional Amounts**

If French law should require that any payments in respect of the Notes, Receipts or Coupons be subject to withholding or deduction with respect to any present or future taxes, duties, assessments or other governmental charges whatsoever imposed or levied by or on behalf of France or any political subdivision thereof, or any authority therein or thereof having power to tax, the Issuer will, to the fullest extent then permitted by law, pay such additional amounts as may be necessary in order that the net amounts received by the holders of the Notes, Receipts or Coupons after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes, Receipts or Coupons, as the case may be, in the absence of such withholding or deduction; except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon:

- (i) presented for payment by or on behalf of, a holder who would not be liable or subject to such withholding or deduction by making a declaration of non-residence or other similar claim for exemption to the relevant tax authority; or
- (ii) presented for payment by or on behalf of a Noteholder, Receiptholder or Couponholder (including a beneficial owner (*ayant droit*)) who is liable for such taxes, duties, assessments or other governmental charges in respect of such Note, Receipt or Coupon by reason of his having some connection with France other than the mere holding of (or beneficial ownership with respect to) such Note, Receipt or Coupon; or
- (iii) presented for payment more than thirty (30) days after the Relevant Date (as defined below) except to the extent that the holder thereof would have been entitled to an additional amount on presenting the same for payment on such thirtieth day assuming that day to have been a Payment Day (as defined in Condition 6(f)).

Notwithstanding anything in this Condition 8 to the contrary, neither the Issuer, any paying agent nor any other person making payments on behalf of the Issuer shall be required to pay additional amounts in respect of such taxes imposed pursuant to FATCA.

As used herein, the **Relevant Date** in relation to any Note means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Principal Paying Agent or the Registrar, as the case may be, on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 14.

**9. PRESCRIPTION**

The Notes (whether in bearer or registered form), Receipts and Coupons will become void unless presented for payment within a period of 10 years (in the case of principal) and five years (in the case of interest) after the Relevant Date (as defined in Condition 8) therefor.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition 9 or Condition 6(b) or any Talon which would be void pursuant to Condition 6(b).

## 10. EVENTS OF DEFAULT AND ENFORCEMENT EVENTS

### (a) Events of Default relating to Senior Notes

If any one or more of the following events (each an **Event of Default**) shall occur with respect to any Senior Note:

- (i) if default is made in the payment of any principal, premium (if any) or interest due in respect of the Notes or any of them and the default continues for a period of fifteen (15) days in the case of principal or premium (if any) and fifteen (15) days in the case of interest; or
- (ii) if the Issuer fails to perform or observe any of its other obligations under the Conditions and (except in any case where the failure is incapable of remedy when no such continuation or notice as is hereinafter mentioned will be required) the failure continues for the period of thirty (30) days next following the service by a Noteholder on the Issuer of notice requiring the same to be remedied; or
- (iii) if any other present or future indebtedness of the Issuer for borrowed monies in excess of €150,000,000 (or its equivalent in any other currency), whether individually or in the aggregate, becomes due and payable prior to its stated maturity as a result of a default thereunder, or if any such indebtedness shall not be paid when due or, as the case may be, within any applicable grace period therefore or any steps shall be taken to enforce any security in respect of any such indebtedness or any guarantee given by the Issuer for, or in respect of, any such indebtedness of others shall not be honoured when due and called upon; or
- (iv) if the Issuer makes any proposal for a general moratorium in relation to its debt or a judgment is issued for the judicial liquidation (*liquidation judiciaire*) or for a judicial transfer of the whole of the business (*cession totale de l'entreprise*) of the Issuer or, to the extent permitted by applicable law, if the Issuer makes any conveyance, assignment or other arrangement for the benefit of its creditors generally or if the Issuer is subject to any other insolvency or bankruptcy proceedings, or if the Issuer is wound up or dissolved except in connection with a merger where the entity resulting from such merger assumes all the obligations of the Issuer under the Senior Notes;

then any holder of a Note may, by written notice to the Issuer at the specified office of the Principal Paying Agent, effective upon the date of receipt thereof by the Principal Paying Agent, declare any Notes held by the holder to be forthwith due and payable whereupon the same shall become forthwith due and payable at the Early Redemption Amount (as described in Condition 7(j)), together with accrued interest (if any) to the date of repayment, without presentment, demand, protest or other notice of any kind.

### (b) Enforcement Events relating to Subordinated Notes

In the case of Subordinated Notes and in accordance with Condition 3(b), if any judgment shall be issued for the judicial liquidation (*liquidation judiciaire*) of the Issuer or if the Issuer is liquidated for any other reason, then the Subordinated Notes shall become immediately due and payable in accordance with Condition 3(b), at their nominal amount together with any accrued interest (including Arrears of Interest and any Additional Interest Amounts) to the date of payment.

## 11. REPLACEMENT OF NOTES, RECEIPTS, COUPONS AND TALONS

Should any Note, Receipt, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Principal Paying Agent (in the case of Bearer Notes, Receipts or Coupons) or the Registrar (in the case of Registered Notes) upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such

terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Notes, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

## **12. AGENTS**

The names of the initial Agents and their initial specified offices are set out below.

The Issuer is entitled to vary or terminate the appointment of any Agent and/or appoint additional or other Agents and/or approve any change in the specified office through which any Agent acts, provided that:

- (a) there will at all times be a Principal Paying Agent and a Registrar;
- (b) so long as the Notes are listed on any stock exchange or admitted to trading by any other relevant authority, there will at all times be a Paying Agent (in the case of Bearer Notes) and a Transfer Agent (in the case of Registered Notes) with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange or other relevant authority; and
- (c) so long as any of the Registered Global Notes payable in a Specified Currency other than U.S. Dollars are held through DTC or its nominee, there will at all times be an Exchange Agent with a specified office in New York City.

In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in Condition 6(e). Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency, or where the Paying Agent becomes a FATCA Noncompliant Financial Institution or otherwise subject to withholding under FATCA, when it shall be of immediate effect) after not less than thirty (30) nor more than forty-five (45) days' prior notice thereof shall have been given to the Noteholders in accordance with Condition 14.

In acting under the Agency Agreement, the Paying Agents act solely as agents of the Issuer and do not assume any obligation to, or relationship of agency or trust with, any Noteholders, Receiptholders or Couponholders. The Agency Agreement contains provisions permitting any entity into which any Paying Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor agent.

As used herein:

**FATCA Compliant FFI** means a "Participating FFI", a "deemed-compliant FFI", as such terms are defined pursuant to Sections 1471 through 1474 of the Code and any regulations thereunder or official interpretations thereof or any person that can receive payments free of FATCA withholding; and

**FATCA Noncompliant Financial Institution** means a foreign financial institution (FFI) that, as from the effective date of any rules requiring withholding on "passthru payments" (as such terms are defined pursuant to Sections 1471 through 1474 of the Code and any regulations thereunder or official interpretations thereof), is not a FATCA Compliant FFI.

## **13. EXCHANGE OF TALONS**

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Principal Paying Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 9.

#### 14. NOTICES

All notices regarding the Bearer Notes will be deemed to be validly given if published (i) in a leading English language daily newspaper of general circulation in London and (ii) if and for so long as the Bearer Notes are admitted to trading on, and listed on the Official List of the Luxembourg Stock Exchange, a daily newspaper of general circulation in Luxembourg and/or the Luxembourg Stock Exchange's website, [www.bourse.lu](http://www.bourse.lu). It is expected that any such publication in a newspaper will be made in the Financial Times in London and the *Luxemburger Wort* or the *Tageblatt* in Luxembourg. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules of any stock exchange or other relevant authority on which the Bearer Notes are for the time being listed or by which they have been admitted to trading, including publication on the website of the relevant stock exchange or relevant authority if required by those rules. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers.

All notices regarding the Registered Notes will be deemed to be validly given if sent by first class mail or (if posted to an address overseas) by airmail to the holders (or the first named of joint holders) at their respective addresses recorded in the Register and will be deemed to have been given on the fourth day after mailing and, in addition, for so long as any Registered Notes are listed on a stock exchange or are admitted to trading by another relevant authority and the rules and regulations of that stock exchange or relevant authority so require, such notice will be published on the website of the relevant stock exchange or relevant authority and/or in a daily newspaper of general circulation in the place or places required by those rules and regulations.

Until such time as any definitive Notes are issued, there may, so long as any Global Note representing the Notes is held in its entirety on behalf of Euroclear and/or Clearstream and/or DTC, be substituted for publication as described in the first paragraph of this Condition 14, the delivery of the relevant notice to Euroclear and/or Clearstream and/or DTC for communication by them to the holders of the Notes and, in addition, for so long as any Notes are listed on a stock exchange or are admitted to trading by another relevant authority and the rules and regulations of that stock exchange or relevant authority so require, such notice will be published on the website of the relevant stock exchange or relevant authority and/or in a daily newspaper of general circulation in the place or places required by those rules and regulations or as otherwise permitted by those rules and regulations. Any such notice shall be deemed to have been given to the holders of the Notes on such day as is specified in the applicable Final Terms after the day on which the said notice was given to Euroclear and/or Clearstream and/or DTC.

Notices to be given by any Noteholder shall be in writing and given by lodging the same, together (in the case of any Note in definitive form) with the relative Note or Notes, with the Principal Paying Agent (in the case of Bearer Notes) or the Registrar (in the case of Registered Notes). Whilst any of the Notes are represented by a Global Note, such notice may be given by any holder of a Note to the Principal Paying Agent or the Registrar through Euroclear and/or Clearstream and/or DTC, as the case may be, in such manner as the Principal Paying Agent, the Registrar and Euroclear and/or Clearstream and/or DTC, as the case may be, may approve for this purpose.

#### 15. MEETINGS OF NOTEHOLDERS, MODIFICATION AND WAIVER

The Agency Agreement contains provisions for convening meetings of the Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution (as defined below) of a modification of the Notes, the Receipts, the Coupons or any of the provisions of the Agency Agreement. Such a meeting may be convened by the Issuer or Noteholders holding not less than 10 per cent. in nominal amount of the Notes for the time being remaining outstanding. The quorum at any such meeting for passing an Extraordinary Resolution is one or more persons holding or representing in the aggregate not less than 50 per cent. in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting one or

more persons being or representing Noteholders whatever the nominal amount of the Notes so held or represented, except that at any meeting the business of which includes the modification of certain provisions of the Notes, the Receipts or the Coupons (including modifying the date of maturity of the Notes or any date for payment of interest thereon, reducing or cancelling the amount of principal or the rate of interest payable in respect of the Notes or altering the currency of payment of the Notes, the Receipts or the Coupons), the quorum shall be one or more persons holding or representing not less than two-thirds in nominal amount of the Notes for the time being outstanding, or at any adjourned such meeting one or more persons holding or representing not less than one-third in nominal amount of the Notes for the time being outstanding. The Agency Agreement provides that (i) a resolution passed at a meeting duly convened and held in accordance with the provisions of the Agency Agreement by a majority consisting of not less than 75 per cent. of the votes cast on such resolution, (ii) a resolution in writing signed by or on behalf of all the Noteholders or (iii) consent given by way of electronic consents communicated through the electronic communications systems of the relevant clearing system(s) in accordance with their operating rules and procedures by or on behalf of all the Noteholders, shall, in each case, be effective as an extraordinary resolution of the Noteholders (an **Extraordinary Resolution**). An Extraordinary Resolution passed by the Noteholders will be binding on all the Noteholders, whether or not they are present at any meeting and whether or not they voted on the resolution, and on all Receiptholders and Couponholders.

The Principal Paying Agent and the Issuer may agree, without the consent of the Noteholders, Receiptholders or Couponholders, to:

- (a) any modification (except such modifications in respect of which an increased quorum is required as mentioned above) of the Notes, the Receipts, the Coupons or the Agency Agreement which is not prejudicial to the interests of the Noteholders; or
- (b) any modification of the Notes, the Receipts, the Coupons or the Agency Agreement which is of a formal, minor or technical nature or is made to correct a manifest or proven error or to comply with mandatory provisions of the law.

If the Notes are Subordinated Notes, any modifications of any of the Conditions shall be subject to the Prior Approval of the Relevant Supervisory Authority.

Any such modification shall be binding on the Noteholders, the Receiptholders and the Couponholders and any such modification shall be notified to the Noteholders in accordance with Condition 14 as soon as practicable thereafter.

For the avoidance of doubt, any exchange or variation of the Subordinated Notes in connection with the occurrence of a Regulatory Event or a Rating Methodology Event shall be made in accordance with Conditions 7(e)(ii) or 7(f)(ii) only and will not require the approval of the Noteholders.

## **16. FURTHER ISSUES**

- (a) The Issuer shall be at liberty from time to time without the consent of the Noteholders, the Receiptholders or the Couponholders to create and issue further notes having terms and conditions the same as the Notes or the same in all respects save for the amount and date of the first payment of interest thereon and so that the same shall be consolidated and form a single Series with the outstanding Notes.
- (b) The Issuer may also from time to time, without the consent of the Noteholders, on giving not less than thirty (30) days' prior notice to the Noteholders, consolidate Notes denominated or redenominated in Euro with one or more issues of other notes (**Other Notes**) issued by it and denominated in the currency of any of the Member States of the European Union provided that such Other Notes are denominated in, or have been redenominated into Euro and otherwise

have, in respect of all periods subsequent to such consolidation, the same terms and conditions as the Notes.

In the event of any such consolidation, the Issuer may, without the consent of the Noteholders, provide for additional, and/or substitute denominations of such Notes.

Notice of any such consolidation and/or provision of additional or substitute denominations will be given to the Noteholders in accordance with Condition 14.

**17. CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999**

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Note, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

**18. GOVERNING LAW AND SUBMISSION TO JURISDICTION**

**(a) Governing law and submission to jurisdiction**

The Agency Agreement, the Deed of Covenant, the Deed Poll, the Notes, the Receipts and the Coupons and any non-contractual obligations arising out of or in connection with the Agency Agreement, the Deed of Covenant, the Deed Poll, the Notes, the Receipts and the Coupons are governed by, and shall be construed in accordance with, English law, other than the provisions of Condition 3 which are governed by, and shall be construed in accordance with, French law.

The Issuer irrevocably agrees, for the benefit of the Noteholders, the Receiptholders and the Couponholders, that the courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with the Notes, the Receipts and/or the Coupons, (including a dispute relating to any non-contractual obligations arising out of or in connection with the Notes, the Receipts and/or the Coupons) and accordingly submits to the jurisdiction of the English courts.

The Issuer waives any objection to the courts of England on the grounds that they are an inconvenient or inappropriate forum. To the extent allowed by law, the Noteholders, the Receiptholders and the Couponholders may take any suit, action or proceedings (together referred to as **Proceedings**) arising out of or in connection with the Notes, the Receipts and the Coupons (including any Proceedings relating to any non-contractual obligations arising out of or in connection with the Notes, the Receipts and/or the Coupons) against the Issuer in any other court of competent jurisdiction and concurrent Proceedings in any number of jurisdictions.

**(b) Appointment of Process Agent**

The Issuer appoints AXA UK plc at its principal office at 5 Old Broad Street, London EC2N 1AD as its agent for service of process, and undertakes that, in the event of AXA UK plc ceasing so to act or ceasing to be registered in England, it will appoint another person as its agent for service of process in England in respect of any Proceedings. Nothing herein shall affect the right to serve proceedings in any other manner permitted by law.

**(c) Other documents**

The Issuer has in the Agency Agreement, the Deed Poll and the Deed of Covenant submitted to the jurisdiction of the English courts and appointed an agent for service of process in terms substantially similar to those set out above.

### Business overview

AXA is the holding company of the AXA Group, a worldwide leader in insurance and asset management. In 2016, AXA remained the 1<sup>st</sup> global insurance brand for the 8<sup>th</sup> consecutive year<sup>4</sup> and AXA Group was the world’s largest insurance group<sup>5</sup> with total assets of €893 billion and the world’s 9<sup>th</sup> largest asset manager<sup>6</sup> with total assets under management of €1,429 billion for the year ended December 31, 2016.

AXA operates primarily in Europe, North America, Asia-Pacific Region and, to a lesser extent, in other regions including the Middle East, Latin America and Africa.

AXA has four operating business segments: Life & Savings, Property & Casualty, Asset Management and Banking. In addition, various holding companies within the Group conduct certain non-operating activities.

On March 21, 2016, AXA announced that Henri de Castries, Chairman and Chief Executive Officer of AXA, would retire and step down from the Board of Directors on September 1, 2016. The Board of Directors decided to separate the functions of Chairman of the Board of Directors and Chief Executive Officer, appointing Denis Duverne as non-executive Chairman of the Board of Directors and Thomas Buberl as Chief Executive Officer of AXA and member of the Board of Directors.

On May 27, 2016, AXA announced a series of senior appointments to form a new management team to support Thomas Buberl in the definition and implementation of the Group’s strategy and management of its global operations. The new Management Committee notably reinforced the role of large countries (“Mature markets”) and Global Business Lines, while the Group’s Regions were repositioned to focus on the development of emerging and smaller markets (“Emerging markets”) in Asia and in the rest of the world.

The following changes have been implemented in the financial reporting in order to reflect the above-mentioned evolutions in the governance of the Group and are retroactively restated in the 2016 Registration Document:

- Spain and Italy, which were formerly reported within the Mediterranean & Latin American Region, are now reported on a standalone basis;
- the former Mediterranean & Latin American Region has been renamed the Europe, Middle East, Africa & Latin America Region. It regroups all entities from the former Mediterranean & Latin American Region (except Spain and Italy) as well as all entities formerly included in Central and Eastern Europe, Luxembourg and Russia;
- the International Insurance segment is no longer reported separately. Entities which were part of this segment have been reallocated as follows:
  - AXA Corporate Solutions Assurance, AXA Assistance, AXA Liabilities Managers and AXA Global P&C are now part of the Property & Casualty segment,

- AXA Global Life and AXA Corporate Solutions Life Reinsurance Company are now part of the Life & Savings segment.

High Growth markets have been renamed Emerging markets.

In addition, in Life & Savings, some Protection products with Unit-Linked features which were previously classified under the Unit-Linked line of business are now classified under the Protection & Health line of business.

Throughout the 2016 Registration Document, “Restated” refers to the restatement of the United Kingdom Life & Savings contribution as discontinued operations following the disposal announcements and the reclassification of the International Insurance segment into the Life & Savings and the Property & Casualty segments.

### ***Life & Savings Segment***

AXA offers a broad range of Life & Savings products including Individual and Group savings products, as well as Life and Health products for both individual and commercial clients.

Following the governance and reporting changes implemented in 2016, the following entities, which were previously part of the International Insurance segment, have been reallocated to the Life & Savings segment:

- **AXA Corporate Solutions Life Reinsurance Company**, which is a reinsurance company in the United States, in runoff, notably managing a book of reinsurance contracts of variable annuities;
- **AXA Global Life**, which alongside its role as a global business line, is in charge of analysis, structuring and negotiation of reinsurance treaties on behalf of AXA Group insurance companies to a selection of third party reinsurers.

### ***Property & Casualty Segment***

AXA's Property & Casualty segment offers a broad range of products including motor, household property and general liability insurance for both Personal and Commercial customers, targeting mainly small-to medium-sized companies. In certain countries, Health products are classified as Property & Casualty products<sup>7</sup>.

Following the governance and reporting changes implemented in 2016, the following entities, which were previously part of the International Insurance segment, have been reallocated to the Property & Casualty segment:

- **AXA Corporate Solutions Assurance**, which is the AXA Group subsidiary dedicated to large corporations for Property & Casualty, loss prevention, risk management, underwriting and claims handling and to specialty markets (Marine, Aviation, Space) worldwide;
- **AXA Global P&C**, which alongside its role as a global business line, is in charge of analysis, structuring and negotiation of reinsurance treaties on behalf of AXA Group insurance companies to a selection of third party reinsurers. AXA Global P&C activity is mainly driven by its Property pool which provides AXA entities with cover on natural catastrophes;

---

<sup>7</sup> Some countries classify Health activity in the Property & Casualty segment, while other countries classify it in the Life & Savings segment. AXA chooses to follow local classification.

- **AXA Liabilities Managers**, which is the Group's specialised company in charge of managing AXA Group's Property & Casualty run-off portfolios.

### ***Asset Management Segment***

The development of asset management activities is a key part of AXA's financial services strategy, which seeks to capitalise on existing strengths and expand its client base. This strategy is based on the Management's belief that its asset management expertise will enable AXA to benefit in the future from the expected growth in savings-related products in the markets where it operates. For the year ended December 31, 2016, the Asset Management segment accounted for €3.7 billion (2015: €3.8 billion), or 4% of AXA's consolidated gross revenues (2015: 4%).

AXA's principal asset management companies are AB and AXA Investment Managers.

### ***Banking Segment***

The operations in the Banking segment are conducted primarily in Belgium, France and Germany. For the year ended December 31, 2016 the Banking segment accounted for €596 million (2015: €621 million), or less than 1% of AXA's consolidated gross revenues (2015: less than 1%).

AXA is the holding company for the AXA Group and operates through its operating subsidiaries, as a result, AXA is dependent on its subsidiaries to cover its operating expenses and dividend payments.

### ***Consolidated Financial Statements***

See 2016 Registration Document, pages 224 to 371, for the Group's Consolidated Financial Statements for the year ended December 31, 2016 (including consolidated statement of financial position, consolidated statement of income, consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows and notes) and the auditors' audit report thereon.

See 2015 Registration Document, pages 198 to 344, for the Group's Consolidated Financial Statements for the year ended December 31, 2015 (including consolidated statement of financial position, consolidated statement of income, consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows and notes) and the auditors' audit report thereon.

### ***Principal Ratings of the Issuer as at the date of this Base Prospectus***

The financial strength, debt or performance of the Issuer and certain of its insurance subsidiaries is rated by recognized rating agencies. The ratings set forth below are subject to revision or withdrawal at any time by the assigning rating agency in its sole discretion. Credit ratings are intended to reflect the ability of AXA to meet its payment obligations and may not reflect the potential impact of all risks on the value of AXA's securities. A rating is not a recommendation to buy, sell or hold securities. None of these ratings should be construed as an indication or forecast of the historical or potential performance of AXA's securities nor should any such rating be relied upon for the purpose of making an investment decision with respect to any of the Issuer's securities. The Issuer does not undertake to maintain its ratings, nor in any event shall the Issuer be responsible for the accuracy or reliability of any of the ratings set forth below. The significance and the meaning of individual ratings vary from agency to agency.

As at the date of this Base Prospectus, the relevant ratings for the Issuer and its principal insurance subsidiaries were as follows:

Agency	Date of last review	Insurer Financial Strength Ratings		Counterparty Credit Ratings			
		Issuer's principal insurance subsidiaries	Outlook	Senior Debt of the Issuer	Outlook	Short Term Debt of the Issuer	
<b>S&amp;P Global Ratings</b>	October 27, 2016	AA-	Stable	A	Stable	A-1	
<b>Moody's</b>	September 9, 2016	Aa3	Stable	A2	Stable	P-1	
<b>Fitch</b>	June 28, 2016	AA-	Stable	A	Stable	F1	

As defined by S&P Global Ratings an AA- with stable outlook insurer financial strength means that the Company has very strong financial security characteristics, differing only slightly from those rated higher. The addition of a minus (-) sign shows relative standing within such rating category. An A with stable outlook long term debt rating means that the Company has strong capacity to meet its financial commitments but is somewhat more susceptible to the adverse effects of changes in circumstances and economic conditions than obligors in higher-rated categories. A stable outlook means that the rating is not likely to change over the intermediate term (typically six months to two years). An A-1 short term debt rating means that the Company has strong capacity to meet its financial commitments. The Company is rated in the highest category by S&P Global Ratings. .

As defined by Moody's an Aa3 with stable outlook insurer financial strength means that the Company has excellent financial security and is known as a high-grade company but its long-term risks is somewhat larger than the Aaa companies. The modifier 3 indicates a ranking in the lower end of the Aa rating category. An A2 with stable outlook long term debt rating means that the Company's debt is judged to be upper-medium grade and is subject to low credit risk. The modifier 2 indicates a mid-range ranking in the A rating category. A stable outlook indicates a low likelihood of a rating change over the medium term. A P-1 short term debt rating means that the Company has a superior ability to repay short-term debt obligations.

As defined by Fitch an AA- with stable outlook insurer financial strength is very strong, denotes a very low expectation of ceased or interrupted payments and indicates very strong capacity to meet policyholder and contract obligations. This capacity is not significantly vulnerable to foreseeable events. The modifier (-) is appended to a rating to indicate the relative position of a credit within such rating category. An A long term debt rating is a high credit quality, denotes expectations of low default risk. The capacity for payments of financial commitments is considered strong. This capacity may, nevertheless, be more vulnerable to adverse business or economic conditions than is the case for higher ratings. The outlooks are stable, which denotes consistency with the historical migration experience of ratings over a one-to-two-year period. A F1 short term debt rating is the highest short-term credit quality and indicates the strongest intrinsic capacity for timely payment of financial commitments.

The Issuer accepts no responsibility for the accuracy or reliability of the ratings. A credit rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning credit rating agency.

S&P Global Ratings, Moody's and Fitch are established in the European Union and registered under the CRA Regulation and are included in the list of credit rating agencies registered in accordance with the

CRA Regulation published on the European Securities and Markets Authority's website as of the date of this Base Prospectus<sup>8</sup>.

## TAXATION

The statements herein regarding taxation are based on the laws in force in France and the Grand-Duchy of Luxembourg as of the date of this Base Prospectus and are subject to any changes in law and interpretation thereof (potentially with retroactive effect). The following overview does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to purchase, hold or dispose of the Notes nor does it constitute legal advice. Each prospective holder or beneficial owner of Notes should consult its tax advisor as to the tax consequences of state, local or foreign laws including French or, as the case may be, Luxembourg of any investment in or ownership and disposition of the Notes.

### French Taxation

#### *Withholding Taxes in France*

*The following is an overview of certain withholding tax considerations that may be relevant to Noteholders who do not concurrently hold shares of the Issuer.*

Payments of interest and other revenues made by the Issuer with respect to the Notes (other than Notes (as described below) which are consolidated (*assimilables* for the purpose of French law) and form a single series with Notes issued prior to March 1, 2010 with the benefit of Article 131 *quater* of the French *Code général des impôts*) are not subject to the withholding tax set out under Article 125 A III of the French *Code général des impôts* unless such payments are made outside France in a non-cooperative State or territory (*Etat ou territoire non coopératif*) within the meaning of Article 238-0 A of the French *Code général des impôts* (a **Non-Cooperative State**). If such payments under the Notes are made in a Non-Cooperative State, a 75 per cent. withholding tax will be applicable (subject to certain exceptions and to the more favourable provisions of an applicable double tax treaty) by virtue of Article 125 A III of the French *Code général des impôts*.

Furthermore, according to Article 238 A of the French *Code général des impôts*, interest and other revenues on such Notes may not be deductible from the Issuer's taxable income if they are paid or accrued to persons domiciled or established in a Non-Cooperative State or paid on a bank account located in such a Non-Cooperative State (the **Deductibility Exclusion**). Under certain conditions, any such non-deductible interest and other revenues may be recharacterised as constructive dividends pursuant to Articles 109 *et seq.* of the French *Code général des impôts*, in which case such non-deductible interest and other revenues may be subject to the withholding tax set out under Article 119 *bis* of the French *Code général des impôts*, at a rate of 30 per cent. or 75 per cent. (subject to the more favourable provisions of an applicable double tax treaty).

Notwithstanding the foregoing, neither the 75 per cent. withholding tax provided under Article 125 A III of the French *Code général des impôts* nor the Deductibility Exclusion nor the withholding tax set out under Article 119 bis 2 of the French *Code général des impôts* that may be levied as a result of such Deductibility Exclusion will apply in respect of a particular issue of Notes if the Issuer can prove that the principal purpose and effect of such issue of Notes were not that of allowing the payments of interest or other revenues to be made in a Non-Cooperative State (the **Exception**). Pursuant to the French tax administrative guidelines (BOI-INT-DG-20-50 no. 550 and no. 990, BOI-RPPM-RCM-30-10-20-40 no. 70 and no. 80) dated February 11, 2014 and (BOI-IR-DOMIC-10-20-20-60) dated March 20, 2015, an issue of Notes will benefit from the Exception without the Issuer having to provide any proof of the purpose and effect of such issue of Notes, if such Notes are:

- (i) offered by means of a public offer within the meaning of Article L. 411-1 of the French *Code monétaire et financier* or pursuant to an equivalent offer in a State which is not a Non-Cooperative State. For this purpose, an "equivalent offer" means any offer requiring the registration or submission of an offer document by or with a foreign securities market authority; or

- (ii) admitted to trading on a regulated market or on a French or foreign multilateral securities trading system provided that such market or system is not located in a Non-Cooperative State, and the operation of such market is carried out by a market operator or an investment services provider, or by such other similar foreign entity, provided further that such market operator, investment services provider or entity is not located in a Non-Cooperative State; or
- (iii) admitted, at the time of their issue, to the operations of a central depository or of a securities delivery and payments systems operator within the meaning of Article L. 561-2 of the French *Code monétaire et financier*, or of one or more similar foreign depositories or operators provided that such depository or operator is not located in a Non-Cooperative State.

Payments of interest and other revenues with respect to Notes which are consolidated (*assimilables* for the purpose of French law) and form a single series with Notes issued before March 1, 2010 with the benefit of Article 131 *quater* of the French *Code général des impôts*, will be exempt from the withholding tax set out under Article 125 A III of the French *Code général des impôts*. Notes issued before March 1, 2010, whether denominated in Euro or in any other currency, and constituting *obligations* under French law, or *titres de créance négociables* within the meaning of the French tax administrative guidelines (BOI-RPPM-RCM-30-10-30-30) dated February 11, 2014 or other debt securities issued under French or foreign law and considered by the French tax authorities as falling into similar categories, are deemed to be issued outside the Republic of France for the purpose of Article 131 *quater* of the French *Code général des impôts*, in accordance with the aforementioned administrative guidelines. In addition, interest and other revenues paid by the Issuer on Notes which are to be consolidated (*assimilables* for the purpose of French law) and form a single series with Notes issued before March 1, 2010 will not be subject to the withholding tax set out in Article 119 *bis* of the French *Code général des impôts* solely on account of their being paid on a bank account located in a Non-Cooperative State or accrued or paid to persons established or domiciled in a Non-Cooperative State.

Pursuant to Article 125 A of the French *Code général des impôts*, subject to certain exceptions, interest and similar revenues received by individuals who are fiscally domiciled (*domiciliés fiscalement*) in France are subject to a mandatory 24 per cent. withholding tax, which is deductible from their personal income tax liability in respect of the year in which the payment has been made. Social contributions (CSG, CRDS and other related contributions) are also levied by way of withholding at an aggregate rate of 15.5 per cent. on such interest paid to French tax resident individuals.

### **Supply of Information**

Each Noteholder shall be responsible for supplying to the Paying Agent, in a timely manner, any information as may be required in order for it to comply with the identification and reporting obligations imposed on it by the Council Directive 2011/16/EU on administrative cooperation in the field of taxation (as amended by EU Council Directive 2014/107/EU).

### **Luxembourg Taxation**

The following discussion contains a description of certain material Luxembourg income tax considerations that may be relevant to the purchase, ownership and disposition of Notes by a holder. It does not purport to be a complete analysis of all tax considerations relating to the Notes, whether in Luxembourg or elsewhere. Prospective investors of the Notes should consult their own tax advisers as to which countries' tax laws could be relevant to acquiring, holding and disposing of the Notes and the consequences of such actions under the tax laws of Luxembourg. This summary is based upon tax laws of Luxembourg as in effect on the date of this Base Prospectus, which are subject to change, possibly with retroactive effect, and to differing interpretations. The information contained within this section is limited to taxation issues, and prospective investors should not apply any information set out below to other areas, including (but not limited to) the legality of transactions involving the Notes.

Please be aware that the residence concept used in the headings below applies for Luxembourg income tax assessment purposes only. Any reference in the present section to a tax, duty, levy, impost or other

charge or withholding of a similar nature refers only to Luxembourg tax law and/or concepts. Also, please note that a reference to Luxembourg income tax generally encompasses corporate income tax (*impôt sur le revenu des collectivités*), municipal business tax (*impôt commercial communal*), a solidarity surcharge (*contribution au fonds pour l'emploi*), a temporary tax to balance the state budget (*impôt d'équilibrage budgétaire temporaire*) as well as personal income tax (*impôt sur le revenu*). Investors may further be subject to net wealth tax (*impôt sur la fortune*) as well as other duties, levies or taxes. Corporate income tax, municipal business tax as well as the solidarity surcharge invariably apply to most corporate taxpayers resident of Luxembourg for tax purposes. Individual taxpayers are generally subject to personal income tax, the solidarity surcharge as well as the temporary tax to balance the state budget. Under certain circumstances, where an individual taxpayer acts in the course of the management of a professional or business undertaking, municipal business tax may also apply.

### **Withholding Tax in Luxembourg**

#### **(iii) Non-resident holders of Notes**

Under Luxembourg general tax laws currently in force, all payments of principal, premium or interest made to non-resident holders of Notes, (included accrued but unpaid interest) in respect of the Notes in the context of the holding, disposal, redemption or repurchase of the Notes, which are not profit sharing, can be free and clear of any withholding or deduction for or on account of any taxes of whatsoever nature imposed, levied, withheld, or assessed by Luxembourg or any political subdivision or taxing authority thereof or therein, in accordance with the applicable Luxembourg law.

#### **(iv) Resident holders of Notes**

Under Luxembourg general tax laws currently in force and subject to the law of December 23, 2005 (the **Law**) as amended, all payments of principal, premium or interest made to resident holders of Notes, (included accrued but unpaid interest) in respect of the Notes in the context of the holding, disposal, redemption or repurchase of the Notes, which are not profit sharing, can be free and clear of any withholding or deduction for or on account of any taxes of whatsoever nature imposed, levied, withheld, or assessed by Luxembourg or any political subdivision or taxing authority thereof or therein, in accordance with the applicable Luxembourg law.

Under the Law, payments of interest made or ascribed by a paying agent established in Luxembourg to or for the immediate benefit of an individual beneficial owner who is a resident of Luxembourg will be subject to a withholding tax of 20 per cent.

Such withholding tax will be in full discharge of income tax if the beneficial owner is an individual acting in the course of the management of his/her private wealth.

Responsibility for the withholding of the tax will be assumed by the Luxembourg paying agent. Accordingly payments of interest under the Notes coming within the scope of the Law will be subject to a withholding tax at a rate of 20 per cent.

### **Foreign Account Tax Compliance Act (FATCA)**

Pursuant to certain provisions of the U.S. Internal Revenue Code of 1986, commonly known as FATCA, a **foreign financial institution** (as defined by FATCA) may be required to withhold on certain payments it makes (**foreign passthru payments**) to persons that fail to meet certain certification, reporting or related requirements. The Issuer may be a foreign financial institution for these purposes. A number of jurisdictions (including France) have entered into, or have agreed in substance to, intergovernmental agreements with the United States to implement FATCA (**IGAs**), which modify the way in which FATCA applies in their jurisdictions. Under the provisions of IGAs as currently in effect, a foreign financial institution in an IGA jurisdiction would generally not be required to withhold under FATCA or an IGA from payments that it makes. Certain aspects of the application of the FATCA provisions and IGAs to instruments such as Notes, including whether withholding would ever be required pursuant to FATCA or an IGA with respect to payments on instruments such as Notes, are uncertain and may be subject to change. Even if withholding would be required pursuant to FATCA or an IGA with respect to payments

on instruments such as Notes, such withholding would not apply prior to 1 January 2019 and Notes characterised as debt (or which are not otherwise characterised as equity and have a fixed term) for U.S. federal tax purposes that are issued on or prior to the date that is six months after the date on which final regulations defining foreign passthru payments are filed with the U.S. Federal Register generally would be grandfathered for purposes of FATCA withholding unless materially modified after such date. However, if additional Notes (as described under “Terms and Conditions of the Notes—Further Issues”) that are not distinguishable from previously issued Notes are issued after the expiration of the grandfathering period and are subject to withholding under FATCA, then withholding agents may treat all Notes, including the Notes offered prior to the expiration of the grandfathering period, as subject to withholding under FATCA. Holders should consult their own tax advisers regarding how these rules may apply to their investment in Notes. In the event any withholding would be required pursuant to FATCA or an IGA with respect to payments on the Notes, no person will be required to pay additional amounts as a result of the withholding.

## SUBSCRIPTION AND SALE AND TRANSFER AND SELLING RESTRICTIONS

The Dealers have in an amended and restated programme agreement (the **Programme Agreement**) dated April 12, 2017 agreed with the Issuer a basis upon which they or any of them may from time to time agree to purchase Notes. The Issuer may also agree directly with any third party Purchaser (other than a Dealer) to issue to such Purchaser under the Programme. Any such agreement will extend to those matters stated under “*Form of the Notes*” and “*Terms and Conditions of the Notes*”. In the Programme Agreement, the Issuer has agreed to reimburse the Dealers for certain of their expenses in connection with update of the Programme and the issue of Notes under the Programme and to indemnify the Dealers against certain liabilities incurred by them in connection therewith.

### Transfer Restrictions

As a result of the following restrictions, purchasers of Notes in the United States are advised to consult legal counsel prior to making any purchase, offer, sale, resale or other transfer of such Notes.

Each purchaser of Registered Notes or person wishing to transfer an interest from one Registered Global Note to another or from global to definitive form or *vice versa*, will be deemed or required, as the case may be, to acknowledge, represent and agree as follows (terms used in this paragraph that are defined in Rule 144A or in Regulation S are used herein as defined therein):

1. that either: (a) it is a QIB, purchasing (or holding) the Notes for its own account or for the account of one or more QIBs and it is aware that any sale to it is being made in reliance on Rule 144A or (b) it is located outside the United States and is not a U.S. person;
2. that the Notes are being offered and sold in a transaction not involving a public offering in the United States within the meaning of the Securities Act, and that the Notes have not been and will not be registered under the Securities Act or any other applicable U.S. state securities laws and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except as set forth below;

## Significant or material adverse change

Except as disclosed in item A.9.7.2 “*Trend information*” of the cross-reference list in the section “*Documents Incorporated by Reference*” on page 30 of this Base Prospectus, there has been no material adverse change in the prospects of the Issuer since December 31, 2016.

Except as disclosed in item A.9.11.6 “*Significant change in the issuer’s financial or trading position*” of the cross-reference list in the section “*Documents Incorporated by Reference*” on page 33 of this Base Prospectus, there has been no significant change in the financial or trading position of the AXA Group since December 31, 2016.

## Litigation

Except as disclosed in item A.9.11.5 “*Legal and arbitration proceedings*” of the cross-reference list in the section “*Documents Incorporated by Reference*” on page 33 of this Base Prospectus, neither the Issuer nor any of its consolidated subsidiaries, is or has been involved in any governmental, legal or arbitration proceedings (including any such proceedings which are pending or threatened of which the Issuer is aware) in the 12 months preceding the date of this Base Prospectus which may have, or in such period have had, a significant effect on the financial position or profitability of the Issuer and/or the AXA Group.

## Information sourced from third parties

Where information in this Base Prospectus has been sourced from third parties, this information has been accurately reproduced and as far as the Issuer is aware and is able to ascertain from the information published by such third parties no facts have been omitted which would render the reproduced information inaccurate or misleading. The source of third party information is identified where used.

## **Statutory Auditors**

The statutory auditors of the Issuer are PricewaterhouseCoopers Audit (63, rue de Villiers, 92208 Neuilly-sur-Seine, France) and Mazars (61, rue Henri Régnault, 92400 Courbevoie, France), (members of the *Compagnie régionale des commissaires aux comptes de Versailles* and under the authority of the *Haut conseil du commissariat aux comptes*) who have audited the Issuer's consolidated financial statements for each of the two years ended December 31, 2016 and 2015 in accordance with generally accepted auditing standards in France, and rendered unqualified audit reports thereon.

## **Conflicts of Interest**

The Chairman of the Board of Directors and the Chief Executive Officer do not currently carry out any professional activity or hold any directorship outside the AXA Group that the Board believes substantially interferes with or impedes in any material way their availability to focus on the Group and its business. Certain members of the Board of Directors, however, are corporate officers and/or executives of companies that may have agreements or enter into transactions from time to time with the AXA Group including providing services, goods or credit facilities, purchases of securities (for their own account or for third parties), underwriting of securities. These agreements or deals are systematically negotiated and performed at arm's length terms and conditions. Consequently, the Issuer does not believe that any of these agreements or transactions give rise to any conflicts of interests between (i) the director's duties towards the Issuer and (ii) their private interests and/other duties of these individuals.

To the best of the Issuer's knowledge, there are no agreements or arrangements that have been entered into with major shareholders, customers, suppliers or others pursuant to which a member of the Board of Directors (*Conseil d'administration*) was selected.

## **Dealers transacting with the Issuer**

Certain of the Dealers and their affiliates have engaged, and may in the future engage, in investment banking and/or commercial banking transactions with, and may perform services for, the Issuer and their affiliates in the ordinary course of business. In addition, in the ordinary course of their business activities, the Dealers and their affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers. Such investments and securities activities may involve securities and/or instruments of the Issuer or Issuer's affiliates. Certain of the Dealers or their affiliates that have a lending relationship with the Issuer routinely hedge their credit exposure to the Issuer consistent with their customary risk management policies. Typically, such Dealers and their affiliates would hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in securities, including potentially the Notes issued under the Programme. Any such short positions could adversely affect future trading prices of Notes issued under the Programme. The Dealers and their affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments.
