

MIFID II PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS AND ECPS ONLY TARGET MARKET – Solely for the purposes of each manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU of the European Parliament and of the Council of 15 May 2014 on markets in financial instruments and amending Directive 2002/92/EC and Directive 2011/61/EU (recast), as amended ("MiFID II"); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a "distributor") should take into consideration the manufacturers' target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.

PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("EEA"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; (ii) a customer within the meaning of Directive 2002/92/EC of the European Parliament and of the Council of 9 December 2002 on insurance mediation, as amended (Insurance Mediation Directive), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Directive 2003/71/EC of the European Parliament and the Council of 4 November 2003, as amended (Prospectus Directive). Consequently, no key information document required by Regulation (EU) No 1286/2014 of the European Parliament and of the Council of 26 November 2014 on key information documents for packaged retail and insurance-based investment products, as amended ("PRIIPs") for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under PRIIPs.

These Final Terms have been prepared for the purpose of Article 5(4) of the Directive 2003/71/EC of the European Parliament and of the Council of 4 November 2003, as amended by Directive 2014/51/EU of the European Parliament and of the Council of 16 April 2014 and must be read in conjunction with the relevant prospectus pertaining to the EUR 2,000,000,000 Additional Tier 1 Notes Programme (the "**Programme**") of Erste Group Bank AG (the "**Issuer**"), dated 9 April 2018 (the "**Prospectus**") and all supplements to the Prospectus. The Prospectus and any supplements thereto are available for viewing in electronic form on the website of the Issuer ("www.erstegroup.com/de/ueber-uns/erste-group-emissionen/prospekte/anleihen"). Full information on the Issuer and the Notes is only available on the basis of the combination of the Prospectus, any supplements hereto and these Final Terms.

Warning: The Prospectus dated 9 April 2018 is expected to be valid until 8 April 2019. Thereafter the Issuer intends to publish an updated and approved prospectus on the website of the Issuer ("www.erstegroup.com/de/ueber-uns/erste-group-emissionen/prospekte/anleihen") and from that point in time, the Final Terms must be read in conjunction with the new prospectus.

Restrictions on Marketing and Sales to Retail Investors

The Notes issued pursuant to the Prospectus are complex financial instruments and are not a suitable or appropriate investment for all investors. In some jurisdictions, regulatory authorities have adopted or published laws, regulations or guidance with respect to the offer or sale of securities such as the Notes to retail investors.

In particular, in June 2015, the U.K. Financial Conduct Authority (the "**FCA**") published the Product Intervention (Contingent Convertible Instruments and Mutual Society Shares) Instrument 2015, which took effect from 1 October 2015 (the "**PI Instrument**"). In addition, (i) on 1 January 2018, the provisions of Regulation (EU) No 1286/2014 of the European Parliament and of the Council of 26 November 2014 on key information documents for packaged and retail and insurance-based investment products, as amended ("**PRIIPs**") became directly applicable in all member states of the European Economic Area ("**EEA**") and (ii) Directive 2014/65/EU of the European Parliament and of the Council of 15 May 2014 on markets in financial instruments and amending Directive 2002/92/EC and Directive 2011/61/EU (recast), as amended ("**MiFID II**") was required to be implemented in EEA member states by 3 January 2018. Together the PI Instrument, PRIIPs and MiFID II are referred to as the "**Regulations**".

The Regulations set out various obligations in relation to (i) the manufacture and distribution of financial instruments and the (ii) offering, sale and distribution of packaged retail and insurance-based investment products and certain contingent write-down or convertible securities such as the Notes.

The Managers are required to comply with some or all of the Regulations. By purchasing, or making or accepting an offer to purchase any Notes (or a beneficial interest in the Notes) from the Issuer and/or the Managers each prospective investor represents, warrants, agrees with and undertakes to the Issuer and each of the Managers that:

1. it is not a retail client (as defined in MiFID II);
2. whether or not it is subject to the Regulations it will not:
 - (A) sell or offer the Notes (or any beneficial interest therein) to retail clients (as defined in MiFID II); or

- (B) communicate (including the distribution of the Prospectus) or approve an invitation or inducement to participate in, acquire or underwrite the Notes (or any beneficial interests therein) where that invitation or inducement is addressed to or disseminated in such a way that it is likely to be received by a retail client (in each case within the meaning of the MiFID II). In selling or offering the Notes or making or approving communications relating to the Notes it may not rely on the limited exemptions set out in the PI Instrument; and
3. it will at all times comply with all applicable laws, regulations and regulatory guidance (whether inside or outside the EEA) relating to the promotion, offering, distribution and/or sale of the Notes (or any beneficial interests therein), including (without limitation) MiFID II and any other such laws, regulations and regulatory guidance relating to determining the appropriateness and/or suitability of an investment in the Notes (or any beneficial interests therein) by investors in any relevant jurisdiction.

Each prospective investor further acknowledges that:

- (i) the target market as identified by the Issuer for the Notes (for the purposes of the product governance obligations in MiFID II) is eligible counterparties and professional clients only; and
- (ii) no key information document (*KID*) under PRIIPs has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under PRIIPs.

Where acting as agent on behalf of a disclosed or undisclosed client when purchasing, or making or accepting an offer to purchase, any Notes (or any beneficial interests therein) from the Issuer and/or the Managers the foregoing representations, warranties, agreements and undertakings will be given by and be binding upon both the agent and its underlying client.

PART A. – TERMS AND CONDITIONS

The Conditions applicable to the Notes are set out below.

OPTION I – TERMS AND CONDITIONS FOR NOTES WITH A FIXED TO FIXED DISTRIBUTION RATE

§ 1

CURRENCY, DENOMINATION, FORM, CERTAIN DEFINITIONS

- (1) *Currency, Denomination.* This issue of subordinated notes (the "**Notes**") is being issued by Erste Group Bank AG (the "**Issuer**") in Euro (the "**Specified Currency**") in the aggregate principal amount of EUR 500,000,000 (in words: Euro five hundred million) in the denomination of EUR 200,000 (the "**Original Principal Amount**").
- (2) *Form.* The Notes are being issued in bearer form.
- (3) *Temporary Global Note – Exchange for Permanent Global Note.*
 - (a) The Notes are initially represented by a temporary global note (the "**Temporary Global Note**") without coupons. The Temporary Global Note will be exchangeable for Notes in the Original Principal Amount represented by a permanent global note (the "**Permanent Global Note**" and, together with the Temporary Global Note, the "**Global Notes**") without coupons; any claim for distribution payments under the Notes is represented by the relevant Global Note. The Global Notes shall each be signed by authorised representatives of the Issuer and shall each be authenticated by or on behalf of the Fiscal Agent. Definitive Notes and coupons will not be issued.
 - (b) The Temporary Global Note shall be exchangeable for the Permanent Global Note in the form and subject to the conditions provided in § 1 (3)(a) above from a date (the "**Exchange Date**") not earlier than 40 calendar days after the date of issuance of the Temporary Global Note. Such exchange shall only be made to the extent that certifications have been delivered to the effect that the beneficial owner or owners of the Notes represented by the Temporary Global Note is (are) not (a) U.S. person(s) (other than certain financial institutions or certain persons holding Notes through such financial institutions). Payment of distributions on Notes represented by a Temporary Global Note will be made only after delivery of such certifications. A separate certification shall be required in respect of each such payment of distributions. Any such certification received on or after the 40th calendar day after the date of issuance of the Temporary Global Note will be treated as a request to exchange such Temporary Global Note pursuant to § 1 (3)(b). Any securities delivered in exchange for the Temporary Global Note shall be delivered only outside of the United States (as defined in § 6 (5)).
- (4) *Clearing System.* The Global Note(s) will be kept in custody by or on behalf of a Clearing System until all obligations of the Issuer under the Notes have been satisfied. "**Clearing System**" means each of Clearstream Banking, S.A., Luxembourg, 42 Avenue J.F. Kennedy, LU-1855 Luxembourg, Grand Duchy of Luxembourg ("**CBL**") and Euroclear Bank SA/NV, 1 Boulevard du Roi Albert II, B-1210 Brussels, Belgium ("**Euroclear**" and, together with CBL, the "**ICSDs**") and any successor in such capacity. The Notes shall be kept in custody by a common depository on behalf of both ICSDs.

- (5) *Holder of Notes*. "**Holder**" means any holder of a proportionate co-ownership or other comparable right in the Global Note which may be transferred to a new Holder in accordance with the provisions of the Clearing System.
- (6) *Business Day*. "**Business Day**" means a calendar day (other than a Saturday or a Sunday) on which the Trans-European Automated Real-time Gross Settlement Express Transfer System 2 or its successor ("**TARGET**") is open.

§ 2 STATUS

- (1) *Ranking*. The Notes constitute direct, unsecured and subordinated obligations of the Issuer and constitute AT 1 Instruments (as defined below).

In the insolvency or liquidation of the Issuer, the obligations of the Issuer under the Notes will rank:

- (i) junior to all present or future: (a) unsubordinated instruments or obligations of the Issuer; and (b) (x) obligations under any Tier 2 Instruments (as defined below); and (y) all other instruments or obligations of the Issuer ranking or expressed to rank subordinated to the unsubordinated obligations of the Issuer (other than instruments or obligations ranking or expressed to rank *pari passu* with or subordinated to the Notes);
- (ii) *pari passu*: (a) among themselves; and (b) with all other present or future instruments or obligations ranking or expressed to rank *pari passu* with the Notes; and
- (iii) senior to all present or future: (a) ordinary shares of the Issuer and any other CET 1 Instruments (as defined below); and (b) all other subordinated instruments or obligations of the Issuer ranking or expressed to rank: (x) subordinated to the obligations of the Issuer under the Notes; or (y) *pari passu* with the ordinary shares of the Issuer and any other CET 1 Instruments.

For the avoidance of doubt, Holders will not participate in any reserves of the Issuer in the event of its liquidation.

The rights of the Holders of the Notes to payment of principal on the Notes are at any time limited to a claim for the prevailing Current Principal Amount (as defined in § 5 (8)(c)).

- (2) *No Negative Equity and Waiver of Petition*. The Holders will be entitled to payments, if any, under the Notes only once any negative equity (*negatives Eigenkapital* within the meaning of § 225(1) of the Austrian Enterprise Code (*Unternehmensgesetzbuch – UGB*)) has been removed (*beseitigt*) or if, in the event of the liquidation of the Issuer, all other creditors (other than creditors the claims of which rank or are expressed to rank *pari passu* or junior to the Notes) of the Issuer have been satisfied first.

No insolvency proceedings against the Issuer are required to be opened in relation to the obligations of the Issuer under the Notes. The Notes do not contribute to a determination that the liabilities of the Issuer exceeds its assets; therefore the obligations of the Issuer under the Notes, if any, will not contribute to the determination of over-indebtedness (*Überschuldung*) in accordance with § 67(3) of the Austrian Insolvency Code (*Insolvenzordnung – IO*).

- (3) *No Set-off, Netting or Security*. Claims of the Issuer are not permitted to be set-off or netted against repayment obligations of the Issuer under these Notes. No contractual collateral may

be provided by the Issuer or any third person for the liabilities constituted by the Notes. The Notes are neither secured nor subject to a guarantee that enhances the seniority of the claims under the Notes. The Notes are not subject to any arrangement, contractual or otherwise, that enhances the seniority of the claims under the Notes in insolvency or liquidation.

- (4) *Definitions.* In these Terms and Conditions:

"AT 1 Instruments" means any (directly or indirectly issued) capital instruments of the Issuer that qualify as Additional Tier 1 instruments pursuant to Article 52 CRR, including any capital instruments that qualify as Additional Tier 1 instruments pursuant to transitional provisions under the CRR.

"CET 1 Instruments" means any capital instruments of the Issuer that qualify as Common Equity Tier 1 instruments pursuant to Article 28 CRR.

"CRR" means the Regulation (EU) No 575/2013 of the European Parliament and of the Council of 26 June 2013 on prudential requirements for credit institutions and investment firms and amending Regulation (EU) No 648/2012 (Capital Requirements Regulation), as amended or replaced from time to time, and any references in these Terms and Conditions to any relevant Articles of the CRR include references to any applicable provisions of law amending or replacing such Articles from time to time.

"Tier 2 Instruments" means any (directly or indirectly issued) capital instruments of the Issuer that qualify as Tier 2 instruments pursuant to Article 63 CRR, including any capital instruments that qualify as Tier 2 instruments pursuant to transitional provisions under the CRR.

- (5) *Note on the possibility of statutory resolution measures.* Prior to any insolvency or liquidation of the Issuer, under bank resolution laws applicable to the Issuer from time to time, the competent resolution authority may write down (including to zero) the obligations of the Issuer under the Notes, convert them into shares or other instruments of ownership of the Issuer or apply any other resolution measure, including (but not limited to) any transfer of the obligations to another entity, an amendment of the Terms and Conditions or a cancellation of the Notes.

§ 3

DISTRIBUTIONS

- (1) *Distribution Rates and Distribution Payment Dates.* The Notes shall bear distributions on the Current Principal Amount (as defined below) at the rate of 5.125 per cent. per annum (the **"First Rate of Distributions"**) from and including 12 March 2019 (the **"Distribution Commencement Date"**) to but excluding 15 October 2025 (the **"First Reset Date"**) and thereafter at the relevant Reset Rate (as determined according to § 3 (4)) from and including each Reset Date to but excluding the next following Reset Date. With the exception of the first payment of distributions, distributions shall be scheduled to be paid semi-annually in arrear on 15 April and 15 October in each year (each such date, a **"Distribution Payment Date"**), commencing on 15 October 2019 (long first coupon).

Distributions will fall due subject to the provisions set out in § 4 (4) and § 5 (8).

- (2) *Calculation of Amount of Distributions.* If the amount of distributions scheduled to be paid under the Notes is required to be calculated for any period of time such amount of distributions for any Distribution Period shall be calculated by the Calculation Agent by

applying the First Rate of Distributions to the Current Principal Amount and if the amount of distributions payable under the Notes is required to be calculated for any Distribution Period falling in any Reset Period, such amount of distributions shall be calculated by the Calculation Agent by applying the applicable Reset Rate to the Current Principal Amount, in each case multiplying such amount by the applicable Day Count Fraction (as defined below), and rounding the resultant figure to the nearest sub-unit of the Specified Currency, half of such sub-unit being rounded upwards or otherwise in accordance with the applicable market convention.

If a Write-down (as defined in § 5 (8)) occurs during any Distribution Period, unpaid distributions accrued on the Current Principal Amount to but excluding the Effective Date (as defined in § 5 (8)) are cancelled in accordance with § 3 (6)(c), the Notes shall bear distributions on the adjusted Current Principal Amount from and including the Effective Date.

If, pursuant to § 5 (9), the Current Principal Amount of the Notes is subject to a Write-up, during a Distribution Period, the amount of distributions shall be calculated by the Calculation Agent on the basis of the adjusted Current Principal Amount from time to time so that the relevant amount of distributions is determined by reference to such Current Principal Amount as adjusted from time to time and as if such Distribution Period were comprised of two or (as applicable) more consecutive distribution periods, with distribution calculations based on the number of days for which each Current Principal Amount was applicable.

"Distribution Period" means the period from and including the Distribution Commencement Date to but excluding the first Distribution Payment Date and each successive period from and including a Distribution Payment Date to but excluding the next succeeding Distribution Payment Date.

- (3) *Day Count Fraction*. **"Day Count Fraction"** means, in respect of the calculation of an amount of distributions on any Note for any period of time (the **"Calculation Period"**):
- (i) if the Calculation Period is equal to or shorter than the Determination Period during which the Calculation Period ends, the number of calendar days in such Calculation Period divided by the product of: (x) the number of calendar days in such Determination Period; and (y) the number of Determination Dates (as specified below) that would occur in one calendar year; or
 - (ii) if the Calculation Period is longer than the Determination Period during which the Calculation Period ends, the sum of:
 - (A) the number of calendar days in such Calculation Period falling in the Determination Period in which the Calculation Period begins divided by the product of: (x) the number of calendar days in such Determination Period; and (y) the number of Determination Dates that would occur in one calendar year; and
 - (B) the number of calendar days in such Calculation Period falling in the next Determination Period divided by the product of: (x) the number of calendar days in such Determination Period; and (y) the number of Determination Dates that would occur in one calendar year.

Where:

"Determination Period" means the period from and including a Determination Date to but excluding the next Determination Date (including, where the Distribution Commencement

Date is not a Determination Date, the period commencing on the first Determination Date prior to the Distribution Commencement Date, and where the final Distribution Payment Date is not a Determination Date, the first Determination Date falling after the final Distribution Payment Date, as the case may be).

"Determination Date" means 15 April and 15 October in each year. The number of Determination Dates per calendar year is two (2).

(4) *Determination of the Reset Rate.*

(a) *Reset Rate.* The rate of distributions for each Reset Period (each a **"Reset Rate"**) shall be the sum of: (x) the Reference Rate (as defined below); and (y) the Margin (as defined below) such sum converted from an annual basis to a semi-annual basis in accordance with market convention.

"Reference Rate" in respect of each Reset Period means the annual swap rate (expressed as a percentage) for swap transactions in the Specified Currency with a term of five years, which appears on the Screen Page (as defined below) as of 11.00 a.m. (Frankfurt time) on the relevant Reset Determination Date (as defined below), all as determined by the Calculation Agent (as specified in § 6 (1)).

If the Screen Page is unavailable or if the Reference Rate does not appear on the Screen Page as at such time on the relevant Reset Determination Date, the Calculation Agent shall request the principal office of each Reference Bank (as defined below) to provide the Calculation Agent with its mid-market swap rate quotation (expressed as a percentage rate) at approximately 11.00 a.m. (Frankfurt time) on the relevant Reset Determination Date.

"Mid-market swap rate" means the arithmetic mean of the bid and offered rates for the annual fixed leg, calculated on a 30/360 day count basis, of a fixed-for-floating interest rate swap transaction in the Specified Currency with a term of five years and in an amount that is representative of a single transaction in the relevant market at the relevant time with an acknowledged dealer of good credit in the swap market, where the floating leg, in each case calculated on an Actual/360 day count basis, is based on 6-month EURIBOR (or such other reference rate as is used in accordance with the customary market practice at such time).

If three or more of the Reference Banks provide the Calculation Agent with such rates, the Reference Rate for the relevant Reset Period shall be deemed to be the arithmetic mean (rounded if necessary to the nearest one hundred-thousandth of a percentage point, with 0.000005 being rounded upwards) of such rates eliminating the highest rate (or, in the event of equality, one of the highest) and the lowest rate (or, in the event of equality, one of the lowest), all as determined by the Calculation Agent.

If the Reference Rate cannot be determined in accordance with the foregoing provisions of this definition of the term "Reference Rate", the Reference Rate for the relevant Reset Period shall be deemed to be the rate determined by the Calculation Agent in its reasonable discretion (§ 315 of the German Civil Code); the Calculation Agent shall take general market practice into account when determining such rate.

"Margin" means 4.851 per cent. per annum.

Where:

"**German Civil Code**" means the German Civil Code (*Bürgerliches Gesetzbuch – BGB*), as amended or replaced from time to time, and any references in these Terms and Conditions to any relevant paragraphs of the German Civil Code include references to any applicable provisions of law amending or replacing such provisions from time to time.

"**Reference Banks**" means five leading swap dealers in the interbank market.

"**Reset Date**" means the First Reset Date and each fifth anniversary thereof for as long as the Notes remain outstanding.

"**Reset Period**" means the period from and including a Reset Date to but excluding the next following Reset Date.

"**Reset Determination Date**" means the second Business Day (as defined in § 1 (6)) prior to any Reset Date.

"**Screen Page**" means Reuters Screen Page ICESWAP2 under the heading "EURIBOR BASIS - EUR" and above the caption "11:00AM FRANKFURT" or the successor page displayed by the same information provider or any other information provider nominated by the Calculation Agent as the replacement information provider for the purposes of displaying the Reference Rate.

- (b) *Notification of Reset Rate.* The Calculation Agent will cause the Reset Rate to be notified to the Issuer, any stock exchange on which the Notes are from time to time listed (if required by the rules of such stock exchange) and to the Holders in accordance with § 10 as soon as possible after its determination.
- (c) *Benchmark Replacement.* Notwithstanding the provisions above in this § 3, if the Calculation Agent (in consultation with the Issuer) determines that the Reference Rate has ceased to be published on the Screen Page as a result of the Reference Rate and/or the 6-month EURIBOR (the "**Mid-Swap Floating Leg Benchmark Rate**") ceasing to be calculated or administered, then the following provisions shall apply:
 - (i) the Issuer shall use reasonable endeavours to appoint an Independent Adviser (as defined below) to determine in the Independent Adviser's reasonable discretion an alternative rate (the "**Alternative Benchmark Rate**") and an alternative screen page or source (the "**Alternative Screen Page**") no later than three Business Days prior to the Reset Determination Date relating to the next succeeding Reset Period (the "**IA Determination Cut-off Date**") for purposes of determining the Reference Rate for all future Reset Periods (subject to the subsequent operation of this § 3(4)(c));
 - (ii) the Alternative Benchmark Rate shall be such rate as the Independent Adviser determines in its reasonable discretion has replaced the Reference Rate in customary market usage for purposes of determining a five years mid-swap rate denominated in the Specified Currency or, if the Independent Adviser determines in its reasonable discretion that there is no such rate, such other rate as the Independent Adviser determines in its reasonable discretion is most comparable to the Reference Rate, and the Alternative Screen Page shall be such page of an information service as displays the Alternative Benchmark Rate;

- (iii) if the Issuer is unable to appoint an Independent Adviser, or the Independent Adviser appointed by it fails to determine an Alternative Benchmark Rate and Alternative Screen Page prior to the IA Determination Cut-off Date in accordance with § 3(4)(c)(ii) above, then the Issuer (in consultation with the Calculation Agent and acting in good faith and a commercially reasonable manner) may determine which (if any) rate has replaced the Reference Rate in customary market usage for purposes of determining a five years mid-swap rate denominated in the Specified Currency, or, if it determines that there is no such rate, which (if any) rate is most comparable to the Reference Rate, and the Alternative Benchmark Rate shall be the rate so determined by the Issuer and the Alternative Screen Page shall be such page of an information service as displays the Alternative Benchmark Rate; provided, however, that if this § 3(4)(c)(iii) applies and the Issuer is unable to determine an Alternative Benchmark Rate and Alternative Screen Page prior to the Reset Determination Date relating to the next succeeding Reset Period in accordance with this § 3(4)(c)(iii), the Reference Rate applicable to such Reset Period shall be equal to the Reset Rate last determined in relation to the Notes in respect of a preceding Reset Period (which may be the First Rate of Distributions minus the Margin);
- (iv) if an Alternative Benchmark Rate and Alternative Screen Page is determined in accordance with the preceding provisions, such Alternative Benchmark Rate and Alternative Screen Page shall be the benchmark and the Screen Page in relation to the Notes for all future Reset Periods (subject to the subsequent operation of this § 3(4)(c));
- (v) if the Independent Adviser or the Issuer determines an Alternative Benchmark Rate in accordance with the above provisions, the Independent Adviser or the Issuer (as the case may be), may also, following consultation with the Calculation Agent, determine in its reasonable discretion any necessary changes to the Reference Rate, the Mid-Swap Floating Leg Benchmark Rate, the Day Count Fraction, the Business Day Convention, the Business Days and/or the Reset Determination Date applicable to the Notes (including any necessary adjustment factor that is necessary to make the Reference Rate comparable to a five years mid-swap rate based on the 6-month EURIBOR), and the method for determining the fallback rate in relation to the Notes, in order to follow market practice in relation to the Alternative Benchmark Rate, which changes shall be deemed to apply to the Notes for all future Reset Periods (subject to the subsequent operation of this § 3(4)(c)); and
- (vi) the Issuer shall, promptly following the determination of any Alternative Benchmark Rate and Alternative Screen Page, give notice thereof and of any changes which are deemed to apply to the Notes pursuant to § 3(4)(c)(v) above in accordance with § 10 to the Holders.

For the purposes of this § 3(4)(c), "**Independent Adviser**" means an independent financial institution of international repute or other independent financial adviser in the Euro-Zone experienced in the international capital markets, in each case appointed by the Issuer at its own expense.

- (d) *Determinations Binding.* All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this § 3 by the Calculation Agent or, as the case may be, any Independent Adviser or the Issuer, shall (in the absence of wilful default, bad faith, inequitableness or manifest error) be binding on the Issuer, the Fiscal Agent, the Paying Agents and the Holders and, in the absence of the aforesaid, no liability to the Issuer, the Fiscal Agent, the Paying Agents or the Holders shall attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.
- (5) *Default Distributions.* The Notes shall cease to bear distributions from the expiry of the calendar day preceding the due date for redemption (if the Notes are redeemed). If the Issuer fails to redeem the Notes when due, distributions shall continue to accrue on the Current Principal Amount of the Notes from and including the due date for redemption to but excluding the date of actual redemption of the Notes at the default rate of distributions established by law. This does not affect any additional rights that might be available to the Holders.
- (6) *Cancellation of Distributions.*
- (a) The Issuer, at its full discretion, may, at all times cancel, in whole or in part, any payment of distributions on the Notes scheduled to be paid on any Distribution Payment Date for an unlimited period and on a non-cumulative basis. The Issuer may use such cancelled payments without restrictions to meet its obligations as they fall due. If the Issuer makes use of such right, it shall give notice to the Holders without undue delay and in any event no later than on the Distribution Payment Date.
- (b) Without prejudice to such full discretion of the Issuer, any payment of distributions scheduled to be paid on the Notes on any Distribution Payment Date and any Additional Amounts thereon shall be cancelled mandatorily and automatically, in whole or in part, if and to the extent that:
- (i) the amount of such distribution payment scheduled to be paid on the Notes and any Additional Amounts thereon together with any further Relevant Distributions would exceed the available Distributable Items, provided that, for such purpose, the available Distributable Items shall be increased by an amount equal to what has been accounted for as expenses for payments of interest, dividends or distributions on Tier 1 Instruments (including payments of distributions on the Notes and any Additional Amounts thereon) in the calculation of the profit (*Gewinn*) on which the available Distributable Items are based; or
- (ii) the Competent Authority orders the relevant distribution payment scheduled to be paid on the Notes to be cancelled in whole or in part; or
- (iii) another prohibition of such distribution on the Notes, or of such distribution on the Notes when aggregated with any other Relevant Distributions, is imposed by law or any authority.
- Prohibitions of distributions imposed by law or any authority pursuant to clause (iii) include, but are not limited to,
- (A) any restrictions of distributions as a result of non-compliance with the combined buffer requirement (howsoever defined) applicable at the time;

- (B) any prohibition of distributions in connection with the calculation of the Maximum Distributable Amount;
- (C) the limit resulting from the Maximum Distributable Amount; and
- (D) any other restriction operating as maximum distributable amount in accordance with any legal or regulatory requirements applicable to the Issuer at the time.

If any payment of distributions on the Notes scheduled to be paid on any Distribution Payment Date is so mandatorily and automatically cancelled, the Issuer shall give notice to the Holders thereof without undue delay. Any failure to give such notice shall not affect the validity of the cancellation and shall not constitute a default for any purpose.

- (c) If a Write-down (as defined in § 5 (8)) occurs during any Distribution Period, unpaid distributions accrued on the Current Principal Amount to but excluding the Effective Date (as defined in § 5 (8)) will be cancelled mandatorily and automatically in full.
- (d) Any distribution payment so cancelled will be non-cumulative and will be cancelled definitively and no payments will be made nor will any Holder be entitled to receive any payment or indemnity in respect thereof. Any such cancellation of distributions will not constitute an event of default of the Issuer and will not impose any restrictions on the Issuer.
- (e) *Definitions. In these Terms and Conditions:*

"Austrian Banking Act" means the Austrian Banking Act (*Bankwesengesetz – BWG*), as amended or replaced from time to time, and any references in these Terms and Conditions to any relevant paragraphs of the Austrian Banking Act include references to any applicable provisions of law amending or replacing such provisions from time to time.

"Competent Authority" means the competent authority pursuant to Article 4(1)(40) CRR and/or Article 9(1) SSM Regulation, in each case, which is responsible to supervise the Issuer and/or the Erste Group.

"CRD" means the Directive 2013/36/EU of the European Parliament and of the Council of 26 June 2013 on access to the activity of credit institutions and the prudential supervision of credit institutions and investment firms (*Capital Requirements Directive*), as implemented in Austria and as amended or replaced from time to time, and any references in these Terms and Conditions to any relevant Articles of the CRD include references to any applicable provisions of law amending or replacing such Articles from time to time.

"Distributable Items" means in respect of any payment of distributions on the Notes the distributable items as defined in Article 4(1)(128) CRR, as amended from time to time, in respect of each financial year of the Issuer, as at the end of the latest financial year of the Issuer ended prior to the relevant Distribution Payment Date for which such Relevant Financial Statements are available, all as determined in accordance with the accounting principles applied by the Issuer and as derived from the most recent Relevant Financial Statements.

- (2) *No Redemption at the Option of a Holder.* The Holders do not have a right to demand the redemption of the Notes.
- (3) *Redemption at the Option of the Issuer.* The Issuer may, upon giving notice in accordance with § 5 (7), redeem the Notes in whole, but not in part, at the Redemption Amount on any Call Redemption Date. "Call Redemption Date" means the First Reset Date and each Distribution Payment Date thereafter.

The Issuer may exercise its redemption right pursuant to § 5 (3) only if the Current Principal Amount of each Note is equal to its Original Principal Amount.

- (4) *Redemption for Reasons of Taxation.* If a Tax Event occurs, the Issuer may, upon giving notice in accordance with § 5 (7), redeem the Notes in whole, but not in part, at the Redemption Amount at any time on the date of redemption specified in the notice, provided that the conditions to redemption and repurchase laid down in § 5 (6) are met. In addition, the Issuer will pay distributions, if any, accrued on the Current Principal Amount to but excluding the date of redemption specified in the notice, subject to cancellation of distributions pursuant to § 3 (6).

A **"Tax Deductibility Event"** occurs if there is a change in the applicable tax treatment of the Notes as a result of which the Issuer, in computing its taxation liabilities in Austria, would not be entitled to claim a deduction in respect of distributions paid on the Notes, or such deductibility is materially reduced.

"Tax Event" means a change in, or amendment to, or clarification of, the applicable tax treatment of the Notes, including without limitation, a Tax Deductibility Event or a Gross-up Event, which change or amendment or clarification: (x) subject to (y), becomes effective on or after the date of issuance of the Notes; or (y) in the case of a change, if such change is enacted on or after the date of issuance of the Notes.

- (5) *Redemption for Regulatory Reasons.* If a Regulatory Event occurs, the Issuer may, upon giving notice in accordance with § 5 (7), redeem the Notes in whole, but not in part, at the Redemption Amount at any time on the date of redemption specified in the notice, provided that the conditions to redemption and repurchase laid down in § 5 (6) are met. In addition, the Issuer will pay distributions, if any, accrued on the Current Principal Amount to but excluding the date of redemption specified in the notice, subject to cancellation of distributions pursuant to § 3 (6).

A **"Regulatory Event"** occurs if there is a change in the regulatory classification of the Notes under the Applicable Supervisory Regulations that would be likely to result in their exclusion in full or in part from own funds (other than as a consequence of a Write-down) or reclassification as a lower quality form of own funds (in each case, on an individual basis of the Issuer and/or on a consolidated basis the Erste Group).

- (6) *Conditions to Redemption and Repurchase.* Any redemption pursuant to this § 5 and any repurchase pursuant to § 9 (2) is subject to:
- (i) the Issuer having obtained the prior permission of the Competent Authority for the redemption or any repurchase pursuant to § 9 (2) in accordance with Article 78 CRR, whereas such permission may, *inter alia*, require that:

- (x) either the Issuer replaces the Notes with own funds instruments of equal or higher quality at terms that are sustainable for the income capacity of the Issuer; or
 - (y) the Issuer has demonstrated to the satisfaction of the Competent Authority that the own funds of the Issuer would, following such redemption or repurchase, exceed the minimum requirements laid down in the CRD and the CRR by a margin that the Competent Authority considers necessary at such time; and
- (ii) in the case of any redemption or repurchase prior to the fifth anniversary of the date of issuance of the Notes:
- (x) due to a Tax Event, the Issuer has demonstrated to the satisfaction of the Competent Authority that the applicable change in tax treatment is material and was not reasonably foreseeable as at the date of issuance of the Notes; and
 - (y) due to a Regulatory Event, the Competent Authority considers such change to be sufficiently certain and the Issuer has demonstrated to the satisfaction of the Competent Authority that the relevant change in the regulatory classification of the Notes was not reasonably foreseeable as at the date of issuance of the Notes.

For the avoidance of doubt, any refusal of the Competent Authority to grant permission in accordance with the Applicable Supervisory Regulations shall not constitute a default for any purpose.

Notwithstanding the above conditions, if, at the time of any redemption or repurchase, the prevailing applicable laws or regulations permit the redemption or repurchase only after compliance with one or more alternative or additional pre-conditions to those set out above, the Issuer shall comply with such other and/or, as appropriate, additional pre-conditions, if any.

- (7) *Redemption Notice; Redemption Amount.* Any notice of redemption in accordance with § 5 (3), § 5 (4) or § 5 (5) shall be given by the Issuer to the Holders in accordance with § 10 observing a notice period of not less than 30 calendar days nor more than 60 calendar days. Such notice shall be irrevocable and shall specify:

- (i) the series number of the Notes;
- (ii) in the case of a notice of redemption in accordance with § 5 (3) the Call Redemption Date or in the case of a notice of redemption in accordance with § 5 (4) or § 5 (5) the date of redemption; and

- (8) *Write-down.*

- (a) If a Trigger *Event* (as defined below) has occurred:

- (i) the Issuer will immediately inform the Competent Authority that the Trigger Event has occurred;
- (ii) the Issuer will determine the Write-down Amount (as defined below) as soon as possible, but in any case within a maximum period of one month following the determination that a Trigger Event has occurred;
- (iii) the Issuer will without undue delay inform the Fiscal Agent and the Holders that a Trigger Event has occurred by publishing a notice (such notice a "**Write-down Notice**") which will specify the Write-down Amount as well as the new/reduced Current Principal Amount of each Note and the Effective Date (as defined below), provided that any failure to provide such Write-down Notice shall not prevent, or otherwise impact the exercise of a Write-down;
- (iv) the Issuer will (without the need for the consent of Holders) reduce the Current Principal Amount of each Note by the relevant Write-down Amount (such reduction being referred to as a "**Write-down**") without undue delay, but not later than within one month, with effect as from the Effective Date; and
- (v) unpaid distributions accrued on the Current Principal Amount to but excluding the Effective Date will be cancelled in accordance with § 3 (6)(c).

For the avoidance of doubt, a Trigger Event may be determined at any time and may occur on more than one occasion, each Note may be subject to a Write-down on more than one occasion and the Current Principal Amount of a Note may never be reduced to below EUR 0.01.

- (b) The Issuer shall not give a notice of redemption after a Write-down Notice has been given until the Write-down has been effected in respect of the relevant Trigger Event.

In addition, if a Trigger Event occurs after a notice of redemption but before the date on which such redemption becomes effective, the notice of redemption shall automatically be deemed revoked and shall be null and void and the relevant redemption shall not be made.

- (c) Definitions. *In these Terms and Conditions:*

"**Applicable Supervisory Regulations**" means, at any time, any requirements of Austrian law or contained in the regulations, requirements, guidelines or policies of the Competent Authority, the European Parliament and/or the European Council, then in effect in Austria and applicable to the Issuer and the Erste Group, including but not limited to the provisions of the Austrian Banking Act, the CRD, the CRR, the CDR and the SSM Regulation in each case as amended from time to time, or such other law, regulation or directive as may come into effect in place thereof.

"**CDR**" means the Commission Delegated Regulation (EU) No 241/2014 of 7 January 2014 supplementing Regulation (EU) No 575/2013 of the European Parliament and of the Council with regard to regulatory technical standards for Own Funds requirements for institutions (Capital Delegated Regulation), as amended or replaced from time to time, and any references in these Terms and Conditions to relevant Articles of the CDR include references to any applicable provisions of law amending or replacing such Articles from time to time.

"Current Principal Amount" means initially the Original Principal Amount, which from time to time, on one or more occasions, may be reduced by a Write-down and, subsequent to any such reduction, may be increased by a Write-up (as defined below), if any (up to the Original Principal Amount).

"Required Loss Absorption Amount" means the amount by which, upon the occurrence of a Trigger Event, a Write-down of the aggregate Current Principal Amount of the Notes shall be effected pro rata with the aggregate (current) principal amount of any other AT 1 Instruments the trigger events for a write-down or conversion (loss absorption) of which pursuant to their terms have occurred and whose minimum trigger levels have not been restored, **irrespective** of the opening of any insolvency proceedings. For such purpose, the total amount of the write-downs to be allocated pro rata shall be equal to the amount required to fully restore or maintain the Issuer CET 1 Capital Ratio and/or the Group CET 1 Capital Ratio to at least the Minimum Trigger Level, as applicable, but shall not exceed the sum of the principal amounts of AT 1 Instruments the trigger events for a write-down or conversion of which pursuant to their terms have occurred, the minimum trigger levels of which have not been restored and which are outstanding at the time of occurrence of the Trigger Event.

To the extent the write-down (or write-off) or conversion into Common Equity Tier 1 instruments of any other AT 1 Instrument whose trigger events for a write-down or conversion pursuant to their terms have occurred is not, or within one month from the determination that the relevant trigger event has occurred will not be, effective for any reason:

- (i) the ineffectiveness of any such write-down (or write-off) or conversion into Common Equity Tier 1 instruments shall not prejudice the requirement to effect a Write-down of the Notes (loss absorption); and
- (ii) the write-down (or write-off) or conversion into Common Equity Tier 1 instruments of any other AT 1 Instrument whose trigger events for a write-down or conversion pursuant to their terms have occurred which is not, or within one month from the determination that the relevant Trigger Event has occurred will not be, effective shall not be taken into account in determining such Write-down of the Notes.

Where:

A "**Trigger Event**" occurs if it has been determined that: (i) the Group CET 1 Capital Ratio; and/or (ii) the Issuer CET 1 Capital Ratio fall to an amount that is lower than the applicable Minimum Trigger Level.

"**Write-down Amount**" per Note means the amount by which the Current Principal Amount per Note is to be written-down on an Effective Date, being the higher of (i) the pro rata share of the Note in the Required Loss Absorption Amount; and (ii) if the amount in (i) is insufficient to fully restore or maintain the Issuer CET 1 Capital Ratio; and/or the Group CET 1 Capital Ratio to the Minimum Trigger Level, the amount necessary to reduce the Current Principal Amount to EUR 0.01.

- (d) Any reduction of the Current Principal Amount of a Note pursuant to this § 5 (8) shall not constitute a default by the Issuer for any purpose, and the Holders shall have no right to claim for amounts written-down, whether in the insolvency or liquidation of the Issuer or otherwise, save to the extent (if any) such amounts are subject to a Write-up in accordance with § 5 (9).
- (9) *Write-up.* The Issuer may, at its sole discretion, effect a reversal of a Write-down by writing up the Current Principal Amount in whole or in part up to a maximum of the Original Principal Amount (a "**Write-up**"), provided that a positive Profit has been recorded, and subject to the below limitations. There will be no obligation for the Issuer to operate or accelerate a Write-up under any specific circumstances.

If the Issuer so decides in its sole discretion, the Write-up will occur with effect as of the Write-Up Date (as defined below) (including).

At its discretion (without being obliged to) the Issuer may effect such Write-up provided that:

- (i) at the time of the Write-up, there must not exist any Trigger Event that is continuing; any Write-up is also excluded if such Write-up would give rise to the occurrence of a Trigger Event;
- (ii) such Write-up is applied on a pro rata basis to all Notes and among Loss Absorbing Written-down Instruments; and
- (iii) the sum of: (x) the aggregate amount attributed to the relevant Write-up of the Notes and the aggregate increase in principal amount of Loss Absorbing Written-down Instruments resulting from any previous write-up since the end of the then previous financial year; and (y) the aggregate amount of any distribution and any Additional Amounts thereon paid on the aggregate Current Principal Amount of the Notes and the aggregate amount of any distribution and any additional amounts thereon paid on Loss Absorbing Written-down Instruments as calculated at the moment the Write-up is operated will not exceed the Maximum Write-up Amount at any time after the end of the then previous financial year.

The amount of any Write-up and payments of distributions on the reduced Current Principal Amount shall be treated as payment resulting in a reduction of Common Equity Tier 1 pursuant to Article 28 CRR and shall be subject, together with other distributions on CET 1 Instruments, to the restrictions relating to the Maximum Distributable Amount as referred to in § 24 (2) of the Austrian Banking Act (implementing Article 141(2) CRD in Austria).

For the avoidance of doubt, a Write-up of the Notes may occur on one or more occasions until the Current Principal Amount equals the Original Principal Amount. Write-ups do not

have priority over dividend payments and other distributions on shares and other CET 1 Instruments of the Issuer, i.e. such payments and distributions are permitted even if no full Write-up of the Notes has been effected.

If the Issuer elects to effect a Write-up, it will publish a notice about the Write-up (including the amount of the Write-up as a percentage of the Original Principal Amount and the effective date of the Write-up (in each case a "**Write-up Date**") no later than 10 calendar days prior to the relevant Write-up Date to the Fiscal Agent and, in accordance with § 10, to the Holders. The Write-up shall be deemed to be effected at the time when the notice to the Holders is given in accordance with § 10 and the Current Principal Amount shall be deemed to be increased by the amount specified in the notice with effect as of the Write-up Date.

Where:

"Maximum Write-up Amount" means the lower of:

- (i) the consolidated Profit multiplied by the sum of the aggregate Original Principal Amount of the Notes and the aggregate initial principal amount of all Loss Absorbing Written-down Instruments of the Erste Group (for the avoidance of doubt, before any write-down), and divided by the total Tier 1 Capital pursuant to Article 25 CRR of the Erste Group as at the date the relevant Write-up is operated; and
- (ii) the Profit on an unconsolidated basis multiplied by the sum of the aggregate Original Principal Amount of the Notes and the aggregate initial principal amount of all Loss Absorbing Written-down Instruments of the Issuer (for the avoidance of doubt, before any write-down), and divided by the total Tier 1 Capital pursuant to Article 25 CRR of the Issuer as at the date the relevant Write-up is operated;

or any higher or lower amount permitted to be used under the Applicable Supervisory Regulations in effect on the date of the relevant Write-up.

"Loss Absorbing Written-down Instrument" means any (directly or indirectly issued) Additional Tier 1 instrument pursuant to Article 52 CRR (other than the Notes) of the Issuer or, as applicable, any instrument issued by a member of the Erste Group and qualifying as Additional Tier 1 instruments pursuant to Article 52 CRR of the Issuer and/or the Erste Group, that has had all or some of its principal amount written-down on a temporary basis, and that has terms permitting a principal write-up to occur on a basis similar to that provided herein in the circumstances existing on the date of the Write-up of the Notes.

"Profit" means: (i) the net income for the year (*Jahresüberschuss*) of the Issuer on an unconsolidated basis recorded in the Relevant Financial Statements; or (ii) the consolidated net income for the year (*Jahresüberschuss*) on a consolidated basis recorded in the consolidated financial statements of the Erste Group, in each case after such Relevant Financial Statements or consolidated financial statements have formally been determined (*festgestellt*) by either the supervisory board (*Aufsichtsrat*) or, if so requested, the shareholders' meeting (*Hauptversammlung*) of the Issuer.

No such Additional Amounts shall be payable with respect to any Note:

In particular, the Holders may consent to amendments which materially change the substance of the Terms and Conditions, including such measures as provided for under § 5 (3) of the SchVG by resolutions passed by such majority of the votes of the Holders as stated under § 11 (2) below. A duly passed majority resolution will be binding upon all Holders.

"**SchVG**" means the German Debt Securities Act (*Gesetz über Schuldverschreibungen aus Gesamtemissionen – SchVG*), as amended or replaced from time to time, and any references in these Terms and Conditions to relevant paragraphs of the SchVG include references to any applicable provisions of law amending or replacing such provisions from time to time.

- (2) *Majority requirements.* Except as provided by the following sentence and provided that the quorum requirements are being met, the Holders may pass resolutions by simple majority of the voting rights participating in the vote. Resolutions which materially change the substance of the Terms and Conditions, in particular in the cases of § 5 (3)(1) through (9) of the SchVG, may only be passed by a majority of at least 75 per cent. of the voting rights participating in the vote (a "**Qualified Majority**"). The voting right is suspended as long as any Notes are attributable to the Issuer or any of its affiliates (within the meaning of § 271(2) of the German Commercial Code (*Handelsgesetzbuch - HGB*)) or are being held for the account of the Issuer or any of its affiliates.
- (3) *Resolutions.* Resolutions of the Holders will be made either in a Holders' meeting in accordance with § 11 (3)(i) or by means of a vote without a meeting (*Abstimmung ohne Versammlung*) in accordance with § 11 (3)(ii), in either case convened by the Issuer or a joint representative, if any.
- (i) Resolutions of the Holders in a Holders' meeting will be made in accordance with §§ 9 et seqq. of the SchVG. The convening notice of a Holders' meeting will provide the further details relating to the resolutions and the voting procedure. The subject matter of the vote as well as the proposed resolutions will be notified to Holders in the agenda of the meeting.
- (ii) Resolutions of the Holders by means of a voting not requiring a physical meeting (*Abstimmung ohne Versammlung*) will be made in accordance with § 18 of the SchVG. The request for voting as submitted by the chairman (*Abstimmungsleiter*) will provide the further details relating to the resolutions and the voting procedure. The subject matter of the vote as well as the proposed resolutions will be notified to Holders together with the request for voting.
- (4) *Second Holders' meeting.* If it is ascertained that no quorum exists for the vote without meeting pursuant to § 11 (3)(ii), the chairman (*Abstimmungsleiter*) may convene a meeting,

which shall be deemed to be a second meeting within the meaning of § 15 (3) sentence 3 of the SchVG.

- (5) *Registration.* The exercise of voting rights is subject to the registration of the Holders. The registration must be received at the address stated in the request for voting no later than the third day prior to the meeting in the case of a Holders' meeting (as described in § 11 (3)(i) or § 11 (4)) or the beginning of the voting period in the case of voting not requiring a physical meeting (as described in § 11 (3)(ii)), as the case may be. As part of the registration, Holders must demonstrate their eligibility to participate in the vote by means of a special confirmation of their respective depositary bank hereof in text form and by submission of a blocking instruction by the depositary bank stating that the relevant Notes are not transferable from and including the day such registration has been sent until and including the stated end of the meeting or day the voting period ends, as the case may be.
- (6) *Joint representative.* The Holders may by majority resolution provide for the appointment or dismissal of a joint representative, the duties and responsibilities and the powers of such joint representative, the transfer of the rights of the Holders to the joint representative and a limitation of liability of the joint representative. Appointment of a joint representative may only be passed by a Qualified Majority if such joint representative is to be authorised to consent to a material change in the substance of the Terms and Conditions in accordance with § 11 (1) hereof.

The joint representative shall have the duties and powers provided by law or granted by majority resolutions of the Holders. The joint representative shall comply with the instructions of the Holders. To the extent that the joint representative has been authorised to assert certain rights of the Holders, the Holders shall not be entitled to assert such rights themselves, unless explicitly provided for in the relevant majority resolution. The joint representative shall provide reports to the Holders on its activities. The provisions of the SchVG apply with regard to the recall and the other rights and obligations of the joint representative.

Unless the joint representative is liable for wilful misconduct (*Vorsatz*) or gross negligence (*grobe Fahrlässigkeit*), the joint representative's liability shall be limited to ten times the amount of its annual remuneration.

- (7) *Notices.* Any notices concerning this § 11 will be made in accordance with §§ 5 et seqq. of the SchVG and § 10.
- (8) *Exclusion of the Applicability of the Austrian Notes Trustee Act.* The applicability of the provisions of the Austrian Notes Trustee Act (*Kuratoren-gesetz*) and the Austrian Notes Trustee Supplementation Act (*Kuratoren-ergänzungsgesetz*) is explicitly excluded in relation to the Notes.
