The date of these Final Terms is 24th January, 2020.

These Final Terms, under which the bonds described herein (the **Bonds**) are issued, are supplemental to, and should be read in conjunction with, the offering circular (the **Offering Circular**) dated 8th December, 2014 issued in relation to the debt issuance programme of European Investment Bank (**EIB**). The Bonds will be issued on the terms of these Final Terms read together with the Offering Circular. Terms defined in the Offering Circular have the same meaning in these Final Terms.

EIB accepts responsibility for the information contained in these Final Terms which, when read together with the Offering Circular, contain all information that is material in the context of the issue of the Bonds.

These Final Terms do not constitute an offer of, or an invitation by or on behalf of anyone to subscribe or purchase any of, the Bonds.

In preparation for a withdrawal of the United Kingdom from the EU, which will result in the termination of its membership of the EIB, the EIB's Board of Governors has approved a number of measures relating to the EIB's capital and governance. Some of these measures required an amendment to the EIB Statute and approval by the Council of the European Union.

With respect to the EIB's subscribed capital, the Board of Governors has approved the replacement of the UK capital share by a pro-rata capital increase of the remaining EU Member States. The paid-in part of that capital increase will be financed out of the EIB's reserves. Related amendments to the EIB Statute have also been approved by the Council of the European Union, after consultation with the European Commission and the European Parliament. This capital increase and the related amendments to the EIB Statute will be effective as of the withdrawal of the United Kingdom from the EU.

In addition, the Board of Governors has approved a further increase of the capital subscribed by Poland and Romania by EUR 5,386,000,000 and EUR 125,452,381, respectively, including related changes to the EIB Statute. This capital increase as well as the related amendments to the EIB Statute have also been approved by the Council of the European Union, after consultation with the European Commission and the European Parliament, and will become effective one month after the withdrawal of the United Kingdom from the EU.

The EIB does not fall under the scope of application of the MiFID II package. Consequently, the EIB does not qualify as an "investment firm", "manufacturer" or "distributor" for the purposes of MiFID II.

Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Bonds has led to the conclusion that: (i) the target market for the Bonds is eligible counterparties, professional clients and retail clients, each as defined in MiFID II; and (ii) all channels for distribution of the Bonds are appropriate, subject to the distributor's suitability and appropriateness obligations under MiFID II, as applicable. Any person subsequently offering, selling or recommending the Bonds (a **distributor**) should take into consideration the manufacturer's target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Bonds (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels, subject to the distributor's suitability and appropriateness obligations under MiFID II, as applicable.

For the purposes of this provision, the expression **manufacturer** means the Relevant Dealer and the expression **MiFID II** means Directive 2014/65/EU, as amended.
