For purposes of this definition, the term Obligation shall be deemed to include Underlying Obligations for which the Reference Entity is acting as provider of a Qualifying Affiliate Guarantee or, if "All Guarantees" is specified as applicable in the applicable Final Terms, as provider of any Qualifying Guarantee. In the case of a Qualifying Guarantee and an Underlying Obligation, references to the Reference Entity in "(A)" of this definition and the Definition of Subordination shall be deemed to refer to

	<p>the Underlying Obligor and the reference to the Reference Entity in “(B)” of this definition shall continue to refer to the Reference Entity.</p> <p>“Senior Auction” means an Auction in respect of one or more Obligations of the relevant Reference Entity specified as “Senior” pursuant to such Auction;</p> <p>“Subordinated Auction” means an Auction in respect of one or more Obligations of the relevant Reference Entity specified as “Subordinated” or “Sub” pursuant to such Auction;</p> <p>“Transaction Auction Settlement Terms” means the Credit Derivatives Auction Settlement Terms applicable to the relevant Reference Entity and Reference Obligation; and</p> <p>“Valuation Date” means (a) if “Single Valuation Date” is Specified, the date that is the Specified number of Business Days after satisfaction of all Conditions to Settlement (or, if “Cash Settlement” is applicable pursuant to the fallback provisions in Auction Settlement, any Auction Cancellation Date or any No Auction Announcement Date, if later) or, if the number of Business Days is not Specified, 5 (five) Business Days, and (b) if “Multiple Valuation Dates” is Specified, each of the following dates:</p> <ul style="list-style-type: none"> (i) the date that is the Specified number of Business Days after satisfaction of all Conditions to Settlement (or, if the number of Business Days is not so Specified, 5 (five) Business Days); and (ii) each successive date that is the Specified number of Business Days (or, if the number of Business Days is not so Specified, 5 (five) Business Days) after the date on which the Calculation Agent obtains a Market Value with respect to the immediately preceding Valuation Date. <p>When “Multiple Valuation Dates” is Specified, the total number of Valuation Dates shall be equal to the number of Valuation Dates Specified (or, if the number of Valuation Dates is not so Specified, 5 (five) Valuation Dates).</p> <p>If neither “Single Valuation Date” nor “Multiple Valuation Dates” is Specified, “Single Valuation Date” shall be deemed to be Specified.</p>

	<p>under such Note in respect of the relevant Reference Entity or Reference Obligation may be determined in accordance with the Auction Final Price. The Noteholder takes the risk that where a Final Price is determined in accordance with an Auction, this may result in a lower recovery value than a Reference Entity or Reference Obligation would have if such Auction Final Price had not been used. Also, the Issuer may have a conflict of interest to the extent that it participates in any auction or other process used to determine the Credit Event under the Auction Protocol and is under no obligation to consider the interests of Noteholders when so acting.</p> <p>If Auction Settlement is both Specified and determined by the Calculation Agent as applicable with respect to any Note but the Credit Derivatives Determinations Committee does not decide to conduct an Auction with respect to obligations of the relevant Reference Entity satisfying the relevant characteristics as set out in the Applicable Pricing Supplement, then the Fallback Settlement Method shall apply. In such circumstances, either the Final Price will be determined pursuant to the Valuation Method or the Issuer will Deliver to Noteholders the Relevant Portion of the Portfolio.</p>
<p>Credit Derivative Definitions and Credit Derivatives Determinations Committee:</p>	<p>The Conditions of the Notes do not incorporate by reference the definitions and provisions of the 2003 ISDA Credit Derivatives Definitions (the “Credit Derivatives Definitions”) and there may be differences between the definitions used in the Conditions of the Notes and the Credit Derivatives Definitions. Consequently, investing in the Notes is not exactly equivalent to investing in a credit default swap that incorporates the Credit Derivatives Definitions.</p> <p>While ISDA has published and supplemented the Credit Derivatives Definitions in order to facilitate transactions and promote uniformity in the credit derivative market, the credit derivative market has evolved over time and is expected to continue to change. Consequently, the Credit Derivatives Definitions and the terms applied to credit derivatives, including the Notes, are subject to interpretation and further evolution. Past events have shown that the views of market participants may differ as to how the Credit Derivatives Definitions operate or should operate. As a result of the continued evolution in the market, interpretation of the Notes may differ in the future because of future market standards. Such a result may have a negative impact on the Notes.</p> <p>There can be no assurances that changes to the terms applicable to credit derivatives generally will be predictable or favourable to the Issuer or Noteholders. Future amendments or supplements to the terms</p>

	<p>applicable to credit derivatives generally will only apply to Notes that have already been issued if the Issuer and the Noteholders agree to amend the Notes to incorporate such amendments or supplements and other conditions to amending the Notes have been met.</p> <p>Credit Derivatives Determinations Committees were established pursuant to the March 2009 Supplement or the July 2009 Supplement to the 2003 ISDA Credit Derivatives Definitions to make determinations that are relevant to the majority of the credit derivatives market and to promote transparency and consistency. Further information about the Credit Derivatives Determinations Committee may be found at www.isda.org/credit.</p> <p>Whether or not a Credit Event or Succession Event has occurred, and certain decisions relating thereto, may be dependent on determinations made by the Credit Derivatives Determinations Committee. In certain circumstances, determinations made by the Calculation Agent may be overridden by subsequent determinations made by the Credit Derivatives Determinations Committee. If the Issuer delivers a Credit Event Notice or Succession Event Notice to a Noteholder, such Noteholder should be aware that such notice may be superseded by a determination of the Credit Derivatives Determinations Committee.</p>
<p>With respect to the Credit Derivatives Determinations Committees, each Noteholder is deemed to agree:</p>	<p>a) that no DC Party and no legal counsel or other third-party professional hired by a DC Party in connection with such DC Party's performance of its respective duties under the CDDC Rules and/or any Credit Derivatives Auction Settlement Terms, as applicable, shall be liable, whether for negligence or otherwise, to the Issuer, Guarantor or any Noteholder for any form of damages, whether direct, indirect, special, consequential or otherwise, that might arise in connection with such DC Party's performance of its duties, or any advice given by legal counsel or any other third-party professional hired by such DC Party in connection with such DC Party's performance of its respective duties, under the CDDC Rules and/or any Credit Derivatives Auction Settlement Terms, as applicable, except in the case of fraud or wilful misconduct on the part of such DC Party, legal counsel or other third-party professional, as applicable; provided that, notwithstanding the foregoing, legal counsel or any other third-party professional hired by a DC Party in connection with such DC Party's performance of its duties under the CDDC Rules and/or any Credit Derivatives Auction Settlement Terms, as applicable, may be still be liable to such DC Party;</p>
